

HIGHWAY DEPT TO
DECIDE ROUTELoudoun Board Appears In In-
terest of New Connection.EXTENDS AID IN PRESERV-
ING OLD COURT HOUSEViewers Appointed For Carriage Ford
Bridge. County Will Purchase
Tractor.

The budget hearing on Monday was attended by a very small crowd, and apparently no one had any comments to make. After a brief deliberation, Supervisor J. L. Dawson moved that the budget be passed as published, and upon the second of Supervisor D. E. Earhart, the motion was passed unanimously.

Tuesday presented a very different state of affairs. The old courtroom where the hearing was held was packed with interested citizens. The recent act of the General Assembly assigning additional state road mileage gives Prince William something over eleven miles. Previously, it had been supposed that the county would receive about fourteen miles. Therefore, the extension of the cross county route toward the Loudoun line was urged toward the locality of Woolsey.

Considerable feeling was exhibited in the matter, and some acrimony was in evidence. Supervisor Coleman, of Broad Run District, in Loudoun, along with other members of the Board, presented a resolution calling for a different route than previously advocated. The Prince William Board having adopted a plan calling for a route through Catharpin, Hickory Grove, and on to the Loudoun line.

The Board finally passed a resolution with Supervisors Earhart dissenting, reading in part as follows: "In the interest of harmony and promotion of a common object of more and better roads that this matter be referred to the State Highway Commission."

Messrs. D. E. Earhart and H. Thornton Davies presented a petition from citizens of the Brentsville neighborhood in the interest of preserving the old courthouse. Upon a motion, unanimously adopted, the sum of four hundred dollars was appropriated, which the citizens will match with the sum of two hundred dollars. Mrs. Laura K. Payne was designated as paymaster, but all bills are to have final OK of the Board.

Mr. C. S. Smith, of Catharpin, presented a petition for a bridge over Cedar Run at Carriage Ford. It appears from the resolution passed that the State Highway Commission is about to abandon certain iron bridge spans in Fauquier.

The Board appointed Supt. H. L. Tubbs, H. W. Herring and Mr. Smith as a Board of Viewers to meet with a similar Board from Fauquier to report back at the April meeting of this Board, giving its recommendation at that time.

The Board decided to improve the County road from Posey's Store to the cross county road between Dumfries and Independent Hill. Also the road from Triangle to Independent Hill, via Joplin, if there be any residue of said gas tax. Any funds out of the gas tax apportionment of Dumfries District which is used in Coles District will be repaid by that district during the current year.

The Board authorized Mr. Tubbs to purchase a caterpillar tractor for the county.

The Board adjourned after certifying payment on a number of accounts and bills, to meet again on April 29.

HAYMARKET COMMUNITY
LEAGUE.

The Community League of Haymarket held its regular meeting on last Friday night. There was a good attendance and a most attractive little program was put on by the school under the direction of Miss Foster, Miss Massey and Mrs. Carter. Our speaker, Mr. Council, was unable to be with us, we hope he can come another time.

The main business under discussion was the music in our school as outlined by Mrs. Illingworth. In as much as our present music teacher is doing such good work, it was decided to make no change.

We trust everyone will think very deeply before casting their vote on March 28. Our next meeting will be April 18th.

CUTTING AFFRAY
CASE HEARDJudge Payne Sends Two To
Grand Jury.

Judge Wilson Payne had a lengthy session at the courthouse to determine the status of a row which took place last Wednesday night at a private dance at Canova. From informal rumor it appears that certain Fairfax county lads went down with the avowed intention of breaking up a dance. The upshot of the affair was that Carl Davis was badly cut and Andrew Sholtis severely mauled.

Real evidence in the trial seemed to be scarce, although the following had been summoned: Allen Herring, Emory Mills, Jesse Wheaton, Bradford Low, Carlton Payne, Raymond Simmons, T. M. Russell, Billy Payne, Kenna Payne, James Barbee, Richard Wheaton, Richard Cornwell, Jute Shuttlock, Madison Holmes, Alton Cornwell, George Beavers, Scott Winfield, Herbert Robinson, Fred Carter, George Carter, Lewis Carter and Tom Beavers.

Judge Payne at first dismissed the case against Max Weber for assaulting Mr. Sholtis, but Sheriff Kerlin immediately took out another naming Emory Mills as state's witness. On this charge, Mr. Weber was fined \$10 and costs, and put under a peace bond of \$200.

