

CONGRESSMEN TO RUN "AT LARGE"

Supreme Court Decision Wipes Out All District Boundaries.

The Virginia Supreme Court of Appeals having decided that the recent redistricting act of the General Assembly was unconstitutional, and that the candidates for Congress in the nine districts of the state will have to be candidates at large, Col. Peter Saunders, secretary of the commonwealth, regards the case as closed, and was today certifying to the electoral boards a list of 24 candidates at large who filed within the prescribed time.

Here are the names that will appear on Virginia's record-breaking congressional ballot from which the voters on November 8 will select nine congressmen-at-large:

U. D. C. MEETS WITH MRS. BYRD

The newly elected president, Mrs. R. A. Hutchison, presided at the monthly meeting of the U. D. C. which was held in the home of Mrs. R. L. Byrd Tuesday, Oct. 12, with nine officers and twenty-eight members.

After the opening prayer by Mrs. Ashford, the reports of secretary, treasurer and standing committees were heard.

The corresponding secretary, Mrs. R. S. Hynson, was requested to write a letter of sympathy to Mrs. Armstrong Sinclair in the loss of her brother, Mr. T. Ramsay Taylor.

The chairman of float committee reported the hearty co-operation of the members. Assistance had been given by Mr. Ernest Hale, who loaned an old carriage in which Mr. John Percy, Jr., and Miss Mary Elizabeth Marsteller costumed as the beau and belle of the sixties rode.

The second float was contributed by Mr. Percival Lewis, who sent his horses and driver.

Mr. Albert Spelden lettered the hunting and placard. Mr. H. T. Davis loaned the spinning wheel. The corresponding secretary was instructed to write letters of appreciation to those gentlemen who so kindly assisted us.

The young ladies who rode on the float were Miss Salie Lewis, Miss Lucretia Larkin, Miss Rena Bevans, Miss Maude Larkin, Miss Kate Ratcliffe, Mrs. Paul Kincheloe and Ashby and Gene, youthful son and daughter of Mr. and Mrs. Percival Lewis.

A rising vote of thanks was given Mrs. Ashford for her interesting report of the U. D. C. state convention held in Fredericksburg last week.

During the historic period Mrs. C. R. C. Johnson gave a sketch of the life of Benjamin H. Hill which was instructive and entertaining. She also read from Mr. Hill's speech delivered in the U. S. Senate Jan. 11, 1876, and his tribute to Lee and Davis before the Historical Society in Atlanta, Ga., Feb. 18, 1874. After adjournment the hostesses, Mrs. Byrd and Miss Nollie Nelson, assisted by Mrs. Warren Coleman, served a salad course. The tea table was decorated with red candles carrying out the Confederate colors. Mrs. Albert Spelden poured.

This was one of the many social hours enjoyed by the Daughters this year.

\$2,000,000 LOAN FOR REFORESTATION

ATTENTION DEMOCRATS

By decision of the Supreme Court of the State Oct. 11, the nine Members of Congress from Virginia must be elected At Large on November 8. This means that each candidate will be voted on all over the State as well as in his Congressional district, and each voter will be entitled to vote for nine candidates for Congress. There will be about thirty candidates for Congress on the ballot. In order to vote the Democratic ticket for Congress, it will be necessary for the voter to strike out the names of all except the nine Democratic nominees, who are as follows:

S. Otis Bland
Thomas G. Burch
John W. Flannagan, Jr.
Colgate W. Darden, Jr.
P. H. Drewry
Andrew J. Montague
A. Willis Robertson
Howard W. Smith
Clifton A. Woodrum

All of these gentlemen are the Democratic nominees for Congress from their respective districts, and all except two are at present members of Congress, these two being the regular Democratic nominees from their districts.

In order to insure the election of nine Democratic Members of Congress from this State, it is necessary for the voters in each district to vote not only for their own Democratic Member for Congress, but also for the other eight Democratic nominees. All Democratic voters are, therefore, urged to be careful to strike out the names of all candidates for Congress on the ballot except the nine above mentioned. Any ballot that has on it more than nine names, not scratched, will be thrown out. Any voter who votes for less than nine Members thereby jeopardizes the chances of the election of a full Democratic slate. To vote the straight Democratic ticket, leave the nine names above mentioned and strike out the names of all other candidates for Congress.

The Prince William County Chapter of the American Red Cross has just received its first shipment of cotton goods which the government has given to the Red Cross for distribution. Those who will volunteer their services are requested to meet at Manassas high school at 9:30 a.m. Saturday, October 15.

MEETING OF WOMAN'S CLUB

The Woman's Club held their regular meeting on Wednesday at the high school. Dr. Ragatz of George Washington University was the speaker. He talked very interestingly of Current Events, laying special emphasis on the revolting conditions against the great white empire of today. He prophesied that in the future the empires as they are now will be broken up into a great many smaller countries due to the nationalist movement under way in every western country.

Reports were heard from all the chairmen and the president urged each member to make an effort to attend every meeting. All who possibly can, are urged to go to the eighth annual convention in Alexandria on Tuesday, October 18, at 11 a.m. Those desiring to go communicate with the president, Mrs. Robert H. Smith.

NOTICE

The Prince William County Federation of Community Leagues will meet Monday, October 17, in the Manassas high school at 2:30 p.m. Each league is urged to have a representative at this meeting. All Junior Leagues are invited to send a representative.

UNIQUE FEAST AT BRENTSVILLE

Old Court House to Witness Rousing Rally.

The rally and barbecue to be held at the old court house at Brentsville, Friday, October 28, will be under the auspices of Prince William County Democratic Executive Committee, D. E. Earhart, chairman, associated with Roosevelt-Garner-Smith Club, C. B. Allen, president, and Young Democratic Club, William H. Leachman, president.

The following committees have been named:

Finance—Manassas district, John H. Burke; Brentsville district, F. L. Trevis; Coles district, A. W. Woodyard; Occoquan district, G. C. Russell; Dumfries district, C. C. Cioe, and Gainesville district, C. B. Allen.

Reception—Manassas district, M. Bruce Whitmore and Mrs. R. S. Hynson; Gainesville district, George G. Tyler and Miss Mildred Ewell; Brentsville district, M. M. Washington and Mrs. Laura M. Gray; Coles district, R. C. Linton and Mrs. E. L. Herring; Dumfries district, William Crow and Mrs. Janie Arbel, and Occoquan district, W. S. Lynn and Mrs. Egbert Thompson.

Entertainment—E. R. Conner and A. S. Boatwright.

Music—John H. Burke.

Program—William H. Leachman.

The committee on entertainment, A. S. Boatwright and E. R. Conner, have secured the services of N. Auth Provision Company of Washington, who are going to barbecue several fresh killed steers. This company has the complete equipment for putting over a skillful affair. Frank V. Brown will be in charge during the evening with his corps of chefs. Frank and John Auth are coming out prior to the celebration and stake out the grounds for the installation of the equipment. This company repeatedly scored successes in similar entertainments in Maryland and Pennsylvania. Last year they conducted one at Poolesville, Md., for the State Democratic Committee, also two at Rockville, Md.

