## SHORTER HOURS FOR MANASSAS

Merchants Unite in Plan for  
Uniform Closing of Stores.

Nearby Communities Asked to  
Co-operate.

There was a meeting of the business people of Manassas held in the Town Hall Wednesday night for the purpose of adjusting the business hours for the stores in Manassas.

The idea of making the hours uniform is to foster fair competition and incidentally co-operate with the President in the spirit of the National Recovery Act. It is to be hoped that those living in the country who deal with the Manassas merchants will endeavor to do their shopping within the hours of 8 a.m. to 6 p.m. except on Saturdays and on Saturdays the stores will remain open until 10:30 p.m. and by doing this those living in the country will be doing their part also. It is to be hoped that the merchants in other towns and rural sections of Prince William County will co-operate in this spirit by opening and closing at same time.

In order to bring about better times for everybody the President is requesting everybody to do his or her part just the same as we did in War times. We feel that if you will co-operate with the merchants and they co-operate with the President and this be universally done there can be no other answer but what everybody will again be enjoying some measure of prosperity.

The resolution adopted and the signatures upon it are as follows:

We, the undersigned Merchants and Business Men, who have affixed our signatures to the following Resolution, which was offered at a mass meeting of the retail merchants of Manassas, Va., held in the Town Hall on Aug. 7, 1933. This meeting being an effort on the part of these assembled to co-operate with the President of the United States in the National Recovery Act, do hereby pledge ourselves to comply with the resolution in its entirety, and will do all that we can to promote an early return of the business we once enjoyed.

### RESOLUTION

WHEREAS: The business people of Manassas are desirous of co-operating with the President of the United States in the application of the National Recovery Act, and

WHEREAS: The Town of Manassas having a population of less than 2500, the establishments employing NOT more than two persons will be exempt from any change in complying with the President's Reemployment Agreement as set forth in paragraphs 2 and 3. But they will not be exempt in the spirit of the President's order, and

WHEREAS: We feel that it is the duty of every merchant to enter into the spirit of the President's request; therefore be it,

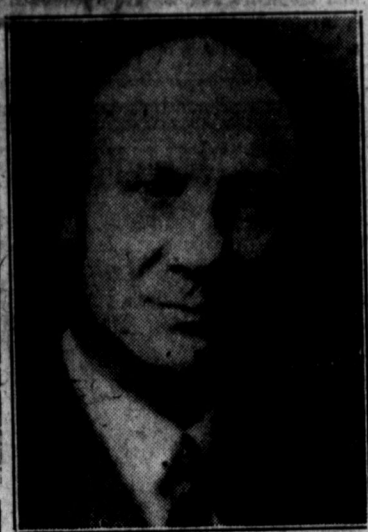

RESOLVED: That every merchant in the Town of Manassas will open his place of business not earlier than 8 a.m. and close it not later than 6 p.m. except on Saturday and on Saturdays the closing hour to be not later than 10:30 p.m. and at such time as improvement in business will justify it, we shall be glad to employ others who are out of work. This Resolution to be effective until Dec. 16, 1933.

Hotels, Restaurants, Drug Stores, Bakeries, Newspaper Offices and Manufacturers are exempt from the opening and closing hours, but are requested on their honor not to sell any goods of a competitive nature after the other stores have closed.

Respectfully Submitted,

Chairman.

## SUCCEEDS ZIRKLE AS MANAGER OF GEORGE MASON

Patrons of the George Mason Hotel, in Alexandria, well known to Prince William people who have enjoyed the service so capably extended by Mr. Zirkle, will be interested in his successor.

Mr. Slagle began his hotel career in the Anderson Hotel in Pittsburgh and successfully worked in several other large hotels. He comes to Alexandria from the Daniel Boone Hotel in Charlestown, where he was associated with Mr. Roger S. Creel, so pleasantly remembered as manager of the George Mason before Mr. Zirkle.

Mr. Slagle possesses the requirements needed in a public place where many country people from the surrounding area stop to and from Washington, and are never overlooked in personal attention no matter how large the crowd of tourists or other transients may be at the hotel.