Carl Davis and Lee Reid were both held for the April term of the Circuit Court.

OCCOQUAN CLASS
AT GETTYSBURGAmerican History Class Visits
National Battle Ground.

The American History Class of Occoquan District High School, accompanied by a few other pupils and several members of the faculty, left early Saturday morning, March 22, by bus for the historical battlefield of Gettysburg, Pa., there to see and receive first hand information about a decisive battle of world history.

The party which included about twenty-five, viewed with interest our National Capitol, the beautiful country of Maryland, the historical Fredericktown, and finally crossed the Mason-Dixon line into Pennsylvania, and finally reached the historical park.

After a delightful lunch, the group set out by the aid of a guide to view the battlefield. It was two long hours that it viewed the beautiful statues and markings, and heard related the story of how the two opposing armies clashed on the field of battle.

Early in the afternoon the party left for Virginia, and several hours later arrived again at Occoquan, full of historical information that would require pages of printed text to tell.

Those that made up the party were as follows: Miss Elizabeth Vaughn, principal of the school; John M. Kline Jr., instructor of History; Georgie Brockett, instructor at Alexandria; Frances Brunt, Jane Sealeman, Thelma Austin, Katharine Brawner, Louise Brawner, Burnetta Brockett, Ann Bubb, Dorothy Hoyt, Janet Russell, Maxine Rison, Ellen Sealeman, Malissa Lacey, Katharine Keys, Robert Bryant, Dudley Dawson, Lester Malcolm, Francis Malcolm, Wolford Reid, Wallace Lynn, Billie Sanford, Elwood Davies, Mr. Keys, bus driver.

RAILROAD TROPHY IN TOWN.

On Tuesday Mr. Wilkins, superintendent of Lines East of the Southern Railroad, was in town exhibiting a handsome bronze trophy won by his division in 1929 for its showing in safety work.

This trophy goes annually to the division winning, and has been in the hands of the Western division since the first presentation in 1927. It is the personal gift of Hon. Fairfax Harrison, and the men on Lines East are quite chummy over their showing for 1929.

Lines East comprise Virginia, the Carolinas, Tennessee and Northern Georgia.

Brentsville Community Association.

Miss Maude E. Wallace, State Home Demonstration Agent, will speak at the Brentsville Community Association meeting on Tuesday night April 1, at 7:30 o'clock. An interesting program will be put on by Woodlawn School.

MANASSAS MAN
FATALLY INJUREDMr. Arch Thompson Dies After
Three-Day Fight To Over-
come Shock and Loss of
Blood.

Mr. Arch Thompson died at 8 o'clock last night at the Alexandria Hospital after a heroic struggle for life following the horrible accident which took place in the Potomac Yards Monday morning.

It appears that Mr. Thompson, who was foreman of his crew, while watching the activities of his men, stepped from one track onto another almost in the path of a car which had been switched. Cries of warning failed to attract his attention in time to avert the tragedy.

One leg was frightfully mangled and Mr. Thompson had practically bled to death before he was put on the operating table. Strenuous blood transfusions brought a favorable rally Tuesday, and life was hoped for, but the shock and subsequent complications were too much.

The funeral will take place on Saturday, March 29, at 2 p. m., from the Manassas Baptist Church, Rev. H. D. Anderson officiating. Interment will be at Valley Cemetery.

Mr. Thompson leaves a widow, who was Miss Pearl Hedrick, of Nokesville, and five children. He also leaves his mother, Mrs. Susie Thompson, of Manassas, and four sisters and three brothers, Mrs. Emily Speaks and Mrs. Ada Stevens, of Manassas; Mrs. Susie Hollister, of Baltimore, and Mrs. Delia Pearson, of Alexandria; Mr. Will Thompson, of Manassas; Mr. Edgar Thompson, of Haymarket, and Mr. James Thompson, of Baltimore.

After playing games they marched to the Dining Room where Virginia cut her birthday cake and served refreshments to her guests.

Those present besides Virginia and her little brother, Stewart, were Dorothy, Jeanne and Joyce Leache, Peggy Doyle, Mary and Billie White, and Bobby, Billy and Tommy Lion.

Seniors Best Under Classmen.

