

## RICKEN BACKER ON THE RADIO

Experiences in France Broad-  
casted through Courtesy of  
Chevrolet

The most dramatic episode in the patriotic "Chevrolet Chronicles" series is scheduled for this week when Captain Rickenbacker, heretofore host during these programs, himself takes the microphone to relate his own experiences in France, while K. K. White, advertising manager of the Chevrolet Motor Company, sponsor of the "Chronicles," acts as host. The broadcast will be carried locally over WMAL on Saturday, January 3, at 7:30 p. m.

Credited with shooting 26 enemy planes in the brief space of seven months, Captain Rickenbacker led all the aces of the American air service in France.

For his conspicuous gallantry in action he has received numerous medals from the Allies and our own government, including the Legion of Honor, the Distinguished Service Cross with seven oak leaf clusters, and the highest of U. S. Government awards—the Congressional Medal of Honor—personally bestowed upon him by President Hoover seven weeks ago at ceremonies at Bolling Field broadcast over a national network.

His association with Lieut. Frank Luke, Arizona daredevil who lost his life on enemy territory, is one of the incidents which Captain Rickenbacker is expected to detail for an air audience reached by more than 140 radio stations in all parts of the country carrying the "Chronicles" programs.

As in previous weeks, the dramatic war episodes will be supplemented in the half-hour program by musical numbers arranged and directed by Frank Black and Gustave Haenschen.

## PROPER CARE AND FEEDING OF DRY COWS AND FRESH COWS

Good Dairy cows with yearly records of 300 lbs. of butter fat and over should have a dry or rest period of 8 weeks. If cow is thin or in poor condition, feed from 4 to 8 lbs. of a little grain daily according to her condition so that she will be built up in good flesh for her next milking period. A thin, out of condition cow at calving time can never do her best and make the most butterfat for amount of feed used.

About a week before freshening, use very little or no corn silage, substitute the grain mixture with 6 to 8 lbs. of wheat bran or ground oats and wheat bran 50-50 and all the good legume hay she cares to eat. For several hours just before calving feed very little hay or silage. A warm bran mash would be beneficial.

If heavy feeding of corn silage and heavy grain mixtures are fed before and right after calving. It is one of the causes of cake udders and milk fever. It should be from two or three days before cows are put on full grain rations after calving.

## WILLIAM ARMSTRONG CROSBY

William A. Crosby, aged seventy-seven, native of Staunton and resident of Manassas since 1903, died at his home near here on Christmas morning after failing in health for a long time.

He leaves a widow, who was Mary Jane Crowell of Staunton and four children, Jesse, local business man, Mrs. G. H. McLaughlin, of Bluefield, West Va., Mrs. Ella Bradford, of Brantsville, and Mrs. William McCoy, of Manassas.

The funeral took place at Churchville near Staunton on Saturday morning.

Mr. Crosby was an ardent Southerner but was too young himself to take part in active service during the War Between the States. His family has been around Staunton since Revolutionary times, having moved there directly from England.

Die to an injury some years ago Mr. Crosby was unable to ply his occupation, farming, for several years. His passing takes from the community a substantial citizen who will be greatly missed.

## MR. CONNER'S SUGGESTIONS FORWARDED TO WASHINGTON

Manassas, Virginia  
December 24, 1930.

Hon. Harry F. Byrd,  
Richmond, Virginia.

Dear Sir:  
I understand the President has signed the Drought Relief Bill for \$6,000,000, but there has been nothing said as to how this money will be spent, how the loan is to be made, how long the term shall be, what security, and many other things that would have to be considered.

In my humble way, I want to express my views as I see the situation in my section of the country. The farmers have made no money this year, and cannot make any for several years to come. Most of them are in debt because they have nothing to sell and feed to buy. By working out a program that will give them time to recover their losses, I think conditions will again be normal in a few years. In the interest of the farmers in this part of Virginia, therefore, I would like to make the following suggestions:

1. Give the farmers a long time loan, from two to five years at least.
2. Make the rate of interest 3 per cent so as to enable the borrower to have the same rate as the Government is paying on bonds.
3. Have the borrower give interest bearing note, the interest payable annually.
4. Money loaned in this way to be used for the purchases of feed, fertilizers, seeds, etc., so that the farm can be reseeded and gotten back to normal production.
5. Have borrower make affidavit that this money will be used for the purpose for which it is intended, and for nothing else.
6. To loan a borrower according to his or her earning capacity.

Naturally the conditions in each brought section differ. Each section I believe, would have to work out its own problem, or recommend what could be best suited for planting or growing, etc., in that territory. I think were done, however, I believe the farmers would derive great benefit from the fund which has been appropriated for relief, and the country as a whole would be saved from further depression. Hoping that these suggestions may be of some assistance in the solution of the drought problem,

I remain,  
Most sincerely,  
E. R. CONNER,

Chairman Drought Relief Committee  
Prince William County, Virginia.

