

## RUST WINS SENATE RACE

### E. S. BROCKETT LEAVES BOARD

Resignation of Occoquan Member Generally Regretted.

The school board met Wednesday with all members present.

Manassas District School bonds amounting to \$2,000 were ordered paid.

Improvements were ordered to the wells at Dumfries, Woodbine and Summit (colored).

New Ford trucks were purchased for use at Manassas and Nokesville. One will be put on the route between Bob Cornwell's and Manassas via Blandford Bridge, the other between Nokesville and Brentsville via Bristow and Woodlawn.

Contracts for furnishing wood at Brentsville and Aden were awarded to R. B. Tolson.

A special committee made the following report:

At the regular meeting of the County School Board on the above date the following resolution was unanimously adopted:

"We, the members of the Prince William County School Board wish to express to Mr. E. S. Brockett our appreciation for his faithful and loyal work during his sixteen years' service as a member of this Board. We wish to commend him for the broad-minded manner in which he has always met the many difficulties which naturally arise in serving the public, and for his co-operative spirit with the members of the Board and the public in carrying through the many progressive changes necessary for the best interests of the children during his long administration.

"We wish to express with genuine regret of the School Board as a whole and of each individual member at the conditions that make it necessary for him to sever his connections with the School Board and feel that not only the children of Occoquan District but those of the entire county will miss his wise counsel, kind and affable disposition and keen interests in their welfare. We ask nothing better than that he continue his interest in the affairs of the School Board and in the education of the children of the county.

Signed,  
Prince William County School Board  
ANNIE G. CLINE,  
Committee."

R. C. Haydon, Clerk.

### POTOMAC BAPTIST ASSOCIATION

Bealeton Meeting Well Attended.

The Sunday School and Bible Convention of the Potomac Baptist Association held its thirty-ninth annual session at Bealeton, Va., commencing on the morning of July 30.

At 1 o'clock the meeting was called to order and Rev. J. Murray Taylor was made moderator. A fine address of welcome was made by the pastor of Bealeton Church and a hearty response by Bro. Travis Hoffman.

Miss Clara Hoffman of Richland Church presented a fine paper on "The Mission of the Sunday School" and Bro. J. R. Monroe followed in a most earnest address. Other brethren spoke briefly on their topics.

Miss Nora Estes of Zoar followed in a splendid paper on "The Great Purpose of the Sunday in Kingdom Building." Bro. Westwood Hutchison made a most instructive address on the same topic.

At 12 o'clock Rev. Lloyd Bouchard of Falmouth preached the annual sermon taking as his text the words of Jesus in Matthew 4: 19, "Follow me and I will make you fishers of men." His sermon was a plain and loving presentation of the call of Jesus to work for the saving of men and the blessedness of soul winning.

At recess a bountiful dinner was served in the high school building nearby. How pleased were the good women of Bealeton to minister to this large crowd of Christian workers!

In the afternoon session brethren R. P. Rixey and W. R. Keefe discussed on "The Interest of the Church in the Sunday School." These brethren showed that the Sunday School is the chief asset of the church and from its ranks must come the future recruits of the church.

"The Necessity of Presenting the

### AN APPRECIATION

I wish to express my grateful appreciation to my good friends of Prince William County for their loyalty and support not only on the day of election but throughout my entire campaign.

I trust I shall always merit the confidence which you have expressed in me, and shall endeavor, with your co-operation, to serve you in a successful manner.

R. M. WEIR.

FAUQUIER COUNTY FAIR,  
AUGUST 19-20

Plans are being perfected for the twenty-first annual Fauquier County Fair to be held at Marshall, Wednesday and Thursday, August 19 and 20.

At a meeting of the executive committee, Saturday, August 1, it was decided to add one new class in the Dairy Cattle Department if as many as ten entries can be obtained. This action was taken as the result of a request made by Mr. James P. Jenkins, Agricultural Instructor at Bealeton, some of whose pupils have excellent young Holsteins they wish to show. The class is for pure bred Holstein heifer calves under one year of age. The prizes will be \$15.00, \$10.00 and \$5.00 for first, second and third places, respectively, and the entrance fee will be \$1.50. At this writing there appears to be a certainty of nine entries and, as only ten are required, the class seems assured.

Another class that has been added is for half-bred suckling colts by Tom Tiger. Entrance is free. The prizes are given by Mr. John Waller of The Plains, Va., and are: First, service by Tom Tiger; second, \$10.00; third, \$5.00.

