MANASSAS, VIRGINIA THURSDAY, JUNE 29, 1933

SUBSCRIPTION \$1.50 A YEAR

SATISFIED WITH STATE OUTLOOK

Smith Issues Week-End Statement.

Returning to his headquarters last week, Senator Worth Smith, candidate for governor, in the August Primary, issued a statement to the press which read in part as follows:

"I have been pretty well over the State of Virginia and I am very much pleased with my trip," he remarked.

"I find that the people of Virginia realize that they are sick; they know something is the matter with them and the medicine rendered by the old organization does not cure their ailments. Therefore they have made up their minds to change their doctor."

"They like the medicine I offer:

"1. A \$5 license tax on automobiles.

"2. Break up the school book trust with free text books.

"3. Immediate sale of 3.2 beer; repeal of the Eighteenth Amendment.

"4. A sound and enforceable law to control the liquor traffic.

"5. Abolition of the poll tax as a prerequisite to voting, to eliminate fraud in the control of elections, basing the qualifications for voting upon education and residence.

"6. Regulation of the power trust and their watered stock, resulting in a reduction of utility rates.

"7. Transfer of the burden of the school tax on real estate to other subjects of taxation more able to pay."

"These are the things that the State organization, through their candidate, Mr. Peery, are opposed to dealing with at all in many instances and deferring as long as possible in others. By their refusal to grant us an extra session of the Legislature in order that the law against 3.2 beer may be repealed, the organization is causing the State to lose a large amount of revenue.

"Some of the newspaper editors agree with me on this subject, which whether right or wrong, it is more freely discussed than all the other issues put together, but they somehow fail to name me as the leader of the movement seeking a remedy for this evil."

CITIZENSHIP DAY AT HAYMARKET

Citizenship Day for Prince William County will be observed in the Parish Hall, Haymarket, on Tuesday, July 4, at 8 p.m.

The leading feature of the program will be an address by Mr. R. A. Hutchison of Manassas. The committee in charge of arrangements is happy in securing for this occasion such an outstanding citizen of the county. As Mr. Hutchison is eminently fitted to deliver an address on citizenship we bespeak a large attendance. All those progressive citizens who look forward to sharing more richly in the benefits of popular government should make a special effort to be present.

Another important feature will be the presenting of diplomas to those who have passed the prescribed examination. These diplomas are provided by the Bull Run Grange which is sponsoring the local citizenship movement.

A special committee is arranging for music which will add much to the pleasure of the evening.

Plan to come and encourage this movement which has such great possibilities.

C.M.T.C. IS CURTAILED

L. Ledman, Esq.
Deputy Clerk, Circuit Court
Manassas, Virginia

Dear Sir:

This letter has been sent to all accepted Basics. Funds allotted will allow us to train only 1439 Whites and Blues and about 181 Reds, from the entire Corps Area.

"Orders received from the War Department this date prescribe that trainees for the Citizens' Military Training Camps, to be held this summer, will be limited to those trainees who have completed the Basic Course. That means that we are authorized to accept applicants for the Red, White and Blue Courses only. Therefore, it is with sincere regrets, that I am at this time obliged to inform you that you will not be permitted to attend a Citizens' Military Training Camp this year.

It is hoped that in 1934 we will be authorized to again enroll first year (BASIC) applicants, and in that event, that you will be one of them."

Very sincerely yours,

ALLEN SMITH,
Colonel, Infantry,
CFMC Officer.

FUNDS ALLOCATED FOR MARSHALL ROAD

John Marshall Highway to Be Constructed.

According to a statement made by Hon. Wade H. Massie, member of the State Highway Commission, a sufficient allotment will be made to complete the John Marshall highway from Ront Royal to Gainesville, where it intersects the Lee highway.

The type of road will be gravel, with surfacing. The proposed highway intersects the Valley Pike at Strasburg, running through Port Royal, Linden, Markham, Marshall, The Plains, and through Thoroughfare Gap to Gainesville. It crosses the Blue Ridge through Manassas Gap and will be the shortest route from Washington to the Shenandoah

NOKESVILLE CLUB HOST TO KIWANIS

The 4-H Club, of Nokesville, under the competent leadership of Miss Sarah Pitts, home demonstrator, was host to the Kiwanis Club on Friday evening at the old school house.

The leading event was, of course, the excellent dinner, prepared and served by the girls.

A brief talk by Franklin Kean, international Kiwanis official, was greatly enjoyed. Mr. Kean spent the day in town, and attended the directors' meeting also.

After the meal, the girls put on several stunts. The cutest of these was a duet by Elizabeth Allen and Hazel Cornwell. Miss Cornwell also recited a poem of welcome which was original. A whistling duet was staged by Hazel Cornwell and Mildred Wood. The club joined in a roundelay.

Ed Conner stirred up his program appreciably by introducing Bill Cooke, town manager, and a map showing the possibilities of location of the newly-elected federal aid road through Maryland and Virginia.

The last feature on the list was a negro dialect monologue by Mrs. Charles Martin. This was heartily enjoyed.

