If the zoning administrator receives no written objection from a person so notified within 30 days of the date of sending the letter and determines that the family day home otherwise complies with the provisions of the ordinance and all other applicable local ordinances, the zoning administrator shall issue the permit sought. If the zoning administrator receives a written objection from a person so notified within 30 days of the date of sending the letter and determines that the family day home otherwise complies with the provisions of the ordinance, the zoning administrator shall consider such objection and may (i) issue or deny the permit sought or (ii) if required by the ordinance, refer the permit to the local governing body for consideration. The ordinance shall provide a process whereby an applicant for a family day home that is denied a permit through the administrative process may request that its application be considered after a hearing following public notice as provided in § 15.2-2204. Upon such hearing, the local governing body may, in its discretion, approve the permit, subject to such conditions as agreed upon by the applicant and the locality, or deny the permit. B. A qualified entity may request the Department of State Police to conduct a national criminal background check on any provider who is employed by such entity. No qualified entity may request a national criminal background check on a provider until such provider has:

1. Been fingerprinted; and
2. Completed and signed a statement, furnished by the entity, that includes (i) his name, address, and date of birth as it appears on a valid identification document; (ii) a disclosure of whether or not the provider has ever been convicted of or is the subject of pending charges for a criminal offense within or outside the Commonwealth, and if the provider has been convicted of a crime, a description of the crime and the particulars of the conviction; (iii) a notice to the provider that the entity may request a background check; (iv) a notice to the provider that he is entitled to obtain a copy of any background check report, to challenge the accuracy and completeness of any information contained in any such report, and to obtain a prompt determination as to the validity of such challenge before a final determination is made by the Department; and (v) a notice to the provider that prior to the completion of the background check the qualified entity may choose to deny the provider unsupervised access to children or the elderly or disabled for whom the qualified entity provides care.

§ 22.1-19. Accreditation of elementary, middle, and high schools; nursery schools; recognition of certain organizations; child day center regulation.

The Board shall provide for the accreditation of public elementary, middle, and high schools in accordance with standards prescribed by it. The Board may provide for the accreditation of private elementary, middle, and high schools in accordance with standards prescribed by it, taking reasonably into account the special circumstances and factors affecting such private schools. The Board in its discretion may recommend provisions for *accreditation* standards for private nursery schools. Any such accreditation shall be at the request of the private school only.

For the purposes of facilitating the transfer of academic credits for students who have attended private schools and are enrolling in public schools, and to meet the requirements of § 63.2-1747.22.1-289.032, the Board of Education shall authorize, in a manner it deems appropriate, the Virginia Council for Private Education to accredit private nursery, preschool, elementary, and secondary schools.

§ 22.1-199.1. Programs designed to promote educational opportunities.

A. The General Assembly finds that Virginia educational research supports the conclusion that poor children are more at risk of educational failure than children from more affluent homes and that reduced

pupil/teacher ratios and class sizes result in improved academic performance among young children; to this end, the General Assembly establishes a long-term goal of reducing pupil/teacher ratios and class sizes for grades K through three in those schools in the Commonwealth with high or moderate concentrations of at-risk students.

With such funds as are provided in the appropriation act for this purpose, there is hereby established the statewide voluntary pupil/teacher ratio and class size reduction program for the purpose of reaching the long-term goal of statewide voluntary pupil/teacher ratio and class size reductions for grades K through three in schools with high or moderate concentrations of at-risk students, consistent with the provisions provided in the appropriation act.

In order to facilitate these primary grade ratio and class size reductions, the Department of Education shall calculate the state funding of these voluntary ratio and class size reductions based on the incremental cost of providing the lower class sizes according to the greater of the division average per-pupil cost of all divisions or the actual division per-pupil cost. Localities shall provide matching funds for these voluntary ratio and class size reductions based on the composite index of local ability to pay. School divisions shall notify the Department of Education of their intention to implement the reduced ratios and class sizes in one or more of their qualifying schools by August 1 of each year. By March 31 of each year, school divisions shall forward data substantiating that each participating school has a complying pupil/teacher ratio.

In developing each proposed biennium budget for public education, the Board of Education shall include funding for these ratios and class sizes. These ratios and class sizes shall be included in the annual budget for public education.

B. The General Assembly finds that educational technology is one of the most important components, along with highly skilled teachers, in ensuring the delivery of quality public school education throughout the Commonwealth. Therefore, the Board of Education shall strive to incorporate technological studies within the teaching of all disciplines. Further, the General Assembly notes that educational technology can only be successful if teachers and administrators are provided adequate training and assistance. To this end, the following program is established.

With such funds as are appropriated for this purpose, the Board of Education shall award to the several school divisions grants for expanded access to educational technology. Funding for educational technology training for instructional personnel shall be provided as set forth in the appropriation act.

Funds for improving the quality and capacity of educational technology shall also be provided as set forth in the appropriation act, including, but not limited to, (i) funds for providing a technology resource assistant to serve every elementary school in this Commonwealth beginning on July 1, 1998, and (ii) funds to maintain the currency of career and technical education programs. Any local school board accepting funds to hire technology resource assistants or maintain currency of career and technical education programs shall commit to providing the required matching funds, based on the composite index of local ability to pay.

Each qualifying school board shall establish an individualized technology plan, which shall be approved by the Superintendent of Public Instruction, for integrating technology into the classroom and into schoolwide instructional programs, including career and technical education programs. The grants shall be prioritized as follows:

1. In the 1994 biennium, the first priority for these funds shall be to automate the library media centers and provide network capabilities in Virginia's elementary, middle and high schools, or combination thereof, in order to ensure access to the statewide library and other information networks. If any elementary, middle or high school has already met this priority, the 1994 biennium grant shall be used to provide other educational technologies identified in the relevant division's approved technology plan, such as multimedia and telecomputing packages, integrated learning systems, laptop computer loan programs, career and technical education laboratories or other electronic techniques designed to enhance public education and to facilitate teacher training in and implementation of effective instructional technology. The Board shall also distribute, as provided in the appropriation act, funds to support the purchase of electronic reference materials for use in the statewide automated reference system.

2. In the 1996 biennium and thereafter, the first priority for funding shall be consistent with those components of the Board of Education's revised six-year technology plan which focus on (i) retrofitting and upgrading existing school buildings to efficiently use educational technology; (ii) providing (a) one network-ready multimedia microcomputer for each classroom, (b) a five-to-one ratio of pupils to network-ready microcomputers, (c) graphing calculators and relevant scientific probes/sensors as required by the Standards of Learning, and (d) training and professional development on available technologies and software to all levels and positions, including professional development for personnel delivering career and technical education at all levels and positions; and (iii) assisting school divisions in developing integrated voice-, video-, and data-connectivity to local, national and international resources.

This funding may be used to implement a local school division's long-range technology plan, at the discretion of the relevant school board, if the local plan meets or exceeds the goals and standards of the Board's revised six-year technology plan and has been approved by the Superintendent of Public Instruction.

3. The Departments of Education, Information Technology, and General Services shall coordinate master contracts for the purchase by local school boards of the aforementioned educational technologies and reference materials.

4. Beginning on July 1, 1998, a technology replacement program shall be, with such funds as may be appropriated for this purpose, implemented to replace obsolete educational hardware and software. As provided in subsection D of § 22.1-129, school boards may donate obsolete educational technology hardware and software which are being replaced. Any such donations shall be offered to other school divisions and to preschool programs in the Commonwealth, or to public school students as provided in guidelines to be promulgated by the Board of Education. Such guidelines shall include criteria for determining student eligibility and need; a reporting system for the compilation of information concerning the number and socioeconomic characteristics of recipient students; and notification of parents of the availability of such donations of obsolete educational hardware and software.

5. In fiscal year 2000, the Board of Education shall, with such funds as are appropriated for this purpose, contract for the development or purchase of interactive educational software and other instructional materials designed as tutorials to improve achievement on the Standards of Learning assessments. Such interactive educational software and other instructional materials may be used in media centers, computer laboratories, libraries, after-school or before-school programs or remedial programs by teachers and other instructional personnel or provided to parents and students to be used in the home. This interactive educational software and other instructional materials shall only be used as supplemental tools for instruction, remediation, and acceleration of the learning required by the K through 12 Standards of Learning objectives.

Consistent with school board policies designed to improve school-community communications and guidelines for providing instructional assistance in the home, each school division shall strive to establish a voice mail communication system after regular school hours for parents, families, and teachers by the year 2000.

C. The General Assembly finds that effective prevention programs designed to assist children at risk of school failure and dropout are practical mechanisms for reducing violent and criminal activity and for ensuring that Virginia's children will reach adulthood with the skills necessary to succeed in the twenty-first century; to this end, the following program is hereby established: With such funds as are appropriated for this purpose, the General Assembly hereby establishes a grant program to be disbursed by the Department of Education to schools and community-based organizations to provide quality preschool programs for at-risk four-year-olds who are unserved by Head Start programs and for at-risk five-year-olds who are not eligible to attend kindergarten.

The grants shall be used to provide at least half-day services for the length of the school year for at-risk four-year-old children who are unserved by Head Start programs and for at-risk five-year-olds who are not eligible to attend kindergarten. The services shall include quality preschool education; health services; social services; parental involvement including activities to promote family literacy; and transportation.

The Department of Education, in cooperation with such other state agencies that may coordinate child day care and early childhood programs, shall establish guidelines for quality preschool education and criteria for the service components, consistent with the findings of the November 1993 study by the Board of Education, the Department of Education, and the Council on Child Day Care and Early Childhood Programs.

The guidelines for quality preschool education and criteria for preschool education services may be differentiated according to the agency providing the services in order to comply with various relevant federal or state requirements. However, the guidelines for quality preschool education and the criteria for preschool education services shall require when such services are being provided by the public schools of the Commonwealth, and may require for other service providers, that (i) one teacher shall be employed for any class of nine students or less; (ii) if the average daily membership in any class exceeds nine students but does not exceed 18, a full-time teacher's aide shall be assigned to the class; and (iii) the maximum class size shall be 18 students.

School divisions may apply for and be granted waivers from these guidelines by the Department of Education.

During the 1995-1996 fiscal year, the Board of Education shall, with such funds as are appropriated for this purpose, distribute grants, based on an allocation formula providing the state share of the grant per child, as specified in the appropriation act, for 30 percent of the unserved at-risk four-year-olds in the Commonwealth pursuant to the funding provided in the appropriation act.

During the 1996-1997 fiscal year and thereafter, grants shall be distributed, with such funds as are appropriated for this purpose, based on an allocation formula providing the state share of the grant per child, as specified in the appropriation act, for at least 60 percent of the unserved at-risk four-year-olds and five-year-olds who are not eligible to attend kindergarten in the Commonwealth, such 60 percent to be calculated by adding services for 30 percent more of the unserved at-risk children to the 30 percent of unserved at-risk children in each locality provided funding in the appropriation act.

Local school boards may elect to serve more than 60 percent of the at-risk four-year-olds and may

use federal funds or local funds for this expansion or may seek funding through this grant program for such purposes. Grants may be awarded, if funds are available in excess of the funding for the 60 percent allocation, to expand services to at-risk four-year-olds beyond the 60 percent goal.

In order for a locality to qualify for these grants, the local governing body shall commit to providing the required matching funds, based on the composite index of local ability to pay. Localities may use, for the purposes of meeting the local match, local or other nonstate expenditures for existing qualifying programs and shall also continue to pursue and coordinate other funding sources, including child care subsidies. Funds received through this program shall be used to supplement, not supplant, any local funds currently provided for preschool programs within the locality.

D. The General Assembly finds that local autonomy in making decisions on local educational needs and priorities results in effective grass-roots efforts to improve education in the Commonwealth's public schools only when coupled with sufficient state funding; to this end, the following block grant program is hereby established. With such funds as are provided in the appropriation act, the Department of Education shall distribute block grants to localities to enable compliance with the Commonwealth's requirements for school divisions in effect on January 1, 1995. Therefore, for the purpose of such compliance, the block grant herein established shall consist of a sum equal to the amount appropriated in the appropriation act for the covered programs, including the at-risk add-on program; dropout prevention, specifically Project YES; Project Discovery; English as a second language programs, including programs for overage, nonschooled students; Advancement Via Individual Determination (AVID); the Homework Assistance Program; programs initiated under the Virginia Guaranteed Assistance Program, except that such funds shall not be used to pay any expenses of participating students at institutions of higher education; Reading Recovery; and school/community health centers. Each school board may use any funds received through the block grant to implement the covered programs and other programs designed to save the Commonwealth's children from educational failure.

E. D. In order to reduce pupil/teacher ratios and class sizes in elementary schools, from such funds as may be appropriated for this purpose, each school board may employ additional classroom teachers, remedial teachers, and reading specialists for each of its elementary schools over the requirements of the Standards of Quality. State and local funding for such additional classroom teachers, remedial teachers, and reading specialists shall be apportioned as provided in the appropriation act.

F. E. Pursuant to a turnaround specialist program administered by the Department of Education, local school boards may enter into agreements with individuals to be employed as turnaround specialists to address those conditions at the school that may impede educational progress and effectiveness and academic success. Local school boards may offer such turnaround specialists or other administrative personnel incentives such as increased compensation, improved retirement benefits in accordance with Chapter 6.2 (§ 51.1-617 et seq.) of Title 51.1, increased deferred compensation in accordance with § 51.1-603, relocation expenses, bonuses, and other incentives as may be determined by the board.

G. F. The General Assembly finds that certain schools have particular difficulty hiring teachers for certain subject areas and that the need for such teachers in these schools is particularly strong. Accordingly in an effort to attract and retain high quality teachers, local school boards may offer instructional personnel serving in such schools as a member of a middle school teacher corps administered by the Department of Education incentives such as increased compensation, improved retirement benefits in accordance with Chapter 6.2 (§ 51.1-617 et seq.) of Title 51.1, increased deferred compensation in accordance with § 51.1-603, relocation expenses, bonuses, and other incentives as may be determined by the board.

For purposes of this subsection, "middle school teacher corps" means licensed instructional personnel who are assigned to a local school division to teach in a subject matter in grades six, seven, or eight where there is a critical need, as determined by the Department of Education. The contract between such persons and the relevant local school board shall specify that the contract is for service in the middle school teacher corps.

The provider of a licensed or registered family day home shall disclose to the parents or guardians of children in their care the percentage of time per week that persons other than the provider will care for the children. Family day homes serving five through 12 children, exclusive of the provider's own children and any children who reside in the home, shall be licensed. However, no family day home shall care for more than four children under the age of two, including the provider's own children and any children who reside in the home, unless the family day home is licensed or voluntarily registered. However, a family day home where the children in care are all related to the provider by blood or marriage shall not be required to be licensed.

"Publicly funded provider" means any (i) educational program provided by a school division or local government to children between birth and age five or (ii) child day program that receives state or federal funds in support of its operations that serves three or more unrelated children. "Publicly funded provider" does not include any program for which the sole source of public funding is the federal Child and Adult Care Food Program (CACFP) administered by the U.S. Department of Agriculture Food and Nutrition Service.

"Registered family day home" means any family day home that has met the standards for voluntary registration for such homes pursuant to regulations adopted by the Board and that has obtained a certificate of registration from the Superintendent.

Such system shall be administered by the Board, the Superintendent, and the Department and shall be formed, implemented, and sustained through a structure that engages and leverages both state-level authority and regional-level public-private partnership assets.

B. It is the intent of the General Assembly that the system established pursuant to subsection A shall (i) provide families with coordinated access for referral to early childhood education programs, (ii) provide families with easy-to-understand information about the quality of publicly funded early childhood care and education programs, (iii) establish expectations for the continuous improvement of early childhood care and education programs, and (iv) establish shared expectations for early childhood care and education programs among the Department of Education, the Department of Social Services, local school divisions, and state and regional stakeholders.

