LEGION VETS AT LEESBURG

November Meeting of Eighth District Council.

The November meeting of the Eighth District Council, American Legion, Department of Virginia, was held Wednesday night at 8 o'clock, in the Leesburg Inn Hotel, at Leesburg, Va. Posts in the Eighth district who had representatives at this meeting were Alexandria Post No. 24, Quantico Post No. 28, Leesburg Post No. 34, and Manassas Post No. 158. The session was presided over by Chairman Sidney Weil of Alexandria.

Considerable discussion was devoted to the publication of the Virginia Legionnaire, those leading the discussion being Executive Committee member Harry G. Breckenridge, Vice-commander Robert L. Insko, Past Department Commander F. Clinton Knight, and Past Commander Howard Arnold of Alexandria Post No. 24, Commander H. S. Carpenter of Manassas Post, and Comrades Parrish and Haydon of Manassas Post, and Comrade White of Quantico Post.

The general opinion prevailed that if the publication continued to be a losing proposition, it should be discontinued and the 25 cents in dues now being collected from each member, instead of being used for the publication, should go into the treasury of the individual posts in the State, preferably to be used for welfare work of the post.

Membership drives of various posts were discussed by Comrades Arnold and Carpenter, the latter praising the results of the Council meeting held at Manassas in September in securing new members for his post.

Comrade Wilbur Hall, of Leesburg Post, stated that the American Legion was facing the most serious crisis in its history, and declared that the Legion must place to the fore the welfare of the community, state and nation at this time, so as not to lose the confidence of the American people.

Comrade Arnold, speaking on the activities of the Economy League, stated that a number of the League's leaders were not sincere in their purpose, due to the fact that they were receiving compensation from the Government, one member receiving as much as \$21,000 per year.

Vice-Commander Insko told of offering the services of the Legion members in the Eighth district to the local authorities if trouble developed in the handling of the so-called hunger marchers in their march on Washington within the next few days.

Commander Carpenter stressed the importance of the individual posts in selecting the proper delegates to the State convention.

On invitation of Comrade Haggerty, of Quantico Post, the Council will hold its December meeting at Quantico on Friday, December 30, at 8 p.m., the meeting place to be in Parish Hall. Each post in the Eighth district is urged to send representatives to this session.

BIRTHDAY CELEBRATION

Simeon Long Celebrates Eighty-fourth Birthday.

On Wednesday, Dec. 14, quite a company of relatives and friends gathered at the hospitable home of Mr. and Mrs. E. L. Herring at Independent Hill to join in the celebration of the eighty-fourth birthday of Mr. Simeon Long. There were many congratulations and wishes for many happy returns of the day.

Mr. Long is still active and with the exception of his failing eyesight, is quite well preserved for one of his years. He is at present making his home with his daughter, Mrs. E. L. Herring.

The splendid turkey dinner served by Mrs. Herring assisted by Mrs. Mary Homes and Miss Patsy Keys was in genuine Old Virginia style and was all that could be desired.

Those present were Mr. and Mrs. Oliver Jordan and daughter, Dora Lucile, Mrs. Wilbur Thomas and daughter, Elizabeth Catherine, Mr. Glen Evers, all of Bridgewater, Va.; Mrs. Jane Hedrick and son, Othe Hedrick of Nokesville and Occoquan respectively; Mr. and Mrs. Robert Linton, Mr. and Mrs. E. L. Herring, Mrs. Mary Homes, Miss Patsy Keys, Mr. E. L. Dawson and J. Murray Taylor, all of Independent Hill.

(The Journal extends congratulations to this venerable gentleman. Many happy returns.—Ed.)

FAVORS TRIAL JUSTICE PLAN

Kiwanis Board Introduces Matter at Open Meeting.

A lively discussion was precipitated at the regular meeting of the Kiwanis Club last Friday night when a recommendation was brought on the floor from the Board favoring some action on the appointment of a trial justice for Prince William county.

In fact the discussion was so spirited that the regular program was lost. No direct announcement has been made but it is thought that this week's program will be an enlargement of the same discussion.

After the regular meeting of the club, the group will assemble on the lawn of the hotel where the Woman's Club has erected a large Yule tree. There carols will be sung by all gathered.

