

ELECTRIC SERVICE RATES REDUCED

VIRGINIA PUBLIC SERVICE MAKES IMPORTANT ANNOUNCEMENT

The Virginia Public Service Company is announcing a voluntary reduction in its rates for all classes of domestic and commercial electric service which is the sixth such reduction it has made in its rates within the last two years. The new revised schedules, which will apply starting with September billing and which are applicable throughout practically the entire territory served by the Company will result in an annual saving to consumers of more than \$400,000 and together with other reductions that have been effected since January 1, 1930, will bring the total saving to consumers to \$500,000 annually.

An important feature of the new rates, officials of the Company emphasized, is the fact that they will now be practically uniform for the various classes of service throughout the Company's entire territory. Previously the Company had some twenty-five or thirty different rates in effect, resulting from the fact that the Company is made up of a consolidation of about that many small companies. Another feature of the new rates is that they are comparable to any other existing rates in the State, they are lower than the majority, and are lower than any municipal rate in Virginia. Another feature is the fact that they are simple and understandable.

The new residential and commercial lighting rates will result in reductions from 2 per cent to 69 per cent in the various towns on the Company's lines while the new domestic rates, covering heating and refrigeration will result in average decreases in the various divisions of from 2 per cent to 15 per cent, and as well will provide the reduced rates for some services which have not previously enjoyed this application.

For residential lighting the new schedule is as follows: \$1.00 for 10 KWH or fraction per month; minimum charge, 8c per KWH for the first 90 KWH per month thereafter. 6c per KWH for the next 200 KWH per month. 4c per KWH for all excess over 300 KWH per month.

For commercial lighting the new schedule is as follows: \$1.00 for 10 KWH or fraction per month; minimum charge, 8c per KWH for the first 90 KWH per month thereafter. 6c per KWH for the next 200 KWH per month. 4c per KWH for the next 500 KWH per month. 3.5c per KWH for all excess over 800 KWH per month.

For domestic service rates the new schedule is as follows: \$3 for 40 KWH or fraction per month (the minimum charge); 5.5c per KWH for the first 60 KWH thereafter per month; 3.5c per KWH for the next 200 KWH per month; 2c per KWH for all over 300 KWH per month.

A survey of the costs of commercial lighting under the old and new schedules reveals that this class of customer will benefit from the new rates to an extremely broad extent. Taking 165 kilowatt hours consumption per month, which is approximately the average over the whole territory, the individual decreases in the monthly cost will range from 7 to 47 per cent, the majority being between 20 and 30 per cent. The average decrease worked out on the basis of all customers over a period of four months for the five divisions of the Company is 19.25 per cent.

Commenting upon the new reduced rates, Lewis Payne, Vice President and General Manager of the Company, said:

"We are most happy at this time to announce to our customers these substantial reductions in the cost of electricity. The introduction of these new lower schedules is a striking indication of our general policy of furnishing the best possible electric service at the lowest possible cost. Our investment in Virginia and West Virginia, the growth of our electric system, the development of our towns, which we are constantly aiding and fostering, all are factors leading to these rate reductions.

"This present reduction represents the culmination of years of work and effort on the part of the Virginia Public Service Company and the system of which it is a part. The leading phase of that effort has been the interconnection of our electric system. (Please turn to page 4.)"

