

U. D. C. MEETING AT WATERFALL

One of the most enjoyable annual meetings of the Eighth Virginia Regiment Chapter, U. D. C., takes place in July at Waterfall, or in its neighborhood. This last time it was held at Oak Shade, the hospitable home of Miss Margaret Shirley, and will long be one of the things remembered with pleasure.

The chapter was well represented. Our president, Miss Lucy Fontaine Buckley, presided, and all members who could attend were there. The chief subject under discussion was the proposed monument at Appomattox, and a vote against it was cast. This matter disposed of, all were glad to surrender themselves to the pleasure which reigned at Oak Shade. Miss Shirley knows how to make home attractive. Her sister, Mrs. Henry Thomas, who cannot often attend the meetings, was there with her children; also Mrs. William Wise, a member of the Leesburg Chapter, and her granddaughter, Miss Sylvia MacNeil. Other visitors included Mrs. Lanier Buckley and Mrs. DeWitt.

A most interesting relic of the War Between the States was presented through Mrs. Robert Conner; a billfold, in a wonderfully good state of preservation.

The beautiful decorations of wild flowers, Black-eyed Susans, and other favorites were admired by all, and delicious refreshments were served. The children played out of doors under the shade of the giant oaks, and thoroughly enjoyed it.

The next meeting will be held on Thursday, August 3, at Edge Hill, home of the Misses Ewell.

BULL RUN FIELD DAY AT HAYMARKET AUGUST 11

Coronation Ball to Follow in Evening.

The annual Bull Run Grange field day and tournament will be held at Haymarket, Friday, August 11. Many are entering the riding tournament which will be the main attraction of the day. The charge to the Knights will be given by Harry Davies, Manassas attorney, while Senator John Rust will officiate at the coronation ceremonies.

A top piece orchestra from Washington has been engaged by the Grange to furnish music during the day and for the coronation ball at the Haymarket Masonic Hall on Friday evening following the tournament.

Competitive events including two baseball games, horseshoe pitching and other contests, in addition to the jousting, will draw the usual large attendance of the annual grange field days from early in the forenoon throughout the day.

MRS. H. FREEMAN BUTTON

Mrs. H. Freeman Button, a former resident of Manassas, died July 15 at a hospital in Kingston, N. Y., where she was taken when she became ill while visiting the summer home of her daughter, Mrs. Charles A. Ryder, of Jamaica, N. Y. She lived in Manassas during the time her husband was the teacher of agriculture in the Manassas High School, and since then had frequently visited friends here. While living here she organized the Good Housekeeping club. She had been in poor health for a number of years, and her death was caused by a complication of diseases. She was buried in Ganastota, N. Y.

In addition to her husband and daughter, she is survived by another daughter, Mrs. M. G. Lewis of Salem, Va., and two sons, Mr. H. Burr Button, of Rosedale, N. Y., and Mr. Romaine Button, of South River, N. J.

OCCOQUAN BEATS MANASSAS

The local Stonewall A. C. team went down to defeat last Sunday by a score of 14 to 5 in favor of Occoquan.

Hon. E. R. Conner,
Manassas, Va.

Dear Mr. Conner:

In order to bring about the fullest possible co-operation between our corporation and the present holders of mortgages on Virginia homes, we have decided to appoint in each County and City an "Honorary Advisory Committee."

This Committee, composed of citizens of highest standing, will not have anything whatever to do with passing upon loan applications, but will be expected (when so requested by us) to use their good offices in a conciliatory manner to persuade mortgage holders to co-operate in worthy cases.

While there will be no financial remuneration to members of these committees, there will be distinct honor and the invaluable satisfaction that accrues from rendering patriotic service in the winning of America's "War Against Depression."

On recommendation of responsible people in your locality in whom I have confidence, I decided to appoint you on The Honorary Advisory Committee for your County, provided that your appointment was not objectionable to your Congressman. I have submitted your name to your Congressman and your appointment is satisfactory to him. Accordingly, I am glad to tender you the appointment and I hope to receive your acceptance on the enclosed reply form in the enclosed addressed franked envelope.

The Committee as appointed, (subject of course to subsequent changes) is composed of the following:

John A. Hooker, Nokesville, Va.; C. C. Cloe, Quantico, Va.; E. R. Conner, Manassas, Va.; C. E. Allen, Gainesville, Va., and G. C. Russell, Woodbridge, Va.

