MRS. R. H. SMITH ELECTED HEAD

Woman's Club Annual Meeting Show Progress.

DISTRICT PRESIDENT IS HONOR GUEST

The regular meeting of the Manassas Woman's Club was held at the high school April 12.

The minutes of the committees were read and approved. Yearly reports were given by the chairman as this meeting marks the end of a club year.

Many interesting and helpful projects have been carried out through the year, such as planting and caring for the triangles, planting iris at the court house, setting out shrub at the high school, sponsoring a garden contest, flower show, and community Christmas tree. Throughout the year the civic relief committee has bought shoes, cared for clothing for children, cut out and made Red Cross garments, provided money for all kinds of needy causes, and has advised in food buying for needy families. This committee co-operates with other charities of the town. Several new books have been bought by Mrs. C. R. C. Johnson for the library that otherwise could not have been bought had it not been for the funds provided by the club.

The Music and Literary Section reported having had a very active year studying the life of the American people as seen in their songs and short stories. Mrs. Hodge presented to the book shelf of this section the first books entitled "Operatic Tales," "Anecdotes of the Masters" and Bible Music.

The charities have carried on an excellent and much needed work throughout the year.

Mrs. Eli Swavely reported on a letter she had received urging the planting of dogwood trees. This is a State project called to the attention of our club. Mrs. Swavely quoted very reasonable prices from a nursery and we are all urged to plant at least three trees. It was voted to have the club dues remain the same.

The officers for the coming year were elected.

President, Mrs. Robert H. Smith; first vice-president, Mrs. Aylene Guthrie; second vice-president, Mrs. J. P. Lyon; treasurer, Mrs. T. J. Broadbush; recording secretary, Mrs. C. C. Lynn; corresponding secretary, Mrs. H. S. Carpenter.

Standing committees were appointed by the president as follows:

Charities — Mrs. Delaney, Miss Neel, Mrs. Robert Lewis, Mrs. Geo. McDonald.

Civic — Mrs. J. L. Bushong, Mrs. Trusler, Mrs. Parrish.

Membership — Mrs. Dalton, Mrs. Lomas, Mrs. Thomas Howard.

Civilian relief — Mrs. C. R. C. Johnson.

Program — Mrs. Paul Cooksey, Mrs. Clark, Miss Eugenia Osbourn.

Visiting — Mrs. Eula Merchant, Mrs. Norvel Larkin, Mrs. Harvey Steele.

Publicity — Mrs. Lloyd, Mrs. Coker.

Junior sponsor — Mrs. J. P. Lyon.

Advisory to county board — Mrs. C. C. Lynn.

After the election of officers and committees the program was given by the fourth district chairman, Mrs. S. L. Aylor. Mrs. Aylor gave a most interesting and inspiring talk urging women to carry on and interest themselves in all of the finer and better things of life, to inspire the youth of America with true and noble Americanism. At the close of her talk she read two pieces of poetry that nicely summarized her thoughts. Coffee and cake were served by the hostesses.

Remember the Easter Dance will be a bigger success, and everyone will have a better time if each club member that possibly can will be present.

TO MAKE VISITATION

District Deputy G. D. Baker and a delegation from Bull Run Council will visit Catharpin Council, O.F.A., this Saturday evening at 8 p.m.

Mr. Baker has an important message for Catharpin and asks for a full attendance of the council.

VISITORS IN REMINGTON

Mrs. Tiffany and Mrs. Gill spent Tuesday in Remington with the former's sister, Mrs. Brown.

ANNOUNCES PLATFORM

GEORGE C. PEERY

The platform announced last week by George C. Peery, of Tazewell, candidate for governor, follows the fashion of the last Democratic National Convention in directness and simplicity of statement. "I favor repeal of the Eighteenth Amendment." "The fee system is out of date and should be abolished." "It is no time to increase the general burden of taxation." "We cannot justly postpone the matter of educating our children." "We must preserve roads already constructed and continue construction as funds are available." "Special taxes collected for roads should not be diverted to other purposes." "A material reduction in automobile licenses without crippling the existing road plan." "I will oppose bond issues." "If the General Assembly adopts beer with reasonable regulations and restrictions, I will abide by such action." "Fair valuation of utilities is essential in determining reasonable rates."

STATE OFFICIAL TO VISIT HERE

Game Department to Assist in Local Work.

President M. M. Ellis, of the newly-organized Prince William Fish and Game Protective Association, has announced a meeting at the courthouse on the evening of Wednesday, April 19, at 8 o'clock.

M. D. Hart, executive secretary of the State Fish and Game Department and other district and local officials will be present to aid in the movement to properly protect and propagate fish and game.

Mr. Ellis desires the presence of everyone who is interested in any way in this sort of work. It has already received a great deal of impetus and the next meeting promises to be a large one.

ATTENTION, PENSIONERS!