C. § 22.1-289.04. Early childhood care and education advisory committee.

The Board shall establish an early childhood care and education advisory committee to advise the Board on programs, systems, and regulations established pursuant to this chapter. The advisory committee shall include the following members, who shall represent geographically diverse areas: (i) two representatives of publicly funded licensed providers, including at least one for-profit provider; (ii) one representative of an early childhood care and education entity that is not a publicly funded provider; (iii) two representatives of early childhood care and education entities that are license-exempt pursuant to Article 4 (§ 22.1-289.030 et seq.), including one representative of an early childhood care and education entity that is exempt from licensure pursuant to § 22.1-289.031; (iv) three representatives of Head Start providers, one of which shall be operated by a local school division, and two of which shall not be operated by a local school division; (v) two representatives from local school divisions or local school boards operating early childhood programs other than Head Start providers; (vi) two representatives of nonprofit advocacy organizations in the Commonwealth that focus on early childhood care and education; (vii) one representative of a family day home that is a publicly funded provider; (viii) two professionals or faculty members from an institution of higher education in the Commonwealth who have child development or early childhood education expertise; (ix) one representative from the Virginia chapter of the American Academy of Pediatrics; (x) one representative from an advocacy or

The Commissioner of Social Services or his designee, the Secretary of Education or his designee, the Secretary of Health and Human Resources or his designee, the Superintendent of Public Instruction or his designee, the Commissioner of the Department of Health or his designee, the Commissioner of the Department of Behavioral Health and Development Services or his designee, and the Director of the Head Start Collaboration Office shall serve *ex officio* without voting privileges. The Board shall establish bylaws for such advisory committee that include term length and limits for members.

§ 22.1-289.05. Quality rating and improvement system; establishment.

A. The Board shall establish a uniform quality rating and improvement system designed to provide parents and families with information about the quality and availability of publicly funded providers. Such system shall include:

1. Service provision and performance targets for children from birth to age five that align with standards for kindergarten readiness and early elementary grades;
2. Consistent quality standards;
3. Outcome-based measurements; and
4. Incentives to encourage participation and improvement.

B. All publicly funded providers shall be required to participate in the quality rating and improvement system established pursuant to subsection A. All other child day programs may participate in such system. Any participation in such system shall comply with all applicable federal laws and regulations, including the federal Head Start Act (42 U.S.C. § 9801 *et seq.*), as amended, and associated regulations.

C. The Board shall establish consequences for publicly funded providers that fail to participate in the quality rating and improvement system established pursuant to subsection A or persistently fail to meet minimal quality standards.

§ 22.1-289.06. Confidential records and information; penalty.

A. The records, information, and statistical registries of the Department and of all child day programs and family day systems concerning services to or on behalf of individuals shall be confidential information, provided that the Superintendent, the Board, and their agents or designees shall have access to such records, information, and statistical registries, and that such records, information, and statistical registries may be disclosed to any person having a legitimate interest in accordance with state and federal law and regulation.

It shall be unlawful for any officer, agent, or employee of any child day program or family day system; for the Superintendent, the State Board, or their agents, designees, or employees; for any person who has held any such position; and for any other person to whom any such record or information is disclosed to disclose, directly or indirectly, any such confidential record or information, except as herein provided or pursuant to § 63.2-105. Every violation of this section shall constitute a Class 1 misdemeanor.

B. If a request for a record or information concerning applicants for and recipients of services provided in this chapter is made to the Department by a person who does not have a legitimate interest, the Superintendent shall not provide the record or information unless permitted by state or federal law or regulation.

§ 22.1-289.07. Information related to shaken baby syndrome.

The Department shall make information about shaken baby syndrome, its effects, and resources for help and support for caretakers in a printable format, and information about how to acquire information about shaken baby syndrome and its effects in an audiovisual format, available to the public on its website. Such information shall be provided to every child day program and family day system required to be licensed by the Department at the time of initial licensure and upon request.

§ 22.1-289.08. Board to investigate child day programs at direction of Governor.

Whenever the Governor considers it proper or necessary to investigate the management of any child day program or family day system licensed by or required to be inspected by the Board under the provisions of this chapter, he may direct the Board, or any committee or agent thereof, to make the investigation. The Board, committee, or agent designated by the Governor shall have power to administer oaths and to summon officers, employees, or other persons to attend as witnesses and to enforce their attendance and to compel them to produce documents and give evidence.

Article 2.

Virginia Preschool Initiative.

§ 22.1-289.09. Programs designed to promote educational opportunities.

A. The General Assembly finds that effective prevention programs designed to assist children at risk of school failure and dropout are practical mechanisms for reducing violent and criminal activity and for ensuring that Virginia's children will reach adulthood with the skills necessary to succeed; to this end, the following program is hereby established. With such funds as are appropriated for this purpose, the General Assembly hereby establishes the Virginia Preschool Initiative as a grant program to be disbursed by the Department of Education to schools and community-based organizations to provide quality preschool programs for at-risk three-year-olds and four-year-olds who are unserved by Head Start programs and for at-risk five-year-olds who are not eligible to attend kindergarten.

B. Grants shall be used to provide at least half-day services for the length of the school year for at-risk three-year-old and four-year-old children who are unserved by Head Start programs and for at-risk five-year-olds who are not eligible to attend kindergarten. The services shall include quality preschool education; health services, including nutrition access programs; social services; parental involvement, including activities to promote family literacy; and transportation.

C. The guidelines for quality preschool education and criteria for preschool education services may be differentiated according to the agency providing the services in order to comply with various relevant federal or state requirements.

1. Any classroom that exceeds benchmarks set by the Board shall be staffed as follows: (i) at least one teacher shall be provided for any classroom with 10 students or fewer students; (ii) if the average daily membership in any classroom exceeds 10 students but does not exceed 20 students, at least one full-time teacher's aide shall be assigned to the classroom; and (iii) the maximum classroom size shall be 20 students.

2. Any classroom that does not exceed benchmarks set by the Board shall be staffed as follows: (i) at least one teacher shall be provided for any classroom with nine or fewer students; (ii) if the average daily membership in any classroom exceeds nine students but does not exceed 18 students, a full-time teacher's aide shall be assigned to such classroom; and (iii) the maximum classroom size shall be 18 students.

D. School divisions and other grantees may apply for and be granted waivers from these guidelines by the Department of Education. Grants shall be distributed, with such funds as are appropriated for this purpose, based on an allocation formula providing the state share of the grant per child, as specified in the appropriation act, for at least 60 percent of the unserved at-risk four-year-olds and five-year-olds who are not eligible to attend kindergarten in the Commonwealth, such 60 percent to be calculated by adding services for 30 percent more of the unserved at-risk children to the 30 percent of unserved at-risk children in each locality provided funding in the appropriation act.

E. Local school boards may elect to serve more than 60 percent of the at-risk four-year-olds and may use federal funds or local funds for this expansion or may seek funding through this grant program for such purposes. Grants may be awarded, if funds are available in excess of the funding for the 60 percent allocation, to expand services to at-risk four-year-olds beyond the 60 percent goal.

F. In order for a locality to qualify for these grants, the local governing body shall commit to providing the required matching funds, based on the composite index of local ability to pay. Localities may use, for the purposes of meeting the local match, local or other nonstate expenditures for existing qualifying programs and shall also continue to pursue and coordinate other funding sources, including child care subsidies. Funds received through this program shall be used to supplement, not supplant, any local funds currently provided for preschool programs within the locality.

Article 3.

Licensure.

§ 22.1-289.010. Application fees; regulations and schedules; use of fees; certain facilities, centers and agencies exempt.

The Board is authorized to adopt regulations and schedules for fees to be charged for processing applications for licenses to operate child day programs and family day systems. Such schedules shall specify minimum and maximum fees and, where appropriate, gradations based on the capacity of such facilities, centers, and agencies. Fees shall be used for the development and delivery of training for operators and staff of child day programs and family day systems. Fees shall be expended for this purpose within two fiscal years following the fiscal year in which they are collected. These fees shall not be applicable to facilities, centers, or agencies operated by federal entities.

The Board shall develop training programs for operators and staffs of licensed child day programs. Such programs shall include formal and informal training offered by institutions of higher education, state and national associations representing child care professionals, local and regional early childhood educational organizations, state agencies and other trainers designated by the Board, and licensed child care providers. Training provided to operators and staffs of licensed child day programs shall include training and information regarding shaken baby syndrome, its effects, and resources for help and support for caretakers. To the maximum extent possible, the Board shall ensure that all provider interests are represented and that no single approach to training shall be given preference.

§ 22.1-289.011. Licenses required; issuance, expiration, and renewal; maximum number of participants or children; posting of licenses.

A. As used in this section, "person" means any individual; corporation; partnership; association; limited liability company; local government; state agency, including any department, institution, authority, instrumentality, board, or other administrative agency of the Commonwealth; or other legal or commercial entity that operates or maintains a child day program or family day system.

B. Every person who constitutes, or who operates or maintains, a child day program or family day system shall obtain the appropriate license from the Superintendent, which may be renewed. The Superintendent, upon request, shall consult with, advise, and assist any person interested in securing and maintaining any such license. Each application for a license shall be made to the Superintendent, in such form as he may prescribe. It shall contain the name and address of the applicant and, if the applicant is an association, partnership, limited liability company, or corporation, the names and addresses of its officers and agents. The application shall also contain a description of the activities proposed to be engaged in and the facilities and services to be employed, together with other pertinent information as the Superintendent may require.

C. The licenses shall be issued on forms prescribed by the Superintendent. Any two or more licenses may be issued for concurrent operation of more than one child day program or family day system, but each license shall be issued upon a separate form. Each license for a family day home or family day system and renewals thereof may be issued for periods of up to three successive years, unless sooner revoked or surrendered. Licenses issued to child day centers under this chapter shall have a duration of two years from date of issuance.

D. The Superintendent may extend or shorten the duration of licensure periods for a child day program or family day system whenever, in his sole discretion, it is administratively necessary to redistribute the workload for greater efficiency in staff utilization.

E. Each license shall indicate the maximum number of persons who may be cared for in the child day program or family day system for which it is issued.

F. The license and any other documents required by the Superintendent shall be posted in a conspicuous place on the licensed premises.

G. Every person issued a license that has not been suspended or revoked shall renew such license prior to its expiration.

§ 22.1-289.012. Local government to report business licenses issued to child day centers and family day homes.

The commissioner of the revenue or other local business license official shall report to the Department on a semiannual basis the name, address, and contact information of any child day center or family day home to which a business license was issued.

§ 22.1-289.013. Investigation on receipt of application.

Upon receipt of the application, the Superintendent shall cause an investigation to be made of the activities, services, and facilities of the applicant and of his character and reputation or, if the applicant is an association, partnership, limited liability company, or corporation, the character and reputation of its officers and agents, and upon receipt of the initial application, an investigation of the applicant's financial responsibility. The financial records of an applicant shall not be subject to inspection if the applicant submits an operating budget and at least one credit reference. The character and reputation investigation upon application shall include background checks pursuant to § 22.1-289.036. Records that contain confidential proprietary information furnished to the Department pursuant to this section shall be exempt from disclosure pursuant to subdivision 4 of § 2.2-3705.5.

§ 22.1-289.014. Variances.

The Superintendent may grant a variance to a regulation when the Superintendent determines that (i) a licensee or applicant for licensure as a child day program or family day system has demonstrated that the implementation of a regulation would impose a substantial financial or programmatic hardship and (ii) the variance would not adversely affect the safety and well-being of children in care. The Superintendent shall review each allowable variance at least annually. At a minimum, this review shall address the impact of the allowable variance on persons in care, adherence by the licensee to any conditions attached, and the continuing need for the allowable variance.

§ 22.1-289.015. Voluntary registration of family day homes; inspections; investigation upon receipt of complaint; revocation or suspension of registration.

A. Any person who maintains a family day home serving fewer than five children, exclusive of the provider's own children and any children who reside in the home, may apply for voluntary registration. An applicant for voluntary registration shall file with the Superintendent, prior to beginning any such operation and thereafter biennially, an application which shall include, but not be limited to, the following:

1. The name, address, phone number, and social security number of the person maintaining the family day home;
2. The number and ages of the children to receive care;
3. A sworn statement or affirmation in which the applicant attests to the accuracy of the information submitted to the Superintendent; and
4. Documentation that the background check requirements for registered family day homes in Article

5 (§ 22.1-289.034 et seq.) have been met.

B. The Board shall adopt regulations for voluntarily registered family day homes that include, but are not limited to:

1. The criteria and process for the approval of the certificate of registration;
2. Requirements for a self-administered health and safety guidelines evaluation checklist;

3. A schedule for fees to be paid by the providers to the contract organization or to the Department if it implements the provisions of this section for processing applications for the voluntary registration of family day homes. The charges collected shall be maintained for the purpose of recovering administrative costs incurred in processing applications and certifying such homes as eligible or registered;

4. The criteria and process for the renewal of the certificate of registration; and

5. The requirement that upon receipt of a complaint concerning a registered family day home, the Superintendent shall cause an investigation to be made, including on-site visits as he deems necessary, of the activities, services, and facilities. The person who maintains such home shall afford the Superintendent reasonable opportunity to inspect the operator's facilities and records and to interview any employees and any child or other person within his custody or control. Whenever a registered family day home is determined by the Superintendent to be in noncompliance with the regulations for voluntarily registered family day homes, the Superintendent shall give reasonable notice to the operator of the nature of the noncompliance and may thereafter revoke or suspend the registration.

C. Upon receiving the application on forms prescribed by the Superintendent, and after having determined that the home has satisfied the requirements of the regulations for voluntarily registered family day homes, the Superintendent shall issue a certificate of registration to the family day home.

D. The Superintendent shall contract in accordance with the requirements of the Virginia Public Procurement Act (§ 2.2-4300 et seq.) with qualified local agencies and community organizations to review applications and certify family day homes as eligible for registration, pursuant to the regulations for voluntarily registered family day homes. If no qualified local agencies or community organizations are available, the Superintendent shall implement the provisions of this section. For the purposes of this subsection, "qualified" means demonstrated ability to provide sound financial management and administrative services including application processing, maintenance of records and reports, technical assistance, consultation, training, monitoring, and random inspections.

E. The scope of services in contracts shall include:

1. The identification of family day homes which may meet the standards for voluntary registration provided in subsection A; and

2. A requirement that the contract organization shall provide administrative services, including, but not limited to, processing applications for the voluntary registration of family day homes; certifying such homes as eligible for registration; providing technical assistance, training and consultation with family day homes; ensuring providers' compliance with the regulations for voluntarily registered family day homes, including monitoring and random inspections; and maintaining permanent records regarding all family day homes which it may certify as eligible for registration.

F. The contract organization, upon determining that a family day home has satisfied the requirements of the regulations for voluntarily registered family day homes, shall certify the home as eligible for registration on forms prescribed by the Superintendent. The Superintendent, upon determining that certification has been properly issued, may register the family day home.

G. The provisions of this section shall not apply to any family day home located in a county, city, or town in which the governing body provides by ordinance for the regulation and licensing of persons who provide child-care services for compensation and for the regulation and licensing of child-care facilities pursuant to the provisions of § 15.2-914.

§ 22.1-289.016. Unlicensed and unregistered family day homes; notice to parents.

Every unlicensed, unregistered family day home shall provide written notice to the parents of every child receiving care, at the time the family day home begins providing care for the child, stating that the family day home is not regulated by the Department and referring parents to a website maintained by the Department for additional information regarding licensed, registered, and unlicensed, unregistered family day homes. The provisions of this section shall not apply to an unlicensed, unregistered family day home in which all of the children receiving care are related to the provider by blood or marriage.

§ 22.1-289.017. Compliance with Uniform Statewide Building Code.

Buildings licensed as child day programs or family day systems shall be classified by and meet the specifications for the proper Use Group as required by the Virginia Uniform Statewide Building Code.

§ 22.1-289.018. Inspections and interviews.

