MUSIC LOVERS SHOULD COME

Woman's Club Putting Finishing Touches on Splendid Program

For the music lovers of Manassas there is a treat in store. For on Friday the 23d, the Music Section of the Woman's Club will give in the High School Auditorium its long-expected concert; and not they alone but they will be reinforced by outside talent.

It will be remembered that at the it was decided to employ a competent recent meeting of the School Board person, who is to teach music to the children of the public schools. The ladies are using this concert as one of the means to fulfill their promise to supply funds for the salary of this teacher.

Miss Mary Apple, noted contralto of Washington, who as a friend of the Swavely School, has sung here before, will this time be the principal attraction and will appear several times on the program.

Miss Bisson will dance the Swan by Saint Saens. A number of the young ladies of the town will dance a minuet to the music of Weckerlin's Menuet d'auudet from "Bergerettes," which at the same time will be sung by the ladies.

The chorus consisting of twenty-two under the capable direction of Mrs. Illingworth will sing two groups of four songs each. First, The Linden Tree, Daddy's Sweetheart, Rain, and Since First I Met Thee, afterwards, Absence, After the Rain, The Clock, and I Bring You Heartcase; finally in Kipling's Recessional with the help of Miss Apple and some of the best voices from the Swavely School.

Mrs. Stewart Pattie will sing Robert Eden's "What's in the Air Today?" Mrs. Hatcher and Mrs. John Hynson's duet "I Would that My Love" will be well worth hearing. Mrs. Wm. Leachman will be the accompanist all through the program, and she will add as a piano solo Kreisler's "Caprice Viennois."

The program as announced by the Committee is as follows:

FOR LATER PUBLICATION

Force of circumstances makes us postpone two articles that we had fully intended should be given to the people of the county. One is a series of excerpts made from a talk given by Hon. Harry F. Davis, at the Kiwanis dinner last Friday, and the other is a list of the awards at the annual exhibit of the county schools last Friday. We expect to give these next week.

VOCATIONAL RALLY AT BLACKSBURG

Approximately three thousand boys will participate in the State Rally of Agricultural boys at the Virginia Polytechnic Institute at Blacksburg, June 17 to 19 inclusive. Teams will compete from Manassas and from the Brentsville District Agricultural High School. The Prince William contestants will compete in dairying, corn, wheat and poultry events. A cup will be awarded the winners who will also enjoy a free trip to Kansas City to attend the Kansas City Royal Fair. The Future Farmers of America will also meet at Blacksburg on the same dates and will elect officers. They will be addressed by Dr. C. H. Lane, Director of the Federal Board of Vocational Education.