The County Clerk has recently received a letter from Mr. John H. Johnson, pension clerk in the office of the State Comptroller at Richmond, from which the following extract is taken:

"You will note that the last General Assembly advanced the date of marriage of widows of Confederate soldiers from January 1, 1890, to January 1, 1900. I feel satisfied there may be a good many widows under 75, married prior to 1900, who do not know anything about this change of law. It may be well to call this to the attention of your local board and others interested in pensions."

If there are any widows of Confederate veterans in this county who come within the requirements of the law, as amended, and who desire to make application for the Confederate pension paid by the State, as well as that paid by the county, application blanks may be obtained at the office of the county clerk. The local camp of Sons of Confederate Veterans is glad to assist applicants in the preparation of their application papers, and the county clerk and his assistants stand ready to render all possible assistance to such applicants.

I. O. O. F. NEWS

The degree team from Marley Encampment of Potomac Lodge No. 38, I.O.O.F., conferred the encampment degrees upon a group of candidates from Alexandria and Dumfries last Thursday evening at Dumfries.

On Monday night Prince William Encampment No. 10 of R. E. Lee Lodge, I.O.O.F., at Dumfries, went to Alexandria to see the Royal Purple Degree of the Encampment put on by Potomac Lodge.

SMALL HOME AID

President Roosevelt's special message to Congress today proposes the creation of a permanent system of Federal savings and loan association together with a two-billion dollar corporation for the financing of mortgages on small homes. The gigantic project is in keeping with the broad scope of the "New Deal." This is a big nation and when financial despair settles down upon our greatest institution, the small home, big measures are required to lift the cloud.

Under the plan a \$200,000,000 fund would be subscribed by the Federal Government through the Reconstruction Finance Corporation and the Home Loan Corporation now proposed would issue tax exempt bonds at 4 per cent up to \$2,000,000,000, which would be exchanged for existing mortgages. The Government would guarantee the interest but not the principal. Bonds would be limited to 80 per cent of the value of the mortgage home, as appraised by the corporation. Refinancing would be limited to homes at \$10,000 or less and occupied by not more than three families.

The home owner could amortize his debt within 15 years with interest at 5 per cent. The Board would have authority to grant extensions of principal and interest up to three years, and would have authority to advance cash for taxes and necessary repairs and maintenance. There are many other necessary details, but as a whole the proposal is too big in its scope and in its possible results upon the country to be adequately reviewed and commented upon so quickly. That it will pass without substantial change seems very likely as the President specifically states that it is "an urgently necessary step in the program to promote economic recovery."

VISITING LODGE TO OFFICIATE

Hiram Lodge No. 10 to Give M. M. Degree.

Hiram Lodge No. 10, F. & A. M., Washington, D. C., will make a visit to Manassas Lodge on Friday, April 21, at which time the M. M. degree will be conferred by the Washington lodge.

It is expected that Most Worshipful Brother Harry G. Kimball will be present as well as other officials of the District of Columbia.

An invitation is extended to all members of Manassas Lodge and visiting Brethren to be present. Meeting will be called promptly at 8 p.m.

KILLED IN AUTO CRASH

Milton Ellis Dies at Warrenton.

On Monday evening about 8 o'clock Mr. Milton D. Ellis, of Warrenton, was fatally injured in an automobile crash on the Lee Highway near Buckland. He was rushed to the Warrenton Hospital where he died without regaining consciousness. The other car involved in the accident failed to report the accident and has not been apprehended.

Funeral services were held yesterday at Warrenton and burial was in the Ellis burial lot at Greenwich. In addition to his mother, Mrs. Robert Ellis, of Warrenton, Mr. Ellis is survived by his wife, who was Miss Edith Wilfong, of Manassas, and by three sisters and two brothers in Warrenton.

GOOD NEWS

Mr. George Tyler, our county clerk, who is taking a brief vacation in Maryland, has written to friends here that he is getting along fine and will return shortly.

WAR VETERANS GET PAY CUT

\$6,000,000 Will Be Taken from Virginia Compensations.

War veterans in Virginia, inclusive of World War, Spanish War, will receive \$6,000,000 less in compensation as their part of the government's program of slashing veteran pensions paid by the nation. The saving of \$400,000,000 is involved throughout the United States. In Virginia approximately \$650,000 reduction will fall upon 3,500 World War veterans whose disabilities were not service-connected. In Virginia 476 claims for total disability will be cut from \$40 to \$20 per month and the number that will be dropped entirely is 3,543. Of the remaining 4,829 service-connected disability cases, a careful review will be made. Where the veteran is holding a position in the federal government or in any corporation whose stock is owned by the government, the compensation will be cut to \$6 a month where the disability was incurred in combat or in direct service. There are many details of the pay-cut plan, all designed to insure compensation for disability incurred in service between the dates of Nov. 11, 1918, and July 2, 1921.

