

HEARTY OVATION GIVEN TO CARLIN

Former Congressman Very
Popular in Prince William

The old Prince William County courthouse was filled yesterday morning with those who came to witness Hon. C. C. Carlin unveil the picture of the late Elisha E. Meredith, Congressman from the Eighth District in the Nineties.

George G. Tyler, our revered and honored County clerk, introduced Mr. Carlin. Such an introduction was a formality purely as Mr. "C. C." is well known and highly regarded in Prince William, being our Congressman for over a decade. It seemed like old times to have him present, and the ovation he received certainly attested his personal popularity.

Mr. Carlin himself reviewed the life and work of Mr. Meredith, emphasizing the inspiration furnished by his sterling example.

Hon. Hawes Davies in accepting the portrait, stated that Mr. Meredith was born in Alabama December 26, 1848 and died July 29, 1900. He recited Mr. Meredith's accomplishments as Commonwealth's attorney, State Senator and U. S. Congressman.

He described Mr. Meredith as having "a warm and affectionate heart," and as being "ever conscientious and faithful to his duty."

The portrait was then hung by Mr. Newman, and court resumed its regular business.

Besides Mr. and Mrs. Carlin, there were present the widow, Mrs. Elisha Meredith, Mr. and Mrs. E. Contee Meredith, Mr. and Mrs. William Payne Meredith and Mrs. Thomas S. Meredith, (a sister-in-law to Mr. Meredith).

ANNUAL REPORT SHOWS PROGRESS

Manassas U. D. C. Chapter
Lauds Work of Officers

The Manassas Chapter U. D. C. held its regular monthly meeting on Wednesday, April 1, at the home of Mrs. C. B. Compton with Mrs. A. C. Hart assistant hostess.

Mrs. Hutchison read an interesting letter from Mrs. Kelly, State historian, lauding the chapter for the historical work done this year and urging the chapters to help put Virginia in the lead. Mrs. Kelly constantly urges more subscriptions to The Veteran, Mrs. Hutchison then talked on the prizes offered in the Virginia Division, making special mention of the \$250.00 prize offered by Miss Lou Gordon White of Nashville, Tenn., for the best story on the life of the early colonists in Virginia or one of the other Southern states. She also read an article on the three fold work of the U. D. C. and gave a talk on a Confederate monument in Georgia which she saw on her recent trip to Florida.

The Manassas High School History Class under Miss Lacy have entered the contest for the prize on "Lee, the Defender of the Constitution."

Mrs. Hutchison was given a loud applause for her recent victory in the old fashioned spelling bee.

A motion was carried that the prize of \$5.00 awarded the chapter be used to pay for the book contributed to the school library this year in honor of Mrs. Hutchison. The names of Mrs. Robert Smith and Mrs. C. A. Sinclair, Jr., were presented to the chapter for membership.

Mrs. Albert Speiden read an article on Memorial Day at Manassas in 1868.

Various committees were appointed to arrange the details regarding the entertainment of the delegates of the Fourth District and the historical program to be given on the evening of April 30.

Certificates of membership were awarded the following: Mrs. B. F. Knox, Manassas; Mrs. C. D. Robbins, Washington; Miss Lucretia Larkin, Manassas; and Mrs. O. J. Fitzwater, Nokesville.

Yearly Report

The chapter has held regular monthly meetings with an average attendance of nineteen, five of which were historical meetings. A new interest in the work has developed under the enthusiastic leadership of the president, Mrs. C. A. Sinclair, Sr., whose zealous efforts to make it a year worth while have met with a cooperative spirit from the officers.

FREE MEDICAL CLINIC ON FRIDAY

Free Medical Clinic is being held every Friday morning at 10 o'clock in the office of the County Nurse through the generous offer of Dr. E. H. Marsteller and Dr. Stewart McBryde who have volunteered their services to the people who are unable to pay for professional services. We are very anxious to have expectant mothers attend this clinic and be placed under proper medical care if they are unable to pay for the services of a physician. Many others go without any care at all and we are most anxious to have them receive prenatal care and instruction.

This service is strictly limited to those unable to pay.