A. Applicants for licensure and licensees shall at all times afford the Superintendent reasonable opportunity to inspect all of their facilities, books and records, and to interview their agents and employees and any person living or participating in such facilities, or under their custody, control, direction, or supervision. Interviews conducted pursuant to this section with persons living or participating in a facility operated by or under the custody, control, direction, or supervision of an

applicant for licensure or a licensee shall be (i) authorized by the person to be interviewed or his legally authorized representative and (ii) limited to discussion of issues related to the applicant's or licensee's compliance with applicable laws and regulations, including ascertaining if assessments and reassessments of residents' cognitive and physical needs are performed as required under regulations of the Board.

B. All licensed child day programs and family day systems shall be inspected not less than twice annually, and one of those inspections shall be unannounced.

C. The activities, services, and facilities of each applicant for renewal of his license as a child day program or family day system shall be subject to an inspection or examination by the Superintendent to determine if he is in compliance with current regulations of the Board.

D. The Superintendent may authorize such other announced or unannounced inspections as the Superintendent considers appropriate.

§ 22.1-289.019. Inspections of child day programs and family day systems; prioritization.

The Superintendent shall prioritize inspections of child day programs and family day systems in the following order: (i) inspections conducted in response to a complaint involving a licensed, registered, license-exempt, or unlicensed child day program or family day system; (ii) inspections of licensed or registered child day programs and family day systems that are not conducted in response to a complaint; (iii) inspections of license-exempt or unlicensed child day programs and family day systems that have entered into a contract with the Department or its agents or designees or a local department of social services to provide child care services funded by the Child Care and Development Block Grant, other than inspections conducted in response to a complaint; and (iv) inspections of license-exempt and unlicensed child day programs and family day systems that are not conducted in response to a complaint.

§ 22.1-289.020. Issuance or refusal of license; notification; provisional and conditional licenses.

Upon completion of his investigation, the Superintendent shall issue an appropriate license to the applicant if (i) the applicant has made adequate provision for such activities, services, and facilities as are reasonably conducive to the welfare of the children over whom he may have control; (ii) at the time of initial application, the applicant has submitted an operating budget and at least one credit reference; (iii) he is, or the officers and agents of the applicant if it is an association, partnership, limited liability company, or corporation are, of good character and reputation; and (iv) the applicant and agents comply with the provisions of this chapter. Otherwise, the license shall be denied. Immediately upon taking final action, the Superintendent shall notify the applicant of such action.

Upon completion of the investigation for the renewal of a license, the Superintendent may issue a provisional license to any applicant if the applicant is temporarily unable to comply with all of the licensure requirements. The provisional license may be renewed, but the issuance of a provisional license and any renewals thereof shall be for no longer a period than six successive months. A copy of the provisional license shall be prominently displayed by the provider at each public entrance of the subject facility and shall be printed in a clear and legible size and style. In addition, the facility shall be required to prominently display next to the posted provisional license a notice that a description of specific violations of licensing standards to be corrected and the deadline for completion of such corrections is available for inspection at the facility and on the facility's website, if applicable.

At the discretion of the Superintendent, a conditional license may be issued to an applicant to operate a new facility in order to permit the applicant to demonstrate compliance with licensure requirements. Such conditional license may be renewed, but the issuance of a conditional license and any renewals thereof shall be for no longer a period than six successive months.

§ 22.1-289.021. Records and reports.

Every licensed or registered child day program and family day system shall keep such records and make such reports to the Superintendent as he may require. The forms to be used in the making of such reports shall be prescribed and furnished by the Superintendent.

§ 22.1-289.022. Enforcement and sanctions; child day programs and family day systems; revocation and denial.

A. The Superintendent may revoke or deny the renewal of the license of any child day program or family day system that violates any provision of this chapter or fails to comply with the limitations and standards set forth in its license.

B. Pursuant to the procedures set forth in subsection C, and in addition to the authority for other disciplinary actions provided in this title, the Superintendent may issue a notice of summary suspension of the license of any child day program or family day system, in conjunction with any proceeding for revocation, denial, or other action, when conditions or practices exist in the child day program or family day system that pose an immediate and substantial threat to the health, safety, and welfare of the children receiving care, and the Superintendent believes the operation of the child day program or family day system should be suspended during the pendency of such proceeding.

C. A notice of summary suspension issued by the Superintendent to a child day program or family day system shall set forth (i) the summary suspension procedures; (ii) hearing and appeal rights as provided in this subsection; (iii) facts and evidence that formed the basis for the summary suspension;

and (iv) the time, date, and location of a hearing to determine whether the summary suspension is appropriate. Such notice shall be served on the child day program or family day system or its designee as soon as practicable thereafter by personal service or certified mail, return receipt requested, to the address of record of the child day program or family day system.

The summary suspension hearing shall be presided over by a hearing officer selected by the Superintendent from a list prepared by the Executive Secretary of the Supreme Court of Virginia and shall be held as soon as practicable, but in no event later than 15 business days following service of the notice of summary suspension; however, the hearing officer may grant a written request for a continuance, not to exceed an additional 10 business days, for good cause shown. Within 10 business days after such hearing, the hearing officer shall provide to the Superintendent written findings and conclusions, together with a recommendation as to whether the license should be summarily suspended.

Within 10 business days of the receipt of the hearing officer's findings, conclusions, and recommendation, the Superintendent may issue a final order of summary suspension or an order that such summary suspension is not warranted by the facts and circumstances presented. The Superintendent shall adopt the hearing officer's recommended decision unless to do so would be an error of law or Department policy. In the event that the Superintendent rejects the hearing officer's findings, conclusions, or recommendation, the Superintendent shall state with particularity the basis for rejection. In issuing a final order of summary suspension, the Superintendent may choose to suspend the license of the child day program or family day system or to suspend only certain authority of the child day program or family day system to operate, including the authority to provide certain services or perform certain functions that the Superintendent determines should be restricted or modified in order to protect the health, safety, or welfare of the children receiving care. A final order of summary suspension shall include notice that the licensee may appeal the Superintendent's decision to the appropriate circuit court no later than 10 days following service of the order. The sole issue before the court shall be whether the Superintendent had reasonable grounds to require the licensee to cease operations during the pendency of the concurrent revocation, denial, or other proceeding. The concurrent revocation, denial, or other proceeding shall not be affected by the outcome of any hearing on the appropriateness of the summary suspension.

A copy of any final order of summary suspension shall be prominently displayed by the child day program or family day system at each public entrance of the facility, or in lieu thereof, the child day program or family day system may display a written statement summarizing the terms of the order in a prominent location, printed in a clear and legible size and typeface, and identifying the location within the facility where the final order of summary suspension may be reviewed.

The willful and material failure to comply with the final order of summary suspension constitutes a violation of subdivision 3 of § 22.1-298.027.

The provisions of this subsection shall not apply to any child day program or family day system operated by an agency of the Commonwealth, which shall instead be governed by the provisions of subsection D.

D. Whenever the Superintendent issues a summary order of suspension of the license to operate a child day program or family day system operated by an agency of the Commonwealth:

1. Before such summary order of suspension shall take effect, the Superintendent shall issue to the child day program or family day system a notice of summary order of suspension setting forth (i) the procedures for a hearing and right of review as provided in this section and (ii) facts and evidence that formed the basis on which the summary order of suspension is sought. Such notice shall be served on the licensee or its designee as soon as practicable thereafter by personal service or certified mail, return receipt requested, to the address of record of the licensee. The notice shall state the time, date, and location of a hearing to determine whether the suspension is appropriate. Such hearing shall be held no later than three business days after the issuance of the notice of the summary order of suspension and shall be convened by the Superintendent or his designee. After such hearing, the Superintendent may issue a final order of summary suspension or may find that such summary suspension is not warranted by the facts and circumstances presented.

2. A final order of summary suspension shall include notice that the licensee may request, in writing and within three business days after receiving the Superintendent's decision, that the Superintendent refer the matter to the Secretary of Education for resolution within three business days of the referral. Any determination by the Secretary shall be final and not subject to judicial review. If the final order of summary suspension is upheld, it shall take effect immediately, and a copy of the final order of summary suspension shall be prominently displayed by the licensee at each public entrance of the facility. Any concurrent revocation, denial, or other proceedings shall not be affected by the outcome of any determination by the Secretary.

§ 22.1-289.023. Enforcement and sanctions; special orders; civil penalties.

A. Notwithstanding any other provision of law, following a proceeding as provided in § 2.2-4019, the Superintendent may issue a special order (i) for violation of any of the provisions of this chapter, § 54.1-3408, or any regulation adopted under any provision of this chapter which violation adversely affects, or is an imminent and substantial threat to, the health, safety, or welfare of the person cared for

therein, or (ii) for permitting, aiding, or abetting the commission of any illegal act in a child day program or family day system. Notice of the Superintendent's intent to take any of the actions enumerated in subdivisions B 1 through 6 shall be provided by the Department, and a copy of such notice shall be posted in a prominent place at each public entrance of the licensed premises to advise consumers of serious or persistent violations. The issuance of a special order shall be considered a case decision as defined in § 2.2-4001. Actions set forth in subsection B may be appealed by (a) a child day program or family day system operated by an agency of the Commonwealth in accordance with § 22.1-289.025 or (b) any other child day program or family day system in accordance with the Administrative Process Act (§ 2.2-4000 et seq.). The Superintendent shall not delegate his authority to impose civil penalties in conjunction with the issuance of special orders.

B. The Superintendent may take the following actions regarding child day programs and family day systems through the issuance of a special order and may require a copy of the special order provided by the Department to be posted in a prominent place at each public entrance of the licensed premises to advise consumers of serious or persistent violations:

1. Place a licensee on probation upon finding that the licensee is substantially out of compliance with the terms of its license and that the health and safety of children are at risk;

2. Reduce licensed capacity or prohibit new admissions when the Superintendent concludes that the licensee cannot make necessary corrections to achieve compliance with regulations except by a temporary restriction of its scope of service;

3. Mandate training for the licensee or licensee's employees, with any costs to be borne by the licensee, when the Superintendent concludes that the lack of such training has led directly to violations of regulations;

4. Assess civil penalties of not more than \$500 per inspection upon finding that the child day program or family day system is substantially out of compliance with the terms of its license and the health and safety of children are at risk; however, no civil penalty shall be imposed pursuant to this subdivision on any child day program or family day system operated by an agency of the Commonwealth;

5. Require licensees to contact parents, guardians, or other responsible persons in writing regarding health and safety violations; and

6. Prevent licensees who are substantially out of compliance with the licensure terms or in violation of the regulations from receiving public funds.

C. The Board shall adopt regulations to implement the provisions of this section.

§ 22.1-289.024. Appeal from refusal, denial of renewal, or revocation of license.

A. Whenever the Superintendent refuses to issue a license or to renew a license or revokes a license for a child day program or family day system operated by an agency of the Commonwealth, the provisions of § 22.1-289.025 shall apply. Whenever the Superintendent refuses to issue a license or to renew a license or revokes a license for any child day program or family day system other than a child day program or family day system operated by an agency of the Commonwealth, the provisions of the Administrative Process Act (§ 2.2-4000 et seq.) shall apply, except that all appeals from notice of the Superintendent's intent to refuse to issue or renew, or revoke a license shall be received in writing from the child day program or family day system operator within 15 days of the date of receipt of the notice. Judicial review of a final review agency decision shall be in accordance with the provisions of the Administrative Process Act. No stay may be granted upon appeal to the Virginia Supreme Court.

B. In every appeal to a court of record, the Superintendent shall be named defendant.

C. An appeal, taken as provided in this section, shall operate to stay any criminal prosecution for operation without a license.

D. When issuance or renewal of a license for a child day program or family day system has been refused by the Superintendent, the applicant shall not thereafter for a period of six months apply again for such license unless the Superintendent in his sole discretion believes that there has been such a change in the conditions on account of which he refused the prior application as to justify considering the new application. When an appeal is taken by the applicant pursuant to subsection A, the six-month period shall be extended until a final decision has been rendered on appeal.

§ 22.1-289.025. Right to appeal notice of intent; child day programs and family day systems operated by agencies of the Commonwealth.

Any child day program or family day system operated by an agency of the Commonwealth shall have the right to appeal any notice of intent as follows:

1. Within 30 days after receiving a notice of intent to impose a sanction, the licensee shall request in writing that the Superintendent review the intended agency action and may submit, together with such request, relevant information, documentation, or other pertinent data supporting its appeal. The Superintendent shall issue a decision within 60 days after receiving the request and shall have the authority to uphold the sanction or take whatever action he deems appropriate to resolve the controversy.

2. If the child day program or family day system disputes the Superintendent's decision, the licensee shall request, within 30 days of receiving the Superintendent's decision, that the Superintendent refer the

matter to the Secretary of Education. The Secretary shall issue a decision within 60 days of receiving the request for review. The Secretary's decision shall be final and shall not be subject to review.

§ 22.1-289.026. Injunction against operation without license.

Any circuit court having jurisdiction in the county or city where the principal office of any child day program or family day system is located shall, at the suit of the Superintendent, have jurisdiction to enjoin its operation without a license required by this chapter.

§ 22.1-289.027. Offenses; penalty.

Any person, and each officer and each member of the governing board of any association or corporation that operates a child day program or family day system, shall be guilty of a Class 1 misdemeanor if he:

1. Interferes with any representative of the Superintendent in the discharge of his duties under this chapter;

3. Operates or engages in the conduct of a child day program or family day system without first obtaining a license as required by this chapter or after such license has been revoked or suspended or has expired and not been renewed. No violation shall occur if the agency has applied to the Department for renewal prior to the expiration date of the license. Every day's violation of this subdivision shall constitute a separate offense; or

4. Operates or engages in the conduct of a child day program or family day system serving more persons than the maximum stipulated in the license.

§ 22.1-289.028. Misleading advertising prohibited.

No child day program or family day system shall make, publish, disseminate, circulate, or place before the public or cause, directly or indirectly, to be made, published, disseminated, circulated or placed before the public in this Commonwealth, in a newspaper or other publication; in the form of a book, notice, handbill, poster, blueprint, map, bill, tag, label, circular, pamphlet, or letter; or via electronic mail, website, automatic mailing list services (listservs), newsgroups, facsimile, chat rooms; or in any other way an advertisement of any sort regarding services or anything so offered to the public, which advertisement contains any promise, assertion, representation or statement of fact that is untrue, deceptive, or misleading.

§ 22.1-289.029. Duty of attorneys for the Commonwealth.

It shall be the duty of the attorney for the Commonwealth of every county and city to prosecute all violations of this chapter.

Programs of instructional or recreational activities wherein no child under age six attends for more than six hours weekly with no class or activity period to exceed one and one-half hours, and no child six years of age or above attends for more than six hours weekly when school is in session or 12 hours weekly when school is not in session. Competition, performances, and exhibitions related to the instructional or recreational activity shall be excluded when determining the hours of program operation.

3. Instructional programs offered by private schools that serve school-age children and that satisfy compulsory attendance laws or provide services under the Individuals with Disabilities Education Act, as amended, and programs of school-sponsored extracurricular activities that are focused on single interests such as, but not limited to, music, sports, drama, civic service, or foreign language.

A program that would qualify for this exemption except that it assumes responsibility for the supervision, protection, and well-being of several children with disabilities who are mainstreamed shall not be subject to licensure.

3. A program that operates no more than a total of 20 program days in the course of a calendar year, provided that programs serving children under age six operate no more than two consecutive weeks without a break of at least a week.

4. Child-minding services that are not available for more than three hours per day for any individual child offered on site in commercial or recreational establishments if the parent or guardian (i) can be contacted and can resume responsibility for the child's supervision within 30 minutes and (ii) is receiving or providing services or participating in activities offered by the establishment.

Such programs shall be subject to safety and supervisory standards established by the local school division offering the program.

8. Child-minding services offered by a business on the premises of the business to no more than four children under the age of 13 at any given time and for no more than eight hours per day, provided that the parent or guardian of every child receiving care is an employee of the business who is on the premises of the business and can resume responsibility for the child's supervision within 30 minutes upon request.

