## KIWANIS CLUB ENTERTAINMENT

Annual Event for Teachers to  
enjoy

The annual entertainment of teachers of the schools of Prince William County by the Manassas by the Manassas Kiwanis Club was given on Friday night when more than 100 members and guests assembled around the banquet tables in the local club rooms.

Following an address of welcome by Dr. C. K. C. Johnson, president of the local club, business was suspended and the responsibility for the program was turned over to Richard C. Haydon, chairman of the club committee on vocational education. That this committee functioned 100 per cent was the unanimous vote of all present.

Miss Kitty Smith, taking the time allotted to the School Supervisor for an address, brought the house down as she conducted a class in "Current Events" during which many of the members of the club found out some things about themselves which amused some, puzzled others and caused many to squirm. Miss Marjorie Lacy substituting for the chairman of the School Board, broadcasted up-to-the-minute stories about Kiwanis activities but stressed special activities of active and otherwise Kiwanians. Mrs. Annie G. Cline, member of the School Board from Dumfries, congratulated the club on the things it was accomplishing in the advancement of the county, while Mrs. Grace Hite, who spoke on the importance of vocational education closed with a word of thanks to the club for its hospitality on behalf of the school teachers. The splendid orchestra of the Swavely School enlivened the evening with music, while Mrs. Stuart Pattie and G. Raymond Ratcliffe alternated in leading ensemble singing.

Among the guests were Robert A. Hutchison, lieutenant governor of the Capital District; D. J. Arrington, T. Barnes, Mrs. Annie G. Cline, and W. L. Lloyd, members of the School Board; C. A. Sinclair, county treasurer; Miss Eugenia Osborn, principal of the Manassas High School; Miss Indie Flinn, principal of Bennett School; Miss Willette Meyers, Washington, Miss Beatrix Clark, rural school supervisor; Miss Sarah Pitts, home demonstration agent, and F. D. Cox, county agent.

Other guests were Mrs. R. C. Haydon, Mrs. Grace Hite, Misses Ethel Robinson, Hazel Carter, Lorice Carter, Ruth Smith, Dorothy Lankford, Catherine Smith, Virginia Polen, Grace Metz, Emily Johnson, Virginia Speiden, Cornelia Mayer, Marjorie Lacy, Mary Covington, Mary Haile, Anna Weir Waters, Pauline Smith, Mrs. C. ## COUNTY CHAMPS IN BOTH CLASSES

Manassas Wins Two Basketball Championships

The Manassas High School won both the boys' and girls' championship pennants in the first official County Basketball Tournament, which was held in the Manassas High School Gymnasium, on Saturday, January 31. This is the first county tournament to be held in this county and it was very successful, and will probably become the annual classic for the county basketball teams.

All four of the county high schools were represented by two teams, one boys' and one girls' team.

The preliminaries began at 10:30 with a game between the girls of Manassas High School and Occoquan High School. Since this is the first year Occoquan has had a team, it was an easy victory for the Manassas girls who won the game by a score of 33 to 1. D. Beachley with 35 points to her credit, was high scorer.

The line-up:  
Manassas: D. Beachley, R.F. Lacy, Neil, L.F. B. Seelman, Gibson, J.C. E. Seelman, Lunsford, S.C. Green, Bushong, R.G. Baker, Meetez, L.G. Hoyt  
Substitutions: Manassas—Lynn for Neil, Neil for Beachley; Occoquan: None

Haymarket High School and Brentsville District High clashed in a light game at 11:30. For a long time it was doubtful which team would compete in the finals, but Haymarket finally won out with a score of 15 to 8.

The line-up:  
Haymarket: Terrill, R.F. Gunn, Rollins, L.F. May, Howell, J.C. Berryman, Smith, S.C. Payne, Adams, R.G. Trends, Godfrey, L.G. Smith  
Substitutions: Nokesville—Allen for May; Haymarket—None

After a recess, the preliminaries were resumed, when the boys in Scarlet met the boys of Manassas High in the most exciting game of the tournament. Haymarket had trounced their opponents thoroughly until a streak of hard luck struck them in the latter game. Ashby and Garrison were taken out on fouls and Lightner received an injury which caused his removal. Substitutes were rushed to their rescue and they did their best to hold Manassas to a one-point margin at the end.

