

Prince William County
Office of Information Technology

Street Directory for all Election Districts
(Election District Boundaries effective October 18, 2011)

This report lists, for every street segment in Prince William County, an address range, the subdivision/area, the precinct, the House district, the Senate district, the Congressional district and the zip code.

Persons noting errors or omissions in this list are encouraged to notify the Prince William County Office of Information Technology, Geographic Information Systems (GIS) Division, 5 County Complex Court, Suite 140, Prince William, VA 22192-5308 or by telephone at (703) 792-6840.

Date of this listing **** October 18, 2011****. Please call the GIS Division if more current information is required. Please note that a zero (0) address range indicates that there is no information available.

Legend

L_Lo	Low address, left side