C. Child day programs that are exempt from licensure pursuant to subsection B, except for child day programs that are exempt from licensure pursuant to subdivision B 1 or 5, shall:

1. File with the Superintendent annually and prior to beginning operation of a child day program a statement indicating the intent to operate a child day program, identifying the specific provision of this section relied upon for exemption from licensure, and certifying that the child day program has disclosed in writing to the parents or guardians of the children in the program the fact that it is exempt from licensure;

2. Report to the Superintendent all incidents involving serious physical injury to or death of children attending the child day program. § 22.1-289.031. Child day center operated by religious institution exempt from licensure; annual statement and documentary evidence required; enforcement; injunctive relief.

A. Notwithstanding any other provisions of this chapter, a child day center, including a child day center operated or conducted under the auspices of a religious institution, shall be exempt from the licensure requirements of this chapter, but shall comply with the provisions of this section unless it chooses to be licensed. If such religious institution chooses not to be licensed, it shall file with the Superintendent, prior to beginning operation of a child day center and thereafter annually, a statement of intent to operate a child day center, certification that the child day center has disclosed in writing to the parents or guardians of the children in the center the fact that it is exempt from licensure and has posted the fact that it is exempt from licensure in a visible location on the premises, the qualifications of the personnel employed therein, and documentary evidence that:

1. Such religious institution has tax exempt status as a nonprofit religious institution in accordance with § 501(c) of the Internal Revenue Code of 1954, as amended, or that the real property owned and exclusively occupied by the religious institution is exempt from local taxation.

2. Within the prior 90 days for the initial exemption and within the prior 180 days for exemptions thereafter, the local health department and local fire marshal or Office of the State Fire Marshal, whichever is appropriate, have inspected the physical facilities of the child day center and have determined that the center is in compliance with applicable laws and regulations with regard to food service activities, health and sanitation, water supply, building codes, and the Statewide Fire Prevention Code or the Uniform Statewide Building Code.

3. The child day center employs supervisory personnel according to the following ratio of staff to children:

- e. One staff member to 20 children from ages five years to nine years.
- f. One staff member to 25 children from ages nine years to 12 years.

Staff shall be counted in the required staff-to-children ratios only when they are directly supervising children. In each grouping of children, at least one adult staff member shall be regularly present. However, during designated daily rest periods and designated sleep periods of evening and overnight care programs, for children ages 16 months to six years, only one staff member shall be required to be present with the children under supervision. In such cases, at least one staff member shall be physically present in the same space as the children under supervision at all times. Other staff members counted for purposes of the staff-to-child ratio need not be physically present in the same space as the resting or sleeping children, but shall be present on the same floor as the resting or sleeping children and shall have no barrier to their immediate access to the resting or sleeping children. The staff member who is physically present in the same space as the sleeping children shall be able to summon additional staff counted in the staff-to-child ratio without leaving the space in which the resting or sleeping children are located.

Staff members shall be at least 16 years of age. Staff members under 18 years of age shall be under the supervision of an adult staff member. Adult staff members shall supervise no more than two staff members under 18 years of age at any given time.

4. Each person in a supervisory position has been certified by a practicing physician or physician assistant to be free from any disability which would prevent him from caring for children under his supervision.

5. The center is in compliance with the requirements of:

- a. This section.
- b. Section 22.1-289.039 relating to background checks.
- c. Section 63.2-1509 relating to the reporting of suspected cases of child abuse and neglect.

Chapter 3 (§ 46.2-300 et seq.) of Title 46.2 regarding a valid Virginia driver's license or commercial driver's license; Article 21 (§ 46.2-1157 et seq.) of Chapter 10 of Title 46.2, regarding vehicle inspections; ensuring that any vehicle used to transport children is an insured motor vehicle as defined in § 46.2-705; and Article 13 (§ 46.2-1095 et seq.) of Chapter 10 of Title 46.2, regarding child restraint devices.

6. The following aspects of the child day center's operations are described in a written statement provided to the parents or guardians of the children in the center and made available to the general public: physical facilities, enrollment capacity, food services, health requirements for the staff, and public liability insurance.

7. The individual seeking to operate the child day center is not currently ineligible to operate another child day program due to a suspension or revocation of his license or license exemption for reasons involving child safety or any criminal conviction, including fraud, related to such child day program.

8. A person trained and certified in first aid and cardiopulmonary resuscitation (CPR) will be present at the child day center whenever children are present or at any other location in which children attending the child day center are present.

9. The child day center is in compliance with all safe sleep guidelines recommended by the American Academy of Pediatrics.

B. The center shall establish and implement procedures for:

1. Hand washing by staff and children before eating and after toileting and diapering.

4. Ensuring that all children in the center are in compliance with the provisions of § 32.1-46 regarding the immunization of children against certain diseases.

5. Ensuring that all areas of the premises accessible to children are free of obvious injury hazards, including providing and maintaining sand or other cushioning material under playground equipment.

6. Ensuring that all staff are able to recognize the signs of child abuse and neglect.

7. Ensuring that all incidents involving serious physical injury to or death of children attending the child day center are reported to the Superintendent. Reports of serious physical injuries, which shall include any physical injuries that require an emergency referral to an offsite health care professional or treatment in a hospital, shall be submitted annually. Reports of deaths shall be submitted no later than one business day after the death occurred.

C. The Superintendent may perform on-site inspections of religious institutions to confirm compliance with the provisions of this section and to investigate complaints that the religious institution is not in compliance with the provisions of this section. The Superintendent may revoke the exemption for any child day center in serious or persistent violation of the requirements of this section. If a religious institution operates a child day center and does not file the statement and documentary evidence required by this section, the Superintendent shall give reasonable notice to such religious institution of the nature of its noncompliance and may thereafter take such action as he determines appropriate, including a suit to enjoin the operation of the child day center.

D. Any person who has reason to believe that a child day center falling within the provisions of this section is not in compliance with the requirements of this section may report the same to the Department, the local health department, or the local fire marshal, each of which may inspect the child day center for noncompliance, give reasonable notice to the religious institution, and thereafter may take appropriate action as provided by law, including a suit to enjoin the operation of the child day center.

E. Nothing in this section shall prohibit a child day center operated by or conducted under the auspices of a religious institution from obtaining a license pursuant to this chapter.

§ 22.1-289.032. Certification of preschool or nursery school programs operated by accredited private schools; provisional certification; annual statement and documentary evidence required; enforcement; injunctive relief.

A. A preschool or nursery school program operated by a private school accredited by an accrediting organization recognized by the Board pursuant to § 22.1-19 shall be exempt from licensure under this chapter if it complies with the provisions of this section and meets the requirements of subsection B.

B. A school described in subsection A shall meet the following conditions in order to be exempt under this subsection:

1. The school offers kindergarten or elementary school instructional programs that satisfy compulsory school attendance laws, and children below the age of compulsory school attendance also participate in such instructional programs;

2. The number of pupils in the preschool program does not exceed 12 pupils for each instructional adult, or if operated as a Montessori program with mixed age groups of three-year-old to six-year-old children, the number of pupils in the preschool program does not exceed 15 pupils for each instructional adult;

3. The school (i) maintains an average enrollment ratio during the current school year of five children age five or above to one four-year-old child, and no child in attendance is under age four, or (ii) does not allow children below the age of eligibility for kindergarten attendance to attend the preschool program for more than five hours per day, of which no more than four hours of instructional classes may be provided per day, and no child in attendance is under age three;

4. The preschool offers instructional classes and does not hold itself out as a child care center or child day program;

5. Children enrolled in the preschool do not attend more than five days per week; and

6. The school maintains a certificate or permit issued pursuant to a local government ordinance that addresses health, safety, and welfare of the children.

C. The school shall file with the Superintendent, prior to the beginning of the school year or calendar year, as the case may be, and thereafter, annually, a statement which includes the following:

1. Intent to operate a certified preschool program;

2. Documentary evidence that the school has been accredited as provided in subsection A;

3. Documentation that the school has disclosed in writing to the parents, guardians, or persons

having charge of a child enrolled in the school's preschool program and has posted in a visible location on the premises the fact of the program's exemption from licensure;

4. Documentary evidence that the physical facility in which the preschool program will be conducted has been inspected (i) before initial certification by the local building official and (ii) within the 12-month period prior to initial certification and at least annually thereafter by the local health department, and local fire marshal or Office of the State Fire Marshal, whichever is appropriate, and an inspection report that documents that the facility is in compliance with applicable laws and regulations pertaining to food services, health and sanitation, water supply, building codes, and the Statewide Fire Prevention Code or the Uniform Statewide Building Code;

5. Documentation that the school has disclosed the following in writing to the parents, guardians, or persons having charge of a child enrolled in the school's preschool program, and in a written statement available to the general public: (i) the school facility is in compliance with applicable laws and regulations pertaining to food services, health and sanitation, water supply, building codes, and the Statewide Fire Prevention Code or the Uniform Statewide Building Code; (ii) the preschool program's maximum capacity; (iii) the school's policy or practice for pupil-teacher ratio, staffing patterns, and staff health requirements; and (iv) a description of the school's public liability insurance, if any;

6. Qualifications of school personnel who work in the preschool program;

7. Certification that the school will report to the Superintendent all incidents involving serious injury to or death of children attending the preschool program. Reports of serious injuries, which shall include any injuries that require an emergency referral to an offsite health care professional or treatment in a hospital, shall be submitted annually. Reports of deaths shall be submitted no later than one business day after the death occurred; and

8. Documentary evidence that the private school, as set forth in § 22.1-19 and administered by the Virginia Council for Private Education, requires all employees of the preschool and other school employees who have contact with the children enrolled in the preschool program to obtain a criminal record check as provided in § 22.1-289.035 to meet the requirements of § 22.1-296.3 as a condition of initial or continued employment.

All accredited private schools seeking certification of preschool programs shall file such information on forms prescribed by the Superintendent. The Superintendent shall certify all preschool programs of accredited private schools which comply with the provisions of subsection A. The Superintendent may conduct an annual inspection of such preschool programs to ensure compliance with the provisions of this section and conduct inspections to investigate complaints alleging noncompliance.

D. A preschool program of a private school that has not been accredited as provided in subsection A shall be subject to licensure.

E. If the preschool program of a private school that is accredited as provided in subsection A fails to file the statement and the required documentary evidence, the Superintendent shall notify the school of its noncompliance and may thereafter take such action as he determines appropriate, including notice that the program is required to be licensed.

F. The revocation or denial of the certification of a preschool program shall be subject to appeal pursuant to the provisions of the Administrative Process Act (§ 2.2-4000 et seq.). Judicial review of a final agency decision shall be in accordance with the provisions of the Administrative Process Act.

G. Any person who has reason to believe that a private school falling within the provisions of this section is in noncompliance with any applicable requirement of this section may report the same to the Department, the local health department, or the local fire marshal, each of which may inspect the school for noncompliance, give reasonable notice to the school of the nature of its noncompliance, and thereafter may take appropriate action as provided by law, including a suit to enjoin the operation of the preschool program.

H. Upon receipt of a complaint concerning a certified preschool program of an accredited private school, if for good cause shown there is reason to suspect that the school is in noncompliance with any provision of this section or the health or safety of the children attending the preschool program is in danger, the Superintendent shall cause an investigation to be made, including on-site visits as he deems necessary of the services, personnel, and facilities of the school's preschool program. The school shall afford the Superintendent reasonable opportunity to inspect the school's preschool program, records, and facility, and to interview the employees and any child or parent or guardian of a child who is or has been enrolled in the preschool program. If, upon completion of the investigation, it is determined that the school is in noncompliance with the provisions of this section, the Superintendent shall give reasonable notice to the school of the nature of its noncompliance and thereafter may take appropriate action as provided by law, including a suit to enjoin the operation of the preschool program.

I. Failure of a private school to comply with the provisions of this section, or a finding that the health and safety of the children attending the preschool program are in clear and substantial danger upon the completion of an investigation, shall be grounds for revocation of the certification issued pursuant to this section.

J. If a private school operates a child day program outside the scope of its instructional classes during the school year or operates a child day program during the summer, the child day program shall

be subject to licensure under the regulations adopted pursuant to § 22.1-289.046.

K. Nothing in this section shall prohibit a preschool operated by or conducted under the auspices of a private school from obtaining a license pursuant to this chapter.

§ 22.1-289.033. Inspection of unlicensed child care operations; inspection warrant.

In order to perform his duties under this chapter, the Superintendent may enter and inspect any unlicensed child care operation with the consent of the owner or person in charge, or pursuant to a warrant. Administrative search warrants for inspections of child care operations, based upon a petition demonstrating probable cause and supported by an affidavit, may be issued ex parte by any judge having authority to issue criminal warrants whose territorial jurisdiction includes the child care operation to be inspected, if he is satisfied from the petition and affidavit that there is reasonable and probable cause for the inspection. The affidavit shall contain either a statement that consent to inspect has been sought and refused, or that facts and circumstances exist reasonably justifying the failure to seek such consent. Such facts may include, without limitation, past refusals to permit inspection or facts establishing reason to believe that seeking consent would provide an opportunity to conceal violations of statutes or regulations. Probable cause may be demonstrated by an affidavit showing probable cause to believe that the child care operation is in violation of any provision of this chapter or any regulation adopted pursuant to this chapter, or upon a showing that the inspection is to be made pursuant to a reasonable administrative plan for the administration of this chapter. The inspection of a child care operation that has been the subject of a complaint pursuant to § 22.1-289.042 shall have preeminent priority over any other inspections of child care operations to be made by the Superintendent unless the complaint on its face or in the context of information known to the Superintendent discloses that the complaint has been brought to harass, to retaliate, or otherwise to achieve an improper purpose, and that the improper purpose casts serious doubt on the veracity of the complaint. After issuing a warrant under this section, the judge shall file the affidavit in the manner prescribed by § 19.2-54. Such warrant shall be executed and returned to the clerk of the circuit court of the city or county wherein the inspection was made.

Article 5.

Background Checks.

§ 22.1-289.034. Barrier crime; construction.

For purposes of this chapter, convictions for any barrier crime as defined in § 19.2-392.02 shall include prior adult convictions and juvenile convictions or adjudications of delinquency based on a crime that would be a felony if committed by an adult within or outside the Commonwealth.

The applicant's fingerprints and personal descriptive information obtained pursuant to subdivision 2 shall be forwarded by the Department or its designee or, in the case of a child day program operated by a local government, may be forwarded by the local law-enforcement agency through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining national criminal history record information regarding such applicant. Upon receipt of an applicant's record or notification that no record exists, the Central Criminal Records Exchange shall forward the information to the Department or its designee, and the Department or its designee shall report to the child day

center or family day home whether the applicant is eligible to have responsibility for the safety and well-being of children. In cases in which the record forwarded to the Department or its designee is lacking disposition data, the Department or its designee shall conduct research in whatever state and local recordkeeping systems are available in order to obtain complete data before reporting to the child day center, family day home, or family day system.

C. The child day center, family day home, or family day system described in subsection A shall inform every individual required to undergo a background check pursuant to this section that he is entitled to obtain a copy of any background check report and to challenge the accuracy and completeness of any such report and obtain a prompt resolution before a final determination is made of the individual's eligibility to have responsibility for the safety and well-being of children.

D. Any person making a materially false statement regarding the sworn statement or affirmation provided pursuant to subdivision B 1 is guilty of a Class 1 misdemeanor.

E. Further dissemination of the background check information is prohibited other than to the Superintendent's representative or a federal or state authority or court as may be required to comply with an express requirement of law for such further dissemination.

F. A person who complies in good faith with the provisions of this section shall not be liable for any civil damages for any act or omission in the performance of duties under this section unless the act or omission was the result of gross negligence or willful misconduct.

G. Notwithstanding the provisions of subsection A, a child day center may hire for compensated employment persons who have been convicted of not more than one misdemeanor offense under § 18.2-57, or any substantially similar offense under the laws of another jurisdiction, if 10 years have elapsed following the conviction, unless the person committed such offense while employed in a child day center or the object of the offense was a minor.