The George Mason has quite a hold on the affections of the people in northern Virginia and Mr. Slagle will continue the cordial and personal interest created by Mr. Creel and Mr. Zirkle.

## WILL IMPROVE SCHOOL ROADS

County Board to Assist Two  
Community Leagues.

The board decided to co-operate with the school leagues at Bennett and Manassas High in improving the road which runs on the school grounds.

The per diem for substitute white high school teachers was set at three dollars and that for the elementary white schools at two dollars and fifty cents.

The board authorized Harry M. Love, agricultural instructor, to purchase equipment for his department at Nokesville and Manassas.

The board authorized the painting of the exterior of the Thornton (colored) and McCrae (colored) schools. Also the construction of a wood house at the Joplin School.

## VETERANS URGED TO CAST BALLOTS

Rallies and Mass Meetings Will  
Be Held.

A call to all posts of the Veterans of Foreign Wars in Virginia to join in undertaking a militant State-wide campaign to promote and encourage qualification of Virginia's ex-service men for the regular exercise of the ballot and their more active and general participation in public and civic affairs, was issued in Harrisonburg, Va., Monday night by George L. Dovel, department commander of the overseas veterans' organization.

The campaign will be directed by the Virginia Department's legislative committee, which is composed of E. G. Byrd, Norfolk, chairman; C. W. Cheape, Charlottesville; R. L. Stultz, New Market; L. T. Snell, Portsmouth; L. H. Mitchell, Roanoke, and R. J. Pacini, Richmond.

The movement to stimulate wider voting and political activity among the State's veteran population, which was ordered by the recent department encampment of the Veterans of Foreign Wars, plans the creation of committees in posts throughout the State charged with the duty of encouraging the ex-service men to register and qualify for the ballot by the regular payment of their capitation taxes and of impressing upon them the importance of exercising their citizenship in all elections.

Rallies and mass meetings will also be held in various cities and towns, for the purpose of waging an educational campaign among the veterans aimed at explaining Virginia's voting laws and procedure and pointing out the need for increased interest in our government and political affairs. Prominent citizens will be invited to address these gatherings and support the educational program.

It was announced by department headquarters in Harrisonburg that the other veterans' organizations in the State would be asked to co-operate with the Veterans of Foreign Wars in the movement.

### REV. F. W. OSBORN TO PREACH HERE

The Rev. Wm. Lyle Robinson preached last Sunday at the Presbyterian churches of Manassas, Clifton and Minnieville and many were the complimentary remarks of all his sermons. There is to be one more of the series of ministers who are to preach at these places. This one is the Rev. F. W. Osborn of Lucketts, Va. He is a good friend of the Rev. Cook, who came as an evangelist while Mr. Hall was pastor at Manassas.

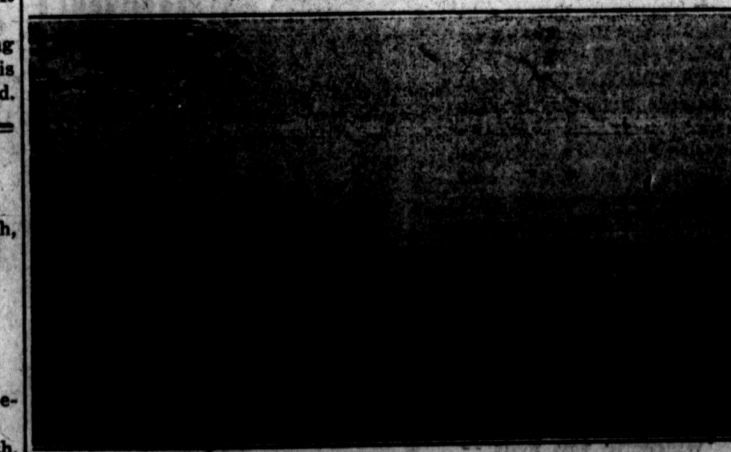

His subject will be "The New Birth." The public is cordially invited to hear him.

