PROGRAM CENTERS ON NAVAL GRAD

Manassas Lad Kiwanis Guest of Honor.

O. D. Waters, Jr., the pride of Manassas, and a newly-fledged naval officer, gave a very brief and very modest talk to the Kiwanis Club last week after he had sat by and listened to a number of eulogies of his scholastic prowess. (Yeh, O. D., sr., stood the strain also, but not as well.)

Hutton Tiffany introduced the male side of the House of Tiffany at school, and the latter made a very clever little speech which gives promise of future professional effort. Young Tiffany is at William and Mary doing some preparatory work for the Bar examinations this month.

Bob Hutchison, Doc Johnson, Professor Eli Swavelly, and others all gave O. D. a hand on his wonderful achievement. In fact they all got so worked up that they almost forgot that there was a program committee for the evening.

When things quieted down, President Al called on Bill Cooke to give a few ideas on civic improvement and Bill wound the evening very nicely.

DEATH OF REV. S. O. HALL

On Friday of last week Rev. S. O. Hall died at Grace Hospital in Richmond. Rev. Hall was pastor emeritus of the Moorefield Presbyterian church of West Virginia, and a brother of Rev. W. A. Hall, of Manassas. Until his retirement about a year ago, Rev. Hall had been actively engaged in the ministry for forty-eight years. He was beloved by a wide circle of friends who will be deeply grieved at the news of the passing of their good friend and sincere follower of the Master.

Rev. Hall is survived by his wife, one son, two daughters, a sister, Mrs. A. L. Rankin, of Greensboro, N. C., and two brothers, Rev. W. A. Hall, of Manassas, and Mr. John H. Hall, of Oxford, Ala. The funeral was held Saturday and burial was in Hollywood cemetery, Richmond.

QUANTICO

One of the most delightful events of the season was the recent luncheon given the officers of the Marine Corps School. More than eighty guests were present.

Mrs. Enyart entertained last week in honor of Mrs. Gale Cummings and Mrs. St. Julian Marshall. Tea was served and the guests enjoyed themselves at bridge. Other guests present included Mrs. Whitehead, Mrs. Frank June, Mrs. Shelton Zern, Mrs. Samuel Milliken, Mrs. Glenn Britt and Mrs. Stuart King.

Mrs. Hal Potter is enjoying a visit for two weeks with her mother, Mrs. Amy Adams, in Chicago.

Mrs. Z. C. Hopkins is entertaining her mother, Mrs. L. F. Outten, of Felton, Del.

Recent guests of Col. and Mrs. Tom Barber were Mrs. William Wilson and Dr. and Mrs. Sidney Bunker, of Boston.

Mrs. James Bain and Mrs. Philip Thwing have gone to Long Beach, Calif.

Mrs. Bennett has as her house guest Miss Esther Hungate.

Dr. and Mrs. Dalton Lewis have as their guests Lieut. and Mrs. D. W. Hilling and their daughter, Miss Betty Lou Hilling.

Maj. and Mrs. Oliver Floyd are leaving for Lakehurst, N. J., where Maj. Floyd has been assigned to command of the Marine detachment.

4-H GROUP TO VISIT

NATIONAL CAMP

A bus trip to Mount Vernon, Library of Congress, and to the National 4-H Camp, is being arranged for 4-H club members and leaders. The bus, leaving Manassas at 12:30 on Tuesday, June 21, will go by way of Bethel, Occoquan to Mount Vernon; arriving there for the George Washington Bi-centennial celebration by the National 4-H Group. The group will visit Library of Congress and the Camp Fire program of the National 4-H Group on Monument grounds in Washington.

Expenses for the trip will be one dollar per person. Those who wish to take advantage of the trip are asked to get in touch with the Home Demonstration agent immediately.

FATAL AUTO RIDE

Gregg Thompson and Edward Amis, popular Culpeper youths, are dead and Miss Cornelia Major probably fatally injured as a result of a rear-end collision near Elkwood on Tuesday night.

WOMAN'S CLUB

The regular meeting of the Manassas Woman's Club was held at the Parish Hall Tuesday, June 14, at 3:30 p.m. Letters from the hospital were received and read in which they showed their appreciation for the aid given by the club towards the support of the clinic. A general discussion of ways to improve the club was enjoyed by all. The Woman's Club greatly appreciated the large attendance at the annual flower show held this year. Plans are under way for the entering of a float in the Dairy Festival next fall.

HOUSE VOTES BONUS CASH

Measure Expected to Die in Senate.

The Bonus Bill authorizing the payment of two billion, four hundred million dollars in new currency to World War veterans passed the House on Wednesday by a vote of 209 to 176. Party lines were pretty well broken down in the vote, although more Democrats were listed as approving the measure than Republicans.

With the claim that enough resistance has been promised in the Senate to kill the measure, and with the definite assurance that President Hoover will veto the measure, there seems to be little likelihood that the measure will become law.

The bill provides for a bond issue to stabilize the dollar, in case the issuance of so much new currency should cause depreciation.

ENJOY OUTING

The agricultural students of Manassas high school, under the supervision of Prof. J. P. Pullen, returned last Friday, after a very enjoyable week spent at Fairview Beach, near Fredericksburg.

Ten students, Odie Young, Billy Yates, Allen Ritter, Vernon Moore, John Waters, John Lunsford, Harvey Luck, Henry Peters, Scott Winfield and Charles Barbee, had the opportunity of enjoying the cooking of the guest cook, Floyd B. Andrews.

AT SUMMER HOME

Mrs. Melvin C. Hazen is spending the summer at her home near Nokesville where Mr. Hazen maintains a splendid stock farm which is one of the beauty spots of Prince William.