CIRCUIT COURT PROCEEDINGS

Robert Dewey Lambert, felony (house-breaking) plea of guilty, sentenced to five years' imprisonment.

Continuances to June term of court — Billy Howard (felony); Paul Woodyard (felony).

B. G. Robinson filed an application with court for certificate of character.

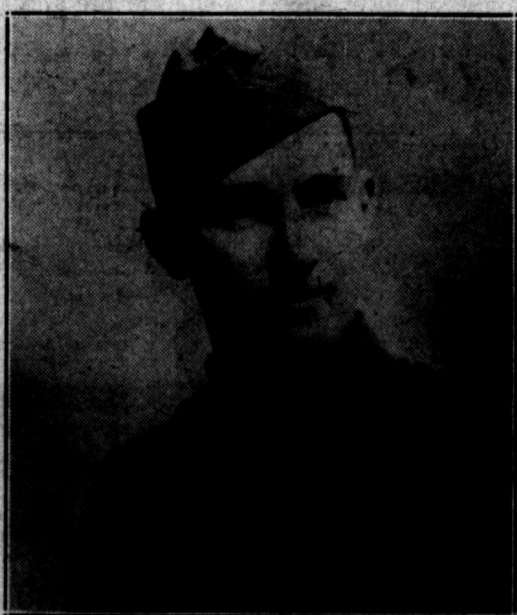

Sale of Fayman School to D. H. Herndon confirmed by court.

E. S. Hooker was re-appointed a member of the electoral board for a period of three years.

Willie Ray was appointed guardian for John Turner Brown, with T. S. and Clara B. Lyles as sureties.

C. E. Lawson (Limstrong) was given permission to sell soft drinks.

CANDIDATE FOR RE-ELECTION

E. G. PARRISH, Member of Town Council.

Who has filed for re-election at the municipal elections to be held on June 13, 1933. He is a member of the Kiwanis Club, past commander Prince William Post No. 158, American Legion, and a business man closely allied with many progressive movements and a thorough advocate of home-town boosting.

BASEBALL PLAYERS ARE WANTED

More men are wanted to try out for positions on the baseball team which is to represent Manassas this year. Anyone who would like to try out for the team is urged to sign up with Oscar Cline at the Central Lunch in the next few days. There will be a practice on the high school field Friday afternoon. If you have not been able to sign up by then, come to the practice and join the team there.

MRS. THORNTON IS CHAIRMAN

Jefferson Davis Marker to Be Placed at Woodbridge.

Mrs. J. B. T. Thornton of Manassas was appointed by the State president, Miss Annie V. Mann, to take charge of the erection and ceremonies connected with placing the Jefferson Davis marker allotted to the 4th District, U.D.C.

Mrs. Thornton will co-operate in this work with Mrs. Blenner of Richmond.

The erection of these markers on the Jefferson Davis Highway is one of the most important achievements of the Virginia Division U.D.C. Mrs. Thornton was delegate from the Manassas Chapter to the district meeting at Purcellville which was held April 6. A report of this meeting will be given next week.

SWAVELY SCHOOL THEME OF TALK

The program committee passed out last week and failed to put on a program for the Kiwanis Club at the regular meeting. However, H. B. Flintoff, acting registrar of the Swavely School in its membership drive which was recently inaugurated, gave the club an impromptu talk which was much enjoyed.

Mr. Flintoff is a man of wide experience and naturally a pleasing talker. He explained some of the things which he hoped to do, both for the town and for the Swavely School, which is one of its leading institutions and long an asset to the community.

M. M. Ellis, president of the new game club, cordially invited the Kiwanians to be present at the next meeting of his club. He also asked for names of prospects for the Kiwanis Club to be given to him at the meeting this Friday.

Ed Conner got off a birthday "pome," with Charley protesting that he was electioneering. Ed proved in lyric form that he was born in Manassas but did not lay claim to be its oldest inhabitant.

No advance news this week from the program committee but a promise to do better or all three will have to leave early this week.

MANASSAS DEFEATS HAYMARKET IN FIRST COUNTY GAME

M. H. S. came out successful again in second game of the season. The team seem to have improved since last week. The score at the end of this game was 34-9.

All the team played good games. Leith was the star of the day. Bradshaw pitched an excellent game.

M. H. S. cordially invites you to attend their baseball games.

IN MANASSAS FOR EASTER

Miss Anne Davies and Miss Grace Moran will visit Mrs. Thornton during the Easter holidays.

CHARITY BALL PLANS COMPLETE

Many Visitors Expected to Attend.

SPECIAL PRIZES TO BE OFFERED

The annual charity ball of the Manassas Woman's Club to be held Easter Monday, April 17, from 9:30 to 1:30 p.m., in the gymnasium of the Manassas High School promises to far surpass the first expectations of the committees in charge. Every effort is being made by these committees to see that those who attend will be comfortably and happily entertained. Aside from the fact that in addition one has made a contribution to help some one in less fortunate circumstances, all funds over and above expenses are to be used for local and other charities.

