CAPITAL CLUB GIVES FLAG TO MANASSAS

Frank Peckham, of Washington,
Makes Presentation Speech.

Following a speech of welcome to the Washington Club by T. E. Dillake, Dr. C. R. C. Johnson, vice-president of the club, was called on to tell the visitors of the work among the children of Prince William County.

In reply, Dr. Johnson stated that an intensive survey, with the county officials cooperating showed about 700 children needing some sort of treatment and that of these nearly 200 were financially unable to help themselves. He added that it was the hope of the workers to secure treatment for at least 100 of these at the June clinic.

President Hutchison called on President Edmunds to make individual introductions, and the following responded in turn, Frank H. Peckham, George H. Winslow, secretary of the club, Fred A. Schutz, T. George H. Winslow, Charles W. Pimper, Edward M. Wallace, Nathan Weill and Thomas A. Cantwell.

Mr. Edmunds explained the significance of the occasion by presenting a Canadian flag to the club, which was gracefully and appropriately accepted by President Robert A. Hutchison.

Mr. Peckham's speech which accompanied the presentation is in part as follows:

"Friendship alone may be an ephemeral thing, but friendship, fortified by mutual respect, is eternal.

"On the eve of Christmas in the year 1812, after months of negotiation and painstaking efforts, commissioners representing the United States of America and his Britannic Majesty, George III, concluded at Ghent, in Belgium, a treaty that brought to a formal close the last war between the English speaking peoples of the world.

"That treaty has been described as but a 'scrap of paper,' largely because it left to future determination several vexatious questions involving vital interests of Britain's North American provinces on the one hand and the United States on the other. Those questions, however, together with many other troublesome problems that have arisen from time to time during a period of more than a century have been settled in a spirit of amity. Differences that in the Old World would have borne the seeds of war have been adjusted without even thought of resort to arms.

"For more than 100 years, separated only by an imaginary boundary line, unguarded by fortifications on land or armed vessels on the inland seas, two nations have lived and grown and prospered as friendly neighbors should.

"Seven years ago, President Warren G. Harding, a Kiwanian and the first American President to set foot on Canadian soil during his term of office—delivered a message of good will and neighborly understanding to a multitude of Canadians and Americans gathered in beautiful Stanley Park, in Vancouver, British Columbia.

"On September 16, 1925, Kiwanis International unveiled and dedicated in Stanley Park the Harding International Good Will Memorial, to alone as a memorial to a great Kiwanian, nor solely as a monument to an American President, but primarily as a perpetual reminder of the peaceful relations and mutual esteem that should ever remain in priceless heritage of the inhabitants of this continent. Carved in imperishable type upon the everlasting stone are these words from President Harding's famous address:

"What an object lesson of peace is shown today by our two countries to all the world. No grim-faced fortifications mark our frontiers, no huge battleships patrol our dividing waters, no stealthy spies lurk in our tranquil border hamlets. Only a scrap of paper, recording hardly more than a simple understanding, safeguards lives and properties on the Great Lakes, and only humble mile posts mark the inviolable boundary line for

thousands of miles through farm and forest.

"Our protection is in our fraternity, our armor is our faith, the tie that binds more firmly year by year is ever increasing acquaintance and comradeship through interchange of citizens, and the compact is not of perishable parchment, but of fair and honorable dealing which, God grant, shall continue for all time."

"Last year the Washington Kiwanis Club in an effort to cement closer the friendship between the two nations placed a plaque on the Treasury Building at Washington, where the old State Department building in which the Webster-Ashburton treaty was signed August 9, 1842, stood. This plaque was presented to the government by O. Sam Cummings, president of Kiwanis International, April 30, 1929, and was accepted by Ogden L. Mills, Under Secretary of the Treasury.

"This plaque bears the following inscription:

"Friendship between the United States and Canada was developed and strengthened by the signing of the Webster-Ashburton treaty, on August 9, 1842, in the old State Department Building which stood on this site. This treaty established the northeastern boundary between two countries."