The Manassas team was lagging by 10 points at the end of the first half but during the last half tied the score, which was broken by the foul shot of W. Kite in the very last minute of the game to win by a score of 23 to 22 over Haymarket. Leith was the high scorer, making 12 points.

The line-up:  
Manassas: Leith, R.F. Garrison, T. Kite, L.F. McCuin, Smith, C. Ashby, W. Kite, R.G. Lightner, Vetter, L.G. Senseney  
Substitutions: Manassas—W. Kite for T. Kite, Compton for W. Kite; Haymarket—Herrell for Garrison, Garret for Ashby, Jordan for Lightner

The final preliminary was played between Nokesville and Occoquan which was won by Occoquan by a score of 19 to 15. Nokesville was picked as the winner of this game but they failed to meet the expectations of the fans.

The line-up:  
Nokesville: Shepherd, R.F. Dawson, Gorman, L.F. Wright, H. Swank, C. Lynn, Miller, R.G. Hall, May, L.G. Lloyd  
Substitutions: Nokesville—May for Gorman, R. Swank for May; Occoquan—H. Lloyd for Dawson.

## DROUGHT RELIEF ORGANIZATION

County Committee: E. R. Conner, chairman, C. C. Lynn, G. R. Ratcliffe, P. Davis.

Community Committees: Haymarket: C. J. Gillis, W. R. Gossom and W. C. Payne; Occoquan: J. L. Dawson, Will Lynn and B. W. Brunt; Catharpin: Holmes Robertson; J. W. Alvey and C. R. McDonald; Nokesville: D. E. Earhart, V. M. Zirkle, and J. A. Hooker; Coles: H. L. Tubbs, C. S. Earhart and E. L. Herring; Dumfries: Ewing Wall, Van Keyes and Chas. Chloee.

The finals were held at eight o'clock Saturday evening. The first game was between the winners of the girls' preliminaries, Haymarket and Manassas. Manassas was able to defeat the girls from Haymarket with ease, by a score of 30 to 11, again showing the splendid teamwork which has spelled defeat for so many opponents. Beachley again held the honors in the number of points, this time it was 15.

Although greatly handicapped by the loss of their star forward, Terrill, who received an injury at the beginning of the game, the girls in Scarlet kept fighting to the end. Helen Rollins, a seventh grade pupil gave every indication of filling a stellar role next season.

The line-up:  
Manassas: Beachley, R.F. Terrill, Neil, L.F. Rollins, Bevans, J.C. Howell, Lunsford, S.C. Smith, Burke, R.G. Adams, Meetez, L.G. Godfrey  
Substitutions: Manassas—Beachley for Neil, Lynn for Beachley, Meetez for Burke, and Lloyd for Meetez; Haymarket—Carroll for Terrill.

The final game of the tournament was between the boys from Occoquan and Manassas. At the end of the first half the score was 5 to 5, but during the last half Manassas scored 15 points while Occoquan scored 8 points. The Manassas boys won by a score of 20 to 13.

Occoquan was subject to some discouragement because of a small following—Captain Nelson's team showed a lack of training in free throws and over anxiety in shooting from floor.

The Manassas team showed so many changes of complexion that the audience got dizzy trying to check up. Occoquan was right at their heels, and in the last few minutes of play, Manassas was satisfied to bounce the ball around to prevent any further scoring.

The entrance of Gilroy in the third quarter was the most heartening thing in the game. This lad deserves credit as he had just recovered from a spell of illness.

Professor Pullen watched his charges carefully, and his coaching had much to do with Manassas' victory.

The line-up:  
Manassas: Leith, R.F. Dawson, T. Kite, L.F. Wright, Smith, C. Lynn, W. Kite, R.G. Lloyd, Vetter, L.G. Hall  
Substitutions: Manassas—Gilroy for T. Kite, Suthpin for Leith, Compton for W. Kite, W. Kite for Vetter, Dalton for W. Kite; Occoquan—Lloyd for Dawson, Pelett for Hall.

Mr. W. F. Peach of Leesburg acted as referee for the tournament. After the completion of each game Professor Haydon delivered the county banners, first to Captain Beachley and later to Captain Wilson Kite. Each presentation was made with a few appropriate remarks.