A SAD DEATH

The death of little Warren Gamaliel Utterback, 12-year-old school boy, has cast a gloom over Hickory Grove community.

Warren, the younger son of Mr. and Mrs. Clarence Steadman Utterback, was, until a few days before his death, a pupil of Hickory Grove School. His sunny disposition endeared him to all with whom he came in contact. Personality radiated from Warren.

Warren's death occurred in Loudoun Hospital on Tuesday, Dec. 13. His funeral followed on Wednesday, Dec. 14, at Mt. Zion church cemetery. His death, coming so suddenly after a brief illness, was a great shock to everyone.

The pall bearers were his little friends, Henry Clay Gossom, Louis Gossom, Billie Smith and Howard Bell.

The sympathy of the entire community goes out to his parents, his grandparents and brother.

Beautiful flowers covered the casket of the little boy, and very simple but touching services were held in the old church, after which he was tenderly laid away in the beautiful little cemetery.

(Ed.—This touching little tribute was handed us by Warren's devoted teacher.)

B. L. Hummel Addresses Committee Members of Brentsville Community Ass'n.

The newly-elected committees of the Brentsville District Standard Community Association met at Nokesville Wednesday evening, Dec. 14, to formulate a community plan of work for 1933. This plan will be completed and presented for the approval of the people of the district at the next regular meeting on Tuesday, Jan. 3.

Mr. Hummel in speaking to the group stated that the achievements of the association for the past year placed it at the top of the many similar organizations in the state with which he is associated in an advisory capacity, and that M. J. Shepherd, president of the association, Randall Foster as secretary and the members of the civic, social, agricultural, home-making and educational committees deserved much credit for their outstanding work during 1932.

To the five committees now functioning, a sixth, the committee on religion, with F. L. Foster serving as chairman, has been added.

Miss Lavinia Ish, formerly of Aldie, in Loudoun, died at her home in Tennessee last Friday. She had been living there for many years. Her illness is said to have been rather brief.

She was born February 13, 1858, the daughter of Robert A. Ish. It was at the family burying ground at Aldie that interment took place, according to an expressed wish of the deceased.

She leaves three sisters, Mrs. Westwood Hutchinson, of Manassas, Mrs. C. E. Skinner, of Aldie and Mrs. Mary Ewell of Ruckersville.

COUNTY LOAN IS APPROVED

State Chairman Wired Yesterday.

Deputy Clerk Ledman of the County Board of Supervisors is in receipt of a telegram received from Arthur W. James, head of welfare work in Virginia, that the R. F. C. loan asked for by the Board has been approved. Mr. James states in this communication that he will be in Manassas very shortly.

Mr. Ledman states that Mr. James will meet with the Board of Supervisors on January 3 to aid in the formation of an organization for this county. The presence of heads of welfare organizations in the county is desired. This applies especially to the Civilian Relief Committee, of which Mrs. C. R. C. Johnson is chairman.

The loan is for nearly \$3,000. No disposition of funds can be made before the organization meeting on January 3.

Coupled with the money already advanced to the town of Manassas, this will mean well over the \$8,000 mark. It will help out in no little manner both for the poor, and will be money that will almost entirely be spent with the county merchants.

POTOMAC BAPTIST ASSOCIATION

The acting board of the Potomac Baptist Association of Virginia met at Leesburg on Dec. 14, with Chairman W. S. Jenkins of Leesburg presiding. After attention to routine business, the board passed upon applications for help from the Baptist State Board of Missions and recommended assisting in the support of pastors: Edwin H. Puryear at Arlington; Scott Y. Craig at Clifton, Fairfax and Jerusalem; Westwood Hutchinson at Mt. Carmel, New Hope, Rock Hill and Stafford Store, and O. W. Triplett at Calvary and Mt. Hope.

The board accepted the invitation of the First Baptist church of Alexandria to have the Potomac Association meet with that church on August 16 and 17.

The moderator of the association is Rev. Charles T. Taylor of Hamilton, Va., and the clerk is Rev. C. Wirt Trainham of Marshall, Va.

The carolers will be out on Christmas Eve to sing at the homes where they find lighted candles in the windows.

Chairman Carson Sustained After Lengthy Investigation.