The Corby Bakery is contributing several hundred loaves of bread. A band will also be on the scene.

A barbecue is almost unknown around these parts. It is expected that the unusualness of the affair will draw many hundreds who will attend to witness the skillful exhibition as well as listen to the basic principles of the party as laid down by Democratic leaders in this area.

GREENWICH 4-H CLUB MEMBER REPORTS PROFIT

Raymond Spittle, Greenwich 4-H club member, makes the following report for his 1932 poultry project:

"On April 16, I bought 100 White Plymouth Rock chicks and on April 19 added 25 Barred Plymouth Rocks. Because my small brooder failed to give enough heat, twenty of my White Rocks froze. The first cost of the chicks was \$7.90 and my feed cost was \$18.33. I sold six broilers and eighty-five fryers for \$54.70, which left me a profit of \$28.47 above the first cost of chicks and feed."

MARRIAGE RECORD

Oct. 8—Walter Earl Cordle and Margaret Lucile Quinn, both of Manassas.

Oct. 8—John F. Hannah and Louise Rakestraw, both of Washington.

Virginia Program Discussed in Washington.

Yesterday State Senator J. J. Wicker, Jr., of Richmond, conferred in Washington with officials of the Reconstruction Finance Corporation relative to a loan for reforestation work. Senator Wicker is chairman of a special committee appointed by Governor Pollard to investigate the feasibility of the project.

As a result of a favorable opinion from Attorney General Saunders it is believed that the Reforestation Committee will shortly make recommendations to the Virginia Commission on Conservation and Development advising that a contract be made with the Reconstruction Finance Corporation for a loan of \$2,000,000, to be used by the Commission in its forestry division for improvement and protection of timber lands and for reforestation.

In anticipation of favorable action on the reforestation loan, the Commission on Conservation and Development has been actively reorganizing the State Forestry Department along lines which will bring into action greater executive ability and segregating purely technical and scientific aspects of forestry from the administrative functions.

One of the foremost advocates of practical reforestation work is Hon. Thos. J. Farrar, of Charlottesville, the forestry representative of the Commission. Mr. Farrar believes that the reforestation project will not only give employment to hundreds of citizens now without means of remuneration, but will be amply repaid through the sale of pulpwood and other forest products.

No project in recent years has offered more promise of giving employment to a large number of citizens and of distributing benefits generally throughout the state.

CHILDREN'S CLINIC WITH X-RAY

During the week of October 24 in the Court House at Manassas will be held a clinic for the diagnosis of tuberculosis in children, by a specialist of the State Health Department. This clinic will be under the auspices of the County Board of Health and in co-operation with physicians of the county.

On Monday, October 24, children who have been in contact with active cases of tuberculosis and others sent in by physicians will be given an examination and the tuberculin test for the disease.

On Tuesday, October 25, a clinic will be held for suspicious and contact cases among grown people recommended by the doctors or by the nurse with the family physician's approval.

On Wednesday, October 26, the children tested on the previous Monday should return for a reading of the test and for an x-ray of the chest of those who are found to show signs of the disease. Two x-ray plates of the chest are made. The x-ray pictures are not free, but the cost is very low. Another test will be given those who do not show tuberculosis on first test, and these will be read on Friday and x-rayed if necessary.

On Thursday adults and children will be examined by appointment and consultations with local physicians held in regard to their patients.

The children's clinic can come to the county only at infrequent intervals. The opportunity to discover hitherto unsuspected disease among children who have been closely associated with active tuberculosis is a rare one and should be utilized.

If the court house will not be available for the clinic, change of place will be announced in next week's paper.

BETHEL HOME DEMONSTRATION GROUP MEETS

CATHARPIN

Annual bazaar, Sudley church, Oct. 28, beginning 12 noon. Everybody invited.

Mr. Floyd Conrad of Cleveland, Ohio, visited his sister, Mrs. Albert C. Ellison, at Catharpin last Sunday. It will be remembered that the Conrads operated the Tecumseh farm near Fairview some few years ago.

Mrs. R. A. Collins has been visiting among friends and relatives in Clifton Forge and Natural Bridge during the past week returning home on Wednesday accompanied by her brother-in-law, Mr. McDaniels, and a niece and nephew.

The Rev. Charles F. Phillips, a former pastor of Sudley, stopped over on his way to conference at Winchester and called upon his former parishioners who were glad to see him. Mr. Phillips is now stationed at Andrew Chapel, Baltimore, Md., where he has a large and growing congregation.

This neighborhood was visited by a very heavy downpour on Wednesday of last week which broke the drought and incidentally the record and washed out many water-gaps and completely destroyed the new culvert over Catamount branch near Catharpin. This culvert consisted of two tubes each 5 ft. in diameter, tearing away all filling and carrying the tubes some distance down stream. It is now the intention to bridge this intrepid stream since it has shown its positive aversion to any such limited accommodations as mere pipes can afford when it really wants to celebrate.

When a thing once gets started there is no telling where it will end. This applies to all things generally but we are just now thinking of Dinah's Quilting Party. The Sudley Missionary Society began by asking for quilts to quilt expecting to make a few dollars for the society at \$3 per. This went along nicely until someone seeing one of their wonderful productions wanted to buy it. They sold it for a goodly price. Soon others wanted them and now things are booming and if it keeps up the depression will be over and gone long before any of the "prosperity" candidates can be elected. And so it goes. This along with the approaching bazaar on the 28th of this month is giving the Sudley ladies plenty to do. That they enjoy it all goes without saying.

The Sudley congregation is glad to extend a welcoming hand to their pastor, the Rev. K. D. Swecker, who is returned for another conference year. A number of changes have been made relative to government of Methodism in the Baltimore conference and among them being a reduction in the number of districts from eight to seven, thus eliminating one presiding elder. The Alexandria district no longer exists it being absorbed by the Washington district with the Rev. J. Howard Wells as our new presiding elder.

CROPP

The rally day was held Sunday at Grace. A very interesting program was rendered by the school. Each department was well represented in the program and the superintendent of each department gave very interesting talks, also a report of each. The church was very beautifully decorated in autumn tinted shrubbery, cedars and golden rods. There were seven graduates from cradle roll to beginner, three from beginners to primary, eight from primary to junior, nine from junior to intermediate and seventeen from intermediate to the young people's class and three from young people's to adult class. The adults occupied the choir and the superintendent, Mr. Dodd, issued the certificates as the graduates marched out.

Miss Louise Carr, Miss Delania Lorenzo and Mr. Noah Teates of Washington and Miss Lettie Stickley of Bealeton and Mr. and Mrs. John Smith of Sewego were among the many to attend the exercises.

There will be Sunday school at Grace this Sunday at 10 and preaching the fourth Sunday at 11 a.m. The W. W.'s will meet Friday night at 7:30.

Mr. Hunter Pearson of Washington visited his parents, Mr. and Mrs. Sam Pearson, over the week end.

Mr. and Mrs. Douglas Beach and family of Catlett were also Sunday guests of Mrs. Pearson.

