KIWANIS PUT ON FINISHING TOUCHES

Black Face Practice Tonight.

Last Friday night was merely a little more Minstrel Show.

Prof. Leinbach popped his elbow, cracked his noodle and did other things besides wave his wand as stop-go signals. So far the "mule" has not stepped on but one "tam" although there have been narrow escapes.

Really the folks should know how seriously these overgrown kids can go at their work of providing a new fund for the underprivileged work.

If they want to find out more, they should come out to the High School tomorrow evening and see for themselves. Unless there is an epidemic of suicides after the first showing, the whole thing will be repeated on Saturday evening, rain or shine.

RELIEF OFFICE AWAITS ORDERS

Mrs. Marion Lewis, New VERA Director, Gives Statement.

The Prince William County Relief Office is awaiting orders from Richmond before beginning their new program. Meanwhile, a complete re-investigation of cases is being carried on.

When the relief work is resumed, it will be enacted on a new basis. All persons on the relief rolls desiring aid will pay for any aid given them by work on local projects. This work is expected to begin at an early date.

Extensive plans are also being made for the garden program. As a very limited amount of seed and fertilizer is available, this will be furnished to only the most needy families in the county.

NEWLY-FORMED ORGANIZATION ELECTS OFFICERS

The Association of Past Matrons and Patrons of Womodausia Chapter, 106 O.E.S., met at the home of Mrs. J. L. Bushong for its first regular meeting. The following officers were elected for the ensuing year: president, Mrs. J. L. Bushong; vice-president, Mrs. F. G. Sigman; secretary-treasurer, Mrs. F. G. Sigman.

The charter members of this organization are Sisters Gladys Bushong, Ada Sigman, Ida Mae Newman, Mae L. Smith, Daisy Baker, Bessie Wenrich and Brothers G. W. Merchant, Worth Storke, F. G. Sigman, Jack Stauff, J. L. Bushong, A. S. Wilfong and C. W. Dalton.

At the close of the business meeting a delightful social hour was enjoyed.

IMPROVING

Mrs. Annie G. Shumate is reported much improved at her home in Dumfries after an illness of nearly a month.

The Home Civilian Service is requesting any clothing, shoes, used furniture or household furnishings available. These things will be gratefully accepted and carefully distributed among the needy families of Prince William.

Please leave any articles you may care to dispose of at the Relief Office, or call Manassas 153 to have them called for.

SOUTHERN POET TO GIVE READING

Nancy Byrd Turner to Be Guest of Local Clubs.

Miss Nancy Byrd Turner, poet and author, will visit at the Manassas High School on Thursday, April 26. The following societies are sponsoring her appearance here: Southern Memorial Society, United Daughters of the Confederacy, Woman's Club, Bethlehem Club, High School League, Bennett School League and the Eastern Star.

Miss Turner is rated as an amusing and interesting speaker, with a range of vision that renders her remarks very colorful no matter what subject she chooses for the moment.

Her poetry has been largely about children and about the negro, using perfect dialect. She draws a perfect picture of Mary Washington and other Southern characters of note. Even as the old-time Virginia ladies were interested in their gardens, so is she and her descriptive language is quite beautiful.

A large crowd is anticipated and there are no reserved seats. Everything is free and all hands are urged to come.

WOMAN'S SOCIETY AT ALEXANDRIA

Missionary Society Plans New Work.

The 21st annual session of the Woman's Missionary Society of Baltimore Conference met in Washington Street M. E. Church, South, Alexandria, Va., April 4-6. More than 150 delegates from the seven districts were present, also 30 ministers. Many visitors filled the remaining space of the commodious church. Mrs. T. J. Copeland, Baltimore, who for 20 years has been the president of this organization, gave the opening devotional and later, her annual message, text, "And I saw a new heaven and a new earth." Rev. 21-1.

Reports from the districts showed a decrease in finances in some, a gain in others, but always a determination to set high our goal for the new year. The pledge of the seven districts for 1934 is \$36,900 for the adult societies; other amounts were pledged for other phases of the work.

The Woman's Missionary Council which is the law-making body of women's work in the M. E. Church South at its annual meeting set \$300,000 as the goal for missions in the women's work throughout the 40 conferences.

Music of high order was rendered throughout the sessions by choir, soloists and organ.

