WIN PRIZES AT STATE FAIR

Melvin C. Hazen and J. Carl Kincheloe attended the Richmond Fair this week and were awarded several prizes on their horses. They say that the exhibits were excellent and a very fine lot of live stock were shown, and also report large crowds and a good time for everybody.

ANNUAL CONVENTION W. C. T. U. AT HAMPTON

The 49th annual convention of the W. C. T. U. was held in the Baptist church, Hampton, Va., Sept. 28-Oct. 1.

200 delegates were present. At each of the three sessions held each day the house was filled with interested and enthusiastic women.

The state president, Mrs. Howard Hoge, presided over this large assemblage with her usual efficiency. The addresses of welcome from city, churches, clubs and W. C. T. U. were most cordial, and were graciously responded to.

It was the privilege of those present to hear speakers of national repute and wide experience. They brought to us messages from the world W. C. T. U. convention held in Canada, where many nations of the world had sent delegates, telling of W. C. T. U. organizations in their countries and who were looking anxiously to us to lead the way to a world-wide freedom from the curse of alcohol.

The state president delivered her message to a crowded house, and was listened to with great interest as she told of the great work that had been accomplished during the year.

There were many interesting features given at the evening sessions—demonstrations, pageants and special music by the choirs of the city and pipe organ recital. The crowd was so great at these sessions chairs were placed in the aisles. The Light Line demonstration was participated in by the presidents of seventy-one unions, each dressed in white and carrying a lighted candle. These Light Line unions have sent the "Union Signal," our temperance paper, to fifty countries, a great factor in promoting world temperance.

Fifty-eight of the one hundred counties of Virginia have W. C. T. U. organizations. 27 new unions have been organized in seven new counties the past year. 97 unions have made gains in membership the past year. 6000 young people from 14 to 30 years of age have signed the roll call.

A beautiful memorial service was held for our promoted members. Among which were three from our Manassas union, Miss Katie Bridwell, Mrs. Henry Lawson and Mrs. Charles Lewis. At the close of this service Mrs. Kelly sang "Good night here but up there, good morning." The "quiet hour" and other devotional periods have to be experienced to get their spiritual value. We were carried very close to the "Holy of Holies" when Mrs. Gilreath, our national guest, gave her talk on "Dawn by Gallilee" and "Service." She also addressed a crowded house on Wednesday evening, her subject being "After Tomorrow What."

A sight-seeing trip to Yorktown and a banquet at the Chamberlain-Vanderbilt Hotel at Old Point Comfort where dinner was served to 300 delegates and guests on Thursday evening brought the convention to a close, considered to be one of the best attended in recent years. An invitation to meet in Alexandria was accepted.

The delegates to this convention from Manassas were Mrs. Round, county president; Mrs. Embry, president of the local union; Mrs. Boatwright, Miss Kincheloe and Mrs. Gorell.

A CORRECTION

It is a pleasure to correct a statement appearing in the Bi-centennial Edition of the Journal to the effect that old papers and relics of Mr. Luther Merchant, of Dumfries, had been "carelessly destroyed."

Mrs. Warfield S. Brawner, daughter of Mr. Merchant, called at the Journal office Tuesday and apprised us of the fact that these old papers and relics are in existence.

Two ledgers, showing that George Washington made purchases of tobacco in Dumfries, are on deposit in the Library of Congress.

A number of letters are preserved and Mrs. Brawner has the old key to the Dumfries Jail. Previous to his death Mr. Merchant placed a number of relics in the hands of various friends, but none were destroyed.