The local orchestra of nine pieces under the direction of Mr. Charles Armstead Sinclair, supplemented by several members of one of Washington's well-known and popular orchestras is to furnish the music. Several special feature dances are being arranged and a door prize is being offered to the couple, holding the lucky number.

Simple but effective decorations are being put up by the committee on decorations under the direction of Mrs. J. P. Lyon, chairman. Reports of the committee on invitations indicate that several parties are expected to attend from Maryland and Washington. A number of the members of the Woman's Club are entertaining house parties and dinner parties preceding the dance, and several intermission parties have also been arranged for.

The following officers of the Woman's Club constitute the reception committee and a most cordial invitation is extended to all to attend: Mrs. B. H. Smith, president; Mrs. W. L. Lloyd, vice-president; Mrs. J. P. Lyon, second vice-president; Mrs. C. C. Lynn, secretary; Mrs. T. J. Broadbush, treasurer, and Mrs. Frank Sigman, corresponding secretary.

SPECIAL EASTER MUSIC AT TRINITY CHURCH

The musical program at Trinity Episcopal church on Easter Day will be sung at the eleven o'clock celebration of the Holy Communion and will be festive in keeping with the spirit of the day.

The program includes: Antiphonal processional hymn, "Hail! Festal Day," written by the celebrated organist, Arthur F. M. Custance.

Office of Holy Communion, arranged to music from the "Mass of St. Cecilia" of Charles Francois Gounod.

Hymn before sermon, "The Day of Resurrection," tune of All Hallow's. Communion hymn, "Let all mortal flesh keep silence," ancient plain-song melody.

Offertory anthem, "Hallelujah! Christ is risen," by Caleb Simper with opening and closing choruses arranged from Handel's celebrated "Hallelujah Chorus."

Recessional hymn, "Jesus Christ is risen today, Alleluia!" from Lyra Davidica.

THE AMERICAN FLAG

The following questions, which are answered on the back page of this edition have been furnished by Prince William Post No. 258 of Manassas in a campaign of education on the American Flag. Another set of questions will be printed next week, and each week following, until fifty questions have been published.

Contest Rules.

Any boy or girl enrolled in the high schools at Manassas, Nokesville, Occoquan, and Haymarket may compete in this contest.

The answers as printed in the paper will be considered as the scoring basis.

The examination will be held in each of the four high schools mentioned above on May 5.

The usual rules governing school examinations will be observed. Papers will score on accuracy, neatness and legibility.

The winning paper as selected by the principal of each high school or his assistant shall be sent to E. C. Haydon, division superintendent, at Manassas.

Prince William Post No. 158 will place the winning papers in the hands of a committee of competent judges. (Please turn to page 5)

CATHARPIN

Mr. and Mrs. H. J. Schaeffer and
family visited Mrs. Schaeffer's moth-
er and sisters in Maryland last Sun-
day.

Rev. and Mrs. J. L. McCutcheon
of Clarendon are Oakwood visitors
this week.

The third quarterly conference of
the Sudley circuit will be held in the
Sudley church on Saturday, April 21,
at 10 a.m. Preaching by the Elder
at 11 a.m. Sunday morning. Please
remember the dates and what they
imply. It will be remembered that
Dr. Wells preached the dedicatory
sermon when the New Sudley was
dedicated and many will be glad to
hear him again as our Elder.

Mrs. Etta P. Lynn and Mrs. Chas.
R. McDonald attended a quilting
party at the Methodist parsonage,
Gainesville, on Thursday of last week
at which a most bountiful repast was
served at the noon hour to all the
assembled guests. The parsonage
hostess stands in high favor among
the ladies of the congregations.

Spring in all her glory seems to
have turned the corner and the com-
munity is rubbing its eyes awake and
men may now be seen minus that
old, frayed, patched and worn-out
blue denim coat busily engaged fol-
lowing the soil ready for the plant-
er. We remember one time reading a
poem titled "The Song of the Shirt"
but feel that justice may never be
done until some one writes a poem
on that old coat; that old tattered,
patched, frayed and faded blue denim
blouse which has served us so long
not only as a protection against the
weather but as a screen to ward off
public gaze from that other article
of apparel—the shirt—which, tho im-
mortalized by the poet, will oftentimes
have a better reputation if kept un-
der cover. So while the trees are
"leaving out" and donning their new
spring clothing, we are "leaving off"
some of our disreputable ones and
soon we shall all be decked out in
new raiment ready for garden mak-
ing and the season's duties. The
community is now generally in good
health and prosperity should be our
portion during the coming season.