Battling the wintry breezes, local athletes have already decided that spring is here, for last Thursday when Conner and Waters hooked up for a little pitcher's duel in an interclass game at Manassas High. It was largely to get loosened up, and Taylor took up the task for the latter part of the game.

The Athlys, C. and R., Vetter, Saunders, Mitchell, Taylor, Waters and others showed good early season form at bat. The score was 18-11.

NEW CATHEDRAL
TOPIC OF TALKMr. Gummere Tells Kiwanis
Club How the Work Is Be-
ing Carried to Completion.

The Kiwanis Club had as its special feature at its regular Friday evening meeting an address by the Rev. Mr. Gummere, of the Cathedral of St. Peter and St. Paul in Washington describing in detail the history of the work on this magnificent building from the inception of the project up to the present day.

It would be impossible to reproduce the thoroughness and the feeling with which Mr. Gummere developed the mysticism and romance of the heroes of the church who have aided in the wonderful progress of the Westminster Abbey of America.

Mr. Gummere extended a hearty invitation to the club to visit the building, explaining that there were many things he would like to show and tell them about which many visitors last year failed to see.

For the benefit of any who wish to reach the Cathedral, about the easiest way to remember is the Lee Highway into Washington up M Street to the car line on Wisconsin Avenue, and out to Massachusetts Avenue. Those entering by the highway bridge at South Washington can go either to Georgetown and up Wisconsin Avenue, or else seek Massachusetts Avenue and follow it out.

The Cathedral is now easily the outstanding figure on the Washington skyline, and the tower when completed will have an elevation 107 feet higher above the Potomac River than the top of the Washington Monument.

COUNTY TREASURY
IN GOOD SHAPETreasurer Sinclair Has State-
ment From Richmond To
That Effect.

County Treasurer C. A. Sinclair has just received a letter from C. Lee Moore, Auditor of Public Accounts of the State of Virginia, which shows that on July 1, 1929, the county treasury had in it \$1,339.11 over and above all items of indebtedness to any county fund.

Considering the unfortunate upsets that have occurred in some of the Virginia counties, Mr. Sinclair is to be congratulated upon the showing that his office has made.

COURT APPOINTS NEW
TREASURER IN CULPEPER

Judge T. R. H. Alexander, of the Circuit Court has appointed William Mitchell, treasurer, to fill the unexpired term of S. Russell Smith, whose resignation followed a report of the State auditor of an apparent shortage of \$13,000 in the books of the treasurer.

Mr. Smith served as county treasurer of Culpeper County for 50 years. Much of this shortage is believed to years with the exception of two terms. Have been caused by the treasurer crediting the books with taxes which he has not been able to collect.

JEROME DOWNS
DIES AT HOMEHighly Esteemed Citizen Of
Hickory Grove Is Mourned
By Many Relatives.

Jerome E. Downs died at his home at Hickory Grove on Sunday morning March 10th, at the age of 78.

The high esteem in which he was held was shown by the throngs that attended his funeral at his late home at Hickory Grove on Tuesday, 9 p. m. As was also evidenced by the generous floral offerings a fitting tribute to one who loved flowers so well.

He was laid to rest in the family burying ground on the farm on which he lived most of his life.

He was a native of Fauquier County, born near Landmark on October 19, 1856, but came to Prince William in his early manhood establishing a shoe shop at Hickory Grove. In those days mending and repairing boots and shoes, a conscientious workman of the old school. Later, buying the farm on which he lived and died.

After working at his trade for over a quarter of a century he retired to his farm, devoting his time to farming and poultry raising with great diligence and success.

With the passing of Jerome E. Downs, the community has lost a good man and a valuable citizen. One of the reliable, dependable, steadfast men who have made for the permanent growth of what is best in Virginia. A kindly, home-loving neighbor, a true friend and a devoted husband and father.

He was twice married, his first wife, formerly Miss Rosa Polen, died several years ago. His second wife, formerly Miss Blanche Downs, survives him, together with four children, C. R. Downs, of Lenah; Mrs. E. H. Polen, of Pleasant Valley; C. A. Downs and Mrs. C. V. Downs, of Arcola, and one adopted son, Archie Downs, of Glencaryn. Also two brothers, R. H. Downs, of Jermantown, Fairfax County, and O. J. Downs of near Annandale, Fairfax County.