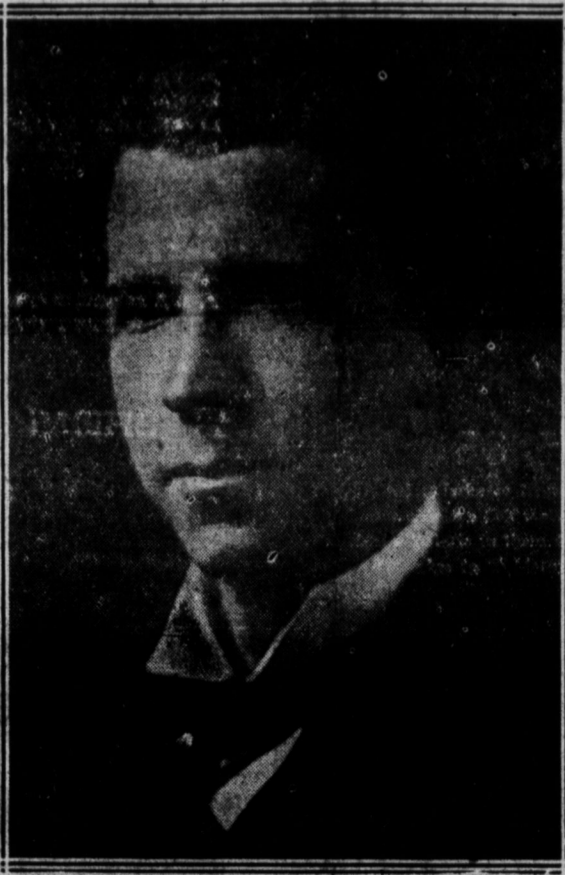

SWEEPING VICTORY FOR SMITH

JUDGE SMITH ISSUES APPEAL TO DEMOCRATS IN THANKING VOTERS

Judge Howard W. Smith, Democratic nominee for Congress from the 8th District, yesterday morning issued the following statement to the press:

"I owe the splendid victory of yesterday to the generous and enthusiastic support of loyal friends in every county and city in the district, and to each of them I wish to express my gratitude.

This has been a contest within the Democratic Party for nomination to Congress. While I am deeply grateful to my supporters, I harbor no ill will against those who exercised their privilege of supporting the other candidates. May I appeal to all loyal Democrats to forget the differences which have disturbed Party harmony in the past and unite in a common cause for the advancement and welfare of our State and Country."

WRITES A VOCAL LETTER

Mr. Robert Weir-Mitchell Weir has sent his parents a pleasant "vocal letter" from Hollywood telling them of his trip through the West. He also states that he will visit Mexico, and return to Washington, via the Canadian Rockies, to be home in time for the Warrenton Horse Show.

Mr. Weir is the private secretary of Mr. Floyd, a movie playwright.

Mr. Weir's voice sounds quite distinct. This is the first of this sort of record to arrive in Manassas. He says that the beauty out there is too artificial. We know that he appreciates Virginia beauty much more.

SHACKLEFORD LAKE

The marriage of Miss Anita Lake, daughter of Mr. and Mrs. Wilton Lake of Front Royal, to Mr. Carlton Lee Shackelford of Haymarket, took place at Clifton Tuesday, July 29. Rev. V. H. Council performing the ceremony. After a short honeymoon the young couple will be at home in Haymarket.

FRONT ROYAL CALLED OFF DISTRICT SHORT COURSE AT

The Northern Virginia District Short Course for 4-H Club people which was to have been held at Front Royal, August 11-16, has been called off on account of the shortage of water conditions in Front Royal and girls of the county will be sorry to give up this program of work and entertainment, but the weather conditions are such that the agents find it inadvisable to attempt such a meeting at this time.

They have reached a critical point. The supply to the Academy, where the Short Course was to have been held, has been cut off entirely. This makes it utterly impossible for a meeting there.

Messrs. Milton Wells, Clay Ball, Wesley Burgess, and Mrs. T. M. Russell and daughter, Ruby, and Miss Doris Russell, all of Manassas, spent Sunday with Mr. and Mrs. H. R. Wilson, and Mrs. W. D. Burgess of Shenandoah.

Miss Lillian Russell returned home after spending a few days with her sister, Mrs. P. E. Woodyard.

Popular Jurist Carries All But Two Counties

As the JOURNAL predicted two weeks ago, Judge Howard W. Smith went into office amidst a storm of jingoism, slander, prejudice. His record vote (nearly seventeen hundred over the combined opposition is another proof of the fair-mindedness of the Virginia electorate.

Without further comment we give the official vote in Prince William and unofficial for other counties.

MONTHLY REPORT OF HOME DEMONSTRATION AGENT

No. Girls Groups met: 6.
 No. Womens Groups met: 7.
 No. Other Meetings attended: 11.
 No. of Homes visited: 125.
 No. letters written: 135.

