ANNUAL REPORT OF WOMAN'S CLUB

Various Activities Indicate
Marked Achievements

DANCE AND CHARITY BAZAAR SET FOR NEAR FUTURE

Most Popular Girl Will Be Crowned
Queen of Festival

The regular meeting of the Woman's Club was held at the High School on Wednesday, April 8. Annual reports of the officers and committee chairmen were read. Mrs. R. H. Smith, Secretary read the annual report of the work of the club.

The Manassas Woman's Club has had a very active year. Eight new members have been added, three members resigned and two deaths, leaving our present membership 73.

The Club has devoted most of its interest this year to charitable projects. It helped carry out a tonsil clinic at which 95 children were successfully operated upon. \$100.00 was given for this fund, as well as aid in transporting the children to and from the hospital.

A Charity Ball was given at Easter for this purpose and \$133.58 was raised. \$100.00 was given for the clinic and \$33.58 was sent to the Crippled Children's Hospital in Richmond.

A delegate was sent to the State Convention in Danville in May at the expense of the Club.

Our wide awake Garden Section held a very beautiful Spring Show and plans for a Fall Show had to be abandoned on account of drought. They have had a very attractive year book made and distributed to members of the Club; have had tables made for use at their flower shows and helped the Daughters of Confederacy plan for planting the Old Stone Bridge. The members of the Club had a very pleasant and profitable day visiting the old gardens in Georgetown, May 14.

Thru the efforts of the Civic Section the practice of dumping refuse along the Public Highway has been discontinued. This section was responsible for the Christmas Community celebration, and also to have a sign erected at Centreville pointing to Manassas.

The Music Section is holding regular meetings. It decided with the help of the Club to sponsor music in the Public Schools of our town and raised \$350.00 of the 400.00 pledged. It has also decided to sponsor music in the public schools for this coming year.

The club donation of \$25.00 to the Library has been the mean of adding several valuable books to the shelves of the Library.

It was decided to help organize a Central Charities Committee which has since been named the Civilian Relief Committee to care for the needs of the County. This Committee has been successfully operating and has been invaluable during the present distressing conditions caused by drought. Over 2000 garments have been distributed and aid in food, etc., given where needed.

The Club held an Armistice Day Program with a speaker from Antioch Headquarters of the American Red Cross.

The members of the Visiting Committee have been assiduous in the performance of their duties, carrying fruit, flowers and words of good cheer to the sick and distressed members of the Club.

The Constitution of our Club has been revised and reprinted. A year book for the Club was made up by the Chairman of the Program Committee.

A number of our members attended the District Meeting at Ashton Heights, where Mrs. Swavely, our past President presided as District Chairman.

The Club helped prepare and distribute 65 Christmas baskets.

Thru the efforts of several members of the Club and with the help of other organizations and individual subscriptions around 50 children in Bennett School have been served hot lunches daily.

The Club decided to sponsor the Club essay, "How shall we spend our Sundays."

The visit and talk by our State President, Mrs. J. L. B. Buck was a delightful and instructive.

The Club's motto "Service" has been literally carried out by each and every member of the Club. We are looking forward to an even busier and happier year.

It was decided to hold a Dance on

Mrs. Meredith thanks the people of Prince William.

April 14, 1931.

Editor of the Manassas Journal,
Upon the occasion of the presentation of Mr. Meredith's portrait on Wednesday last, I have deeply touched by the many courtesies extended. It has indeed a consolation after so many years to hear the kind expressions regarding Mr. Meredith. It is needless for me to repeat how dearly Mr. Meredith loved the people of dear old Prince William who gave him his start in life and for this reason I am asking you to publish this so they may know how grateful I am.

Respectfully,

MRS. ELISHA E. MEREDITH.

HERRELL LOSES

TIGHT GAME

Shows Unusually Good Early Season Form

The Haymarket High School took the short end in a 2-1 score with the Swavely School on Tuesday. It was a very exciting game from the start to finish.

Garrett led off in the first for the losers and was out on a fly to short. McCuin next up singled and went to second on an error. Lightner next up sacrificed McCuin to third and Ashby drove a clean single to right scoring his man.

Herrell, for Haymarket, held the Swavely boys to two hits during the entire game and scoreless until the seventh. When the winners scored their two runs on one hit and three errors. Herrell was credited with thirteen strike-outs, five coming consecutively.