## U. D. C. CHAPTER ENTERTAINED

Mrs. Albert Speiden, Mrs. A. O. O. Weedon, Miss Nolie Nelson Hostesses

Another delightful social and historical meeting of the Manassas Chapter United Daughters of the Confederacy was held at the home of Mrs. Albert Speiden on Battle Street Wednesday, February 4. She was assisted by her sister, Mrs. A. O. Weedon and her cousin, Miss Nolie Nelson, both members of Manassas Chapter. The meeting convened at 2 o'clock p. m. with Mrs. C. A. Sinclair, the president, in the chair. There were nineteen members present. After the usual opening prayer the minutes of the last meeting were read and approved. Reports were submitted from the various committees and officers among the most interesting was the report of the treasurer, Mrs. R. L. Byrd. She stated that all the obligations of the chapter for the year had been met in a check of \$55.80 to Miss Lucy Kurtz, State Treasurer. She read letters from the following out of town members expressing their interest in the work for this year and regretting that they could not meet with the Chapter more often; Miss Ella Garth, Miss Sadie Lynn, Mrs. Laura Raymond, and Miss Emma Shannon.

The floor was next given to Mrs. R. A. Hutchison, Chapter Historian, who had prepared another interesting historical program. Among those taking part were Mrs. Albert Speiden who answered a question—"Lumburg was the County of Virginia, formerly called the 'Old Free State'." Mrs. E. H. Hibbs answered—"Texas was the southern state that served under six flags." She also stated that there were three ex-presidents at the beginning of the war, Fillmore, Pierce, and Buchanan, and that all three democrats.

Mrs. M. M. Washington read an interesting paper on "The Gallant Pelham," which will be published in the Manassas Journal.

Mrs. Hutchison presented the scrap book to its custodian, Mrs. A. O. Weedon and many contributions for same were turned over to her, including an interesting picture of our beloved Lee.

A committee was appointed to place one or more southern books in the Carnegie Library.

Miss Kinchelee, Mrs. Ellis, and Mrs. Arey were appointed to serve on the visiting committee for the year 1931. All members were urged to subscribe to the Veteran. A letter was read from the West Virginia Division presenting the name of Mrs. W. E. R. Byrne as a candidate for the office of President General. A similar letter was read from the Georgia Division presenting the name of Mrs. Oscar McKenzie.

A committee was appointed to present to the Garden Club our problem of beautifying the historic "Old Stone Bridge," asking their co-operation and advice in this work.

Four new names were presented for membership and the registrar authorized to forward them application blanks. There are now eighty-one members on roll.

"Jefferson Davis, Christian Gentleman, martyr" was decided up as the best subject for the Eighth grade prize, given each year by Mr. C. A. Sinclair, in honor of his mother, Eloise Armistead Sinclair. The Virginia Division offers a prize of \$25 to the High Schools on "Robert E. Lee, Defender of the Constitution."

After the meeting adjourned a delightful social hour was spent while our charming hostesses served a fruit salad course.

This service is offered to the people of Prince William through the generosity of Dr. Stewart McBryde and Dr. Emlyn H. Marsteller who realizing that many of our people are not getting medical care because of their inability to pay for professional care. We are very much interested in getting our expectant mothers to take advantage of this opportunity. This service is limited to those unable to pay and will be sponsored by the Nursing committee. Many of our volunteer workers have offered their services to assist the County Nurse with these clinics every Friday morning.

## "A HOODOOED COON"

On Friday night, February 13, the Nokesville Dramatic Club will present a three-act play entitled "A Hoodooed Coon," with the following cast of players: Misery Moon, the Hoodooed Coon—Franklin Hibbs; Gideon Blair, a millionaire—Lester Huff; Tom Russell, as slick as a Whistle—Oather Fitzwater; Herman Tutt, an awful nut—Emery Gray; Patrick Keller, a ticket seller—Eugene Hedrick; Samantha Slade, a poor old maid—Mrs. Patton; Rosebud Reese, her charming niece—Dorothy McMichael; Paula Maleek, a Bolshevik—Geraldine Shepherd; Lula Perl, a rag time girl—Christine Hedrick.