Sunday was a beautiful day and
Old Sudley looked the flower of her
youth as she filled the house and
seemed her old self again after a
shut-down of almost three months
due to abnormal weather and road
conditions. It is hard for the unini-
tiated to realize just what this means
to a country church but such it is
and must be endured. This was per-
haps the longest cessation yet expe-
rienced and people were glad to re-
turn again to the old shrine and en-
joy the spirit of old and renew their
allegiance to the church where a
good summer's work is just begin-
ning. The Bible Class was full to
overflowing and was delighted to

have Mrs. J. L. McCutcheon as
teacher for the day. Mrs. McCut-
cheon is one of the outstanding Sun-
day school workers and lecturers for
the Southern Baptist Association and
has delighted both the Bible Class
and the Sunday school upon several
former occasions when visiting
friends in the neighborhood by her
interesting talks. The services were
helpful and inspirational and Sudley
welcomes one and all to her church
and Sunday school.

KENT TAYLOR STARS
AT DIXIE THEATRE

The most difficult path to movie
success was the one followed by Kent
Taylor—but he made it. Taylor, who
plays the leading role in Zane Grey's
"The Mysterious Rider," coming to
the Dixie Theatre next Wednesday,
made his way to featured roles from
the ranks of extras, a feat seldom
accomplished these days. He was
born on a ranch near Nashua, Iowa,
and educate din that State. Several
years ago, when his family moved
to Los Angeles, he decided to go into
the movies. For a long time he man-
aged to get nothing better than extra
work. One day, however, he was ask-
ed to pose for some pictures being
taken with a new device. It was
the device the studio was interested
in, not the actor. But the actor im-
pressed them so much that he was
given further screen tests, the result
of which was a long-term contract.

TWO LINES OF CARS—TWO PRICE RANGES ONE HIGH STANDARD OF QUALITY

CHEVROLET First, came the Chevrolet Master Six—and America responded with the greatest welcome given Chevrolet since 1929. Then, up stepped the leader with another entirely new line of cars, the Standard Six. And down went the Chevrolet base-price to the lowest figure in history for a full-size six-cylinder closed car.

Now—for the first time—there are two Chevrolet Sixes—the Standard and the Master. Body-styles for everybody. Prices for several different groups of buyers. But only one standard of quality running throughout the complete line. And that's the very same high standard that has made CHEVROLET the latest name in low-price transportation!

Both Standard and Master models offer wood-and-steel bodies by Fisher—equipped with safety plate glass in the windshields, and featuring Fisher No Draft Ventilation. Both have silent second gears and smooth, fast, six-cylinder engines. In the Standard Six, you enjoy all these advantages—at the lowest operating cost of any full-size car. In the Master Six, you get all these advantages, and many more, in an unusually large, luxurious car, along with the greatest all-round economy of any car of its size. And Chevrolet prices are now as low as \$445—for the Standard Six Coupe!

TUBERCULOSIS IS CURABLE State Health Department Clinic

It is a well-known fact that 80 per cent, or eight out of every ten, cases of tuberculosis are cured who are properly treated in the early stage of the disease. The majority of cases, unfortunately, do not seek medical aid until they have reached an advanced stage.

Tuberculosis, as a rule, does not cause pain or suffering in the early stage. For this reason, it is sometimes very difficult to convince those found in this stage that they have tuberculosis, and this delays treatment until it is too late. To find it early they must consult their physician as soon as they feel the least bit badly.

Tuberculosis is a communicable disease, which accounts for its running in families. One careless patient often gives it to the children and young people who live in the same home, or to a less extent to those with whom they associate outside the home. These people may break down with the disease long after being in contact with the patient. For this reason, anyone who has been around (especially during childhood, adolescence, or early adult life) a person who died with lung trouble, should be examined once a year as a precaution, and at any other time he feels badly in any way.

A clinic will be conducted by a specialist of the State Department of Health for this purpose in the court house at Manassas on May 15. This clinic will be under the auspices of the County Board of Health and in co-operation with the physicians of the county.

If any treatment is found necessary, it must be done by the family physician, whose care and advice they must depend on for their health and happiness anyway. For this reason, it is necessary for those wishing an examination, which is free of cost to all, to consult their family doctor or visiting nurse and make an appointment. Those who do not have a written request from their doctor, or who have not made arrangements with the nurse, will necessarily be turned away.

Children under fifteen years of age are not examined at this clinic unless especially referred by a doctor. It has long been recognized that tuberculosis in children cannot be found without a special examination in which the tuberculin test and the x-ray are used.

MANASSAS DOWNS WASH-LEE IN FIRST GAME OF SEASON

M. H. S. opened their baseball season very successfully last Friday when they defeated Washington-Lee 13-12. Washington-Lee is the largest school we play this season.

At first it looked as if the home town wouldn't be victorious. But with a rally in the ninth inning we came out the victor. Bradshaw as pitcher shows improvement over last year. The team seems to be very much better than last year and we are hoping for a successful season.

