

Bander House.

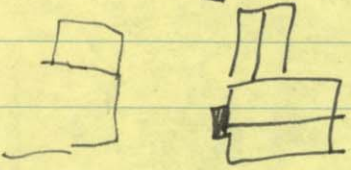

photograph C. Fisher photo album Lower P.W.

taken 1 Nov 1959.

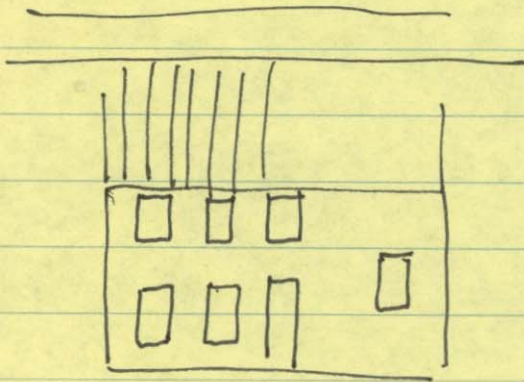

House is still standing

lg ext brick chimney on east? end. Top is missing though.
house had shutters (painted green?)

1st story addn.

and a one story porch across the front. turned porch posts + early 1900's jig-saw brackets. Fairly wide clapboards. Looks occupied. windows $\frac{6}{6}$ or $\frac{9}{8}$ Dark trim, white clapboards.

I think Mrs. Webster said that the rooms on the right were on a higher, or different, level than the ones on the left.