Winchester, Va.  
December 2, 1930.

Mr. E. R. Conner, Chairman,  
Drought Relief Committee,  
Manassas, Virginia.

My dear Mr. Conner:  
I appreciate very deeply your letter of the 24th and note very carefully the valuable suggestions you make therein.

The matter of the regulations for loans to be made by the Federal Government is entirely in the hands of Secretary Hyde and his department. I am sending your letter to Mr. C. W. Warburton, Secretary of the National Drought Relief Committee, who is Mr. Hyde's first assistant. Perhaps it may be possible for you to go in to see Mr. Warburton and discuss the matter in person with him. I am doing everything in my power to see that these loans will be of some benefit to the farmers in distress.

Thanking you for writing me and with best wishes I am,  
Cordially yours,  
HARRY F. BYRD.

REPORT OF THE PRINCE WILLIAM CO. DAIRY HERD IMPROVEMENT ASSOCIATION FOR DECEMBER.

The three leading Herds this month are as follows: Harley and line, 21 Grade Holsteins and Guernseys, average lbs. milk, 1132.1, average lbs. fat, 42.3; J. F. Miller, 2 Grade Holsteins and Guernseys, average lbs. milk 905.9, average lbs. fat 7.52; J. J. Conner, 21 Grade and 13 Holsteins, average lbs. milk 982.24 average lbs. fat 34.02.

J. F. Miller has high cow, a Grade Holstein with 1426 lbs. milk and 71.1 lbs. fat.

The average for the 709 cows in the association including 106 dry cows is 81.1 lbs. milk and 25.92 lbs. fat. 11 cows went over 40 lbs. of fat. 45 cows went over 50 lbs. fat. 11 cows were culled and sold for beef.

Now is a good time to cull out the poorest cows, which will lower surplus milk and increase the profit.

ARTHUR L. BROWN, Secy.

## ASSEMBLY BALL AT MANASSAS A BRILLIANT AFFAIR

### GREETING

To Prince William County,  
Here's to you, Old Prince William!  
Almost two hundred years  
Have you been living, doing  
Your part and hopes and tears.  
Tho' the hopes have been sometimes  
blasted  
some tears have lost their smart.  
Hail to you Old Prince William!  
The County of our Heart!

Your head is on the mountains,  
Your feet are in the tide  
Where flows the Father of Waters  
Slow-moving in his pride;  
And there between are the swelling  
breasts  
Of the hills, and the vales so fair,  
And the spreading fields, oh, surely  
Was never a land more rare!

Two hundred years of striving!  
Long years of war and peace,  
Of tolling and of resting,  
Of change that would not cease!  
The Tide of Time flows onward,  
And now thro' gloom and cheer,  
Tis that same tide has brought us  
Our Bi-Centennial Year.

These times are hard, Prince William;  
They may be harder still;  
But we must meet with courage,  
And conquer with good-will;  
Past is the drought that tried men's  
souls,  
We'll meet the wintry blast  
With the stern resolution  
That wins all things at last.

Our namesake was a fighter;  
On Dettingen's red field  
He proved his princely courage  
That would not break nor yield.  
And we too have been fighters  
In many a bloody war,  
With sword and gun, with pick and  
axe  
That left full many a scar.

The times may be still harder;  
But scarcely worse, I know  
Than the dark days which followed  
Those sixties long ago;  
And the sons of those brave fathers,  
Who stemmed that tide so drear,  
Will join in celebrating  
Our full two hundredth year.

In spite of money lacking,  
In spite of debts and duns,  
We'll pass the winter somehow  
To find the springtime suns;  
And meanwhile let's be planning,  
Aye, and be working too,  
To honor our old County's birth  
With loyal hearts and true.

Prince William of England, Duke  
of Cumberland.

From One of its Daughters  
ALICE MAUDE EWELL.

## HIGH SCHOOL BAND

### PROSPECTS ARE BRIGHT

Questionnaires relative to the formation of the high school band are coming in lively and indicate a real desire among the parents to foster and encourage the rhythm of music which exists in every child.

Miss Speiden, director of music in the Manassas schools, will have charge of the work when it is started.

## NO CHANGES NOTED IN MODEL A FORD

Rumors that the Ford Motor Company would introduce radical changes in the Ford car were set at rest today when the company placed the Model A car on exhibition in its annual show in New York.

Instead of exhibiting in the New York Automobile Show, the Ford Motor Company holds its own exhibit of Fords and Lincolns each year in its building at 710 Broadway coincident with the Automobile Show. The display this year includes the full line of Model A cars, but, with the exception of the addition of the De Luxe body types announced during the last year, the only changes are the improvements made from time to time during the year in accordance with the Ford policy of avoiding annual models.