The following judges have been secured in the various departments:

Mr. M. C. Grimes, U. S. A., in the Horse Show.

Mr. Harry Russell, Winchester, Va., for heavy draft horses.

Mr. J. P. Kerlin of Summit Point, W. Va., and Mr. L. L. Little, Warrenton, for beef cattle.

Mr. R. G. Connelly, Extension Dairyman, Virginia Polytechnic Institute, for dairy cattle.

Mr. J. P. Keen, for Swine.

Mr. W. H. Byrne, Extension Agonomist, Virginia Polytechnic Institute, for farm products.

Mrs. William Skinner, The Plains, Va., and Miss Eva Lily O'Sullivan, Brandy, Va., in the Women's Department.

The judge for the Poultry Department has not been secured but the Management has invited Mr. Keiter of the Virginia State Department of Agriculture and Immigration, who is licensed as a poultry judge by the American Poultry Association.

In addition to the many prizes which total approximately \$6000.00 and are given by the Fauquier County Agricultural Society, there are other prizes offered by interested parties: The Marshall National Bank and Trust Company, Marshall, Va.; the Fauquier National Bank and the Peoples National Bank, both of Warrenton, Va., and the State Bank of Remington have donated the money for the prizes in the 4-H Club classes. These prizes will total approximately \$3000.00.

A silver cup presented by the Orange County Hunt will be awarded to the best pony in the show. This cup must be won twice by the same exhibitor before it can be retained by him.

The Fauquier National Bank is giving a silver bowl to the winner of Class 8 in the Dairy Cattle Department. The Manassas Milling Company is giving the prizes in classes 136 to 139 inclusive in the Women's Department.

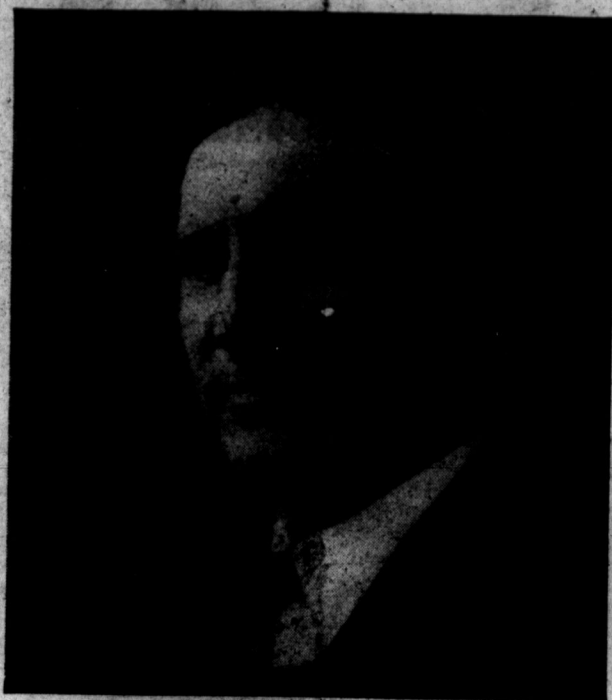

Entries for the fair close Saturday, August 8, and should be mailed now to W. G. Coleman, Sec., Marshall, Va.

Doctrines of Grace in our Sunday Schools brought forth illuminating remarks by brother W. R. Keefe, C. W. Brooke, P. H. Chelf and Clyde W. Hickerson. It was shown how important it is to instill into the young minds some knowledge of the soul saving truths of the gospel, especially such as repentance, justification, atonement and faith.

At the close of the services the hymn "On Jordan's Stormy Banks I Stand" was sung.

This ended one of the best sessions of our beloved Convention.

C. W. BROOKS, Sec'y.

HON. JOHN W. RUST,  
Democratic Nominee for State Senate

### Herring Carries Prince William and Stafford

#### ATTENTION!

Riders for the tournament are requested to notify Mrs. Rolfe Robertson, secretary of the Bull Run Grange, Haymarket, Va., under what name they will ride and what colors they will wear at the earliest possible date. There will be a fee of \$1.00 for each rider. Prominent speakers will give the charge to the knights and the coronation address.

#### CLUB DENIES

#### POLITICAL ACTIVITY

A political article in last week's issue of the Journal made some statements with reference to the Manassas Kiwanis Club which were uncalled for, and we believe a denial of same is due the many friends of the Kiwanis Club throughout the county.

