## MINISTER TALKS ON LIBERIA

Rev. H. S. Donovan Tells Kivans of His Experiences.

"Bish" Gibson scored a bull's eye with the Kiwanis Club when he introduced Rev. Herbert Donovan, erstwhile of Liberia but now engaged in missionary work at Fairfax where he is building a replica of old Payne church, an antebellum structure destroyed during the War between the States.

Mr. Donovan is a dynamic proposition who says just what he feels like saying in a way which is entertaining far above the average. In telling of his experiences in Liberia, the club did not realize that in a most picturesque manner, a missionary sermon was being preached, so realistic in word-picture that the sound of the tom tom could be fancied by a stretch of the imagination.

The rapt attention that Brother Donovan received was louder in its way than any applause he might have gotten afterwards, and there was plenty of fun mixed in so that the club may realize what an excellent officer the Fairfax Rotarians have.

This is Constitution week. That gives Frank Sigman or somebody else a job for a program.

## COMMISSION TO STUDY CONTROL

Governor Appoints Liquor Control Group.

Governor Pollard has announced the appointment of his Liquor Control Commission, which will study the form of control to be adopted by Virginia in the event that Virginia votes for Repeal on October 3. All states so far voting have registered big majorities for Repeal and it is conceded that Virginia will do the same.

The Commission has been selected as follows: R. Walton Moore, John Paul, John L. Ingram, Walter Mapp, James S. Barron, John W. Eggleston, A. P. Staples, Henry T. Wickham, A. E. Shumate, George W. Layman, Wilbur C. Hall, Chas. W. Moss, Y. Melvin Hedges, Melville Bustard and Howard Zigler.

Commenting upon the work of this Commission, the Governor said: "I consider the work of this commission vitally important to the future welfare of the State. The experience of the past shows that the nature of the liquor business is such that it cannot be trusted to control itself. No satisfactory solution of the problem has ever been found. Yet I am confidently hoping that this commission may be able to work out a plan which will reduce the evils of the traffic to the minimum. Every man whom I have selected has had experience in law making and law administration and all are imbued with earnest desire to promote the cause of real temperance. We have driven out the boot-legger."

MRS. GILREATH TO SPEAK  
AT METHODIST CHURCH

Mrs. Lem Gilreath, national W.C.T.U. evangelist of Charlotte, N. C., will speak in Grace M. E. church, South, Thursday, Sept. 21, at 8 p.m. Bob Jones, evangelist of Montgomery, Ala., says there is no more gifted woman in the south today than Mrs. Lem Gilreath.

Mrs. W. C. Hagan, pub. superintendant of Tennessee W.C.T.U., says because of her broad vision, high spiritual life and strong personal resemblance to her, Mrs. Gilreath has won the encomium of the Frances Willard of the South. Rev. Ovahood of Sanderville, Ga., says Mrs. Gilreath is highly endowed and deeply spiritual. She lives very close to God herself and lifts her hearers into the very secret of his presence.

Mrs. Gilreath will also speak at Cannon Branch Wednesday, Sept. 20 at 8 p.m.

Everybody invited to both of these services.

Come and hear this gifted woman.

## VALUABLE BOOK LOST

The library has lost a valuable reference book, "The Rise of American Civilization" by Deard. Please return to Mrs. C. R. C. Johnson.

## JUNIOR WOMAN'S CLUB TO PRESENT PLAY

The Junior Woman's Club of Manassas will present a three-act comedy entitled "Uncle Henry's Wedding" in the high school auditorium, November 3, and 4. Many well-known persons of the town will have parts in the cast. The proceeds will be used for the charity work of the club.

## MRS. ASHFORD HOSTESS TO UDC

Interesting Meeting Held.

The Daughters of the Confederacy were the guests of Mrs. T. J. Ashford with Mesdames William P. C. C. M. and Miss Lucretia Larkin assisting. A large attendance responded to the cordial greeting of the hostesses.

The usual opening exercises, minutes and reports of standing committees were heard after which Mrs. Hibbs gave a comprehensive and very interesting report of the historical work accomplished during the past year.

Mrs. Marsteller reported interest and enthusiasm shown over the ball to be held for the benefit of the Battlefield Museum.

Mrs. Johnson stated that a very valuable addition to the library, The Autobiography of Gen. Eppa Hunton, written at the age of eighty years, had been presented by his grandson, Eppa Hunton IV. The library is indebted to Mr. Robert A. Hutchison who was instrumental in securing this valuable book inscribed to Old Prince William.

Mrs. Marsteller read an interesting little poem, My Granddad, which met with enthusiastic applause.

Mrs. George Tyler was to have taken part in the historical program could not be present. Mrs. Newman gave the history of the company to which her father, Capt. J. E. Herrell, belonged.

The following delegates were elected to represent the chapter at the State convention to be held in Richmond Oct. 1: Mrs. Robert A. Hutchison, Mrs. Humphrey Hibbs, Mrs. Guthrie, Mrs. Lucretia Larkin; alternates, Mrs. Lomas, Mrs. Byrd, Mrs. Nash and Mrs. Kinchele.

The program completed, delicious refreshments were served and another pleasant and profitable afternoon ended.

## WHEAT GROWERS MUST HURRY

Prince William wheat growers are joining in with their neighbors in the Agricultural Adjustment Administration and applications continue to come in numbers to the office of F. D. Cox, County Agricultural Agent, daily. Approximately 50,000 bushels have been signed up to date with Gainesville district leading in number of applications for contracts and Brentsville district following closely.

While it is not expected that the dead line for receiving applications will be set by Secretary of Agriculture Wallace before Sept. 20, growers are asked to fill in and return their applications for contracts as early as possible as if they wait too long, the final date may pass before all necessary evidence of acreage and production can be obtained. The average payment for the acres taken out of production will amount to about \$16.00 per acre as based upon the three-year average production estimates for the county. County leaders are assisting in getting additional information to those who have neglected to sign up before this time.

Showing that the government census figures are approximately accurate, the average production per acre supported by purchasers and threshermen's certificates for the applicants is 17.8 bushels per acre while the census figures for all growers report 17.6 bushels per acre.

## MRS. BELL'S FUNERAL

The funeral of Mrs. Jesse M. Bell, who died at her home on Wednesday afternoon after a very long illness, will be held at the Methodist church on Friday afternoon at 2:30. She will be buried in the Manassas cemetery.

Drive carefully in school zones. Remember that school is open now.

## YOUNG DEMOCRAT ACTIVITIES

Committee Appointed for October Election.