REPORT OF BENNETT SCHOOL COMMUNITY PATRONS' LEAGUE FOR 1931-32

We are publishing this report that more patrons may see the good work the league is doing and join us for the coming term.

Before the opening of school the building was thoroughly cleaned, basements in sanitary condition.

Served lunch jointly with the high school to all county teachers at the Institute.

In November a card party was given at which a nice sum was realized.

At Christmas time assisted the teachers in giving a party to the several hundred pupils of the school.

A Bi-centennial ball was given in February.

Purchased a piano, construction paper and colored chalk for the school. Assisted in purchasing a set of books for the library. Clock repaired. Telephone installed for the school term. Improved playground equipment.

Gave a Bi-centennial program and planted a tree on the school grounds.

The league made the free-will offering to state work and subscribed to the Community League News.

For the month of March sold hot lunches to the children at small cost. With the assistance of the Kiwanis Club served hot lunches for two months to the undernourished children. These children showed great improvement, and we were very proud to be awarded the "Health Banner." This banner is awarded the consolidated school of the county making the highest score in both physical and health education.

The league works with the county nurse, and has contributed sheets, etc. to be used in the rest room, especially in suspected contagious diseases.

Hoping for a better report for 1932-33.

Respectfully submitted,
JULIA H. KNOX,
Secretary.

Winner of School Prizes.

QUANTICO MERCHANT CELEBRATES 10th YEAR

C. G. Paris Issues Interesting Booklet. Facts of History Recalled.

"The Man Who Knows His Quantico" is the title of an interesting booklet which has just been issued by Mr. C. G. Paris, in commemoration of the tenth anniversary of his business career in Quantico, Va.

The attractive booklet carries interesting illustrations depicting the various ramifications of Mr. Paris' business in the town and makes mention of many interesting facts in connection with the history of the community.

In the first place, it was from the spot now occupied by the Town of Quantico that the Indians sallied forth in 1608 to repel Captain John Smith, and during the colonial period the place was an important trading place often visited by Washington and his brother, Lawrence, who was one of the first American marines.

Quantico also was an important base of operations during the War between the States and its importance as a marine base during the World War is a matter of recollection by everyone.

Mr. Paris, believed in the future of the town and determined to grow with it. Called to the colors, he served his country in the trenches of France, but returned at the close of hostilities to re-establish himself at Quantico and developed the business known as the Paris Auto Service, incorporated, the anniversary of which is being celebrated by publication of this attractive booklet which reflects great credit upon its author and upon the community where he has had such a successful business career.

FORMER CONGRESSMAN VISITS MANASSAS

Hon. C. C. Carlin, for many years representative of the Eighth District in Congress, spent a short time in Manassas on Saturday afternoon.

While here he briefly inspected the local postoffice, almost his last official work in the district, the initial steps having been taken by him in the closing hours of the 1919 session.

Mr. Carlin was looking well and greeted his friends heartily. With a Democratic administration hovering in sight, it is hoped that he will accept a cabinet portfolio from the incoming executive.

WISTER'S BOOK RE-CALLED

Famous "Virginian" Now Resident of Calgary. Brother of "Doc" Johnson of Manassas.

Who does not thrill at "The Virginian"? With screams of laughter thousands have watched Dustin Farnum in this famous role straightening out the baby situation and quieting the angry mothers. A thousand audiences have breathlessly listened to his pleas with his pal to quit "rustling" before passing final last sentence on poor Steve whom he sheltered as long as he could in honor do so. And when he finally even set love aside to meet the bully in the last fray unvaryingly he brought down the house.

Yesterday a copy of "The Eye Opener," a paper published in Calgary, Canada, brings to light the fact that the original of this famous character is now a resident of Cochrane, Alberta (Canada), and is none other than "Dad" Johnson, otherwise Everett Johnson who has been a resident of Calgary for forty-two years. "Dad" says he first met Wister at the Ranchman's Club of Cheyenne. "Dad" says that in reality Steve got out of the country but Wister had to put a little tragedy in the play for a "kick." He further states that the Miss Molly of real life was not his romance at all but that episode was also needed for drama.

In speaking of Wister's book the ex-cowboy said with a grin that the only things Wister didn't dress up to suit himself were the baby episode and "one or two" others.

The "unchanged" character was Everett Johnson and clear-cut in the world of drama he will dominate romance for years as "The Virginian" who took the American public by storm.

We express appreciation of this article from our esteemed contemporary not only for the contribution to literature but also because Everett Johnson is a brother of our well-known and popular Dr. C. R. C. Johnson of Manassas.

LADIES NIGHT AT MEN'S CLUB

Next Thursday, the 23rd, at 7 o'clock, the Men's Social Club of Manassas will hold its annual Ladies' Night in the Presbyterian church. A joint meeting of the executive committee and the entertainment committee began to lay plans for this pleasant occasion.

Members of the club will not later than Wednesday, the 22nd, get tickets from Arthur S. Wilfong. It is expected that about fifty will be present to enjoy this social occasion.

CHILDREN'S DAY AT BAPTIST CHURCH

The Sunday school of the Manassas Baptist church will observe its annual Children's Day service next Sunday night at 8 p.m. An interesting and helpful program has been provided. All are cordially invited.

WOODBINE CHILDREN'S DAY

A Children's Day program will be given at Woodbine Baptist church Sunday afternoon, June 19, at 2:30 o'clock, by the Sunday school class.

The pastor, Rev. V. H. Council, will also be present and address the audience. A cordial welcome is extended to the public.

GREENWICH HOME DEMONSTRATION GROUP TO MEET

The Greenwich Home Demonstration Group will meet Thursday, June 23, at 2 o'clock at the home of Mrs. Will Mayhugh. The demonstration will be on the canning of fruits and vegetables. All women of the community are invited to attend the meeting.

