Mrs. Valentine is well known in the vicinity of Manassas, having lived in the town for a number of years.

Mr. Schuman comes from Lake Wis., and has been located near Independent Hill for the past few months.

Only relatives and a few intimate friends were present to witness the ceremony. The bride and groom will make their home at 1607 King street, after a short wedding trip.

Mrs. Gilreath, the guest and speaker of the convention, gave such inspiring talks. One on Service was so personal and touching that everyone in that large audience arose as one and without stretched hands repeated with the speaker, "Father, you can depend on me." Everybody welcome. Thursday, October 29, 7:30 p. m. Methodist Church.

## KIWANIS ELECTS FOR 1932

The Kiwanis Club got ready for the National Bi-centennial on Friday night by electing Al Hooft as its president despite his lousy and voluble protests. Al got all the votes but one which Dick Hynson swore was his. Dick went in as vice-president, Doctor Johnson stepped down as secretary, and the ever-dependable Dolly Ledman remained treasurer.

Incidentally, the Club decided to expend fifty dollars on the preparation of the Queen's Float in the Dairy Festival.

Frank Sigman introduced Professor Noel Gill who gave a really interesting dissertation on Education. Frank got stage fright when his favorite got under way and ran out on him.

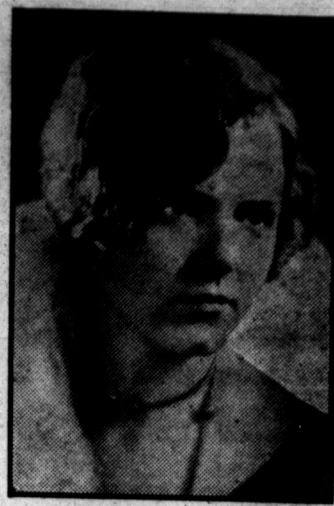

The Journal wishes Al a successful year for 1932, and congratulates Doc Johnson on the splendid showing he made as the Club's executive during the current year. The new officers will be inducted at the first meeting in January.

## DAIRY FESTIVAL AT MANASSAS

**Prince William County to Take Prominent Part in Piedmont Virginia Dairy Festival.**

**ELABORATE PROGRAM FOR EVENT PLANNED**

Prince William County will take a prominent place in the Piedmont Virginia Dairy Festival which will be held in Manassas on Saturday, October 31. The Festival will be one of the most colorful of its kind ever held in the state.

More than 250 high school students from this county will take part in the parade, while the county will have an elaborate float featuring milk and dairy products for health and strength. Approximately 2,000 boys and girls of the Piedmont area will be in the line of march in appropriate costume, county floats appropriate in theme and gorgeous in conception will follow the Royal Float of Regina I, Queen of the Piedmont Dairy Festival, while the Marine band from Quantico, and school and fraternal bands will play along the route. Other attractive features of the parade will be a section of commercial floats, which will measure up to a standard of quality set for occasion and all of them will have to carry out the thought of benefits to be derived from dairy product consumption.

Saturday morning will be devoted to ceremonies incident to the festival with a band concert at 10:30 o'clock; the coronation of Miss Mary Elizabeth Nelson, as Regina I, Queen of the Festival, will follow at 11 a. m., concluding with an elaborate pageant depicting "Milk Through the Ages." The pageant will reveal historical and romantic development of the dairy industry in the Piedmont Virginia section from the coming of the pioneers in 1620 up to the present.

An aerial circus will begin the afternoon festivities at 1 o'clock, followed by the mammoth parade, which will be headed by the Quantico Marine band and will get under way promptly at 2 p. m. Carnival will hold sway throughout the remainder of the day to be climaxed by the "Queen's Ball," which will get under way at 8:30 p. m.

**ANNUAL MEETING MISSIONARY SOCIETY**

The Woman's Home and Foreign Missionary Societies of the Newmarket Conference will hold their annual meeting in Bethel Lutheran Church, Manassas, on Saturday, the 24th. Two sessions, 10 a. m., and 1:30 p. m., will be held.

Dr. Mary Markley of the Board of Education will speak in the morning session and also on Sunday morning.

## IMPORTANT MEETING

A joint meeting of the Executive Committee and Civilian Home Service Committee of Prince William County Red Cross Chapter will be held Oct. 28, at 2 p. m., in Red Cross office, Peoples National Bank Building. Important business. All members urged to attend as Mr. Painter of the State Welfare Board has an important proposition to present to the committee.