PIEDMONT DAIRY FESTIVAL ASSOCIATION THE OBJECT

of the Piedmont Dairy Festival Ass'n is to increase the consumption of all Dairy Products, improve Herds, and advertise the Piedmont Section of Virginia. The Festival idea will do this better than a Fair because everything will be free, entertaining and educational and because of the interest that will be created by the participation of so many people from all over the State. This Festival is your Festival and everybody should be interested in it and lend all the aid they can in a moral, physical and financial way. You will probably be called on to do some definite thing as well as make a small contribution. We believe that, with this concerted effort on the part of all, the money spent for this improvement will revert to the Piedmont Section more than twofold. It will bring the Piedmont Section to the eyes of the people of all the States in the Union by the publicity that will be given the Festival. Therefore we appeal to you for a small contribution and ask that you immediately send to the Piedmont Dairy Festival Association, Manassas, Va., a check for your contribution. If all the Farmers in the section would contribute \$1.00 each it would be sufficient funds to offset the expense. As you know all of them will not do this, for we cannot see them, therefore we earnestly urge you to make out your check for \$1.00 and as much more as you can give and mail it at once. Most people are contributing \$5.00 and some greater amounts. Surely we can count on you to help make the community in which you live a better community and one that other people will want to live in. As this Festival is as much yours as any other we are expecting you to do your part.

E. H. HIBBS, General Chairman.
McGILL BOWEN, Chairman for Fauquier County.
T. W. WAMSLEY, Chairman for Fairfax County.
D. M. CHICHESTER, Chairman for Stafford County.
Committee on Ways and Means,
To the Piedmont Dairy Festival Association,
Manassas, Va.
I do herewith enclose my check for \$_____ as a contribution to the work of the Dairy Festival and will do all I can to help make it a success.

Signed _____

LOVELY WEDDING AT MANASSAS

Miss Etta May Hottle Becomes
Bride of Mr. George A.
McDaniel.

Amid a bower of ferns and palms at the Cannon Branch church Saturday, Oct. 3, at 4:30, Rev. J. Curtis Miller of Burlington, W. Va., united in marriage Etta May Hottle, daughter of Mr. and Mrs. M. J. Hottle of Manassas, Va., and George Arthur McDaniel, son of Mr. and Mrs. G. A. McDaniel of Denton, Md.

Preceding the ceremony D. A. Cline of Weyers Cave, Va., sang the beautiful selections, "The Rosary" and "Sweetest Story ever told," accompanied at the piano by Miss Anna Blough of Manassas. As the organ broke forth in the Lohengrin wedding march, the ushers, Messrs. George Haney of Toronto, Ohio, Amos Crouse, Arthur Reinhold, Paul Seese of Denton, Md., preceded down the aisle from the rear of the church, as the minister and Mr. McDaniel, accompanied by his best man, William McDaniel, approached the altar from the front of the church. Immediately following the ushers came Mrs. Mary Baker of Denton, Md., sister of the groom, matron of honor, and Miss Margaret Hottle, sister of the bride, as maid of honor.

Little Miss Mary Katherine Baker, niece of the groom, as flower girl, scattered rose petals in the path of the bride, who came up the aisle on the arm of her father, Mr. M. J. Hottle who gave her in marriage.

Immediately following the ceremony, a reception attended by a hundred and fifty guests was held at the home of the bride. The bride was beautiful in an ivory satin gown with a trailing veil and she carried a bridal bouquet of roses.

The matron of honor's dress was of lovely peach satin and her flowers were gladiolas.

The maid of honor presented a pleasing appearance in a gown of peach satin. Her flowers were also gladiolas. Some interesting items were the fact that Mr. McDaniel also celebrated his birthday on Saturday and the ceremony was the first wedding performed by Rev. Miller. The bride's gloves were those worn by her great-grandmother and her grandmother, and were one hundred and fifty years old. Following the ceremony the bridal party enjoyed a wedding supper.

The bride and groom left by motor for a trip through the mountains and will be at home to their friends after Oct. 15, at Federalburg, Md., where the groom is owner and editor of The Federalburg Times.

The bride has her B. A. degree from Bridgewater College, having graduated with the class of 1931.

The groom has his B. A. degree from Bridgewater College also, having graduated with the class of 1930. He is a member of the Tau, Kappa, Alpha, National Honorary Fraternity.

