### EULOGIES OF DECEASED MEMBERS

(read by Mrs. C. M. Larkin at the Jefferson Davis Memorial Exercises)

The cycle of time has quickly passed on its flight and again it is a sad duty but also a privilege to pay a living tribute to the loyal Daughters of the Manassas Chapter whom the ruthless warrior death has claimed the past year. Mrs. Margaret Williams Barbour, Mrs. Emma Hitt Cockrell, Mrs. Blanche Faris Larkin and Miss Katie Bridewell. With a membership numbering over eighty we may expect each year to bring sorrow and bereavement to us as our hearts again go out in sympathy to those whose homes have been made desolate and while we rejoice with those who rejoice we weep with those who weep.

Manassas Chapter feels keenly the loss of these devoted and valued daughters, Mrs. Margaret Barbour, our historian was a loyal Southern woman. She loved her native land and the cause that she knew to be right. She lived in those troublous times which stirred men's souls but was always unmindful of any bitterness. She cherished the hallowed past. Her life was one of beautiful service she gave generously of herself to her church and all organizations that stand for the best things in life and her noble deeds will live in the hearts of those who knew and loved her. She has left us a priceless heritage of blessed memories.

Mrs. Emma Hitt Cockrell whose death is also a distinct loss to the Chapter. Although an invalid for sometime which deprived her of attending and participating in the activities of the chapter. Her interest in the work of love never ceased and she was ever ready to aid in anyway that her strength permitted.

Mrs. Blanche Faris Larkin, too young to know and realize the privations and horrors of the sixties, yet was ever loyal and devoted to a cause which her father fought four long years for and ever lived and cherished its sacred memories. Mrs. Larkin was endowed by nature with those qualities which rendered her so useful. Her high ideals and wise judgment proved a blessing to any organization with which she was associated a woman of unusual ability and whatever her willing hands found to do she did and did it well.

Another distinct loss sustained by Manassas Chapter was the passing to the great beyond of Miss Katie Bridewell. By nature gentle unassuming and always courteous she was too young to realize the horror and sorrow of those trying times yet she was ever loyal and true to the work of the Chapter and ever ready and willing to do her part.

We mourn the loss of these valued women so highly esteemed and loyal to their duty as Daughters of the Confederacy. They have left us an example of character, sympathy and devotion, an example that each member can emulate and achieve while we mourn their loss, we feel sure that our Heavenly Father who endowed them with qualities which rendered them so useful here has reserved for them places in the fields of activities in the great beyond. Their lives have been full, their deeds the noblest, and acts the best, let us cover their memories with beautiful flowers these noble heroines of ours.

### Piedmont Well Represented at Manassas Banquet

Yesterday at noon a large crowd of representative dairymen and businessmen gathered at the Prince William Hotel to listen to plan for the promotion of a dairy festival for Piedmont Virginia.

Around current of commonsense judgment on milk production carried the thought of the meeting away from the real purpose until F. R. Hynson arose to remind the group that the real purpose of a festival is not to promote increased production but increased consumption through competent advertising media.

The address of welcome was given in a brief talk spirited talk by Mayor H. P. Davis of Manassas.

His talk was the gist of the whole meeting, and echoed the result of many painstaking moments. An outline was presented of the form of the celebration with even suggestive floats which were quite unique and interesting.

He announced that permission had already been secured to use the lawn of Annaburg for the pageantry.

As the temporary directors go out of office on July 1, it was announced that the more permanent organization would include men from nearby counties.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize a Bible selection each week, it will prove a precious heritage to them in after years.

A SURE DWELLING PLACE:  
—Trust in the Lord and do good  
—thou shalt dwell in the land,  
and verily thou shalt be fed.—  
Psalms 37:3.

## Conditions Satisfactory

Following rumors that conditions were not satisfactory at the County Jail a representative of the Journal called there yesterday afternoon unexpectedly and found the prisoners well nourished, and thoroughly satisfied as they could be in captivity.

In fact, one man stated that he had been in nine jails and that if the others were jails this was a summer resort, and it was not said in a slighting manner.

MS. G. W. ROSENBERGER SUC-  
CUMBS AT FREDERICKSBURG

Mrs. George Worthington Rosenberger expired in Fredericksburg, Wednesday, May 27, 1931, after a long illness.