LOUIS FENTON HOUGH

Dr. Louis Fenton Hough, prominent dentist and beloved citizen of Manassas, died in the Warrenton Hospital last Friday after an illness of considerable duration. He was born March 27, 1867, at Waterford, Va., coming to Manassas to practice his profession about twenty years ago. He previously practiced at Middleburg and Hamilton and many of his friends continued through the years to come all the way to Manassas for his professional services, which were held in the highest esteem everywhere.

Dr. Hough is survived by his widow, who was Miss Nancy Gore, and by two daughters, Lee Chalmers, who married Benj. L. Jacobson and lives in Manila, and Marjorie Gore, who married T. E. Dillake and lives in Manassas. Several nieces and nephews also survive.

A brother, Edgar Hough, lives at Tenafly, N. J., and there are three sisters, Mrs. Rosa Beams and Mrs. Lizzie James, of Waterford, and Mrs. Carrie Dodd, of Atlantic, Mass.

Dr. Hough was a graduate of the Academy of Dental Surgery, of Baltimore, and his devotion to his profession as one of his outstanding characteristics. He was a Mason and a member of the Shrine, and also of the Order of Fraternal Americans.

The funeral was held at the home on Sunday, June 25, at 10 a.m., and interment was at Lake View Cemetery in Hamilton.

WANT SPECIAL SESSION

On Tuesday evening, William H. Leachman, president of the Young Democrats, wired Governor Pollard in the name of the Young Democrats of Prince William, to immediately call a special session of the legislature. Delegate Herring has already stated that he is also in favor of this movement.

I.O.O.F. AT DUMFRIES

A delegation from Highland Lodge No. 252, I.O.O.F., journeyed to the historic old town of Dumfries with a candidate for degree work by the team of R. E. Lee No. 221 of that community. This team is recognized as one of the best in the State, regardless of the size of the lodge.

CASH RESOURCES OF LOCAL BANKS TO BE CONSERVED

Directors of Both Manassas Banks Withhold July 1 Dividends to Strengthen Cash Reserve.

Although both Manassas banks will be widely adopted by the strongest banks. It has been pointed out that the withholding of payment of dividends by banks on July 1 does not indicate weakness of the banks but merely a question of administrative policy of conserving cash assets.

In fact, as a matter of newspaper opinion, the banks that make a big show of earnings for its stockholders during such a period of well-known economic depression, are not so likely to merit public confidence as those that are willing to face possible criticism of stockholders in order to be truly conservative in the matter of providing absolute guarantee of deposits.

The banks of Manassas are The Peoples National Bank and The National Bank. Both are recognized as strong institutions and this was evidenced at the time of the recent banking holiday, ordered by President Roosevelt, by the fact that our two banks opened up along with all banks of their classification in Virginia on a 100% basis.

The conservative policies of our local banks have long been in evidence and have prevented them from doing business along lines which brought so many banks throughout the country into the hands of government conservators. In spirit our local bank officials have always been "conservators" of their depositors' money. Their first concern all along has been absolute safety for their depositors, and the passing of the July 1 dividends is but another indication of their willingness to sacrifice immediate personal profits whenever it will promote the welfare of their depositors. The action of the two Manassas banks is in line with the suggestion from the office of the Comptroller of Currency, addressed to all National Banks that dividends be reduced or deferred for the time being.

State banks, as well as national, will have the opportunity to give their depositors protection of insured deposits and it is expected that the withholding of dividend payments during this period of banking conservatism

MILDRED ETHEL AKERS

Mrs. Mildred Ethel Akers, 77 years old, a lifelong resident of Prince William County, died at 3 o'clock Friday afternoon, June 23, at the home of her son, W. R. Akers, on Centre street, Manassas.

Mrs. Akers had been in failing health for over a year but was not confined to her bed until a few days before her death.

Mrs. Akers was born at Woodbine, April 15, 1856, and was the daughter of Levi and Adeline Wilkins Lynn. Because of sterling qualities and strong religious faith she was held in high esteem by many friends. This was attested by kind attention during her illness and the beautiful floral gifts following her death. She was a home lover, a devoted wife and mother.

On June 13, 1880, Mildred Ethel Lynn was united in marriage to George F. Akers who preceded her to the grave twenty-five years ago.

Mrs. Akers is survived by four daughters, Mrs. William H. Gulick, Savannah, Ga.; Mrs. D. B. Muddiman, Alexandria, Va.; Mrs. W. Ashby Glascock, Washington, D. C., and Mrs. Carl Lynn, Occoquan, Va., and by three sons, Walter R., Manassas; Howard O., Washington, and Paul L., Lewisburg, W. Va. She also leaves thirteen grandchildren and two great-grandchildren.

Funeral services were conducted at the Primitive Baptist church of which she had been a faithful member for thirty-six years, at 3 o'clock Sunday afternoon. Interment was made in the Manassas cemetery beside her late husband.

The following were pallbearers and were chosen by Mrs. Akers over a year ago: G. G. Allen, W. S. Athey, R. L. Byrd, J. J. Murphy, J. E. Nelson and J. J. Payne.

ATTEND MEETING OF VIRGINIA BANKERS ASSN

Among those who attended the State meeting of the Virginia Bankers Association at Hot Springs, Va., last week were Messrs. G. Raymond Ratcliffe, Harry Davis, H. Ewing Wall and C. C. Cloe.