FIRST GAME TO HAYMARKET

Start on County Pennant Race

The Haymarket boys were victorious Friday when they defeated Nokesville in a score of 20-3. The Nokesville boys were outclassed and outplayed from the first. McCuin led for Haymarket with four runs and Garrett and Senseney followed with three apiece. H. Swank, Lisky and Fountain scored for Nokesville. Much excitement was caused by the triple made by Ashby and Senseney's home run, which is Haymarket's first this year. The game was long drawn out, for the Haymarket stayed in but so long. The Haymarket boys will play the Occoquan boys Friday at their home diamond.

April 18 and a Festival on April 25 to raise money to pay for having a music supervisor in our schools. These are to be held in the school gymnasium and it is hoped they will be generously patronized by every body in the community. The Festival promises to be a gala affair. There will be dancing, many stunts which will be free, in addition to the booths where the busy housewife may buy her Sunday dinner, etc. There will also be a Japanese Tea Garden, a Fish pond, a flower both, candy and Bingo. A contest will be held to see which girl in Manassas is the most attractive and popular. The one winning the most votes will be crowned Queen of the Festival.

The following officers were elected for the ensuing year: Mrs. Walter Sanders, president; Mrs. W. L. Lloyd first vice president; Mrs. M. M. Washington, second vice president; Mrs. J. P. Lyon, treasurer; Mrs. C. M. Larkin, recording secretary and Mrs. Noel Gill, corresponding secretary.

Miss Lulu Metz was appointed parliamentarian for the Club.

The speaker of the afternoon was Mr. R. C. Haydon, Superintendent of Schools of Prince William County. He talked in a most interesting way giving us figures of the County School Budget, showing receipts and disbursements. Among other interesting facts he stated that it costs the county \$23.61 per child for teaching and \$38.92 per child counting all expenses. For those children who are brought into the Consolidated Schools in busses, it costs an average of 10c per day for transportation which is much cheaper than maintaining the one-room schools and of course the children get better training. In the County there are 93 teachers and 3160 pupils which is a very good proportion of teachers to the pupils.

After Mr. Haydon's talk the meeting adjourned for a pleasant social hour.

The Bennett Graded School will have its Commencement Exercises on Friday, May 22. If the weather is favorable, the performances will be on the campus at five-thirty in the afternoon. If the weather is unfavorable, the exercises will be on the same day at 8 o'clock p. m. in the High School Auditorium.

Remember to Pay Your Poll Tax Before May 1

WILL YOU HELP?

Our State is almost on the eve
Of the Bicentennial year,
When we will entertain many visitors
To honor one Virginian's hold dear.

Each group is asked to take a part
To make our land more fair,
The Garden Club will do its bit,
And asks each one to share.

Let's make petunias our town flower,
And practice right this year
To let our many visitors see
How we can grow them here!

NORMA COOKSEY,
Garden Club Chairman.

WOMAN'S CLUB DANCE

The Woman's Club of Manassas will give a dance Saturday, April 18 in the High School Gymnasium. The proceeds will be used for music supervisor in the schools next session.

DIXIE THEATRE AGAIN OPEN

New Management Already
Operates Two Other
Amusements Houses

Mrs. W. D. Washington, who has operated the Warrenton Theatre for the past six years, and one at Middleburg for two years, has extended her operation to Manassas, where the opening show will be given Friday evening when Joan Crawford will be on the screen in "Dance — Fools — Dance."

Mrs. Washington has spent considerable in making sound proof improvements and installing new projection machines, which will prevent any loss of time in showing a picture.

The front of the building has been nicely painted and new electric fixtures in stalled.

Mr. W. K. Keys, from Warrenton will operate until Mr. Hibbs takes over the job.

There will be four entirely different shows each week, as stated elsewhere in the program for next week.

CLOSE GAME TO OCCOQUAN

Occoquan High successfully opened its 1931 baseball season on the home ground Friday, April 10 by defeating Manassas 5 to 4.

The weather was very unsatisfactory and at times play was ragged owing to a strong wind.

Occoquan's pitcher, Ralph Sheppard, was the outstanding player, striking 12 out of the opposing batsmen. Lynn made several sensational stops. Manassas catcher, Taylor, was their best bet, doing magnificent work behind the bat.

Feeling ran high several times but good sportsmanship prevailed throughout the game. In the second inning Occoquan made a determined rally and after scoring two runs were finally put out with the bases still loaded.

Manassas made a determined attempt to score in the last inning but fell before Sheppard who pushed over two strike-outs and a short pop fly.

AB R H E
Manassas 33 4 8 4
Occoquan 30 5 11 1

The leading sluggers for Occoquan were Dawson and Hinton, each with 3 hits and Reynolds with 2; for Manassas, Wetherall with 3 hits and Taylor with 2. Taylor and Hinton each scored 2 runs.

TO MAKE SURVEY

The Commercial Department of Manassas High School has been requested by the State Educational Association to make a business survey of Manassas.