Miss Dorothy Schisler, Dent Monroe and Ashton Christy visited the Misses Courtney Sunday night.

Mrs. James Fletcher visited Mr. John Ennis and family Sunday.

Miss Emma Clark had as guest Mr. and Mrs. Sumpter Oliver and Miss Louise Carr of Washington.

Mr. Duffie Bowling and family attended services at Richland Sunday afternoon.

BUSTER KEATON, JIMMY DURANTE PAIRED AGAIN

Buster Keaton and Jimmy "Schnozle" Durante continue their combination as the most hilarious of all screen comedy teams in "Speak Easily," which opens next Monday at the Dixie Theatre for two days.

The fun riot they started in "The Passionate Plumber" is carried on into this new laugh romance with added comedy embellishments. Keaton has long been acclaimed as the frozen-faced comedy king and Durante has recently come into favor as the supreme purveyor of long-nosed "hot cha" antics. Together they are said to provide the funniest screen situations that have ever been filmed at the Metro-Goldwyn-Mayer studios.

"Speak Easily" was adapted from Clarence Budington Kelland's story, "Footlights." The theme concerns the adventures of an absent-minded college professor, played by Keaton, who inherits nearly a million dollars and decides to go out and "see life." He makes the acquaintance of Jimmy, the piano player of a musical show stranded in a small town, and "adopts" the entire troupe for a Broadway run. The many complications they encounter in their theatrical career provide plenty of comic uproar.

Ruth Selwyn, recently featured in "Polly of the Circus" and "New Morals for Old," has the feminine lead in "Speak Easily" as Keaton's romantic heart interest. Thelma Todd, whose co-starring comedy appearances with Zasu Pitts have achieved outstanding popularity, is cast as a vamping actress who makes things exciting for Keaton and Durante.

JOHNSON-HIXSON

The Baptist church at Fredericksburg, Va., was the scene of a beautiful wedding on Saturday, October 8, when Miss Lula May Hixson, daughter of Mr. and Mrs. George C. Hixson, became the bride of Mr. George Dawson Johnson, son of Mr. and Mrs. R. Lee Johnson of Manassas.

The bride was attractively attired in a most becoming outfit of brown crepe with accessories to match and wore a sorsage of Talisman roses and lilies-of-the-valley.

Immediately after the ceremony the couple left on a motor trip to Florida and other southern states and upon their return will make their home in Washington, D. C.

The officiating minister was Mr. J. W. Holland, formerly of Washington.

AUTUMN FOLIAGE

Over the greater part of the United States the forests are beginning to take on their autumn splendor. The turning of the leaves in the fall, from their uniform summer green to brilliant hues ranging from the palest yellow and browns to brilliant scarlet, presents one of the most gorgeous spectacles ever to be seen. We in America have become so accustomed to it that we often do not realize its beauty. It is a constant source of delight and wonder to European visitors who have no such phenomenon at home.

Our American autumn is something that we on this continent alone possess. The pleasant weeks between the first frost and Christmas, when the winter's cold and snow really begin over most of the United States, make a season in which outdoor life can be enjoyed to its utmost. There is as much inspiration in our autumn season for the poet as there is in the English spring, and far more for the painter.—Rappahannock Record.

A CHALLENGE

Editor, Manassas Journal.
Dear Sir:

About two years ago eight or ten of the men around Stafford Court House undertook to revive the game of croquet, and we built at my home a regulation court upon which we have played this game ever since. After we had been playing about a year we issued a challenge to any persons in Stafford, Fredericksburg or Spotsylvania county, to come on and play against us, either singly or in teams. Only two teams ever responded, both these from Stafford, and were soon dispatched.

It has occurred to us that maybe Prince William county might be able to furnish us some competition in this game, and it is for this reason I am writing this letter and ask that you publish it. As croquet players we feel that we are capable of taking on any players from any place, and we respectfully issue this challenge, without qualification, that if Prince William county can produce any persons who can afford us competition in this game, we would be glad to hear from them, and arrange such games. This challenge may sound pompous but we have reached the point where we do not believe any competition may be offered us of any consequence.

Yours very truly,
F. P. MONCURE.

WOULD WORKING MEN
HAVE MORE FREEDOM
TO DRINK, HE ASKS

(Reprinted by request)

"Would working men have more freedom to drink if the Eighteenth Amendment were repealed?" asks Dr. Thomas N. Carver, professor of economics of Harvard University. Then Dr. Carver goes on to say:

"Those in the lower and less responsible positions probably would. The members of what is sometimes called the industrial army, who are hired when extra men are needed and promptly fired as soon as they can be spared, could drink as often as they could find time and money."

"Working men in responsible positions, however, would be prohibited from drinking by their own employers. Mr. Atterbury and other railroad presidents may insist on 'personal liberty' for themselves, but their own trainmen would have no more personal liberty under repeal than under prohibition. These great magnates prefer to do their own prohibiting. Under government prohibition they are treated exactly as their employees."

"As civilization advances, all positions tend to become responsible positions. More and more workers must become dependable. There will be fewer and fewer desirable positions open to undependable workers. Whatever the law may say, fewer and fewer workers will be free to drink alcoholic liquor or indulge in other

THE TROUBLES OF THE PRINTING PRESS

Those who deal with the art of printing know full well the ghost that haunts them day and night—the fear of typographical errors that will bring down wrath of prominent citizens, cause subscribers to cut out the paper and all but disgrace the establishment. You never know how many of these tragedies occur and how easy this dangerous English is of double meaning and backhanded slaps that will send you to the hospital and sometimes to the insane asylum.

Here is a Religious paper reporting a prayer of prominent clergyman and instead of spelling it "Reverend" the imp in the type made it "Neverend." And here is a young couple who married in due form and order and sent the account to the paper. The report closed with the announcement that "The happy couple will live at the Old Manse" and the demon in pure meanness made it read "The happy couple will live at the old man's."

On this point the Toledo Blade reports as follows—

I want to knock his false teeth down
His throat, an' mash his nose,
An' break his neck,
An' mash his spec-
Tacles, and tear his clo'es!

I've come to lick the editor,
N I want his printer's life!

VIVID COURTROOM DRAMA OPENS AT DIXIE THEATRE

With one of the most sensational trial sequences in the history of talking pictures, and with a mystery injected into an ultra-modern romance of the youth of today, "Unashamed," Bayard Veller's latest thriller, comes next Wednesday to the Dixie Theatre. The new Metro-Goldwyn-Mayer production is a dramatic story of today, in which its heroine, in her quest for thrills and romance, finds herself in the toils of a fate that forces on her the choice of her brother's life or the loss of her own reputation. One of the most elaborate courtroom sequences, played in an ultra-modernistic courtroom, is a vivid detail in the new story by the author of "Within the Law," "The Trial of Mary Dugan" and other stage thrillers. Harry Beaumont directed the new production, in which an elaborate cast appears. Among the players are Helen Twelvetrees, in the role of the indiscreet heroine Robert Young, who last scored in "The Wet Parade"; Lewis Stone, Jean Hersholt, John Miljan, Monroe Owsley, Robert Warwick, Gertrude Michael and Wilfred North.