General Remarks:
 Attendance at 4-H Club and Home Demonstration meetings has been rather short during the month due to the extreme weather and scattered club members.

Mr. L. S. Dietrick, specialist in vegetable gardening, was in the county two days during the month and spoke before groups at Bethel, Catharpin, Independent Hill, and Manassas on fall gardens.

Five women representing as many clubs and organizations, accompanied by the Home Demonstration Agent, attended the annual meeting of Home-maker's Association and Farmer's Institute in Blacksburg, July 29-August 1. The programs were well planned and most interesting and helpful. All women attending regretted that we did not have more people from Prince William County take advantage of this opportunity.

Eighteen boys and girls from the 4-H Clubs of the county attended the State Short Course July 21-26. The clubs helped in defraying expenses of members to the Short Course. The boys and girls who went to Blacksburg, enjoyed the work and the trip and came back filled with ideas and enthusiasm for bigger and better work in their own clubs.

The Prince William Club folk made a very creditable showing at the Short Course. Janet Russell and Mary Glenn, from the Occoquan 4-H Club, tied for third place in the Room Improvement Group in their demonstration, "The Well Finished Floor."

Stuart McMichael, Nokesville 4-H Club, and Burnetta Brockett, Occoquan 4-H Club, were initiated into the All-Star Chapter of 4-H Club folk.

Janet Russell who was taken into the All-Star Chapter last year and who has served most efficiently as leader for her club, has been selected as one of the representatives from Virginia to go to Camp Vail, Springfield, Mass., September, 14-20. This is a signal honor for Prince William since only six girls from the state are allowed to go. Janet was selected because of her outstanding club work.

returned from Rockingham, reports intense and devastating fires in the Blue Ridge.

Mr. and Mrs. O. D. Elmore and two daughters, Virginia and Maxine accompanied by Mrs. Elmore's sister and brother-in-law, Mr. and Mrs. Pete B. Woodward attended the funeral of Mr. O. D. Elmore's sister at North Carolina, Sunday and returned to their home at Woodbridge, Monday.

CATHARPIN

Mr. and Mrs. C. R. McDonald visited relatives in Clarendon, Va. one day last week.

Mr. and Mrs. C. F. Brower, Jr. of Purcellville, were Sunday visitors of friends and relatives in the community. They were accompanied home by Mrs. C. F. Brower, Sr.

Mr. R. B. Riley of Manassas visited his sister, Mrs. T. J. Caton, several days last week.

Miss Aseneth Ayres is visiting Mr. and Mrs. Benkelman of Lansing, Mich. Mrs. Benkelman will be remembered as Miss Katherine Ayres.

Miss Mary Currell Pattie, who has been spending the past two weeks with her aunt, Mrs. C. F. Brower, Jr., of Purcellville, returned home, Sunday.

Little Miss Frarran Grill of Falls Church, who has been visiting her grandparents, Mr. and Mrs. W. L. Sanders, returned home Sunday. She was accompanied by her two little cousins, Betty and Frances Brower.

Mr. and Mrs. W. Holmes Robertson and daughters, who have been enjoying a week's vacation at Rehoboth Beach, have returned to their home. They were accompanied home by Mrs. Robertson's mother, Mrs. Eliza Dorsey of Berryville, who has also been enjoying a trip to the Beach.

Master Jack and Hampton Alvey have returned from a week's visit to the home of their uncle and aunt, Mr. and Mrs. Everett Clary of Lawrenceville, Va.

Mr. and Mrs. F. W. Polen of Washington visited relatives in the community on Sunday. Miss Claudia Pattie returned with them for a visit.

The Field Day at Hickory Grove on Saturday was attended by quite a number of people from this community.

Mrs. Ruble and children of Clarendon, Va., are visiting Mrs. Ruble's father, Mr. H. J. Schaeffer.

Mr. and Mrs. C. L. Anderson and children of Washington were visitors in the community last week.