This is in order to give the students a better adjustment between their classroom instruction and actual business practice.

Our students will visit local business men next week, and their cooperation is hoped for.

NOTICE

The Bennett Graded School will have its Commencement Exercises on Friday, May 22. If the weather is favorable, the performances will be on the campus at five-thirty in the afternoon. If the weather is unfavorable, the exercises will be on the same day at 8 o'clock p. m. in the High School Auditorium.

DUVALL JURY IS DISCHARGED

Fails to Agree after 3½ Hours
Balloting

A large crowd gathered at the Court House this morning to hear the case of the Commonwealth versus U. G. Duvall for the murder of his brother, R. H. Duvall at Headly on February 24.

According to the general scope of the evidence there had been considerable bad blood between the two for quite awhile. The defense produced a letter in which the death threat was noted. D. W. Posey and J. Frank Taylor testified as to hearing threats by R. H. Duvall in the past few months. Justice Hezekiah Reid spoke of the fact that both men had been to him with their troubles.

The defense asserted that the younger brother had forced U. G. Duvall from the road, and that in terror the fatal shot had been fired, (only one of 3 finding its mark). Sheriff Kerlin testified as to the position of the body and location of the weapons of the deceased. Daniel Reid also gave some evidence along the same lines.

M. F. Davis saw a man get off the car. Miss Eunice Fairfax testified as to what she heard and saw from the Wetherall house.

Both Mr. Lion for the Commonwealth and Mr. Davies for the defense summed up excellent arguments. The case went to the jury at 2:45. At 4:30 p. m. the jury was still hung.

DAUGHTERS OF CONFEDERACY TO MEET AT MANASSAS

A TRIBUTE

We have been requested to print the charming little poem to Elisha E. Meredith in Mr. Carlin's eulogy of Mr. Meredith.

Let fate do its work,

There are relics of joy,

Bright dreams of the past,

That it cannot destroy,

That come in the night-time

Of sorrow and care,

And bring back the features

That joy used to wear;

And like the vase in which roses

Have once been distilled;

You may break, you may shatter

The vase if you will

But the scent of the roses

Will hang around it still.

Emergency feeding and clover and catch crop meetings have already been held at Bethel by the committee.

MRS. ROBERT GRAHAM

Mrs. Louise Graham, wife of Mr. Robert B. Graham, died very suddenly at her late residence near Thoroughfare on April 2.

Funeral services were conducted at Antioch on April 4 by Rev. Mr. Carpenter, rector of St. Paul's Church, Haymarket and her remains were laid to rest in cemetery there.

BIBLE THOUGHT AND PRAYER

If parents will share their children's memories, a little selection each week, it will prove a priceless heritage to them in after years.

THE CHRISTIAN'S MISSION: Preach, saying, The kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils; freely ye have received, freely give. Matthew 10:7, 8.

IF THEY STAND UP

Our own feeling is that the fate of any community hangs, not on automobiles, good roads, mail order houses, and chain stores elsewhere as magnets of trade, but on the spirit of the people of which it is made up. If they throw up their hands and surrender, their community is doomed. If they stand up, use modern methods, make a real fight, then the automobiles which frequent their roads will be coming to their town after things, not going away from it after things.

There are three things that will keep the current of trade flowing to, rather than away from, a community. They are:

Good goods at right prices, adequately stocked.

Good Service.

Effective advertising.

If the merchants of any community will carry adequate stocks of merchandise of known values, will see to it that the people of their trade territory are provided with all of the modern conveniences of retail trade, and then will tell their little world about it, clearly and persistently, their community will not fade out. On the contrary, it will grow and flourish.

PLANT SOYBEANS EARLY

Soybeans may be seeded as late

as July in some sections of the state,

and in sections the early seedings

made the largest yields of hay. Here

is an illustration of this: At Blacks-

burg beans sown May 11 on a fertile

soil made over four tons of hay per

acre, while the same variety sown

June 30 made less than two tons per

acre. When sown July 14, the beans

were frosted before the proper stage

of cutting. The rate of seeding de-

pends upon the variety. One to one

and one-half bushels of Virginians

or Wilsons, and three pecks to a

bushel of Laredos, sown broadcast,

is about the correct amount. Usually

five pecks of Virginians or Wilsons,

and three pecks of Laredos are used.

With the larger seeded varieties, such

as Mammoth Yellow or Mammoth

Brown, it is necessary to sow two

bushels per acre. The first named

varieties make a better quality of

hay and the seed usually cost more

per bushel, but when the rate of seed-

ing is taken into consideration, the

acre seeding cost is very little, if

any, more.