FIREMEN HOLD BIG DINNER

Many Interesting Addresses
Given

About forty members and guests of the Volunteer Fire Department assembled at the Prince William Hotel yesterday evening to enjoy a real old fashioned ham and chicken dinner.

Joe Corum's biscuit held up things a trifle, but it gave Jess Crosby an excellent chance to tell how Joe earned it. Joe had several calls for a bite after he got the prize.

Horns and snapper caps furnished a lot of amusement while the boys were getting around a good dinner.

Chief Speiden opened the speaking by briefly eulogizing the Fire Department. He recalled some interesting events during the growth of the department in the last 30 years.

Mayor H. P. Davis delivered the speech of welcome, stating that such a meeting was the "beginning of a warm and lasting friendship between the big brothers and the little brothers." He stated further that there were "evidences of effective work all about us, or many of our homes would have been totally destroyed."

He described incidents leading up to purchases of better machinery resulting in increased efficiency in fire fighting, particularly the support given by the Council in the acquisition of our latest unit.

Mr. Speiden read a letter from Chief Geo. H. Watson, of the D. C. Fire Department, and then introduced Battalion Chief Edgar O'Connor.

Mr. O'Connor immediately put himself in right with his audience by his genial manner and sound convincing advice. He gave vital statistics for 1930 and suggested a slogan for the local department.

"First," he said, "Firemen must stand together. There must be no accident—no mistake—no help if you can do the work yourself, and there must be discipline. A man who can not obey orders has no place in the fire department."

Chief Speiden then introduced Chief Bartenstein, of Warrenton.

Mr. Bartenstein spoke for closer co-operation between companies. He highly praised the work of the auxiliary at Warrenton. During his talk, Mr. Bartenstein cited some valuable suggestions as to equipment and methods of property saving.

Chief Speiden read a telegram of regret from Chief J. M. Duncan, Jr., of Alexandria, who was detained by city affairs there.

A. J. Bargagnini, assistant drill master congratulated the boys on the excellent handling of the Atlee Wood fire recently, calling them "Washington's second line of defense." He warmly invited them to visit the training school at Washington.

Town Manager Cocke spoke briefly referring to some of the Town's fire prevention methods.

Col. Bob Hutchison gave a number of amusing details and old stories about the Town's fires.

Chief Tom Howard closed the evening by praising the growth of the company and its work. He emphasized and spoke feelingly for the support of the community.

OLD TIMES ARE RECALLED

The recent "Spelling Battle" at the Manassas High School revived memories of other days; when the older participants attended public schools of the County. The writer recalls those days with conflicting emotions—with pleasure as memory recalls the intimate relations with those whom we loved—and with sadness as we make a mental roll call of those who cannot answer.

The late Major William Willis Johnston was County Superintendent of Schools when we first attended and he was known all over the County as a great "school man," because he took a deep and abiding interest in the schools not only as a whole, but he did a lot of individual work among the pupils—gave them the personal touch. I don't recall that I ever had five minutes talk with the Major that he failed to give me some fatherly advice as to the future; and I have always appreciated his kindly interest as his admonitions have followed me like a beacon through the years. It was the custom of those times to have "Spelling Matches" Friday afternoon; and the pupils looked forward to them with great delight and expectancy.

When the time arrived for the "match", two pupils were designated as "captains" who chose those who were to spell on opposite sides, viewing with each other in choosing the best spellers. When a word was missed by a pupil on one side and spelled by one on the opposite side—the one missing it would drop out of the line, and thus one by one the lines were reduced until the "match" was over. It often happened, when the lines were reduced to one each side that they would spell for ten or fifteen minutes before one or the other would miss a word. The finances of the County and State were limited in those times and teachers, on an average, received twenty-five and thirty dollars per month—forty dollars being probably the maximum for any teacher. There were not as many subjects taught, in those days, as there are now; but the teachers insisted that the pupils master thoroughly the subjects taught.

Some of the outstanding teachers in those days were: William H. Richards, J. B. Thornton, R. H. Stuart, George J. Patton, John A. Nicol, Miss Nellie Leachman, Miss Ida Nicol, Miss May Weedman and many others whose names do not occur to me at this time. Many of these faithful teachers are with us no longer; their self-sacrifice for the public good however, remains as a monument to their memory.