Rev. V. H. Council, of the Clifton Baptist Church, conducted the service. The pallbearers were: Bailey Tyler, W. P. Wilson, G. L. Hutchison, T. B. Thomas, W. L. Gardner and Samuel Downs.

MRS. ORMA DAVIS,
Worthy Matron.

IN MEMORIAM.

In sad, but loving remembrance of my loving brother, J. J. Carter, who departed this life two years ago today, March 29, 1930.

Two years have passed, dear brother Since you were called away. How well do I remember, That sad and dreary day.

The years may wipe out many things, But this they wipe out never. The memory of those happy days, When you and I were together.

We may all have our sorrows, Some griefs quickly die away; But the parting of you, dear brother, Grieves my heart from day to day.

Honest and upright in all his ways, A devoted brother to the end of his days.

A better brother you'll never find. What a wonderful memory he left behind.

By his loving brother,
GEORGE W. CARTER.

CHRIST FOR ALL—ALL FOR CHRIST
The Word of God
BIBLE THOUGHT AND PRAYER
If parents will have their children memorize a Bible selection each week, it will prove a priceless heritage to them in after years.

FULLY PERSUADED—For I am persuaded, that neither death nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.—Romans 8:38, 39.

PRAYER:

"Jesus, lover of my soul,
"Let me to Thy bosom fly."

THE GAINESVILLE BOND ISSUE.

Tomorrow the voters of the Gainesville District will decide the question of whether a bond issue shall be floated to permit a building program in that district.

Last week The Journal printed three communications, two signed and one with the name withheld, but furnished to the editors. Whatever our private sympathies may or may not be with regard to this or any other bond issue, we have strictly maintained a neutral position in this matter.

It does appear to us, however, that the proponents of the bond issue have gained sufficient strength to pass the issue.

A plebiscite on any public question wherever practicable is absolutely the proper thing. There are times when we can trust to the decision of a few. That is why we have elective boards, such as our Boards of Supervisors who are entrusted with considerable power, and become our local legislative system. But they are directly responsible to the people and have no loopholes to evade such responsibility.

Our constitution has wisely established many restrictions in the matter of public expenditures, and bonding only through popular vote is one of these.

If it becomes apparent to the majority of the voters in Gainesville District that an increase of thirty-two cents on the hundred dollars is not justifiable at this time, no matter how necessary an improved school building may be, then the district must rest content with this decision for another biennium before the matter can be again brought up. The wave of hard times that has afflicted many sections will doubtless be relieved by that time and those now objecting will probably see the matter in a more favorable light.

If, on the other hand, the issue be passed by as many as one vote, then those who are pinched to raise their taxes now will have to pull in another notch in their belts and use more intelligent and applied principles of agriculture. That's what our county agent is here for, and our home demonstrator, our road superintendent, and our excellent division superintendent of schools. They are here to help you make more money so that your taxes will be easier to pay tomorrow than they were yesterday. Use the machinery of your government that is available.

Now, go and vote. Do not let the sun set on an undecided mind, but exercise the sacred right of franchise as best your light may guide you.

THE BLEACHER FUND.

Our boys and girls are asking us to help them raise funds with which to build a simple bleacher stand on their athletic field. As a matter of fact, we should give

them the assistance they are asking. On almost any athletic ground, one finds fair protection for at least a portion of the spectators.

Three weeks ago, Manassas was treated to a Class A entertainment in the interest of this fund. The response was generous, but the weather was inclement and the results were not as large as hoped for. This time a live committee of students is arranging a different species of entertainment, with bridge as the headliner. If you can play almost any kind of a card game, or want to have a good time even if you don't play, come ahead and let's give the youngsters a real boost so that they may feel assured that they will have a place to seat their visitors at the games this spring.

If you have an idea which you think will help, don't keep it to yourself, but look up one of the committee and tell all about it.

INDEPENDENT HILL

Mrs. Will Myers, from Iowa, has been visiting Mr. L. F. Merrill.

Mrs. Willie Ashby has returned to her former home at Independent Hill. We are all glad to have her with us again.

Mrs. Leila Crabtree and daughter are visiting the former's mother, Mrs. W. Ashby.