The out-of-town guests were Mrs. Swartz, Mr. and Mrs. G. A. McDaniel, Mrs. Mary Baker, Miss Mary Katherine Baker, Mr. Paul Seese, Mr. Arthur Reinhold, Mr. Amos Crouse, Mr. Albert Seese, Miss Elma Seese, all of Denton, Md.; Mr. and Mrs. Joe McDaniel of Hagerstown, Md., Mr. and Mrs. J. E. Blough of Johnstown, Pa., Mrs. Hannah Zeigler of Limerick, Pa., Mrs. Carrie Smith of Roversford, Pa., Mr. Wilbur Smith of Roversford, Pa., Mrs. S. S. DAIRY FESTIVAL OFFICE OPENED IN PEOPLES BANK BUILDING

Robert F. Nelson, Publicity Director of Virginia State Chamber of Commerce, Addresses Dairy Festival Association Committeemen.

At the meeting of the dairy festival committeemen at Manassas Town Hall on Tuesday evening, Robert F. Nelson, Publicity Director of the Virginia State Chamber of Commerce, was present and at the end of his very interesting and helpful talk promised the full cooperation of the State Chamber of Commerce in giving publicity to the dairy festival to be held in Manassas on October 31. He stated that he saw great possibilities in the festival and that it was a far-sighted and progressive step on the part of its sponsors.

Excellent reports were given by some of the committeemen, particularly by those on School Participation, Pageant, Bands and Housing.

Plans for the first Piedmont Dairy Festival are rapidly reaching undreamed of proportions and the event promises to be one of the most unique ever held in Virginia. It will do much toward advertising this section of Virginia and, for that reason, as well as the pride we have in our town and county, should inspire us all to lend every effort in making the dairy festival an event of which we will be proud.

An office has been established on the second floor of the Peoples Bank Building as headquarters of the association.

CATHARPIN

Mrs. T. J. Caton, formerly of Washington, will spend the fall and winter with Mrs. Ellsworth Senseney of near Catharpin.

Many of our people attended the Bi-centennial Celebration at Woodbridge last week and are very enthusiastic in their praise of everything pertaining thereto.

Rev. L. B. Atkins, for the past Conference year pastor of Sudley church, attended Conference at Roanoke where he asked for the superannuate relation and will retire from active service after a period of 38 years in the ministry. He will make his home in Manassas at least for the present. During the past year Mr. Atkins was in ill health and his many friends hope a year's rest will do him much good.

The Catharpin Good Housekeeping Club held its regular monthly meeting with Mrs. T. O. Latham on Oct. 2. This club is quite active and much interested in civic affairs and the public school, having recently presented a Catharpin school children with a set of swings for the school grounds and have other things in contemplation for the future.

The community welcomes the pleasant news that Mrs. C. F. Brower is rapidly recovering from a serious operation undergone at the George Washington hospital some four weeks ago. She has been critically ill and for a time life hung in a balance. Her many friends now rejoice that her recovery seems certain.

Mr. W. L. Sanders continues to improve at his home, Mt. Pleasant, where he has been confined for the past few weeks.

Mr. and Mrs. J. K. Chalfant of Hickory, Pa., were guests at Oakwood, the home of Mr. and Mrs. Chas. R. McDonald several days last week.

Mr. and Mrs. W. K. Caldwell were Sunday guests of Mrs. Caldwell's mother in Washington last week.

Mr. H. J. Schaeffer is confined to his home with an injured foot.

The community silos are all filled; feed in plenty; crops good; stock looking fine; farmers busy seeding and all seems well except commodity prices. While wheat is selling in the forties and corn optioned at \$1.50 per bbl. labor still wants \$2.50 for a short day's work.

Mr. and Mrs. John Adams, a bride and groom of a year, have gone to housekeeping in Manassas. Mrs. Adams, formerly Miss Margaret Pattie of Catharpin, and her husband will be missed from our neighborhood where they have many friends to wish them well.