POLLARD MAKES ECONOMY MOVE

Cuts Ten Per Cent from State Expenditures.

On account of decreasing revenues Governor Pollard has ordered a general slash of ten per cent in state expenditures. The Federal Government goes right on spending, regardless of decreasing revenues, but Virginia does not let huge deficits accumulate before notice that the governmental expenditures are exceeding revenues.

The governor has stated that he expects the cut to be applied all along the line and that any branch of the state government desiring exemption from his order will have to prove that it is entitled to such consideration under the law.

In addition to the branches of the state government operating under the general fund, such agencies as the highway department, game, motor vehicle and insurance divisions, which operate under special revenues segregated to them, will also be included in the cut.

It is believed that the cut will not apply to county officers since they automatically go on a salary basis after July 1. It is also believed that the cut need not be applied to teachers' salaries, since the ten per cent can be taken from building program instead of salaries.

MANASSAS W. C. T. U. STANDS BY LEADER, MRS. ELLA A. BOOLE, NATIONAL PRESIDENT

The Manassas Woman's Christian Temperance Union stands for Prohibition Observance and Enforcement, not Repeal or Resubmission.

The June W. C. T. U. will meet at the home of Mrs. A. S. Boatwright Wednesday, June 22, at 3 p.m. A full attendance is desired.

Why W.C.T.U. Opposes Resubmission.

Referring to a question being asked frequently, we give some of the many reasons why the Woman's Christian Temperance Union is opposed to resubmission in the words of our national president, Mrs. Ella A. Boole:

"The wets propose resubmission to be ratified by state conventions, a new and untried method of dealing with amendments. Under the guise of giving the people a chance to express themselves this opens the way to repeal the Eighteenth Amendment. However, those who think resubmission means immediate repeal will be disappointed. There are too many problems in connection therewith to insure repeal within a reasonable time. Even though Congress resubmits the Eighteenth Amendment, action of state legislatures will be necessary to call conventions. Failure to call a convention means refusal to ratify. At least thirty-six states must ratify the amendment. Even though thirty-six states should call conventions it is improbable that all of them would ratify a repeal amendment. Many states would refuse to incur the expense of a state convention called simply for the purpose of refusing to ratify. Ratification would probably be long delayed and though prohibition would still remain in the Constitution, its future would be an unsettled question, its enforcement hampered through uncertainty.

"The argument that the organized wets will cease opposition if the resubmission plan fails is too good to be true and cannot be justified by anything occurring up to date. The wets will continue to oppose prohibition until, after long years of fruitless effort and much nullification, the habits of the people settle down to accept the truth that alcohol is a narcotic poison."

JUNIORS ELECT OFFICERS

Bull Run Council has the following slate of officers for the next term, the list being named at the regular meeting on Tuesday night: councilor, H. M. Robinson; vice-councilor, Harvey Breeden; secretary, R. D. Wharton; financial secretary, R. L. Byrd; assistant secretary, J. S. Woodard; treasurer, B. C. Cornwell; warden, Ashby Marsh; inner sentinel, Francis Evans; outer sentinel, L. R. Wolverton; chaplain, G. C. Evans; junior past councilor, J. N. Muddiman; conductor, A. A. Muddiman. These officers will hold office until the next election in December.

MINNIEVILLE

The beautiful rain we had Sunday refreshed and brightened everything so much. Corn is looking very good considering the dry weather.

Mrs. Fannie Shackelford has returned to her home after spending some time with her sister, Mrs. Ashby, at Independent Hill and her brother, Mr. Bence Cole, who continues quite ill.

Miss Arcelia Dane is visiting some friends in Caroline county.

Quite a few from this neighborhood attended the closing exercises of the

high school at Occoquan. Among the graduates was Mr. Wm. Pearson, Mr. Louis Hinton and Miss Frances Hinton, all of Minnieville.

Mr. and Mrs. Scott visited Mrs. Scott's parents on Sunday, Mr. and Mrs. F. M. Pearson.

Don't forget the appointment of Elder C. W. Miller at the Primitive Baptist church here next Sunday, June 19, at 11 a.m. and Saturday before, 2:30 p.m.

We regret very much to say that Mrs. D. H. Carter is quite sick at her daughter's in Washington.

Mr. J. W. Stultz of Washington was in Minnieville recently on business.

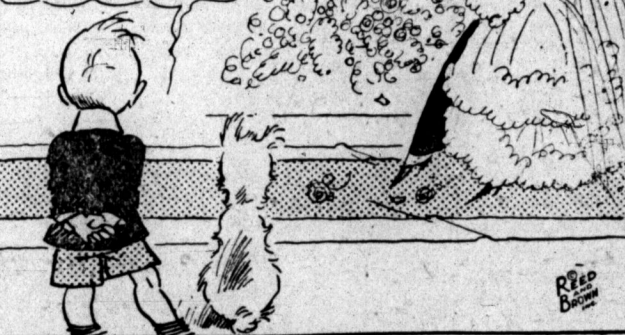

Mr. and Mrs. C. E. Clarke spent Sunday in Washington, guests of their children.

DECIDED IMPROVEMENT SHOWN
IN COUNTY'S TESTING PROGRAM

The Otis Classification Tests were put on in every county in the state by the State Board of Education in grades four through seven. This test aided in the classification of the children throughout the state.

The highest median for each grade is: fourth grade, 59; fifth grade, 77; sixth grade, 93; seventh grade, 101.