The Young Democratic Club of Prince William held its regular monthly meeting on September 12 at the court house in Manassas. After a few opening remarks by President Leachman a discussion on the approaching election to determine the fate of the 18th Amendment ensued. Messrs. W. Hill Brown, Jr., and Noel Lynn, Jr., were appointed a committee to assist in polling a large vote.

Following this there was a lengthy discussion on the desirability of obtaining new members for the club. In order to raise funds and secure new members the club decided to hold a dance on September 19, and the following committee was appointed to make arrangements therefor: Misses Sallie Lewis, Lucretia Larkin, Walter Conner, and Messrs. W. Hill Brown, Jr., Noel Lynn, Jr., and Dudley Martin, chairman. Mr. E. R. Conner advised the club that in his opinion the dance would not require a town tax, and he was appointed a committee of one to obtain the permit. Mr. Conner further showed his kindness and interest in the club by donating the use of his hall for the dance. It was also decided to ask the clubs of the adjoining counties to join with the local club in making the dance a success.

After this the meeting adjourned.

## SPECIAL SESSION PASSES 16 ACTS

Review of Results of the Extra Session.

Sixteen acts of the recent special session of the Virginia General Assembly became law as Governor Pollard affixed to them his signature.

Among those signed by the Governor were bills allowing counties which had voted out of the Byrd secondary road system to reenter; increasing public utility assessments for investigation purposes; the major public works bill; the Hall Bill eliminating duplication in indictment fees for commonwealth's attorney; the Page Fee Bill abolishing special fees in prohibition cases, after February 15; the bill setting up a dark fixed tobacco grading system, and the Page Bill repealing parts of the Layman Act, providing that prohibition fees should defray the enforcement costs instead of going entirely into the literary fund, which already had been declared unconstitutional. In addition to these there were others including several local measures.

The enactment of the public works bill enabling counties, cities and towns to secure fuller benefits of the national recovery act, practically rounded out the program of beer legalization, repeal machinery and public works legislation for which the special session was called. Previously the Governor had signed the Hall bill legalizing 3.2 beer, the Holt Bill setting October 3, for a referendum on national prohibition, and the Staples Eggleston Bill, calling a referendum on State prohibition on the same date, and setting up a commission to study liquor control.

Local bills signed included those declaring the Richmond County court house square a part of the several magisterial districts; naming a portion of State highway 55 the "John Marshall Highway"; authorizing the Highway Commission to relocate a part of route 236 in Arlington County, and repealing the charter of the Town of Independence in Grayson County.

## CARRIER PIGEON LO- CATES AT HAYMARKET

A blue carrier pigeon has been at the home of Chas. J. Gillias at Haymarket, Va., for several days, having evidently become tired from a distant flight.

Both legs are banded and the ring on the right leg bears the inscription R.H.S.-323 L.F. 33. That on the left leg seems to be blank.

The bird, which is very tame, has been well taken care of, and it is hoped that the owner will see or hear of this matter.

Attend the Young Democrat Dance next Tuesday.

## MACKS DEFEAT STONEWALL 5-1

Reid Leads Way at Bat as Town Teams Engage in Interesting Contest.

The battle which has been waged upon the street corners and about the favorite meeting places in town throughout the summer, was carried to the Swavely field last Sunday and settled there. The Macks and the Stonewalls met and the Macks came out on top at the end of the tussling by a 5-1 score.

Though the score was rather decisive, the game was closer than this would indicate. The Macks helped themselves to three runs in the fourth to overcome a one-run lead set up by the Stonewalls in the second inning. After that there was no further scoring until the eighth, when the Macks added two more markers as a parting gesture, making it more certain that they would not have to go to bat again in the ninth inning.

Each pitcher allowed seven hits, but Polen succeeded in scattering hits so that no two came in the same inning. He was able to put on steam in the pinches. He struck out thirteen batters who faced him during the course of the afternoon, and on five occasions in which he got the third strike by his men, there was a runner in scoring position. Conner, Smith and Wilson Kite fell victim to his teasing curves on no less than three occasions each.

Reid led the Macks at bat with three singles, leading off in the fourth and eighth with hits that were turned into runs.

Eddie Conner, who pitched a sterling game for the losers except for the two innings in which he was scored upon, was given good fielding support by the men behind him. Especially outstanding was the play of Lynn behind the bat and Leith in centerfield. Tommy Kite and Albright also contributed some exhibitions of good fielding around the middle sack.

## HALL CONFIDENT OF SCHOOL RELIEF

Expresses Approval of Legislature's Work.

Arriving at a late hour in the meeting of the county teachers' institute, Dr. Sydney Hall, state superintendent of public instruction, addressed a joint meeting of the institute and the Woman's Club yesterday afternoon.

Dr. Hall was deep in his appreciation of the unselfish manner in which the teachers of the state had helped meet the economic issues. He stated that in twenty-one of the hundred counties last year the teachers donated from one day to six weeks of their time to keep up the minimum requirements for a standard term.

Dr. Hall declared that when he came into office the general impression was that Virginia was operating on a nine months' term but that it had never done so. Such progress had been made, he added, that in only a very few counties was less than a standard term being held.

Dealing with the responsibility of the locality and the state, Dr. Hall asserted that the State must take up where the locality failed.

"The burden of the responsibility to maintain efficient school system lies, with the General Assembly, as specifically laid down in the Constitution," he said. "Shall Virginia do as North Carolina? God forbid. North Carolina does not take over the whole burden but leaves a considerable part of the burden still on the community."

"My good friends," continued the speaker, "think that we have just as much money available as in 1915. They do not realize that our school population has nearly trebled in that time."

Indirectly referring to the attitude of the Assembly on other issues, Dr. Hall was almost dramatic when he said, "If we can find money for other things in Virginia, we can find it for our own flesh and blood."

He was commendatory of the work of the special session of the legislature, stating that they had made sufficient provision to take care of such counties as could not operate until February 1, 1934, and which time, he said that he felt confident that new legislation would find a final remedy to the present situation.

Closing with a brief reference to the revised course of instruction, he informed the teachers that copies of the tentative curriculum would be sent out about September 20, upon which would be founded the final printed forms that will be gotten up next summer.

## INDIANS RETURN COMING SUNDAY

Will Play Macks in Last Home Game of the Year.

Fans who remember the exciting battle four Sundays ago between the Macks and the Quantico Indians will have another chance this Sunday to see the same two teams again in action. Last time that these two met, the game went to thirteen innings before the Indians were able to put over a run and snatch the decision.