With best wishes, and looking forward with real pleasure to receiving your valuable assistance in the great humanitarian task before us, I remain

Sincerely yours,
JOHN J. WICKER, Jr.,
Virginia State Manager.

PUBLIC WORKS BOARD APPOINTED

The President has appointed the Public Works Board for the State of Virginia. The personnel is as follows: Harry G. Shirley, of Richmond, chairman; J. Winston Johns, of Charlottesville, and Richard Crane, of Westover.

COLORED CHILD KILLED

A sad accident occurred Wednesday about 5:50 p.m. when a truck driven by Devy Tucker, colored, was struck by Train No. 36 at the crossing near the Industrial School, killing Charles Johnson, age 4, and seriously injuring Tucker, the child's uncle.

It is believed that the truck crossed the track immediately behind a passing freight train, not seeing the passenger train rapidly approaching from the other direction. As the engine struck, Tucker jumped, escaping death, but being so dazed that he wandered homeward apparently without realizing what had happened. He was taken to Emergency Hospital in Washington for treatment.

The child is the son of Neil and Lucille Johnson and the grandson of Mary Tucker.

U. D. C.

The regular meeting of the Manassas Chapter, U. D. C., will be held Wednesday, August 2, 8 p.m., at the home of Mrs. Bob Hutchison. Mrs. Herbert Nash will be assistant hostess.

MARRIAGE RECORD

July 20 — John Ambrose and Mabel Brown, both of Quantico.

Colored

July 20 — Valentine Green and Maria Lewis, both of Haymarket.

NEXT TUESDAY'S PRIMARY

Next Tuesday's Primary will prove definitely whether the election was "cut and dried," whether Mr. Deal has been a "stalking horse" for Mr. Peery and whether Worth Smith is considered sufficient of a capable business man to take hold of the reins of government.

We concede the fact that the official ring throughout the State, in the majority, is for Judge Peery but we do not concede that the "rank and file" voter is backing him. Reports indicate that the masses are backing Smith. Out of the past few years has come a road program, wonderful in conception but which has served in part only as a local asset. It seems strange that immense sums go only to the building of more and newer road systems while our public schools are further and further relegated to the back-ground. This is the one thing about all others which gives us a creepy feeling that those who are responsible did not make their errors in the best interests of the Commonwealth.

We must feel and actually grope our way when the passage becomes dark, uncertain and rough. It does not suffice us to cry out in anger at a slip or tumble. It is thus with the Commonwealth. There are those among us who for temporary glory or even money would sell their birthrights along with ours in a moment of obsession. We are really reaching a point where we are to determine whether it is or not Virginia for Virginians. It is no small matter nor is it one to be looked at either in anger or complacency. We must act sternly, without reference to past friendships if we are to stem what may later be found a condition utterly intolerable but which we ourselves shall have brought about by lethargic indifference.

It is that condition which fronts us in the selection of our next General Assembly and our next Governor.

The only man in the race who to our minds presents a safe, sane and amply progressive program for the next four years is W. Worth Smith, jr., of Louisa.

HAYFIELD CLUB TAKES "EXPERIENCE" TOUR

The members of the Hayfield 4-H Club met for their regular meeting at Mrs. E. L. Herring's July 11. After a short business meeting we began a tour to projects conducted.

First place we visited, Shutlocks where we had a very interesting experience seeing and learning many helpful things about their flock of over 900 White Leghorns.

We then saw Helen Czapski's garden and enjoyed a fine picnic lunch on the banks of a stream near her home. The next and last place of inspection was at Theresa Copen's garden. The tour was unusually enjoyable. 170 quarts of fruit was reported canned by the members at this meeting.

Theresa Copen, reporter.

MAYOR ASKS BUSI- NESS MEN TO MEET

ANNUAL S. S. CONVENTION

We don't want the good people of Prince William County to forget the date of the annual Sunday school convention on Wednesday, August 2, at the Cannon Branch Church of the Brethren about 3-4 mile west of Manassas.

The program of this convention will be built around the one word "Increase." The worship services conducted by the Cannon Branch and Methodist Sunday schools, addresses by Rev. Minor C. Miller, state secretary, Rev. Larrick, Rev. V. H. Council, Rev. Geo. Beahm, Mr. F. G. Sigman and round-table discussions led by Minor C. Miller will deal with "Increase in Spirituality." This is a timely emphasis. Increase is needed in all phases of Christian work. Some one has said "We must speedily have more religion or we will have vastly less." The time demands that the whole church rise up to her opportunity and go forward to new heights of attainment especially is this true in the Sunday school work.