DR. GOODWIN OF SUFFOLK ADDRESSES THE W.C.T.U.

The June meeting of the W.C.T.U. held at the home of Mrs. C. J. Meetez was one of unusual interest because of the fine address of Dr. H. J. Goodwin of Suffolk, Va., who is at this time conducting revival services at the Baptist church in Manassas.

Dr. Goodwin is a firm supporter of the Prohibition law, having become affiliated with the temperance cause at the age of nine years, and is willing, if needs be, to stand alone in the defense of the 18th Amendment. Publicity, education and prayer are needed to keep our nation free from the evils that threaten it. The speaker urged the members of the organization to keep informed as to facts about Prohibition that they may refute the false propaganda of the wet forces.

Rev. C. P. Ryland also addressed the meeting, assuring the W.C.T.U. of this interest and support.

The July meeting will be held at the home of Mrs. R. L. Sadt.

YOUNG MANASSAS FOLKS GRADUATE AT BRIDGEWATER

At the fifty-third annual commencement of Bridgewater College which was celebrated recently, Misses Anna Elizabeth Blough and Rilla Virginia Holler were included in the group of thirty-nine young people who received degrees. Both of these young ladies are graduates of the Manassas High School.

Miss Blough is the daughter of Rev. and Mrs. E. E. Blough of Manassas. Her major academic interests were chemistry and mathematics, but she found time for active participation in the Y. W. C. A., Virginia Lee Literary Society and the Gama Gama Club. During her junior and senior years she was student assistant in chemistry.

Miss Holler is the daughter of Mr. and Mrs. O. O. Holler of Manassas. She majored in English. Her sister, Miss Treva Holler, was one of the honor graduates of the class of 1932, and her brother, Mr. Orville O. Holler, has completed his sophomore year in college.

COMMENTS BYRD

Senator Harry F. Byrd has received the following letter from Hon. James A. Farley, Chairman of the Democratic National Committee, thanking him for his aid to the President during the last session of Congress:

"I want you to know that I greatly appreciate the support you gave the Administration program during the session just closed. I feel certain the people of the country generally realize that more beneficial legislation was passed at this session of Congress than ever before in the nation's history."

"For the part you played in these remarkable accomplishments, I want you to know that I am personally grateful."

"With best wishes, I am
Sincerely,
James A. Farley,
Chairman."

MACKS TAKE ON EAGLES SUNDAY

Replay Game Which They Were Winning 4-0 Last Sunday When Rain Fell.

After polishing their plumes and growing a few new pin feathers, the Alexandria Eagles will come back again this Sunday to make another attack upon the dead-shooting and accurate artillerymen of the local baseball outfit, the Macks. And, by the way, some of those pin feathers may turn out to be quills loaded with several new pea shooters, if reports which drift in by the grapevine telegraph can be trusted. After the beating which the Eagles absorbed during the three innings which were played last Sunday, the idea might not be a bad one.

Not to be outdone, the Macks' "board of strategy" may be counted on to show a couple of new faces among their clan. Two fighting Irish lads are expected to make their debut this Sunday as members of the Manassas Maulers, who employ oversized toothpicks and peas from Jack the Giant Killer's garden to subdue the enemy.

The Macks certainly had Bradley, the Eagle pitcher, ready for the show last Sunday in that third inning. They had just added two runs to their run total and were in a good position to get one or two more when the showers, which had been calling Bradley for two innings, suddenly reached out and took pitcher, ball game, and all. During this time the Macks had piled up four runs all told. The two runs in the second inning were accounted for by "Nero" Bradshaw and "Max" Collins, when each poled a healthy home run to the far confines of the field. And, all this time Bass Polen had allowed the Eagles one measly single.

For those who feel they wish a return on their contribution towards helping finance the team, they may return their numbered stub or ticket and get their refund.

This team is not being operated for a profit, but to furnish those that like a good, clean game of ball an opportunity to witness the same. It is going to be operated only on the plane of high sportsmanship or not at all.

There will be a man at the gate July 2 to redeem your stubs or tickets for last game or call on Mr. O. V. Cline, Central Lunch, and he will refund your money with a smile. We issue no rain checks but will at any time refund your money even though the cause be unavoidable. We fill our contracts with visiting teams to the letter.

QUARTERLY MILK PRODUCERS MEETING AT MANASSAS

A meeting of dairymen, farmers and others interested in dairymen will be held at the Manassas Town Hall on Friday evening, July 14, at 8 o'clock.

Meetings of the producers are held quarterly, two being held at Manassas and two at Nokesville.

HAYMARKET BOY RECEIVES DEGREE

Henry Gordan Herrell, son of Mr. and Mrs. Henry S. Herrell of Haymarket, received the degree of Bachelor of Commercial Science from the Benjamin Franklin University at the commencement exercises on June 17 at the Mayflower Hotel, Washington, D. C.

Mr. Herrell distinguished himself several years ago when he graduated from the National University with the degree of Bachelor of Laws and passed the District of Columbia Bar Examination at the age of nineteen. So far as is known he is the youngest contestant to have successfully passed this examination, although he was not admitted to practice until he became twenty-one years of age.