This play is a lively farce full of laughing, provoking situation. Gideon Blair has determined to marry his grandchild, Rosebud, to the son of an old friend. If either of the young people refuse to marry the other, the one refusing loses a million dollars. Tom, who has never seen Rosebud, mistakes Samantha for the heiress and hires Latt to impersonate himself. Rosebud tries to persuade Tutt not to marry her by pretending insanity but when she finds out he is masquerading as Tom, she nearly scares the life out of him. Lula Perl whose speech is rag time and Paula Maleek, who is after her husband with a dynamite bomb, will keep you in suspense.

You will certainly agree that Samantha is a funny old maid and Patrick a bewildered ticket seller. But Misery Moon is the star actor. You won't wonder that Misery complains of hard times as conditions are in this 20th century for in a short period of time, his family increase from 6 to 21 'starvin' chillums'.

We'll do our best To give a good show, But we need some help From you, you know You will laugh outloud, Applaud and grin For our 'Hoodooed Coon' Can't help but win. You will start with a laugh And end with a roar And when it's all over You'll wish there were more. You won't be grumpy, You won't be glum, You'll be glad, by heck! That you had come.

## EASTERN STAR NOTES

A very successful card party was given at the home of Mr. and Mrs. J. L. Bushong on Tuesday evening. There were sixteen tables.

On Tuesday evening, there will be a "Hard Time" social for the members and their husbands.

On March 6, the Chapter will hold "Gentlemen's Night."

## RED CROSS FUNDS FOR LOCAL RELIEF

All Money Contributed here  
To Be Used Locally

Recognizing the unusual drought conditions and the ever-mounting list of unemployed in Prince William County the American Red Cross has eliminated this county from a quota in the nation wide \$10,000,000 drive it is now making for funds.

The Prince William County Chapter however, due to increased demands for assistance will inaugurate a drive for voluntary contributions to supplement funds already on hand in the local treasury but rapidly being depleted in relief work.

All funds collected in Prince William will be used in the county, no part of the money going to National headquarters, but the sum total will be credited to the National fund as a contribution from Prince William County.

Contributions may be sent or given to any of the following members of the county chapter executive committee, Gainesville—Mrs. Carvel Hall and Mrs. O. M. Douglas; Manassas—G. Raymond Ratcliffe and E. Swavely Brensville—Rev. J. Royal Cooke and W. L. Lloyd; Coles—W. Y. Ellicott and T. M. Russell; Dumfries J. F. McInteer and Mrs. Janie Abel; Occoquan—Mrs. Eva Kidwell Garner and Mrs. Egbert Thompson. Rev. F. F. Frame president of the Brentsville District Community Association will receive funds in Nokesville, and checks may also be mailed direct to Miss Loretta McGill, treasurer, in care of the Bank of Haymarket, Haymarket.

A meeting of the executive committee was held on Friday when Miss Sadie James, field supervisor of Northern Virginia for the American Red Cross told some interesting things about the work the organization was being called upon to do in this state. She also offered some timely suggestions for methods of carrying forward relief work in this county. The budget for 1931 was approved as read which cares for the county nursing service and special clinics as well as office upkeep and fixed charges. The National Organization is expected to send back its share of the money sent in from the enrollment drive recently held in Prince William and this will be added to other funds for use in relief work to be carried on under the guidance of the Civilian Home Service committee.

The survey being made by members of the committee reveals that distressing conditions prevail in far greater number than were anticipated and greatly increased funds will be required if more is to be done than just scratch the surface. People of the county are urged to ponder over the situation and then send in a contribution to any of the committee previously named.

Members of the executive attending the special meeting were Mrs. W. L. Lloyd, chairman of the county Red Cross Chapter; Rev. A. S. Gibson, vice chairman; Miss Loretta McGill, treasurer; Mrs. O. M. Douglas, thoroughfare; Rev. J. Royal Cooke; Brentsville; T. M. Russell; Coles; Mrs. Janie Abel, Dumfries; Mrs. G. Raymond Ratcliffe, Dr. E. H. Marsteller, Mrs. J. A. Delaney, Mrs. C. R. C. Johnson, Major F. W. Paterson and G. R. Ratcliffe. Rev. J. M. Frame, represented the Brentsville District Community Association, while Miss Sarah Pitts, home demonstration agent, was also present.