**Banks of This Area Join Plan to Aid Less Fortunate Institutions.**

**VIRGINIA BRANCH OF NATIONAL CREDIT ASSOCIATION ORGANIZED**

**Movement Increases Public Confidence.**

On October 20, the banks of Prince William County united with some three hundred other Virginia banking institutions to form the State branch of the National Credit Association. Immediately the huge sum of \$4,300,000.00 was subscribed by Virginia banks and today the amount approximates five million dollars.

The leading idea of this gigantic pool of capital is the assistance of weaker institutions by the stronger in the handling of so-called "frozen assets" created by the present depression. The effect of President Hoover's nation-wide credit plan for banks has already resulted in increased confidence throughout the country in the ability of banks to handle their obligations.

Miss Janet Russell, 4-H Club council president, is returning from Lynchburg College to preside at the achievement program.

The girls of 4-H Clothing groups will present a style dress review. It is expected that one hundred girls will model in dresses they have made in the clothing project this year. For those who earned the money for their dresses there are two prizes of \$5.00 and \$2.50 given by Homemakers Association and Bethlehem Club for most outstanding dresses. All dresses entering the Earn-Your-Own dress contest must be in the Home Demonstration agent's office on Friday, Oct. 30.

The achievement program will end at 10:45 in order that those attending may witness the pageant, "Milk Through the Ages," which is being given on Portner's lawn. The 4-H boys and girls extend a cordial invitation to all friends of the county to attend the 4-H achievement program.

4-H Club members will assemble at 1:00 o'clock on left lawn of Portner Estate for the parade of 4-H Club members. This parade will be preceded by float which is being put on by 4-H Club council. ## CHRIST FOR ALL—ALL FOR CHRIST

## BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in after years.

**A MIGHTY ARM:**—Thou hast a mighty arm: strong is thy hand, and high is thy right hand. Justice and judgment are the habitation of thy throne: mercy and truth shall go before thy face.—Psalm 89: 13, 14.

## AN OUNCE OF PREVENTION

This is the time of year when everyone is getting their heating apparatus installed for the coming cold weather. Some have wood stoves, some coal stoves and some have furnaces.

Each heating unit, unless in sound condition and properly installed, is a potential fire menace.

With a view to reducing the risk of preventable fires, the Chief of the Volunteer Fire Company as been requested by the Mayor and Town Manager to make a systematic inspection of all heating installations in the town and to see that all unsafe conditions are corrected.

The Chief will appoint certain members of the Fire Company to make these inspections and when the boys call to inspect your stove or furnace you may rest assured that there is no personal significance and that the same inspection is being made for all properties in the town.

## A SUGGESTION

Next year will be the National Bi-centennial. While not immediately abutting the City of Washington we are certainly close enough to catch some of the traffic at that time.

It may be that lands in Prince William may be sold through the encouragement of tourists of whom there will be millions and millions throughout the period of the celebration.

It will be advantageous to route tourists to the more desirable homes in convenient reach of the Nation's Capital.

The Journal is desirous of ascertaining the amount of need there is for a local travel bureau of any sort which can function to bring people off the beaten highways and through the length and breadth of the country. We are desirous in that case of locating every possible point of historic interest and preparing something which can be distributed.

Such a plan is twofold. It will be necessary to inspect every such home as desires to be listed. This will entail a certain amount of expense not yet determinable. If any sort of printed matter is produced, this also will carry a certain amount of expense.

We are too busy frequently to stop and give time in individual suggestions. If you are interested in any way, write in and give us your name. When the matter becomes practicable to handle, we shall communicate with you.

**SAY** the word and I will call with my wall-paper samples and make you an estimate.

Prices reasonable and all work guaranteed.

## IN MEMORIAM

In sad but sweet remembrance of our darling Rosie Bell McCuen, who departed this life thirteen years ago today, October 22, 1918.

In the graveyard softly sleeping without dreaming where the midnight stars are gleaming lies the one we could not save.

I never forget you, dear Bell, for October is the saddest of the year it took from us our darling. But no power on earth could sure, but we knew she is not dead. She is only asleep in the arms of the Savior who will carefully watch and keep and if we are true to the Savior above we will soon meet our darling and share in that Love.

How can I ever forget? Never shall my memory fade. Sweetest thoughts shall ever linger around the grave where you are laid.

Roses may wither, leaves may fade and die. Though others forget her, never will I.

Mr. and Mrs. Lucy McCuen.

To the Voters of Manassas Magisterial District:

I hereby announce my candidacy for the office of Constable to be filled by election on Nov. 3, 1931.

I respectfully solicit your support. Am the son of a retired mail carrier.

Respectfully, WILLIAM WALLACE.

## CATHARPIN

Rev. J. L. McCutcheon of Clarendon, Va., was a week-end visitor at Oakwood last week.

