

COMMITTEES ANNOUNCED FOR PIEDMONT DAIRY FESTIVAL

DAIRY FESTIVAL MEETING WELL ATTENDED

Committees Appointed and Requested to Meet Next Wednesday Night.

The mass meeting in interest of the Piedmont Dairy Festival which was held Wednesday night in the auditorium of the Manassas High School was especially well attended despite the unfavorable weather. Realizing the great responsibility that rests upon the people of Manassas, Prince William and adjoining counties, those interested are vigorously pushing arrangements to the climax, which will be a Prince William Fair, from which all Piedmont, Va., will derive benefit.

As the dairy industry is the chief enterprise of Prince William and adjoining counties it was clearly demonstrated that everyone here would profit from a successful Dairy Festival. Co-operation is being sought from businessmen, farmers, dairymen and such well-known organizations as the District of Columbia Milk Distributors, the Washington Dairy Council, the State Agricultural and Extension Divisions of Virginia and Maryland, the Virginia Milk Producers Association and other interested agencies.

Among those who spoke were Mr. Poon, secretary of the Washington Dairy Council. He emphasized the importance of educating the public as to the real food value of milk, stating that a true appreciation of the facts will insure the prosperity of the dairy industry.

Mr. John McGill of the Maryland-Virginia Milk Producers Association pledged the support of his organization and gave many practical suggestions.

Mr. R. G. Connelly, of Blacksburg, discussed the practical value to community welfare of herd improvement and other lines of agricultural betterment and stated that the United States Department of Agriculture and the State authorities would co-operate in every way possible.

Prof. J. P. Pullen presented assurances from D. J. Howard, acting director of Vocational Education for Virginia, that full co-operation of his department, and of the ten agricultural instructors in the counties of Piedmont Virginia would be given. A letter has also been received from W. S. Sadler promising an early visit by representative of the State Dairy-man's Association.

From the co-operation already manifested, it is certain that Fauquier, Fairfax and Stafford Counties will join wholeheartedly in the enterprise.

After the interesting discussion, Director General F. R. Hynson announced the following committee appointments and requested that all committees meet next Wednesday night, Sept. 9, at 8 p. m. in the Town Hall of Manassas.

COLEMAN-FLYNN

A beautiful home wedding was celebrated Saturday afternoon, August 29, at 4 o'clock, at the home of Mr. Robert Flinn, near Alberta, Va., when his granddaughter, Miss Indie Wilkins Flinn, daughter of S. C. Flinn, became the bride of Warren E. Coleman, son of T. F. Coleman, of Manassas.

The celebrant was A. W. Roten, pastor of Bethel Church.

The home was beautifully decorated with evergreens, ferns, cathedral candles, with cut flowers throughout the house. While the guests were assembling, Mrs. Emory Samford gave a short musical program and during the ceremony played "To A Wild Rose."

Miss Elizabeth Flinn, sister of the bride, was maid of honor. She wore pink chiffon with blue accessories. Her flowers were a shower bouquet of roses and delphinium.

The bride was dressed in white chiffon and rose point lace; an illusion veil caught with orange blossoms. She carried a white prayer book with a shower of lilies of the valley.

The bride came down the stairway with her father who gave her in marriage.

The groom was attended by Meade Flinn, of Alberta, as best man.

Little Flinn Settle, nephew of the bride, wearing a silk suit, carried the ring in a basket.

After the marriage, the bridal party formed a receiving line and a reception was held for the guests. Refreshments were served. Following the reception Mr. and Mrs. Coleman went by automobile for a bridal trip, their itinerary being unannounced. Early during September, they will be at home in Manassas.

Other than the immediate families of the bride and groom, guests invited included the following:

PORTRAITS OF WASHINGTON FOR ALL SCHOOL ROOMS

FAITH, HOPE AND CHARITY

The story is going the rounds of the farmer who said he had a better understanding of the Three Graces than ever before. During the Harding administration he lived on Faith; during the Coolidge administration, on Hope, and under the Hoover regime on Charity.—Danville, Ind., Gazette.

LADIES MEMORIAL ASSOCIATION

Last May, Mrs. Edmonia Sinclair was appointed a special committee to head a membership drive of the Ladies Memorial Association, or past organization from which the Daughters of the Confederacy really received its inspiration.