DEFICIT SHOWN IN COUNTY FUNDS

Mayor Davis Gives Alarming
Figures to Kiwanis Club

The entire business period at the last meeting of the Kiwanis Club was taken to an interesting exposition of figures on County finances by Hon. H. P. Davis, mayor of Manassas.

J. OLIVER MARTIN

Mr. Davis showed the growth of a deficit determined for the first time by himself, Mr. M. M. Ellis and Mr. C. C. Lynn, supervisor of Manassas District. He stated that there was no practical cut for the Board of Supervisors to make in the budget but did emphasize a readjustment of road levies by which the deficit could be overcome in a year or two.

Mr. Davis gave some alarming figures in his digest, stating that the present system would precipitate a deficit of over \$24,000 by December 1, 1931.

At the meeting tomorrow night, J. Oliver Martin, of Falls Church, editor of the Transmitter, C. & P. Telephone monthly, will address the Club.

MISS MACKEN-SPOKE ON CITIZENSHIP LAST WEEK

Miss May Macken, Director of Christian Citizenship of Pennsylvania and State and National Lecturer and Organizer of the Woman's Christian Temperance Union, gave a forceful and instructive talk on Citizenship last week at the Methodist Church.

She said in regard to the often repeated statement that there was more drinking among young people of today than before prohibition that it has been proven that this is not true. A request was sent to every college president and high school principal in the United States asking them if there was more drinking among students now than before prohibition, and eighty per cent of the answers stated emphatically that there was not. They found an investigation that the students who drank were like the young crab who went backwards because the old crab did; they drank because it was used at home, or they got it from their fathers' bootleggers.

She also stated that there was not as much drinking among men today.

She made the statement that during saloon days in Philadelphia there were five hundred speakeasies raided in one day, showing that there was bootlegging before prohibition.

She said, while some advocate the return of liquor under government control as in Canada, it has been proven that the government does not control the bootleg whiskey in Canada, as large quantities of it are smuggled into the United States through the Detroit gateway.

She said laws were made not to force people to obey them, but to make it easier for them to do right and harder for them to do wrong.

MANASSAS HIGH DOWNS CULPEPER

Local Base Ball Team Stages
Rally in 5th To Beat
Culpeper 10-9

The story how the Manassas High School Base Ball Team staged a come back after having been on the small end of a 9-0 score was told Wednesday on the local diamond in a thrilling battle with Culpeper High School.

Conner started the flinging for the locals but found his aim to be a trifle bad in the second inning, after walking several men he voluntarily left the box. W. Kite was then ushered to the mound. Meanwhile the opponents had scored nine runs.

Taylor then took up the pitching task in the latter part of the second and pitched effective base ball thereafter, yielding only two hits, two walks and no runs in seven innings.

While Taylor was pitching air-tight base ball his mates were hitting the ball plenty. The high school lads staged their rally in the fifth when two were out, successive hits by Gilroy, Taylor, Smith, T. Kite, W. Kite, Conner and Leith's walk netted six tallies.

Manassas scored two more runs in the seventh and the tying and winning runs in the eighth.

Conner and Taylor were the leading hitters, each collecting three safeties.

MANASSAS HIGH SCHOOL NEWS

The school is settling down to work again after a refreshing Easter vacation.

The Senior Class will be well represented at the annual contest of The Strayer's College at Warrenton. Students from Fauquier, Stafford and Prince William Counties will compete, the prize, a three hundred dollar scholarship going to the student making the highest score.

We are looking forward to the school's annual operetta, "The Wild Rose", which will be held this Friday night in the high school auditorium.

Judging by the enthusiasm of those who attended the afternoon performance of the Puppet Show the show was well liked. The evening performance, however, was called off on account of rainy weather.

The following girls from the Commercial Department are taking the Civil Service Examinations this week: Mabel Payne, Roxie Ennis, Beulah Sowers, Sylvia Showalter, Mary Libeau, Mary Harrover, Marie Jasper, Virginia Metz, Gertrude Buckley, Elsie May, and Hilda Moser. We all wish them success.