NOVEL COMEDY EXPECTED
TO PLEASE FANS

The world chuckled at Edna May Oliver in "Cimarron."

It probably will roar at her crazy as a "hold-out" juror in RKO-Radio Pictures' laugh sensation, "Ladies of the Jury," opening next Friday, Oct. 21, at the Dixie Theatre.

Named by critics as one of the funniest comedienne in motion pictures, Miss Oliver gives a new meaning to comedy in a specially tailored role.

"Ladies of the Jury" is the story of a typical mixed jury of men and women who can only agree to disagree.

With this plot as the motivating theme, the film plunges into an amazing series of comic situations and reveals much of the inside workings of the jury system in the process.

The film tells the story of twelve different types of jurors who find themselves locked in a room for the purpose of deciding the fate of a pretty show girl accused of murder.

Fights, accusations and constant bickering revolve about the personality of Miss Oliver who finally wins the others to a verdict of not guilty by playing on their emotions and racial differences.

MINNIEVILLE

Everything is beginning to look like fall. We have had a lovely rain which we hope will increase water in the wells. Farmers are preparing to sow wheat and get corn housed.

There will be services at the Primitive Baptist church at Minnieville on Sunday, Oct. 16, at 11 a.m., and Saturday before, at 2:30 p.m. Elder Miller, pastor.

Mrs. Shackelford has returned after a ten days' visit to her sons at Haymarket.

Mrs. B. S. Kidwell and son, Singleton, spent the week end with her parents.

The neighborhood boys and girls and relatives of Mr. Willie Dane miss him very much. He has gone to Boston where he has accepted a position.

Mrs. Carrie Gee and her husband of Fort Humphrey and Mrs. Bessie Schooley and little daughter of Alexandria visited their brother and sister-in-law, Mr. and Mrs. J. L. Hinton, on Sunday.

Mr. Emmet Day of Fairfax, former teacher at Minnieville school, and two boy friends were guests of Mrs. Janie Dane and family, Sunday.

Quite a few people from this section attended the Dairy Festival in Manassas last week.

FREDERICK HAMPTON SANDERS

BORN—March 27, 1885

DIED—October 4, 1932.

AGED—77 years, 5 months, 7 days.

Merchant

Postmaster

Citizen

Churchman

Such is the record in brief of the life, activity and passing of Frederick Hampton Sanders of northern Prince William and late of Catharpin, Va., who for the past 77 years must be reckoned as an integral part of the population of this section of the State. Born before the war and quite young during its progress yet his recollections of that and all subsequent historic events until his death were always very vivid and historically correct. He passed the whole of his life in northern Prince William and while yet quite young was established in the mercantile business at Gainesville, later succeeding his father at Catharpin as postmaster and proprietor which business he pursued during the balance of his life covering a period of some 56 years of business activity. To look back over the past half century without taking into account the life and business activity of F. H. Sanders would be an impossibility; his acquaintance among people of business both wholesale and retail extending far beyond the confines of his own county and State. Always friendly, congenial and accommodating his friends were legion. Early in life he married Laura Lynn which union joined the Sanders and the Lynn families which, to exclude from the life and activity of northern Virginia, would mean the exclusion of some of the best citizens and business builders of that time.

Mr. Sanders was appointed postmaster when he became of age, yet has served continuously in that capacity for a period of more than 56 years, he being at the time of his death next to the oldest postmaster in active service in the U. S. This together with his long mercantile business has kept him before the people for more than half a century and was known and respected of all. Not only was he faithful in business but was just as faithful to his church where he served as recording steward for many years and missing but two conferences in all that time. While Mrs. Sanders was living their home was the Mecca for all preachers who always found a welcome; both Mr. and Mrs. Sanders being very active all their lives for the church and its interests. In departing he leaves two daughters, Mrs. Everett S. Clary of Lawrenceville, Va., and Mrs. J. W. Alvey of Catharpin, together with four grandchildren to mourn their loss; also two brothers, Mr. S. B. Sanders of Washington and Mr. W. L. Sanders of Catharpin and one sister, Mrs. C. F. Brower, also of Catharpin, and a host of friends who had learned to respect and admire him thru life.

Very fittingly the last rites of his church were conducted in "Old Sudley" the church of his love where he had worshipped and served so faithfully all his life. Services being conducted by his pastor, the Rev. K. D. Swecker, assisted by the Rev. Charles F. Phillips, after which the remains, followed by a large concourse of friends, were laid to rest in the family plot in the adjoining cemetery.

NOKESVILLE

The Brentsville District Community Association held its regular meeting Tuesday night a week ago. The principal business of the hour was the re-organization and election of officers for the coming year.

Without an exception, all nominees were formally declared elected as nominated by the committee. M. J. Shepherd, R. Foster and P. L. Trenis were reelected president, secretary and treasurer respectively. Felix May of Brentsville was elected vice-president, and A. Armstrong was elected president of the Civic League division of the association.

President Shepherd, who sponsored the program, presented Mr. True of Salem, Va., who entertained delightfully for about an hour with tricks of magic.

AUTO MECHANICS FORM ORGANIZATION

E. C. Spittler Elected Secretary-Treasurer.

Prince William county automobile mechanics, at a meeting in the show room of the Manassas Motor Company Monday night, went on record as endorsing the state-wide movement among automotive repairmen to request the forthcoming Virginia legislature to enact laws regulating mechanics and fixing a standard of qualification.

The meeting, which was attended by representative mechanics from Nokesville, Gainesville, Manassas and other Prince William county communities, was called by representatives of United Automotive Mechanics, the national association of expert workmen sponsoring the proposed legislation.

A local branch of the parent organization, to be known as Prince William Chapter, was formed and E. C. Spittler of Nokesville elected secretary-treasurer.

The plan, purposes and program of the association were explained in talks by G. L. Pool and E. L. Sherrick, Jr., two representatives from the Washington headquarters of the organization, who stressed the importance to the public, motor car dealers and mechanics of examination and registration laws designed to eliminate the inefficient and dishonest mechanic from the trade and provide adequate protection for the automobile owner.

It was pointed out that the national group sponsoring the measure is not a trade union, but has for its chief objective the elimination of the so-called mechanic whose dangerous ignorance is a menace to the car owner, the manufacturer and the garage or service shop operator.

"Our proposed law aims only at the shyster in the ranks of automotive mechanics," Pool declared, "and there are shysters in every profession. Only the shysters will fight it. Reputable garages, mechanics who know their business, and the motor car maker who is interested in the reputation of his product wants this law. Its protection will be demanded by the motor-owning public when it becomes familiar with the economic advantages such legislation will insure."

Prince William county mechanics who are taking a leading interest in the affairs and program of the national group, and who are among those forming the charter membership of the local chapter, are H. D. Watkins, Alfred Milnes, L. M. Toombs, E. C. Spittler, Herman Groves, Joe Sims, Gordon W. Wheaton and Raymond L. Crouch.