A congregational meeting is announced for Monday, Aug. 21, at 8 p.m. At this meeting the successor of Rev. W. A. Hall will be chosen. There have been more than sixty candidates for the place. Five of them have been heard.

### BUCKHALL LEAGUE

## BULL RUN GRANGE TOUR- NAMENT FRIDAY, AUG. 11

Complete arrangements have been made for the annual Bull Run Grange Tournament and Field Day at Haymarket to be held Friday, August 11, and a large attendance is expected. The events of the day will begin at 10 o'clock Friday morning and continue throughout the day. To add to the pleasure of those attending, a ten piece orchestra will furnish music throughout the day.

This orchestra is being retained for the tournament ball to be held at the Haymarket Masonic Hall Friday night.

In addition to the riding tournament, there will be a horseshoe pitching contest and two baseball games, one between Hickory Grove and Aldie and another between Haymarket and Bethel (Fauquier County). Refreshments will be served by a committee of the Grange.

## MCCOY BURIED WITH FULL MASONIC HONOR

Was a Pioneer in Motor Transportation.

Wilfred E. McCoy, whose tragic death last Sunday morning was the cause of so much regret, was laid to rest in the Manassas cemetery Tuesday at 5 o'clock, with full Masonic honors. Rev. W. M. Compton conducted services at the home and Mr. M. M. Ellis, past master of Manassas Lodge, A. F. & A. M., presided over the Masonic services at the graves.

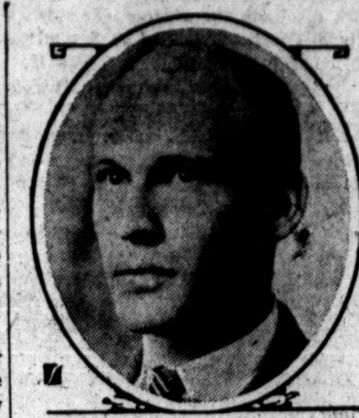

Mr. McCoy would have been 48 years of age next October. He is survived by his wife, who was Miss Luna E. Crosby, and by a daughter, Madeline. His father, C. W. McCoy lives at Elkton, Va. A brother, Melvin, and three sisters, Mrs. Aggie Hensley, Mrs. Ada Shaw, of Elkton, and Mrs. Lottie Wood of Hyattsville, Md., also survive.

Honorary pall bearers were C. E. Nash, T. H. Lion, A. A. Hooff, George Cooke, R. S. Hynson and R. M. Jenkins. The active pall bearers were C. C. Lynn, D. J. Arrington, P. A. Lewis, J. N. Buck, J. E. Rice and P. L. Proffitt.

The circumstances of Mr. McCoy's death are very sad. He was found in his garage, dying of a gun-shot wound. He had been accustomed to shoot at target in his big garage and the shot occasioned no alarm at the time. When reached by Dr. Marsteller, he had not expired, but did not regain consciousness. The verdict which the attending physician later issued in his capacity as coroner did not employ the word, "suicide" as indicated in some outside newspapers, but merely stated that the "wound appeared to be self-inflicted," leaving the question of accidental death a possibility.

### O. E. S. PICNIC AT LIBEAU'S

Wimodausis Chapter No. 106, Order of Eastern Star, held its annual picnic at Libeau's Beach Thursday evening, Aug. 3. Worthy Matron Mrs. Beesie G. Wenrich and her husband did much for the comfort and pleasure of their guests. Swimming, rowing and games were enjoyed, and the bountiful lunch of everything tempting to eat made one wonder if there had ever been a depression.

MR. J. A. DEUTERMAN

## PHONE OFFICIALS ARE PROMOTED

The appointment of J. A. Deuterman as sales supervisor of the Chesapeake and Potomac Telephone Company of Virginia for the area known as the Alexandria District, effective August 10, has been announced by Lloyd M. Griffin, general commercial manager.

Mr. Deuterman is a native of Arlington County and for the past several years has served in the capacity of manager of the Clarendon, Falls Church, Fairfax, Herndon and Vienna exchanges.