THANKS

Mrs. Thomas Meredith of Gainesville presented the Journal office with a spray of a variety of narcissus, the bulbs of which were brought by her from the famous Talmadge Gardens in DeLand, Florida, where acres of these beautiful flowers are grown. The specimen is Soleil D'or (Sun of Gold). The petals are a delicate golden color, the centers are of deep gold and from ten to twelve flowers are grouped gracefully on each spike.

The Glee Club will meet on Monday afternoon, April 12 at 2:30 p. m. at the home of Mrs. Margaret Lewis.

PROSPECTS GOOD SAYS BANKER

Business Outlook Much Better
than a Few Months Ago

The Peoples National Bank of Manassas is celebrating twenty-eight years of service to Prince William and adjoining counties. In an interview on business conditions generally Mr. G. Raymond Ratcliffe, the widely known and very popular cashier of the Bank, states that business conditions are appreciably better and the outlook for 1931 much brighter than it was a few months ago. In speaking of the Peoples Bank Mr. Ratcliffe further stated:

The years tell the true story of this bank's strength. Not only has it grown in its own strength, but it has never failed to use this strength for the benefit of its depositors and the good of this community.

Our officers and directors have always been active in local affairs. Their personal interest in the men and women who bank here is being constantly shown in the way they are earnestly cooperating with individual depositors.

There is a great deal of genuine satisfaction in looking back over our active years of service, with their memories of loyal friendships formed, and of helpful co-operation in developing home interests.

This is a good bank. The years have proved it. Our depositors have proved it. We believe that we are in position to give you just the kind of friendly co-operation you need in the immediate future. Our strength of resources, our complete modern facilities, and the spirit of service shown by every officer and employee, make this a bank well able to give you the kind of service you will appreciate.

CHARITY BALL GAY IN COLORS

Large Throng Attends Annual
Social Event

The Easter Ball Monday night sponsored by the Woman's Club of Manassas, presented a brilliant social gathering in spite of inclement weather. The ball room was arranged and decorated as a formal garden. "Porches" lined the walls and were effectively furnished. In these skillfully fitted bowers were grouped the guests who were not dancing. Four exquisitely improvised chandeliers hung from the ceiling and in the gracefully draped meshes of the delicately tinted festoons birds were outlined against the soft light.

The music and refreshments were exceptionally good and dancing was continued to a late hour. The prize waltz was won by Miss Frances Bushong and Mr. Sedrick Saunders.

A large number of guests were present as many of the younger set were home for Easter vacation and were entertaining schoolmates who had returned with them for the holidays.

Mrs. G. Raymond Ratcliffe headed the receiving line assisted by Mrs. Sanders, Mrs. Whitmore, Mrs. Robert Smith, Mrs. Johnson, Mrs. Joe Lyon and Mrs. Swavely.

Chairmen of the committees were: floor, Mrs. Gill; refreshments, Mrs. Broadbuss; music, Mrs. Stuart Pattie; publicity, Mrs. Will Brower; decorations, Mrs. Illingworth.

At the close of the dance the announcement was made that another dance would be given the eighteenth of this month and the announcement was greeted with vociferous applause.

TWIN CITY GOSSIP

(Woodbridge and Occoquan)

Way up yonder where we can't go here, it rains, hail and snow. The chronic complainers that are howling about the dry weather that we have been so intimately connected with for the past year is now growling about too much rain.

When it's hot he wants it cold, and when it's cold he wants it hot—never being satisfied with what he's got.

It was a good many years ago that Deacon Callahan took his wife to the races. Just as the horses were lining up at the barriers, Mrs. Callahan grasped the Deacon nervously by the arm, and in a voice that was filled with emotion asked for a safety pin, meanwhile grabbing frantically after something that seemed to be slipping around the knees. Just then someone nearby shouted, "They're off!" and Mrs. Callahan fainted.

If seeing is deceiving, then hearing must be aggravatingly interesting.

Wade Hamphill reports that he has sidestepped the undertaker, and for the time being saved funeral expenses. That is fine—we are hoping the old fellow can pull thru the next one hundred years and plaster a latter day record in Twin City's hall of fame.

Did you read on the Journal's Editorial Page a parentheticalized contribution? We haven't any doubt—but, what this was written in all seriousness. My great kind and thoughtful contributor, why mention admitted facts? You say we need high class, serious and thoughtful embryological statesmen to represent Prince William and

Stafford in our Legislative Halls?