If you will remember, defeat came to the Macks only after they had staged a heroic stand in the ninth inning by putting across two runs to tie up the ball game for "Doc" Dreifus, who, by the way, will be back to pitch this Sunday for the locals.

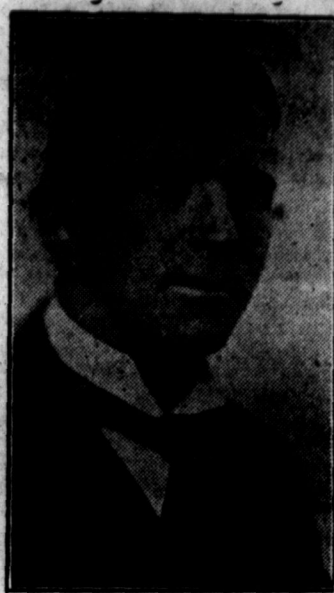

The local ball-punishers are determined to turn the tables on the Indians in what will probably be their last game at home for the year, and your last chance to see them in action until next year.

## ELECTED TO COUNCIL

Mr. Ben Pitts, proprietor of the Dixie Theatre of Manassas, and a champion of other popular moving establishments in Virginia, has just been elected a member of the City Council of Fredericksburg, to succeed D. J. Garnet King.

## TO CO-OPERATE WITH DAIRY FESTIVAL

The Fairfax County Chamber of Commerce at its meeting Tuesday night appointed a special committee, with Mr. John W. Brookfield as chairman, to co-operate with the Piedmont Virginia Dairy Festival which will be held in Manassas on September 30.

HON. HOWARD W. SMITH,  
Who will crown Queen Culpeper at  
the Tri-Carnival.

## CULPEPER CARNIVAL VAL SEPT. 15-16

Hon. Howard W. Smith Will Crown "Queen Culpeper."

The Culpeper Tri-Carnival, sponsored by three organizations, will be held next week, Sept. 15 and 16. The organizations that are putting on the big event are the Fire Department, the Municipal Band and American Legion Post No. 44.

Exercises will start with a big parade at 10 o'clock on Friday and the committee in charge states that there will be something worthwhile going on all the time. There will be racing at 3 p.m. on the opening day. The baby show will close Saturday night. The first public wedding ever held in Culpeper will be staged at 8 p.m. on the second day, when Miss Mary Dodson will become the bride of Mr. Elmer A. Bowling.

"Queen Culpeper" will be crowned by Hon. Howard W. Smith, Congressman from the Eighth District. Miss Frances Coleman was selected and she in turn picked her maids of honor, Miss Sallie Ratlie and Miss Anna Minter.

The automobile will be given away Saturday night. The Marine Band from Quantico will be on hand and many of the most prominent mercantile establishments will close on Friday. Mr. Rufus G. Roberts is chairman of the reception committee.

## CHARTER ROLL IS COMPLETE

Organizer Calling for Prompt Payment of Fees.

At the regular meeting of the Bull Run Juniors on Tuesday night, J. S. Woodward was appointed to fill the unexpired term of the financial secretary.

A rising vote was taken in which thanks were extended to Mrs. McDonald for the beautiful American flag which she has presented and also a vote to thank Mrs. J. H. Boley for the care and attention she has given the flag. The council expects to give this flag to the new Prince William County Council Daughters of America as soon as formed.

A motion of regret was passed at Mr. Owens' inability to serve as financial secretary, due to his expected absence from the council chamber.

The charter roll of the Daughters of America has been filled but is being held up due to the fact that several have not yet sent their two dollar fee to the organizer, G. D. Baker. Mr. Baker is anxious to get this fee in order to send the charter in to state headquarters at once. Any others desiring to join as charter members may still do so up to the time that Mr. Baker send in the papers. After that they will have to join merely as members.

## HIGH SCHOOL LEAGUE MEETING

Patrons League will meet Thursday, Sept. 21, 3 p.m., in the high school auditorium. Large attendance requested.

Mrs. H. T. Davies, Sec'y.

Mr. and Mrs. Bradford motored to Raleigh, N. C., to take their daughter to St. Mary's College.

**CATHARPIN**

"Colonel," the much prized saddle  
horse belonging to Mr. L. J. Pattie,  
died from founder last week and in  
departing left behind him a sorrow-  
ing family of children to say nothing  
of the parents. Colonel was a pacer  
and a fine looking steed and a com-  
panion of the Pattie children when  
almost daily some of them could be  
seen on the highway either alone or  
with neighboring children taking a  
ride, often two or more sitting tan-  
dem on his back. It is always a loss  
to lose a good horse but when that  
horse is a "member of the family"  
the loss seems so much greater.

The work of resurfacing the road  
from Catharpin to Gainesville is  
again progressing rapidly after a  
two weeks' shut-down due to flood  
conditions when material could not  
be gotten from the stream. This route  
has been the main gateway to mar-  
ket for this section ever since Methu-  
selah was a boy and has always been  
more or less a problem in winter.  
Now the prospects are that this im-  
portant "artery" of commerce will be  
navigable the year-round and all are  
consequently happy. We are not ask-  
ing for, nor are we needing a cement  
road but badly need just such an one  
as is now in prospect.

Mrs. J. E. Sloper of the Catharpin  
neighborhood who had her right arm  
badly lacerated from the elbow to  
wrist is slowly recovering according  
to last reports but it is feared the  
elbow may always be stiff. It will be  
remembered that while Mr. and Mrs.  
Sloper were returning from Wash-  
ington their car was sideswipped by  
a passing truck and catching Mrs.  
Sloper's arm this inflicting the in-  
jury. The wound has been painful and  
it is hoped she may soon recover.

Master Paul Hoffman, young son  
of Mr. and Mrs. Leslie Hoffman of  
Washington, was taken home last  
week suffering from something like  
jaundice. Paul had been with his  
grandfather, Mr. J. H. Schaeffer, for  
the past six weeks and a splendid  
little boy he is. His mother, nee Les-  
sie Schaeffer, came for him immedi-  
ately upon hearing of his illness.