Representatives of the Ford Motor Company said the Model A would be exhibited in Automobile Shows throughout the country. They added that no changes in the car are contemplated other than such improvements as are ordinarily made in the course of production.

## Woman's Club Revive a Colonial Custom

What was perhaps the most brilliant social event of the season was the Assembly Dance sponsored by the Woman's Club of Manassas in honor of the young people of the community at the Manassas High School Gymnasium on Monday night. The Gym had been beautifully decorated under the personal direction of Mrs. Joe P. Lyon which added very much to the beauty and enjoyment of the occasion. Music was furnished by Geo. Gaul's Orchestra of Washington. The large number attending were enthusiastic in their praise and Mrs. Stuart Pattie, who was chairman of the committee in charge has been the recipient of many congratulations.

Among the out-of-town guests were Mrs. Mildred Smith of Warrenton, Miss Mary Bouldware of New Mexico, Miss Mary T. Murphy of Washington, Miss Randolph Richard son of Fairfax, Miss Mary Appa Flippin of Richmond, Misses Mild Griffith, Stover, Courier of Silver Springs, Md., Gordon Myer of Manassas, Middlemen Evans, of Manassas, Nussle, Hughes, Denig, of U. S. Naval Academy at Annapolis, Cadet Bean of U. S. Military Academy at West Point, Holmes Smith of Randolph-Macon Academy, Miss Chisholm of Alexandria, Mr. and Mrs. Gibson of Upperville.

A partial list of the guests included Mr. and Mrs. G. R. Ratcliffe, Mr. and Mrs. E. Swavely, Mr. and Mrs. J. E. Bradford, Mr. and Mrs. J. P. Lyon, Mrs. Mabel Lyon, Mr. and Mrs. Lloyd, Mrs. Wenrich, Mr. and Mrs. O. D. ## KIWANIS XMAS CIRCLE GROWS

Toys, Candy and Fruit Given to More Children of County than Ever Before

The Christmas season was made joyful for a good many little children in the County by the distribution of toys, candy and fruit to 250 odd children all over the County.

The Kiwanis Club of Manassas has for the past five years collected toys and passed them on to needy and worthy children, and this year they took on at least 100 more.

The idea has long been a hobby of Fred R. Hyinson, and it has been through his untiring efforts with the aid of the club that this work has been done. Contributions were made this year by several people outside the club and this help was of material assistance.

R. A. Hutchison, A. S. Boatwright, J. E. Bradford, R. C. Hayden, W. F. Covington and Eli Swavely played the part of Santa Claus in distributing the gifts.

The idea of the club for this week is to try to get a toy and a box of candy to the needy children who do not have the usual gifts at Christmas and they have set an age limit of 12 years. When a child becomes 13 years old they are no longer helped.

The home of Mr. and Mrs. R. C. Linton was the scene of a very pretty party held Saturday, December 27, at 2 o'clock. The party was given by their little granddaughters, Dorothy Linton and Martha Grimes.

The afternoon was spent playing games and much fun was had by all.

At four o'clock the children were ushered into a very prettily decorated dining room where delightful refreshments were served. About 5 o'clock the little folks left for their home, having enjoyed the afternoon very much.

Those present were Katherine Luck of Manassas, Jackie Miller of Washington, Annie Keys, Mildred Oleyar, Minnie Remis, Riley Keys, Anna and Emma Sheethack, Lora Vane, Carl Wine, John Sheethack and Claude Oleyar.

Miss Ruby Keys is spending a few days with Mr. and Mrs. Walter A. White.

Mrs. W. J. Ashby still continues very ill. We truly hope she will soon be on the same road to recovery.

Mr. and Mrs. Chas. B. Linton spent Christmas afternoon and evening in Washington.

Miss Ruth E. Linton of Washington spent Tuesday before Christmas at her home.

Mr. and Mrs. R. C. Linton spent Christmas evening at the home of Mr. and Mrs. W. A. Wine.

The Christmas tree held at the Hall was very well attended and much credit is due to those who rendered the fine program. Santa Claus was there, which pleased the kiddies and he left nice presents for both young and old.

Happy New Year!

Well, well, here we are with greetings to 1931.

The old year has died of old age. Into the limbo of the past we consign his memories. All the joy and sorrow. All the ups and downs, as well as deceit and truth have been carefully wrapped in the parchment of the past and placed in moth balls to be opened at stated times as a family album.

In 1930 many answered the long toll call. Laid aside earthly cares to meet the author of life face to face. Some had grown old and weary, some had bowed, stooped, with tottering and weary eyes were closed to the sun on the toils and infirmities of life. Some were called to face eternity while yet in the prime of life. Others with curly hair and dimpled cheeks went to sleep with the year 1930.