Miss Mary Price and Mrs. Lanier Berkeley of Alexandria visited friends here last week.

Miss Pollie Jones of Fredericksburg is the guest of her uncle and aunt, Dr. and Mrs. Wade C. Payne.

Miss Lulu Meade of Washington is here on a stay of some weeks at "Meade Croft."

Mr. Marion Hutchinson of Cul-

peper was at his home here for the week-end.

Miss Janie Brady is slowly recovering from her illness, at the Warrenton Hospital.

St. Paul's Church Guild was entertained on Tuesday afternoon by the treasurer, Mrs. Charles, Allen at her home in Gainesville.

Fire was discovered early Tuesday morning in the field below the Episcopal Church. Fortunately it was found and extinguished in time to prevent any damage.

NOKESVILLE

Radcliffe's Chautauqua will again be with us on August 14-15-16. It has been decided to hold the meetings in the High School Auditorium. This will be much more comfortable than in the tent. Splendid lectures, high class plays. As well as music will be given. Tickets are on sale at new post office.

The Prince William Horse Show opens with many entries on the seventh. It will continue through the eighth.

Mr. Otho Fitzwater of Nokesville and Miss Elizabeth Sinclair of Manassas were married on Monday last and left the same evening for a trip north.

The District Association will hold its regular monthly meeting on Tuesday, August 12 in the school auditorium. A good program will be given. Nokesville Civic League will meet on Friday, August 8 at the High School. All patrons interested in the Gymnasium are urged to be present.

The young people of the District were much disappointed to learn that owing to the lack of water it would be impossible to hold the District Short Course at Front Royal as planned. This is a splendid thing for the young folks and we are certainly sorry the drought makes it impossible for this year.

Mr. and Mrs. M. J. Shepherd are in Blacksburg attending the Institute.

DUMFRIES HOME DEMONSTRATION MEETING CALLED OFF

Dumfries Home Demonstration Group will not have their regular meeting for this month. Members of that group will put on a stunt and the

County Picnic which will be substituted for the regular monthly meeting.

Miss Lillian Royston of Baltimore is a guest of her sister, Mrs. C. G. Cushing.

CHRIST FOR ALL—ALL FOR CHRIST

The Word of God

My word is a lamp unto my feet, and a light unto my path.—Psalm 119: 105

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize a Bible selection each week, it will prove a precious heritage to them in after years.

A HARD STUDY—Study to be quiet, and to do your own business, and to work with your own hands. That ye may walk honestly toward them that are without, and that ye may have lack of nothing.—1 Thess. 4:11, 12.

PRAYER:

"Take time to be holy. Speak oft with thy Lord."

CONGRATULATIONS

As we predicted, Judge Smith was overwhelmingly endorsed by the people of the Eighth District. The people have chosen wisely and well.

ELECTRIC SERVICE RATES REDUCED

(Continued from page 1.)

During the last four years we have spent approximately \$6,000,000 on transmission line work alone to accomplish this end, which now is a fact. With an interconnected system it is usually years before a general and substantial downward revision of rates can be effected; one large system in the Southeast took fourteen years to effect such a revision. Our company was formed through the consolidation of about thirty small companies, each with its own generating station, its own rate structures and schedules, and each with operating costs that varied widely due to varying costs of raw materials and to vastly different operating conditions. It was our responsibility to organize these many unit companies into one system and to bring the over-all operation of them up to the very highest standard of efficiency possible. In many instances additions and betterments to generating stations and the interconnection of towns by transmission lines resulted in increased investment in plants, lines and substations with the net result of advanced costs all along the line. This meant that economies had to be effected through better operation and management. Those economies have been effected and to such an extent that we now are able to share them with our customers in this reduction in the cost of our product, electric service.

"Contrary to the principles of a great many rate reductions that have been made in the electric industry and that have penalized the small community, we believe it more advantageous to encourage the development of our communities by establishing an equalized rate over our system that gives the same advantages to the small community as are enjoyed by the large. We are constantly endeavoring to better the general welfare of every town we serve and we feel that there is no better way than to bring down the cost of electric service.