MANASSAS TAKES 6-0 DEFEAT AT OCCOQUAN

Manassas took a 6-0 defeat in a soccer game at Occoquan last Friday. Manassas played a good game and fought hard to the finish, but the Occoquan boys proved themselves the better team. Lynn kicked the first goal in the first quarter and was followed by Beach in the second. There was no scoring in the third quarter, but Petellat added another in the last quarter.

Manassas succeeded in placing the ball dangerously near their goal several times, but Lopez, playing his first game as goalkeeper, managed to keep them from scoring. Occoquan would have scored more but Manassas' defense was strong and they fought the ball back to midfield again and again after Occoquan had carried it into scoring position.

The following officers were re-elected: President, C. F. M. Lewis; vice-president, F. M. Swartz; secretary-treasurer, E. P. Hurst. A. P. Johns will be succeeded by S. B. Cline as tester.

DEMOCRATIC COMMITTEE MEETS AT MANASSAS

Hon. Howard W. Smith Explains Congressional Situation

The Democratic Committee of Prince William county met at the court house October 19, at 2 o'clock, D. E. Earhart, chairman, presiding.

The chairman stated that the meeting had been called at the request of Judge Howard W. Smith, and proceeded to present Judge Smith, who addressed the meeting.

Judge Smith outlined briefly the history of the re-apportionment act and called attention to the recent decision of the Virginia Supreme Court of Appeals holding invalid the re-arrangement of the congressional districts in Virginia. He stated that the nine Democratic candidates for Congress had held a meeting to outline the best method of proceeding. He said that they were mainly interested in organizing precinct committees for the purpose of instructing voters and assisting them at the polls on the day of the election. He distributed among the members of the committee "Informative Ballots," containing the names of the congressional candidates.

Then followed a general discussion as to marking the ballots on election day. A poll was taken of the eighteen precincts in the county and it was ascertained that ten were represented and eight were not.

Judge Smith stated that, not knowing what contingencies might arise, he wanted to arrange a return meeting with the committee, and the date of the meeting was fixed for Nov. 2, at 2 p.m., at the county court house.

The committee then proceeded to appoint a committee for each precinct as follows:

Hickory Grove—C. Wm. Smith, Miss Mildred Ewell.
Waterfall—Preston Smith, C. L. Garrison.
Catharpin—L. J. Pattie, Mrs. Elizabeth L. Brower, J. W. Alvey.

FEDERATION OF JUNIOR LEAGUES

The officers of all the Junior Leagues assembled at Manassas high school auditorium at 10 a.m. Saturday, Oct. 15, for the purpose of organizing a Federation of Junior Leagues in Prince William county.

Miss Beatrix Clark, county junior league chairman, called the meeting to order and presided until president was elected.

The following officers were elected: Miss Louis May, Nokesville, president; Mr. Burton Lyons, Manassas, vice-president, and Miss Elizabeth Allen, Nokesville, secretary-treasurer.

Two committees had been appointed prior to the meeting to work out (1) tentative constitution and by-laws and (2) objectives for completion of year 1931-32 and for year 1932-33. The chairmen of these committees were called on for reports.

The Federation decided to send the constitution and by-laws to the different leagues for approval before adoption. This was to be completed in a very short time. The Federation added one item to objectives or aims submitted. The objectives are as follows:

1. To see that all leagues are banner leagues of this county.
2. To acquaint each league with the work of the other leagues.
3. To beautify school grounds and buildings.
4. To improve the health conditions of the individual of the schools.
5. To increase the number of five-point children of the county.
6. To create a more friendly feeling among the schools of the county.
7. To improve the libraries of the schools.
8. Training of citizenship and leadership of pupils.
9. More efficient method of reporting league activities.

- (a) Individual league representative to report at county federation.
- (b) District vice-president, to report for leagues in his (or her) district at district meeting.
- (c) The county chairman or her representative to make report from entire county at state meeting.

Mr. R. C. Haydon, superintendent, gave a most inspirational talk on "Why Organizations Are Successful" and cited many factors about the organization that would help make it a successful one.

Much enthusiasm was displayed during entire meeting and it is hoped that this same feeling will spread rapidly throughout the county and make this organization one of the best in the state.

The Federation adjourned at 12 o'clock.

DEMOCRATIC RALLY AT NOKEVILLE

Judge Smith and Other Prominent Democrats Spoke

The pre-barbecue rally held at Nokesville last Friday night was very well attended despite the threatening weather, the high school auditorium being well filled.

County Chairman D. E. Earhart presided and Hawes Davies introduced the speakers.

Col. R. A. Hutchison directed his attack specifically against the Hoover administration, as did Mr. Hall, Loudoun Delegate to the Assembly, who was the second speaker. Referring to Hoover, Mr. Hutchison declared that "Mr. Hoover will go down into history as the great American alibi."

Mr. Hall read from numerous press dispatches and quoted liberally to specific statements emanating from the White House in his address.

He charged the Republican party with being guilty of forty years of gross misrepresentation as the party of progress and prosperity.

"More banks failed in one day under the Hoover administration," he shouted, "than did under the entire administration of Woodrow Wilson." He gave the figure of bank failures since the Republican party went into power in 1921 as over 9800.

Continuing he assured his audience that the Democratic administration would mean a reduction of at least 25 per cent in governmental expenses.

Mr. Hall stated that over forty nations had retaliated as a result of the Smoot-Hawley tariff bill and that our foreign trade as a result had been cut squarely in half. He charged Mr. Hoover with treachery to the American public in making no effort to restrain the Republican leaders who put over this legislation.

"In every crisis during this period of false representation of the Republican party to which I have referred the American people have turned to the Democratic party," continued the speaker.

In concluding he made a dramatic gesture concerning Hoover's foreign affiliations. "I want some man for President who has lived in America long enough to know how America should be run."

Before Mr. Hall had finished, Judge Smith arrived from Richmond and was ushered to the platform by Chairman Earhart.

Mr. Smith greeted his friends warmly but spoke rather briefly. He explained the efforts of the Democratic House last year to remedy the evils of tariff legislation and of the subsequent misleading propaganda (please turn to page 5)

DEMOCRATS MEET

Representative Howard W. Smith met a number of representative Democrats at the court house yesterday to discuss committee work on election day. A lengthy list of volunteer workers was presented at this meeting.

W. HILL BROWN, Jr.,

Who will open law offices here on November 1.

Mr. Brown is one of our promising young attorneys, and his native town welcomes his definite location with them.

The Southern Railway with which Mr. Brown has been associated in a legal capacity has given him a signal honor by designating him as local attorney for Prince William county.

When the Young Democrats organized a few weeks ago, he was one of the leaders in the movement, and the club elected him as permanent secretary-treasurer for the campaign.

HYNSON NAMED 1933 PRESIDENT

Kiwanis Hold Lengthy Session.

After Professor Noel Gill had delightfully entertained the Kiwanis Club last Friday evening with a humorous dialogue, the group settled down to a lengthy sitting to elect officers for 1933.