Sudley was delightfully entertained  
during the Sunday school hour last  
Sunday by Mr. M. F. Collins, director  
of the South Chicago Neighborhood  
House, Chicago, Ill., an institution of  
the Northern Convention Baptist  
church for the care and training of  
indigent children and young people in  
the mill section of that city. Mr. Col-  
lins is a nephew of our own Mr. R. A.  
Collins of Catharpin with whom he,  
his wife and little girl are now visit-  
ing. The talk was along the line of  
work done and was very informative  
especially to people who never come  
in contact with conditions the insti-  
tution aims to help. Mr. Collins is  
a young man of very pleasing per-  
sonality and is doing a great

Rev. and Mrs. J. L. McCutcheon  
and daughter, Mrs. C. F. Feuchsel of  
Clarendon, and Dr. R. P. McCutcheon,  
wife and daughter of Tulane Univer-  
sity were Oakwood visitors on Sun-  
day last.

Misses Betty and Frances Brower,  
young daughters of Mr. and Mrs. W.  
S. Brower, of Lone Oak, returned  
home Sunday after a visit with their  
aunt, Mrs. E. A. Willis, of Clarendon,  
Va., during the past week.

The annual conference of the M. E.  
church, South, will meet in Roanoke  
on Wednesday, October 4, or just  
about three weeks hence. During  
that time there is much to be done  
in order to complete finances for the  
closing year and to put things in  
shape for the beginning of the new.  
The congregation must realize that,  
even tho' times are what we call hard  
and money not plentiful, yet there is  
a personal responsibility resting upon  
all members to see that their church  
is properly supported. The church at  
large is always willing to take its  
share of the burden by working out  
plans in the best way possible to  
meet a depleted treasury; but so  
many have "depleted" in their giving  
that they have reached the point of  
absolute "extinction," thus rendering  
a circumstance under which no man  
can work. We therefore make this  
appeal to all members and friends of  
Sudley who may read this item to  
recognize the benefit the church is to  
them and the community and do what  
is necessary in this time of need.

Mr. and Mrs. Palmer Smith and  
daughters of Gainesville were Sun-  
day callers at the home of Mrs. Jen-  
nie McIntosh.  
Corn cutting is now the order of  
the day and aside from the extra la-  
bor required to handle it, little da-  
mage to either fodder or grain is  
realized.

They say this world is just one  
thing after another. You will note  
we omitted that little "sweat word"  
before "thing" but sometimes it  
seems just that way. A very few  
years ago when the automobile began  
to seem like a reality, we thought  
"My! wouldn't it be fine if we could  
have a little smoother roads?" In  
the course of time roads began to  
improve and the old, diagonal cross-  
drains on the hills which always was  
made, were eliminated. The old "King  
drag" was then introduced which

helped things considerably and we  
then thought we were happy; but  
alas and alack! it only created an ap-  
petite for more and better roads and  
the fuss was on in earnest with our  
supervisors and elections often hinged  
on the candidate's ability or lack  
of it, to build them and get them for  
nothing. Usually the candidate who  
promised to reduce taxes and still im-  
prove the roads would be elected. Then  
it began to be whispered around  
that it might be a good thing if we  
could have roads upon which we could  
travel the year round, etc., until now  
most of the roads in the county are  
in just that shape; but now instead of  
mud, the elimination of which we  
thought would make us forever hap-  
py, we are confronted with another  
complaint—dust.

The thing that brought the fore-  
going preamble to mind was a little  
dialog heard the other day when  
some "city cousins" came for a call.  
One of them had a beautiful car;  
bright, shiny and glistening, which  
when clean one could see his intellec-  
tual visage mirrored wherever he  
might look; but it had a little dust  
on its beautiful countenance which  
caused its owner to remark to an-  
other member of the party "I told  
you it would be dusty out here; I  
didn't want to get it dirty." To which  
the addressed replied, "I don't blame  
you." And so it goes. "The more we  
have the more we want." While the  
above remarks were uttered in no  
ugly or unappreciative spirit yet they  
simply prove the fact that when we  
get a new suit or a new dress we  
want to keep it clean, at least until  
nature dims its luster or something  
else more attractive appears on the  
horizon. So we are never at a "stand-  
still"; the things that pleased us yester-  
day are not attractive today. Once  
we would have been glad to trade  
mud for dust; but today we do not  
want either and perhaps before an-  
other decade rolls around it may be  
no uncommon sight to see the road  
sprinkler or the oil sprayer taking up  
the trail where once the old "King  
drag" used to reign supreme. But  
such is nature.

Mr. C. E. Ellison, long a resident  
of the Catharpin neighborhood, cele-  
brated his eightieth birthday on Sun-  
day last when many of his children,  
grandchildren and friends spent the  
day with him and wished him well.

**TWIN CITY GOSSIP**by Geo. Dent  
(OCOQUAN AND WOODBRIDGE)

Virginia the Mother of states . . . The Old Dominion . . . The native soil of Presidents . . . The camping ground of the great men of yesterday . . . The bivouac of the immortals . . .

When we call the roll: Washington, answers "HERE"; Madison "HERE"; Monroe "HERE"; Patrick Henry "HERE"; Lee "HERE," and several score of other great men and women answers the Long Roll call from the sacred soil of Virginia . . .

The first representative legislative body in North America was called to assembly in Virginia . . . Since that date we have wandered up and down the ladder of fame . . . The recent special session of our legislature is a monument to our decadence . . . This General Assembly was controlled completely by the "high pressure political repealer."

The inside story of the hurried call of the extraordinary session of the legislature can now be repeated as glibly as "Polly wants a cracker." The repealer was blowing their horns and howling for action—more action. They were putting on a red hot campaign, and turning loose high pressure propaganda. The gubernatorial primary was drawing near. Something had to be done to quiet the bull in the China Shop . . .

The one-man power that holds the political destinies of Virginia in the palm of his hand, hurried down from the Federal City on the Potomac and ordered his lieutenants mobilized . . . In the City on the James a meeting was called, and like the President of The Fresh-Air-Taxicab-Co.: "All in favor say, 'I', opponents, 'No'; I have it, so ordered . . ."

A special session was decided upon regardless of cost; the political destinies of Virginia must be saved . . . Next question: Who will engineer the handling and cover all tracks so perfectly as to make it appear that the PEEPFUL demand the session?

The Senator from Louisa, NO . . . He tried to put thru the call, but

failed to get permission from the "BOSS."

The job was assigned to a dry lieutenant. Dry with reservations. Political expediency picked the Senator from Halifax. The exact path to follow in calling the special session was decided upon . . . A telegram was dispatched to each member of the lower and upper house, with specific orders to the members to forward the following telegraphic message to Gov. Pollard: "I hereby make application to you as Governor of Virginia to call the General Assembly in extraordinary session . . ."