The past is filled with memories that we do not want to forget, and dreams that we still hope will come true. There were plans laid for the future and prospects of greater things talked over by just two.

With faith that surpasses understanding we walk erect into the year of 1931 and challenge the unseen forces of nature to a dual to prove our right to honor and a place in the circle of who is who.

Here is a wish that 1931 treat us kindly, and we to secure the blessings of the future walk uprightly before God and our fellow man, treating others as we would have 'em treat us.

Twin City sends greeting to all the Journal readers, and a hearty welcome to Greater New York in commercial advantages.

BIBLE THOUGHT AND PRAYER  
If parents will have their children, memorize a Bible selection each week, it will prove a priceless heritage to them in after years.

**THE CALL TO PRAISE—**  
Praise our God, all ye his servants, and ye that fear him, both small and great.—Rev. 19:5.

## PRAYER:

"I say to all men far and near, Let shouts of holy joy outburst Alleluia."

## CHRISTMAS FOR LITTLE CHILDREN

The Kiwanis Club of Manassas made many little children happy during this Christmas season who would otherwise have gone without the gifts and pleasures so dear to all hearts at this time.

The joys of childhood go with us through life. Those who make little children happy have responded to the Master's most touching appeal. Those who enter into the needs of little children are those who nurture the future citizenship and do more to drive crime and unrest from the world than prelates, legislators and armies.

## THE ASSEMBLY BALL

It is with pride and gratification we publish an account of the first Assembly ball given in Manassas. The custom is an old one in England and was most popular in colonial Virginia.

The social element in life is vital; its absence is deplorable; its presence indicates normal health and vigor.

The Woman's Club of Manassas is responsible for the revival of this beautiful old custom and their efforts were rewarded by a splendid success.

It used to be a part of the duty of parents and even governmental heads to provide healthy entertainment for young people and this phase of up-bringing was deemed as important as food and clothing.

The Woman's Club merits the praise and congratulation of the community and we feel sure that the ladies of the organization have it.

## TAX REDUCTION

At the regular meeting of the Town Council, held on the evening of Monday, December 29, the Finance Committee submitted a tentative budget of prospective revenues and expenses for the coming year.

This budget is published in detail in another column of this issue, however, especial attention of our readers is directed to the fact that it proposes a cut of twenty-five cents in the one hundred dollars in the tax rate of the Town, or in other words, a reduction of sixteen and two-thirds per cent.

According to law this tentative budget must be posted for thirty days before being finally adopted, but it would appear that proposed reduction will be gratefully received by the people of the Town and that there will be little prospect of objection being raised. However, it is hoped that this reduction will not interfere with the further improvement of our streets and utilities.

## WHY NOT KEEP IT UP?

If there was one unusual characteristic about Christmas and pre-Christmas activity this year, it was the sufficiency of the co-operation of all people to make the season a cheery one for the unfortunate, to provide something for the unemployed and to alleviate suffering generally. There has been no greater outpouring for some time of brotherly love and the thought of one for the welfare of another than this season brought forth.

From everywhere the story is the same, funds freely poured out that no one might have cause to regret the happiness that all might rejoice. There was in all parts of the country

a co-operation for the common good that must be most gratifying to the whole people.

Naturally, such open-handed generosity—as was generously displayed cannot be practiced all through the year. If it were there would be no final solution of "hard times" and like situations. What most of those who were temporarily unfortunate at the holiday season this year need is the opportunity to help themselves rather than to be helped by others. They need employment and the self-support and self-satisfaction that making one's own living brings.

But the co-operative spirit can be carried on, the solicitation of one for the welfare of another can be perpetuated. The people as a whole can remain close together as they were drawn by the exaltation of the Christmas season. If so great an effort can be made on occasion for the sake of humanity, it would seem that some portion of the same sentiment might be carried over to make the whole year more productive of help and friendship. Certainly, the spirit of Christmas can be projected with profit far beyond the brief season in which it is the most productive of good.

## Prize Butter

## A Test of Food Stores

Test a food store by the butter it sells and you won't go far wrong. The butter you can judge in several ways. The sure way is by the verdicts of the butter makers' own jury. These verdicts are rendered at the butter makers' conventions, state and national.

At the Iowa convention in Waterloo four butter makers took first and second prizes among 217 entries in the senior and junior contests. Their butter is to be found only in A&P stores.

The National Convention in Minneapolis gave its highest prize—the grand sweepstakes—to W. F. Wargowsky, manager of the Farmers' Co-operative Creamery Company in Boyden, Iowa. Butter makers from all over the country competed in this contest. The blue ribbon butter of the year has been sold exclusively for many years in A&P stores.

In A&P the best butter makers are sure of a steady customer for their product. Among the food in its stores their butter is sure to find itself in good company.