H. Fees charged for the processing and administration of background checks pursuant to this section shall not exceed the actual cost to the state or the local law-enforcement agency of such processing and administration.

I. Any individual required to undergo a background check pursuant to subsection A who is (i) convicted of any barrier crime as defined in § 19.2-392.02 or (ii) found to be the subject of a founded complaint of child abuse or neglect within or outside of the Commonwealth shall notify the child day center, family day home, or family day system described in subsection A of such conviction or finding.

§ 22.1-289.036. Background check upon application for licensure, registration, or approval as child day center, family day home, or family day system; penalty.

A. Every (i) applicant for licensure as a child day center, family day home, or family day system, registration as a family day home, or approval as a family day home by a family day system; (ii) agent of an applicant for licensure as a child day center, family day home, or family day system, registration as a family day home, or approval as a family day home by a family day system at the time of application who is or will be involved in the day-to-day operations of the child day center, family day home, or family day system or who is or will be alone with, in control of, or supervising one or more of the children; and (iii) adult living in such child day center or family day home shall undergo a background check in accordance with subsection B prior to issuance of a license as a child day center, family day home, or family day system, registration as a family day home, or approval as a family day home by a family day system and every five years thereafter.

B. Every person required to undergo a background check pursuant to subsection A shall:

2. Submit to fingerprinting and provide personal descriptive information described in subdivision B 2 of § 19.2-392.02; and

3. Authorize the child day center, family day home, or family day system specified in subsection A to obtain a copy of the results of a search of the central registry maintained pursuant to § 63.2-1515 and any child abuse and neglect registry or equivalent registry maintained by any other state in which the individual has resided in the preceding five years for any founded complaint of child abuse or neglect against him.

Fingerprints and personal descriptive information obtained pursuant to subdivision 2 shall be forwarded by the Department or its designee or, in the case of a child day program operated by a local government, may be forwarded by the local law-enforcement agency through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining national criminal history record information regarding the individual. Upon receipt of an individual's record or notification that no record exists, the Central Criminal Records Exchange shall forward the information to the Department or its designee. The Department or its designee shall report to the child day center, family day home, or family day system described in subsection A as to whether the individual is eligible to have responsibility for the safety and well-being of children. In cases in which the record forwarded to the Department or its designee is lacking disposition data, the Department or its designee shall

conduct research in whatever state and local recordkeeping systems are available in order to obtain complete data.

C. If any person specified in subsection A required to have a background check (i) has been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth, and such person has not been granted a waiver by the Superintendent pursuant to § 22.1-289.038, no license as a child day center, family day home, or family day system or registration as a family day home shall be granted by the Superintendent and no approval as a family day home shall be granted by the family day system.

D. Information from a search of the central registry maintained pursuant to § 63.2-1515 and any child abuse and neglect registry or equivalent registry maintained by any other state in which the applicant, agent, or adult has resided in the preceding five years, authorized in accordance with subdivision B 3, shall be obtained prior to issuance of a license as a child day center, family day home, or family day system, registration as a family day home, or approval as a family day home by a family day system.

E. No person specified in subsection A shall be involved in the day-to-day operations of the child day center, family day home, or family day system, or shall be alone with, in control of, or supervising one or more children, without first having completed any required background check pursuant to subsection B.

F. Any person making a materially false statement regarding the sworn statement or affirmation provided pursuant to subdivision B 1 is guilty of a Class 1 misdemeanor.

G. If an individual is denied licensure, registration, or approval because of information from the central registry or any child abuse and neglect registry or equivalent registry maintained by any other state, or convictions appearing on his criminal history record, the Superintendent shall provide a copy of the information obtained from the central registry, any child abuse and neglect registry or equivalent registry maintained by any other state, or the Central Criminal Records Exchange to the individual.

H. Further dissemination of the background check information is prohibited other than to the Superintendent's representative or a federal or state authority or court as may be required to comply with an express requirement of law for such further dissemination.

I. Fees charged for the processing and administration of background checks pursuant to this section shall not exceed the actual cost to the state or the local law-enforcement agency of such processing and administration.

§ 22.1-289.037. Revocation or denial of renewal based on background checks; failure to obtain background check.

A. The Superintendent may revoke or deny renewal of a license or registration of a child day program or family day system, and a family day system may revoke the approval of a family day home, if the child day program, family day system, or approved family day home has knowledge that a person specified in § 22.1-289.035 or 22.1-289.036 required to have a background check (i) has been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth, and such person has not been granted a waiver by the Superintendent pursuant to § 22.1-289.038 or is not subject to the exceptions in subsection G of § 22.1-289.035, and the agency or home refuses to separate such person from employment or service or allows the household member to continue to reside in the home.

B. Failure to obtain background checks pursuant to §§ 22.1-289.035 and 22.1-289.036 shall be grounds for denial, revocation, or termination of a license, registration, or approval or any contract with the Department or its agents or designees or a local department of social services to provide child care services to clients of the Department or its agents or designees or the local department of social services. No violation shall occur if the family day system, family day home, or child day center has applied for the background check timely and it has not been obtained due to administrative delay. The provisions of this section shall be enforced by the Department.

§ 22.1-289.038. Child day programs and family day systems; criminal conviction and waiver.

A. Any person who seeks to operate, volunteer, or work at a child day program or family day system and who is disqualified because of a criminal conviction or a criminal conviction in the background check of any other adult living in a family day home regulated by the Department, pursuant to § 22.1-289.035, 22.1-289.036, or 22.1-289.039, may apply in writing for a waiver from the Superintendent. The Superintendent may grant a waiver if the Superintendent determines that (i) the person is of good moral character and reputation and (ii) the waiver would not adversely affect the safety and well-being of children in the person's care. The Superintendent shall not grant a waiver to any person who has been convicted of any barrier crime as defined in § 19.2-392.02. However, the Superintendent may grant a waiver to a family day home licensed or registered by the Department if any other adult living in the home of the applicant or provider has been convicted of not more than one misdemeanor offense under § 18.2-57 or 18.2-57.2, or any substantially similar offense under the laws of another jurisdiction, provided that (a) five years have elapsed following the conviction and (b) the Department has conducted a home study that includes, but is not limited to, (1) an assessment of the safety of children placed in the home and (2) a determination that the offender is now a person of good

moral character and reputation. The waiver shall not be granted if the adult living in the home is an assistant or substitute provider or if such adult has been convicted of a misdemeanor offense under both §§ 18.2-57 and 18.2-57.2, or any substantially similar offense under the laws of another jurisdiction. Any waiver granted under this section shall be available for inspection by the public. The child day program or family day system shall notify in writing every parent and guardian of the children in its care of any waiver granted for its operators, employees, or volunteers.

B. The Board shall adopt regulations to implement the provisions of this section.

§ 22.1-289.039. Records check by unlicensed child day center; penalty.

Any child day center that is exempt from licensure pursuant to § 22.1-289.031 shall require all applicants for employment, employees, applicants to serve as volunteers, and volunteers and any other person who is expected to be alone with one or more children enrolled in the child day center to obtain a background check in accordance with § 22.1-289.035. A child day center that is exempt from licensure pursuant to § 22.1-289.031 shall refuse employment or service to any person who (i) has been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth. The foregoing provisions shall not apply to a parent or guardian who may be left alone with his own child. For purposes of this section, convictions shall include prior adult convictions and juvenile convictions or adjudications of delinquency based on a crime that would have been a felony if committed by an adult within or outside the Commonwealth. Further dissemination of the information provided to the facility is prohibited.

§ 22.1-289.040. Child day centers and family day homes receiving federal, state, or local child care funds; eligibility requirements.

A. Whenever any child day center or family day home that has not met the requirements of §§ 22.1-289.035, 22.1-289.036, and 22.1-289.039 applies to enter into a contract with the Department or its agents or designees to provide child care services to clients of the Department or its agents or designees, the Department or its agents or designees shall require a background check, at the time of application to enter into a contract and every five years thereafter, of (i) the applicant; any agents involved in the day-to-day operation; all agents who are alone with, in control of, or supervising one or more of the children; and any other adult living in a family day home pursuant to § 22.1-289.036; and (ii) all applicants for employment, employees, applicants to serve as volunteers, and volunteers pursuant to § 22.1-289.035. The child day center or family day home shall not be permitted to enter into a contract with the Department or its agents or designees for child care services when an applicant; any employee; a prospective employee; a volunteer, an agent involved in the day-to-day operation; an agent alone with, in control of, or supervising one or more children; or any other adult living in a family day home (i) has been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth. Further dissemination of the information provided to the facility, beyond dissemination to the Department or its agents or designees is prohibited.

B. Every child day center or family day home that enters into a contract with the Department or its agents or designees to provide child care services to clients of the Department or its agents or designees that is funded, in whole or in part, by the Child Care and Development Block Grant, shall comply with all requirements established by federal law and regulations.

§ 22.1-289.041. Sex offender or child abuser prohibited from operating or residing in family day home; penalty.

It shall be unlawful for any person to operate a family day home if he, or if he knows that any other person who resides in, is employed by, or volunteers in the home, has been convicted of a felony in violation of § 18.2-48, 18.2-61, 18.2-63, 18.2-64.1, 18.2-67.1, 18.2-67.2, 18.2-67.3, 18.2-67.5, 18.2-355, 18.2-361, 18.2-366, 18.2-369, 18.2-370, 18.2-370.1, 18.2-371.1, or 18.2-374.1, has been convicted of any offense that requires registration on the Sex Offender and Crimes Against Minors Registry pursuant to § 9.1-902, or is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth. A violation of this section is punishable as a Class 1 misdemeanor.

Article 6.

Complaints.

§ 22.1-289.042. Establishment of toll-free telephone line for complaints; investigation on receipt of complaints.

With such funds as are appropriated for this purpose, the Superintendent shall establish a toll-free telephone line to respond to complaints regarding operations of child day programs or family day systems. Upon receipt of a complaint concerning the operation of a child day program or family day system, regardless of whether the program is subject to licensure, the Superintendent shall, for good cause shown, cause an investigation to be made, including on-site visits as he deems necessary, of the activities, services, records, and facilities. The child day program or family day system shall afford the Superintendent reasonable opportunity to inspect all of the operator's activities, services, records, and facilities and to interview its agents and employees and any child within its control. Whenever a child day program or family day system subject to inspection under this section is determined by the Superintendent to be in noncompliance with the provisions of this chapter or with regulations adopted

pursuant to this chapter, the Superintendent shall give reasonable notice to the child day program or family day system of the nature of its noncompliance and may thereafter take appropriate action as provided by law, including a suit to enjoin the operation of the child day program or family day system.

§ 22.1-289.043. Confidentiality of complainant's identity.

Whenever the Department conducts inspections and investigations in response to complaints received from the public, the identity of the complainant and the identity of any child who is the subject of the complaint, or identified therein, shall be confidential and shall not be open to inspection by members of the public. Identities of the complainant and child who is the subject of the complaint shall be revealed only if a court order so requires. Nothing contained herein shall prevent the Department, in its discretion, from disclosing to the child day program or family day system the nature of the complaint or the identity of the child who is the subject of the complaint. Nothing contained herein shall prevent the Department or its employees from making reports under Chapter 15 (§ 63.2-1500 et seq.) of Title 63.2. If the Department intends to rely, in whole or in part, on any statements made by the complainant at any administrative hearing brought against child day program or family day system, the Department shall disclose the identity of the complainant to the child day program or family day system a reasonable time in advance of such hearing.

§ 22.1-289.044. Retaliation or discrimination against complainants.

No child day program or family day system shall retaliate or discriminate in any manner against any person who (i) in good faith complains or provides information to, or otherwise cooperates with, the Department or any other agency of government or any person or entity operating under contract with an agency of government having responsibility for protecting the rights of children in child day programs and family day systems, (ii) attempts to assert any right protected by state or federal law, or (iii) assists any person in asserting such right.

§ 22.1-289.045. Retaliation against reports of child abuse or neglect.

No child day program or family day system shall retaliate in any manner against any person who in good faith reports child abuse or neglect pursuant to Chapter 15 (§ 63.2-1500 et seq.) of Title 63.2.

Article 7.

Regulations and Interdepartmental Cooperation.

§ 22.1-289.046. Regulations for child day programs and family day systems.

A. The Board shall adopt regulations for the activities, services, and facilities to be employed by persons and agencies required to be licensed under this chapter, which shall be designed to ensure that such activities, services, and facilities are conducive to the welfare of the children under the control of such persons or agencies.

Such regulations shall be developed in consultation with representatives of the affected entities and shall include matters relating to the sex, age, and number of children and other persons to be maintained or cared for, as the case may be, and to the buildings and premises to be used, and reasonable standards for the activities, services and facilities to be employed. Such limitations and standards shall be specified in each license and renewal thereof. Such regulations shall not require the adoption of a specific teaching approach or doctrine or require the membership, affiliation, or accreditation services of any single private accreditation or certification agency.

Such regulations governing child day programs providing care for school-age children at a location that is currently approved by the Department or recognized as a private school by the Board for school occupancy and that houses a public or private school during the school year shall not (i) prohibit school-age children from using outdoor play equipment and areas approved for use by students of the school during school hours or (ii) in the case of public schools, require inspection or approval of the building, vehicles used to transport children attending the child day program that are owned by the school, or meals served to such children that are prepared by the school.

Such regulations governing orientation and training of child day program staff shall provide that parents or other persons who participate in a cooperative preschool center on behalf of a child attending such cooperative preschool center, including such parents and persons who are counted for the purpose of determining staff-to-child ratios, shall be exempt from orientation and training requirements applicable to staff of child day programs; however, such regulations may require such parents and persons to complete up to four hours of training per year. This orientation and training exemption shall not apply to any parent or other person who participates in a cooperative preschool center that has entered into a contract to provide child care services funded by the Child Care and Development Block Grant.

B. The Board shall adopt or amend regulations, policies, and procedures related to child day care in collaboration with the Virginia Recreation and Park Society. No regulation adopted by the Board shall prohibit a child day center from hiring an armed security officer, licensed pursuant to Article 4 (§ 9.1-138 et seq.) of Chapter 1 of Title 9.1, to provide protection for children placed in the care of the child day center or employees of the center. The Board shall adopt or amend regulations related to therapeutic recreation programs in collaboration with the Virginia Park and Recreation Society and the Department of Behavioral Health and Developmental Services.

§ 22.1-289.047. Interagency agreements; cooperation of Department with other departments.

The Department is authorized to enter into interagency agreements with other state agencies to develop and implement regulations adopted pursuant to this chapter. The Department shall assist and cooperate with other state departments in fulfilling their respective inspection responsibilities and in coordinating the regulations involving inspections. The Board may adopt regulations allowing the Department to so assist and cooperate with other state departments.

§ 22.1-289.049. Regulated child day programs to require proof of child identity and age; report to law-enforcement agencies.

A. Upon enrollment of a child in a regulated child day program, such child day program shall require information from the person enrolling the child regarding previous child day care and schools attended by the child. The regulated child day program shall also require that the person enrolling the child present the regulated child day program with the proof of the child's identity and age. The proof of identity, if reproduced or retained by the child day program or both, shall be destroyed upon the conclusion of the requisite period of retention. The procedures for the disposal, physical destruction, or other disposition of the proof of identity containing social security numbers shall include all reasonable steps to destroy such documents by (i) shredding, (ii) erasing, or (iii) otherwise modifying the social security numbers in those records to make them unreadable or indecipherable by any means.

B. For purposes of this section:

"Proof of identity" means a certified copy of a birth certificate or other reliable proof of the child's identity and age.

"Regulated child day program" is one in which a person or organization has agreed to assume responsibility for the supervision, protection, and well-being of a child under the age of 13 for less than a 24-hour period that is licensed pursuant to § 22.1-289.011, voluntarily registered pursuant to § 22.1-289.015, certified as a preschool or nursery school program pursuant to § 22.1-289.032, exempted from licensure as a child day center operated by a religious institution pursuant to § 22.1-289.031, or approved as a family day home by a licensed family day system.