The results of the test in Prince William county were gratifying to teachers and patrons. Most of the schools show a decided improvement as can be seen from the fall and spring medians of each school given below:

SCHOOL	FOURTH		FIFTH		SIXTH		SEVENTH	
	Fall	Spring	Fall	Spring	Fall	Spring	Fall	Spring
Aden	30	67	54	63	71	96

In 1929 the supervisors of schools gave the Otis Classification Tests to classify the children of the county. The rating at that time was not very satisfactory. The supervisor listed the weaknesses and prepared a booklet of "Common Difficulties and Remedial Measures" which proved to be very the past three years, and the difference in the county medians in 1929 and the past three years, and the difference in the county medians in 1929 and 1932 is as follows:

Fourth grade	27	48
Fifth grade	43	70
Sixth grade	54	97
Seventh grade	82	115

This proves that our county is up to standard in each of these grades and rates very high in sixth and seventh grades; the maximum score for sixth grade is 93 and 101 for seventh grade.

CITIZENSHIP TEST TO BE GIVEN
BY HAYMARKET GRANGE

About one year ago it occurred to a member of the Grange that something might be done under its auspices to raise the standard of citizenship by helping people to appreciate the privilege of living in a country where each adult is supposed to have a voice in the management of national affairs. After further thought this Grange member became convinced that such a forward step should be directly linked with the use of the ballot. This conviction became more intense when he remembered that only fifty per cent of those entitled to use the franchise actually do so under average conditions.

Another unfortunate fact then recognized was that such a precious privilege as the suffrage should come

into the life of a citizen without any public demonstration. These considerations crystallized into the following question: Why not have in each county once a year a Citizenship Day upon which occasion the citizens would gather at one point to welcome new citizens who would receive a diploma and have their names entered upon the voters' list? The idea was laid before the Bull Run Grange whose members heartily endorsed it and appointed a committee to carry the idea out in concrete plans.

It was felt that no better time for starting such a patriotic move could be found than in the year in which we celebrate the Bi-centennial of the birth of the Chief Citizen of these United States.

As the effort is something of an experiment it was thought wise to

begin by having a Citizenship Day in connection with the Annual-Tour-nament of the Bull Run Grange to be held at Haymarket, Aug. 4, at 10 a.m.

In order to enhance the value of the diploma, to be presented this year by the above named Grange, the committee prepared a set of questions to be answered in writing by those who desire to obtain such a diploma. This examination will be held in the high school at Manassas, on Thursday, July 14, at 10 a.m.

Those wishing to qualify for the diploma and the honor associated therewith will be on hand at the above date and place.

Fifty marks will entitle the candidate to a diploma and those obtaining seventy-five or more will receive special mention.

"SHE WANTED A MILLION-
AIRE" OPENS JUNE 24

"She Wanted A Millionaire," Fox photoplay of lavish production and dramatic intensity, co-featuring Joan Bennett and Spencer Tracy, features the bill at the Dixie Theatre on Friday, June 24.

Contrasting the sumptuous luxury of a Paris honeymoon, Riviera chateau, gowns, motors and jewels with the inevitable heartache of loveless marriage, the picture is said to present the "inside" of the beauty pageant business, and how the winners are "picked."

As a factory girl in the old home town, Joan Bennett refuses the love of Spencer Tracy, her sweetheart, in a cold-blooded resolve to marry nothing less than a millionaire. Her seeming rise to the heights of desire begins with her being named Miss Missouri, with a trip to represent the state at Atlantic City as the reward.

There she meets James Kirkwood, in the role of the millionaire and one of the judges of the contest, whom she marries for the luxuries he can provide. It takes but a year of this loveless mating to show her the folly of her decision, after which the dramatic murder of her husband brings about the startling climax of her young life.

"She Wanted A Millionaire," which is directed by John Blystone, features Una Merkel, Dorothy Peterson, Douglas Cosgrove and many others in the large supporting cast.

BIRTHDAY PARTY
FOR BEALETON MAN

The sixtieth birthday of Mr. R. P. Armentrout, of Bealeton, Va., was honored June 11, with a birthday party given to him by his children, in the home of his daughter, Mrs. R. J. Long of Bealeton.

Forty guests were present to help

celebrate this honorable occasion. Many games were played, songs were sung, and every one seemed to have enjoyed themselves. At a late hour refreshments were served and the guests departed, wishing Mr. Armentrout many more happy birthdays.

To further honor their father and grandfather, the children and grandchildren were present all day Sunday, June 12, to hold a family reunion. Mr. Armentrout enjoyed this more than words can express, as it made him think of the by-gone days when he held his children, now men and women, around him of evenings and dream of the days when his children would all be gone from his fireside, to a fireside of their own.

The friends of Mr. Armentrout wish that he may have many more years of enjoyment, and that he may get the fullest extent of happiness from the years as they roll by.

I will be with him in trouble; I will deliver him. Long life will I bestow upon him and show him my salvation.—Psalm 91.

THE REPUBLICAN PLATFORM

It is not possible in so brief a time to analyze the Republican prohibition plank as reported in Associated Press dispatches this morning, beyond reaching the conclusion that they are making a gigantic effort to straddle the issue and adopt a statement that will be satisfactory to all Republicans, wet and dry. If they can do this, they will have achieved a great success in platform acrobatics. They propose that the people vote upon an amendment to the Eighteenth Amendment, giving the States the right to decide whether they will be wet or dry, and to let the Federal Government regulate interstate traffic.

In contrast with the plan proposed at the Virginia state convention, known as the Byrd plan, this Republican proposal denies the people a direct vote on this matter and retains the old plan of ratifying by legislatures or by conventions. The Byrd plan would give every individual the right of expression at the polls, regardless of party affiliations.

With the real issue before the country the question, not of whether we drink, but of whether we eat, it would be wiser, as suggested by the Byrd plan, that the prohibition question be removed from party strife and the real issues between Democracy and Republicanism be fought out in November.

