Manassas, Va.**

Sometimes, I'd rather talk to the dog    Fauquier counties, do not tax antique    meetings and court sessions.

**Moving Day**

Randi Deiotte - The Journal Messenger

The little red schoolhouse at Catharpin was recently hoisted aboard this truck and moved back about 100 yards from Va. 234 as part of a facelifting operation for

the Red School nursery and garden center due to open at Catharpin this spring. The business venture is being directed by Manassas real estate broker John Norman.