Dick Hynson let out a squawk but was unanimously overruled and settled into the president's seat to succeed Al. With some little confusion, O. D. Waters was made vice-president. When the club got down to the directors, the muddle increased for there were no nominations from the floor and everybody was voting for anyone of whom they could think at the moment. The primary was a grand scramble and then the voting became clearer. The hour became so late that the list was still incomplete and the same will be filled this week.

Tomorrow night is our eighth birthday. Fully a hundred guests from the other Virginia clubs in this district and from Washington will be here. Ed Hill will have charge of the evening. Mackall Ellis has a tennis tournament for those coming earlier. Harry Converse, of Harrisonburg, district governor, and Jesse Oakes, lieutenant governor, are both expected. R. A. Hutchison is chairman of the celebration which will be held at the parish hall at the usual meeting hour.

L. W. Dickerson, chief lumber inspector of the United Fruit Growers, was an honor guest for the occasion.

LEAGUE PLANS TO GREET FACULTY

A meeting of the Bennett School Community League will be held Tuesday afternoon, Oct. 25, at 3 p.m. This is a regular meeting, the time having been changed from the fourth Friday to the fourth Tuesday of each month. The teachers and officers of the league extend a most cordial invitation to all patrons and everyone interested to attend these meetings.

The following program has been planned for the October meeting: Mrs. Wheatley Johnson, presiding. Prayer — Mr. Compton. Song — Group of school children. Presentation of Five-Point Certificates — Miss Sabina Neel. Talk on Health and Sanitation — Mrs. Marshall Haydon. Introduction of Teachers — Miss Beatrix Clark. Welcome to Teachers — Mr. D. J. Arrington. Talk on League Work — Supt. R. C. Haydon. Song — Group of school children.

The concluding stages of the arrangements for the barbecue at Brentsville next week have been reached. Messrs. Thos. H. Lion and A. S. Boatwright went to Washington this afternoon and secured the services of Allard H. Gasque, Representative from the Sixth South Carolina District, one of the most eloquent speakers in the National House of Representatives. Others on the program will be our own Representative, Hon. Howard W. Smith, and Hon. Wilbur Hall, of Loudoun.

D. E. Earhart, chairman of the county committee, will preside at the speaking and Hon. Thomas H. Lion will introduce the speakers.

The exercises will probably start in the forenoon and last nearly to dark. The Kerlin brothers will act as main understudies for the cooking department. John already has a squad of the ladies who will serve the coffee which will be given by T. I. Martin, of Culpeper, and the same will be sweetened by sugar donated by Conner and Kincheloe, of Manassas. Will Kerlin will assist the chefs as they carve the delicious beef which will be barbecued by the Auth Brothers, under the immediate direction of Frank V. Brown and placed between slices of bread given by the Corby Bakery.

Nobody will be charged one penny for anything on that day. But there will be some small expenses for which a committee is soliciting special donations.

Every Democrat or anyone with Democratic leaning in traveling distance of Brentsville is invited to attend.

John Burke announces that a band will furnish entertainment, and a parade will be staged from Manassas by all cars coming this way on that occasion.

Prince William appears about to stage the banner event of the campaign in northern Virginia. The enthusiasm of the event is already contagious and thousands of eager questions are being asked almost hourly.

WOMEN GROUPS TO BE REPRESENTED AT FAIRFAX

Recreation leaders from women's extension organizations of the county will attend a conference for recreation leadership at Oakton school on Saturday, October 22. Miss Ella Gardner, Children's Bureau, Department of Labor, will conduct the conference which will begin at 10:15 a.m.

The following women have been chosen as their group representatives and will attend the meeting on Saturday:

Mr. Jack Piercy and Mrs. Norvell Free, County Homemakers Association.

Mrs. J. F. Hale and Mrs. Luther Bowman, Nokesville Home Demonstration group.

Mrs. J. N. Kerr and Mrs. Otis Latham, Haymarket Home Demonstration group.

Miss Jennie Ewell and Miss Sarah Pitts, Bull Run Grange.

Mrs. Benjamin Brown and Miss Geraldine Shepherd, Brentsville Community Association.

Mrs. John Ellis, Mrs. W. L. Lloyd, Greenwich Home Demonstration group.

Representatives from Bethel and Dumfries home demonstration groups have not been definitely decided upon.

JUNIORS TO SHOW PICTURES

Bull Run Council No. 15 has just been informed from national headquarters that the pictures dealing with the Orphan's Home at Tiffin, Ohio, will be shown here on the 22nd of November.

The Prince William district expects to make a gala evening of the affair, and some discussion is on foot to establish a Prince William Council of the Daughters of America at that time.

SPECIAL SERVICES

On October 24, 25 and 26, at 8 p.m., the Rev. Geo. S. Vest of Alexandria will conduct special meetings in St. Paul's church, Haymarket. These special services are part of the preparation for the fall campaign to be conducted in every parish in this diocese. It is hoped that they will be largely attended by members of other churches as well as by Episcopalians.

BAZAAR DATE CHANGED

On account of the Democratic rally at Brentsville on Friday, the Sudley bazaar will be held on Thursday, Oct. 27. All are cordially invited.

EXCITING ACTION
IN NEW WESTERN

Hard riding, swashbuckling drama
and tender romance make "The Van-
ishing Frontier," which is at the Dixie
theater on Oct. 26 and 27, with John-
ny Mack Brown, the star, and Evalyn
Knapp, ZaSu Pitts, Raymond Hatton
and J. Farrell MacDonald in the fea-
tured roles.

"The Vanishing Frontier" is a story
of old California when the state suf-
fered under military control follow-
ing the gallant effort of the Spanish-
Americans to establish a separate
state. Kirby Tornell, the hero of the
piece, is a son of one of the old Span-
ish families, who turns bandit to
liberate his people from the oppres-
sion of military rule. The story deals
with Kirby's exploits in behalf of the
oppressed, and with his love for beau-
tiful Carol Winfield, daughter of the
military governor of the state—a love
which almost costs his life.

ATTENTION
DEMOCRATS

By decision of the Supreme Court of the State Oct. 11, the
nine Members of Congress from Virginia must be elected At
Large on November 8. This means that each candidate will be
voted on all over the State as well as in his Congressional district,
and each voter will be entitled to vote for nine candidates for
Congress. There will be about thirty candidates for Congress on
the ballot. In order to vote the Democratic ticket for Congress,
it will be necessary for the voter to strike out the names of all
except the nine Democratic nominees, who are as follows:

S. Otis Bland
Thomas G. Burch
John W. Flannagan, Jr.
Colgate W. Darden, Jr.
P. H. Drewry
Andrew J. Montague
A. Willis Robertson
Howard W. Smith
Clifton A. Woodrum

All of these gentlemen are the Democratic nominees for Con-
gress from their respective districts, and all except two are at
present members of Congress, these two being the regular Demo-
cratic nominees from their districts.