There is only one Party in America which really has at heart the welfare of the masses and we believe the electorate of America has become convinced that we need a change.

BONUS BILL WILL FAIL

It takes courage on the part of Representatives in Congress to vote in the face of such pressure as is now being exerted in behalf of the Bonus Measure. It is far easier to favor the bill, knowing fully well that the country cannot stand a two and a half billion dollar drain upon the treasury at this time, and to depend upon the Senate and the President to kill the measure.

The question is a perplexing one in which human sympathy, national gratitude and mathematical economics are curiously blended, and the saddest part is the encouragement given the veterans by this action of the House.

President Hoover has stated flatly that he will veto the measure and the vote shows conclusively that the two-thirds vote necessary to override his veto cannot be obtained.

The Virginia delegation, with the exception of Representative John W. Flanagan, stoutly opposed the Bonus Bill, not with any lack of appreciation of the services of the veterans, but with the conviction that the evils attending the passing of such a huge appropriation at a time when the financial status of the nation is precarious, would do more harm to the country as a whole and to the veterans themselves than would the rejection of the proposed measure.

World War veterans, as all of us, are suffering from the effects of Republicanism. The best thing to do is to clean house in November and in the meantime to care for our unemployed as best we can through the aid voted to the various states from the federal treasury and by local relief. As long as the disease is still epidemic which has brought the depression upon us, it is futile to relieve distress by raiding the national credit. With Democracy again in the saddle,

it will be possible to restore national prosperity and not before.

THREE-CENT POSTAGE

In a few days the American public will begin paying tribute to Republican extravagance in many ways. As much of the increased taxation is made painless as possible by indirect methods which will not be detected by the individual beyond a general raising of certain price levels, but the three-cent postage will hit him between the eyes every time a first-class letter is mailed. And every time a three-cent stamp is fixed to a letter the sender ought to reflect upon the cause—the fearful extravagance of the federal government under Republicanism.

NOKESVILLE

Nokesville is fast becoming a good place to live in. When I occasionally emerge from my hermitage in the bushes, I never hear even a little bit of gossip any more. It speaks well for our inhabitants, but it's hard on the journalistic business.

I do think someone might oblige and have a happy event, or get married, or lay down and die, and create some news. But our folks are too busy making hay, harvesting and replanting corn to think about blessed events or dying. Judging from my observations some of our young people, however, may embark on a matrimonial adventure, even in this busy season of the year. It seems that nothing can keep them from visioning a sail on the moonlit sea.

All jokes aside, folks, I want to say a word to the baseball bugs. There will be a tie-up between the Greenwich Rebels and the strong Aldie team on the old field-day grounds at Greenwich Saturday. The team needs your support and you need the recreation. And by the way, much poorer teams in this country are receiving much better support than the

Rebels are getting. Tut! Tut! Folks! Get behind the boys.

EIGHTH DISTRICT FOR REPEAL

At the State Democratic Convention the Eighth District voted for repeal of the Eighteenth Amendment overwhelmingly. The poll was 128 to 9. After a hot fight in the matter of instructing delegates to the National Convention, all resolutions to bind the delegates were tabled and the caucus decided in the interest of Party harmony, merely to express its viewpoint, leaving instructions to the general convention.

The Byrd plan, which was adopted, however, is neither dry nor wet, but in favor of a national vote upon the question. The fight for repeal was led in the Eighth District caucus at

Richmond by former State Senator Walter T. Oliver of Fairfax. Former State Senator O'Connor Goolrick led the state-wide fight for repeal, but was overwhelmingly defeated on the convention floor.

Hough, trustee, to secure the payment of five certain promissory notes aggregating \$2200.00, and by virtue of a certain deed of trust dated the said 22nd day of June, 1929, and recorded among said land records in Deed Book 87, page 48, to the undersigned, T. E. Didlake, trustee, to secure the payment of a certain promissory note in the sum of \$1800.00, default having been made in the payment of note No. 2, secured by the said first deed of trust, and default also having been made in the payment of said note in the sum of \$1800.00, secured by the said second deed of trust, the undersigned trustees, at the request of the holders of the said notes, will offer for sale, at public auction, on

SATURDAY, JULY 2, 1932, at eleven o'clock A. M., of that day, in front of the Peoples National Bank of Manassas, in the Town of Manassas, Va., the following real estate, to-wit:

FIRST PARCEL: A farm of 120.5 acres, more or less, situate on the north side of the Lee Highway and abutting on said highway, near Groveton, in Manassas Magisterial District, Prince William County, Va., adjoining the lands of Sowers, Rollins and others and being the same farm that was formerly owned by Phillip B. Senseney and wife and that was conveyed by them to the said Albert N. D. Brooks and Minnie Grigsby Brooks by deed bearing date of June 22, 1929, and duly recorded among said land records, to which said deed reference is hereby made for a more particular description of the same.

SECOND PARCEL: Consisting of a house and lot, situate in the Town of Manassas, Va., on the west side of Grant Avenue, extended, and abutting on said avenue and Douglas Street, containing one-half an acre of land, more or less, and being the same land that was conveyed to the late Norman B. Grigsby by Lucy A. Robinson and husband, by deed bearing date of October 13, 1922, and of record among said land records in Deed Book 77, page 494, to which said deed reference is hereby made for a more particular description of the said land.

The said farm has on it a dwelling and outbuildings and is admirably located. The said lot in the Town of Manassas, Va., has on it a substantial residence and outbuildings.