CHAPIN JONES ACCEPTS SUBORDINATE POSITION

On Monday Governor Pollard confirmed his recent action of the Virginia Commission on Conservation and Development dismissing the State Forester for lack of executive ability.

The resolution asking for the resignation of the State Forester was introduced by Hon. Rufus G. Roberts at a meeting of the Commission on August 31. The other members of the Commission on Conservation and Development are William E. Carson, chairman, Coleman Wortham, Junius P. Fishburn, E. Griffith Dodson, Lee Long and Thomas L. Farrah, the latter not voting.

Owing to the campaign which has been waged by professional foresters and, we fear, some politicians, the case has attracted attention out of proportion to the actual importance of the matter. The Governor conducted an unusually exhaustive investigation of the whole forestry situation, with result that many facts have been brought to light that will be helpful in reorganizing the work upon efficient and effective lines.

The Commission originally asked for the resignation of the State Forester to take effect next March. He was offered a subordinate position in State forestry, but refused and also announced through his attorney that he had no intention of resigning. He asked the Commission to discharge him so that the matter might be reviewed by the Governor. The Commission on Conservation and Development, of which Hon. W. E. Carson is chairman, then entered an order of dismissal effective December 31 and the matter went to the Governor, who conducted hearings which continued four days. The public was not admitted. In addition to his attorney, Mr. Murray McGuire, of Richmond, the State Forester was permitted to select one friend and he chose Dr. Wilbur Nelson, professor of geology at the University of Virginia. The Commission was not represented but was furnished a stenographic record of the proceedings, and copies of all testimonials entered as evidence. Representatives of the press were permitted to attend.

Evidence in the form of charts, reports, testimonials and records were introduced, amounting to hundreds of pages, designed to show that the State Forester did possess the executive ability which he was held by the Conservation Commission to lack. More than 150 letters and testimonials were presented from prominent foresters, lumbermen and citizens throughout the state and nation. Although the Commission made no specifications in its order of dismissal, the evidence itself brought out the fact that after half of the state had been organized for forestry work, and the General Assembly had doubled the appropriation so that the remainder of the counties could be brought under the forestry administration, nothing was done with the increased appropriation beyond strengthening and enlarging the work in the counties previously covered. Instead of providing forest protection for the counties yet to be brought into the plan, the State Forester had brought in a corps of assistant foresters from the personnel of the federal forest service and built up a miniature replica of the Washington bureau.

The Governor finally entered his confirmation of the dismissal order which takes place December 31, at which time Mr. Jones accepts a subordinate position.

MIDNIGHT SERVICES

The Feast of Christmas will be commemorated at All Saints church, Manassas, with the usual appropriate services. According to custom there will be midnight high mass and sermon. The Mass of the Angels will be sung by the choir. Mrs. Compton will be at the organ and the solo parts will be sung by Miss Eloise Compton. The singing of Christmas carols will precede the midnight services. Mass on Christmas morning will be at 8.

CHRISTMAS ASSEMBLY

The annual Christmas assembly will be held under auspices of the Manassas Woman's Club, Wednesday evening, Dec. 28, in the high school gymnasium.

To love a comedian is tragic, ac-
 cording to Groucho Marx, the huge-
 mustached, wise-cracking member of
 the Four Marx Brothers, whose lat-

 Dixie Theatre next Wednesday.

Groucho issues a solemn warning
 to women to beware of falling in love
 with any funster.

"If you fall in love with a comedian,
 you'll probably end up by marrying
 him and that would be a tragedy," he
 explains. "Far better to wed a doc-
 tor, even though his hours are irregu-
 lar, or a plumber, who may talk shop
 or night, but would never work at his
 trade at home."

 BIBLE THOUGHT AND PRAYER
 If parents will have their children memorize a Bible selection each week, it will prove a priceless heritage to them in after years.

GOD'S BENEFITS: Blessed be the Lord, who daily beareth our burden. Even the God who is our salvation.—Psalm 68: 19.

CHRISTMAS — 1932

This Christmas will pass into history within a few hours. And with its passing comes to a close a year that will long be remembered. Restlessness has rocked the world. Millions are without the common needs of life. Recently, bitter weather has added to suffering. Finances are uncertain, business is flat, and nations are sparing, some with hunger, some with greed.