The quiet hour, the time given to spiritual things, was conducted on Thursday by the presiding elder of the Washington district, Dr. Howard Wells, and on Friday by Dr. Forney Hutchinson of Mt. Vernon Place Church, D. C.

Dr. Wells gave a beautiful interpretation of the parable of the "Good Samaritan." "Christianity versus the World." Christianity says "give"; the world says "get." Christianity stands for two words—go and do. Dr. Hutchinson spoke on "the vine and the branches." John 15 chapter, the "abiding chapter."

He spoke on the relation that exists between Christ and the church, a mutual dependence. There must be a vital union before there can be fruit bearing. He had seen the vineyards of California, also those in Italy, around Naples, and never had seen a cluster of grapes on the vine, always on the branches. The branches get their life from the sap of the vine. The vine is dependent on the branches for the fruit.

Friday afternoon was taken for the installation service for the new officers. Dr. H. Canter conducted this beautiful service as he called to the chancel the newly-elected, and those who were remaining in office from other years.

DISCUSSES FARM LOANS

M. Bruce Whitmore, secretary-treasurer of the Prince William County National Farm Loan Association, received word today from Wm. I. Myers, governor of the Farm Credit Administration, Washington, D. C., that Federal land bank loans and land bank commissioner's loans will be made in the future through the Federal Farm Mortgage Corporation, which bonds are guaranteed by the United States Government both as to principal and interest, which will be at the rate of 3% per cent per annum for the bonds to be issued at this time. These bonds will take the place of the cash distribution in the disbursement of the unclosed loans previously approved by the Federal land banks.

The bonds of the Federal Farm Mortgage Corporation, according to the statement by Governor Myers, will have behind them not only the unconditional guarantee of the Federal Government as to both principal and interest, and the capital of the Federal Farm Mortgage Corporation amounting to about \$200,000,000, but also the consolidated bonds of the Federal land banks issued in exchange for the bonds of the Federal Farm Mortgage Corporation and the mortgages accepted by the land bank commissioner as security for loans.

Governor Myers assured Secretary Whitmore that the Federal Farm Mortgage Corporation bonds will be an attractive investment. "They will be as readily marketable as bonds of the United States Government and they will be quoted in all of the principal markets," he continued. "Holders who have to dispose of these bonds should not sell them without first ascertaining their real market value."

The governor particularly stressed the fact that country bankers probably will be large investors in these

securities since the creditors of farmers who are being refinanced may not all be in the position where they can hold the bonds so acquired and will find it necessary to sell them. Secretary Whitmore states that these bonds, which will be tendered to farmers' creditors in payment of the refinanced indebtedness, are "exempt from all Federal, State, municipal and local taxation, except surtaxes and estate, inheritance and gift taxes. They are lawful security for fifteen-day borrowings by member banks of the Federal Reserve system. They are also lawful investments for all trust, public and fiduciary funds of which the deposit or investment is under the authority or control of the government. The payments of the interest on these bonds and the repayment of their principal are guaranteed by the United States, which means that if the Federal Farm Mortgage Corporation should ever be unable to meet the payments on the bonds, the Treasury will assume such payments.

"These bonds will be issued in denominations of \$100, \$500, and \$1,000. However, amounts less than \$100 will be disbursed in cash. For example, a loan of \$965 would be made in a \$500 bond, four \$100 and the rest in cash. In addition, to provide for certain debts, such as taxes which cannot be paid in bonds, cash covering the required amounts will be provided.

"Loans which have been applied for and approved, but on which the cash has not been paid out, as well as those approved by the bank in the future, will be financed on the above basis. This arrangement in no way disturbs or alters the other provisions of the loans. The interest rate on new loans will continue to be 4% per cent for the emergency period when made through a national farm loan association and 5-per cent when made directly by the bank."

CHURCH GROUP BRINGS CROWD

Grace Church Entertains Many Notables.

The Washington District Conference of the M. E. Church, South, met yesterday and today at Grace Church in Manassas. Rev. J. H. Wells, presiding elder, officiated.

The business of the day was given over to reading of local reports and to a number of interesting addresses by W. H. Boggs, of Randolph-Macon Academy; Davis, of the Sabbath Day Observance Association; H. C. Canter, of the Home for the Aged at Gaithersburg, Md., and Forrest J. Prettyman, editor of the Southern Methodist. Among the visitors was Rev. L. B. Atkins, retired member of the conference.

At 1 o'clock the ladies of Grace Church served an excellent luncheon to the clergy and delegates.