## BIBLE COURSE AGAIN OFFERED

Applications Should be Filed  
at Once

The series of Bible lectures which Dr. William Forrest, of the Extension Department, University of Virginia, has been giving will terminate on February 16 unless there be sufficient demand for a second course which will deal with the New Testament.

Anyone so interested should attend this Monday night and give their names in, or communicate either with Professor Haydon, or Miss Ruth Smith, who is secretary of the class.

This course is given at no cost to the students, and presents a very valuable opportunity for all who may be so interested.

(Editor's Note: The above statement is slightly in error. There appears to be a very small charge, with a minimum of fifteen students to a class.)

## TWIN CITY GOSSIP

(Woodbridge and Ocean)

There comes thru the air to my attention  
A glorious piece of news that I must mention;

Jakey Clarke, our hustling postmaster  
Has decided the innards of the post office to plaster.

He has called the interior decorator,  
Jimmy Dowell  
To bring some sand and some lime  
and a trowel,  
And now, betwix Jakey and Jimmy  
we all expect

To have things looking quite ritzy  
and correct.  
By the way, I want you folks to know  
that the plastering and papering  
of the post office has not advanced  
the price of two-cent stamps.

C. S. Pierce, Twin City West End  
postmaster let me in on a secret the other day.

Charlie orates that he is about to  
orate his candidacy for the House  
of Delegates, dog catcher, or official  
chaperon for Twin City's younger set.

B. W. Brunt says if Pierce turns  
any of the three saporous positions  
down count him as a favorite son.

Joe Hinto vociferates that if Uncle  
Nick will give him the job as his  
campaign manager that he feels sure  
he can put him over with a flop.

E. W. Thompson articulates for the  
information of his many friends, that  
he will not give up the plebeian calling  
of a bovine herdsmans' for the  
uncertain calling of an office seeker.

In the past few days reports have  
come to me filled with overflowing  
political flotsom. You are aware of  
the political minded in our sister  
county, Fairfax.

I understand the Health officials  
of Fairfax immunized several would  
be political leaders against hydrophobia.

I simply mention this as a veiled  
suggestion.

Prince Williamites are becoming  
politically minded I am wondering  
if we will have an epidemic of politico  
imbroglio. Dr. Malcolm says phlebotomy  
is the remedy for all such evils.

Now let's look over the very latest  
political roster. Potential, imaginary  
and real: First we find my good old  
friend Fred Hynson, Fred has a very  
aristocratic looking forehead, high as  
a pontifical expression. Sometimes  
dandruff will cause a high brow look  
it is much mooted question Does  
Fred need a good hair tonic or will  
going to the legislature answr the purpose.

Next we find the friend of all Ford  
owners, Charlie Cloe, Mayor of  
Triangle. I understand a political  
grasshopper is hopping around  
Charles' ten toes, and the palms of  
his feet are itching for a laymaker's  
seat in the Capitol of the Confederacy.  
Lynn Robertson, a perfect stranger  
to me, cataloged a pressing desire to  
hibernate in Richmond as a learned  
law erector. Dive and then paddle,  
if you don't drown—proof you can swim.

A certain Mr. Boatwright makes a  
bid for bench on Capitol Hill. Well,  
exactly five-ninths of his name spells  
"right." Bu you can't tell fortunes by  
a name.

Fred Lynn sniggerates that he will  
await developments and be governed  
strictly by the sign of the zodiac.

When Francis Barton Morgan was  
approached the other day and asked  
if he was going to be a candidate for  
the House of Delegates here is what  
Francis said: "If the people are deter-  
mined in having a darned fool to re-  
present 'em in Richmond let the  
questionable honors remain the private  
property of Stafford."

Tou Pee Davis says, he has taken  
epicac, vermifuge and some kind of  
an anti-toxin and honestly hopes that  
he will escape the political desire.  
Geo. Herring says that if he is drafted,  
he will choose to run.

Gulford Money says with a smile  
that he has taken unto himself an-  
other rib and finds that he will be  
unable to absent himself from home  
for an extended fight.

