Michael Garcia II
VP Development

Graduated Woodbridge Senior High School, Prince William VA – 2001

Graduated University of Virginia with Bachelor's of Science – 2005

Habitat for Humanity Director 2006-2008

2005-Present

Michael Garcia is the VP of Development at Mike Garcia Construction Inc. He began his career in the family owned company after graduating from the University of Virginia with a Bachelor's of Science Degree in Biology/Biochemistry in 2005.

Michael began his career as a commercial construction superintendent building office, medical office, laboratory and industrial construction projects. He now assists the President of Mike Garcia Construction, Mike Garcia, in future commercial developments.

He is responsible for the due diligence prior to land acquisition, entitling, budget, finance, project design and marketing, and site/building plan permit approvals. Additionally, Michael heads the property management division for Mike Garcia Construction whereby he maintains the commercial properties held in Mike Garcia's portfolio.