Because of his previous attainments, he was able to complete the three-year course at Benjamin Franklin University in two years. Mr. Herrell explains that this training in business administration, applied economics and reorganization is supplementary to his legal training and equips him to advise his clients more intelligently in effecting the adjustment in their organizations necessitated by the present economic conditions.

"The Great Jasper" provides Dix
with a new type of role—a character
study requiring great artistry to in-
terpret, and it is said that this scrap-
py two-fister gives his greatest per-
formance as Jasper of the wicked
wink and open heart.

Fulton Oursler's novel, a best seller,
provided the story, which was
adapted for the screen by H. W.
Hanemann and Robert Tasker. The
action starts in a small town along
the eastern seaboard. The time is
1905, and Jasper is driving a horse
car for the last time. Tomorrow the
horse will be replaced by the new
electric trolley.

This change brings about a strike
which Jasper, through Jenny's courage,
settles. Promotion follows and
with it Jasper's greatest heart con-
quest—Norma McGowd, beautiful
young wife of the old man who is his
benefactor.

McGowd's dream is for a child, and
when one is born he little dreams it
is Jasper's. Years later, when Mc-
Gowd learns the truth, he drives Jasper
from town.

An Atlantic City Jasper pursues his
merry, loving ways and becomes the
renowned "Great Jasper"—a seer who
knows all and tells all about love "For
Women Only."

His career is followed up to the
present time and includes the romance
of his two sons—Jenny's boy stern
like her, Norma's a genuine chip off
the old block.

Wera Engels, young and beautiful
German actress recently imported by
Radio, plays Mrs. McGowd, whose af-
fair with Jasper is resumed after her
husband's death. Edna May Oliver
portrays an amusing fortune teller.
Florence Eldridge is Jasper's wife,
and his two sons are enacted by
Bruce Cabot and James Bush. The
girl they both love and whom one of
them dazes in the true style of his
dad, is played by Betty Furness.

J. Walter Ruben directed "The
Great Jasper," for which Kenneth
Macgowan acted as associate pro-
ducer.

HOUSE BURNED
AT NOKESVILLE

A near tragedy occurred on the
farm of Town Sergeant Herring Sun-
day morning last when his house was
totally destroyed and most of the con-
tents.

George Bell, the occupant, had just
made the fire when he observed cattle
in the corn field. While he rushed out
to drive them off, fire spread in some
manner so that the entire kitchen was
ablaze when he returned. He rescued
his wife and children with considerable
difficulty.

Mr. Herring had recently put the
place in an excellent state of repair
but had allowed his insurance to
lapse, thus causing a total loss, which
amounts to several thousand dollars.

Mr. Bell has since moved his fam-
ily to his father's place.

"OUR BETTERS" COMES TO
DIXIE NEXT WEDNESDAY

The films have done extraordinarily
well by Somerset Maugham in the
transcription of "Our Betters" to the
screen. From the point of view of
acting, direction and adaptation it
would be difficult to imagine a more
neatly contrived production.

It offers, moreover, an opportunity
for Constance Bennett to display the
feline attributes which Mr. Maugham
has so carefully incorporated in the
character of the American parvenue
who twits the London smart set, and
Miss Bennett engages herself to this
task with fluent ease. Underneath
her purposely saccharine mantle there
is a brittle acidity which makes her
characterization keen and provocative,
and nowhere in the recollection of this
reviewer has she found so congenial
a role.

NEWS FROM THE JUNIORS

With no definite announcement yet
made, the annual picnic of the Juniors
will probably be held in the vicinity
of Nokesville about the first of Au-
gust. The date is somewhat contin-
gent upon the installation of the new
Prince William Council of the Daugh-
ters of America, now in process of
organization.

The Bull Run Juniors have put a
new wrinkle in their meetings. At the
conclusion of the first meeting night
in June, Mrs. J. H. Boley furnished
refreshments for the Council while at
the last meeting, Mrs. Pence and Mrs.
Roy Whitmore stuffed the boys full
of goodies. Needless to add that at-
tendance is expected to pick up.

The drive for new members in Bull
Run Council is expected to net at
least two new members, one name al-
ready being before the council.

Announcement has just been made
through the State Secretary's office
of a new class of benefits, an inter-
mediate class paying a less death
benefit but with smaller assessments,
the assessments being increased in
the present classes. Councils must
act on this matter after July 1.

HAYMARKET

A very pretty and interesting moving picture was shown at the Parish Hall on Tuesday evening by Mr. Heineken Peters, the production being pictures taken by him at various points. Of particular interest and attraction were the familiar local scenes, showing people walking around the village, the school children and buses, ball games, the grange tournament of last summer, the congregation leaving St. Paul's church after a Sunday morning service, people leaving the postoffice with their mail, and various other scenes of our village life. Mr. Heineken is to be congratulated upon the success of his film, which no doubt entailed a good deal of work and expense.

The Rev. Thom Williamson of Paw-tucket, R. H. is visiting his sisters, Mrs. Carval Hall and the Misses Wil-

liamson at "Shirley" and will preach at St. Paul's church on Sunday morning.

Mr. and Mrs. R. A. Todd of Staunton spent the week end with Mr. Todd's sister, Mrs. A. R. G. Bass.