ALL MY LIFE I HAVE BEEN IN DEBT
said a business man recently.

Yet, he is successful! Why? Because, as he himself acknowledges, he keeps his credit good.

Though in the development of his business he frequently incurs new obligations, he does not neglect his old obligations. By paying bills and notes promptly and by maintaining a reserve fund at the bank, he maintains a good credit rating, is trusted, and can borrow money from the bank when necessary for the further progress of his business.

Are you, too, endeavoring to KEEP YOUR CREDIT GOOD?

MODERN SPRING TONIC

Persons whose memories go back to the days of sulphur and molasses may think spring tonic has gone out of fashion. As a matter of fact, we have an up-to-date substitute for the old vernal dosing which is so natural and pleasant that we don't know we're taking it.

Dr. Louis Staley of the Federal Bureau of Home Economics

says fresh vegetables have supplanted the old time remedy for spring fever. Fresh vegetables if they are not overcooked, will do everything the spring tonic was supposed to do. Incidentally, the custom of eating fresh vegetables all the year around keeps us in such good condition generally that we don't even think of spring tonics or any ancient need of them.

LIXIE THEATRE SHOWS STARS

Earl Crawford and Richard Arlen Attractions for this Week End

When anybody recalls in conversation or memory a region that is very "near and dear" to the heart, it is known as "Gods Country."

"The Santa Fe Trail" is a narrative of "Gods Country," a Spanish basis of love and mystery as fascinating as the title of the original story, "Spanish Acres."

In settings undisturbed by the foot of a train, the glare of an automobile or any of the other noisy distractions of the modern city, there is unfolded a story of adventure and intrigue to hold audiences spellbound from the opening chorus of bleating sheep flocks totalling thousands, to a heart tugging climax in which characterful old Eugene Pallette, unable to understand love, topples over asleep counting the tumbling droves.

Arlen and Pallette are "buddies" again—and WHAT buddies; the flustered actions of Pallette as he feels the call of romance, only to lose to a younger and better looking man; his "man-from-home," matter-of-fact way of trying to talk Spanish to the queen of the fiesta; his calm and plodding way of elbowing off danger—they're going to talk about this Pallettable performances.

Juveniles will take sides, too, for Mitzi Green and Junior Durkin, who quarrel like all puppy lovers and make up; Mitzi, an exasperating imp who tests Durkin's patience to the full of his eleven years; how the audience will thrill when these youngsters outride warpath Indians to save their grown-up friends.

Rosita Moreno, new Latin beauty, has all the smoldering fire of Spanish temperament, coquettish and chaste, capricious; enjoying the delectable timidity of her newly found American friends, Arlen and Pallette. And her beauty reflects in Nature's miracle settings.

Hooper Atchley and Luis Alberni, new names and big names, men whose stage experience qualifies them for excellent portrayals as "heavy" and fiery Don father, respectively. advt.

JOHN GILBERT IN FORCEFUL ROLE

Seen to Great Advantage As Society Gunman of "Gentleman's Fate"

John Gilbert attains a new eminence in his new Metro-Goldwyn-Mayer picture, "Gentleman's Fate," returning to that romantic and dramatic type of role that brings to mind many of his former successes.

In point of characterization and story, however, the new Gilbert picture is as fresh as the motivation. In it he is a young man, reared to luxury, who finds himself a member of a rum-running, gang-warring family, instead of the society scion he thought himself.

The story is by Ursula Parrott, author of "The Divorcee," and is packed full of thrills and surprises. It was capably directed by Mervyn Le Roy with two leading ladies, Leila Hyams and Anita Page. One is the girl he loved. The other is the one he married.

Despite the gangland locale, the plot tells a sort of psychological human interest story but teems with dramatic episodes that border on the melodramatic at times but always job right back on the direct track the director has taken to bring it to the swift climax it reaches in a surprising end.

The supporting cast includes Louis Wolheim as the gangster-brother and Marie Prevost, John Miljan and George Cooper.

"THE SPOILERS"

To those who have seen the play, to those who have seen its double screen presentation in silent form, the talking edition will bring still greater thrills. The stage at best was only a foreshortening of the expansive outdoor setting requisite to the action. The silent screen did not compass the resonant timbre that comes with hearing living voices, crunching action, pummelling battle.

Cutie Quota Cut From Six to Two In Latest Oakie

Six charming and decorative Hollywood girls kept Jack Oakie company during the making of "Sea Legs," his recent starring picture. The quota was cut to two, however, when assignments were made to the cast of "The Gang Buster," his latest laugh-creator, Jean Arthur and Wynne Gibson supporting the entire feminine action.

