**RE: AWARD A \$500,847.80 CONSTRUCTION CONTRACT TO M&F CONCRETE, INC., FOR THE OLD BRIDGE ROAD (MOHICAN ROAD TO ANTIETAM ROAD) SIDEWALK PROJECT – OCCOQUAN MAGISTERIAL DISTRICT**

**ACTION: APPROVED**

**WHEREAS**, this project is located on the north side of Old Bridge Road between Mohican Road and Antietam Road. It involves the design and construction of approximately 900 feet of new sidewalk connecting to existing sidewalk; and

**WHEREAS**, the County's Purchasing Office advertised an invitation for Bid (IFB70011099) on February 22, 2018, to acquire construction services for the Old Bridge Road (Mohican Road to Antietam Road) Sidewalk Project. The bid due date was March 20, 2018; and

**WHEREAS**, on March 20, 2018, sealed bids were publicly opened and the Prince William County Department of Transportation staff, together with the County Purchasing office staff, evaluated all bids and determined Finley Asphalt & Sealing, Inc., to be the lowest responsible bidder with an estimated total bid price of \$486,844.65; however, Finley Asphalt & Sealing, Inc., was not a registered plan holder as required in the bid documents; therefore, it was determined that M&F Concrete, Inc., was the lowest responsive and responsible bidder with an estimated total bid price of \$500,847.80; and

**WHEREAS**, the award of the contract to M&F Concrete, Inc., must also be approved by Virginia Department of Transportation in order for Notice to Proceed (NTP) to be issued for construction activities. Once this approval is received, the NTP for the project will be issued; and

**WHEREAS**, a balance of \$567,052 is currently available for construction of the Old Bridge Road (Mohican Road to Antietam Road) Sidewalk Project (16C17043), which is sufficient to award the construction contract;

**NOW, THEREFORE, BE IT RESOLVED** that the Prince William Board of County Supervisors does hereby award a contract in the amount of \$500,847.80 to M&F Concrete, Inc., for the construction of the Old Bridge Road (Mohican Road to Antietam Road) Sidewalk Project, in the Occoquan Magisterial District;