Mrs. J. D. Garrett of Falls Church is spending some time with her son and daughter-in-law, Mr. and Mrs. J. William Garrett.

Mr. and Mrs. Thomas E. Garnett of Alexandria with their little son, Tommie, and twin daughters, Joan and Jean, spent Sunday with their aunt, Mrs. J. Edward Jordan.

Colonel and Mrs. William Yates were guests last week of the Misses McGill at their home "Loingill."

Mr. and Mrs. J. G. Low of Baltimore and Mr. J. H. Telford of Bronxville, N. Y., were recent guests of Mrs. Sue B. Low.

Miss Mildred Ewell, assisted by her sisters, the Misses Ewell, entertained at a delightful tea last Saturday afternoon in honor of her house guests,

Mrs. Lucy M. Lee and Miss Rebecca Lee of Charlottesville, Miss Editha Wise of Lynchburg and Miss Helen Wise of Salisbury, Md. Dainty refreshments were served in the dining room, after which a tour of the lovely grounds and gardens was a most enjoyable event of the afternoon. Notable among the many flowers and shrubs were the numbers of boxwood bushes, which the Misses Ewell so successfully cultivate. The guests included Mr. and Mrs. Bailey Tyler, Mrs. John D. Piercy and her guest, Deaconess Thompson, Mr. and Mrs. Winston L. Carter, Miss Douglas, 7.

Mrs. Grayson Tyler and her nephew, George Grayson Tyler, of New York, Miss Lucy Buckner and Miss Mary Buckner, Mrs. Brownie B. Tulloss, Miss Adaline Tyler, Rev. W. F. Carpenter, Mrs. Thomas M. Browne and little Jane Meade Browne.

CARD OF THANKS

We wish to thank our friends and relatives for their loving kindness in the illness and death of Mrs. M. E. Akers, and for the floral tributes and use of cars.

By Her Children.

F.O.B. FLINT, MICH.

With such a car at such a price, why deny yourself these important features that have made Chevrolet the world's most popular car:

Talk about smartness — here's the last word in really eye-stopping lines. Look at that big two-door sedan illustrated above. Those aer-stream lines, deep-skirted fenders and beaver-tail back are to be found in no other lowest-priced car. Talk about luxury — the same model has No Draft Ventilation, safety plate glass windshield, real mohair upholstery, an adjustable sun visor, and a movable driver's seat. And it is Chevrolet alone who offers them at that price. When it comes to

economy and dependability — well, over the months and miles you'll spend less for gas and oil, and less for servicing than you'll spend with any other car. And remember, all these great features are wrapped up in the lowest-priced five-passenger six-cylinder two-door sedan you can buy. It doesn't cost much to join the swing to Chevrolet! But it will make all the difference in the world in the pleasure you get from motoring.

CHRIST FOR ALL—ALL FOR CHRIST

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a precious heritage to them in after years.

Not that I speak in respect of want: for I have learned, in whatsoever state I am, therewith to be content.—Philippians 4:11.

DOCTOR HOUGH

With regret we record the death of a good friend and highly-beloved citizen of this community. Dr. L. F. Hough, who passed away last Friday, had a wide circle of friends. He was absolutely devoted to his profession, but found time always to be friendly with all with whom he came in contact. His passing will be deeply regretted.

The Journal joins the community in extending deepest sympathy to his bereaved family.

AFTER THE WHIRLWIND

With all Virginia in an uproar and the probable breakdown of the state school system as the latest result in retrenchments, the powers that flouted Worth Smith's proposal for a special session to promote the New Deal in Virginia last March are beginning to tremble at the knees and the white flag is being hoisted by almost everyone except Governor Pollard, the 1933 "Horatius at the bridge."

Smith will probably get little credit for the effort he made early in the spring. The bandwagon movement is on. Here are three statements to bear it out.

(Quoting from The Richmond Times-Dispatch):

"United States Senator Harry Flood Byrd, political leader of the State, let it be known that he wouldn't place any obstacle in the way of a beer session despite his vote in the Senate against 3.2 beer."

"George C. Peery, candidate for Governor, announced he favors emergency legislation for the sale of beer if the General Assembly is convened in special session."

"At the beginning of his campaign Mr. Peery declared for repeal of the Eighteenth Amendment, and added he would not veto modification of the Layman act, if decreed by the legislature. His two opponents, Senator W. Worth Smith and former Congressman Joseph T. Deal, have consistently urged legalization of beer and a special session."

"Senator Tuck's telegram to members of the General Assembly follows:

"Will you join me in requesting the Governor to call a short special session to consider: (a) legalizing beer; (b) calling repeal convention; (c) and such other matters relating to the Federal public works program as may be recommended by Governor?" Answer Richmond Hotel."

NEW WEATHER PREDICTION

A young California scientist 27 years of age, has brought out a new method of weather prediction for which claims of much greater accuracy are made. The system is said to be based upon "the Norwegian system of air mass analysis." Prince William County folks would like to have some scientist tell us what "air mass analysis" means and we certainly would welcome a system of weather prediction which would hit the mark more frequently.