Funeral services were conducted in Fredericksburg at 1:00 p. m. Friday afternoon, May 29, by the Rev. T. Ryland Sanford, pastor of the First Baptist Church at Fredericksburg, of which Mrs. Rosenberger was a member. Interment was in the Manassas Cemetery at 3 p. m. Friday afternoon, where services were conducted by the Rev. W. A. Hall, of the Presbyterian Church of Manassas. The pallbearers were Mr. Edwin Bennett Rosenberger, Mr. Warren Lee Rosenberger, and Mr. Clyde King Rosenberger, grandsons of Mrs. Rosenberger; and Mr. J. Arthur Vetter, Mr. Levi M. Nalls, and Mr. Charles W. Vetter.

Had Mrs. Rosenberger survived another she would have celebrated her seventy-fourth birthday.

Mrs. Rosenberger, who was Miss Kate Button McDonald, was born near Jefferson, Culpeper County, Va., June 23, 1857, of an old family of Virginia. She was the elder of the two daughters of Coleman and E. Frances McDonald. The late Mrs. Lucy Mildred McDonald Hall, for many years of Manassas, was her sister.

Mrs. Rosenberger was six years old at the death of her father, who gave his services and ultimately his life to his State and to the South in the Civil War. Coleman McDonald was a member of the Virginia Cavalry, Fourth Regiment, Company "D," "The Little Fork Rangers."

Mrs. Rosenberger united with the Baptist church when a young woman and remained a consistent member until death.

Mrs. Rosenberger was married in 1875. Mr. George Worthington Rosenberger was a native of Shenandoah County, Virginia, where the family, of German extraction, had lived for many years.

Soon after their marriage, Mr. and Mrs. Rosenberger moved to the old "Major Place," near Rixeyville, a plantation of ante bellum days, where they maintained their home until 1892 when they moved to Prince William County.

Mrs. Rosenberger was a member of the United Daughters of the Confederacy, holding her membership in the Manassas Chapter of the Virginia Division.

A singularly happy married life was brought to a close after nearly two score years by the death of Mr. Rosenberger in 1914. He was buried in the Manassas Cemetery.

In 1921 Mrs. Rosenberger visited Colorado and in 1923-1924 California.

Mrs. Rosenberger is survived by two sons, George L. Rosenberger of Alexandria, and Allen E. Rosenberger of Herndon; three daughters, Mrs. George W. Wilson of Aurora Hills, Mrs. G. W. Pelton of Washington and Mrs. Raymond C. Bailey of Fredericksburg; eleven grandchildren, Mrs. Elsie Grafton Rosenberger of Alexandria and Francis Coleman Rosenberger of Alexandria, Katherine Pelton, Gene Pelton and Robert Pelton of Washington; Raymond G. Bailey II of Fredericksburg, and Clyde King Rosenberger and Dorothy Allen Rosenberger of Herndon

and three great grand children, John Christian Galt II, Joseph Grafton Galt and Howard Smyer Galt.

## Mr. and Mrs. Wilson Entertain

The hospitable home of Mr. and Mrs. W. Park Wilson near Hickory Grove was the scene of reunion of many of the pupils of the Hickory Grove public school in its earlier days.

The old days were relived in sight of the old school house grounds; and after a bountiful dinner, company gathered around the piano where many old songs were sung under the leadership of Mr. T. Ramsay Taylor of Fairfax and an original poem was read which caused much merriment.

Mr. George Tyler of Haymarket favored the company with a solo on the "mouth organ" entitled "Chunk is Defunct" and Colonel Robert A. Hutchison sang a very touching song entitled "Let Me Call You Lizzie," which was much enjoyed.

Those present were Colonel Robert A. Hutchison of Manassas, Mr. and Mrs. Kit Wilson of Warrenton, Mr. and Mrs. J. F. Adams, Mr. and Mrs. T. Ramsay Taylor of Fairfax, Mr. and Mrs. W. P. Wilson, Mr. and Mrs. T. Gales Hutchison, Dr. Fred Hutchison, Mr. and Mrs. R. M. Weir, Mrs. Alice C. Hutchison, Misses Alice and Rachel Wilson, Alice Weir, Bessie and Margaret Sowers, Messrs. J. S. Gulick, G. L. Hutchison, Ed Watson, George Tyler, Bailey Tyler, Walter Gardner, Armistead Sinclair, and Jack Hutchison.

After many expressions of appreciation to their host and hostess, the old friends disbursed to meet again at a later date at the home of another member of "the old guard."

\$15 for the Coupe, De Luxe Coupe, Sport Coupe or Convertible Cabriolet \$20 for the Tudor Sedan, Standard Sedan, De Luxe Sedan, Town Sedan or Victoria

THE Triplex safety glass windshield has always been an outstanding feature of the Model A Ford. By reducing the dangers of flying glass, it has saved many lives and prevented countless injuries in automobile collisions.