Mr. and Mrs. N. C. Pattie of Falls Church and Mrs. A. L. Webb of Washington were dinner guests of Mrs. Etta P. Lynn Sunday.

The Sudley Wesley Bible Class of Sudley church plans to hold its annual banquet in the near future coincident with the reception and installation of the new pastor who will be sent by the present Conference. This class is a lively organization and some good speaking may be expected from invited guests.

Mr. and Mrs. Walter Polen of (Please Turn to Page Six.)

OCCOQUAN

Mr. and Mrs. Wm. Moffett, Mr. and Mrs. Wingfield, Mr. and Mrs. Otis Poston and Mrs. C. P. Simmons of Warrenton were Sunday visitors at the home of Mrs. Jas. Fling.

Rev. H. H. Hoyt has returned from Roanoke where he attended the conference of Methodist Churches.

Mrs. C. S. Tschiffly and children and Miss Eliza Yates of Washington were recent guests of Mr. and Mrs. Leonard Smoot.

Mr. Houston Hoyt of Cumberland, Md., is visiting his parents at the parsonage.

Mrs. J. H. Weedon, accompanied by Mr. and Mrs. James Weedon of Tri-angle, motored to Cherrydale on Sunday and were the guests of Mr. and Mrs. George Rollins.

Dr. and Mrs. Hannon and son of Baltimore and Mr. Richard Green and Miss Hattie Darby of Gaithersburg, Md., called at the home of Mr. and Mrs. James Fling last week.

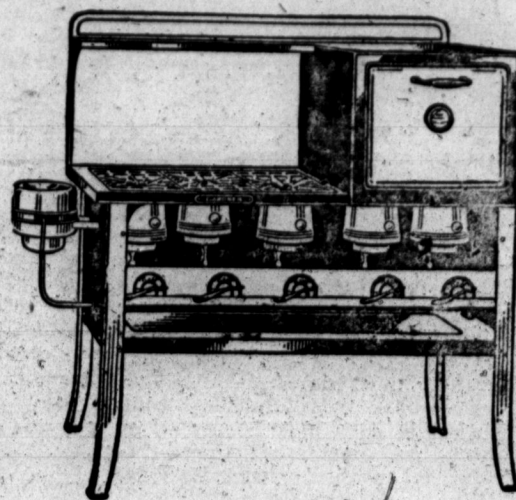

A catfish weighing 18 lbs. 3 oz. was caught in Occoquan Creek on Monday by Mr. Harry Sealeman.

AN UNLIMITED SUPPLY:—If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you.—John 15: 7.

OUR DAIRY FESTIVAL

The Piedmont Dairy Festival to be held at Manassas on October 31 is an event which will interest folks over a wide area. The leading industry in the Piedmont section of Virginia is unquestionably the Dairy business. The wealth and prosperity of this fertile area is deeply indebted to this great enterprise, and it is fitting that we should have such an annual expression of faith and appreciation of our leading resource.

From the splendid interest which is being manifested in the surrounding counties, it is evident that the event will be an unqualified success—unless the many stand aside, as is sometimes done, and satisfy themselves by watching the few labor prodigiously to perfect arrangements which could easily be attained if all would help.

It is important, therefore, in the few days remaining to complete all plans, that everyone does all that is possible to bring the Piedmont Dairy Festival to a happy and successful conclusion.

DR. JAMES AMBLER

Last Sunday a memorial service was held at old Leeds Church, near Hume, in Fauquier county, to honor the memory of that intrepid Arctic explorer, Dr. James Markham Marshall Ambler, who perished in the frozen seas of the North fifty years ago.

The story of Dr. Ambler's martyrdom is a story of heroism, that sands out among the truly great examples of fortitude and devotion to duty. As surgeon to the Jeanette Polar Expedition he sailed from San Francisco in 1879. The ship was crushed by ice and sank in 1881 and the story of the noble efforts of Dr. Ambler to safeguard the health and prolong the lives of his men is one of the most inspiring in the literature of polar exploration. After unbelievable hardships the men finally perished, Dr. Ambler's remains being found, revolver in hand, indicating that he prob-

ably lived longest and to the last fought to protect his comrades from marauding beasts: As representative of his brother, Admiral Byrd, Ex-Governor Harry F. Byrd placed a wreath upon Dr. Ambler's grave and concluded his interesting remarks with the thought that such spirit as possessed by Dr. Ambler was needed in the present world depression.