28 PIANOS LOANED
FREE

We have 93 pianos (Grand, Players and Uprights, both new and used instruments) to place in homes of Washington and vicinity, and they may be used until we need them—which will be an indefinite time. We have discontinued a number of our Southern branches, from the stocks of which many of these instruments have been selected. We have also leased a portion of our store to the well-known firm of Witt & Hamill. As a consequence our floors are crowded to their capacity. Instead of storing these pianos to depreciate in value we have priced every instrument at greatly reduced figures and anyone contemplating the purchase of a piano in the next few months, cannot afford to miss the opportunity. All pianos not sold outright, we are anxious to place in the homes of families who are interested in owning a piano in the immediate future, and for the valuable advertising we will receive by having good families use them. We, of course, reserve the right to select homes in which the pianos are to be loaned.

POSITIVELY NO CHARGE FOR ANYTHING

We ask you no down payment or charge of any kind on pianos so loaned. You may call at the store to make your request. There are no strings to this offer, which comes but once in a lifetime.

IMPROVED Fordson Agricultural Tractor

More Power—Easier Starting

The improved Fordson develops 30 brake horsepower at 1000 revolutions per minute—the recommended engine speed. This r presents an increase of 27.5 per cent over the former model—thus providing ample power for any farm need. This additional power was made possible by increasing the engine displacement and redesigning the cylinder head. Many other improvements have been made in the Fordson power plant, such as changing the ignition, cooling and lubrication systems, the transmission, the crankshaft, the air washer.

Of particular interest is the installation of a high tension magneto which, together with the new hot spot manifold, makes the Fordson very easy to start. This manifold and the new carburetor is for gasoline fuel only. A kerosene vaporizer system is furnished optionally.

These and many other changes have been incorporated. The same high quality of materials and close limits of accuracy have been maintained. The short wheelbase, the enclosed construction, the simplicity and compactness of design which have always characterized the Fordson, are still evident throughout the tractor. These are attained by the use of the frameless or unit construction. The housings act not only as frame and load-carrying members but enclose the working parts as well.

The fewer parts make for reliability and ease of adjustment. The accuracy with which parts are made facilitates repair work when necessary. Parts are interchangeable and no adjustment is needed when replacing them. Thus, efficiency, economy and reliability are characteristics of the Fordson tractor in a more marked degree than ever before.

LEGAL NOTICES

VIRGINIA:

AT A CIRCUIT COURT FOR THE COUNTY OF PRINCE WILLIAM, CONTINUED AND HELD AT THE COURT HOUSE THEREOF, ON FEBRUARY 7, 1930.

PRESENT: HON. HOWARD W. SMITH, JUDGE.

Re: Petition of County School Board for a Special Election to take the sense of the qualified voters in Gainesville School District on the Question of Erecting an additional School Building, Furnishing and Equipping the same, and repairing another School Building, in said District.

The County School, Board of Prince William County having presented to the court its petition and exhibits therewith filed, in pursuance of Chapter 24 of the Code of Virginia, setting forth that it had adopted a resolution duly spread upon its minutes, declaring that an additional school house for high school purposes is necessary in Gainesville School District, said County, and furnishing and equipping the same, and repairing the colored school house at or near Thoroughfare, in said District, for the school children of school age in said district, and it being shown to the court that the school funds of said district will not be sufficient to provide such additional facilities, which said resolution has been confirmed and approved by a resolution of the Board of Supervisors of said county; that said exhibits filed with said petition, show that the plans, specifications and probable cost of such additional facilities have been approved by the Division Superintendent of Schools, as well as the Superintendent of Public Instruction; that it is the desire of said board to take the sense of the qualified voters of Gainesville School District (which is the same as Gainesville Magisterial District), as to whether it shall issue bonds for that purpose in accordance with the prayer of said petition; that the location of said school house is to be in the town of Haymarket; said District: that the amount of the bonds to be issued for that purpose is to be \$40,000.00, with interest not to exceed six percentum per annum, payable either annually or semi-annually, to be redeemable or payable at a period not exceeding thirty years from the date of said bonds at the option of the school board:

Therefore the court doth order a Special Election to be held in Gainesville School District (being the same as Gainesville Magisterial District), at the regular voting precincts therein, on the 28th day of March, 1930, which election shall in all particulars be conducted and held as provided by law for general or special elections, at which election all qualified voters of said district shall pass upon the question whether such bonds shall be issued or not for the said \$40,000.00. It is further ordered that the Clerk of this court shall give notice of such special election by publication thereof in the Manassas Journal, printed and circulating in said county, and the Sheriff of said county shall post notices of said election in at least ten conspicuous points in said School district, which notices shall state the amount of the bonds to be issued, the purpose of the proposed issue thereof, and whether the said bonds shall be a lien on all the property in said District or a part thereof.