"In the Dominion of Canada today there are 65 Kiwanis Clubs with an approximate membership of 5,000. Those Kiwanians are Canadians—those Canadians are Kiwanians. On this side of the border there are nearly 1,800 Kiwanis clubs with over 100,000 members. These latter Kiwanians are Americans—these Americans are Kiwanians. The Kiwanis community extends from the barren wastes of the Yukon country to the tepid waters of the Gulf of Mexico—from the chill stretches of the Hudson Bay to the sun-kissed sands of California. Throughout that community Kiwanians and Kiwanis ideals are serving the peoples of two nations and the cause of humanity.

"Moved by a desire to further such good works and as a token of the affection that binds one Kiwanis club to another, the pioneer club of the Capital District—Washington—takes pleasure in presenting to the Manassas Kiwanis Club this Canadian flag. As it stands beside the Stars and Stripes may it serve as a reminder that Kiwanis can count as one of the fairest gems in its diadem of achievement whatever it may do toward fostering and perpetuating friendship and mutual respect between the English speaking nations of North America."

BLACKFACE SHOW DRAWS CROWD

Dirt Farmers Kick Up Considerable Dust at Auditorium Last Night

The young agriculturalists of Manassas High put up a splendid show for their patrons last night.

It would be very hard to give all the good things that were done, but several things were indelibly impressed on the audience, not to say the least were the treacherous and tricky toys of Franklin Hibbs and the songs put on by Cedric Saunders and Mr. C. W. Boyle, under whose efficient management the show was produced.

Eloise Compton was the heroine. Her tragic song in the first act almost ruined her cast, and several handfuls of stage tears had to be dumped in the light trough. Fortunately, Eloise was there with the given notes. One of the girls who assisted her were the Misses Moser, Trusler and Lynn, all of whom danced and sang well.

The bulk of the end man work fell on Joe Ambrose, and he performed as well as he does on the diamond.

Others who served in the cast were the Kline boys, of Cannon Branch, who gave us some old time music, the Carter Brothers, whose work is well known in this town, gave both string and vocal selections.

Mrs. Will Compton, at the piano, and Mr. Thomas Andrews, on the banjo, accompanied the players.

Mr. Buddy Fiske, of Washington, was the guest of Miss Jean Smith at Hagley on Sunday.

Mr. W. P. Farrow, business manager of Swavey College at Manassas, has accepted a position as superintendent of Grounds and Buildings at Colby College, Waterville, Maine, and will leave at once to accept his new assignment. For three years he has efficiently managed the business affairs of the local college and his departure will be greatly regretted by his many social and business friends. He is president of the Manassas Men's Social Club and has identified himself in many ways with the progress of Manassas and Prince William County. He will be succeeded by Mr. Herbert S. Carpenter, formerly headmaster of Golden Holderness School, New Hampshire. Mr. Farrow will return to Manassas the week of June 9 to be present at the graduation exercises and to assist in the extra business of the college attendant upon the closing of the term.

M. H. S. STRENGTHENS HOLD ON FIRST PLACE IN THE COUNTY LEAGUE

On Thursday, May 1, M. H. S. soundly trounced the Nokesville team by the score of 12 to 7 at Nokesville. The locals kept up their heavy hitting and cut down their errors. Nokesville got most of their runs on scratch hits. The diamond was very rough and made it very hard to judge a ground ball. Brawner showed a return to his early batting form, crashing out a double and triple in two times at bat, he also received two walks and was safe on a fielders choice. Some flashy fielding was shown in by Wright, of Nokesville and Hopkins, W. Kite and Ambrose of the locals. Corner pitched his usually effective game. Although allowing ten hits he kept them scattered.

The next game will be between Manassas and Haymarket on the local Athletic Field, May 9th at 3:15 p. m.

HAYMARKET HIGH SCHOOL BOWS TO OCCOQUAN

Ragged playing cost H. H. S. defeat.

The Occoquan High School baseball team took their first game in six attempts from the Haymarket team last Friday at Occoquan, by a score of 7-4.