Succeeding Mr. Deuterman as manager of the above exchanges will be J. A. Cummins of Norfolk, Va. Mr. Cummins is a graduate of Washington and Lee University and entered the ranks of the telephone company in 1924. He has served in several important capacities since that time, namely, those of traveling auditor, assistant manager at Roanoke, Va., commercial supervisor and for several months prior to this appointment was record office manager at Norfolk, Va.

### U. D. C. AT "EDGEHILL"

The 8th Virginia Regiment Chapter held its regular monthly meeting on Thursday afternoon, Aug. 3, at "Edgehill," the home of the Misses Ewell. Mrs. Park Wilson and Mrs. Nim Lightner were also hostesses of the afternoon.

Surely "Edgehill," with its ivy covered chimneys, its sloping green lawn, its gardens, with the sweet old fashioned flowers and long rows of boxwood and rising just behind and forming an effective background; the green slopes of the Bull Run mountains; was an inspiration to every southern heart; a home so reminiscent of "those days in old Virginia."

The chapter was unusually well represented and several visitors were present. Our president, Miss Lucy Berkeley, presided in her usual gracious manner. After the routine business was dispensed with, an interesting contest, arranged by Misses Maude Ewell and Lucy Berkeley, was ably presented by Mrs. Parke Wilson. The contest, consisting of 13 questions on the War Between the States, was won by Mrs. Sanford Gulick, the prize being an attractive copy of Prince William County history.

A reading, "The blue and the grey" was very effectively given by Miss Mildred Torbert of Washington, a niece of Mrs. R. R. Smith.

Iced drinks (nothing illegal!) and the most delicious cakes were served, buffet style, to the guests, scattered about the wide verandas and on the lawn.

As the stately Lombardy poplars cast long shadows on the grass, we were reminded that it was certainly time to bid our hostesses farewell, and to look forward with pleasure to the September meeting, when the chapter will be entertained by the Little River members, at the home of Mrs. Gales Hutchison.

### BASEBALL

Stonewall A. C. will play Clifton on Saturday, Aug. 12 at Swavely Field at 3 p.m. and on Sunday will meet Aldie A. C., also at Manassas.

To the Voters of Prince William and Stafford Counties:

I hope all the veterans will feel free to call upon me for any service I may be able to render them.

Respectfully,  
GEO. W. HERRING,  
Woodbridge, Va.

REPORT OF ANNUAL SUN-  
DAY SCHOOL CONVENTION

The County Sunday School Associ-  
ation held their annual convention at  
the Cannon Branch Church of the  
Brethren on Aug. 2.

The morning session began at 10  
a.m. with President J. M. Kline, Jr.,  
presiding. The Cannon Branch chil-  
dren, under the supervision of Mrs.  
Agnes Thomasson, rendered the devo-  
tionals.

After a few introductory remarks  
by the president, the minutes of the  
association's meeting of 1932 were  
read by the secretary.

Rev. Minor C. Miller, State sec-  
retary, explained, in his morning talk,  
the value of a County Council of Re-  
ligious Education.

During the day it was decided, al-  
most unanimously, that this organi-  
zation be started. Already seven  
schools have expressed their desire  
to be enrolled.

At noon everyone enjoyed a de-  
lightful lunch in the basement.

The Methodist M. E. church South  
gave the devotionals at the opening  
of the afternoon session.

Prof. F. G. Sigman, chairman of  
nominating committee, gave a report  
of officers elected for the ensuing  
year. This report was accepted by  
the association. The officers are:  
president, J. M. Kline, Jr.; vice-presi-  
dent, Prof. R. C. Haydon; secretary-  
treasurer, Mrs. L. J. Bowman.

Elder Geo. Beahm, Rev. Welcher,  
Prof. F. G. Sigman, Rev. Wine and  
Rev. M. C. Miller gave interesting  
and very instructive addresses, dur-  
ing the afternoon, along all phases  
of Sunday school work.

The evening services began at 8:00  
with Rev. O. R. Kesner leading in  
devotionals.