LYNN-BAKER

The marriage of Miss Aileen Baker, daughter of Mr. and Mrs. H. P. Baker of Columbia, Va., to Mr. Frederick M. Lynn, son of Mr. and Mrs. W. S. Lynn of Occoquan was solemnized at the home of the bride's parents on Saturday evening, June 17, at 6:30 o'clock. The ceremony was performed before a beautiful altar of evergreens and candles in the presence of the immediate families. The Rev. A. C. Muller, pastor of St. John's Episcopal church of Columbia, officiated.

SMITH-WRIGHT

A very beautiful formal wedding of interest to Manassas young people took place June 17 at 7:30 p.m. at the Memorial United Presbyterian church when Miss Genevieve Grace Wright of Chevy Chase became the bride of Mr. Claude Harmon Smith, son of Mr. and Mrs. James Wilbur Smith of Manassas.

The bride was attended by Miss Elgar Jones of Olney, Md., and Mr. Maurice Smith attended his brother.

A delightful reception was given the young couple at the bride's home following the ceremony and a number of pre-nuptial parties were arranged for the young couple.

The Journal wishes Mr. and Mrs. Claude Harmon Smith many years of happiness and prosperity.

AKERS-DUFFY

The rectory of St. Gabriel's church was the scene of a charming wedding on Friday morning at 10 o'clock, when Miss Helen Celeste Duffy of Washington became the bride of Mr. Benjamin Akers, formerly of Gainesville but now of Washington. Father Sweeney officiated.

The bride wore an attractive ensemble in white and carried white roses with lilies-of-the-valley. Mrs. Ruth Forman, her only attendant, was attired in pink with brown accessories, and carried tea roses. John Duffy, brother of the bride, was best man.

Following the wedding ceremony, a reception was held at the Dodge Hotel.

Mr. and Mrs. Akers left by motor for Florida. From there they expect to visit in Cuba. Mrs. Akers chose as her traveling costume a blue and white crepe ensemble with accessories to match. Upon their return they will make their home at the Clifton Terrace Apartments in Washington.

Mrs. Akers is a graduate nurse of Providence Hospital. Mr. Akers is employed as manager for the Sanitary Grocery Company.

The bride was entertained at many showers at which she was the recipient of many beautiful and useful gifts.

There were many friends and relatives present. Among the out-of-town guests were Miss Anita Shumate of Haymarket, Dr. and Mrs. Delmar Saffer of Middleburg, Mr. and Mrs. Shields and the Misses Shields of Maryland and Mr. C. H. Akers of Gainesville.

The bride was attired in a lovely ensemble of dark blue georgette crepe with accessories to match. She was escorted to the altar by her father, who gave her in marriage.

Immediately after the ceremony a wedding supper was served, after which the bridal couple left for a trip by motor through the Valley of Virginia.

Mrs. Lynn is a graduate of William and Mary College and has taught four years in the Occoquan High School.

Mr. Lynn is associated in the mercantile business with his father at Occoquan and is also a member of the county school board. The couple will make their home in Occoquan.

CHEESE DEMONSTRATION AT HAYMARKET

Mr. H. L. Wilson from the Dairy Industry Bureau of the U. S. Department of Agriculture will give a demonstration on the making of American Cheese in the home at the Grange Hall, Haymarket, on Friday, July 7. The meeting will begin at 10 a.m. and continue until 2:30 or 3 o'clock, with an intermission for lunch.

The making of cheese at home is a profitable and not too burdensome enterprise where fresh milk is available in from 3 to 6 gallon lots. Little equipment is needed and that is usually available in the farm home.

The cheese making program is being sponsored by the Bull Run Grange to which all women of Prince William County who are interested in cheese making are invited.

"CORNERED" IS BRIMFUL OF SCREEN NOTABLES

"Cornered," Tim McCoy's latest Columbia "Western," which opens next Friday, July 7, at the Dixie Theatre, not only gets right in under your skin because of its unusually exciting, two-fisted entertainment, with a theme that is dear to everyone's heart—friendship—but its cast is brimful of screen notables—an aggregation such as has never been before seen in any one picture of its kind. Beautiful Shirley Grey is the heroine, but in this picture she is not Tim's sweetheart.

Besides McCoy and Miss Grey, there are Noah Beery, one of the screen's most famous villains, in a part that gives his particular talents fullest latitude, Raymond Hatton, familiar and popular comedian, and Niles Welch, who has played opposite numerous of screenom's best-loved stars.

"Cornered" is about a Wyoming sheriff, Tim Laramie, whose life has been saved by a ranch foreman, Moody Pearson. Subsequently, Moody is tried and found guilty on circumstantial evidence of the murder of Rancher Dan Herrick, with whom Moody has had a quarrel over his intention to marry Herrick's daughter, Jane. Sheriff Laramie has found evidence of Moody's innocence and is torn between the conflicting emotions of friendship and duty. The sheriff's prisoner escapes. He is disgraced and loses his job. He sets out for another town where he finds Moody Pearson, who has joined up with a fiendish gang of outlaws, headed by one Red Slavens. Tim and Moody feign enmity, but in reality work together. Jane also is in the same town, but she is unaware of Moody's whereabouts.

Tim Laramie gets all the proof he

needs to clear his pal's name, but he wants to capture not only the actual murderer of Dan Herrick, who is Red Slavens, but to wipe out the whole of the Slavens gang, which has had the territory buffaloeed for a long time. Both ends are attained in a most spectacular way. Of course, Moody clears his name and marries Jane.