CHURCH FOR ALL—ALL FOR CHURCH
The Manassas Journal
BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a precious heritage to them in after years.

SHALL WANT NO GOOD THING: For the Lord God is a sun and a shield: the Lord will give grace and glory: no good thing will he withhold from them that walk uprightly.—Psalm 84: 11.

THE GAME PROTECTIVE ASSOCIATION

By inheritance Virginians are natural sportsmen. They enjoy the great outdoors, of which we have plenty, and even if any should not be situated to participate directly in hunting and fishing, it should be a pleasure to affiliate with the Game Protective Association which is being organized in Prince William County and to lend a hand in protecting and developing the natural resources of the county. We are fortunately situated as to possibilities in this direction, but our proximity to the great metropolitan center of Washington makes it necessary to set up protective barriers to the game hogs of the City, if we would have anything to enjoy on our own property. Very little is sacred to this type of would-be sportsmen, who scarcely knows the meaning of true sportsmanship, and even less of property rights. Therefore, all who really desire the perpetuation and increase of our local game supply should unite in this splendid project.

THE TENNESSEE VALLEY AUTHORITY

Yesterday President Roosevelt requested enactment of legislation creating "The Tennessee Valley Authority." This gigantic project would develop the Muscle Shoals project in the valley of the Tennessee River and associate with it a vast program of reforestation, reclamation of marginal lands not suited to profitable agriculture, flood control and erosion prevention.

One of the great objections which has been offered to such enterprises under government auspices has often been that the governmental bureaus were so contaminated with graft and inefficiency that no progress could be made. Whether the President has considered this angle or not is not disclosed, but he has certainly eliminated the possibility of such a situation by asking for creation of an "Authority," with governmental powers but possessing the flexibility of a private corporation. Evidently he does not desire that any existing agencies of the federal government should direct this great enterprise, and it is probable that his viewpoint will be appreciated by Congress.

The Tennessee Valley Authority is a conception worthy of the great mind that has conceived a project so beneficent to masses of humanity. Its realization will require years of research, labor and planning, but its attainment will amply justify the national effort.

THE HOME-TOWN NEWS-PAPER

The country paper is still the favorite paper with the women in the Big City, according to the questionnaire that has been answered by college women members of the Panhellenic Association, at the Panhellenic Hotel in New York City of twenty-one national fraternities.

The questionnaire showed that the novelists are right when they call New York a big place where the small town people met. Members of the Panhellenic Association were asked a number of questions about their favorite papers, their favorite news topics, and their fa-

vorite news writers. After giving their answers to these queries they remarked that their favorite paper was still their home town one.

One woman answered: "I read every item in the paper the family sends me because it gives me news about all the neighbors that my family never write me about. My family's weekly letter tells me the news about themselves and that's about all. The paper gives me all the facts about the friends I have known since I was knee-high."

THE AMERICAN FLAG

(continued from page 1)

whose selection shall be final.

A prize of an American flag will be presented by the Prince William Post of the American Legion to the winning high school, and a medal to the winning boy or girl representing the school.

The questions will be numbered consecutively. The first questions are:

1. By what authority was our first national flag established?
2. Quote the exact language of the original flag law.
3. When was our state first represented by a star in the union of the national flag?
4. Name the original states represented by the stripes in The Flag.
5. When was the law passed that governs the present design of The Flag?
6. Mention two early American flags which suggested part of the design of the present flag.
7. What was the official flag of the United States between September 3, 1777, and January 13, 1794? Between May 1, 1795, and April 4, 1818?
8. When it arises from the ground or a low foundation, what should be the approximate length of a flag pole, expressed in lengths of the flag displayed?
9. Mention four contemporary flag designs, other than the Stars and Stripes, which have been established by Congress.
10. What date do we observe as the anniversary of The Flag? When, and by whom was this anniversary proclaimed?
11. According to a statement ascribed to George Washington, what is the significance of each of the colors in The Flag?
12. What was the inscription on the Pine Tree Flag? On the Rattlesnake Flag? In what colony did each of these flags originate?
13. What are the proportions of the National Flag?
14. When and by whom were the present proportions established?
15. On what days should The Flag be displayed?
16. What naval commander first flew the Stars and Stripes? When and over what ship?
17. What is the proper salute to The Flag by a man or boy in civilian clothes? By a woman or girl?

(Turn to the back page of this edition to find the answers.)

MANASSAS BASEBALL TEAM ORGANIZED

First Practice Friday on the High School Field.

At a called meeting held in the Town Hall on Tuesday night a group of twenty-five who are interested in baseball set up an organization for a local baseball team which is to represent Manassas this summer. W. H. Brown was elected temporary chairman of the meeting and then the meeting proceeded to the election of officers.