The sermons preached were as follows: First Day, Dr. Harry Carter and E. C. Sheppe; Second Day, Dr. Forney Hutchinson, who used as his text "Can Methodism Repeat?" Communism was celebrated this morning.

Interesting reports were read by Dr. Prettyman (Spiritual State of the Church) and Rev. C. H. Cannon (Temperance).

The secretary, W. W. Millan, was re-elected, and the place of meeting was chosen as Hyattsville next year.

The following delegates were elected to the Baltimore Conference: J. H. Anderson, E. G. Anderson, A. R. Brindley, R. T. Buckingham, Mrs. Fanny Conner, Miss Pauline Hutchinson, R. C. Haydon, R. S. Hutchinson, M. H. Hoffman, W. W. Millan, E. S. Moore, Russell Cross, W. F. Hummer, Mrs. Stella Leith, W. B. Lunceford, E. L. Plaskett, C. R. MacDonald, A. B. Richard, A. B. Young, J. H. Ray, and Mrs. C. E. Dare.

Several hundred delegates and ministers were present each day.

WILL BUILD CHAPTER HOUSE

U. D. C. Finally Begins Chertish Project.

The Daughters of the Confederacy were delightedly entertained on April 4 by Mrs. W. H. Newman assisted by Mrs. Norvell Larkin and Mrs. Aylene Guthrie.

Notwithstanding the stormy weather typical of April, the attendance was excellent and a very satisfactory meeting followed. The treasurer's report was very gratifying showing a balance sufficient to cover all indebtedness.

A communication received from Mrs. Sidney Cox was heard relative to the Education Fund, also the L. H. Raines Memorial Fund. These funds are very dear to the hearts of the Daughters of the Confederacy as many boys and girls are enabled to complete a longed for education by the aid of this fund. A noble work done by the Daughters of the Confederacy.

The absent members are still interested and remember their old associates. A very interesting letter was read from Mrs. John Adams, residing in Florida, but still loyal to her chapter and its work. The letters from the absent are always a source of pleasure.

An announcement that the committee had found it necessary to change the subject of the eighth grade prize essay was approved by the chapter and the selection of a new subject was referred to a committee.

The chairman of the building committee made an excellent report, and deserved to be commended for their untiring energy and interest.

The usual routine of business completed, the paramount subject of the day was taken up, whether the Daughters would decide to have a long cherished wish fulfilled. The ownership of a suitable chapter house, realizing that the first step toward this goal was the purchase of a suitable lot, now seemed the opportune moment brought about by the generosity of the building committee and other friends of the chapter. After hearing the treasurer's report showing sufficient funds were available to pay all taxes and assessments and a balance necessary, with aid secured to purchase the lot, a vote was taken resulting unanimously in favor of this undertaking.

The historian, Mrs. Hibbs, next presented Mrs. Washington who delighted her hearers with an interesting letter, and reminiscences of the sixties from Judge Thornton to Representative Rufus Hardy of Texas, after which Mrs. C. M. Larkin read Sonnets of an Old Town Williamsburg by Virginia Lyne Tunstall. The historical hour closed, the delicious refreshments served by the hostesses were much enjoyed after a strenuous but pleasant session.

FORENSIC CONFERENCE

The conference, which is to be made an annual event, will provide an opportunity for high school students to hear outstanding speakers and to discuss some important public question.

VISITS OLD CHARGE

Rev. and Mrs. George Hasel delighted their many friends by a brief visit here during the District Conference.

SERVICE BIDS ARE DISCUSSED

No Bids Asked For on New Contract.

Quite a delegation of citizens attended the special meeting of the Town Council Monday night at which time there was considerable debate on the subject of a new service contract for power to be used in the Corporation of Manassas.

There was an apparent division in sentiment largely caused by the 50 percent increase in the new bid of the Bull Run Power Company. It was declared that while the power was used through the steam plant owned by the Town that the actual cost to the Bull Run Power Company was upwards of 100 per cent in excess of what they were able to get power for the town for current actually consumed. There is a clause in the short-term agreement which has existed between the Bull Run Power Company and the Town to the effect that when needed the steam plant of the town could be used at actual cost of operation.

The bid herein referred to was submitted at the regular meeting of the Council in March. But action was deferred in order to give the citizens an opportunity to express themselves. Public sentiment so far as this meeting is concerned, appeared to be decidedly in favor of allowing this increase in wholesale power returns.