C. If the parent, guardian, or other person enrolling the child in a regulated child day program for longer than two consecutive days or other pattern of regular attendance does not provide the information required by subsection A within seven business days of initial attendance, such child day program shall immediately notify the local law-enforcement agency in its jurisdiction of such failure to provide the requested information.

D. Upon receiving notification of such failure to provide the information required by subsection A, the law-enforcement agency shall, if available information warrants, immediately submit an inquiry to the Missing Children Information Clearinghouse and, with the assistance of the local department of social services, if available information warrants, conduct the appropriate investigation to determine whether the child is missing.

E. The Board shall adopt regulations to implement the provisions of this section.

§ 22.1-289.050. Insurance notice requirements for family day homes; civil penalty.

A. Any person who operates a family day home approved by a licensed family day system, a licensed family day home, or a voluntarily registered family day home shall furnish a written notice to the parent or guardian of each child under the care of the family day home, which states whether there is liability insurance in force to cover the operation of the family day home, provided that no person under this section shall state that liability insurance is in place to cover the operation of the family day home, unless there is a minimum amount of coverage as established by the Department.

B. Each parent or guardian shall acknowledge, in writing, receipt of such notice. In the event there is no longer insurance coverage, the person operating the family day home shall (i) notify each parent or guardian within 10 business days after the effective date of the change and (ii) obtain written acknowledgment of such notice. A copy of an acknowledgment required under this section shall be maintained on file at the family day home at all times while the child attends the family day home and for 12 months after the child's last date of attendance.

Such a facility shall comply with all of the regulations adopted by the Board and the State Board of Health for each such license.

§ 22.1-289.052. Asbestos inspection required for child day centers.

The Superintendent shall not issue a license to any child day center that is located in a building built prior to 1978 until he receives a written statement that the building has been inspected for asbestos, as defined by § 2.2-1162, and in accordance with the regulations for initial asbestos inspections pursuant to the federal Asbestos Hazard Emergency Response Act, 40 C.F.R. Part 763 — Asbestos Containing Materials in Schools. The inspection shall be conducted by personnel competent to identify the presence of asbestos and licensed in Virginia as an asbestos inspector and as an asbestos management planner pursuant to Chapter 5 (§ 54.1-500 et seq.) of Title 54.1. The written statement shall state whether (i) no asbestos was detected, (ii) asbestos was detected and response actions to abate any risk to human health have been completed, or (iii) asbestos was detected and response actions to abate any risk to human health have been recommended in accordance with a specified schedule and plan pursuant to applicable state and federal statutes and regulations. The statement shall include identification of any significant hazard areas, the date of the inspection and be signed by the person who inspected for the asbestos. If asbestos was detected, an operations and maintenance plan shall be developed in accordance with the regulations of the federal Asbestos Hazard Emergency Response Act and the statement shall be signed by the person who prepared the operations and maintenance plan. Any inspection, preparation of an operations and maintenance plan or response action shall be performed by competent personnel who have been licensed in accordance with the provisions of Chapter 5 of Title 54.1.

When asbestos has been detected, the applicant for licensure shall also submit to the Superintendent a written statement that response actions to abate any risk to human health have been or will be initiated in accordance with a specified schedule and plan as recommended by an asbestos management planner licensed in Virginia. This statement shall be signed by the applicant for licensure.

The written statements required by this section shall be submitted for approval to the Superintendent's representative prior to issuance of a license. The provisions of this section shall not apply to child day centers located in buildings required to be inspected pursuant to Article 5 (§ 2.2-1162 et seq.) of Chapter 11 of Title 2.2.

§ 22.1-289.053. Delay in acting on application or in notification.

In case the Superintendent fails to take final action upon an application for a license within 60 days after the application is made, either by way of issuance or refusal, or fails within such time to notify the applicant thereof, it shall be lawful for the applicant to engage in the operations or activities for which the license is desired, until the Superintendent has taken final action and notified the applicant thereof; however, no application shall be deemed made until all the required information is submitted in the form prescribed by the Superintendent.

§ 22.1-289.054. Visitation by parents or guardians in child day programs.

A custodial parent or guardian shall be admitted to any child day program. For purposes of this section, "child day program" is one in which a person or organization has agreed to assume responsibility for the supervision, protection, and well-being of a child under the age of 13 for less than a 24-hour period, regardless of whether it is licensed. Such right of admission shall apply only while the child is in the child day program.

§ 22.1-289.055. Public funds to be withheld for serious or persistent violations.

The Board may adopt policies, as permitted by state and federal law, to restrict the eligibility of a child day program or family day system to receive or continue to receive funds when such agency is found to be in serious or persistent violation of regulations.

§ 22.1-296.3. Certain private school employees subject to fingerprinting and criminal records checks.

A. As a condition of employment, the governing boards or administrators of private elementary or secondary schools that are accredited pursuant to § 22.1-19 shall require any applicant who accepts employment, whether full-time or part-time, permanent or temporary, to submit to fingerprinting and to provide personal descriptive information to be forwarded along with the applicant's fingerprints through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of

obtaining criminal history record information regarding such applicant.

The Central Criminal Records Exchange, upon receipt of an applicant's record or notification that no record exists, shall report to the governing board or administrator, or to a private organization coordinating such records on behalf of such governing board or administrator pursuant to a written agreement with the Department of State Police, that the applicant meets the criteria or does not meet the criteria for employment based on whether or not the applicant has ever been convicted of any barrier crime as defined in § 19.2-392.02.

B. The Central Criminal Records Exchange shall not disclose information to such governing board, administrator, or private organization coordinating such records regarding charges or convictions of any crimes. If any applicant is denied employment because of information appearing on the criminal history record and the applicant disputes the information upon which the denial was based, the Central Criminal Records Exchange shall, upon request, furnish the applicant the procedures for obtaining a copy of the criminal history record from the Federal Bureau of Investigation. The information provided to the governing board, administrator, or private organization coordinating such records shall not be disseminated except as provided in this section. A governing board or administrator employing or previously employing a temporary teacher or a private organization coordinating such records on behalf of such governing board or administrator pursuant to a written agreement with the Department of State Police may disseminate, at the written request of such temporary teacher, whether such teacher meets the criteria or does not meet the criteria for employment pursuant to subsection A to the governing board or administrator of another accredited private elementary or secondary school in which such teacher has accepted employment. Such governing board, administrator, or private organization transferring criminal records information pursuant to this section shall be immune from civil liability for any official act, decision, or omission done or made in the performance of such transfer, when such acts or omissions are taken in good faith and are not the result of gross negligence or willful misconduct.

Fees charged for the processing and administration of background checks pursuant to this section shall not exceed the actual cost to the state of such processing and administration.

D. For purposes of this section, "governing board" or "administrator" means the unit or board or person designated to supervise operations of a system of private schools or a private school accredited pursuant to § 22.1-19.

Nothing in this section or § 19.2-389 shall be construed to require any private or religious school which is not so accredited to comply with this section.

D. The Commissioner and local departments shall administer the Child Care Subsidy Program as provided for in the State Child Care Plan prepared by the Department of Education.

§ 63.2-601.2. Statewide Temporary Assistance for Needy Families (TANF) Program Funding Pool Program.

A. The Department shall develop a Statewide TANF Program Funding Pool Program (the Funding Pool Program) and shall allocate to the Funding Pool Program that portion of the TANF block grant to be awarded to service providers for expanded TANF programs, which shall include all funds not transferred to the ~~Child Care and Development Block Grant~~ or Social Services Block Grant or used for cash assistance, employment services, or child-care benefits through the TANF program, up to an amount equal to 12 percent of the total amount of the TANF block grant for that year.

B. Prior to submission of its proposed biennial budget to the Governor, the Department shall issue a Request for Proposals for use of available funds from the Funding Pool Program to service providers providing expanded TANF programs through a competitive process that is designed in a manner that ensures that all service providers in the Commonwealth, regardless of size or geographic location, are afforded the opportunity to apply for funds. All programs and services funded through the Funding Pool Program shall comply with all federal and state statutory and regulatory requirements and shall serve the stated purposes of the TANF program.

C. In developing the Request for Proposals, the Department shall include:

1. A long-range planning and priority-setting process to identify state and local service needs and avoid overlap or duplication of services. The planning and priority-setting process shall include

opportunity for citizen participation and consideration of local and statewide service needs and priorities;

2. A competitive process, to include uniform eligibility criteria for service providers seeking funding and uniform application and selection procedures for comparable service categories;

3. Uniform oversight, administrative, and reporting requirements for service providers receiving funding through the Funding Pool Program; and

4. Uniform program evaluation criteria to determine the effectiveness and efficiency of comparable services funded through the Funding Pool Program.

D. The Department shall require all service providers applying for funding through the Funding Pool Program to submit a detailed proposal that includes a proposed budget, proposed program outcomes, and proposed program outcome measures. Following review of applications for funding received pursuant to this section, the Department shall provide a summary of the requests for funding and recommendations to the Governor and the General Assembly of the programs to be funded in the proposed biennial budget, the levels of funding recommended, and the rationale for such recommendations, and the Governor shall consider such recommendations in developing the proposed budget.

E. The Department shall require all providers receiving Funding Pool Program funds to report annually on the use of the funds and outcomes achieved and shall include such information in its annual report to the General Assembly.

§ 63.2-603. Eligibility for TANF; childhood immunizations.

An applicant for TANF shall provide verification that all eligible children not enrolled in school, a licensed family day home *as defined in § 22.1-289.02*, or a licensed child day center *as defined in § 22.1-289.02*, have received immunizations in accordance with § 32.1-46. However, if an eligible child has not received immunizations in accordance with § 32.1-46, verification shall be provided at the next scheduled redetermination of eligibility for TANF after initial eligibility is granted that the child has received at least one dose of each of the immunizations required by § 32.1-46 as appropriate for the child's age and that the child's physician or the local health department has developed a plan for completing the immunizations. Verification of compliance with the plan for completing the immunizations shall be presented at subsequent redeterminations of eligibility for TANF.

If necessary, the local department shall provide assistance to the TANF recipient in obtaining verification from immunization providers. No sanction may be imposed until the reason for the failure to comply with the immunization requirement has been identified and any barriers to accessing immunizations have been removed.

Failure by the recipient to provide the required verification of immunizations shall result in a reduction in the amount of monthly assistance received from the TANF program until the required verification is provided. The reduction shall be ~~fifty dollars~~ \$50 for the first child and ~~twenty-five dollars~~ \$25 for each additional child for whom verification is not provided.

Any person who becomes ineligible for TANF payments as a result of this provision shall nonetheless be considered a TANF recipient for all other purposes.

§ 63.2-1509. Requirement that certain injuries to children be reported by physicians, nurses, teachers, etc.; penalty for failure to report.

A. The following persons who, in their professional or official capacity, have reason to suspect that a child is an abused or neglected child, shall report the matter immediately to the local department of the county or city wherein the child resides or wherein the abuse or neglect is believed to have occurred or to the Department's toll-free child abuse and neglect hotline:

17. Administrators or employees 18 years of age or older of public or private day camps, youth centers and youth recreation programs;

If neither the locality in which the child resides nor where the abuse or neglect is believed to have occurred is known, then such report shall be made to the local department of the county or city where the abuse or neglect was discovered or to the Department's toll-free child abuse and neglect hotline.

If an employee of the local department is suspected of abusing or neglecting a child, the report shall be made to the court of the county or city where the abuse or neglect was discovered. Upon receipt of such a report by the court, the judge shall assign the report to a local department that is not the employer of the suspected employee for investigation or family assessment. The judge may consult with the Department in selecting a local department to respond to the report or the complaint.

If the information is received by a teacher, staff member, resident, intern or nurse in the course of professional services in a hospital, school or similar institution, such person may, in place of said report, immediately notify the person in charge of the institution or department, or his designee, who shall make such report forthwith. If the initial report of suspected abuse or neglect is made to the person in charge of the institution or department, or his designee, pursuant to this subsection, such person shall notify the teacher, staff member, resident, intern or nurse who made the initial report when the report of suspected child abuse or neglect is made to the local department or to the Department's toll-free child abuse and neglect hotline, and of the name of the individual receiving the report, and shall forward any communication resulting from the report, including any information about any actions taken regarding the report, to the person who made the initial report.

The initial report may be an oral report but such report shall be reduced to writing by the child abuse coordinator of the local department on a form prescribed by the Board. Any person required to make the report pursuant to this subsection shall disclose all information that is the basis for his suspicion of abuse or neglect of the child and, upon request, shall make available to the child-protective services coordinator and the local department, which is the agency of jurisdiction, any information, records, or reports that document the basis for the report. All persons required by this subsection to report suspected abuse or neglect who maintain a record of a child who is the subject of such a report shall cooperate with the investigating agency and shall make related information, records and reports available to the investigating agency unless such disclosure violates the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g). Provision of such information, records, and reports by a health care provider shall not be prohibited by § 8.01-399. Criminal investigative reports received from law-enforcement agencies shall not be further disseminated by the investigating agency nor shall they be subject to public disclosure.

B. For purposes of subsection A, "reason to suspect that a child is abused or neglected" shall, due to the special medical needs of infants affected by substance exposure, include (i) a finding made by a health care provider within six weeks of the birth of a child that the child was born affected by substance abuse or experiencing withdrawal symptoms resulting from in utero drug exposure; (ii) a diagnosis made by a health care provider within four years following a child's birth that the child has an illness, disease, or condition that, to a reasonable degree of medical certainty, is attributable to maternal abuse of a controlled substance during pregnancy; or (iii) a diagnosis made by a health care provider within four years following a child's birth that the child has a fetal alcohol spectrum disorder attributable to in utero exposure to alcohol. When "reason to suspect" is based upon this subsection, such fact shall be included in the report along with the facts relied upon by the person making the report. Such reports shall not constitute a per se finding of child abuse or neglect. If a health care provider in a licensed hospital makes any finding or diagnosis set forth in clause (i), (ii), or (iii), the hospital shall require the development of a written discharge plan under protocols established by the hospital pursuant to subdivision B 6 of § 32.1-127.

C. Any person who makes a report or provides records or information pursuant to subsection A or who testifies in any judicial proceeding arising from such report, records, or information shall be immune from any civil or criminal liability or administrative penalty or sanction on account of such report, records, information, or testimony, unless such person acted in bad faith or with malicious

purpose.

D. Any person required to file a report pursuant to this section who fails to do so as soon as possible, but not longer than 24 hours after having reason to suspect a reportable offense of child abuse or neglect, shall be fined not more than \$500 for the first failure and for any subsequent failures not less than \$1,000. In cases evidencing acts of rape, sodomy, or object sexual penetration as defined in Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2, a person who knowingly and intentionally fails to make the report required pursuant to this section shall be guilty of a Class 1 misdemeanor.

E. No person shall be required to make a report pursuant to this section if the person has actual knowledge that the same matter has already been reported to the local department or the Department's toll-free child abuse and neglect hotline.

§ 63.2-1515. Central registry; disclosure of information.

The central registry shall contain such information as shall be prescribed by Board regulation; however, when the founded case of abuse or neglect does not name the parents or guardians of the child as the abuser or neglecter, and the abuse or neglect occurred in a licensed or unlicensed child day center; *as defined in § 22.1-289.02*; a licensed, registered, or approved family day home; *as defined in § 22.1-289.02*; a private or public school; or a children's residential facility, the child's name shall not be entered on the registry without consultation with and permission of the parents or guardians. If a child's name currently appears on the registry without consultation with and permission of the parents or guardians for a founded case of abuse and neglect that does not name the parents or guardians of the child as the abuser or neglecter, such parents or guardians may have the child's name removed by written request to the Department. The information contained in the central registry shall not be open to inspection by the public. However, appropriate disclosure may be made in accordance with Board regulations.