Now comes a further assurance of safety to every Ford owner... polished plate safety glass in ALL DOORS AND WINDOWS at slight additional cost.

The charge for this extra protection is unusually low because of large production and the development of new methods of manufacture. Simply tell the dealer when you buy the Ford that you want "safety plate glass in all doors and windows" and the car will be factory-equipped for you in that manner.

Today, as before, the safety glass windshield is furnished as standard equipment on all Ford cars without extra charge.

**FORD OWNERS** This announcement refers only to NEW CARS. Ford dealers are not in a position to install safety glass in the windows of your present Ford at the above prices.

Recently formed under Successful Auspices

With a record attendance of only two absent members, the Woman's Club of Haymarket held its monthly meeting last week at the club's new quarters in the town library. Reports from each of the committees showed under what gratifying auspices the organization has recently been launched.

The painting and repainting of the library; adorning the grounds to that building, and the planting there and at the Haymarket Bank of beautiful shrubbery, were among the accomplishment included in the club's report covering the three months of its existence.

Chief among the features of last week's gathering of Woman's Clubs at Roanoke, given by Mrs. Eli Swavely, president of the Fourth District of the Woman's Clubs of Virginia. Graciously acknowledging Mrs. Amphlett's introduction as the "Mother of the Haymarket Club," Mrs. Swavely congratulated the members on what she termed their "wonderful accomplishments" and then described the gratifying feature of the general meeting at Roanoke.

Mrs. Newton J. Kerr, president, presided at the Haymarket gathering. Miss Loretto McGill gave her report as secretary; that of the treasurer being by Mrs. J. C. Tulloss.

In addition to Mrs. Terrill, the vice president, among those present were the following chairmen of the various committees:

Program Mrs. William Amphlett; Garden Mrs. C. J. Gilliss; Civic Mrs. B. B. Tulloss; Membership, Mrs. W. B. Garrett; Charity Mrs. Wade C. Payne; Publicity Miss Mary Tyler.

Delicious refreshments were served by the group selected for that purpose at the previous meeting: Mrs. Milton J. Lightner, Mrs. Otis Latham, Mrs. M. S. Melton and Miss Melton.

## Don't Rasp Your Throat With Harsh Irritants

"Reach for a  
LUCKY instead"

Place your finger on your Adam's Apple. You are actually touching your larynx—this is your voice box—it contains your vocal chords. When you consider your Adam's Apple, you are considering your throat—your vocal chords.

What is the effect of modern Ultra Violet Rays upon tobacco? Dr. E. E. Free, one of America's well-known scientists, who was retained by us to study Lucky Strike's manufacturing process, addressing the Illuminating Engineering Society, said:

"The essential effect of the Ultra Violet is the production of better tobacco and of cigarettes regarded by virtually all smokers who have tested them as milder and with a lesser tendency to cause throat irritation."

Here in America LUCKY STRIKE is the only cigarette that employs Ultra Violet Rays in connection with its exclusive "TOASTING" Process—the only cigarette that brings you the benefits of the exclusive "TOASTING" Process which expels certain harsh irritants present in all raw tobaccos.

### STANDARD RATING SCALE for Electric Refrigeration

- Is the refrigerator manufactured by a reliable company with proper experience in the electric refrigeration field?
- Has it plenty of food and shelf space?
- Is the cabinet itself well designed, sturdily built and properly insulated?
- Is there provision for the freezing of an adequate supply of ice cubes? (Quantity of ice rather than number of cubes, which may be of large or small size, should be taken into consideration.)
- Will the refrigerator constantly maintain a proper temperature for the preservation of foods?
- Can the freezing of ice cubes and desserts be speeded up when the need arises?
- Can this extra freezing speed for ice cubes be had without affecting the temperature on the food shelves? (Too low a temperature on the shelves will, of course, injure food.)
- Is there a place to keep ice cream, meat, fish, game, "quick frosted" foods or extra ice cubes indefinitely at a below freezing temperature?
- Are these various temperatures (a. extra fast freezing; b. fast freezing; c. below freezing for storage; and d. normal food preservation temperature) automatically maintained without any attention from the owner?
- Does the refrigerating unit operate often or infrequently? (The fewer "stops" and "starts" the longer the unit will last and the less it costs to run.)
- How long will the cooling unit continue to cool the refrigerator even though the current is shut off? (Refrigeration should continue for 10 or 12 hours.)
- Can the back parts of all shelves, even the lowest, be reached without kneeling or sitting down?
- Has provision been made for keeping vegetables fresh and crisp?
- Can the refrigerator top be used to "set things down for a moment" while the contents of the cabinet are being re-arranged?
- Will the refrigerator add to the attractiveness of the kitchen?
- Has the experience of users over a long period of years proved the refrigerator long-lived and dependable?