The ragged playing by Haymarket caused five of the seven runs gathered by Occoquan. The Haymarket team out-hit their opponents 5-3, but the strong Occoquan defense kept them from scoring.

The high winds, clouds of dust and a rough diamond caused many errors. Haymarket High invades Manassas next Friday and are looking forward to victory.

OCCOQUAN VICTORIOUS

Occoquan High showed splendid form on Friday by defeating Haymarket with the score of 7 to 4. Shepherd pitched a wonderful game, allowing only one earned run. Haymarket scored in the first inning on Reid's error, but Occoquan tied the score in the second and sewed the game up in the sixth, scoring four runs.

Reid, Bryant and W. Lynn engineered a double play in the seventh inning which checked a Haymarket threat. Errors on the part of Haymarket were damaging.

Garret received a bad cut over his eye in the first inning when he misjudged Reid's fly.

TENNIS TOURNAMENT REACHES FINALS—THREE EVENTS TO BE PLAYED MAY DAY

The tennis tournament which is being sponsored by the Manassas High School Tennis Club for its members is nearing the end. The finals in boy's doubles will be played between Hopkins-Waters and Athey-Athey. This match is expected to be very close. It may turn out to be a contest between the teamwork of the Athey's and the individual play of Waters with Hopkins backing up his partner.

Bobby Waters' crisp forehand drives have put him in the finals of another event—the mixed doubles—when, paired with L. Beachley, he encounters D. Beachley-Mitchell, the top seeded pair. To top his week's work on the court this young senior shut out R. Floyd in reaching the quarter finals of the boy's singles. This latter event can't be played on May Day, unfortunately.

The third final to be played on May 9th will be the girls' singles. As this article goes to the office, only the semi-finals have been reached. Dorothy Beachley is an overwhelming favorite to down Gibson, thereby making the final match, but Laura Beachley is only a very slight favorite to win over Lynn in the other semi-final.

In the boy's singles division Wetherall, seeded No. 6, met unexpected opposition in Dodson. The seeded player took the first set handily 6-3, but fell before the dogged attack of his opponent in the next 6-2. However, Wetherall rallied to sweep the last set by the same score, 6-2.

Here are the tourney results:

Girls' singles: 1st round, D. Beachley downed Bushong, 6-0, 6-0. L. Beachley beat Bevans, 6-0, 6-0.
 Boy's doubles: Hopkins-Waters

won from Dalton-Taylor.
 Mixed doubles: L. Beachley-Waters beat Lynn-Athey, 6-4, 6-3.

Boy's singles: 1st Round, Waters beat Floyd, 6-0, 6-0. Kline beat Sinclair, 6-1, 6-1. Wetherall beat Dodson, 6-3, 2-6, 6-2. Mitchell beat Bodine, 6-3, 6-2.

The leaders in service aces are listed as follows: Mitchell, 10, Waters, 8. L. Beachley, 7. D. Beachley, 5. Wetherall, 5. Dodson, 5. Pattie, 4. Kline, 3. Dalton, 3. R. Athey, 2. C. Athey, 1. Bodine, 1. H. Lloyd, 1. R. Lloyd, 1. Bushong, 1.

WE CHRIST FOR ALL—ALL FOR CHRIST
The Word of God
The word is a lamp unto our feet, and a light unto our path.—Proverbs 1:19
BIBLE THOUGHT AND PRAYER
If parents will have their children memorize a Bible selection each week, it will prove a priceless heritage to them in after years.

OUR POSSIBILITIES—Now in Christ be preached that he rose from the dead, how say some among you that there is no resurrection of the dead?—1 Cor. 15:12.

PRAYER:
O Lord, our Lord, we live because Christ lives in us that our sins are forgiven.

MOTHER'S DAY

Next Sunday will be Mother's Day.

This very sweet custom has arisen a number of years since, and bids fair to become a very permanent anniversary.