TERMS OF SALE: The said two parcels of real estate will be sold for cash, except that the said parcel of 120.5 acres will be sold subject to a mortgage thereon due the Federal Land Bank of Baltimore, dated October 18, 1922, and recorded among said land records in Deed Book 77, page 356, the said mortgage being originally in the sum of \$3600.00, on which there is due the sum of \$3244.35, as of October 2, 1931.

T. E. DIDLAKE, Trustee.

HAYMARKET

Miss Virginia Shumate is visiting her sister and brother-in-law, Mr. and Mrs. G. A. Bodmer in Washington. Mrs. C. C. Davis and children of Salem, Va., were recent guests of Mrs. Wade C. Payne.

Mr. and Mrs. Thorn Williamson Hall of Bristol, Md., are receiving the congratulations of their friends on the birth of a son on June 13.

Mrs. Mary Troth of Alexandria, Miss Sarah Howdershell and Miss Virginia Bell of Washington were week-end guests of Mr. and Mrs. J. W. Garrett.

Miss Christine Clarke, a student at the Teachers State Normal, Harrisonburg, has completed her course at the college and is at her home here.

Closing exercises for Haymarket school were held at the parish hall on Wednesday evening, June 1, when a class of sixteen, the largest in the history of the school, was graduated. Quite a number were promoted to the high school. The graduates were: Marie Clarke, Virginia Shumate, Josephine Adams, Bessie Sinclair, Dorothy Bodine, Edna Bodine, Virginia McQuin, Mae Gosson, Mildred Carroll, Ruth Griffith, Fowler Ashby, Smith Garrison, Robert Smith, Carl Smith, Hamilton Latham and Ray McQuin.

BRISTOW

The school closed here Friday, and an entertainment was given that night for the benefit of the children. They are all glad to get out of school until fall term entering school.

Lots of people seem to be enjoying themselves swimming, this warm weather.

The farmers are busy getting in their hay, planting the corn crop over for the second time, tending their chickens, gardening, etc.

Mr. Mark Long, Miss Evelyn Walls and Mrs. W. M. Walls were Saturday night visitors at the home of her sister, Mr. and Mrs. F. C. Strickler, at Midland, also her mother, Mrs. M. J. Edmonds, who has just returned from Maryland.

Mr. and Mrs. Walter Weatherholtz are the proud parents of a baby boy born June 7.

NEW CAR

GAINS SALES

A gain of 32.7 per cent in Rockne retail deliveries by dealers for May over April was announced by George M. Graham, vice-president of Rockne Motors Corporation. This is a further gain over the 105 percent increase in Rockne registrations for April over March, Graham said.

"The May figures were compiled from our regular ten-day reports from dealers," Graham said, "and they show an upward trend for every ten-day period. For example, every period in each of the two months showed a substantial gain over the previous period, as well as over the corresponding periods for the previous months."

Deliveries reported in the last ten days of May were especially impressive, showing a gain of 42.3 per cent over deliveries in the corresponding period in April.

"The fact that the last ten days in May also showed a gain of 25.1 per cent over the previous ten-day period in May," Graham added, "is one of our most encouraging symptoms of returning prosperity."

Another interesting comparison showed that deliveries in 22 key points throughout the country had made steady gains during the three May ten-day periods. The second period registered a 7.9 percent increase over the first, while the third showed a further gain of 20.9 per cent over the second May period.

DELIGHTFUL TRIP

Miss Mildred Ewell from Haymarket, Va., has just returned from a most delightful trip to New York with a party of friends from all parts of Virginia.

This bus load of friends left Charlottesville, chaperoned by Miss Rebecca Lee, June 9, each one of the party being picked up between there and Washington, leaving Washington at 2 o'clock in the afternoon and reaching New York at 2 next morning.

This was a most delightful trip. Besides sight-seeing, theatre tickets were provided for afternoon and night amusements.

DIETRICH PLAYS GLAMOROUS PART IN NEW PICTURE

"Shanghai Express," Marlene Dietrich's first starring picture since she returned from Europe, is scheduled as the feature at the Dixie theatre next Wednesday and Thursday. This thrilling story of adventure and romance was originally written by the well-known novelist and traveller, Harry Hervey, and dramatized for the screen by Jules Furthman, who also wrote the screen play of "Morocco," Miss Dietrich's first starring picture made in America.

Josef von Sternberg, maker of "Morocco" and "Dishonored," also directed "Shanghai Express." The supporting cast is headed by Clive Brook, who recently played the leading role in "24 Hours," and Anna May Wong, Oriental heroine of the picture, "Daughter of the Dragon."

Miss Dietrich plays the part of a notorious and glamorous woman of the world, while Brook portrays a British officer who meets her, after years of separation, aboard the Shanghai Express, which is held up by a Chinese bandit general, played by Warner Oland.

"Shanghai Express" is a stirring melodramatic picture with a large cast of celebrities. More than a thousand Orientals of various races were used as extras for atmosphere effect.

HOUSE-HEATING WITH NATURAL GAS

In co-operation with the Virginia Gas Distribution Corporation, we are offering a very attractive proposition which will permit the substitution of NATURAL GAS for coal in your heating furnace or boiler.

Such an installation converts your heating plant from coal to NATURAL GAS, making same wholly automatic in its operation, and is thoroughly practical in every way.

The necessary heating survey, recommendation, proper installation and guaranteed performance as service, is to be handled by the Gas Company.

We will be very glad to discuss this matter with you in detail.

How Often
Do You Attend
Your Church?

CATHARPIN

Mrs. C. F. Brower and little granddaughters, Betty and Francis, are visiting Mr. and Mrs. Frank W. Brower of Price, Md.