NOTICE

In spite of the fact that we have distinctly published that cards of thanks must be paid for, we continually get them from good folks who think they should run free.

These sorts of notices are personal purely and must be paid for, just as in the case of a classified advertisement.

There are several cards of thanks which we have accepted recently and billed out of the usual minimum, which is fifty cents. If payment is not made more promptly for these notices, we shall be obliged to refuse them hereafter except when accompanied by cash.

CATHARPIN

We acknowledge receipt of a much needed rain on Sunday afternoon but regret that it was one of the rain, tearin' kind accompanied by a great deal of thunder and lightning which vented its "spleen" on a horse and cow belonging to Willie Beaumont, killing them forthwith without either apology or explanation; otherwise, growing crops and gardens were greatly benefitted.

Children's Day at Sudley passed off as it always does with the appreciation of all in attendance. The house was crowded, decorations handsome, weather warm, children well drilled and collection fine; in fact everything just 'as you like it' except a trifle warm. The school is in excellent shape and doing good work.

Mrs. Mary Pattie Briggs and little daughter, Patricia, are at Bell Farm for a few days visiting their parents, Mr. and Mrs. L. J. Pattie. Mr. Briggs has been confined at the Naval Hospital, Washington, for several weeks due to a nasal operation from which he is rapidly recovering.

Mrs. T. O. Latham of Snow Hill with her sons, Hamilton and Carroll, and her daughter, Marguerite, attended Children's Day exercises at Sudley on Sunday.

Mr. Walter L. Sanders, Jr., who is now located in Washington, spent the week end with his parents at Mt. Pleasant.

Dr. Joseph Sanford and nephew of Clifton were Lone Oak visitors for a few days last week.

Mr. Laws Spencer and his two threshing machines are making things lively in the wheat fields just now and in the orchard grass fields as well. The wheat crop is somewhat disappointing but the advance in prices may more than even things up. The general morale among the farmers is much better than it was last year and all are ready with open arms to welcome prosperity as soon as he can get here.

Mrs. Cloe Keller and Mrs. Eliza White of Washington, daughters of Mr. and Mrs. R. L. Anderson of Catharpin were home visitors over Sunday and attended Children's Day at Sudley.

Mr. and Mrs. L. K. Lynn of Manassas and Mr. L. K. Lynn, Jr., of Takoma Park, Md., were Sunday guests of friends and relatives in the Sudley neighborhood on Sunday and as usual took in the Children's Day program along with the rest of us. They are

Little Billy Thomas of Ft. Myer Heights is visiting his grandfather, Mr. G. W. Shirley, at "Oakshade."

Mr. and Mrs. John Hill and Betty Jane of Connecticut were guests of Mrs. Tom Smith the first of the week.

Mrs. Charles Barnes of Washington is visiting her parents, Mr. and Mrs. R. R. Smith.

Mr. A. K. Guilford of Staten Island, N. Y., was an "Oakshade" visitor on Saturday.

Messrs. Charles Barnes of Washington and Robert Smith of Falls Church were Sunday guests at "Hagley."

Mr. Irvin Gosson of Washington was a visitor on Sunday at his home here.

Mr. and Mrs. Frank Hogshead of Washington are guests at the home of Miss Flora Smith.

We note the comment in the last issue of "the Journal" that our friends below "the Carolina" lead the way! Make it snappy. Catharpin, we're crowding on your heels. Come up and take a look at our "boulevard." We note, too, that Dr. Balthis is to preach at Sudley on July 2. We were profoundly impressed by the one and only time we ever heard Dr. Balthis. It was at the funeral of Miss Martha Burgess at The Plains about 25 years ago, and he preached from that age-old question of Jobs, "If a man die, shall he live again?" The power and the beauty of his sermon has remained with us through the years.

always welcome back home. Miss Virgie McCuin of Gainesville spent last week with her sister and brother-in-law, Mr. and Mrs. William Corder of Washington, D. C.

Mrs. William Corder spent Saturday at the home of Mr. and Mrs. E. M. McCuin.

Don't forget the quarterly conference and its needs, which conference will be held at the parsonage at 10 a.m. Saturday and preaching on Sunday at Sudley by the elder, Dr. Wells. Our pencil slipped last week and announced Dr. Balthis which of course was a mistake but shows the "power of habit."

IT'S HIGH TIME FOR GASOLINE ADVERTISING TO COME DOWN TO EARTH

THE STANDARD OIL COMPANY OF NEW JERSEY, as leader of the industry, is helping to bring it down—to put gasoline advertising on a sensible basis. You cannot clothe yourself—or buy food for yourself—or run a car—on exaggerated advertising claims or misleading ratings of gasoline efficiency. But, if you believe the nonsense that seems to be the fashion in today's gasoline advertising, you can surely let yourself in for disappointment—and waste your money. We guarantee smoother performance. And remember, this guarantee comes from the Standard Oil Company of New Jersey, the world's largest oil organization. From a company which has

pioneered in new developments and is fully aware of the importance of such a guarantee from a company which is the industry's recognized leader. This company stands squarely back of Essolene as a great advance over gasoline—a new goal for all gasolines to attain. We urge you to try it once—when your tank is cleared of other fuels. Do this—judge Essolene for yourself with no exaggerated claims and descriptions to confuse you, and we will rest our case on your decision. Essolene is sold at all Esso Stations and Dealers from Maine to Louisiana.