## COUNTY AGENT'S QUESTION BOX

When to Cut Sweet Clover for Hay

Sweet clover is primarily a soil improvement and grazing crop, but will make hay of high feeding value. However, if harvested for hay the year it is seeded, it should not be cut or grazed heavily until the latter part of August or the first of September. The reason for this is to allow the plants to develop a big root system, in order that a maximum growth should be made the second year. If used for hay the second year sweet clover should be cut before it blooms and becomes hard and waxy. When cutting it as a hay crop the second year it is important to raise the mower blade as high as possible in order that some of the leaves and branches will be left on the stubble. Otherwise, there will be no further growth and the plants will die.

CAN YOU ANSWER THIS?

1. Does it pay to side dress corn with quickly available nitrogen?
2. At what stage should it be applied?

## COMMUNITY TOUR LEAVES JUNE 27

includes Detroit, Cleveland and the Great Lakes

These are the days when one naturally thinks of vacation, and that brings up the question of where to go or what to do. This year the Manassas Journal is going to make it easy for you to plan your vacation trip. Haven't you often said to yourself that you would not mind taking a trip if it were all planned for you, and there was nothing for you to worry about? Well, the Manassas Journal has the trip all planned for you, in every detail. All you have to do is to say "Yes, I will go" and communicate with the Journal office and you will be booked for the trip.

What a wonderful trip it will be. Four glorious days. You have always wanted to see some of those large central western cities and the Great Lakes, and here is your opportunity. The tour which the Manassas Journal has arranged is a care free trip over the Pennsylvania Railroad to Detroit, with sightseeing through the city. Then a delightful cruise, during the afternoon and early evening, through the Detroit River and over the expansive waters of Lake Erie to Cleveland with still more sightseeing before retracing steps homeward by rail.

One of the outstanding appeals of a tour of this character is the convenience of schedule and hours of travel—it is virtually a daylight tour. It offers a rare opportunity to relax for a few days and gaze upon two great hives of industry.

Teachers and students may, in this delightful manner, further and more familiarize themselves with what their school told only meagerly in print.

The tour starts from Washington at 4:05 p. m. on Saturday, June 27, and on the return arrives at Washington 8:45 a. m. Wednesday, July 1.

Here is a tour for the whole family. Travel with your friends on this wonderful educational pleasure trip to one of the most interesting sections of our country.

Railroad fares have never been so cheap, and the total cost of this wonderful trip is only \$40.00 per person, including round trip railroad ticket, all sightseeing trips, all meals, steamer cruise over Lake Erie, and hotel accommodations at one of the best hotel accommodations at one of the best hotels at Detroit and at Cleveland, including room with bath. The trip will be personally conducted by a representative of the Pennsylvania Railroad and competent guides will be provided on sightseeing trips.

The Journal is not in the tour business but in view of the requests received from time to time for information of this character, we are offering this trip as one of educational and recreational value. Stop in the Journal office or write us for detailed itineraries. As the number of guests is limited, enroll now.

## PROSPEROUS TOWNS and PROSPEROUS PEOPLE

Modern office buildings make the V. P. S. Co. a part of the communities it serves

MANY towns used to be satisfied with dirt roads and kerosene lights. You won't find many of them today. People won't stand for old-fashioned methods. And business stays away from towns with old-fashioned ideas.

Communities formerly satisfied with small, isolated power plants built to furnish current for lighting only at night, demand adequate and unlimited power connections today. They must have it for their industrial development. It is this demand which the Virginia Public Service Company is meeting for 277 communities in Virginia and West Virginia.

These towns are growing. They will continue to grow because they offer definite advantages to manufacturers—skilled labor, transportation facilities, unlimited and low-cost power. Their growth guarantees our own growth and progress.

Virginia Public Service Company is offering its customers and others in the territory the opportunity to buy its 6% Preferred Shares. The par value is \$100 a share. It is fully paid and non-assessable. It is preferred both as to assets and dividends.

OVER 4,000 Virginians are shareholders. If you wish, you can buy shares on the Budget Plan—\$10 down; \$10 a share a month.