This was telegram number one . . . Telegram number two was written and sent to each member and ordered to be read word for word to Governor Pollard: "I hereby pledge myself to vote for whatever is expected of me on opening day of extraordinary session limiting action of the session to beer legislation, repeal of the 18th Amendment and such other matters as may be laid before the General Assembly in writing by the Governor . . ."

Telegrams went in as per orders, "I" dotted and "TS" crossed. The special session of the "Beer and Pretzel" General Assembly is now past history . . . We may read the wonderful legislation they put thru by picking up any one of our daily state papers and noting the full page beer ads . . .

They not only gave us BEER and PRETZELS, but presented us with a neat, cut and dried deficit, nicely carved and labeled, "More Taxes . . ." This deficit amounts to not less than \$350,000.

Instead of reducing the deficit with legalized beer revenue, etc., we find our State Treasury pushed further from a balancing point . . . Owing to the refusal of the members to take a cut, our "Beer, Pretzel and deficit session" will cost the taxpayers \$70,000 salaries first . . .

In round figures \$400,000 of perfectly good, off the gold standard, was appropriated . . . Add to this amount the cost in salaries of the extraordinary session and we have a grand total of \$470,000.

We have five months to collect beer revenue . . . The best estimate by our

tax authorities give us \$250,000 for 12 months revenue on beer. The 5 months that we have for the sale of legalized beer before Feb. 1 are winter months, generally speaking, and cannot possibly bring in a revenue of over \$117,000 top estimate.

So we have the total cost of our "Extraordinary, Beer, Pretzel and Deficit Session." \$470,000 minus estimated revenue, leaves us in the RED a little over \$350,000.

Gov. Pollard forecast in his message to the special session stated that the deficit at the end of the current biennium, June 30, 1934, would in all probabilities reach \$1,500,000 . . . Add the cost of the special session and our biennium deficit will touch close to the \$2,000,000 mark.

Gov. Pollard figured on the legislature of taking a cut of approximately \$18,000 at the special session and \$50,000 at the regular session Feb., 1934, making a saving of \$68,000. Mr. Legislator figured full time pay and full time pay it was \$350 each for less than two weeks work.

The school buck was passed on to the regular session, only \$150,000 appropriated for school purposes, and this in face of a well-known fact, fifty per cent of our teachers draw a salary of only \$530 per year . . . And that is not all, 77 counties face a short school term . . . Everything, including the widows mite, for highways, but only for one thin dime for schools . . .

Confederate veterans and widows married to veterans before 1880, appropriation \$100,000, as it should be. For Park Lands for C. C. Camps, appropriation \$50,000.

A special fund to finance utility rate investigation of \$40,000 appropriated.

Redistricting Commission, liquor control commission, etc., gets \$7,500.

The law requires that when the next budget is prepared covering the 1934-35 period, our present deficit must be absorbed . . .

Mr. Taxpayer, listen, our costly over-head, state and county government needs a good shaking down, and more efficient and up-to-date methods used upon an institution that is fast decaying . . . In days past it was said that Virginia could boast of two

statesmen to every one politician; time changes, we now boast of ten politicians to every one-half size statesman . . .

Who will wake up first!

The Race: For stock cars of 230 cubic inch displacement and under—a revival of the classic Road Race at Elgin, Illinois.

The Distance: 203 miles, 1896 feet over a course 8 miles, 2499 feet in length.

The Road: Alternating concrete, macadam and gravel, with several sharp turns and bends.

The Winner: A Ford V-8 stock car driven by Fred Frame, Indianapolis Speedway champion.

Next Six Places: Also taken by Ford V-8 entries. This gave Ford the first seven places in the race.

Average Speed of Winner: 80.22 miles per hour.

Top Speed of Winner: 100.3 miles per hour.

Time of Winner: 2 hours, 32 minutes, 6.1 seconds.

These facts tell the story of Ford V-8 speed, stamina, roadability and ease of handling far more conclusively than mere words.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a precious heritage to them in after years.

**GREAT THINGS:** Fear the Lord, and serve him in truth: for consider how great things he hath done for you.—1 Samuel 12:24.

## OUR PUBLIC SCHOOLS

The public schools of Prince William County are opening this week and again we see the inspiring sight of happy boys and girls journeying to their various schools to begin the new year. It is with pardonable pride that we call public attention to the splendid school system in this county. Manassas and the surrounding communities have long been noted for the excellence of the schools and for the fine co-operative spirit existing among the patrons. This desirable situation is not accidental. It is the result of years of earnest labor on the part of school authorities, patrons and the pupils themselves.

We are fortunate in having one of the very best school superintendents in the State, and a public-spirited efficient school board. We are likewise fortunate in the high-class personnel of the teaching staff and, as we have the best kind of material for our student body, it is not to be wondered at that our schools are held in such high esteem and that our boys and girls make such fine records.

In expressing this appreciation of our fine school system, we take the opportunity of offering a word of advice to our young friends. Start right—and keep right. This applies to attendance, punctuality, scholarship, deportment, and to every phase of school activity. Let us all, pupils, patrons, teachers and school authorities, unite in earnest efforts to maintain and advance the efficiency of our public school system.

## GET READY FOR SCHOOL

Approximately 30,000,000 children, ranging from near-graduates to kindergarten, will converge on America's streets and highways this September, all approaching central points. Through the summer they have been scattered throughout the length and breadth of the land; now they are to be mobilized, crossing city thoroughfares or country lanes in long lines going to school or coming home.

It is the solemn duty of every motorist to see to it that these youngsters have a safe passage. By following a few simple rules, he can help cut down the toll of 3,400 children killed and 152,550 injured in 1932. Every motorist

should remember to approach a school zone with care; to slow down at all intersections; to watch his speed on curves in the country. Above all, she should look out for the unexpected. Children who meet after three months' separation, become so absorbed that they forget about the danger of dashing into the roadway, darting from behind parked cars, or trying to retrieve a ball from under the fender of a moving vehicle. The motorist must do their thinking for them.

The reduction in motor accidents to children of school age in the United States is the brightest picture in the safety movement, but there still remains much to be done to further reduce the number of tragedies—90 per cent of which are avoidable. Educators, school authorities and teachers constantly emphasize the dangers of modern traffic conditions, to the children. The one person to bring about great improvement is the motorist. He should drive at all times as he would if his child were in that crowd ahead.—Warren Sentinel.

Watkins, resides, and on returning at Harrisonburg, Va., where Mr. Rexrode's brother, P. J. Rexrode, lives.