In order to insure the election of nine Democratic Members
of Congress from this State, it is necessary for the voters in
each district to vote not only for their own Democratic Member
for Congress, but also for the other eight Democratic nominees.
All Democratic voters are, therefore, urged to be careful to strike
out the names of all candidates for Congress on the ballot except
the nine above mentioned. Any ballot that has on it more than
nine names, not scratched, will be thrown out. Any voter who
votes for less than nine Members thereby jeopardizes the chances
of the election of a full Democratic slate. To vote the straight
Democratic ticket, leave the nine names above mentioned and
strike out the names of all other candidates for Congress.

D. H. I. A. Rates Reduced.

At a recent meeting of the Prince William Dairy Herd Improvement Association, the monthly rates for testing were reduced to \$8.00 for the first 20 cows and 10c for each additional cow.

In spite of adverse conditions during the past twelve months, the average production of the Prince William Dairy Herd Improvement Association declined only from 309 pounds of fat to 295 pounds of fat per cow year. Four cows owned by Dr. E. H. Marsteller, Broadview Farm, E. R. Conner and Harley and Kline produced over 500 pounds of butterfat. 58 cows in the association produced over 400 pounds of butterfat.

CAUTION!

Men purchasing materials for treating wheat are cautioned to obtain only the straight copper carbonate dust. This should be of the type that is manufactured only for seed treatment. It should analyze at least 50 percent metallic copper.

October Sheep Treatment Notice.
After killing frosts there is much less danger of sheep becoming seriously infested with stomach worms. For this reason, if a thorough clean-up is made in the fall, it is usually unnecessary to treat during the winter months. Flocks treated monthly until November should go into the winter in good condition. A good method of cleaning up flocks that have not been treated regularly is to give three treatments at intervals of a week or two weeks. If necessary, flocks may be successfully treated during the winter months.

Safe to Treat Pregnant Ewes.

There is practically no danger in treating pregnant ewes with copper sulphate (bluestone) solution, providing proper dosage is given and they are handled carefully.

VASQUEZ ROCK, ONCE BANDIT'S HAUNT, IN FILM

Historic Vasquez Rock, the mountain stronghold of California's notorious bandit of the gold-rush days, is used as a location for Ken Maynard's latest Tiffany western, "Arizona Terror," which will be at the Dixie theatre next Saturday.

This group of rocks is a natural collection of huge boulders, situated some six miles from the highway which threads through Mint canyon on the way to the Mojave desert some sixty miles from Los Angeles. It is an impregnable natural fortress and in this retreat the bandit was able to elude his pursuers or stand them off by force.

One of the characters in "Arizona Terror" is that of Vasquez himself. Although he was known to the authorities as a ruthless road-agent, the Mexican population of Southern California adored the bandit for his Robin Hood qualities, as he robbed the rich and gave to the poor.

Vasquez was finally captured and hung near Los Angeles. In Ken Maynard's latest outdoor romance, "Arizona Terror," Vasquez is portrayed as he really was—a charitable, almost lovable, lawbreaker, who willingly does Maynard a good turn when the latter is attempting to run down a band of cattle thieves. Lina Basquette plays the leading feminine role opposite Maynard.

CLIFTON A. WOODRUM.THE REDISTRICTING
MUDDLE

Last week the Supreme Court of Appeals of Virginia declared our Redistricting Act invalid, thus forcing all candidates for Congress to run at large. Under this ruling every voter will cast his or her vote ballot for all nine Congressmen, not for just one.

This week the United States Supreme Court, in a case from Mississippi, has declared the law requiring population equality between congressional districts as no longer in force. The Mississippi case is so similar to Virginia's, that it is entirely possible that an appeal to the higher court would cause reversal of the recent decision and would restore our congressional districts.

However, it is hardly necessary to undertake such a move when the election is less than three weeks away and ballots are being printed throughout the state. No harm and much good will be generated by this voting "at large." We will become acquainted with the distinguished gentlemen from the other districts who represent Virginia in Congress and we will also make a decided gain for Democracy in that we will now be able to send a 100 percent Democratic delegation to Washington.

After the election, the appeal could be taken as this line of action would in all probability make it unnecessary for the next legislature to re-district, since the present boundaries would stand.

In the past few days much abuse has been heaped upon our Democracy in Virginia, because it saw fit to re-district to suit the majority of the people. Now that the United States Supreme Court has decided that the States can do as they please in such matters without respect to population ratios, such criticism will no longer emanate from fair-minded folks.

WHY WOMEN SHOULD
VOTE

The privilege of voting carries with its the obligation to vote. National progress depends upon enlightened public opinion registered by ballot so as to insure the right kind of leadership in local, state and national affairs.

The national affairs in particular, the need for constructive leadership is greater now than it has been since the days of the World War. The prolonged depression has created conditions that are as disastrous as war itself and the united effort of all the people is necessary to insure safe readjustments in national life.

Women are equally responsible with men for an intelligent use of the ballot to remedy existing conditions. Failure to use the ballot indicates an indifference to the national well-being that cannot be excused on any grounds. Women as well as men have their individual activities, based upon personal desire for either profit or pleasure; and it is recognized that to assume the obligation of citizenship is an onerous burden that many would like to avoid.

However, women cannot shift to others the responsibilities that should be jointly shared; they must accept politics as a medium through which to work for a stronger and a happier nation; they must vote regularly in the interest of good government, wisely administered.—Portsmouth Star.

SWAVELY AGAIN VICTORIOUS

Randolph-Macon Academy suffered an overwhelming defeat in the hands of a machine-like Swavely eleven. Forced from one end of the field to the other the Front Royal team played a desperate game but as they were handicapped by a slightly less weighty squad the score steadily mounted against them. Mowrey and Kohler making a final touchdown and goal point respectively pushed the score to 50-0 at the end of the last quarter.

The Swavely team is getting down to business and high hopes are being raised over the outcome of the Swavely vs. Episcopal game this Saturday at Alexandria.

NORTHERN VIRGINIA
UNION BAPTIST MIS-
SIONARY CONFERENCE

The sixth annual conference was held with the First Baptist Sunday school, Manassas, Va., Sunday, Oct. 16.

A delicious luncheon was served by the Sunday school from 1:30 p.m. to 2:30 p.m., after which the meeting was called to order by the president, Prof. A. T. Shirley.

Topics for discussion:

(First) Drawing up a program for the next convention to be held Aug. 3 and 4, 1933, Alexandria, Va.

(Second) Fixing dates for missionary mass meeting and outlining work for the next conventional year.

(Third) Outlining a program whereby Northern Virginia could enter into a clean-up campaign, that is, cleaning up and beautifying the respective homes of our different communities of northern Virginia.

There were some very helpful talks on this subject. From the standpoint, the church, home, school and community at large should take in this campaign.

A committee was appointed and a resolution adopted, that each Sunday school on the conventional roll appoint a committee of five in which the pastor of the church and superintendent of Sunday school be a part of that committee, to carry out the campaign in their respective communities, and that the pastor of each church set aside one Sunday each year for a sermon on that particular subject.

Many other subjects were discussed for the help of the missionary and convention at large. The conference was largely attended and all seemed to carry the expression that they were glad they had come to the House of the Lord.