The officers elected for the team are as follows: Manager, Robert Adamson; assistant manager, W. E. Lloyd; and secretary-treasurer, Oscar Cline. "Weenie" Adamson was unanimously chosen as the bat boy for the team.

After considerable discussion of the objectives, purposes and policies of the team, the question of getting more men to come out for the team was brought up and Manager Adamson asked that every man try to get someone to come out. The first practice has been set for Friday afternoon on the high school field at 3 o'clock.

LEGAL NOTICES

COMMISSIONER'S SALE OF VALUABLE REAL ESTATE ON LEE HIGHWAY

By virtue of a decree of the Circuit Court of Prince William County, Virginia, entered on the 17th day of January, 1933, in the cause of Oscar T. Burrell v. Lizzie B. Norris, et al., depending in said Court, the undersigned Commissioner, appointed therein for that purpose, will offer for sale by way of public auction, in front of The Peoples National Bank of Manassas on

SATURDAY, APRIL 22, 1933, at about noon of that day, all that certain tract or parcel of land lying and being situate on the South side of Lee Highway, near Gainesville, in Gainesville Magisterial District, county and State aforesaid, containing 50 1-2 acres, more or less, and being a part of the real estate of which Morton Oday died seized and possessed, and having been conveyed to said Morton Oday, in part, by George W. Hamner, et ux, by deed dated July 18, 1868, and recorded in Deed Book 29, folio 254 of the County Clerk's Office for said county.

This tract of land borders along Lee Highway, formerly known as the Alexandria-Warrenton Turnpike, and has no improvements thereon; the same being in timber of various kinds. There is also upon this tract an old family burying ground.

TERMS OF SALE: One-third cash, and the residue upon a credit of nine and eighteen months, with interest on the deferred payments from day of sale, title to be reserved until the whole of the purchase price has been paid.

THOS. H. LION,
Special Commissioner.

I, George B. Tyler, by his deputy, L. Ledman, Clerk of the Circuit Court of Prince William County, Virginia, do certify that Thos. H. Lion, Special Commissioner, hath executed a bond with approved security in the penalty of \$1500.00 in accordance with the decree directed in said cause.

KEN MAYNARD JOINED WAGON SHOW AFTER "CLICKING" AS LOCAL STAR

Some years ago, in Mission Tex., a small boy watched with awe and admiration the local exhibition riding at rodeos and roundups. And so it was with a head full of thoughts of trick and fancy riding that Ken Maynard moved with his family across the plains to Columbus, Ohio.

Townpeople of Columbus today recall the gangling son of a building contractor as he spent his days on a beaten path astride a little bay mare, practicing all of the tricks he had seen. He soon became one of the "main events" in civic entertainments.

While still a youngster he joined a wagon show, carrying feed and water to horses and sleeping in stables. He saw service then with several circuses, risking his life in daredevil stunts over the uneven turf of the big top in the "after performance" wild west shows.

Ken won his first honors on the back of one of the wildest bronchos known to the cowpuncher world when he was named the greatest trick rider at the world's championship cowboy test in Chicago in 1920.

But one other hobby than riding holds Ken's interest. This is flying an airplane. During the last three years he has had a total of 1,000 hours in the air.

This cowboy who became famous by bull-dogging steers, riding outlaw horses, doing trick and fancy roping and riding and "busting" mustangs is coming to the Dixie Theatre next Saturday in "Hell-Fire Austin," his latest western picture for Tiffany Productions.

Whitewash Formula.

The Maryland State Highway Department has used the following formula for several years in improving the appearance of their highways and marking obstacles:

Dissolve twelve pounds of salt and six ounces of powdered alum in about four gallons of hot water. Add one quart of molasses. Make a thick cream by thoroughly mixing fifty pounds of hydrated lime with about seven gallons of hot water. Add the salt and alum solution to the lime, stirring vigorously. Thin to desired consistency.

This whitewash has a yellow tinge at first which disappears within a few days leaving a very white and durable coating.

Lepedeza Sericea.

Dr. A. J. Pieters of the U. S. D. A. Bureau of Plant Industry has this to say about Sericea.

"I do not believe that there is any difference in agricultural value between Numbers 12087 and 04730. It is true that 04730 is a few days earlier to mature and grows a little taller. Both strains will, however, mature seed in your section or anywhere from Arlington South, and for the production of hay both strains will have to be cut when the first growth is about fifteen or sixteen inches high. There will, therefore, be no material difference in fineness of stem between the two numbers at this stage.

We believe that the plant will eventually prove to be very useful throughout the South as a hay and grazing crop, but of course, until there is an established demand for seed for this purpose, seed growing is more or less of a gamble. I should hate to advise any one to go heavily into the seed production game with the hope that he would make a large amount of money next year.