The quartet from the First Baptist  
Church of Alexandria under the di-  
rection of Mrs. Julia Culbreth Gray,  
so talent rendered several selec-  
tions. Addresses were made by Mr.  
Robt. Cox, city sergeant of Alexan-  
dria; Dr. A. L. Maiden of Clarendon  
and Rev. Minor Miller. The address-  
es centered around the one great  
word—"Friendship."

Little Miss Thelma Garber sang a  
solo, "The Secret." Miss Jessie May  
Connor rendered a solo also. The  
benediction was by Rev. Blough.

Many things have been accom-  
plished during the past year but  
much more remains to be accomplish-  
ed. If we could just fully realize  
that in our thoughts and actions to-  
day we are sowing seed. What shall  
the harvest be? The reaper do well is  
apt to regard success as a matter of  
luck, and naturally looks upon him-  
self as one of the unfortunate upon  
whom the gods have not bestowed  
their goods. But a successful man  
looks at life in an entirely different  
manner. He realizes that his success  
is not a matter of luck, but of sav-

ing the proper seed, watching closely  
the period of cultivation and taking  
care of the harvest in the proper  
way. May we as Sunday school work-  
ers sow the right kind of seed that  
we might reap a bountiful harvest  
during the coming year.

Mrs. L. J. Bowman,  
Sec'y Co. S. S. Ass'n.

## UNTIL WE LEARNED BETTER

Until we learned better, we used to mix wood and steel in our car bodies and wheels.

It was the best way to make bodies—then. But the state of the art has advanced.

Of course, it is more expensive to make an all-steel body than to make a wooden frame and nail steel panels on to it. The better way involves an initial expenditure of several millions of dollars for new dies, which renders a change very costly. Cars, especially large expensive cars which are produced in small volume, cannot afford this, because the dies cost as much for one car as for a million. That alone explains why all-steel bodies are not used in all cars.

But our basic policy from the beginning is to make a good car better, regardless of cost.

For example, when we discarded wood-steel body construction, it was not because we lacked wood. We still have some thousands of acres of the best hard wood in America. Economy would urge us to use up the wood first, and then adopt the better all-steel body. But we decided that quality was more important than expense.

We weighed the reasons, for and against, before we made the change.

We could see only one reason for retaining a mixed wood-and-steel body —nailing the metal on, instead of welding an all-steel body into a strong one-piece whole. That reason was, it would be cheaper—for us.

Our reasons for adopting an all-steel body were these: A wood-steel body is not much stronger structurally than its wooden frame. In all American climates, wood construction weakens with age. Every used car lot gives evidence of this. Rain seeps in between joints and the wood decays. A car may have a metal surface, and yet not be of steel construction. Under extreme shock or stress the steel body remains intact—dented perhaps, but not crushed.

Steel does not need wood for strength or protection. Wood is fine for furniture, but not for the high speed vehicles of 1933.

In the Ford body there are no joints to squeak, no seams to crack or leak.

The all-steel body is more expensive—to us, but not to you.

By all odds, then, steel bodies seem preferable. Wheels also have become all-steel. No one argues that an electrically welded one-piece steel wheel, such as the Ford wheel, needs to be "strengthened" by adding wood to it.

The one-piece all-steel body is the strongest, safest, quietest, most durable body made. That is our only reason for making them.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in after years.

**RETURN TO THE LORD:** Let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto the Lord, and he will have mercy upon him: and to our God, for he will abundantly pardon.—Isaiah 55:7.

## THE NEWMARKET CONFERENCE

The Ninth Annual Convention of the Newmarket Conference of the Evangelical Lutheran Synod of Virginia is concluding a two-day session in Manassas today.

It is a pleasure to welcome the splendid group of ministers and lay members of the Conference to our historic town and to record an appreciation of the strength of the Lutheran work in this community.

Virginia was one of the states which took the lead in the organization of the Lutheran church a century ago and Lutheranism is well represented in the great Valley of Virginia.

Our sister county of Madison has the priceless possession in the oldest Lutheran church in continuous use in America. The Lutherans of Prince William and surrounding counties include many lineal descendants of the sturdy pioneers who established Lutheranism among us, and they constitute a fine element of our citizenship.