Since the beginning of the human race, mother has held a very high place in the affairs of mankind. A very real one, no matter what period of history be considered.

Maternity carries with it the basic instincts of honor and respect by which the race gauges itself among the nations.

It makes little difference whether we wear an emblem or not. The real emblem which the heart desires is the evidence of affection that should be with us at all times.

It is as a special honor, Mother's Day is a memorial, and may the good people of this county spare no effort that Mother may feel that her position is fully recognized.

UABLE FARM NEAR NOKES-
VILLE, VIRGINIA.

By virtue of a certain decree of the Circuit Court of Prince William County, Va., entered in the cause of Mabel Bellamy v. Warren B. Vance, et al., at the April, 1930 term of said court, the undersigned commissioner, thereby appointed, will offer for sale, at public auction, in front of the Peoples National Bank of Manassas, in the Town of Manassas, Prince William County, Va., on

SATURDAY, May 31, 1930

at eleven o'clock, A. M., of that day, four certain adjoining parcels of land, situate about 3 1-2 miles southeast of Nokesville, in Brentsville Magisterial District, Prince William County, Va., containing respectively 25 acres, more or less; 50 acres, 1 rood and 13 poles, more or less; 14 acres, 1 rood and 13 poles, more or less; and 15 acres, 2 roods and 16 poles, more or less, together with the right-of-way leading from the said land to the county road from Aden to Nokesville, being the same four parcels of land of which the late Archie Turner Vance died seized and possessed. The above-described property has on it a comfortable dwelling and all necessary out buildings, all in good condition, and is located in a desirable community and a prosperous farming section. The said four parcels of land will be sold as a whole.

TERMS OF SALE—The said real estate will be sold for one-third cash, one-third in one year, and one-third in two years, the deferred payments to be evidenced by the interest bearing notes of the purchaser, to be executed on the day of sale and title to be withheld until the whole of the purchase money is paid, with the right

on the part of the purchaser, to pay all if he shall so elect.

T. E. DIDLAKI,

Commissioner of Sale.

I, George G. Tyler, Clerk of the Circuit Court aforesaid, do certify that bond with approved security has been executed in my office as directed by the aforesaid decree.

GEO. G. TYLER, Clerk.

By his Deputy:

L. LEDMAN.

CAPACITY CROWD EXPECTED
MAY DAY

May the ninth will be the first May Day to be held at Manassas when good seating facilities can be had. Before this the sizeable throng that gathered had to wander about and go from place to place in search of comfort. However, with the new bleachers now standing proudly on the athletic field, the crowd may sit at ease and watch the events. The High School Athletic Association, in view of the expected attendance, has sanctioned a reduction in cost of seats.

The new price is ten cents for any seat in the stands. This price is but temporary and the old price, twenty-five cents, will be charged at baseball games during the season.

At the last game the visiting crowd was unprepared to pay to see the contest. Remember that in future, only the visiting team and coaches get in free and that the persons driving the cars the team comes in don't get passes. The price is 25 cents for all, whether you sit in the stands or not. The reduced price is only for May Day.

SPELLING BEE AT CATHARPIN

An occasion of great interest to the champion spellers of the "Little Red School House" of other days will be the spelling match at Catharpin school on Saturday, May 10, at 8 p. m.

It is expected that many "old timers" will live up for this event. There will be room for everyone.

A nominal charge of 10 cents will be made. Refreshments will be served.

Who said good tires

COST A LOT OF MONEY?

Just get the Prices on CAVALIERS—and see!

DON'T let anyone tell you that good tires must be high priced! For right here on our racks, we've got tires in your size that will surprise you on price and tickle you to death by their performance!

They're Goodrich Cavaliers... and real bargains if you ever saw one.

They have to be good to carry that name, Goodrich! They have to come up to the most rigid standards in the business... and that means that out on the road you can forget them.

But the thing you'll like best of all is the

price. Oversized, thicker through the tread, stouter in carcass and sidewall... you'd guess this tire was priced with the highest. Actually it's lower than just ordinary quality.