Ladies and gentlemen—behold! Here we have Arthur Sinclair Boatwright and George Washington Her-ring, these two gentlemen are generally known as high class dyed in the wool, blown in the bottle politically speaking democrats. They roll the scroll of time back to the days of Jefferson, and appear on friendly terms with that great man. It is generally rumored that the two claim a distant relationship with "Old Hickory." They smoke a very good grade of cigars, and both are adopted sons of this Legislative District. Why, sure if they keep their hands clean we will be satisfied.

We expect them in a short time to make a statement relative to the Enforcement Act, Short Ballot, appoint-

ment of School Trustees, Division Supts. of Schools, Tax on fyke nets, and giving back to Virginia citizens the rivers and creeks that the last Legislature turned over to the Mill-linaire red fisherman from out of the State. There are more than a dozen questions the voters will want to discuss with their candidates.

O-well, let's don't take the many questions up yet. We will await a time with patience for a statement from our would be servants. Shaking hands and saying "Have a cigar" will help us to get acquainted; but, will it make thinking voters?

We had the pleasure of meeting Mr. Lynch some time ago, and it was very gratifying to learn that Martin reads Twin City Gossip. Solomon says, "Every prudent man dealeth

with knowledge." (Martin was in company with Arthur, and again Solomon says, "They would have none of my counsel.")

Pete Woodyard, one of John Riley's prize dairy hands, treated the Woodyard family to a radio the other day. When Pete tunes in he gets on his knees. Yes, even at the radio Pete thinks he is milking a cow.

Dad: "Stop reaching across the table son, haven't you a tongue?"

Son: Yes, sir, but my arm is much longer.

We are glad to see Miss Nellie Alling out again. Miss Nellie has been confined to her room for the past two weeks with flu.

Walter Smith is still on the shady side of the road. Twin City hopes

The Word of God

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize a Bible selection each week, it will prove a priceless heritage to them in after years.

GREAT POWER FROM GOD
Behold, I give unto you power to tread on serpents and scorpions and over all the power of the enemy; and nothing shall by any means hurt you.—Luke 10:19.

PRAYER—O Father, help us to find that power by daring those things we fear to attempt.

Finances in Prince William

Mr. Ratcliffe's statement that business conditions in the County have improved, and show every indication of more improvement, will be received with confidence. No banker in Virginia has done more toward maintaining business poise and going the limit to help the farmers and business men of this area than Mr. Ratcliffe and he has the situation correctly before him.

"FEED A COLD"

The advice of the old time medical man to "feed a cold" had a solid scientific basis, if the theory tentatively advanced by Dr. E. V. McCullum of Johns Hopkins University should turn out to be correct. Dr. McCullum told the American College of Physicians at their annual clinical session in Baltimore the other day that a diet deficient in vitamin B produces symptoms suspiciously similar to those observable in common colds. He suggested that studies along this line might throw much light on the cause and prevention of our besetting cold-weather ailment. He had noticed, too, he said, that the discharge occurring during the break up of colds and in sinus troubles seem to take place also when there is a deficiency in vitamin A.

If a deficiency in vitamin B and perhaps A make one susceptible to colds, and if their presence tends to render one immune, then the old family doctor was on solid ground when he advised his patient to "feed" his cold. In giving free play to his appetite ye old time sniffer could hardly miss fortifying his system with these vitamins. In the old days people liked "greens" such as turnip tops and lettuce, as well as radishes, cress, beets, fruits, yeast bread, corn bread, hominy peas, beans, parsnips, liver, milk eggs, etc., all of which contain vitamin B or A or both.

The old time physician with his saddle bags, didn't know any thing about vitamins, and he said nothing about exercise, fresh air and sunshine. He did not need to. The old timers lived in the open more than the average person does today. But he knew a thing or two. He had observed that people of wholesome food built up a bodily resistance that enabled them to throw off colds more easily than those that did not. Anyway, they got the vitamins which play such a conspicuous part in the maintenance of health.