No religious conference held in Manassas in recent years has evidenced greater zeal for the Master's work. The theme of the conference has been "Crucifying for Christ," and the conference unquestionably has renewed the spirit of its members as they go forward in their great work.

## WILFRED E. MCCOY

It is with deep regret that we record the untimely death of Wilfred E. McCoy, of Manassas, who died last Sunday and was laid to rest at 5 o'clock Tuesday with full Masonic honors.

Mr. McCoy was not only a pioneer in the field of motor transportation but had contributed substantially to the science of auto-transportation in the successful methods which he devised to meet his own problems and which were quickly adopted throughout the industry.

Two years ago, before the national depression had curtailed the activities of all public carriers, the McCoy Transportation Company efficiently covered a vast network of mileage between Virginia and Washington, constituting an organization which for years to come will guide his successors in their efforts.

Without precedents to guide in the formulation of methods, the McCoy Transportation had specialized in the hauling of milk into Washington to such an extent that a fleet of 21 trucks covered the surprising distance of 3500 miles every 24 hours, mostly in the hours of night.

The McCoy Transportation was organized in the days before the State had perfected much effective regulation. Mr. McCoy had to blaze the trail, often in the face of competitive and other great difficulties. When finally the State required certificates of public necessity from truck operators, Mr. McCoy was the first to get a license from the Virginia Corporation Commission.

The passing of Wilfred McCoy is the occasion of widespread regret. His contribution to the great transportation development will long be recognized by those who have had to grapple with these perplexing difficulties.

## MACKS TO PLAY OCCOQUAN SUN.

Macks Beat Sanicos, 16-7.

This Sunday, August 13, will be the occasion of a baseball game to which the fans of the county have been looking forward with great expectancy, and which efforts have been made to schedule all season. It is now a reality and should attract the biggest crowd of the season.

The opponent of the Macks will be the strong Occoquan Athletic Club, which, so far as we have heard, boasts of having won about 23 consecutive games without a loss. This will be enough to make the people of the county to stop and decide on their plans for Sunday afternoon—go to the Swavely field and have the delight of seeing the Occoquan's winning streak broken or extended. The game starts at 3:30 p.m.

Last Sunday the Sanitary Grocery Co. of Washington was added to the Macks' long list of victims in a listless game. The Macks' good hitting was offset by the Sanicos' many errors. But for those errors, the game might have been closer and more exciting. The way the Sanicos handled the ball, it seemed they were trying to imitate jugglers. They insisted on juggling the ball so much that the Macks tallied 16 runs before the end of the game.

The Sanicos had a real slugger in their third baseman, who hit a home run, triple and single. Bradshaw and Reid made a good comeback, after having a bad day the preceding Sunday, each making four hits out of

five. Saunders also came in for a share of glory, making 2 out of 3. Polen again pitched a good game, striking out 14 men.

**MRS. POPE SELECTED PRESIDENT OF CATHOLIC CLUB**

The Catholic Women's Club of Prince William was charmingly entertained at the home of the new resident, Mrs. L. E. Pope, on North Centre street, Wednesday evening, August 9.

The election of officers at a recent meeting were installed as follows: Mrs. L. E. Pope, president; Mrs. Robert Bisson, vice-president; Miss Inna McGill, secretary; Miss Loretta McGill, treasurer.

The president named the following ladies for her committee: Mrs. J. A. Delaney, membership chairman; Mrs. W. E. Compton and Mrs. Jno. Sweeney, jr., entertainment chairman; Miss Margaret Lynch, publicity chairman, and Mrs. W. R. Akers, ticket chairman.

The plans for a dance to be given by the club, September 4, at Conner's Hall, were discussed and a program for the evening outlined.

The Misses McGill of Haymarket will entertain the club for their next meeting, September 13, at 7:30 p.m.

**ROBERT M. REEVES**

Robert M. Reeves, aged 73, died at the District Home on Aug. 9. He had only been placed there for care a few days before. He was born and raised in Prince William County and is survived by five sisters and four brothers.

The funeral takes place today and he will be buried at Brentsville.