The Manassas Kiwanis Club has never, in a meeting of the Board of Directors, the various committees, or at a regular meeting of the club, had any discussion concerning, or taken any action toward securing the appointment, nomination or election of any man for any political office. The club is strictly non-partisan and non-political, and while the members are naturally free to exercise their rights as citizens, no partisan or political discussions are allowed at club meetings.

C. R. C. JOHNSON, President.  
JAS. E. BRADFORD, Secretary.

### LAKE JACKSON DEDICATION

Hon. Wilson Farr Will Make Address.

On Saturday, August 8, from 10 a. m. to 6 p. m., an all-day picnic and dedication will be held at Lake Jackson, near Manassas. The speaker of the day is Hon. Wilson Farr, of Fairfax. There will be recreation of all kinds, boating, swimming, bathing and dancing.

In addition to these features of entertainment all present will be permitted to participate in the giving away free of two beautiful lots, together with recreational privileges of the lake. A prize of \$20 in gold is also offered.

### JUDGE AYLETTE BANDER NICOL

Judge Aylette B. Nicol, eldest child of the late Chas. Nicol and Louise B. Nicol. Mr. Nicol entered Richmond College to study law where he graduated, and afterwards to the University of Virginia.

Moving to Alexandria, Va., in 1905 Mr. Nicol practiced law in that city. Several years ago he was made judge of the juvenile court.

In 1925 he married Miss Mary Prudence Terry of Fall River, Mass. Since his wife's death which occurred three years ago Mr. Nicol had been in poor health and on July 21, died at the Naval Hospital, Washington, D. C.

Mr. Nicol is survived by his four sisters, Mrs. Benj. F. Iden of Washington, D. C., Misses Julia Core, Mary Louise and Fannie B. Nicol of Alexandria, Va.

The interment took place at Ivy Hill Cemetery, Alexandria, Va. Honorary pallbearers were James Randall Caton, Jr., Judge Robinson Moncure, F. Clinton Knight, Robert H. Cox, Norman L. Williamson, James R. Mansfield, James M. Duncan, Sr., and Q. N. Anderson. Active pallbearers were Hon. Thomas H. Lion, Manassas, Va., Dew Washington of Washington, D. C., Kench T. Marge of Washington, Judge William P. Woolk, Charles Henry Smith, Chas. M. Shefferson, Harvey W. Callender and William Bose Marye of Baltimore, Md.

#### MARRIAGE RECORD

August 3—Emory C. Carter, of Manassas, and Nannie May Smith, of Gainesville.

### Weir and Kerlin Returned to Office.

LYNN, ROLAND, EARHART, MERCHANT AND DAWSON ELECTED SUPERVISORS.

Spirited local contests marked the Primary election all over the state. There were no general issues up for consideration, but the contests over the various county and legislative offices brought out an unusually large vote and, unfortunately, there was some pretty ruthless tactics used in many localities.

Hon. John Rust, of Fairfax, was selected as Democratic nominee for election to the State Senate to represent Prince William, Fairfax, Arlington and Alexandria. The vote stood throughout the District, 5,348 to 4,163. The detailed vote was as follows:

	Rust	Jesse
Arlington	818	1582
Fairfax	2876	789
Alexandria	413	993
Prince William	1237	802

It had been predicted that Mr. Rust, who is a native of Prince William and a resident of Fairfax, would poll a handsome vote with the home folks, but the surprising feature of the election was the smallness of the Arlington and Alexandria City vote. The failure of party leaders in Arlington to hold a Primary for their local offices is generally believed to account for the smallness of the vote there, and the widespread lack of interest operated to disadvantage of Col. Jesse.

Prince William and Stafford have one Delegate in the General Assembly. In this contest Herring defeated Boatwright by a substantial vote of 1319 to 684. Mr. Herring's majority in Stafford was about 350. In contrast to some of the contests for local and district offices, the fight between Herring and Boatwright was waged upon a higher plane, the defeated candidate winning the admiration of a wide circle of friends, particularly in his splendid statement issued immediately after the results were known and which is published elsewhere in this issue of the Journal.

The contest between the for Commissioners and for Supervisor was won by Herring.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in later years.

BE KIND TO THE ERRING:—Brethren, if a man be overtaken in a fault, ye which are spiritual, restore such a one in the spirit of meekness; considering thyself, lest thou also be tempted.—Galathians 6: 1.