Burton Lyons, now engaged in newspaper work in Washington, was a week-end visitor at his home here.

## COUNTY TEACHERS ASSOCIATION

The county teachers' association meeting immediately after the teachers' institute yesterday, unanimously reelected Miss Grace Metz to continue as president for another year.

Miss Metz read a telegram of cheer and goodwill from C. J. Heatwole, executive secretary of the state education association.

The matter of pension funds was discussed and Miss Metz requested a reply from each member asking whether the present system be retained, whether a five percentum levy be placed or whether it be eliminated altogether irrespective of any new legislation. This vote must be in her hands by October 1.

The association nominated the following as representatives to the meeting in Richmond in November: high schools, Mrs. Meade, with Miss Vaughan as alternate; grammar grades, Miss Hillsman, with Miss Jordan, alternate; primary, Mrs. Brydie, with Miss Polen, alternate.

Miss Metz also appointed a committee to frame a constitution and a committee to suggest special objectives at the next meeting.

## 4-H CLUB NOTES

Exhibits for the Ball Brothers contest will be made at each of the club meetings held during the week. Girls in the contest are asked to bring canning plans, canning records and exhibit of 1 jar of fruit, 1 vegetable and tomato to respective club meetings.

## FAIRBANKS IN ROLE OF MODERN CRUSOE

Douglas Fairbanks appears as a modern Robinson Crusoe in his new starring vehicle, "Mr. Robinson Crusoe," which opens tomorrow at the Dixie Theatre.

This production deals with the experiences of an adventurous sportsman who isolates himself on a South Sea island to win a bet. With nothing but a toothbrush and his faithful dog, he comes to grips with nature in the rough, encounters cannibals and no end of harrowing experiences, and finishes with a bamboo penthouse and a beautiful South Seas maiden in his hands. The picture abounds in humor and rapid-fire action, and is framed in a gorgeous and novel tropical setting. In fact, its rhythm and movement is reminiscent, in many instances, of "Robin Hood."

## NOTICE

To Spuras Volhas, if living, and if not, to his personal representatives, heirs and devisees:

You are hereby notified that on the second day of February, 1931, I purchased from C. A. Sinclair, Treasurer of Prince William County, at a sale of lands and lots returned delinquent by the said Treasurer, for the non-payment of taxes thereon for the year 1929, lots No. 33 and 34, block 3, section "A," of the town of Quantico, Virginia; and that I shall apply to the circuit court of Prince William County, at the court house of said county, on the first Monday on October, it being the second day thereof, for an order directing the clerk of the said court to convey the above described lots to me.

David Preston Robertson  
IN CHANCERY

The general object is to obtain for the plaintiff on the grounds of desertion a divorce a mensa et thoro; the same to be enlarged and made a vinculo upon the expiration of three years; and for general relief.

And an affidavit having been made and filed by the plaintiff that the defendant, David Preston Robertson, is not a resident of the State of Virginia, and that his last known address was Marine Barracks, Quantico, Virginia, though he was formerly from Atlanta, Georgia, to which plaintiff also desires a copy of order of publication mailed by registered mail, and an application having been made for this order of publication.

It is therefore ordered that the defendant do appear here with ten days after due publication of this order and do what is necessary to protect his interest in this suit.

And it is further ordered that a copy of this order be published in The Manassas Journal, a newspaper published and circulated in Prince William County, once a week for four consecutive weeks; a copy sent by registered mail by the Clerk of this Court addressed to the said defendant at Marine Barracks, Quantico, Virginia, and a copy of the same addressed to the said defendant, at Atlanta, Georgia, and that a copy be posted at the front door of the courthouse of said county, on or before the 4th day of September 1933; that being the first rule day after this order was issued.

## A RESOLUTION

WHEREAS, the Rev. Westwood Hutchison, a faithful minister of the Word, a man identified for a long period with the religious, social and financial affairs of Manassas and Prince William Co., was called to his heavenly home Sunday, September 3, 1933, and,

WHEREAS, he was not only a gallant soldier in physical warfare during the four years of civil strife between the States, but also from early manhood a soldier of the cross in the spiritual warfare of Christ's kingdom; not only a leader in the economic life of the community but also in its moral life; not only interested in earthly treasure but even more in heavenly treasure; therefore be it

RESOLVED, That we bow in humble submission to the sovereign will of Him in Whose hand are the lives of all and Who doeth all things well, and be it further

RESOLVED, That we return thanks to the Lord of the Harvest that He has spared our fellow-laborer long over the appointed span of life, opening fields of service and opportunities to him and giving him, to within a few months of death, the strength to labor therein and now has called him to rest. "Well done thou good and faithful servant," and be it further

RESOLVED, That we place on record our high esteem as to the sterling character of our brother; the wisdom of his counsels and the warmth of his friendship. In his death we have lost a trusted counselor, and be it further

RESOLVED, That we wish to express to his family our most heartfelt sympathy in this their hour of bereavement and would commend them to the loving care of the Heavenly Father, and would point them to the glorious hope of life and immortality. "That ye sorrow not even as others which have no hope." And be it further

RESOLVED, That these resolutions be spread upon our minutes and that a copy be sent to the family of the deceased and that they be published in The Manassas Journal.

Resolutions adopted by the Manassas Ministerial Association September 13, 1933.

## WHEAT PRODUCTION CONTROL ASSOCIATION ELECTIONS SATURDAY &amp; MONDAY

Haste in Filing Applications Urged.

On the following dates there will be organization meetings for the respective divisions of the county for the purpose of electing a representative from each community to serve as a member of the Board of Directors of the Prince William County Wheat Production Control Association and as chairman of the community committee, and to elect two additional members to serve on each community committee:

Manassas Town Hall, Saturday afternoon, September 16, at 2:00 o'clock. (For Coles, Occoquan and Dumfries districts).

Manassas Town Hall, Saturday afternoon, September 16, at 2:00 o'clock. (For growers of Manassas district).

Nokesville High School, Saturday evening, September 16, at 8:00 o'clock. (For growers of Brentsville district).

Haymarket Parish Hall, Monday afternoon, September 18, at 2:00 o'clock. (For growers of Gainesville district nearer to Haymarket).

Catharpin School, Monday evening, September 18, at 8:00 o'clock. (For growers of Gainesville district nearer to Catharpin).

These county divisions have been based upon the acreage signed up from the respective sections of the county.

Proceedings will be conducted at these elections in accordance with the rules and regulations of the Agricultural Adjustment Administration.