The theme for the night session will be "Increase in Friendship." Mr. Robt. H. Cox, city sergeant of Alexandria, and young people's leader of the First Baptist church, Alexandria, will give a short address on "The Great Friendship."

Dr. A. L. Maiden, Ph.D., teacher in the Woodward School, Washington, will also give a short address on "Conditions for Friendship." Some special music sponsored by our home schools and several quartettes under the direction of Julia Culbreth Grey, director of music of the First Baptist church, Alexandria, will be given.

It is with utmost importance that your school be represented in this convention. Bring your lunch and enjoy the social hour, meet new friends with a cordial handshake and do all in your power to enable someone else to get the very best out of the convention.

Mrs. L. J. Bowman,
Sec'y S. S. Association.

LOUISE LAURA LEACHMAN

Mrs. Louise Laura Leachman, the wife of Mr. Charles C. Leachman, died at 1:41 a.m. Sunday morning, after a long illness, at her home on Center street.

She was the fourth daughter of Judge Aylette and Louise Sprinkle Nicol of Brentsville, Va., where her girlhood was spent. With her mother and family she came to Manassas in 1891.

Twelve years ago she was married to Mr. Charles C. Leachman, the assistant treasurer of the county.

All through her sickness she bore her sufferings with courage and strength ever giving the visitors whom she loved to have, a wealth of love for each.

Mrs. Leachman leaves two sisters, Mrs. D. E. Maphis, of Manassas, and Mrs. Ernest Smith, of Jacksonville, Fla. Her pallbearers were her stepsons and nephew, Messrs. Robt. Shirley, Berchell Leachman, Hunton Cox, Everett Rice and Aylette Wilson.

She was a half sister of the late Judge C. E. Nicol of Alexandria, Va., and Mr. John Aylette Nicol of Washington, D. C. She leaves a host of nieces and nephews.

The funeral was from her home on Center street with Rev. Mr. Compton of the Methodist church officiating and assisted by the Rev. T. D. D. Clark, who sang as a solo "Face to Face With My Redeemer." The interment was in the family burying ground of the Williams in Brentsville.

Mrs. Leachman's life was sweet and unselfish and her husband and children "rise up and call her "blessed."

DEMOCRATS TO VOTE NEXT TUES.

W. Worth Smith Leading in Northern Virginia.

On Tuesday next, August 1, the Democratic voters of Prince William County will gather at the polls to nominate a candidate for Governor and to select their representative in the General Assembly.

The campaign has been one of unusual interest. Hard times have aroused greater interest in public matters, particularly along lines of taxation and governmental expenditures. The outstanding exponent of government economy and reduced taxation has been Hon. W. Worth Smith, jr., whose nomination next Tuesday is widely predicted. Senator Smith is a brother of our popular Representative in Congress, Hon. Howard Worth Smith, who has heartily endorsed his brother's candidacy. The Smith platform has proven a vote getter. He stands for a flat \$5 auto license, no increase in gas tax, stopping of the school-book graft, repeal of the Eighteenth Amendment and reduction in Public Utility rates.

Voters in Virginia express themselves in large numbers as feeling that the "New Deal" has not yet arrived in Virginia. The election of President Roosevelt inaugurated the New Deal nationally, but they state that a turn-over in Virginia is necessary before a real "New Deal" can arrive here, and they welcome the candidacy of W. Worth Smith as an opportunity to displace the "Machine" rule in Virginia, while at the same time continuing true Democratic control.

In the candidacy of Mr. Peery they see nothing but the continuation of the policies which have dominated Virginia in the past. In the candidacy of Mr. Deal, they seem to see nothing of special interest. He is admittedly relegated to third place.

The contest for Delegate has been spirited. For the first time in the history of the county, a lady has offered for this important office and in the present instance she has evidenced her ability to fill the office which she seeks by conducting her campaign on a high plane and in a most intelligent and creditable manner.

Hon. Geo. Herring, the present Delegate, declares that no man who has been married thirty-five years is going to argue with a woman, but he is confident of re-election.

KIWANIS HEARS TALK ON FOREST SCIENCE

The guest speaker at the Manassas Kiwanis Club last Friday evening was Mr. W. H. Lamb, who spoke on Forestry Science and illustrated his lecture with hand-colored stereopticon slides showing the application of forest science in the various sections of the United States. Mr. Lamb was introduced by Dr. C. C. Johnson.