Those speaking in behalf of the Bull Run Power Company cited the uniform satisfaction which has been given for months past. The chief objection raised by those who think the town plant can be used in lieu of any agreement with a private company is the claim of actual cheapness in operation as compared with the new proposed rates.

The Town Council did not advertise for bids but elected to ask the Bull Run Power Company to submit bids for a much longer service period than covered in a previous agreement. This does not involve franchise rights but is apparently an independent action on the part of the Council in which it may use its own discretion as to the manner by which current is to be served the town after the present agreement expires.

It was also stated by others who had made a long-time period study of power consumption in Manassas and the area there about to show that the new figure set by the Bull Run Power Company was equal only to the cost as represented in this new bid.

A sentiment was expressed at this meeting to the effect that the Bull Run Power Company accept a temporary condition wherein they would buy power from the town plant for their own needs and the town itself would serve the power demands within the Corporation. This proposition was not actually brought before the Council but may be at another special meeting which will be held in the next few days.

One of the sources of dissatisfaction on the part of those now furnishing power to the town is said to emanate from the fact that in the past few years large power savings have been effected by changing the power units in operation by the town for public utility work. A few of the large leaks which were also exhausting immense quantities of water have been remedied and this has in turn reduced the amount of pumping necessary. The reductions in power consumption, therefore, have been very great.

WOMAN'S CLUB OFFICERS ELECTED

At the regular meeting of the Woman's Club held on Wednesday at the high school, the annual reports were read by the chairmen of the various committees and the club viewed with pride its achievements of the past year.

The speaker of the day was Mrs. Francis M. Aylor of Berryville, chairman of the Fourth District. Mrs. Aylor spoke on "Woman's Influence in these Changing Times," and especially stressed the need of more religion in our homes and in our daily lives.

The following officers were elected for the ensuing year:

President, Mrs. Paul J. Cooksey; first vice-president, Mrs. Aylene Guthrie; second vice-president, Mrs. A. A. Hooff; secretary, Mrs. Charles C. Lynn; treasurer, Mrs. Harry M. Love, and corresponding secretary, Mrs. Frederick R. Hynson.

IMMORTALITY

By Rev. W. M. Compton

"And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent." John 17:3.

What is immortality? What is eternal life? How related one to the other? Immortality is unending existence, imperishable, undying, lasting forever. Eternal life is all that and more also. Eternal life is a priceless gift from God's creative hand. This is life expressive and meaningful. Life that is abundant, useful, progressive and highly desirable. There is a manner of life centered on self and perishable things with a daily grind of care and worry, the immortality of which would scarcely be desirable. Immortality is a going on forever and ever. Eternal life is a life so radiant in meaning as that we have something worth going on with. Immortality may be simply an everlasting existence. Eternal life is a great soul experience.

The door way into this rich experience of eternal life in the knowledge of God is FAITH IN JESUS CHRIST. "This is life eternal that they might know thee the only true God and Jesus Christ." Jesus talked little about death. He had much to say about life. "I am come that they might have life and that they might have it more abundantly." "He that hath the Son hath life." "He that believeth on me hath everlasting life and shall not come into condemnation but is passed from death unto life." He speaks of this eternal life as a present possession. It begins here. John says, "Beloved now are we the sons of God and it doth not yet appear what we shall be, but we know that when he shall appear we shall be like him for we shall see him as he is."

There is a reason for the faith that is in us. That reason is the fact of the resurrection of Jesus Christ. I know the various theories

that men have advanced. Do you question the fact that George Washington was a Virginian, that he commanded the American Forces in the war against Great Britain, that he was the first president of the United States, and that he was buried in Mount Vernon? Of course you do not. That Jesus Christ was born, lived, and grew to manhood in Palestine about nineteen hundred years ago, that he was crucified dead and buried, and on the morning of the third day he rose from the dead is an equally well authenticated historical fact. Why should you question the one and not the other? Everlasting life based on faith in Jesus and the resurrection has never been disproved scientifically. And certainly we are not undertaking to prove scientifically that which God has revealed through Jesus Christ. Of course there is much about the conditions of life after death that God has not disclosed. There is much mystery that we shall live forever than that we now live. Much is revealed about the nature of that life. It will be sinless. It will be Christ-like. It will be progressive. Life anywhere is not a static thing. In heaven there will be the glory of going on.