Only producers who have signed applications by the time of these meetings shall have the right to vote. Producers who have not already done so should turn in their applications at the office of F. D. Cox, county agent, at once, or bring them completed and signed to the meetings as evidence of their right to vote.

Farmers are urged not to delay making out their applications any longer, since by doing so they are being well paid for the acreage taken out of production and because only by standing together in this way to eliminate overproduction can they hope in the future to avoid a repetition of the low prices of the past two or three years.

## CANOVA

Mr. and Mrs. Thomas Jones are the proud parents of a baby girl born Sept. 4.

Mrs. Grace Wheaton spent Saturday in Manassas.

Mr. G. A. Beavers, who has been sick, is somewhat improved.

Miss Jessie Beavers spent several days last week with her sister, Mrs. Stella Lowe.

Mr. and Mrs. J. C. Posey visited friends at Hoadly and Agnesville on Sunday.

The Misses Marcella Wegand, Irene Jones, and Iona Beavers spent Tuesday with Joe Nalley of Orlando.

Miss Roxie Ennis, who was operated on in the Alexandria Hospital, has returned home. We wish her a speedy recovery.

## ADEN

For most of the folks vacationtime is ended. Those who have been away are back in their homes. Summer, too is ended and beautiful autumn is coming. Most boys and girls are happy to be back at their school books preparing themselves for life's work.

Mr. and Mrs. Lee May and daughter, Kathryn, of Timberville were callers on friends Saturday afternoon and spent Saturday night with Mr. and Mrs. Stultz.

Mrs. Barbara Smith returned to her home after spending some time visiting relatives in Pennsylvania.

Mr. J. C. Snyder and family spent Saturday night with Messrs. S. G. and F. S. Whetzel.

Miss Frances Hale most delightfully entertained her young friends at a Sunday school class party Tuesday afternoon.

Mr. Joseph Read returned to Washington Monday after spending the week-end with his parents, Mr. and Mrs. W. C. Read.

Dr. H. W. Smyder of Denver, Colo., spent some time the past week visiting relatives here.

Mr. John Fielding is spending several days visiting his sister, Mrs. Lawson.

Misses Sarah Hively and Gladys May returned to their homes after spending several weeks in Washington.

## POPE-SHOEMAKER

On Thursday, Sept. 7, at 7:30 p.m., Miss Anna Belle Shoemaker of Manassas and Mr. John D. Pope of 1628 E. street S. E., Washington, D. C., were married at Saint Peter's rectory, Washington, by Father P. L. Norris in the presence of relatives and friends.

After the ceremony the couple were given a surprise shower at the home of the groom's sister, Mrs. G. W. Rinehart.

Then delightful refreshments were served at a late hour.

The guests departed wishing the young couple a long and prosperous married life.

They will make their home in Washington.

## CENTERBURY

Mr. and Mrs. T. E. Counts had as their guests Sunday afternoon Mr. and Mrs. John Keyes of Brentsville.

Miss Daisy Shoemaker is visiting relatives in Washington this week.

Little James Bean, youngest son of Mr. and Mrs. J. C. Bean, was accidentally kicked by a horse Sunday night. He was rushed to Children's Hospital in Washington suffering from a broken collarbone, arm and severe cuts about the head. He was brought home Thursday and is doing nicely.

Mr. Bill Counts of Baltimore, Md., visited relatives here over Labor Day.

Mr. and Mrs. F. O. Fairburn returned home Saturday night from Front Royal where Mr. Fairburn is employed with the V. S. S.

Mrs. Mayme Varner, son Robert, and little Fred Crane visited at the home of Mr. J. T. Bean Sunday afternoon.

Among the Sunday visitors at the home of Mrs. J. B. Fletcher were Mr. G. B. Shoemaker, Mr. McDonald and Mr. and Mrs. John Pope, all of Washington.

Mr. and Mrs. James Keyes, jr., and children of Brentsville visited Mr. and Mrs. J. T. Bean Sunday.

## CHEVROLET TOPS

1932 AVERAGE

With an increase in production of cars and trucks in August of this year which more than trebled August 1932, W. S. Knudsen, president and general manager of the Chevrolet Motor Company, announced that it had passed the half millionth car in the year's output.

August production of 73,433 units was 204 per cent over the same month a year ago. It brought production for eight months to 511,433 units, as compared with 394,000 for the full twelve months of 1932.

When compared with 1930 and 1931, August, 1933, shows large increases, approximately 22,000 over the former and nearly 20,000 over the latter. The sizeable increases over those two years and the exceptionally large margin over August of last year show clearly and emphatically how business has turned for the better, Mr. Knudsen said.

The month just passed ranks fifth in point of production in August history. It was exceeded only by August of 1926, 1927, 1928 and 1929.

## CARD OF THANKS

We wish to thank our many friends and neighbors for their kindnesses to our mother, Mrs. Lizzie Vetter, in her last illness and to all for their loving sympathy and sweet floral tributes at her death.

"Proud and glad  
to do our part"

WITH President Roosevelt's acceptance of the NRA Automobile Code, Chevrolet, the world's largest builder of motor cars, officially begins operations in accordance with the administration's recovery program.

Although the official code was signed only a few days ago, it will be of interest to Chevrolet's many friends to learn that the Chevrolet Motor Company started to carry out the spirit of today's recovery program over three years ago!

At that time, we put into operation a "share-the-work" plan, whereby our workmen cooperated in spreading the work to give more men jobs. By means of this plan, as well as by regulating hours of work per week to meet retail demand, and by building up parts stocks in lean seasons, it was possible to carry 33,000 men on our payroll through the depression. For eleven months of each year since 1929, we have kept our employment within 10 percent of this average. We are justly proud of that record. We are also proud to say that Chevrolet workmen did not, at any time during the depression, become a burden on public welfare departments.

On August 1st of this year, Chevrolet announced a blanket wage increase as well as the adoption of a 7 1/4-hour, 5-day week and the employment of 12,000 additional men. This wage increase was the second in the last 4 months, Chevrolet having been among the first to put a blanket wage increase into effect.

We feel that the President's recovery program deserves the whole-hearted support of every citizen and manufacturer in America. It is a bold, swift, courageous plan to start the ball rolling toward economic recovery. Its sincerity is unquestioned. Its objectives are admirable. And the direct, forceful steps the President and his associates are taking to make it a success, should stir the pride and admiration of every American.

We are proud and glad to do our part. And we are deeply grateful to the American people for the patronage that has enabled us to anticipate the present recovery program and to play our part today. After all, the immense number of men employed by Chevrolet is a direct result of the continued preference America has shown for Chevrolet.