ERVIN A. FOX

Ervin A. Fox was suddenly killed on July 15, while employed by Judge Baldwin and Ed Lavender & Hardware. Operating a tractor and threshing machine he was caught under the threshing machine and crushed to death, no one being with him to help him out. He died about 20 minutes after 5 Saturday evening. He was not more than a quarter of a mile from his home when killed.

Age 47 and a native of Prince William County, born at Westow, Va., but for the past 5 years has been living in Maryland, then living at Millersville, Md.

He leaves a wife and eight children, the youngest 3 years and 9 months old. He is also survived by two sisters and one brother, Mrs. Daniel Cornell of Rock, Md., Mrs. Douglas Robinson of Manassas and Mr. C. E. Fox of Manassas, also lots of nieces and nephews.

The funeral took place in Manassas July 18 at the Baptist church and the body was laid to rest at Valley View cemetery where he had a baby buried.

IN ANSWER TO A LADY'S LETTER

A lady writes to say that she does not understand why an 8-cylinder
car does not cost more to run than a car with fewer cylinders. She
refers to my statement that our Ford V-8 develops more power on a gallon
of gas than any car we have made.

The use of 8-cylinders does not mean the addition of two or four
extra fuel consumers. It is not, for example, a 4-cylinder engine
multiplied by two. Our 8-cylinder engine takes the fuel supply of an
ordinary 4-cylinder engine and divides it eight ways. And why?

By reducing four larger explosions into eight smaller ones, we get
engine smoothness and quietness. Eight-cylinders indicate the way the
gas is used, not the amount. It is just the difference between going
upstairs in four long jumps or in eight ordinary steps.

Two things use up gas—bad engine design and useless car weight.
Besides having an engine that gets a high percentage of power out of the
fuel, the Ford V-8 has a light, strong body and chassis so that no power
is wasted in moving excess weight.

The only extravagance about the new Ford V-8 engine is in the building
of it. The extravagance is ours—the economy is yours.

The whole question of car economy needs clearing up. An economical
car gives economy all round. Price, operation, upkeep, all play their
part. If what you save on gas you lose elsewhere, that is not economy.

As to upkeep, our dealers say that in recent years the improved
quality of Ford cars has cut down their repair business 50 per cent.

As to price with quality,—judge for yourself.

As to economy, here is the record of a stock car three weeks out of
shop in Oklahoma:

On a run of 10,054 miles at the rate of 1,000 miles a day—the Ford
V-8 gave 18.8 miles per gallon of gas. Not a drop of water was added
to the radiator. The oil was changed once in 1,000 miles.

That should answer a lot of questions.

"ADORABLE," GAYNOR-GARAT
FILM, OPENING NEXT MONDAY

Heralded as one of the outstanding motion pictures of all time, "Adorable," the new Fox production, starring Janet Gaynor and Henry Garat, opens next Monday at the Dixie Theatre. It is the first American film to claim the talents of the famous international star, and the fact that he is co-starred with Miss Gaynor promises something of the unusual in screen entertainment. The story of the film is said to give America's most popular actress her best opportunities. It calls for extreme capability in acting, singing and the dance. In her quest of the handsome soldier of the guard, Miss Gaynor reveals talent hitherto not credited to her. American audiences will probably remember Garat for his dual portrayal in "Congress Dances." This, however, is his first appearance in a domestic production destined principally for American audiences.

The supporting cast is headed by

C. Aubrey Smith, veteran character actor, and Herbert Mundin, one of the leading comics of the screen. Others in the large cast are Blanche Friderici, Stuart Holmes, Albert Conti, Ferdinand Schumann-Heink, Esther Muir, Hans von Twardowski, Peter Dury, Barbara Leonard, Sterling Holloway and Joe Catta.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in after years.

AN OLD MAN'S TESTIMONY: I have fought a good fight, I have finished my course, I have kept the faith. Henceforth there is laid up for me a crown of righteousness.—2 Timothy 4:7.

THE MESS OF POTTAGE

Shall Virginia ignore her Confederate Veterans?

One of the outstanding developments and crusading slogans that has permeated Virginia during the past ten years has been a constant singsong that Virginia has lived too much in the past, and that while we revere and respect her past deeds, we should now look to progressive movements of the future.