The Homemakers Association of Prince William county held its summer meeting at Sudley church on Thursday, the 9th, with good attendance. Dinner was served by the ladies of the Sudley Missionary Society at 1 p.m., after which the meeting adjourned to the auditorium of the church where the regular program was rendered. Some very interesting addresses were made by both the visiting speakers and local talent, and a very profitable as well as enjoyable day was the experience of all. This is the second time Sudley has had the pleasure of entertaining this interesting group. They are always welcome.

Mr. and Mrs. W. K. Caldwell were dinner guests at Oakwood on Sunday last.

Mrs. Etta P. Lynn spent several days last week visiting her sister, Mrs. Lelia C. Akers of Rock Hill.

Mr. W. K. Caldwell of Six Acres visited his friend, Colonel Fay, of Mulberry Fields, Md., several days last week.

Mr. and Mrs. L. L. Lynn and daughter visited friends in Manassas on Thursday last.

Mrs. Mary Pattie Briggs of Clarendon is visiting her parents at Bell Farm where she expects to remain for a week or two.

Many of our people attended the dedication of the Manassas Airport last week and of course were much interested and delighted in what they saw. Thus another marker or milestone has been set up along the pathway of progress. One is often dazed when he tries to comprehend it all. Twenty-one years ago the writer brought the first automobile to the Catharpin-Sudley neighborhood. Children came running to the roadside and climbed upon fences, gates, etc. to see it go by—a great curiosity and wonder in those days. Many were the remarks and prophecies then as to the future of the automobile. You know every community has its "philosopher" whose opinion is respected and whose decisions constitute the "weather-vane" of the community in regard to crops, cattle-raising, politics, etc., but the automobile was a poser; he was not acquainted with anything like that so he dismissed it with the finality of a supreme court

judge and rendered his decision that "that thing will never be of any use in this country." For a time that decision stood and all agreed, but in fifteen years there was hardly a family in the Catharpin-Sudley neighborhood that did not possess one. In that short space of time Henry Ford had put the whole nation on wheels and the "store-box philosophers" were left in utter confusion. Remembering that experience we listened carefully for any remarks about the airplane, and particularly did we wish to hear the prophecies, if any, relative thereto but after many "contacts" not once did we hear the opinion expressed that the plane would not be useful. The old, ever-ready philosopher has either become extinct or else has learned his lesson; about the only comment we heard was—"Well anyone can go up if he wants to but I believe I'll stay on the ground." The writer has several times heard the query—"What do they expect the flying field to do in Manassas?" Naturally this question will arise. It is all so new that people can hardly grasp it, but no one has taken it upon himself to consign it to the everlasting bow-wows as was done with the automobile. The best answer we can give to that question is an old remark heard in our youth that "no one is so far from market as the man who

has nothing to sell." Manassas is a growing town and its future depends upon the public spirit and enterprises of its citizens. People are no longer content to sit idly by and render store-box platitudes and let it go at that. If Manassas is to take her place in the sun she must be progressive, and to our mind the flying field is wonderful evidence that the little city is blessed with some fine public spirited men. We wish we could mention the names of those responsible but refrain at this time but we know them all and glory in their enterprises. Manassas now has the finest field in the country and there is no telling what may develop; at any rate they have something tangible and ready to meet the future four-square and who can prophesy what the next fifteen years may bring to our county seat?

FAMOUS JUNGLE TALE COMES TO DIXIE THEATRE

"Tarzan, the Ape Man," based on the hair-raising story of jungle adventure by Edgar Rice Burroughs, will be the attraction at the Dixie Theatre next Monday and Tuesday. John Weismuller, world's champion swimmer and considered to have one of the finest physiques of any man living, plays the title role of the strange white man who lives in the

jungle like the apes. Prominent roles are also played by Neil Hamilton, Maureen O'Sullivan, C. Aubrey Smith, Doris Lloyd, Forrester Harvey and Ivory Williams. The picture was directed by W. S. Van Dyke who achieved such sensational results with "Trader Horn."

The story, laid for the most part in the beast-infested Lake Alberta region of Africa, concerns the attempt of a handful of English adventurers to find the mysterious "Elephant's Burial Ground" where they hope to secure a fortune in ivory. The daughter of the leader of the safari is abducted by Tarzan, the Ape Man, who lifts her bodily from the ground and then carries her away beyond reach of human hands by swinging through the tops of trees at dizzying heights. Their continually exciting and oftentimes thrilling adventures with wild beasts, pygmies and other jungle terrors make this a picture which is said to contain even more hair-raising episodes than the celebrated "Trader Horn."

Among these are numbered the attack upon the safari night camp by starved lions; a fight between Tarzan and a bull ape; the rescue of an elephant trapped in a pit; the charge of elephants through a pygmy village and the escape of the safari from death in a man-eating gorilla pit.

BOB STEELE IN

THRILLING FILM

Bob Steele will be seen as a modern knight in his new western drama, "South of Santa Fe," which will be at the Dixie Theatre this Saturday.

As the hero of the story, Bob is continually looking for excitement and adventure. He finds it on the ranch of a friend who is trying to get out of the country with the secret of a fabulously rich gold mine he has discovered.

The young cowboy rides to his aid just in time to find his fill of adventure, fighting and outwitting the desperadoes who are trying to discover the secret of the hidden mine and to record it in their own name.

INFORMATION ABOUT QUANTICO NATURAL GAS SERVICE!

In order to properly handle our business in this section, we have formed an operating unit, which is known as District No. 4, with headquarters at Warrenton. We have appointed Mr. Ralph B. Auten as Local Manager, Mr. Russell D. Gagen as Special Representative and Mr. Joe R. Parker as Foreman, these men to handle all details of operation.

One of our men will visit Quantico each day, and while there, will contact the First National Bank, which will act as our Collection Agency, as well as each of the following local merchants who are selling gas appliances:

McInteer Hardware Co.

for the purpose of giving immediate attention to inquiries regarding the installation of natural gas.