BEWARE OF STREET BEGGARS

In Washington, D. C., contributors to the Community Chest are given tickets which are given street beggars seeking alms. The tickets are to be presented to various social welfare organizations, any one of which will give the relief sought. The Washington Post says that while hundreds of these tickets have been distributed, less than a dozen have been presented at the headquarters of these different welfare organizations. The Post says:

"Beggings will continue until the people learn that it is an unsocial act to pass out money to mendicants of whom they know nothing. The law makes begging a crime, but it is very hard to enforce this law without the whole-hearted support of the people. In this hour of widespread need the people should consider this matter seriously and allow no means that are available for the alleviation of distress to go to idle vagrants. Those who are inclined to make a donation for relief of the distressed should give it to some social agency. Under no circumstances should money be distributed indiscriminately to street beggars."

The foregoing advice always is seasonable, but it is especially so at this time, when need is so widespread and the wherewithal to relieve it is so limited. Indiscriminate giving not only is ineffective, but is one of the great handicaps of the social welfare organizations.—Petersburg Progress-Index.

COUNTING PENNIES

While dollars fly out the window

THAT'S what many housewives today are doing when they use an old-fashioned method of heating water. They count the pennies they can save on bills for fuel while the valuable dollars of time and energy wasted in running up and down cellar stairs tending the water heater—the valuable dollars of leisure for the enjoyments of life that are denied them—fly out of the window unnoticed.

Hot Water by Electricity

will both count the pennies and save the valuable dollars. An electric water heater needs no tending—it's there, always at work—there is no soot, ashes, dirt—no worry, simply nothing but convenience, dependability and best of all it will give you all the hot water you need WHENEVER you want it at a very low cost. Call or write any of our offices or ask any employe for full information about HOTWATER BY ELECTRICITY and our low 1c rate for this matchless service.

CATHARPIN

(Continued from page 3)

Washington were sojourning in the neighborhood Sunday taking dinner at "Lynnhurst," the home of Mrs. Etta P. Lynn, his sister.

The surfacing of the road from Gainesville to Catharpin is now about half completed. When finished it should prove a great benefit to the people of this part of the district. This section has long been neglected to the great discomfort of the people who now rejoice to see the improvement. Large pipe for the culvert over Lick Branch are on the ground and it is hoped will soon be in place. There are a number of branches in the Catharpin section which should have culverts or bridges at an early date. These crossings are a nuisance at all time especially during the winter months when roads are bad.

In speaking of roads it is interesting to note the great change in the mode of transportation during the past five years or longer; it used to be that great teams of four and six horses with crimson colored cow-tail brushes dangling from bridles and shining brass on the harness and the tinkling of bells were familiar sights and sounds upon the public road hauling commodities to and from the station at Gainesville. This is now all changed and the conestoga wagon has passed out of existence along with the little red school house. We are living in the truck age when roads are as vital a part of transportation equipment as the rolling stock itself; hence roads and good roads are a necessity and must be maintained.

Mr. F. H. Sanders is somewhat indisposed at his home in Catharpin due to a slight recurrence of his former trouble. His many friends wish for his complete recovery.

The people of Catharpin neighborhood are watching with much inter-

est the development of the Dairy Festival project which is to be held the latter part of the month in Prince William. Many farmers in this section are interested in dairying and this is their great opportunity to boost their business. The parade should contain a float from Catharpin. Let us do all in our power to make this festival a great and permanent feature in the life of Prince William County.