Few have properly understood what this really means. It is an old, old saying that it is a sorry bird that fouls its own nest. Therefore, to make something which is really atrocious in its conception appear to have the harmless guise of progress, a veritable shower of publicity has been poured over the state which has each time come a little closer toward the actual degradation of the men who furnished the brightest page in Virginia history.

Such an act of disloyalty must be accomplished through the Virginia of the future—our children.

The first stage of this perfidy was to work upon our teachers, using the guise of national patriotism to prepare a means of undermining the faith of the coming generations.

Having made this step, the next was to furnish these innocent tools with the machinery by which this propaganda was to be carried forward. This was Muzzey's History.

For several years an effort has been consistently made to oust this book from the State Educational system. But so strongly have the propagandists become who are steadily attempting to belittle the great Virginians of the past that neither the State Board nor the General Assembly itself have had aught to do with it.

Stung to the quick by the apparent ingratitude of the present generation, the United Confederate Veterans and the Sons of Veterans, through their leaders, made an appeal last week to the three candidates for governor to state their respective attitudes in the matter.

On Saturday, they issued a statement approving the replies of Messrs. Smith and Deal but clearly disapproving that of Judge Peery.

If we are to hide our faces in shame because there were Virginians of the past of whom present-day propagandists disapprove, if we are to prostrate ourselves before the golden calf from strange lands in order to see Virginia hand over a few more of its wonderful assets to those who know not Joseph, then low indeed have we fallen from the high station to which we were carried by Lee and his men of iron.

This is a call to the many who have not heard and do not yet understand.

Shall Virginia ignore her Confederate Veterans?

ADVERTISE IN THIS NEWSPAPER**TO THE VOTERS OF THE LEGISLATIVE DISTRICT OF PRINCE WILLIAM AND STAFFORD COUNTIES:**

When I entered the contest for the seat in the House of Delegates now held by Mr. George Herring, it was my intention to endeavor to see every voter personally. However, as election time is close at hand and I find that it will be impossible to see everybody, please let me take this opportunity to say to you that it was through lack of time, and not an oversight that I did not see you personally.

In my speeches throughout the district I have explained just how I stand on important questions, and what I propose to try to do if I am elected. I have repeatedly challenged my opponent, Mr. Herring, to prove that he has worked in the interests of his constituents, and asked him to point out something tangible as an indication of his efforts, but so far he has not done so, nor has he advanced convincing reasons that will justify his re-election by the people.

I want to state that in seeking this office, I have no axe to grind—and no business or other interests to further, save the interests and welfare of the people of Prince William and Stafford Counties.

All I ask is an opportunity to prove my sincerity and willingness to be of service to the people. If you will vote for me I shall strive to merit your confidence, and do everything in my power, through constructive legislative efforts to put historic old Prince William and Stafford Counties on the map.

Respectfully,

NELLE HYDE HOLMES.

ANNOUNCEMENT

To the Voters of Stafford and Prince William Counties:

I desire to take this means to formally announce my candidacy for renomination by the Democratic party in the August primary to the seat in the Virginia House of Delegates from Prince William and Stafford Counties, and to assure the people of the two counties that if nominated and re-elected, I will use my best endeavors for their interest and for the interest of the people of the state generally.

If again honored as the choice of the people of the district, I promise to conscientiously and faithfully discharge duties of the office and to support those measures which will relieve the people of the burden of taxation now falling upon them, when such measures are consistent with the best interests of the people generally.

In announcing my candidacy I wish to express my thanks to those who supported me during the last election and to assure all the voters of the district that I will appreciate their support at the coming election.

Faithfully,
GEORGE W. HERRING.

BRISTON

Everything seems to be burning up. If we soon don't get rain, we will not have much in the gardens.

Mr. Mark Long and Miss Evelyn Walls motored on Saturday to Mr. Turner Long's near Timberville, where they attended the Shenandoah lawn party held at "Melon Wine's store." May we congratulate him as being the winner of the prize, a quilt, given away.

Little Ferrell Simpson, age two years and a few months, died on Friday in a Washington hospital. He was taken sick on Thursday at his home at Bull Run Postoffice and from there he was taken to a hospital where he only lived till Friday. His ailment was not known. He was buried on Monday at Fairfax. The only child of Mr. and Mrs. Gerie Simpson of Washington.