NOTICE

To the Qualified Voters of Gainesville School District, Prince William County:

You are hereby notified, in accordance with the foregoing order of the court, that a Special Election will be held in Gainesville School District (being the same as Gainesville Magisterial District), Prince William County, on Friday, March 28th, 1930, between the hours of sunrise and sunset of the said day, to take the sense of the qualified voters of said district as to whether it shall issue bonds in the sum of \$40,000.00 for the purpose of erecting and equipping an additional building in said district for high school purposes, and repairing the colored school at or near Thoroughfare, said district. Said bonds shall be a lien on all the taxable property in said district.

Given under my hand this 18th day of February, 1930.

THE FEDERAL LAND BANK OF BALTIMORE, A Corporation, Plaintiff.

ANNA F. CLINE, Walter A. Cline, Thomas H. Lion, Trustee; Godfrey L. Buck, W. J. Herndon, and The National Bank of Manassas, Defendants.

IN CHANCERY.

The object of this suit is to foreclose a certain mortgage given by Anna F. Cline and Walter A. Cline to the Federal Land Bank of Baltimore to secure the payment of a debt for the sum of \$2,800.00 and to have sale of the mortgaged lands and to have the funds arising therefrom applied to the discharge of the mortgage debt, and counsel fees.

And an affidavit having been made according to law, and filed in this office that Anna F. Cline, Walter A. Cline and Godfrey L. Buck are not residents of the state of Virginia, and that the last post office address of Anna F. Cline and Walter A. Cline was 844 Corley Street, Akron, Ohio, and the last-known postoffice address of Godfrey L. Buck was Nokesville, Virginia, and an application for this order of publication having been made in writing.

It is therefore ordered that the said Anna F. Cline, Walter A. Cline and Godfrey L. Buck do appear here within ten days after the due publication of this order and do what is necessary to protect their interests in this suit.

It is further ordered that a copy of this order be published, once a week, for four consecutive weeks, in The Manassas Journal, a newspaper published and circulated in Prince William County; a copy sent by registered mail, by the clerk of this court to each of the aforesaid non resident defendants, at their respective addresses as given in the aforesaid affidavit, and a copy posted at the front door of the court house of the aforesaid county on or before the 18th day of March, 1930; that being the first Rule day after this order is entered.

In re: Condemnation of lands for Hydro Electric

Power Plant Development by Virginia Public Service Co.

The object of the above-styled proceeding is, inter alia, to condemn approximately eight (8) acres of land abutting on Occoquan Run, in Prince William County, Va., in which Elizabeth Johnson and J. Hendley Johnson have a freehold estate, for the construction of a hydro-electric power plant and dam by the Virginia Public Service Company, for which purpose the Company will on the 14th day of April, 1930, at 10:00 a. m., apply to the Judge of the Circuit Court of Prince William County, at the Court House there, for the appointment of commissioners to ascertain what will be a just compensation for the interest, or estate, in the lands proposed to be condemned, and to award the damages, if any, resulting to the adjacent or other property of the owners, or to the property of any other person beyond the peculiar benefits that will accrue to such properties respectively from the construction and operation of the company's works;

And it appearing by affidavit filed according to law that Elizabeth Johnson, and J. Hendley Johnson, the above-named defendants, are not residents of the State of Virginia, it is, therefore

ORDERED that said Elizabeth Johnson, and J. Hendley Johnson do appear on the 14th day of April, 1930, at 10:00, a. m., at the Court House of Prince William County, Va., and do what is necessary to protect their interest; and it is

FURTHER ORDERED that this Order be published once a week for two successive weeks in The Manassas Journal, a newspaper printed in the county of Prince William, Va.; and it is

FURTHER ORDERED that a copy of this order be posted at the front

door of the Court House of Prince William County, Va., not less than ten days previous to April 14, 1930; and that another copy of this Order be mailed to each of the Defendants to the post office address given in the affidavit at least ten days before the date above mentioned.

TOP DRESS WHEAT SAYS MR. COX

Shows Advantages of Prompt
Action at This Time; Yields
Boosted on Thin Soils.