In later years it has been said that this organization was dying down. Since May, Mrs. Sinclair has added thirty members to the local chapter, and an enthusiastic meeting was held this afternoon at the home of Mrs. Lizzie Larkin.

The first association of this nature was formed at Winchester in 1865. The idea spread rapidly and in 1887, the Union veterans caught the idea and established May 3 as a Federal holiday.

The Southern Memorial dates depend much on the locality. As generally some local event inspires the use of some fixed day. Generally it is June 8, birthday of President Davis and a legal holiday in the South, in Alexandria, it is May 24, in Fairfax County June 1, but the date selected by the General Assembly for the Ladies Memorial Association is May 30.

Congressman Smith Makes Important Announcement.

Announcement was made today by Congressman Howard W. Smith, of Alexandria, that every schoolroom of every school in his district will, within a few weeks after the opening of the new school term, receive a beautiful portrait-poster of George Washington, executed in colors.

The portrait to be used in those posters is a reproduction of the famous Gilbert Stuart Athenaeum painting and will be 22 inches by 28 inches in size. This poster was selected after a good deal of study, and is considered the finest example of poster-making available.

The poster-pictures, featuring George Washington are being distributed by Judge Smith in co-operation with the United States George Washington Bicentennial Commission of Washington, D. C., in order to stimulate interest among the thousands of school children of the district in the coming nine-month celebration of the Two Hundredth Anniversary of the Birth of the Father of our Country. Judge Smith is in constant touch with the activities of the United States George Washington Bicentennial Commission which was created by Congress to formulate and execute plans for the great celebration in 1932.

The United States Commission is placing a good deal of emphasis on the co-operation of the school children of America in this historic event. This poster-picture is just one feature of its work.

The George Washington Bicentennial Celebration will begin on February 22, 1932 and last until the following Thanksgiving Day.

In behalf of the chapter, Sister Daisy Baker presented Sister Bushong with a handsome white beaded evening bag. JOSEPH SHELTON McDONALD

On Tuesday, September 1, Joseph Shelton McDonald died at his home on Sudley Road, near Manassas, at the age of 82 years, 5 months and 17 days. He had been failing for some time, but until the illness which ended his long and useful life, began ten days ago, he seemed capable of enjoying many more years.

Mr. McDonald was born at Front Royal, March 18, 1849. About 62 years ago he was united in marriage to Miss Virginia Kuser. He is survived by a son, W. A. McDonald, two daughters, Misses Claudia and Gertrude McDonald and a granddaughter, Miss Frances McDonald.

Joseph S. McDonald was a very highly-esteemed citizen of the Manassas community. His residence here during the past twelve years had revealed a personality which attracted a wide circle of friends.

Mr. McDonald was a man of quiet but deep convictions and a staunch Southerner. Too young, himself, to enlist in the Confederate army, he was the son of a gallant Confederate soldier (Shelton McDonald) and although but a boy of twelve years he was nevertheless regarded by the Federals as such a stout-hearted "Rebel" that he was imprisoned by the Union authorities at Front Royal. His mother, who was a tiny little woman, although quiet in demeanor, faced the military authorities with such determination that they liberated her son.

The funeral services are being held today at 2 p. m. at the home on Sudley road. Rev. A. Stuart Gibson, rector of Trinity Episcopal Church, is officiating. The pall bearers are C. A. Sinclair, E. H. Hibbs, Thomas H. Lien, Eugene Davis, John Barrett and John Murphy.

BIBLE THOUGHT AND PRAYER
If parents will have their children memorize a Bible selection each week, it will prove a priceless heritage to them in after years.

RIGHTEOUSNESS BRINGS PEACE:—The work of righteousness shall be peace and the effect of righteousness, quietness and assurance for ever. And my people shall dwell in a peaceable habitation, and in sure dwellings, and in quiet resting places.—Isaiah 33:17, 18.

THE FARMER'S TITHE FOR TAXATION

About the first thing that happens when inflation comes along and raises the value of property is an increase in assessed value for taxation. The next thing is prodigality by congress and state legislatures. The thing can be done almost overnight.

Although the bottom has fallen out of property values through decreased earnings or none at all, assessed valuation hasn't taken the slump and in the main farmers have prosperity-time taxes to pay in a depression period.