The time is ripe to turn to the manger in Bethlehem where lies a Babe over whom shines a Star.

The power of this picture brings peace, a desire to help, a remembrance of Him who still the lashing waters and fed the hungry multitude.

"Inasmuch as ye have done it to the least of these my little ones, ye have done it unto Me."

This was the Christmas message 1932 years ago and the Christmas angels are chanting it now.

THE JONES CASE SETTLED
 Mr. Jones has quieted down and accepted the position offered him in the beginning and he has accomplished nothing by the whirlwind that the enemies of the Conservation Commission, aided by the United States Forest Service, seemed able to raise, except to make himself objectionable to those who are kind enough to retain him in a job.

NAMES IN THE PHONE BOOK

Colors feature Virginia telephone directories. Generally speaking the colors of the telephone directories of the Chesapeake and Potomac Telephone Company of Virginia are olive green. While these latest books of numbers contain the listings of telephone subscribers serving cities, towns and rural communities "Mid the Green Fields of Virginia," strange as it may seem, the name Green appears infrequently.

Numerous other colors are included among the names listed in typical Virginia directories, such as Black, Blue, Brown, Gray, Lavender, Orange, Purple and Rose.

Unusual names found in glancing through Virginia telephone directory listings include the four points of the compass: North, South, East and West. The names of cities and countries are also the names of telephone users, such as: London, Paris, Boston, Holland, and Wales. English, French and Friends are also listed. Government is represented by the listings of such names as: King, Queen, Lord, Prince, Noble, Page, Justis and Law.

Telephone directory listings represent the ecclesiastical with such well-known names as: Christian, Priest, Parsons, Deacon, Sexton, Nunn, and Parrish. Other names listed are Bear, Beavers, Bird, Bugg, Batts, Fox, Chick, Partridge, Robin, Sparrow, Forest, Rivers, Lake, Bass, Trout, Salmon and Herring.

There are all kinds and types of and convenience of telephone users people represented by such listings as Old, Young, Good, True, Little, Bigger, Best, Sweet, Stiff, Small, Short, Hurt, Light, Loyall, Bright, Early, Wise, Dull, Strong, Bent, Stout, Apt and Rich.

Telephone directories are a very useful part of the world's great person-to-person communication service. Directories contain much valuable information which users should become familiar with. There is information on how to make out-of-town calls either person-to-person or station-to-station; a partial list of rates for cities and towns called most often in certain localities; and the names of leading countries reached by transatlantic telephone communication, as well as ships plying between the old world and the new on which passengers can talk to friends and associates ashore while the ship is in progress.

Issuance of the telephone direc-

ories of the associated companies of the Bell System comes close to breaking all printing records for volume, speed of production and accuracy. Subscribers of the Bell system companies receive more than 1,900 different directories with a total issue of about 36,000,000 copies. The Chesapeake and Potomac Telephone Company of Virginia now issues 36 books totaling about 238,000 copies.

Preparing the telephone material, checking and rechecking for errors, getting the books off the press on time, and making prompt distribution to subscribers are important phases of telephone service. The issuance and delivery of the directory is an important contribution to the comfort

"SHERLOCK HOLMES"

IS A SCREEN HIT

With a cast of notables, for the greater part from the English stage, "Sherlock Holmes" opens at the Dixie Theatre next Friday, Dec. 30. Clive Brook, who needs no introductions, portrays the role of the great detec-

tive and makes the super man hunter more human than do even the Conan Doyle stories.

The stories is well sustained and embraces many thrilling sequences. It has to do with Holmes' method of handling a reign of terror created in London by Moriarty, the master criminal, and a gang of American and

English racketeers.

In fact, "Moriarty" sets the stage for Holmes to commit a murder, but the super criminologist sees through the trick and circumvents his ancient enemy in a neatly planned hoax.

Thinking Holmes and "Gore-King,"

chief of the Intelligence Department, out of the way, the gangsters inaugurate a reign of terror, but they are run down and either killed or captured by the police, while Holmes outwits and out-maneuvers Moriarty, sending him to a death cell.

Here come the presents you have been wanting for weeks!