So come in... right away! See what we've got! But bring the car... because you're going to want two, at least, maybe four, when you see what values they are.

RELIEF FROM CURSE
OF CONSTIPATION

A Battle Creek physician says "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the laxy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement, without forming a habit of ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store. Dowell's Pharmacy—Adv.

A "First Aid" Dinner
For the Hostess-Cook

By JOSEPHINE B. GIBSON
Director, Home Economics Dept.,
H. J. Heinz Company

It is quite a simple matter to entertain dinner guests when one has plenty of help with the preparations. Many of us, however, must be hostess, cook and waitress combined; and entertaining in a thoroughly enjoyable manner then becomes a very genuine problem.

Happily, there is a wealth of prepared foods, such as delicious Cream Soups, Relishes, Luncheon Dishes, Puddings and Desserts that one may purchase ready for serving with only a few minutes' preparation. These are a priceless boon to the busy hostess; and the matter of serving the meal attractively without assistance calls for only a bit of careful planning.

One thoughtful woman recently gave a dinner for which the several courses were combined in quite an interesting manner, so that the meal was most attractive while the work of serving was materially lessened. Following is the menu that she used:

Individual Assorted Relishes
Stuffed Pork Chops
Baked Potatoes
Hot Muffins Currant Jelly
Surprise Cup Cakes
Coffee

The relishes which are unusually good with pork, were placed on the table just before dinner was served. They served as appetizers and also did away with the necessity for a salad course. The entire dinner was on the table and the hostess did not need to leave her guests until time to serve dessert. These appetizing relish dishes, were arranged as follows: Small open sandwiches were spread with soft Cream Cheese. Stuffed Olives were cut in eighths lengthwise and placed as a border on these sandwiches. A center decoration of the pimientos from the Stuffed Olives was placed on each of these dainty sandwiches.

This is only one suggestion, and you may use olives in many other ways as a garnish. On the plate with these sandwiches were mounds of Sweet Midget Gherkins in small lettuce cups, stalks of celery stuffed with Sandwich Relish, and hard cooked eggs halved and topped with Mayonnaise Salad Dressing. Many similar combinations will suggest themselves to the ingenious housekeeper.

The Stuffed Baked Pork Chops were prepared as follows:

Stuffed Baked Pork Chops

Purchase four pork chops and have the butcher cut pockets in them for the stuffing. To 1½ cups stale bread crumbs add 3 tablespoons melted butter, ¼ teaspoon salt, a few drops of onion juice, and ½ teaspoon Worcestershire Sauce. Mix thoroughly and stuff firmly into the pocket in each chop. Sprinkle very lightly with salt and pepper, and brown in a skillet. To 1½ cups water add 3 tablespoons Tomato Ketchup, and pour 1/3 of this around the chops. Place in a moderate oven and bake until tender (about 45 minutes), basting with the remainder of the water and Ketchup. When finished there is a thick rich sauce in the pan, which should be poured over the chops before serving.

Hot muffins add so very much to a dinner that they are worth while even when one begrudges the time it takes to make them. They may be raised and put in the pans several hours beforehand and baked just in time to be hot for dinner.

Surprise cup cakes were a delicious dessert:

Surprise Cup Cakes

¾ cup butter; 2/3 cup sugar; 1 egg well beaten; ½ teaspoon vanilla; 1½ cups flour sifted with 3 teaspoons baking powder; ¼ cup milk.

Cream butter and sugar until light and fluffy, add egg well beaten, and mix well. Add 1½ cups flour sifted with baking powder, alternately with the milk. Then add vanilla, and bake in a well-greased and floured muffin tin in a moderate oven (375 degrees) for 25 minutes. Cool, cut a slice from the top of each cake, and remove part of the center. Fill with Apple Butter or Fruit Preserves and replace top. Sprinkle with confectioners sugar or top with sweetened whipped cream, and serve with hot coffee. This batter, baked in very tiny muffin tins and filled with preserves, makes a delicious tea cake.