TWIN CITY GOSSIP (OCOQUAN AND WOODBRIDGE)

The "Old Twin City Editor" having been absent for high onto two years from his usual hangout in and around that dear old spot commonly known as Twin City, has had the pleasure of meeting and talking to a few of his good old friends, that are now and always have been Twin City boosters . . . Politics as usual leans upon the corner lamp post, stands huddled in the center of the street, and permeates the highways, and byways that lead to the center of gravitation . . . Politics, thou everlasting and perpetual caldron of gossip . . . Politics, we thank you for furnishing us with a conversation that helps us to ease up on the weather . . . Politics, and Uncle Nick spats KER-PLUNK, aiming at a bald-headed dint rock, and as he wipes the juice from his square and noble chin, he oartes beautifully and feelingly in regards to the good qualities of his particular candidate . . . Jakey Clarke, postmaster of Twin City, even forgets to roll a ciggie as he seats himself upon any convenient box, and proceeds to expound the ins and outs of politics and gives two whoops for Twin City candidates . . . Tou Pee Davis, all smiles, seems to enjoy the whirlpool of political actions . . . Francis Barton Morgan stands pat and demands actions . . . He points to the democratic scars as proof of his loyalty . . . Old Man "Billy" Lynn and his faithful sons crow at sun rise a "Cock-a-doodle-do" that gives an echo for Smith and Herring . . .

Chief Justice Thomas Sheppard says that if he is blessed with twins, twix now and the primary, he is going to name one Worth Smith and the 'other George Herring, regardless of sex . . . Now, there is a booster for you!

I believe Associate Justice Tyrrell has a two to one on Tom edge when it comes to the twin question . . .

I made inquiry about my old friend Lindsey Dawson, and asked how he was politicking around, and was told, "All's quiet on the Potomac." I was told friend Egbert Thompson was following his nose and repeating "Tramp, tramp, tramp the boys are marching . . ."

Jiggs Embrey expresses a desire to adopt two boys named Smith and Herring . . . More power to you Jiggs . . . Maggie, where art thou!

I was talking to Mrs. Herring the other day and asked her how "GW" was making out and if he expected to cross tongues with the LADY opponent . . . Reply: "Geo. says that he has been living with one woman for two score years, and during that time he has learned at least one thing, don't argue with a woman . . ."

Sherman said "War is—"

The defeated candidate says, "Politics is—"

And the candidate who wins has proof that "Politics is—"

Our three-cornered gubernatorial race furnished food for the . . . Political pap for the up-building of weak kneed democrats . . . A vote for Peery simply means that we will have a "Dear Old Auntie Peery" as governess, instead of our "Kind Old Grandma Pollard" who presides with womanly grace over the destinies of Virginia the mother of states . . .

Deal with his "Bally-hoo Deal" reminds me of a fly in a bucket of molasses . . . He knows it is sweet from top to bottom, but there is more on the outside than he can possibly get on the inside: a flutter and the Deal is engulfed in the nectar of BALLY-HOO fluidity . . .

Worth Smith is not only the Farmer's Candidate, but the people's candidate . . .

He is not only a product of northern Virginia, but a man well fitted by training and actual contact with the affairs of our state to assume the duties as our state's Chief Executive.

Read Smith's platform; read his clear and forceful arguments; on the issues that are vital and concerns each and every Virginian—catch the thrill of his earnestness and his desire to be of help in this time of need, and I am quite sure your primary vote will be for Smith the people's candidate . . .

This time vote for Herring and Smith and the next time vote for the LADY and some one else . . .

The Twin City Editor bids "You All"; Yes, I will be seeing you again . . .

Mrs. J. A. Delaney of Manassas, Mrs. George Berry of Culpeper and Mr. Tom Lynch of Manassas were

A collision at the turn of Davis and Blansford Sunday. No one hurt. There should be a sign put there as it is a very dangerous place.

Mr. and Mrs. George Hampton spent the week end in Alesia, Va.

Mr. Jos. Simms and family were Hoadly visitors Sunday.

Miss Undine Posey, who has been visiting in Washington, returned to her home here during the week.

Leoda Mills and her mother, Mrs. Rula Mills, were visitors at the home of Mrs. M. F. Davis Sunday.

Marvin Hicks of Quantico was a visitor at Hoadly Sunday.

CATHARPIN

Our "reportorial staff" must have been away on a vacation this week since we have received very few news dispatches either by wire, air or radio, so we presume the heat and dry weather of the past week has had something to do with them as well as the cornfields.