AN EXPLANATION

Some of our good readers are inquiring if the Cropp notes appearing in The Journal are not from Kopp, below Joplin. For their benefit we shall explain that the two communities are fully fifteen miles apart. Both communities are just on the edge of Stafford county.

REVIVAL SERVICES TO CLOSE

The revival services at the Baptist church close Sunday with preaching by the pastor morning and night. The attendance has been fine during the meeting and considerable interest manifested. Let all who have come, come again and all who have not come hurry up and come. You need the meeting and the meeting needs you.

NEW, CHEAP STEEL FROM AUTO JUNK

Old hulks May Now Be Converted Into Valuable Material

That every old automobile hulk now rusting in a vacant lot or back road will soon disappear entirely from the scene is predicted by engineers. These hulks will be converted into new steel through the use of a new form of briquetted ferro-alloys shown at the recent National Metal Exposition in Buffalo.

Ferro-alloys in the briquetted form were exhibited by Electro Metallurgical Company, a unit of Union Carbide and Carbon Corporation, and are produced at the company's plant in Niagara Falls. Not only will this development aid in clean-up campaigns in almost every locality in the country, but it will also help to produce cleaner, stronger steels at a lower price. The labor of removing rust from hulks and cutting them with oxy-acetylene blowpipes to ship the scrap, promises to be a local employment in centers where such work is done under the direction of various relief and civic bodies.

OCCOQUAN WINS SOCCER GAME

The Occoquan soccer team won its fourth consecutive game of the season when they defeated Haymarket by a score of 8-0 last Friday. Three of the four goals were kicked by Petellat, one in each of the first three quarters. Hoover kicked the last goal in the first part of the final quarter.

There was plenty of action throughout the game and Haymarket had as much fighting spirit as any team has, but they lacked the speed of the Occoquan eleven. The winners gave a good exhibition of teamwork when they worked the ball through the Haymarket defense every quarter. The Haymarket boys got the ball into scoring position once or twice, but failed to get it past the goalkeeper.

that had been issued by party publicity organs.

He further compared the basic principles of the two parties in their treatment of the rich and poor.

"You are going to get a lot of sympathy out of the administration," said Judge Smith, "but you are not going to get any cash."

"My friends," he said, "we are going to have an election on the 8th of November, and we are going to have a big initiation and take in a lot of our friends who voted for Mr. Hoover four years ago."

In dismissing the meeting, Mr. Earhart directed special attention to the Brentsville barbecue on October 28, and urged everyone to attend.

JEAN HARLOW SCORES HIT IN DIXIE TALKIE

The greatly anticipated appearance of Jean Harlow, transformed from platinum blonde to a redhead, takes place at the Dixie Theatre next Monday. Miss Harlow makes her red-head bow in the title role of "Red Headed Woman."

It is a type of role particularly suited to her talents, for Miss Harlow has an indisputable flair for portraying the type of woman who can twist men around her fingers. In this instance she reveals not only a keen instinct for the demands of her characterizations but a fresh acting personality as well.

You are going to like "Red Headed Woman," both in the story and in the person of the girl who plays the title part. It is a difficult role, for it is a portrait of an unscrupulous woman. In bringing the Katharine Brush novel to the screen, Metro-Goldwyn-Mayer saw fit to use the humorous talents of Anita Loos for the adaptation. The result is a lightening and softening in places, so that what could have been stark reality becomes more pleasant entertainment.

Chester Morris is a likable Bill Legendre, jr., and plays with an amorous light in his eyes, which explains his weakness for the physical charms of the red-headed Lil Andrews. Lewis Stone is deft as Legendre, sr., while Leila Hyams, Una Merkel, Henry Stephenson, May Robson, Charles Boyer and Harvey Clark add an atmosphere of competence to the surrounding roles. Due credit belongs to Jack Conway as director.

BARRYMORE SHINES AS LEGAL
GENIUS SANS SCRUPLES

With John Barrymore in the role of a romantic lover and gallant fighter, a new picture which combines all of the elements of modern screen entertainment opens next Friday, Oct. 28, at the Dixie Theatre. It is RKO Radio's "State Attorney," and it presents a great cast in an absorbing timely story which has been given flawless direction by George Archainbaud, the man who directed "The Lost Squadron."

Sharing cast honors with Barrymore is the blonde and beautiful Helen Twelvetrees. It isn't often that any picture presents two stars of this quality in roles seemingly made to order for their talents.

On the Way Up With Roosevelt and Garner!

"The major issue in this campaign is the economic situation."

"Republican leaders have misunderstood the forces which were involved in the economic life of the country."

"We find concentrated economic power in a few hands—a great part of our working population with no chance of earning a living except by grace of this concentrated industrial machine—and we find millions and millions of Americans are out of work, throwing on the already burdened government the necessity of relief."

—FRANKLIN ROOSEVELT.

• • The Major Issue — the Economic Situation

Two-thirds of American industry is concentrated in a few hundred corporations and actually managed by not more than five thousand human individuals, Franklin Roosevelt pointed out in his Columbus speech. The choice is between economic bondage—control of the government by a handful of privileged men—or a return to the fundamental principles of True Democracy upon which this country in the past has prospered. Do you want equality of opportunity for all—the right of exploitation for none? Do you want to reclaim and restore your interest in America?

★ Join the Shareholders

The Shareholders in America are organized to reclaim the equity of the Forgotten Man in America—to provide the necessary contributions to carry on the campaign to elect Franklin Roosevelt and John N. Garner—and to restore the government to the people. Don't delay—sign and send in the coupon below—with your contribution of One Dollar—at once! On the way up with Roosevelt and Garner!

Conservative Policy Aids Business Recovery.

Reports of the banking institutions of Prince William county published in this issue of The Journal indicate continuation of sound condition. Conservative policies, while sometimes unfortunate from the viewpoint of individuals requiring assistance but possessing inadequate security, has resulted in the building of a sound financial foundation in this county.

Government aid, of the character involving the Reconstruction Finance Corporation, the Home Loan Banks, etc., has not been felt in this section for the simple reason that our financial institutions have not required such help and so far as the individual is concerned there has been no direct Federal aid.

There is sufficient money in our local banks for those who have adequate collateral security. The main trouble consists in the fact that so many individuals have exhausted their ability to furnish adequate security for loans under banking requirements and in addition no longer have sufficient cash income to meet their current obligations.

It is particularly fortunate that our local banks are in such fine condition. It means that our various established business enterprises have a safe background and that the ultimate recovery from the present financial depression is assured.

with a rainy-day fund in the bank. You can have it by making a small deposit at regular intervals.

Savers find our bank a most agreeable one in which to build up their accounts. The small depositor receives just as courteous treatment as the large.

FRANKNESS BRINGS CO-OPERATION

Your banker can't serve you as well as he'd like to do—nor as well as you'd like to have him do—unless he has full knowledge of your financial situation.

Talk with him frankly—give him a real understanding of your position and problems—and he'll be more than willing to give you his best co-operation.