"I regret that we are not in a position to send seed for distribution among farmers. We have already apportioned all the seed that we raised at Arlington Farm for distinct experiments. We do not feel that it is necessary any more to determine whether the plants will grow. I am quite certain that they will grow and seed in your section, but the problems we have to study now are connected with how best to cut the stand, when to cut for hay, how to utilize it, and how to pasture it, etc., and we are using our seed for this purpose."

(In 1932 the market on Sericea seed opened at \$40.00 per pound. This year, quotations on certified seed have dropped from \$5.00 to 85c per pound.)

Warning Against Sisal.

The use of sisal, rough jute, or hemp twines for tying fleeces is the source of serious troubles in the manufacturing processes and of defects in the finished product. Paper twine is approved by all buyers and manufacturers. Quoting from a letter received from Francis Willey and Co., "We wish to inform all who may be shipping to us that we shall not purchase at any price wools tied with sisal."

THE VEGETABLE GARDEN

A well-planned vegetable garden should provide vegetables throughout the year. In order to maintain interest and prevent monotony in the vegetables served a balanced planting should be made, providing fresh vegetables throughout the year. Vegetables are classed as leafy, fruit and root. Some of the leafy vegetables that are well adapted to this section and that may be planted now are: spinach, cabbage, cauliflower, lettuce, Brussels sprouts, Swiss chard, kale and broccoli if planted now will produce throughout the growing season.

Kale gives best results where

planted in a seed bed and transplanted to 12 to 15 inches in row. Broccoli belongs to cabbage family and will take some treatment as cabbage. The following root vegetables should go in the ground as soon as the ground is in condition for planting: beets, carrots, onions, parsnips, potatoes, radishes and salsify. Except for peas fruit vegetables take later planting than either leafy or root vegetables but these may go in soon: beans, corn, muskmelon, squash and peas.

To keep a good balance in the supply of vegetables plan for variety in color, flavor and texture of vegetables.

WYNNE GIBSON GETS REWARD WITH NEW ROLE

As a reward for consistently good performances in a succession of pictures, blonde Wynne Gibson has won a new, more lucrative contract with Paramount.

Miss Gibson's latest appearance is with Stuart Erwin and Frances Dee in "The Crime of the Century," mystery-drama with a new slant, which opens at the Dixie Theatre next Friday, April 21.

Miss Gibson went to Hollywood in 1930, after winning success on the stage in New York. She signed a contract and immediately went into "The Gang Buster," a Jackie Oakie picture. After appearances in four more films, she was given the feminine lead in "The Strange Case of Clara Deane," and did so well that she has been playing leading roles ever since — in such pictures as "Lady and Gent," "Night After Night," "If I Had a Million," and "The Devil Is Driving."

In "The Crime of the Century" she plays the role of the wife of a prominent alienist. The latter goes to a police station one night and begs to be locked up to be prevented from carrying through plans he has developed for committing the perfect murder. Policemen, impressed by his reputation as much as his manner, accompany him to his home. But there, under their noses, not only the murder he has planned, but a second one, takes place. The assembled officers are powerless to prevent either.

Erwin, in the role of a reporter, and Miss Dee, in the role of the alienist's daughter by a previous marriage, get busy assembling evidence pointing toward the murder. Their clues are a pair of suede gloves, a rouge-stained ace of spades, and a burned pin. But on this slim evidence they ultimately solve both crimes.

The picture offers an unusual innovation, in that half way through, there is a one-minute intermission during which the various clues are reviewed briefly on the screen to give the audience an opportunity to attempt to solve the mystery.

**Miniature Rooms By Talented New York Woman
Give Vivid Forecast of "Interiors of Tomorrow"**

DESIGNED and created by Eleanor McMillen, one of New York's foremost interior architects and designers, nine model rooms in miniature constitute one of the most striking exhibits ever shown.

During the depression, in order to keep her entire European trained staff at work, Mrs. McMillen conceived the idea of building the perfect miniature rooms. They are now touring the country being exhibited in the leading cities and earning thousands of dollars for the unemployed and other charities.

Miniature rooms created by Eleanor McMillen, New York's foremost interior decorator and architects' consultant, are being shown at St. Louis, Mo., under Junior League auspices. The exhibit has already made thousands for charity.

FARM WAGES IN VIRGINIA

Farm wages have continued to decline and the average reported on April 1 is now lower than the pre-war rate. Wages by the month with board are reported to be \$15.50, without board \$22.50 and by the day with board 70 cents and without board \$1.00, while the averages for the period 1910-14 by the month with board

were \$15.18, without board \$21.52; by the day with board 82 cents, without board \$1.06. Wages are lower in the southern and southeastern districts. The supply of farm labor is considerably above normal, while the demand is below normal due to the farmers' lack of cash with which to pay wages. Most farm work is being done by the farmer with the assistance of the members of his family. — Report of

Henry M. Taylor, agricultural statistician, issued April 12.