There is no doubt about it—experiment stations, individual stockmen and farmers are proving it constantly. More and better feed can be harvested from an acre through a silo than by any other method of feeding or crop production.

And a Silo is no longer expensive. It will pay 50% on the investment each year.

Or pay for itself in two years. The question really is: "Can I afford to do without one?"

## CHEVALIER CHARMING AS BACHELOR FATHER OF "A BEDTIME STORY"

Here's "A Bedtime Story" that will keep you AWAKE!

It's Maurice Chevalier's latest Paramount picture by that name which opens next Monday at the Dixie Theatre. A year-old baby shares honors with the gay Parisian star in a film that's dazzling entertainment from its charming opening through its romantic close-up.

The child—"Monsieur Bab-ee" to you—won the right to play the role in a competition that included practically every infant in California, and he shows why as he gurgles his way to your heart. Edward Everett Horton, who did such a swell job in Lubitsch's "Trouble in Paradise," shares comedy honors with Chevalier, in the role of the valet. Helen Twelvrees, celebrating her return to the screen, has the kissable role of the baby's nurse, while such glamorous femmes as Adrienne Ames and Gertrude Michael give Chevalier—and you—plenty of allurements.

Chevalier is the Vicomte Rene back in Paris after a year's big-game hunting in Africa. He gets back a day before he's expected, opens his "little black book," makes dates with all the dazzling dames for one last fling before bowing greetings to his fiancée. But, when he gets back home, ready to dress for his appointments, he finds a baby in his car, abandoned—and, the baby looks like him. He's delighted, enchanted, thrilled—decides to keep the baby, breaks his dates, stays home to change diapers and superintends the warming of milk bottles. A few awkward hours and he and his valet decide to hire a professional nurse.

Helen Twelvrees gets the job. She and the baby travel with Chevalier to the home of his fiancée next day. His masculine rivals snort with glee; his feminine friends and their parents snub the vicomte. Then in one dramatic scene he learns that he prefers telling bedtime stories to the lovely American nurse and the baby.

## FIEND DIRECTS BEASTS IN SHIVERY MURDERS, TENSE MYSTERY MOVIE

The wild beasts of the zoo—snarling behind the bars of their cages in the Carnivora House—are the witnesses of the screen's newest and most ingenious death method in Paramount's "Murders in the Zoo," which opens next Wednesday at the Dixie Theatre, featuring Charlie Ruggles, Lionel Atwill, Kathleen Burke (the Panther Woman), Randolph Scott, John Lodge and Gail Patrick.

A new insidious killer slithers across the screen in this terrifying drama of death upon death. It is the fatal Green Mamba, scourge of the jungle, feared alike by men and beasts on the Dark Continent from whence it comes to give screen audiences the merry old jitters.

But the Green Mamba is merely the living symbol of the machinations within the distorted mind of Eric Gorman, played by Lionel Atwill. He portrays one of those "bring 'em back alive" animal collectors who, more often than not, sends his human opponents home dead.

It is his insane jealousy of all who looks upon his beautiful wife (Kathleen Burke) that is responsible for his evil purposes and still more evil actions. When, in the opening sequence, he sews a man's lips together because this friend dared, in a drunken moment, to kiss Atwill's wife, the audience wonders what more imposing punishment may be devised for the man's later victims.

Charlie Ruggles furnishes the comedy relief most effectively. He thoroughly enjoys the role of Peter Yates, dithering press agent to whom animals are anathema, yet who, nevertheless, grabs the zoo as his last chance. It is his publicity-minded brain that evolves the strange idea for the benefit banquet in the animal house, attended by "languishing ladies and multi-millionaires" at which one of the many killings took place. As far as Ruggles is concerned, it all comes out in the end, for in a well-mottled condition, he gets up enough courage to sock a lion in the nose and is mighty proud of his new-found courage.

## WESTERN AT DIXIE SNAPPY AND LIVELY

"When a Man Rides Alone," the Monarch film which starts an engagement next Friday, August 18, at the Dixie Theatre, stars Tom Tyler, that popular young Western player who is likeable, speedy, young and clever.