Fall seeding is now about over; Riley's fodder shocks are in evidence everywhere but there is no evidence that any "third rows" have been plowed under or pulled up as per instructions given the cotton planters not long ago. If there is any curtailment of production to the wheat crop next year it will have to appear elsewhere than around Catharpin where the corn stubble as usual will contribute its full quota of acreage to that crop.

A sight beautiful these days is the 91 head of fat cattle disporting themselves over the vast expanse of green on Lawn Vale stock farm where they are finishing for the market. If the market were only as good as the cattle appear the Robertson family

would not care if the "fodder was on the pumpkin and the frost was on the shock"; or the other way 'round if you choose.

Quite a bit of pilfering seems to be the order of the day around the neighborhood; hen roosts robbed, gasoline and oil taken, etc., etc. We wonder sometimes just what the report from this part of the county will be when a canvass is made to register the unemployed. There are several colonies of the colored population who the never known to work and who can be seen flitting along the highways in gaily attire in good cars and in happy frame of mind. Just where it all comes from is a matter of conjecture; they are well fed, in appearance well clothed and the cars oiled and gassed. We await with interest to see just how they report themselves to the authorities.

Mrs. Mary Pattie Briggs is visiting here, cousin, Mrs. Carrie Swift, in Washington.

Miss Emma James is visiting Lawn Vale this week.

Mrs. W. K. Caldwell of "Six Acres" has been indisposed during the past week due to cold or flu which malady is more or less prevalent in the community just now.

Miss Claudia J. Pattie of Washington was a week-end visitor at home last week.

A number of people from this neighborhood attended the Yorktown Sesquicentennial Observance during the past week, driving thru in their cars a distance from Gainesville of 192 miles.

SUTHERLAND MOTOR CO.  
QUANTICO, VA.

The whole question was settled long ago—as to how many cylinders it takes in a motor car engine to give satisfactory smoothness. Science definitely established the fact that at least six are necessary. And today, the public accepts the multi-cylinder engine in the same way that it accepts 4-wheel brakes, parallel-mounted springs and every other principle of proved and acknowledged superiority. Everybody knows that nothing less than a six can give you built-in smoothness.

This general acceptance of the multi-cylinder idea has had a great deal to do with the fact that the Chevrolet, month after month, during 1931, has been the largest selling automobile. For Chevrolet is a six.

Today, this six-cylinder smoothness and dependability are within reach of every new car buyer. For Chevrolet has produced a quality car, powered it with a firmly-mounted six-cylinder motor—engineered it to run at less expense for gas, oil and upkeep than any other car—and priced it right down among the very lowest-priced cars in the market.

(Continued from page 1)

Although our banks in this section of Virginia seem to be in such good shape as not to require assistance of this organization, yet they have responded with enthusiasm, because they believe it the patriotic thing to do. No practicable plan on a national scale to assist in relieving financial distress is going to fail, because of lack of co-operation from Virginia bankers, it is stated. Then, too, conditions may be such in the future that the new organization may be able to promote the prosperity of Virginia, and in such event the member banks will then be in a position to use this newly-organized resource.

Bankers who have been interviewed in this matter state that the project is not a money-making venture, but purely a patriotic undertaking. None of the officers of the organization receives salary for their services.

Banks are being requested to subscribe 2 per cent of their net deposits and are responding almost unanimously. Only a few in the whole state, and these probably uncooperative in most all public spirited enterprises, are failing to unite promptly with the organization and to immediately make their subscription to the huge credit fund.

In explaining details of this national credit plan, recently proposed by the President of the United States, bankers have called attention to the fact that the whole matter is one which concerns banks, not individuals, except as they are benefited by the strengthening of all banks. Individual depositors are not presented with a new line of credit under this new project, but unquestionably they are greatly benefited by the increased credit facilities afforded to their respective banks by the National Credit Association, which is authorized to handle securities, not acceptable to the Federal Reserve Banks, but endorsed by the local institutions.

Richmond will be the headquarters of the Virginia branch of the National Credit Association. Julian P. H. Hill, President of the State Planters Bank and Trust Company of Richmond, is chairman. The Board of Directors for Virginia is as follows:

Oliver J. Sands, president American Bank & Trust Co., Richmond, vice-chairman; J. Tyler Meadows, chairman of the board, First National Exchange Bank, Roanoke; Allen Oculu, president National Bank & Trust Co., Lynchburg; R. P. Beaman, president, National Bank of Commerce & Trust, Norfolk; S. H. Plummer, executive vice-president and cashier, First National Bank, Newport News; C. E.