Stuart Cloe of Triangle, visited us the other day and reports that an egg can be cooked in the open on a slab of red-hot Stafford politics. You see Triangle is where the near by line inhabitants of Prince William and Stafford meet to cogitate.

Francis Barton Morgan and B. W. Brunt came over to see the other day, they made inquiry in regard to the ten greatest Virginians. These two highly respected gentlemen are adopted sons of Twin City, and so far as we know, the mere fact of their birth taking place outside of the old Dominion is the only reason that they cannot appear on Virginia's scroll of fame. While on the other hand we made it very plain that Twin City and other section of Virginia had real sons to swear by.

Seven of the eight members were present. They decided to buy swings with the money which we won as a prize in the Better Food Contest. Mr. W. R. Nelson was appointed as chairman of the committee to put up the swings.

Hazel Nelson gave demonstration on steps in making a seed bed. Afterwards the club discussed the making of seed bed. Plans for the club gardens were discussed. Delightful refreshments were served after which the club members went to see the demonstration garden.

ANNUAL REPORT SHOWS PROGRESS

(Continued from page 1)

and members.

Much credit is due the historian, Mrs. Robert A. Hutchison, for the delightful historical programs given at each meeting, for the rapid growth of the scrap book and for the number of interesting papers prepared by the members of the chapter. She has also interested the schools and the chapter in the Virginia Division prizes offered this year. The corresponding secretary, Miss Nollie Nelson, is commended for the number of beautiful letters of sympathy written to bereaved families, her kind remembrance of the birthdays of the disabled veterans in the community, and the many other letters in which she so faithfully fulfilled the duties of her responsible office.

The chapter is much indebted to its treasurer, Mrs. R. L. Byrd for her faithful attendance at the meetings and for the efforts she has made to keep alive an active interest between the chapter and its out of town members. It has been a real pleasure to hear from so many absent ones during the year. The registrar, Mrs. Albert Speiden, an efficient and experienced worker at all times, has been very prompt in furnishing blanks to the applicants for membership and is ever ready to assist any in filling them out. She is highly commended by the state registrar for the excellently filled out blanks that are sent in.

Mrs. C. M. Larkin, a faithful worker at all times, is recorder of crosses. She has had much experience in U. D. C. work having served the Chapter in nearly every office.

The loyal custodian, Mrs. W. A. Newman, keeps an ever watchful eye upon the chapter's properties. The vice presidents serving this year are Mrs. E. B. Giddings, Mrs. C. B. Compton, and Mrs. A. C. Hart.

The loyalty of the members and their generous response to all the obligations of the Chapter will surely make this a memorable year in the history of the Chapter and the hopes of the president are rapidly materializing as the many requests for membership blanks are filed each month.

There has been a revival of the spirit of the old South as the Chapter has met from time to time around the friendly firesides of its members and a deeper love and understanding have developed. Among the charming hostesses for the season have been Mrs. W. A. Newman, Mrs. E. H. Hibbs, Mrs. J. B. Thornton, Mrs. R. S. Hynson, Mrs. Albert Speiden, Mrs. A. O. Weedon, Miss Nollie Nelson, Mrs. G. G. Allen, Mrs. L. L. Lonas, Mrs. C. B. Compton and Mrs. A. C. Hart.

While it has been a happy and prosperous year there have been sorrows too as four of the chapter's most loyal and useful members have answered the final roll call and gone to their eternal rest. They are Mrs. Margaret R. Barbour, Mrs. L. A. Cockerell, Miss Kate Bridewell, and

Mrs. Jas. R. Larkin, all of distinguished Virginia families whose loyalty to their beloved South and its tradition will ever be an inspiration to those who knew and loved them.

The chapter has completed the quilt from which it realized \$155.00. In addition to the regular obligations for the year the following contributions have been made \$10 to the Civilian Relief Committee for charities in the County, \$25 to the Manassas Fire Department, and \$50 to the Stratford Fund.

The Chapter is being assisted by the Manassas Garden Club in trying to improve the "Old Stone Bridge."

A prize has been offered by Hon. C. A. Sinclair, Sr., to the eighth grade in honor of his mother, Eloise Armistead Sinclair. The Biography of General Stuart was given to the library. Four new members have been added to the roll making eighty-five on the active list and a number of blanks have sent in. A number of floral tributes and flags were sent from the chapter during the year.