Owen Keys, speaketh and by gum!  
There rolls from his learned lips.  
Says Owen "As a native of Dumfries  
let's remain silent and hope for the best."

Geo. Waters reports a good show  
at the Gaiety.

Hon. W. L. Dodson says, Cherry  
Hill should be incorporated. He did  
not say why: Presumption is that the  
rare odor should be preserved for  
future posterity.

General Smedley D. Butler caused  
a dago eruption to break out on

mussy and musso transmitted a gar-  
lic effusion to our higher ups that has  
caused a scent to permeate our quiet  
and peaceful government. Let Butler  
alone and he will catch the hyponated  
bunch of raw garlic (mussy) and put  
him in our Nations Zoological IPark.

Mr. Shirley, the high priest of our  
highway department has at last lent  
a near to the complaining public.  
This Virginia Museolina has decided  
in favor of you and all the rest of  
us. Our road shoulders are safe for  
the time being. One hundred thou-  
sand spent in Virginia tearing up the  
hard shoulders of our highways and  
raining a very good highways into  
fashioned dunice stools and caps for  
a death trap. We need a few old  
our department of highways.

GEORGE DENT

Woodbridge, Va.

TO MR. GEORGE DENT

Greetings, dear George and also the  
Dent,  
Are you of Irish, English, or Scotch  
descent?

ot Scotch, I'm sure, or you never  
would be

So kind as to give such long columns  
free,

I knew a Dent once; she was straight  
as a tack.

She sat in a chair, but never leaned  
back.

Of meeting you I've ne'er had the  
pleasure

But I read your Gossip where'er I  
have leisure,

And I think you are good with your  
wit and satire.

(I enjoyed your bit about Hezekiah)

But some think your Gossip should  
be thrown in the fire.

By the way, Mr. Dent, when you're  
so free with your jokes and  
comments

Of folks, do they agree?  
Do you have their consent to so do?

Or do they stir up a stew?  
Some folks, you know, can't take a  
joke.

Better be careful, they might give  
you a poke.

Your poetry last week was quite fine  
You might give us more along that  
line.

Now don't think I've tried to give  
you a slam,

If you do, -er- Mr. Dent, I've run  
clean out of poetry.

Please excuse me till the next time.  
-Marlum.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize a Bible selection each week, it will prove a priceless heritage to them in after years.

BETTER THAN RUBIES—

Search the Scriptures; for in them ye think ye have eternal life; and they are they which testify of me.—John 5:39.

PRAYER:

O God, Thy way is a lamp unto my feet and a light upon my pathway.

END OF THE STRIKE

Termination of the Danville textile strike by a decision of the union that it is useless to continue it suddenly rolls back the curtain on the true state of affairs which have faced the mill operatives for some length of time and reveals with startling clarity the unhappy plight in which many of them find themselves today and their victimization. It has been a painful and a bitter lesson and one which the south as a whole will take to heart. The spearhead of the southern unionization movement has been dulled against the impregnable side of a corporation which had the courage to meet an attempt to wrest control of its affairs and which did it with dignity and not without magnanimity. Danville has been drained of a fair share of its commercial life blood by being made the stamping ground for paid seekers of the industrial Utopia who have become lost in the wilderness of failure.—Danville Bee.

## THE MARKET BASKET

Be sure you have plenty of vitamin "A" in your diet during the winter months if you hope to keep up a resistance to infections of the sinuses and air passages, ears and eyes, says the Bureau of Home Economics, U. S. Department of Agriculture.

People living on a minimum food budget should especially heed this warning and buy foods that will give them the maximum nutrition for their money. In the winter the body is subject to sudden chills and changes of temperature; consequently lack of adequate food is more quickly reflected in general well being during cold weather than in the summer.

Fresh whole milk, liver and kidney, green leafy vegetables, raw carrots, butter, and cod liver oil contain generous amounts of this vitamin "A," which is sometimes called the "anti-infective" vitamin. Laboratory tests on white rats, which show conclusively that whenever vitamin "A" is left out of the diet, the areas mentioned above are likely to become infected.

During the war Denmark exported its milk fat, and a great many Danish children developed eye infection. It is cleared up by feeding vitamin "A." In this respect the experiments on rats and humans were alike. It is probable that occurrences of other infections in human are similar to those found in rats that are fed rations deficient in this vitamin.