"In respect to rate reductions in general, I believe it is not generally known or understood that the customer to a great extent makes his own rate. It is a cardinal principle that increased usage of electricity brings lowered cost, and we hope that the customers of the Virginia Public Service Company will take full advantage of the opportunity for betterment of individual, home and business welfare that lies in the greater use of electric service."

WHEREVER THERE'S A TELEPHONE

THE geographical center of the United States is located in Kansas, but the center of the country's communication system is located wherever there is a telephone.

There are more than 20,000,000 telephones in and connected with the Bell System in the United States today. From each telephone of the Chesapeake and Potomac Telephone Company of Virginia any other telephone of this vast system in any part of the country can, under ordinary circumstances, be reached within the space of minutes.

In addition, speedy connections can be made with more than 9,000,000 telephones in Canada, Cuba, Mexico, South America and Europe.

The aim and ideal of the Telephone Company is to provide a service by means of which anyone anywhere can pick up a telephone and talk to anyone anywhere else quickly, clearly, and at a reasonable cost.

TRUSTEES' SALE OF VALUABLE REAL ESTATE

Under and by virtue of a deed of trust executed by Alex Jones and Emma Jones, his wife, on the 1st day of July, 1929, of record among the land records of Prince William County, in deed book No. 87, pages 91, 92 and 93, default having been made in the payment of the several notes therein secured to be paid, and having been directed so to do by the holder of the said notes, the undersigned trustees shall, on the 14th of June, 1930, at ten o'clock A. M., in front of the Peoples National Bank Building, in the town of Manassas, Virginia, offer for sale the following described real estate:

First: That certain lot, tract or parcel of land, with the improvements thereon, lying and being in Dumfries Magisterial District, Prince William County, Virginia, on the Richmond-Washington Highway, and adjoining the Spankersville tract, and the lands of Waters and Merchant, said parcel of land containing 14 acres, more or less, and being the same land and premises conveyed to Alex Jones by King and wife.

Second tract: Being, with the exception of the portion taken for the concrete Richmond-Washington Highway, the same parcel of land that was conveyed to Norman Ginn by M. Elizabeth King and J. R. King, and being also the same land conveyed by said Ginn to C. F. Brown and by said Brown to Alex Jones. The said parcel of land is more particularly described as adjoining the said Highway and the lands of Davis, Ginn and Brawner (formerly Rowena Merchant), and beginning at a point in the Telegraph Road in Dewey's Run and running thence with the said run to a point opposite a forked white oak; thence with the line of Frank Davis to a spruce pine in the corner of a wire fence and in line of R. A. Waters; thence with the waterline to a box oak on the Telegraph Road, and thence with the Telegraph Road to the beginning, containing 21 acres, more or less.

Third Tract: A tract of land situated in Coles Magisterial District, Prince William County, and beginning at a stone in the west side of the Poor House Road (two red oaks and white oak marked as pointers), a corner to Evans; thence with his line N. 81 1/4 E. 40.8 poles to B., a stone (a hickory and white oak pointers), a corner to John Davis, formerly Copér; thence with said Davis' three lines N. 80 E. 68 poles to C., a stone in the place of a decayed tree (two white Oaks and dog wood pointers), N. 60 1/4 E. 63.4 poles to B., a stone 10 links from a cedar, 16 links from a small box oak and 21 links from a doubt red oak, N. 14 1/2 E. 66.88 poles to E., a stone between two gums east of a branch in line of Isaac Davis' heirs; thence with said line S. 65 E. 102 poles to F., a fast rock at the edge of an old field, thence S. 33 1/2 E. 76 poles to H., a red oak stump on the south side of a path (a box oak sprout and several dog woods marked as pointers, a corner to the Mathers' tract and the that part of the Poor House Tract purchased by Avery; thence with Avery's lines N. 74 1/4 W. 89 1/2 poles to L., a stone pile near where an old house once stood, S. 86 W. 66 1/2 poles to J., a gum on the north bank of the north run of Quantico, about two poles above a ford; thence still with Avery S. 9 1/2 W. 135 poles to K., a stone on the north side of the old bed or branch (a maple and white oak marked as pointers), a corner to Becket; thence with Becket N. 87 W. 98.6 poles to L., a large dead box oak by a large white oak and small hickory; thence still with Beckett S. 36 W. 55 1/2 poles to M., a stone and marked pointers, corner to Norman; thence with Norman's line N. 63 1/2 W. 144.6 poles to N., a marked white oak, corner to Cole; thence with Cole N. 32 1/2 E. 56 poles to O., a white oak 29 links west of a branch, a corner to Duison's heirs; thence with a line of said heirs N. 27 E. 88.4 poles to P., a box oak sprout by a small white oak in a bottom, a corner to Evans; thence with Evans S. 53 degrees 48' E. 65.2 poles to the beginning, containing 255 1/2 acres, and being the land known as the Poor House Farm.