The Department shall respond to requests for a search of the central registry made by (i) local departments, (ii) local school boards, and (iii) governing boards or administrators of private schools accredited pursuant to § 22.1-19 regarding applicants for employment, pursuant to § 22.1-296.4, in cases where there is no match within the central registry within 10 business days of receipt of such requests. In cases where there is a match within the central registry regarding applicants for employment, the Department shall respond to requests made by local departments, local school boards, and governing boards or administrators within 30 business days of receipt of such requests. The response may be by first-class mail or facsimile transmission.

The Department shall disclose information in the central registry to the Chairmen of the Committees for the Courts of Justice of the Senate and House of Delegates for the purpose of determining if any person being considered for election to any judgeship has been the subject of any founded complaint of child abuse or neglect.

Any central registry check of a person who has applied to be a volunteer with a (a) Virginia affiliate of Big Brothers/Big Sisters of America, (b) Virginia affiliate of Compeer, (c) Virginia affiliate of Childhelp USA, (d) volunteer fire company or volunteer emergency medical services agency, or (e) court-appointed special advocate program pursuant to § 9.1-153 shall be conducted at no charge.

§ 63.2-1700. Application fees; regulations and schedules; use of fees; certain facilities, centers, and agencies exempt.

The Board is authorized to adopt regulations and schedules for fees to be charged for processing applications for licenses to operate assisted living facilities, adult day care centers, and child welfare agencies. Such schedules shall specify minimum and maximum fees and, where appropriate, gradations based on the capacity of such facilities, centers, and agencies. Fees shall be used for the development and delivery of training for operators and staff of facilities, centers, and agencies. Fees shall be expended for this purpose within two fiscal years following the fiscal year in which they are collected. These fees shall not be applicable to facilities, centers, or agencies operated by federal entities.

The Board shall develop training programs for operators and staffs of licensed child day programs. Such programs shall include formal and informal training offered by institutions of higher education, state and national associations representing child care professionals, local and regional early childhood educational organizations and licensed child care providers. Training provided to operators and staffs of licensed child day programs shall include training and information regarding shaken baby syndrome, its effects, and resources for help and support for caretakers. To the maximum extent possible, the Board shall ensure that all provider interests are represented and that no single approach to training shall be given preference.

§ 63.2-1701. Licenses required; issuance, expiration, and renewal; maximum number of residents, participants or children; posting of licenses.

A. As used in this section, "person" means any individual; corporation; partnership; association; limited liability company; local government; state agency, including any department, institution, authority, instrumentality, board, or other administrative agency of the Commonwealth; or other legal or commercial entity that operates or maintains a child welfare agency, adult day care center, or assisted living facility.

B. Every person who constitutes, or who operates or maintains, an assisted living facility, adult day

care center, or child welfare agency shall obtain the appropriate license from the Commissioner, which may be renewed. However, no license shall be required for an adult day care center that provides services only to individuals enrolled in a Programs of All-Inclusive Care for the Elderly program operated in accordance with an agreement between the provider, the Department of Medical Assistance Services and the Centers for Medicare and Medicaid Services. The Commissioner, upon request, shall consult with, advise, and assist any person interested in securing and maintaining any such license. Each application for a license shall be made to the Commissioner, in such form as he may prescribe. It shall contain the name and address of the applicant and, if the applicant is an association, partnership, limited liability company, or corporation, the names and addresses of its officers and agents. The application shall also contain a description of the activities proposed to be engaged in and the facilities and services to be employed, together with other pertinent information as the Commissioner may require.

C. The licenses shall be issued on forms prescribed by the Commissioner. Any two or more licenses may be issued for concurrent operation of more than one assisted living facility, adult day care center, or child welfare agency, but each license shall be issued upon a separate form. Each license and renewals thereof for an assisted living facility, adult day care center, or child welfare agency may be issued for periods of up to three successive years, unless sooner revoked or surrendered. ~~Licenses issued to child day centers under this chapter shall have a duration of two years from date of issuance.~~

D. The length of each license or renewal thereof for an assisted living facility shall be based on the judgment of the Commissioner regarding the compliance history of the facility and the extent to which it meets or exceeds state licensing standards. On the basis of this judgment, the Commissioner may issue licenses or renewals thereof for periods of six months, one year, two years, or three years.

E. The Commissioner may extend or shorten the duration of licensure periods for a child welfare agency whenever, in his sole discretion, it is administratively necessary to redistribute the workload for greater efficiency in staff utilization.

F. Each license shall indicate the maximum number of persons who may be cared for in the assisted living facility, adult day care center, or child welfare agency for which it is issued.

G. The license and any other documents required by the Commissioner shall be posted in a conspicuous place on the licensed premises.

H. Every person issued a license that has not been suspended or revoked shall renew such license prior to its expiration.

I. Officers, employees, or agents of the Commonwealth, or of any county, city, or town acting within the scope of their authority as such, who serve as or maintain a child-placing agency shall not be required to be licensed.

§ 63.2-1702. Investigation on receipt of application.

Upon receipt of the application, the Commissioner shall cause an investigation to be made of the activities, services, and facilities of the applicant and of his character and reputation or, if the applicant is an association, partnership, limited liability company, or corporation, the character and reputation of its officers and agents, and upon receipt of the initial application, an investigation of the applicant's financial responsibility. The financial records of an applicant shall not be subject to inspection if the applicant submits an operating budget and at least one credit reference. In the case of child welfare agencies and assisted living facilities, the character and reputation investigation upon application shall include background checks pursuant to §§ § 63.2-1721 and ~~63.2-1721.1~~; however, a children's residential facility shall comply with the background check requirements contained in § 63.2-1726. Records that contain confidential proprietary information furnished to the Department pursuant to this section shall be exempt from disclosure pursuant to subdivision 4 of § 2.2-3705.5.

§ 63.2-1706.1. Inspections of child welfare agencies; prioritization.

The Commissioner shall prioritize inspections of child welfare agencies in the following order: (i) inspections conducted in response to a complaint involving a ~~licensed, registered, license-exempt, or unlicensed~~ child welfare agency; *and* (ii) inspections of ~~licensed or registered~~ child welfare agencies that are not conducted in response to a complaint; (iii) ~~inspections of license-exempt or unlicensed child welfare agencies that have entered into a contract with the Department or a local department to provide child care services funded by the Child Care and Development Block Grant, other than inspections conducted in response to a complaint;~~ and (iv) inspections of ~~license-exempt and unlicensed~~ child welfare agencies that are not conducted in response to a complaint.

§ 63.2-1708. Records and reports.

Every licensed assisted living facility, licensed adult day care center, *or* ~~licensed or registered~~ child welfare agency; ~~or family day home approved by a family day system~~ shall keep such records and make such reports to the Commissioner as he may require. The forms to be used in the making of such reports shall be prescribed and furnished by the Commissioner.

Any person making a materially false statement regarding the sworn statement or affirmation provided pursuant to subdivision C 1 is guilty of a Class 1 misdemeanor. If a volunteer is denied service because of information from the central registry or convictions appearing on his criminal history record, such licensed child-placing agency; *or independent foster home; or family day system, registered family day home, or family day home approved by a family day system* shall provide a copy of the information obtained from the central registry or the Central Criminal Records Exchange or both to the volunteer. The provisions of this subsection shall apply only to volunteers who will be alone with any child in the performance of their duties and shall not apply to a parent-volunteer of a child attending a licensed child-placing agency; *or independent foster home; or family day system, registered family day home, or family day home approved by a family day system*, whether or not such parent-volunteer will be alone with any child in the performance of his duties. A parent-volunteer is someone supervising, without pay, a group of children that includes the parent-volunteer's own child in a program that operates no more than four hours per day, provided that the parent-volunteer works under the direct supervision of a person who has received a clearance pursuant to this section.

G. No volunteer shall be permitted to serve in a licensed assisted living facility or licensed adult day care center without the permission or under the supervision of a person who has received a clearance pursuant to this section.

H. Further dissemination of the background check information is prohibited other than to the Commissioner's representative or a federal or state authority or court as may be required to comply with an express requirement of law for such further dissemination.

I. Notwithstanding any other provision of law, a licensed adult day care center that provides services to individuals receiving services under the state plan for medical assistance services or any waiver thereto may disclose to the Department of Medical Assistance Services (i) whether a criminal history background check has been completed for an employee in accordance with this section and (ii) whether such employee is eligible for employment.

J. A licensed assisted living facility shall notify and provide all students a copy of the provisions of this article prior to or upon enrollment in a certified nurse aide program operated by such assisted living facility.

K. A person who complies in good faith with the provisions of this section shall not be liable for any civil damages for any act or omission in the performance of duties under this section unless the act or omission was the result of gross negligence or willful misconduct.

§ 63.2-1721. (Effective July 1, 2020, or earlier; see Acts 2017, cc. 189 and 751, as amended by Acts 2018, cc. 146 and 278) Background check upon application for licensure as a child-placing agency, etc.; penalty.

A. Upon application for licensure as a child-placing agency; *or independent foster home; or family day system or registration as a family day home*, (i) all applicants; *and* (ii) agents at the time of application who are or will be involved in the day-to-day operations of the child-placing agency; *or independent foster home; family day system, or family day home* or who are or will be alone with, in control of, or supervising one or more of the children; *and* (iii) *any other adult living in the home of an applicant for registration as a family day home* shall undergo a background check pursuant to subsection B. Upon application for licensure as an assisted living facility, all applicants shall undergo a background

check pursuant to subsection B. In addition, foster or adoptive parents requesting approval by child-placing agencies and operators of family day homes requesting approval by family day systems, and any other adult residing in the family day home or existing employee or volunteer of the family day home, shall undergo background checks pursuant to subsection B prior to their approval.

B. Background checks pursuant to subsection A require:

2. A criminal history records check through the Central Criminal Records Exchange pursuant to § 19.2-389; and

C. The person required to have a background check pursuant to subsection A shall submit the background check information required in subsection B to the Commissioner's representative prior to issuance of a license, registration or approval. The applicant, other than an applicant for licensure as an assisted living facility, shall provide an original criminal record clearance with respect to any barrier crime as defined in § 19.2-392.02 or an original criminal history record from the Central Criminal Records Exchange. An applicant for licensure as an assisted living facility shall provide an original criminal record clearance with respect to any offense set forth in clause (i) of the definition of barrier crime in § 19.2-392.02 or an original criminal history record from the Central Criminal Records Exchange. Any person making a materially false statement regarding the sworn statement or affirmation provided pursuant to subdivision B 1 is guilty of a Class 1 misdemeanor. If any person specified in subsection A, other than an applicant for licensure as an assisted living facility, required to have a background check (i) has been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth, and such person has not been granted a waiver by the Commissioner pursuant to § 63.2-1723 or is not subject to an exception in subsection E, F, G, or H, (a) the Commissioner shall not issue a license to a child-placing agency; or independent foster home; or family day system or a registration to a family day home; or (b) a child-placing agency shall not approve an adoptive or foster home; or (c) a family day system shall not approve a family day home. If any applicant for licensure as an assisted living facility required to have a background check has been convicted of any offense set forth in clause (i) of the definition of barrier crime in § 19.2-392.02, the Commissioner shall not issue a license to an assisted living facility.

D. No person specified in subsection A shall be involved in the day-to-day operations of a licensed child-placing agency; or independent foster home; or family day system or a registered family day home; be alone with, in control of, or supervising one or more children receiving services from a licensed child-placing agency; or independent foster home; or family day system or a registered family day home; or be permitted to work in a position that involves direct contact with a person receiving services without first having completed background checks pursuant to subsection B unless such person is directly supervised by another person for whom a background check has been completed in accordance with the requirements of this section.

E. Notwithstanding any provision to the contrary contained in this section, a child-placing agency may approve as an adoptive or foster parent an applicant who has been convicted of not more than one misdemeanor offense as set out in § 18.2-57, or any substantially similar offense under the laws of another jurisdiction, not involving abuse, neglect, moral turpitude, or a minor, provided that 10 years have elapsed following the conviction.

F. Notwithstanding any provision to the contrary contained in this section, a child-placing agency may approve as a foster parent an applicant who has been convicted of statutory burglary for breaking and entering a dwelling home or other structure with intent to commit larceny, or any substantially similar offense under the laws of another jurisdiction, who has had his civil rights restored by the Governor or other appropriate authority, provided that 25 years have elapsed following the conviction.

(iii) of the definition of barrier crime in § 19.2-392.02 who has had his civil rights restored by the Governor or other appropriate authority, provided that 20 years have elapsed following the conviction.

I. If an applicant is denied licensure, registration or approval because of information from the central registry or convictions appearing on his criminal history record, the Commissioner shall provide a copy of the information obtained from the central registry or the Central Criminal Records Exchange or both to the applicant.

J. Further dissemination of the background check information is prohibited other than to the Commissioner's representative or a federal or state authority or court as may be required to comply with an express requirement of law for such further dissemination.

another jurisdiction, provided that (a) five years have elapsed following the conviction and (b) the Department has conducted a home study that includes, but is not limited to, (1) an assessment of the safety of children placed in the home and (2) a determination that the offender is now a person of good moral character and reputation. The waiver shall not be granted if the adult living in the home is an assistant or substitute provider or if such adult has been convicted of a misdemeanor offense under both §§ 18.2-57 and 18.2-57.2, or any substantially similar offense under the laws of another jurisdiction. Any waiver granted under this section shall be available for inspection by the public. The child welfare agency shall notify in writing every parent and guardian of the children in its care of any waiver granted for its operators, employees or volunteers.

B. The Board shall adopt regulations to implement the provisions of this section.

§ 63.2-1734. Regulations for child welfare agencies.

A. The Board shall adopt regulations for the activities, services, and facilities to be employed by persons and agencies required to be licensed under this subtitle, which shall be designed to ensure that such activities, services, and facilities are conducive to the welfare of the children under the custody or control of such persons or agencies.

Such regulations shall be developed in consultation with representatives of the affected entities and shall include, but need not be limited to, matters relating to the sex, age, and number of children and other persons to be maintained, cared for, or placed out, as the case may be, and to the buildings and premises to be used, and reasonable standards for the activities, services, and facilities to be employed. Such limitations and standards shall be specified in each license and renewal thereof. Such regulations shall not require the adoption of a specific teaching approach or doctrine or require the membership, affiliation, or accreditation services of any single private accreditation or certification agency.

Such regulations governing child day programs providing care for school-age children at a location that is currently approved by the Department of Education or recognized as a private school by the State Board of Education for school occupancy and that houses a public or private school during the school year shall not (i) prohibit school-age children from using outdoor play equipment and areas approved for use by students of the school during school hours or (ii) in the case of public schools, require inspection or approval of the building, vehicles used to transport children attending the child day program that are owned by the school, or meals served to such children that are prepared by the school.

Such regulations governing orientation and training of child day program staff shall provide that parents or other persons who participate in a cooperative preschool center on behalf of a child attending such cooperative preschool center, including such parents and persons who are counted for the purpose of determining staff-to-child ratios, shall be exempt from orientation and training requirements applicable to staff of child day programs; however, such regulations may require such parents and persons to complete up to four hours of training per year. This orientation and training exemption shall not apply to any parent or other person who participates in a cooperative preschool center that has entered into a contract with the Department or a local department to provide child care services funded by the Child Care and Development Block Grant.

B. The Board shall adopt or amend regulations, policies, and procedures related to child day care in collaboration with the Virginia Recreation and Park Society. No regulation adopted by the Board shall prohibit a child day center from hiring an armed security officer, licensed pursuant to Article 4 (§ 9.1-138 et seq.) of Chapter 1 of Title 9.1, to provide protection for children placed in the care of the child day center or employees of the center. The Board shall adopt or amend regulations related to therapeutic recreation programs in collaboration with the Virginia Park and Recreation Society and the Department of Behavioral Health and Developmental Services.

§ 63.2-1911. Duty of local departments to enforce support; referral to Department.