The following are the results of wheat topdressing demonstrations conducted in Virginia. The demonstrations were three acres in size, and the check plots ranged in size from one to five or more acres.

Averages of 12 Demonstrations in 1929.

Demonstration—At seeding time in fall: 200 lbs. equivalent 1-15-24. As growth started in spring: 144 lbs. Chilean Nitrate of Soda. Yield per acre, 17.96 bushels.

Check—At seeding time in fall: 200 lbs. equivalent 1-15-24. Yield per acre, 11.33 bushels.

Increase due to spring topdressing of 144 lbs. Chilean Nitrate of Soda, 6.63 bushels.

Averages of 11 Demonstrations in 1928.

Demonstration—At seeding time in fall: 300 lbs. equivalent 0.6-14-0.9. As growth started in spring: 132 lbs. Chilean Nitrate of Soda. Yield per acre, 22.82 bushels.

Check—At seeding time in fall: 300 lbs. equivalent, 0.6-14-0.9. Yield per acre, 16.69 bushels.

These 23 demonstrations were conducted in 20 different counties in all sections of Virginia. Fertilizer treatment at planting consisted of several different analyses with the aver-

age analysis stated above. For instance some growers used superphosphate, some 3-8-3, some 0-10-4, and other 2-12-4. The increase in yield due to topdressing with nitrate of soda ranged from 1.5 bushels to 12.7 bushels per acre, with an average increase for the two years of 6.38 bushels.

The NATURAL NITRATE FERTILIZER

What This Point Means to All Your Crops

NATURE made Chilean Nitrate of Soda. Inexhaustible deposits in Chile are the only known supply of this natural nitrate fertilizer in the world.

Chilean Nitrate is considered the foremost nitrogen carrier. Its nitrogen is its first point of effectiveness as a fertilizer, of course. But it is not nitrogen alone that makes it the superior food for your crops. Nature gave it other ingredients... iodine, for instance, which is as important to plant health as in the health of live stock and human beings.

ON OLD TREES, TOO

"I was very much surprised at the large increase obtained on these 15 year old trees and also most agreeably surprised at the good prospects for next year's crop, due to increased vigor of trees."

Mrs. C. T. Venable, Bedford, Va.

Mrs. Venable used 4 lbs. Chilean Nitrate per tree. No other fertilizer.

Chilean Nitrate pays you back what it costs many times over. It increases yield and quality. Makes bigger and better crops in every way.

See your local fertilizer dealer. If he does not carry Chilean Nitrate of Soda he can easily get it for you.

Free—A New Fertilizer Book

Our new 64-page illustrated book, "How to Fertilize Your Crops", tells how much to use and when to use it on all crops. Free. Ask for Book No. 1, or tear out this ad and mail it with your name and address written on the margin.

"Fill'er up again with this orange juice"- that's what motorists are saying

MOST motorists will try anything once. But when they try ORANGE AMERICAN GAS they come back again and again--each time more enthused. For ORANGE AMERICAN GAS costs no more than regular gasolines--but it does much more.

A quicker start than other regular-priced products--and not at the expense of any other features! An exceptionally high anti-knock rating, in winter as well as summer! Power--get-away--mileage--everything a gas should have and to such an extent that motorists are wondering how we sell it at regular gas price!

When you've tried ORANGE AMERICAN GAS you, too, will come back as soon as your tank's low and say with a smile on your face: "Fill'er up again with this orange juice."

Start smiling today.

The Pendulum Swings Back To

GOOD TIMES AGAIN

It's queer, but a man is apt to think most of saving when he's least able to save.

When money comes easy and he can save most he's liable to forget it. So this is a gentle reminder—

When You Earn Most—Save Your Utmost.

Profit by the Past—Save For the Future.

WHITE ROSE FLOUR

BETTER THAN EVER

And That's Saying Something

Truly THE FLOWER of FLOURS

TRY a sack or barrel and you will be pleased with this ALL-PURPOSE Flour.

WHITE ROSE has always been good as hundreds of housewives will testify, but we are not satisfied to have it GOOD, we want it to be the BEST.

WHITE ROSE is a VIRGINIA PRODUCT made of the finest selected wheat—with the flavor that goes with good VIRGINIA PRODUCTS.

BULL RUN Self Rising Flour is the same QUALITY as WHITE ROSE, with the proper ingredients added.