If you desire to have natural gas in your home, or wish information of any nature regarding our product, kindly leave word with any of the above firms as we have suggested, and you will very quickly be called upon and given full information.

WHY GAMBLE?

IN THESE DAYS when every dollar counts, your living expenses can be materially lowered by a General Electric Refrigerator. • A General Electric costs less to own and operate because of its Monitor Top mechanism. • Today 1,250,000 General Electrics are giving their owners the lowest cost refrigeration service it is possible to have. • It's as easy to buy a General Electric as it is to pay for the "cheapest" refrigeration. \$10 delivers a full-sized General Electric to your home tomorrow.

METZ'S RADIO SERVICE

MANASSAS, VA.

GENERAL ELECTRIC
ALL-STEEL REFRIGERATOR

DIALS PLACED IN LOUDOUN

(Continued from page 1)

Telephone officials urge that subscribers consult the directory before making calls, since in this way they will be insured of the best service. Special stress is placed on knowing the correct number, which should be obtained from the directory before calling. If the person or firm wanted is not listed in the directory, the management asks that all users of the service dial "O" and ask the operator for the number wanted.

How to dial is explained in the following manner:

"To make a call, take your receiver off the hook and listen for the 'dial tone,' a steady humming sound.

"Place your finger in the opening in the dial through which is seen the first digit of the number you are calling; turn the dial around until your finger strikes the finger stop. Then remove your finger and without touching the dial let it return to rest. Do not force or retard its return.

"Proceed in the same manner to dial the remaining digits of the number in sequence.

"After you have finished dialing, listen for the ringing signal, an intermittent 'burr-r-r-r' sound which informs you that the bell of the called telephone is ringing.

"If the line you are calling is in use, you will hear the busy signal, a buzz-buzz-buzz sound. When you hear this signal, replace your receiver on the hook, and call again a little later.

"Always place your receiver back on the hook after calling."

Calls from party line telephones are also explained carefully as are the methods of reaching information, long distance and repair service.

Community Building

Home Owners Benefit

All Lines of Business

According to James A. Devine, secretary of the Ohio Building association league, earnings of building and loan companies in Ohio for the first quarter were highest in history. The steady progress of home financing institutions is due, according to building and loan leaders, principally to the fact most prospective home owners take the job of paying for a home seriously.

Ohio building, loan and savings companies during the first quarter of 1931 paid 2,000,000 depositors and stockholders in excess of \$18,250,000 in interest and dividends. These figures are of wide interest because in practically every community in Ohio, one out of every two families is a building, loan and savings company customer.

Because of volume, total resources of Ohio financing institutions now standing at \$1,300,000,000, the savings and loan business in Ohio can, if necessary, show material progress merely through gains within itself. In other words, if depositors and stockholders leave interest and dividends for compound interest accumulation, assets of Ohio loan companies would annually increase in the neighborhood of \$35,000,000 without the addition of a dollar of new deposits.

On the other hand, these institutions are kept liquid and in funds not alone through new deposits, but because home borrowers annually repay in excess of \$100,000,000.

No Justification Now

for Unsightly Antenna

How those who are building beautiful homes may avoid marring them with an unsightly antenna was explained to the Washington chapter of the American Institute of Architects by E. J. Quinby.

Instead of stringing wires on the roof the antenna is erected 100 yards or so from the house, out of sight, and connected with the radio set in the house by means of running a wire underground through a conduit.

In connection with apartment house antenna, Mr. Quinby showed the architects a photograph of the roof of an apartment building, old style, where there was a "forest" of wires for 40 receiving sets strung haphazard, forming fire and live-wire hazard. Then he exhibited a picture of the roof of a modern apartment where but a single wire served as the antenna for the sets in 80 apartments.

"Cleaning Up" the City

The average property holder is jealous of the appearance of his own lawn, his residence and the garden plot in the back. But the domain over which he is lord and master ends with the sidewalk. Across the sidewalk there begins a No Man's land which for years has suffered from neglect. If the municipal government could enter the lists as a crusading clean-up advocate, determined to make its own property between the sidewalks and curbs as attractive as it might be, anxious to repair ugly terraces, bare of grass and torn by storm, and bent on removing the sore spots that are made by unauthorized dumping, some real results would be apparent at the end of "Clean-up" week.—Washington Star.

New Use for the Schools

The bureau of education at Washington has endorsed the movement for using churches and schools as centers of civic training and suggests the radio and films as the means to that end. The commissioner of education points out that both churches and schools, especially in the rural sections, are vacant for long periods of time and their idle equipment could be well adapted to community center and neighborhood civic movements.

Four churches in Houston, Texas, are planning to introduce talking dramas with graphic settings and music to emphasize the psalm background for addresses. In California the schools have been developed in a state-wide way into community centers.

Roof Color an Essential

While the roof of your home must shut out the elements and must be durable, it should at the same time, because it is one of the most prominent architectural features of the house, add beauty through color and pattern. Your greatest opportunity to increase the effectiveness of your homestead and the entire architectural treatment lies in a wise choice of roofing color.

TRIDUUM AT ALL SAINTS CHURCH

A triduum along with the Devotion of the Forty Hours will be given in All Saints Church June 19-21.

The Rev. Louis A. Wheeler, S. J., will conduct the triduum. The services will begin Sunday, June 19, at the 10:30 mass and will be held morning and evening. Father Wheeler, who is widely known as an unusually attractive speaker, will speak at all the services.

The masses on Sunday will be at 8 and 10:30; on Monday and Tuesday at 6:30 and 8. Evening services at 7:30.