We have read with interest the Santa Claus letters in last week's paper and we feel sure that the things ordered will be found when the packages are opened. The older folks will make Christmas even more pleasant for you by buying a good stock of WHITE ROSE Flour and BULL RUN (self-rising) and Buckwheat Flour. Some of them may need this reminder, and you young folks who like cookies, cakes, etc., should ask them about it.

This is a Piedmont Virginia industry, known and patronized for many years by thousands.

PRESENTS A NEW SIX

Longer • Larger • Faster • Smoother • New in Styling • More Economical • And Featuring Fisher No-Draft Ventilation

THIS is Chevrolet Week throughout America. And the new car that millions have been watching and waiting for—the latest product of the world's leading builder of automobiles—is now on display: the New Chevrolet Six—at a new scale of low prices. Front, side, rear—inside, outside—everything about this new car is advanced, improved, exciting. Longer wheelbase makes it the biggest automobile in today's low-price field. The latest principle of car design, "Aer-Stream" styling, gives it a totally different, ultra-modern appearance. The new Fisher bodies are larger, wider—faultlessly stream-lined—swung lower to the road—and offer the first basic improvement in travel comfort in over ten years: Fisher No-Draft Ventilation. Chevrolet performance in every gear is faster, flashier, more brilliant. The time-proved six-cylinder engine

is more powerful as well as more economical. Improved Free Wheeling is combined with a "silent second" Syncro-Mesh gear-shift. Chevrolet engineers have developed a remarkable new invention that wins a complete victory over vibration: *The Cushion-Balanced Engine Mounting*. And as far as prices are concerned, several models now sell at the lowest figures in Chevrolet history. Chevrolet is able to do all this because Chevrolet has the advantage of being the world's largest builder of cars for 4 out of the past 6 years. Chevrolet builds cars in greater volume—buys materials in greater quantities—does everything on a bigger, more economical scale. Hence, Chevrolet is in a position to provide a better car at a better price than could possibly issue from any other source. *The leader can accomplish what others dare not try!*

FILM BEAUTY SHOWS GOWNS IN THRILLER

Irene Ware, the lovely princess of "Chandu The Magician," showing at the Dixie Theatre next Monday and Tuesday, wears some of the most fantastic costumes ever seen on the screen. Nevertheless, two of them at least are easily adaptable for wear in one's wardrobe.

One, in particular—a white car-mena crepe, trimmed with silver bugle beads, rhinestones and tiny crystal beads—could easily be modified to create a stunning dress for dinner-dance wear. Another is a charming pale blue brocade over a slip of pale pink satin crepe. These and all other gowns worn by Miss Ware were designed by Earl Luick and created in the Fox Films wardrobe department

at Hollywood.

Miss Ware is a newcomer to the screen and is a noted beauty, formerly of the stage. She is five feet, six inches tall, weighs 115 pounds, has auburn hair and rather greenish eyes. She is graceful and wears clothes with distinction.

Edmund Lowe plays the title role in the production and others, well-known here, are Bela Lugosi, Henry

B. Walthall, Herbert Mundin, Weldon Heyburn and Virginia Hammond. Little June Vasek, blonde and beautiful, is also making her screen debut in "Chandu."

INDEPENDENT HILL

The Sunday school will have their Christmas tree and program on Tues-

day, the 27th, at 7:30.

Little Allen Keys, the son of H. F. Keys, who has been in the hospital for several weeks, has returned home somewhat improved.

Elwood Woodyard had the misfortune of turning his car over on Sunday. The car was damaged but Elwood did not get a scratch.

There are a great deal of sickness around. Mr. Lacey Harbey is in the Emergency Hospital with pneumonia for over a week. Mrs. Moras Patterson has been bad off with her foot.

Mr. T. E. Strother has been sick over a week but is better. He had his sister and her husband, Mr. and Mrs. C. C. Furr from Washington, D. C., to see him Monday.

Mr. Wm. Carrick is better.

How Doctors Treat Colds and Coughs

To break up a cold overnight and relieve the congestion that makes you cough, thousands of physicians are now recommending Calotabs, the nausealess calomel compound tablets that give you the effects of calomel and salts without the unpleasant effects of either.

One or two Calotabs at bedtime with a glass of sweet milk or water. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you wish, no danger.

Calotabs are sold in 10c and 35c packages at drug stores. (Adv.)