Tracts Nos. 1 and 2 herein described will be sold subject to a prior lien of \$2000.00, terms of payment of which will be announced on day of sale.

COMMISSIONER'S SALE OF DAIRY FARM

Under and by virtue of a decree entered by the circuit court of Prince William county, at its June, 1930, term, in the suit of Federal Land Bank of Baltimore v. Anna F. Cline, et al., the undersigned commissioner of sale, appointed by said decree, will on Saturday, August 16th, 1930, at 11 o'clock, a. m., in front of the People's National Bank, in Manassas, Va., sell by way of public auction all of that certain farm, containing in the aggregate 104 acres, 1 rood and 35 poles, situate about one mile from Nokesville, Prince William County, Virginia, formerly owned by Anna F. Cline and Walter A. Cline, see Deed Book No. 70, page 159-162, (sometimes more recently known as the G. L. Buck Farm,) on which W. J. Herndon now resides, together with all of its improvements on the following terms:

For cash as to one-fourth of the purchase price, and the balance on a credit of one, two and three years, payable in equal annual installments, and to be evidenced by notes, executed by the purchaser, payable to the undersigned commissioners, bearing interest from the day of sale, and containing a waiver of the homestead exemption, title to the said land to be retained until the whole of the purchase money shall be paid, or all for cash, at the option of the purchaser.

This farm is about one mile from the railroad station, stores, post office, bank, school, churches, and other advantages; has on it dairy barn, necessary out buildings and an excellent dwelling, and is admirably adapted to dairy farming.

THOS. H. LION,

Administrator's Notice

The public is hereby notified that I have qualified as administrator of the estate of the late Richard A. Collins. All parties indebted to said estate will please come forward and settle promptly and all parties having

claims against said estate be requested to present them at once, supported by affidavit.

J. P. KERLIN, Administrator.

COMMISSIONERS' SALE OF VALUABLE FARM NEAR JOPLIN, VIRGINIA

By virtue of a certain decree of the Circuit Court of Prince William County, Va., entered in the cause of Susie E. Copen et al. v. Lillian V. Suthard et al. at the June, 1930, term of said court, the undersigned commissioners, thereby appointed, will offer for sale at public auction, in front of the Peoples National Bank of Manassas, in the Town of Manassas, Prince William County, Va., on

SATURDAY, AUGUST 30, 1930 at eleven o'clock, A. M., of that day, three certain tracts of land situate in Coles Magisterial District, Prince William County, Va., and more particularly described as follows, to-wit:

Tract A: Known as the Joshua Taylor land and situate on the north side of the old Warrenton and Dumfries road, containing three acres, more or less, and being the same land that was conveyed by Irma M. Keys

and husband to Robert A. Hutchison, Trustee, by deed bearing date of November 17, 1918, and of record among the land records of said county in Deed Book 67, page 411.

Tract B: Known as part of the J. G. Taylor land, containing 44 acres, more or less, and being the same land that was conveyed to B. W. Storke and Richard Keys by John Murray Forbes Taylor and wife by deed bearing date of May 29, 1913, and of record among said land records in Deed Book 65, page 185.

