Triangle SAP – Community Charrette Approach

**Date:** September 30, 2020 and October 1, 2020  
**Purpose:** Develop a community-based vision statement and draft baseline alternative development scenarios for the Triangle SAP  
**Format:** Virtual – includes presentation and breakout “rooms” for smaller group discussion. Refer to agenda below.  
**Platform:** WebEx

**Agenda – Day 2: Thursday, October 1, 2020-Develop Scenarios**

6:00 pm-6:05 pm – Introduction and welcome by Supervisor Bailey

6:05 pm-6:15 pm – Housekeeping, charrette ground rules, and overview of WebEX

6:15 pm-6:45 pm – Overview of project  
Recap project purpose, project area and context, and existing conditions. Recap findings from internal and external stakeholder meetings and interviews.

Presentation topics:
- Purpose and scope
- Summary of background information  
  - Takeaways from stakeholder meetings  
  - Existing conditions and findings to-date (population/demographics, land use, transportation, utilities, environment, open space)

6:45 pm-7:15 pm – Review draft Vision and inputs  
Recap draft vision inputs and present on what we heard about what types of places, improvements, and activities people want to have and do in Triangle, and how they would like to get around. Integrated survey will ask for feedback on whether they like it, dislike, or want us to add or subtract something.

7:15 pm-8:00 pm – Develop 2-3 alternatives

Facilitate breakout discussion and development of 2-3 alternatives for Triangle area based on:
- What type of new development and where?  
- Where should we encourage redevelopment?  
- How do you want to get there?  
- What kinds of improvements do you want to see in existing areas?

8:00 pm – Thanks for participation and discuss next steps.