"The Gang Buster" is Oakie's first surprise attack on the racketeers. Oakie finds his business crippled by the unscrupulous methods current in the underworld, and sets out to correct conditions from the bottom up. Incidentally, in doing so, he saves the life of a wealthy client and rescues his daughter from the clutches of the bad men.

In "The Gang Buster," Oakie is supported by an excellent cast, including, besides the two pulchritudinous sweethearts, William Boyd, as the chief menace to Oakie's pursuit of love, health and happiness, and Francis McDonald, in the role of an opposition gangster. Jean Arthur, who has been seen in many charming roles during a brief moving picture career, has here one of her best roles to date. Her previous role of distinction was in William Powell's "Street of Chance," in which she played the girl wife of Regis Toomey.

"The Gang Buster," while concentrating on the Oakie laughs, is built up with a series of thrill situations that keep interest in the action on the qui vive. The romance develops in a gangster hangout, while machine guns are popping and gangsters are hopping outside. A. Edward Sutherland, who made two other Oakie hits, "Sap from Syracuse" and "The Social Lion," directed by "The Gang Buster" from an original story by the popular screen writer, Percy Heath.

PRINCE WILLIAM COUNTY KITCHEN CONVENIENCE CAMPAIGN

The women of Prince William County are making a study of Home Management as their major project for the year. It has been estimated that the average housewife spends 8.06 hours each day in the kitchen. Since that is true it is very evident that kitchens are not adequately equipped for time and labor saving. The leaders of Home Demonstration Groups have taken this into consideration and have planned a campaign for more convenient kitchens. This campaign will be known as the "Kitchen Convenience Campaign" and will include any kitchen conveniences which make for the saving of time, steps or energy. Much of the equipment can be made at home with very little cost.

Some of the articles suggested for making the work in the kitchen more convenient and easier are:

Tea wagon, long handle dust pan, improved egg beater, electric refrigerator, dish drainer, scrubbing cart, built in cabinet, kettle top rack, knife rack, wood box (on rollers or filled from outside), thermometer, drain board, kitchen sink, foot lever garbage can, kitchen stool, step ladder, knife sharpener, clock, improved range and plate scraper.

A study of such equipment will be made in the Home Demonstration Groups during the year. Any one who is interested in installing any one of these articles, in rearranging the kitchen for more convenience, or in selecting another piece of equipment is entitled to membership in the campaign. The leaders of Home Demonstration groups and the Home Demonstration agent will be glad to give information, literature, or suggestions on equipment in which you are interested.

The women of the County are also invited to attend the group meeting in the community nearest you in which these topics are being discussed.

The campaign is open to any woman in Prince William County. You are privileged to enter whether you are contemplating having a Dover egg beater or an electric refrigerator. It is possible that one may be as much of a time and labor saver as others. Enrollments may come in any time prior to or through Better Homes Week, which closes May 2. The campaign period will close with the achievement program in the fall.

CASH and Marry!

We might go farther and say, "If you are a 'charge' it addict you'd better not marry!" Surely that insidious habit of deferring payment—of paying tomorrow for what you eat today—is as responsible for wrecking marital sailings as any other one cause.

Still there is some cause for rejoicing. Today there is far less "charging it" than there was a few years ago. Today there are far fewer conjugal scenes, with Papa tearing his hair and Mama weeping silently, over the monthly bill from the grocer's or butcher's.

The reason for this salutary state of affairs is this: fashions in ladies have changed. It used to be smart to be stupid. Now it's smart to be intelligent.

The fashionable woman of today is a keen, shrewd buyer. She can drive as good a bargain in buying groceries as her husband can in buying securities. She runs her household on a competent cash basis. Nine out of ten times—she is an A & P customer!

Through the generosity of Admiral Cary T. Grayson, I am able to offer the services of LONGWORTH, Imported (Son-in-Law out of Loaf Sugar by John 'o Gaunt), Son-In-Law, Champion Sire in England, 1930—his progeny won \$44,588½—approximately \$222,940.

Longworth is a magnificent individual, standing 16.3 hands high. He is superbly bred, as his tabulated pedigree will show. He was foaled in 1923 in England and sent to the United States as a foal. He won his first race in 1925 as a 2 year-old at Coney Island against 6 strong contenders a distance of 5½ furlongs. He won third race on same track a few days later against five outstanding 2 year olds.

Longworth's sire, Son-In-Law is by Dark Ronald, who is the sire of St. James, the winner of the Westchester Futurity in 1923 (approximately \$64,000 to the winner), and he is the sire of Jamestown, the winner of the Westchester Futurity in 1930 (approximately \$100,000 to the winner).