Miss Emma James of Washington is now spending her usual summer vacation at Lawn Vale, the home of Mr. and Mrs. W. Holmes Robertson.

Miss Frances Willis and brother, Hollman, of Roanoke spent the week end with their grandparents, Dr. and Mrs. C. F. Brower of Lone Oak, returning home on Monday accompanied by their brothers, Gordon and Keith, who had preceded them by several weeks for a sojourn on the farm.

Mrs. W. S. Brower spent several days in Washington this week visiting friends and incidentally doing some mid-summer's shopping.

"Whatsoever a man soweth that shall he also reap." It might not be out of place to say that perhaps many do not know that that is a quotation from the Bible. It seems that it is not often nowadays that people stop long enough to heed or even to know or care what the Bible has to do with it all anyway. What with politics and the mad rush these days to bring beer back into the picture one is almost dazed to contemplate what kind of a harvest the fu-

ture has in store for the "sowers" of the world today. Upon the above text the Rev. Mr. Swecker last Sunday morning at Sudley delivered one of the most far-reaching sermons it has ever been the privilege of the writer to hear. Billy Sunday in all his tabernacle glory never delivered a more striking picture of life conditions, good and bad, as they obtain today. It was a discourse long to be remembered.

Sometime ago this column was kept pretty busy trying to keep up with the "quilting bees," but spring work and warm weather sort of had their influence so the ladies took a "vacation" thus curtailing our reportorial subject matter, and to make things still worse, the Catharpin Good Housekeeping Club has been very dilatory of late in regard to its monthly meetings, thus adding to our general distress, but just as we were about to pass out, the Sudley Missionary Society discovered that its stock of quilts was running low and immediately started operations on a 100% basis in order to "stock up for the fall trade." Accordingly they all

met in full force at Oakwood on Wednesday last, bringing their lunches with them and at noon disporting themselves "In the shade of the old oaken trees" (Apple trees not big enough) where they enjoyed a luncheon of sandwiches, deviled eggs, ice tea, bugs, flies, ants and everything else necessary to make such occasions memorable. A great day was the result and a new "Dresden

plate" is now on the market. We don't know just how long this "spurt" will last but certainly the needles flew with the energy of old despite the warm day it was; but one thing is sure: The society will be right there with the "goods" whenever needed.

STEEL ALONE IS NOT ENOUGH!

—neither strong enough,
nor safe enough, nor quiet enough
for the body of a quality car
like CHEVROLET

CHEVROLET There is only one type of body construction which Chevrolet will permit on the chassis of the cars it builds: That's the type which every test—and every experiment—and every experience has proved to be the safest, strongest, and best. Not steel alone, because steel alone is not enough. But a Fisher body of steel reinforced by hardwood! The same kind of construction used on practically all the highest-priced cars in America.

Chevrolet well knows that steel alone has one distinct advantage: it's cheaper. Steel also is strong—up to a certain point. BUT—beyond that point, steel alone will bend and crumple under severe stress or shock. And there's where hardwood does its work. Hard-

wood reinforces the steel and is, in turn, reinforced by the steel. Hardwood absorbs shocks—takes out rattle and rumble. The result: A steel plus hardwood body can withstand concussions that crush a body built of steel alone.

If you're thinking of buying a new low-priced car, better watch this matter of bodies carefully! Insist on steel reinforced by hardwood! Fortunately, the only low-priced car with this preferred type of body is also the only car with a proven valve-in-head six; with Fisher Ventilation; with Cushion-Balanced Power; with a genuine Synchromesh gear-shift; and a Starterator. That car is Chevrolet—America's most economical automobile!

ESSOLENE is a distinct advance over gasoline — an improvement which any driver will easily notice in any car. The composition that has made this new motor fuel possible was developed in the greatest petroleum laboratories in the world. It is protected by U. S. Patent pending. Essolene contains a special solvent oil which cleans, keeps clean and in proper working condition valve stems, piston rings and piston ring grooves. Essolene contains

no ordinary lubricating oil. Words won't run cars. But with Essolene words are not necessary. Make one simple, convincing test — try Essolene once in your car, under any condition you choose. Essolene will speak for itself. We ask only one thing. In fairness to Essolene have as little of other fuels in your tank as possible when you make this test. Essolene is sold at all Esso Stations and Dealers from Maine to Louisiana.