BRAVE KNIGHTS—

## FAIR LADIES

(Newport News Daily Press)

Another attempt will be made on Thursday to revive in this community the "ancient and honorable" pastime of jousting. Tournaments probably had their origin in France in the eleventh century. In days of old when knights were bold, men sometimes fought to the death for the honor of selecting and crowning the queen of love and beauty. Sir Walter Scott paints an excellent picture of the tournament in his "Ivanhoe." The custom, refined from actual mortal combat to the tilting at rings, was brought to Virginia by the Cavaliers.

Tournaments probably reached the height of their popularity in Virginia just prior to the Civil War. Knights arrayed in garb of old mounted their spirited chargers and tilted at the swinging rings, seeking to impinge them on a lance. The jousting was followed by a ball, at which the Queen of Love and Beauty was crowned by the victor of the tournament, and the flowing went the rounds.

The sport is a colorful one. It requires good riding, a keen eye, a steady hand and much practice. It is reminiscent of the days of chivalry, of which we have much too little in this bustling age and if revived in this community on a grand scale would prove a drawing card for visitors from all parts of the country.

## DOGS IN HOT WEATHER

The dog who snaps in hot weather probably has not got rabies. He is hot, and he is tired and he is cross, just exactly as his human neighbors are. A cool drink of water, a cool bath whether he likes it or not, a cool place to stay in the back yard in the shade are the remedies—not shooting.

Let the veterinary surgeon be the one to say whether a dog has rabies. If he has, the quicker he died the better for him as well as for everyone else. But don't shoot a dog because he's hot. Give him a sporting chance.

Smaller children should not play with dogs in hot weather. The dog does not know what is the matter—he just knows he's uncomfortable but he cannot stand the teasing which he endures so patiently and humorously in the cool. And no children, or grown-ups either, should at any time try to play with

strange dogs. Almost any dog will resent familiarity from a stranger which he welcomes from his own folks.

In which respect, as in many others, dogs are strangely like the best and most sensible people.

## HOW OUR CUSTOMERS GAIN

You can always see the newest electric appliances in the modern offices of V. P. S. Co.

EXPERIENCE has shown that the best way to give communities unlimited, low-cost electricity is by interconnecting high power transmission lines. In other words, make lots of electricity in a few central spots and then send it over the wires to wherever it is needed. That sounds sensible, doesn't it? It is.

And experience has also shown this—

The more communities served, the more electricity used—the less it costs each customer.

Look at these figures. In 1929, the residential customers of the Virginia Public Service Company used an average of 610 kilowatt hours of electricity. The average cost was 7.1 cents per KWH. In 1930, they used an average of 690 kilowatt hours. The cost went down to 5.98 cents per KWH. During 1930, the company added 4,872 new customers—1,341 of them were rural customers. It now serves 277 communities.

We are proud of these figures. We are proud of the part we are playing in the agricultural and industrial growth of the progressive communities in Virginia and West Virginia.

If you wish, you can have a part in Virginia's growth. Buy the 6% Preferred Shares of the Virginia Public Service Company. Par value is \$100 a share, and it is preferred both as to dividends and assets. It is fully paid and non-assessable.

## Drivers of sixes never want less

because it takes six cylinders to give the smooth,  
silent power that makes driving really enjoyable

Ask some of your friends who own sixes if they would ever consider driving a car with fewer cylinders again. Their answers explain why sixes are so popular today.

Drivers of sixes are spoiled for anything less. They would no more think of giving up "six" performance than of giving up any other real advancement of motoring. For them, the whole cylinder question has been settled, once and for all.

Drive a Chevrolet Six, and you'll know the reason why. Step on the starter, let the motor idle—and notice how silently it runs. Throw in the clutch, shift into "low"—and feel that smooth flow of power.

Change into "second," hit a faster clip, slip into "high," sweep along at top speed—then throttle down

to barely a crawl. The smoothness and flexibility you always get are six-cylinder smoothness, six-cylinder flexibility. Annoying vibration is gone.

Then, before you leave the six-cylinder Chevrolet, raise the hood while the engine is running—take a look at the source of its performance. The firm, steady operation of six cylinders means lasting dependability. Wearing vibration is reduced. There is less need for repairs.

Over two million owners have proved the value of Chevrolet's six-cylinder design. They have found that Chevrolet costs less for gas, oil and repairs than any other automobile. They

have found it smoother, quieter, more enjoyable in operation! They know a six is better—and would never be satisfied with less!