Assistant Secretary of Agriculture Dunlap took Ohio farmers into his confidence last week long enough to confide that farmers give every fifth day of their time to the support of government. One year out of five they work to pay taxes. In some sections farm taxes have risen to the point that the farmer pays in taxes the value of his farm every nine years.

The secretary declared that "farm land values and farm commodity prices have gone down; taxes have gone up. Farm taxes were a burden when land values and farm commodity prices were high. They are a crushing burden with land values and farm prices low."

The next thing on the program should be systematic trimming down of the costs of government and taxation based on such reduction. Dunlap says farmers are paying a billion dollars a year. In other words, they pay more than one-fifth of the total appropriations by congress for the year 1931.—Kansas City, Daily Drivers Telegram.

HOADLY

Mr. Pearly Pedditt of Washington was a Hoadly visitor for the week end.

Miss Kathleen Mills has returned home from Washington to return to school at Occoquan.

BIG CORN

Mr. E. S. Shirley, who lives near Manassas on Route 3, exhibited some corn here Monday which was 14 feet 3 inches high.

THE SEASON'S FUNNIEST— "A CONNECTICUT YANKEE"

"A Connecticut Yankee," which will be at the Dixie Theatre next week, has long been considered one of the world's greatest satires. In the new version of the famous Mark Twain classic, Rogers starts out as a small town radio dealer. He delivers a battery to a mysterious mansion on the hill one stormy night. The owner of the house hopes to tune his huge radio set in on sound waves which have been battling around in the ether since the beginning of time. He tunes in on what appears to be King Arthur's Court. There is a terrific flash of lightning, and Rogers wakes up in the sixteenth century, right in the middle of the Round Table.

He narrowly escapes burning at the stake and then, through his native Yankee sagacity, becomes the Prime Minister. He introduces many novel improvements in the scheme of life of the ancients, including a service station for armored knights where they may be washed, polished, oiled and their rivets checked in a minute's time. Efficiency. That's the word. Other novel improvements; too numerous to mention, enliven the kingdom and Rogers soon becomes the Big Shot of Camelot.

His many improvements bring many screamingly funny situations and finally, Sir Sagamore, jealous of Rogers' popularity, challenges him to joust in the big tournament. How Rogers overcomes the burly knight is entirely too funny to spoil by revealing here.

Then Rogers becomes the unwilling hero selected to rescue the fair Princess Alisande from the wicked Queen Morgan Le Fay. He becomes involved in another series of adventures that climaxes in the most side-splitting laugh of the picture.

Rogers is surrounded by a capable supporting cast which includes Maureen O'Sullivan, Frank Albertson, Myrna Loy, William Farnum, Mitchell Harris and Brandon Hurst.

The direction by David Butler is the best he ever has done, and far exceeds his work on "Sunny Side Up" and "Just Imagine."

50-horsepower 6-cylinder 109" wheelbase 1/2-ton capacity CHEVROLET TRUCKS priced as low as \$440* complete with Chevrolet-built bodies

Chevrolet manufactures trucks of both 1/2-ton and 1 1/2-ton capacities in three wheelbase lengths. A number of the popular 1/2-ton models are illustrated at the right.

Investigate these trucks from any angle and you will find them outstanding.

Take the question of first-cost—and you learn that the Chevrolet Six is one of the lowest priced trucks you can buy.

Look into the matter of economy—and you discover that many leading fleet owners report the Chevrolet Six to be more economical to operate than any truck they have ever used, regardless of the number of cylinders.

Investigate stamina, reliability and upkeep cost—and you find that Chevrolet owners frequently report such records as "20,000 miles without opening the engine"—"50,000 miles and still dependable"—"ten months with practically no expense for repairs."

As for speed and power, Chevrolet gives you a six-cylinder 50-horsepower engine—very fast, very flexible, and 25% more powerful than the engine of any other truck in the lowest price field.

And when you consider capacity, you find that Chevrolet's longer wheelbase, long sturdy frame, and 4 long semi-elliptic springs permit the mounting of extra-large bodies. These bodies are Chevrolet-built, stoutly reinforced and exceptionally smart and trim. Moreover, they are available in styles exactly suited to every business need.

Obviously, here is a line of trucks that deserves your attention, whether you plan to buy a fleet or a single unit. Before you buy a truck for any purpose, get all the facts about Chevrolet's complete line of six-cylinder haulage units. Your Chevrolet dealer will supply you with full information.