One memorial service was held January 18, when the birthdays of Lee and Jackson were commemorated. The speaker for this occasion was Col. R. A. Hutchison, a prominent civic leader.

After the meeting adjourned a pleasant social hour was spent while the hostess served delicious refreshments. Mrs. Cloe E. Lay Hodge entertained at the piano with "Dixie."

**this runs into
real money:**

Each year the average American family eats approximately ten times its weight in food. It eats about 1329 pounds of fresh vegetables, 111 pounds of canned vegetables, 584 pounds of fresh fruit, 44 pounds of canned fruit, 587 pounds of meat, 371 pounds of bread, 424 pounds of sugar, 74 pounds of butter, 115 pounds of eggs—to name only a few items.

Figure it out for yourself. You buy thousands of pounds of food every year. A S & P stores offer savings all the way from a fraction of a cent to several cents a pound on different foods. When you buy food by the ton—as you do every year—these savings run into real money.

Choose Chevrolet

six-cylinder trucks for low first-cost
and unsurpassed economy

The economy of using Chevrolet six-cylinder trucks is an actual dollars-and-cents economy that shows up, month after month, on the balance sheet. It starts with a purchase price that is one of the lowest in the market for a complete unit. It continues throughout Chevrolet's long life with an operating cost that is unsurpassed! Consider, for example, the cost-records of leading national organizations who use large fleets of Chevrolets. They prove

(1) That no other trucks of equal capacity give any better gasoline, oil or tire mileage than Chevrolet. (2) That the cost of keeping a Chevrolet in satisfactory running order is unusually low. (3) That Chevrolet trucks are exceptionally reliable and long-lived.

Today, Chevrolet's proved economy is available to buyers in every truck-using field. For Chevrolet offers a new line of quality bodies that includes a type for every hauling requirement.

BODIES BY FISHER—In these bodies Fisher craftsmen have attained remarkable insulation against heat, cold and noise. Style, riding ease and safety also reach new standards. Upholstery of genuine whipcord or mohair combines good taste with exceptional durability. There is ample room for passengers.

NEW GO-H. P. ENGINE—Power alone never meant satisfactory performance. Through advanced engineering Pontiac has attained fine-car smoothness along with power ample for all driving needs and emergencies.

CHASSIS CUSHIONED WITH RUBBER—At more than 40 points, including spring shackles, the chassis is cushioned with rubber. Riding ease is notably increased—also the car's steadiness on the road. Protection from the effect of road shocks prolongs the car's life.

LARGE, POWERFUL BRAKES—In any emergency—in town or on the highway—the driver has full control of his car. Surely, evenly and powerfully, the big brakes grip all wheels. You are safe in all driving conditions.

ANOTHER EXAMPLE
OF FORD VALUE

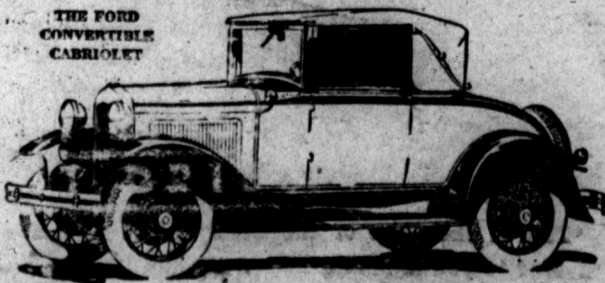

**Bright, enduring
RUSTLESS STEEL is used
for many exposed bright
metal parts of the Ford**

WHEN YOU BUY a Ford you buy enduring beauty. The body finish is made to last for the life of the car and practically all exposed bright metal parts except the bumpers are made of enduring Rustless Steel.

This Rustless Steel has great tensile strength. It is the same bright metal all the way through. A salt test equivalent to forty years' service under the severest weather conditions failed to have any effect on its brilliance. It never requires polishing. All you do is wipe it with a damp cloth, as you do your windshield.

This is just one of many features that show the substantial worth of the Ford. In speed, comfort, safety, economy and long life—in the richness of its finish and upholstery—it brings you everything you want or need in a motor car at an amazingly low price.

Call or phone for demonstration.