ITALIAN AIR SQUADRON TO USE STANDARD PRODUCTS

It is difficult to appreciate the tremendous amount of preparatory work which was undertaken by the Italian Air Ministry in preparing for its gigantic squadron flight of 24 seaplanes from Rome to Chicago. Not since the world flight of the U. S. Army Air Corps in 1924 has there been so great a project undertaken by any aviation organization, and the thoroughness which has characterized General Balbo's plane has required over a year's time.

The problems involved in planning for the flight of a single airplane over remote parts of the earth are trying enough, but these were multiplied many fold when it was decided that a fleet of 24 seaplanes, each carrying a crew of four men, were to make the flight in formation.

In addition to the work done in Italy in preparing and testing for physical equipment for the flight, it was necessary to organize the facilities for servicing, maintenance, repairs, meteorological data, and not the least, for taking care of the physical wants of the 96 members of the expedition. One interesting angle of the field organization which has to do directly with American enterprise was the problem of arranging for supplies of a suitable fuel. Unlike some other nations, Italy has no petroleum pro-

duction and hence must go abroad for the necessary fuel supplies. Before deciding on any particular brand of fuel, a series of severe tests, running over a period of some months, were taken, using the specially built Isotta Fraschini engines which power the large twin-engined Savoia Marchetti seaplanes selected for the flight. An American fuel, Stanavo Aviation Gasoline, was the one finally chosen, not only because of its satisfactory performance, but also it is marketed by an organization with distribution facilities to take care of servicing the fleet of seaplanes at the remote points in Iceland, Greenland and Labrador along the route of the flight.

As soon as the official fuel for the night was decided upon, the Stanavo Specification Board, through its headquarters in New York, took immediate steps to organize and coordinate all necessary arrangements for adequately servicing the Squadron at each port of call. The plans of the Air Ministry allowed a maximum time of six hours for refueling the entire fleet at each point—little enough in view of the uncertain factors such as weather, wind, and tide involved in the safe mooring of each seaplane. Special anchors, buoys, mooring lines, emergency repair material and tools had to be provided, and transportation of supplies from shore to seaplane arranged for, as well as precautionary measures to avoid all possibility of

static electricity and fire hazard in handling the inflammatory supplies.

All this involved no great difficulty at the first steps to be made at Amsterdam and Londonderry, beyond providing for additional servicing equipment. At the next three steps on the itinerary, however—in Iceland, Greenland, and Labrador—more unusual preparations were called for. The servicing facilities in these isolated places were of the most antiquated type, and it was necessary to arrange to ship to each point, in addition to the actual supplies, all the equipment required for handling the fuel and servicing the fleet of seaplanes, including fire extinguishing apparatus.

CIRCUIT COURT CONCLUDES

The principal matter completed since last week were the cases of William Lindsay and Lewis Edwards for assault. (R. C. Linton, foreman of jury). These two engaged in a row some two months ago.

Edwards was given a prison sentence of two and a half years while Lindsay got off with thirty days. Lindsay was discharged as he had actually served more time than his sentence called for.

THREE LOVES WOVEN IN FOX "CAVALCADE"

In "Cavalcade" which Fox Film Corporation brings to the screen of the Dixie Theatre next Monday, Noel Coward has woven three romances into the pattern of his tapestry record of the march of the generation.

The first romance is one between husband and wife, a rather unique departure in these days when marital infidelities supply the theme for so many dramas. It is this romance of the Marryots enduring through the trials and vicissitudes of the chaotic past thirty years that is said to add much power and strength to "Cavalcade."

The second romance starts with a boy and girl affair between the older Marryot son and Edith, the daughter of Mrs. Marryot's friend. It culminates in a happy honeymoon, fated for a tragic termination when the Titanic, on which they are passengers, goes down in mid-Atlantic.

The third is a modern-day sort of affair between young Joe Marryot, proud and handsome in his officer's uniform, and Fanny Bridges, a dancer who is the toast of London, but whose parents formerly were servants of the Marryots. Their affair persists throughout the war years, Fanny steadfastly refusing to marry Joe or discuss the matter until peace is declared. Despite his protests she is skeptical of the attitude of his family toward their marriage.

"FORBIDDEN TRAIL" IS THRILL-PACKED DRAMA

"Forbidden Trail" is in reality a thrill-packed road of romance and adventure. The picture, due tomorrow at the Dixie Theatre, is the latest Buck Jones—Columbia contribution of split-second outdoor action stories and features such popular players as Barbara Weeks, Mary Carr, of "Over the Hill" fame, and Jack La Rue in important supporting roles in the cast.

Buck steps a little out of his usual grim-visaged character in "Forbidden Trail" and plays a happy-go-lucky, never-a-thought-to-tomorrow cowboy who, with the almost human assistance of his magnificent white stallion, Silver, practically single-handed whips a band of land and cattle thieves into submission.