Tract C: Known as the Mayfield tract, adjoining Copen, Brill and others, containing 96 1-4 acres, more or less, and being the same land that was conveyed to the said B. W. Storke and Hooff by Tyler W. Lynn and wife by deed bearing date of October 27, 1910, and of record among said land records in Deed Book 60, page 341. The said parcels of land will be sold separately. Some of the parcels have on them a large amount of valuable timber.

TERMS OF SALE:
The said estate will be sold for one-third cash, one third in one year, and one-third in two years, the deferred payments to be evidenced by the in-

terest bearing notes of the purchasers, to be executed on the day of sale and title to be withheld until the whole of the purchase money is paid, with the right on the part of the purchasers to pay all cash, if they shall so elect.

CHEVROLET
CHEVROLET ANNOUNCES
DE LUXE
WIRE WHEELS
at no extra cost

Chevrolet again adds extra value to the Chevrolet Six! Those who prefer may now have any passenger model equipped with beautiful de luxe wire wheels—at no additional cost!

Designed especially for Chevrolet, these wheels incorporate many important features that have won favor on cars much higher in price.

The ornamental hub caps are unusually large, and are finished in sparkling chromium plate. The bolts that hold the wheel in place are located inside the hub—thus assuring a smarter, more clean-cut appearance. The spokes are short and sturdy—the wheel construction is extremely rugged. Moreover,

there is an unusually large number of spokes—for extra strength and durability!

A variety of attractive new colors

In addition to this de luxe wire wheel equipment, Chevrolet now makes available a wide choice of new color combinations on all models—colors that are rich and distinctive.

You are invited to come in—NOW—and attend the first showing of six-cylinder Chevrolet models with these striking new colors and wire wheels.

SIX-CYLINDER SMOOTHNESS AT LOW COST

TWIN CITY GOSSIP

Woodbridge and Occoquan

Old age snooping around;
 Quiet, furtive, hardly a sound.
 Tip toeing o'er the hill,
 Across the plain and by the rill:
 Touching every living thing,
 An absolute monarch, a mighty king.

The sturdy oak, the delicate rose
 Feels his touch as he goes.
 The new born babe at it's mother's
 breast.

The fledglings in their downy nest:
 Feels the magic wand of age,
 As well, as the moran and the sage.
 The mighty billows of the deep
 Where countless thousand sleep:
 To the cadence of time, as of yore,
 Roll on and on to a distant shore.
 It is age that permeates all space
 It is age that wins the final race.

Jumping Jupiter, we are moving
 thru a warm period! But, age will
 tell the tale. A few days and we will
 be moving to that mellow period called
 autumn. We will be older and let us
 hope wiser. As we go into autumn
 we will see nature in all it's beautiful
 changes of raiments. As age changes
 the chemicals of nature, we see the
 coloring that artists are unable to
 paint, writers unable to describe, gossip
 slips over and lovers of nature
 stand in reverence as they behold the
 silent work fo the ages.

The West has its scenic beauties:
 the Sioux Indians, called the Black
 Hills of South Dakota, "Happy Hunting
 Grounds of the Great Spirits." Ex-president
 Coolidge says, "I have
 never seen anything that excels it."

The Rockies, Yellowstone and wonder-
 ful Pikes Peak. Last but not
 least "Reno," where the two that
 was made one can be lawfully changed
 to the one in one. In the twinkling
 of an eye, presto!

We Easterners have Jamestown,
 the cradle of our republic. Yorktown,
 the sights of a great nation. Wil-
 liamsburg, a colonial legacy of the
 western world. We have Fredericks-
 burg, the most historic city in Amer-
 ica. We have Palmouth, now a fin-
 ished village, at one time sharing with
 the western world its progressive
 spirit. Chesapeake Bay, upon whose
 bosom the great fleets of the world
 can anchor in safety. Occoquan Bay,
 a beautiful expanse of deep blue water,
 smooth and inviting as it receives the
 historic waters of Bull Run. The
 broad Potomac that is always pushing
 on and on towards the great Atlantic.
 We have the "city of magnificent
 distances" housing the seat of Federal
 Government, the most beautiful city
 in the world. There is New York with
 the largest population and the tallest
 buildings in the world. And last but
 not least we have Alexandria, our own
 little "Reno" where the hitched can
 be unhitched and go in peace in two
 directions.

