DONE DEAL: Rippon Lodge owner Debra Decko and her husband Charles look over a deed with Manassas attorney Ralph Coon before its signing Monday. Built circa 1725, Rippon Lodge is the oldest house in Prince William County and stayed with the original builder's family until this month's sale to Prince William County. The site, purchased by the county for \$1.4 million, includes the house, land and period furniture. The county plans to restore the property and open it to the public.