Tyler, as the Llano Kid, is a sort of Robin Hood of the West. Unbeknownst to all and sundry he is robbing the Cottonwood coach only that he may repay those who were fleeced by his father's partner, who afterward killed the part-owner of the rich vein.

The kid is determined to "steal" only enough to reimburse the people who put their life's savings into the venture—and on his last expedition finds a girl passenger who becomes the disturbing influence and the cause of much trouble and many complications which, happily for all, terminate quite satisfactorily. However, there is some splendid riding, some clever and ingenious situations and a real slam-bang Western with snap and pep!

Adele Lacey, a beautiful blonde, plays opposite Tyler. She was seen most recently in Warner's "42nd Street" and likely more will be seen of her. Al Bridge is the villain. The picture was directed with skill by J. G. McGowan.

## BUCKLAND

Dr. Thurston G. Brown, for the past 50 years a physician and resident of Buckland, passed quietly to his rest on Thursday morning, Aug. 8. He was 77 years old and up until a short while ago, when he suffered a stroke of paralysis, had been quite active. He will be greatly missed in this and adjoining communities in which he had built up such a large practice and in which he had made so many friends. Funeral services were conducted from St. Paul's Episcopal church, Haymarket, of which the deceased was an active member, on Saturday, Aug. 5, by the pastor, Rev. Mr. Carpenter, and his remains were laid to rest in the cemetery there.

The large crowd of sorrowing relatives and friends who came on Saturday to his funeral testified to the high esteem and love in which the doctor was held by all who knew him. His funeral was said to be one of the largest in these parts for many years, and the floral tributes were very beautiful, especially a spray of pure white lilies given by the Pentecostal church of Buckland.

Those surviving are his widow, to whom we extend our sincere sympathy, and two sons, Mr. Harry Brown, of Maryland, and Mr. Thurston Brown of Romney, W. Va. The vestrymen of St. Paul's church acted as pall bearers.

Miss Shirley Fowler is spending a month's vacation with relatives in Lyon Park.

Little Miss Mary Catherine Calvert of Marshall is visiting her grandmother, Mrs. M. C. Calvert.

## CHEVROLET

*leads the field*  
by the widest margin  
in its history

CHEVROLET, AMERICA'S NUMBER 1 CAR—47.99% of all low-priced cars sold

NUMBER 2 CAR—26.74%

NUMBER 3 CAR—19.21%

\*Based on the latest retail registration figures from R. L. Polk & Company (all states for five full months). Since January first Chevrolet has sold in excess of 370,000 passenger cars and trucks.

True enough, it isn't news any more to say that Chevrolet leads the world in automobile sales. People have come to take that for granted. But this year there is an important difference. In the face of the keenest "show-me" market the industry has ever known, Chevrolet has increased its margin of leadership. In fact, according to the latest available figures, Chevrolet alone has sold almost as many cars this year as all the rest of the low-price field combined!

When a car looms above its field like that, there can't be any argument about it. It must be an all-round better buy. And that's exactly what Chevrolet offers you.

The bodies are Fisher bodies, and that's the most famous name in its field. Famous for styling and luxury. Famous for pioneering such revolutionary advancements as the new ventilation system that lets you make your own weather. Famous for using the strongest and quietest body construction of the day—solid steel over a sturdy hardwood frame.\* The engine is a valve-in-

head six, and that's the same basic design that has been breaking economy and dependability records for year after year. It's Cushion-Balanced to blot out vibration. It's full of snap and vigor. In fact, it has been called the most efficient engine in the low-price field.

Then there's Syncro-Mesh with Silent Second. There's the Starterator. There's Simplified Free Wheeling, the Octane Selector, long, parallel-mounted springs—more advancements than we have space to describe, but all of proven value. What's more, Chevrolet prices start at \$445, and no Chevrolet is listed above \$565!

Already this year, hundreds of thousands of owners have put this car through every kind of test, driven it millions of miles, and proved that it is right! No other car in the world bears such a recommendation. Don't guess—buy from the leader.