We have history and scenic beauty
 that needs advertising. Wonders of
 nature and scientific skill of man that
 we do not appreciate.

Our old friend Tou Pee Davis
 crawled between the sheets for a rest.
 Tired and weary. We understand that
 he has tried the blue mass cure. Jump
 up Tou Pee, that is a kill or cure
 remedy.

They tell a tale of our old friend,
 Geo. Herring. It seems Geo. has been
 looking after a pet corn on a toe that
 he calls little for the past forty years.
 Well, during the hot spell Geo. had his
 shoes off and both feet propped up a
 plum tree. An explosion took place
 while Geo. was napping. A waking he
 found that the extreme hot weather
 had caused his pet corn to pop. Re-
 markably true. Can any one section
 of Prince William equal such a high
 temperature? When you read this,
 little candidates stood on the deck,
 with his record pretty well pecked.

Dr. Brooks, you have a chance, the
 candidate is weak and perchance if
 you will be real gritty and bold, you
 may be able to knock him cold. Here
 is our gizzard of sympathy for the
 "has rans". Don't forget that
 Doc Hornbaker has brushed the cob-
 webs from the Lyric Theater and had
 picture talking outfits. The doc says,
 why no spend an hour in the Lyric,
 comfortable, because it is cool; enter-
 taining, because you enjoy yourself;
 edifying, because it makes you think.

Now let us all get busy and see who
 will be the first one in twin city to
 turn out a workable rain machine.
 The lightning from the clouds was
 harnessed and put to work for man.
 plucked out and put on canvass, for
 the delight of generations yet unborn.
 The very atmosphere, the air that we
 breathe, has been made to carry mu-
 sic, pictures and the voice of man
 around the world. The gravitation
 of our earthly sphere has been over-
 come, and man flies at will. We no
 longer wait for the wind and tide to
 carry our commerce. The robot is
 man's child of the brain. Impossible,
 what! Rain is a necessity, and nec-
 essity is the mother of inventions.

2 1/2 Cents in the Dollar

Not Wall Street's idea of money making

Why has A & P more customers than any other
 grocer on earth? "It sells for cash at the lowest
 price possible," answers The Business Week, a
 magazine that studies business methods.

And why are A & P's prices so low? "It buys
 direct from original producers, and makes every
 known short cut in distribution," says The Business
 Week.

Then, not satisfied with other people's say-so,
 Business Week digs into the official records of
 A & P's sales and profits, and by a simple sum in
 arithmetic gets the rest of the story—namely, that
 A & P keeps only 2 1/2 cents of every dollar taken
 over its counter.

"Two-and-a-half cents profit is not Wall
 Street's idea of something to capitalize," says Busi-
 ness Week, explaining Wall Street's complete sepa-
 ration from so large a business enterprise as A & P.
 But it is A & P's idea of fair treatment of the
 housewife.

THE Virginia Public Service Company takes pleasure in announcing a voluntary reduction in its residential and commercial lighting and domestic service rates. This reduction, which becomes effective starting with September billings and which is the sixth in the last two years, has been made possible through economies in operation resulting from the interconnection of our system and the competent management of the Company's affairs.

This reduction, together with others that have been introduced since January 1, 1930, will save \$500,000 for our customers. With the largely increased business which the new rates naturally can be expected to produce, the ultimate saving to consumers will be considerably greater.

The chief object of this substantial reduction in the cost of our service is to permit YOU, as a consumer, to take advantage of and enjoy more of the conveniences and comforts of electric appliances in your home. It is our aim to provide for YOU, through the great servant, Electricity, better and happier living without extravagance.

Electricity is the cheapest thing you can buy in proportion to the countless things it can do for you. Why not give your servant, Electricity, more work to do?