Whenever a local department approves an application for public assistance on behalf of a child or children and it appears to the satisfaction of the local department that the child has been abandoned by the noncustodial parent or that the person who has a responsibility for the care, support, or maintenance of such child has failed or neglected to give proper care or support to such child, the local department shall refer the matter to the Division within the Department responsible for the enforcement of support. *The foregoing provisions of this section shall not apply to applications for the Child Care Subsidy Program.*

2. That §§ 2.2-208.1, 63.2-1701.1, 63.2-1704, 63.2-1704.1, 63.2-1716, 63.2-1717, 63.2-1720.1, 63.2-1721.1, 63.2-1724, 63.2-1725, 63.2-1727, 63.2-1738, 63.2-1809 through 63.2-1813, and 63.2-1815 of the Code of Virginia are repealed.

3. That the provisions of the first and second enactments of this act shall become effective on July 1, 2021, except that § 22.1-289.04 of the Code of Virginia, as created by this act, shall become effective in due course.

4. That the Superintendent of Public Instruction shall convene a work group to develop and establish a plan for implementing a statewide unified early childhood care and education system that incorporates relevant policy-making, funding, governance, oversight, and accountability functions and culminates implementation of the quality rating and improvement system as provided in the tenth enactment of this act. The work group shall include representatives of (i) the

Secretariats of Education and Health and Human Resources; (ii) relevant state agencies, including the Department of Planning and Budget, the Office of the Attorney General, the Department of Education, and the Department of Social Services; (iii) relevant regulatory boards, including the Board of Education; and (iv) the House Committee on Appropriations and the Senate Committee on Finance and Appropriations. Such plan shall incorporate and take into account the priorities, responsibilities, and structures needed at the state, local, and regional levels to ensure successful start-up, management, and delivery of a cohesive, aligned early childhood care and education system, as well as outline phases and a timeline for transitioning from the current state to the envisioned state of the system. Such plan shall identify necessary statutory and regulatory changes and necessary steps to transfer lead agency authority for relevant federal programs, including the Child Care and Development Block Grant and Head Start State Collaboration Office grants, to the Department of Education to align with its current administration of the Virginia Preschool Initiative and other early childhood programs. The work group shall report on the implementation plan to the Chairmen of the House Committees on Appropriations, Education, and Health, Welfare and Institutions and the Senate Committees on Education and Health, Finance and Appropriations, and Rehabilitation and Social Services no later than December 1, 2020, and shall provide such Chairmen an update on the implementation of the plan no later than December 1, 2021.

5. That the Department of Social Services and the Department of Education shall develop a plan and enter into a cooperative agreement to ensure a coordinated and seamless transition pursuant to the provisions of this act that occurs by July 1, 2021, and that is cost effective and does not interrupt the provision of state services or have undue impact on the operation or function of either agency.

6. That the regulations adopted by the State Board of Social Services to administer and implement the programs that are to be transferred from the State Board of Social Services to the Board of Education pursuant to this act shall remain in full force and effect until altered, amended, or rescinded by the Board of Education.

7. That guidance adopted by the State Board of Social Services or Department of Social Services relating to programs to be transferred by this act shall remain in effect until amended or repealed.

8. That any valid license that is in effect on July 1, 2021, that was issued by the Department of Social Services under a program that is transferred to the Department of Education pursuant to the provisions of this act shall, on July 1, 2021, be deemed to be a license issued by the Department of Education and shall remain valid and in effect until its expiration date.

9. That the initial actions of the Board of Education to adopt, with necessary amendments, the regulations implementing the programs being transferred by this act shall be exempt from Article 2 (§ 2.2-4006 et seq.) of Chapter 40 of Title 2.2 of the Code of Virginia. After transfer of the programs, if the Board of Education determines that additional amendments to the regulations are necessary solely to enable implementation of the programs in accordance with this act, the regulatory actions necessary shall not be exempt from Article 2 (§ 2.2-4006 et seq.) of Chapter 40 of Title 2.2 of the Code of Virginia.

10. That by July 1, 2021, the Department of Education shall be the lead agency for the administration of the Child Care and Development Block Grant and the Head Start Collaboration Office.

11. That, notwithstanding the provisions of the third enactment of this act, the establishment and implementation of the quality rating and improvement system described in § 22.1-289.05 of the Code of Virginia, as created by this act, shall occur as follows: (i) the Board of Education shall establish such quality rating and improvement system no later than July 1, 2021, and (ii) the initial quality ratings shall be published in the fall of 2023.

VIRGINIA ACTS OF ASSEMBLY -- 2021 SPECIAL SESSION I

CHAPTER 355

An Act to amend and reenact § 15.2-2308 of the Code of Virginia, relating to board of zoning appeals; appointments.

[H 1898]

Approved March 25, 2021

Be it enacted by the General Assembly of Virginia:

1. That § 15.2-2308 of the Code of Virginia is amended and reenacted as follows:

§ 15.2-2308. Boards of zoning appeals to be created; membership, organization, etc.

A. Every locality that has enacted or enacts a zoning ordinance pursuant to this chapter or prior enabling laws shall establish a board of zoning appeals that shall consist of either five or seven residents of the locality, or in a town with a population of 3,500 or less, either three, five, or seven residents of the locality, appointed by the circuit court for the locality. Boards of zoning appeals for a locality within the fifteenth or nineteenth judicial circuit may be appointed by the chief judge or his designated judge or judges in their respective circuit, upon concurrence of such locality. Their terms of office shall be for five years each, except that original appointments shall be made for such terms that the term of one member shall expire each year. The secretary of the board shall notify the court at least ~~thirty~~ 30 days in advance of the expiration of any term of office, and shall also notify the court promptly if any vacancy occurs. Appointments to fill vacancies shall be only for the unexpired portion of the term. Members may be reappointed to succeed themselves. Members of the board shall hold no other public office in the locality, except that one may be a member of the local planning commission, ~~and~~ any member may be appointed to serve as an officer of election as defined in § 24.2-101, ~~and any elected official of an incorporated town may serve on the board of the county in which the member also resides.~~ A member whose term expires shall continue to serve until his successor is appointed and qualifies. The circuit court for the City of Chesapeake and the Circuit Court for the City of Hampton shall appoint at least one but not more than three alternates to the board of zoning appeals. At the request of the local governing body, the circuit court for any other locality may appoint not more than three alternates to the board of zoning appeals. The qualifications, terms and compensation of alternate members shall be the same as those of regular members. A regular member when he knows he will be absent from or will have to abstain from any application at a meeting shall notify the chairman ~~twenty-four~~ 24 hours prior to the meeting of such fact. The chairman shall select an alternate to serve in the absent or abstaining member's place and the records of the board shall so note. Such alternate member may vote on any application in which a regular member abstains.

B. Localities may, by ordinances enacted in each jurisdiction, create a joint board of zoning appeals that shall consist of two members appointed from among the residents of each participating jurisdiction by the circuit court for each county or city, plus one member from the area at large to be appointed by the circuit court or jointly by such courts if more than one, having jurisdiction in the area. The term of office of each member shall be five years, except that of the two members first appointed from each jurisdiction, the term of one shall be for two years and of the other, four years. Vacancies shall be filled for the unexpired terms. In other respects, joint boards of zoning appeals shall be governed by all other provisions of this article.

C. With the exception of its secretary and the alternates, the board shall elect from its own membership its officers who shall serve annual terms as such and may succeed themselves. The board may elect as its secretary either one of its members or a qualified individual who is not a member of the board, excluding the alternate members. A secretary who is not a member of the board shall not be entitled to vote on matters before the board. Notwithstanding any other provision of law, general or special, for the conduct of any hearing, a quorum shall be not less than a majority of all the members of the board and the board shall offer an equal amount of time in a hearing on the case to the applicant, appellant or other person aggrieved under § 15.2-2314, and the staff of the local governing body. Except for matters governed by § 15.2-2312, no action of the board shall be valid unless authorized by a majority vote of those present and voting. The board may make, alter and rescind rules and forms for its procedures, consistent with ordinances of the locality and general laws of the Commonwealth. The board shall keep a full public record of its proceedings and shall submit a report of its activities to the governing body or bodies at least once each year.

D. Within the limits of funds appropriated by the governing body, the board may employ or contract for secretaries, clerks, legal counsel, consultants, and other technical and clerical services. Members of the board may receive such compensation as may be authorized by the respective governing bodies. Any board member or alternate may be removed for malfeasance, misfeasance or nonfeasance in office, or for other just cause, by the court that appointed him, after a hearing held after at least ~~fifteen~~ 15 days'

notice.

E. Notwithstanding any contrary provisions of this section, in the Cities of Portsmouth and Virginia Beach, members of the board shall be appointed by the governing body. The governing body shall also appoint at least one but not more than three alternates to the board.

RE: COUNTY CODE UPDATE

Adopt Annual Amendments to the County Code to be effective July 1, 2021, mandated by changes to the state law made by the Governor and the General Assembly during the 2020 general session, 2020 special session, 2021 general session, and 2021 special session.

PROPOSED AMENDMENTS:

Chapter 2 (Administration)
Chapter 4 (Animals and Fowl)
Chapter 13 (Motor Vehicles and Traffic)
Chapter 16 (Miscellaneous Offenses)
Chapter 22 (Refuse)
Chapter 23.2 (Stormwater Management)
Chapter 26 (Taxation)
Chapter 31 (Weapons)

Every year, the Board reviews the Prince William County Code of Ordinances following the general session of the General Assembly, primarily to ensure that local County Code sections adopted to mirror sections of the Code of Virginia are amended and consistent given recent changes. This year, the General Assembly has held two special sessions and one general session since the last such review

by the Board. This Office recommends the attached changes to the County Code, as part of this process.

Many sections of the County Code are specifically enabled by sections in the Code of Virginia. These County Code provisions must be in strict conformity with the parallel sections of state law to remain enforceable. Some of these Virginia Code sections were amended by the Acts of the General Assembly during its 2020 special session, 2021 general session, and 2021 special session. Therefore, those corresponding sections of the County Code must also be amended.

In addition to the recommended changes reflecting the Acts passed by the General Assembly since the last time this Board reviewed the County Code, we have included recommended changes to incorporate those previously enacted bills that did not take effect until this year. Furthermore, we have included other recommended changes discovered over the course of this year to ensure the Prince William County code reflects current provisions of the Virginia Code.

The proposed changes to the County Code are attached and are largely self-explanatory. Below is a brief description of the proposed changes by Chapter:

Chapter 2, Administration. We propose amendments to the County Code, specifically Article X of the Continuity of Government Ordinance, to reflect changes in the Freedom of Information Act and changes to the authority of localities to enact emergency ordinances. Effective July 1, 2021, a locality may invoke an emergency ordinance for up to an initial 12 months rather than 6 months. As a result, County Code §§ 2-204, 2-206, and 2-208 need to be updated to reflect this expanded authority. Additionally, the Freedom of Information Act ("FOIA") now allows public bodies to meet electronically during an emergency for regular business purposes, not just to address the emergency. As a result, the requirements for holding an electronic meeting of a public body without a physical quorum present under FOIA more closely parallels the language used in the State Budget Bills for FY20 and FY21. Therefore, we recommend that the County Code be updated to clarify that "continuity of government," as used in the County Code, means the "continuity of operations of the public body or the discharge of its lawful purposes, duties, and responsibilities." This recommended change would affect County Code §§ 2-203.

Chapter 4, Animal and Fowl. Several state statutes regarding vicious and dangerous dogs were significantly rewritten by the General Assembly during the 2021 Special Session. These statutes are mirrored in the County Code. As a result, we recommend rewriting County Code §§ 4-12, 4-13, 4-14, 4-15, 4-16, 4-17, 4-18, 4-19, 4-20 to parallel the new state statutory language.

Additionally, during the 2020 General Session, the General Assembly passed an act that regulated a newly defined category of animals called "dangerous captive animals." Pursuant to enabling authority, the Board previously enacted a statute regulating the keeping of wild or exotic animals. The County's definition of wild or exotic animals includes a list of specific species that are considered wild or exotic. This list was very similar to the specific list of animals the state code now defines as dangerous captive animals. Because the state's definition of dangerous captive animals and the County's definition of wild or exotic animals are both used to regulate the exhibition of these animals, we recommend modifying the County's definition of "wild or exotic animal" to include all those animals the states' new definition of dangerous captive animals specifically lists. This will result in language changes to County Code §§ 4-69 and 4-72. This is not a substantive change, as all the species that will be added to the list

are already covered by the clause “any other warm-blooded animal,” but it should indicate that the County’s definition and regulation of these animals is coextensive with the new statutes.

Chapter 13, Motor Vehicles and Traffic. Amendments effective July 1, 2021 to Chapter 13 include several sections that need to be updated to reflect that law enforcement officers shall not stop a person merely for a violation of those sections. That change affects County Code §§ 13-15, 13-41, 13-87, 13-99, 13-99.1, 13-102, 13-103, 13-104, 13-125, 13-126, 13-126.1, 13-135, 13-403, and 13-405. Additionally, the state’s arrest procedures for misdemeanors changed and requires corresponding changes to County Code §§ 13-10 and 13-11. County Code §§ 13-102, 13-107.2, 13-108, 13-212, 13-259, and 3-375 all have language that was recently added to or removed from the parallel state statutes. We recommend updating these County Code sections to ensure they remain consistent with the state statutes.

Chapter 16, Miscellaneous Offenses. We recommend that County Code § 16-26 be updated to parallel the current state statute more closely.

We also recommend the removal of provisions in County Code § 16-28, as the state law no longer requires, nor does it authorize, a mandatory minimum sentence for subsequent convictions of offenses punishable as larceny.

Chapter 22, Refuse. We recommend amending County Code §22-2 to add a newly introduced term in the state code. We further recommend updating County Code §§ 22-131, 22-133, 22-134, 22-135, 22-137, and 22-138, to incorporate this new term, as it appears in the parallel state statutes. In making these changes to the above-mentioned County Code sections, we also recommend adding state law reference provisions at the end of the sections as they are helpful cross-references to the parallel state statutes, and we recommend corrections to a reoccurring list to make the list consistent when it is used. We also recommend amending County Code § 22-146 to reflect language changes made to the parallel state law statute, which among other things increases the minimum fine that is to be levied upon a violation of the section. Lastly, we recommend an amendment to County Code § 22-170 to fix a typographical error.

Chapter 23.2, Stormwater Management. The General Assembly passed a bill that repealed Title 45.1 of the Code of Virginia and reenacted it as Title 45.2 of the Code of Virginia. This change will become effective October 1, 2021. We recommend an amendment to County Code § 23.2-24, effective October 1, 2021, which will update a reference to that Code of Virginia Title.

Chapter 26, Taxation. We recommend amending County Code §§ 26-41 and 26-46 to allow for the director of finance to delegate his/her approval authority to his/her designee. Additionally, the filing deadlines in County Code § 26-41 are inconsistent, and the recommended change would make them consistent. We recommend also amending the filing deadlines in County Code § 26-46 from May 1 to April 15 of each year to match the recommended deadline change in County Code § 26-41. These changes were requested by County staff. We also recommend amending County Code § 26-236 to mirror the changes to Virginia Code § 58.1-3660, effective July 1, 2021.

Chapter 31, Weapons. The repeal and reservation of County Code § 31-25 is recommended because the County no longer has the specific authority necessary to regulate the prohibited conduct in § 31-25. The state withdrew that authority and gave it to the Board of Game and Inland Fisheries. This recommendation is per directive 20-88, made by Supervisor Vega.

We have attached the proposed amendments and Ordinance adopting the proposed changes following the public hearing on June 22, 2021. Please let us know if we can provide additional information. We will be available to discuss the proposed changes and address any questions during the June 22nd Board meeting.

Chapter 32, Zoning. Recent action by the General Assembly also will necessitate some revisions to the County's zoning ordinance. These revisions can only be made through the usual process for zoning text amendments that are referred to the County's Planning Commission. Consequently, we also have attached a draft resolution hereto for the Board's consideration that would initiate the appropriate process for the Board to consider such amendments in the future.