We spoke a moment ago of the "truck" age; a trip to Manassas along Sudley road affords a glimpse of the "flying" age just beginning to sprout in Old Prince William. Who knows but that the next generation may see a flying field at Catharpin? Who knows? Funnier things than that have happened.

FOX PLAYER DECLINES DOUBLES FOR DOING HAZARDOUS STUNTS

Persistently standing out against the advice of Fox studio officials, George O'Brien refuses to permit any man to double for him in any thrilling and hazardous stunts demanded of him such as he performs in "A Holy Terror," in which he plays a co-feathered lead with Sally Eilers and which will be shown at the Dixie Theatre next Saturday.

O'Brien even played in the exciting polo sequence, but Irving Cummings, the director, insisted on photographing and recording this scene after all the other sequences were completed as he feared O'Brien might get hurt.

O'Brien is rated a a better than the ordinary run of player as he started the game while a youngster living in San Francisco.

Among the other prominent actors in Hollywood rated as crack polo players are Will Rogers and Jack Holt and as soon as one more player from the ranks is developed, the actors will have a team capable of holding its own against the best on the Pacific coast—an all-star team of stars.

Many well-known personalities from the screen and stage are in the cast of "A Holy Terror," including Rita La Roy, Humphrey Bogart, James Kirkwood, Stanley Fields, Walter Hiers and Richard Tucker.

The picture was directed by Irving Cummings. The screen play was adapted from Max Brand's thrilling story, "Trailin'."

NORMA SHEARER STARS IN "A FREE SOUL," VIVID MEL-ODRAMA OF SAN FRANCISCO

Norma Shearer's newest picture, "A Free Soul," opening Thursday at the Dixie Theatre for two days, is a screen dramatization of the widely read novel by Adela Rogers St. Johns.

A stellar supporting cast includes Leslie Howard, the celebrated Broadway actor who made his screen debut in "Never the Twain Shall Meet" and followed this with the role opposite Marion Davies in "Five and Ten"; Lionel Barrymore, who makes his appearance before the camera again after an interval of directing; Clark Gable, who has achieved a sensational rise in films following his work in "The Easiest Way," "Dance, Fools, Dance" and "The Secret Six"; James Gleason and Lucy Beaumont.

The picture was directed by Clarence Brown, who has gained an enviable reputation for his successful production of Greta Garbo's vehicles.

"A Free Soul" is the type of picture which Miss Shearer can carry off so well, involving as it does a heroine whose determination to live a life of complete freedom gets her into difficulties when she attempts to carry out the theory in her love affairs.

As the daughter of a criminal lawyer addicted to drink and an almost fanatic determination to bring his motherless girl up in an atmosphere of ultra-modern freedom, Miss Shearer is given her choice between a conservative society sportsman and a notorious gambler whose ruthless power fascinates her.

When the father realizes to what depths his leniency has brought his daughter he attempts to shift his stand. This results in a unique agreement between father and daughter in which one promises to give up drinking if the other will give up her lover. The climax occurs when the gambler attempts to use force to get his way

By actual road performance, week after week, month after month—the six-cylinder Chevrolet has proved its right to be called *America's most economical truck*. Owners have found that on a ton-mile basis Chevrolet costs less for gas and oil, less for upkeep and less for service than any other truck—regardless of the number of cylinders. And price-comparison will show that this big, sturdy Chevrolet Six is one of the lowest-priced trucks you can buy.

Today, any truck user can apply this economy to his own particular work. The current Chevrolet commercial car line covers practically

every delivery and hauling need. Twenty-five different models. Half-ton and 1½-ton pay-load capacities. Three wheelbase lengths. A wide variety of Chevrolet-designed and Chevrolet-built bodies. Just name the type of truck you need—and you will very likely find it in Chevrolet's all-inclusive line.

Each Chevrolet truck has a 50-h.p. six-cylinder engine—25% more powerful than any other engine in a truck priced so low. Maximum load-capacity is assured by unusually large bodies, supported by long rigid frames and long parallel-mounted springs. And Chevrolet truck prices are among the lowest in the commercial car market.