Vitamin "A" is necessary the year round the bureau says, and it is especially important for children, since it is also indispensable for normal growth. Food can satisfy the ap-

petite and yet not be sufficient for health. This condition often exists when there is not enough money to provide a wide variety of foods in the diet.

Children suffer more lasting effects than do adults during such periods as drought and the present employment emergency. If they eat foods which lack vitamins, they do not get the necessary materials with which to grow and build. Poor teeth, rickets, stunted growth and lowered resistance are the usual results.

The bureau has prepared the "Family Food Guide" which accompanies this article. Those who follow it will be safeguarded against the diseases that come in the train of malnutrition. It is composed of a comparatively large allowance of milk and cereal with little meat, fish, cheese, and eggs. This is supplemented by vegetables, fruits, legumes, and a relatively small amount of fats and sugar. Oranges or fresh or canned tomatoes are included to insure

against scurvy.

## Family Food Guide

Every meal—milk for children, bread for all.

Every day—Cereal in porridge or puddings, potatoes, tomatoes, (or oranges) for children, a green or yellow vegetable, a fruit or additional vegetable, milk for all.

Two to four times a week—tomatoes for all, dried beans and peas or canned eggs (especially for children), lean meat, fish or poultry, or cheese.

## LONE WOLF TO GO ON AIR

Sergeant Michael B. Ellis, who is officially credited with singlehandedly silencing ten machine guns and capturing 44 prisoners in the Argonne drive in 1917, is to be heard in the "Chevrolet Chronicles" hour over WMAL on February 14, at 7:30 p. m.

Known to his company as "The Lone Wolf" because he preferred to operate alone, Sergeant Ellis exploits behind enemy lines provide one of the

most spectacular chronicles of the World War and won for him the Congressional Medal of Honor, highest government award for extraordinary valor in action.

Frazier Hunt, one of America's best known journalists, will interview Sergeant Ellis for the radio audience, and tell the story, of which the official citation says, "Sgt. Ellis operated far in advance of the first wave of his company, voluntarily undertaking most dangerous missions. Flanking one emplacement he killed two of the enemy with rifle fire and captured seventeen others. Later he singlehandedly advanced under heavy fire and captured 27 prisoners, including two officers and six machine guns, which had been holding up the advance of the company. The captured officers indicated the locations of four other machine guns; and he in turn captured these, together with their crews, at all times showing marked heroism and fearlessness."

Musical arrangements by Frank Black and Gustave Haenschen complete the program.

## IN MEMORIAM

In sad but loving remembrance of my dear Father, Thomas I. Sullivan, who passed away one year ago today January 30, 1930.

No one knows how we have missed you dear Papa in this past year And although from earth you have parted.

You are in spirit ever near. Oh, how can I ever forget. One year ago today I stood by your bedside

Helpless and saw you pass away.

Moments of sadness hovers over me

Silently tear of sorrow flow.

How I listen for your footsteps and to hear your voice each day.

For there is not a day dear Papa, I do not think of you.

Memory keeps you near

Rest in peace thy cares ended

Rest in peace thy work is ended

You are gone where those who loved you soon are coming One by One.

Your devoted Daughter,

RITTIE M. OLEYAR.

## 21,000,000 MILES

### That's a Real Test For Any Gasoline and Motor Oil

IF all gasolines and motor oils were as high quality as "Standard," it wouldn't make any difference what kind you used: they'd all give you maximum results. But they aren't and they don't. The quality has to be proved and "Standard" does it with actual operating road tests—21,000,000 miles of them in one year.

Those 21,000,000 miles last year showed the power in ESSO, the Giant Power Fuel. They showed the excellence of "Standard" Gasoline; the extraordinary lubricating qualities of "Standard" Motor Oil. They stood the test in 371 passenger cars and 1,574 trucks—"Standard" vehicles driven daily over good roads, bad roads and no roads at all.

And those 21,000,000 miles proved the economy of using "Standard" Products. Costs were carefully watched. Miles per gallon checked. Engines were taken down and inspected. "Standard" Products proved themselves again. And their popularity with the public (they're two-to-one favorites) showed that motorists everywhere have found them *right*, too.