CHEVROLET

**THIS CHAMPION STILL GOING STRONG!**—While 1932's leaders in tennis, golf, baseball and other sports are toppling from their thrones, Fred Frame, ace of last year's racing drivers, keeps on serenely mowing down the opposition. Here he is just after winning the recent 203-mile Elgin National Road Race for stock cars, held at Elgin, Illinois, in the course of which he set a new record of 80.22 miles per hour average speed. Fred graciously shares the credit for this performance with his stock Ford V-8, which reached a top speed of 100.4 miles per hour, and with his fuel and oil. Only one quart of Essolube was consumed during the entire race, and racing-type Essolene was used. Technical inspectors of the American Automobile Association later pronounced the engine to have come through its terrific test in perfect condition.

## HAYMARKET

Mr. and Mrs. Richard Belches were at "Evergreen" for the week-end.

Mr. and Mrs. E. R. Rector, former residents of Haymarket, spent last week with Mrs. G. W. Smith.

Mr. Grayson Tyler, who for several weeks has been ill with an attack of spotted or tick fever, is now decidedly better.

Mrs. M. S. McDermont and her daughter, Sarah, for some years residents of Haymarket, have gone to Vero Beach, Fla., to make their home.

Fairfax Players directed by Mr. Mayo Baker will present a three-act comedy "George in a Jam" at the Parish Hall Saturday evening, part of the proceeds being for the benefit of the church guild of St. Paul's church. The play was given with fine success at Fairfax and is expected to be enjoyed here by a good-sized crowd.

Mr. and Mrs. E. R. Thomasson announce the marriage of their daughter, Adrian Geneva, to Mr. William Henry Terry, son of Mr. J. E. Terry of Harrisonburg, Va., which took place on August 12 at the home of

the officiating minister, Rev. William C. Harris of Haymarket. Mr. and Mrs. Terry are temporarily with the bride's parents, at Haymarket, and will leave later in the fall for Pennsylvania.

St. Paul's church guild is planning for a bazaar and supper to be held at the parish hall on October 23.

Miss Vaughn, principal, and Mrs. M. S. Meade, Miss Massie, Miss Foster and Miss Eldridge of the faculty of Haymarket High School are with Mrs. J. W. Garrett for the coming session. Mr. Harmon, also of the faculty, has rented the home of the late Miss Mary Wise, which he will occupy with his family.

## TWENTY CAMPS FOR VIRGINIA

Carson Announces Enlarged Program.

William E. Carson, chairman of the State Conservation and Development Commission, Tuesday informed Governor Pollard that the Director of National Parks has planned to establish 20 camps, of 4,000 C. C. C. men in the Virginia Park System.

Mr. Carson's communication came to the Governor in reply to the Chief executive's telegram to the Conservation and Development chairman Monday, informing him of a message from Federal authorities saying applications for new camps must be filed by September 15.

### GOOD ENROLLMENT REPORTED

Superintendent of Schools, R. C. Haydon, reports that all indications show that the expected enrollment is taking place, and is exceeded in several places. Bus routes are being operated without confusion although considerable rerouting was done.

Miss Marion Wells, in charge of the book distribution, has had a very busy day for there has been a steady demand all through the day which is expected to continue for several days.

More exact figures will be available next week.

## Better Breakfasts

WHAT sort of a breakfast do you want tomorrow morning? A balanced breakfast, of course, and one that will make you continue to feel "bouncy" until lunch. How would a breakfast which includes two fruits, a flaked cereal, savory bacon, scrambled eggs and rolls and coffee appeal to you? Sounds a bit like the same old breakfast? Not at all. That's one of the secrets of these better breakfasts combining old foods in new ways. Here's the menu:

Raspberries with Cream  
Flaked Cereal  
Bacon Curls, Sautéed Pineapple and Scrambled Eggs  
Toasted Rolls  
Coffee

Here's the way to make the main dish of this better breakfast. It

has a combination of tastes all its own.  
Bacon Curls, Sautéed Pineapple and Scrambled Eggs: Pantry eight slices of bacon, remove from skillet and keep hot. Sauté four slices canned pineapple in the bacon fat. Mix together six eggs, six tablespoons milk, salt and pepper, and scramble as usual. Place scrambled eggs in center of a hot platter, surround with the bacon curls and the pineapple slices. To give the last touch of goodness to this better breakfast be sure that the coffee is fresh. That's easy. It simply means using the kind of vacuum packed coffee you prefer. There are many brands to choose from and they all keep fresher than those packed in any other way.

**PRESIDENT TAKES THE CAKE:** President Roosevelt receives a chocolate layer cake with all the trimmings, from the cook of the Civilian Conservation Corps camp at Bear Mountain, N. Y. Apparently the cook had heard of the President's fondness for chocolate. The boys, a happy, healthy bunch, are giving three cheers for the nation's chief executive. In the car with him during his visit are Major William Walsh (center), Superintendent of Palisades Interstate Park, and Henry Morgenthau, Jr., head of the Farm Board.

**OYSTERS "R" IN SEASON!** With the advent of a new "R" month, the bluepoints are again occupying a prominent place on the nation's menu, and 40,000 men are being put back to work by this important industry. Villa Milli and Elaine Rossi, pretty members of the "Murder in the Vanities" cast, celebrate the occasion in an appropriate manner.

**AMERICA'S NEWEST flower style** is a floral propeller, christened the Harmsworth Lucky-Token Corsage in honor of the wives of Gar Wood and Hubert Scott-Paine, American and British speed boat kings. Mrs. Wood, right, and Mrs. Scott-Paine, left, are shown wearing the new corsage, pinned on them by S. E. Adams Dayton, O. Center of the corsage is a cluster of talisman roses, with blades fashioned out of gardenias and bronze-colored rose petals. The new creation will be introduced at the International Florida's Telegraph Delivery Assn. convention in N. Y. Orleans in September.

**CHARLES T. COINER**, Philadelphia, may not be the best known artist in the country. But his latest effort is probably being viewed by more people than any work in current art history. He designed the NRA emblem.

**QUEEN HELEN** is succeeded by Queen Helen. More than 6,000 spectators at the national women's tennis championships, Forest Hills, L. I., were stunned when Mrs. Helen Wills Moody, right, defeated to her old rival, Helen Jacobs. Photo above shows cup being presented to Miss Jacobs by Holcombe Ward, president, from actor William Powell, U. S. Lawn Tennis Assn.