In the interests of your own pocketbook and the pleasure a smooth-running motor gives you, you can't ignore the results of the "Standard" 21,000,000 mile test. Stop at the nearest "Standard" service station or dealer's today and ask the operator to "fill 'er up!"

#### • "STANDARD" MEN ARE SAFE DRIVERS

because they obey the rule "Be Careful—Be Considerate"

Fifty careful miles every day is the average for each "Standard" vehicle. Here are a few records, selected at random, of the men who drive for "Standard":

Henry W. Wittman, Paterson, N. J., 23 years without a single accident.

W. W. Weaver, Norfolk, Va., 20 years without a single accident.

J. C. Mentzer, Havre de Grace, Md., 5 years without a single accident.

J. E. Ingram, Salisbury, N. C., 23 years—two minor accidents, neither of which was through any fault of his own.

H. H. Smith, Huntington, W. Va., 17 years without an accident.

W. L. Davis, Greenville, S. C., 14 years without a single accident.

HELP  
WANTEDNo Unemployment in  
Housekeeping

Jobs are scarce nowadays. But there's no lack of work for the woman who does her own housekeeping. She has enough to do, and that's certain.

In fact, the less work there is for other people, the more there is for her. Because in trying to save money during hard times she has to work harder than ever.

But women who trade in A&P stores find the work of saving on their food bills already done for them. It is done by an organization that is in the business of keeping food prices low.

### AN EXTRA CUTTING OF CLOVER FOR 25c PER ACRE!

Some domestic red clover of good purity is being retailed at \$17.00 to \$18.00 per bushel. Most of it is either Oregon and far western grown or is a blend containing such seed. This year there is an unusual temptation for farmers to take a chance on seed of this character, because of the saving of one or two dollars per bushel.

Let's think for a moment about the wisdom of this economy. First, what is the per acre saving?

Per acre cost, 10 lbs. Anthracnose Resistant Seed at \$19.50 per bushel ..... \$3.25  
Per acre cost, 10 lbs. Domestic or "American" Seed at \$18.00 per bushel ..... \$3.00  
Savings ..... .25

How about comparative results? The so-called adapted, though non-resistant to Anthracnose clover seed now being offered, will produce a lighter first crop, and is certain to produce little, if any, second cutting. Anthracnose resistant seed will produce a heavier first cutting, plus a good second crop with favorable season.

Isn't a second crop of clover worth 25c per acre, to say nothing of the value of 1-4 to 1-2 ton per acre greater yield at the first cutting?

If economy must be practiced, is it not the part of wisdom to sow 8 pounds per acre of adapted seed of the highest possible crop producing value at an acre cost of \$2.50, rather than 10 pounds of unadapted or doubtful seed at a cost of \$3.00?

The procedure insures a better crop and actually saves 40 cents per acre.

We need hay and lots of it. Is it not advisable to sow seed of known adaptation and certain high crop producing value?

Guaranteed Anthracnose Resistant Clover Seed. For sale at Prince William Farmers Service, Manassas, Va.

### I Now Have Sympathy for Job

Some city folks don't like the farm. But as for me, it holds a charm. It helps to drive dull cares away. Sometimes I think I'll always stay.

One day the folks set out for town, And left me there to do the round. They have a Holstein-Friesian bull. When he is penned he thinks it's full.

My boils pained me at every step; I did not have an ounce of pep. I entered in the bull's domain. He charged on me with might and main.

His charge was like a mighty host. And I just missed the bull pen post. He placed his head against my thigh and sent my heels a flying high.

He would have thrust me through the sky. But his short legs wouldn't reach that high.

My spirit was in great suspense. He set me on the barbed wire fence.

No eye to see my pitiful plight, I knew my face was a ghostly sight. He tried another boil to probe. I now have sympathy for "Job."

He lanced the last boil I possessed. And finally left me half undressed. My brand new shirt was ripped and torn. My trousers too looked badly worn.

He's the buttonest bull I ever met. If he hadn't stopped, he'd be butting yet.

You with this secret I'll intrust. There is no bull he can not bust.

Send those afflicted, one and all. He'll fix them up before next fall. I'll place a dollar bill in trust. For every bull he can not bust.