I know about your immortality of succession. One begins, and another, and then another, carries on. But there is something lacking there. I know also about your immortality of influence. There is such a thing. But that does not satisfy. We need to rediscover in ourselves possibilities of growth and progress which Jesus attributes to us. Life here is to be made so significant and so enriched by fellowship with the Lord of all life as that it needs to go on forever. That we shall live we must believe in the possibilities of life as He taught us. "I am the way, the truth, and the life."

COLORED MAN KILLED BY AUTO

In the casualty list of deaths in Washington and vicinity last Saturday, was the death of Webb Hatcher, colored, of Potomac, Md., who was almost instantly killed Friday night, being struck by an auto while helping moving a road plow on River Road.

Hatcher, small of stature and ebony skin, spent many years of his life in Waterfall neighborhood, and was highly respected. A man of unusual characteristics, being almost totally deaf, his affliction served to bring out other notable qualities. His sense of woodcraft and the ways of wild creatures of the forest seemed supernatural.

Ingenious, capable, kind and courteous, his ambition was to please those whom he served. His honesty, integrity and sense of right is indeed a benediction, an honor to his race and well deserves this tribute or respect.

We pray his humble spirit is at rest.

Mrs. R. B. Gossom, Waterfall, Va.

CHRIST FOR ALL—ALL FOR CHRIST

THE BLESSED NATION:

Blessed is the nation whose God is the Lord; and the people whom he hath chosen for his own inheritance.—Psalm 33:12.

WELCOME!

It is most pleasing to see such a crowd of our good Methodist friends in Manassas.

Our town is suitably situated and equipped for such friendly gatherings and we hope that other organizations may follow their example. We have been told that Methodists set a good example. They certainly have this time, and we cordially bid them welcome.

THE WIRT CHARGES

Of course it is perfectly obvious that Dr. Wirt's flare-up is Republican propaganda. This is Congressional election year and the Republicans are badly up against it for issues.

There is an old saying that when the Devil wants a lie to stick he pours just a little truth on it. It may be noticed that the chief agitator apparently is an employee of the Department of Agriculture.

For years it has been the policy of Republican administrations to put in charge of scientific work in the Agricultural Department so-called "technicians." We know from first hand experience the baleful, and especially anti-Southern, influences that some of these people would like to spread.

Yet, in State co-operation work, our counties, schools, and universities all are blotted with these appointees from the Department of Agriculture.

We cordially invite a thorough investigation of Republican appointments in our colleges and State work, especially our State Forest Service, and then Virginia may lead the South in a Revolution of kicking out Republican propagandists far worse and more dangerous to our ideals and traditions than the spectacular Wirt and his exclusive dinner party guests could ever be.

THE TRIAL OF BISHOP CANNON

Apparently having exhausted all legal means of procuring delay, the defense attorneys have just been notified that the trial of Bishop James G. Cannon, jr., must proceed. Such a long interval has elapsed since the alleged conspiracy to violate the Federal Corrupt Practices Act that the details have largely faded from the public mind, as has interest in his innocence or guilt. To this extent the forensic battle to defer the trial may have operated in to im-

prove the situation for the defense, particularly as the heat of the gigantic political battle in which the Bishop figured so prominently has also subsided. A victorious antagonist can afford to be generous and there are many staunch Democrats who at one time would have enjoyed the Bishop's undoing, are now content to let the Court decide his guilt. This is the proper attitude. If the court finds that his failure to report the alleged \$65,000 in question constitutes a violation of the Federal Corrupt Practices Law, then he should suffer the legal consequences. He will not have been persecuted by a "wet" or a "Catholic" press. He will simply have been convicted in a fair trial. On the other hand if he is cleared, let him have the benefit of exoneration. On account of his financial operations in the Stock Market, he will always be regarded as a very worldly preacher, but if the verdict in the present trial is "not guilty," he should also have acquittal in that wider court of public opinion in which at present opinion is so divided. Let the Court decide.

Dear Mr. Hurst:

We want to thank you through the newspaper for the fifty half pints of milk which you sent us daily for a week. We have enjoyed it very much.

Yours truly,
Bennett School Children.

BUCKING FILMS

NO SIMPLE TASK

Hollywood is "Anybody's Apple" if you have the determination to see it through.

This is the opinion of Isabel Jewell, who appears as Cathie in the new Metro-Goldwyn-Mayer picture, "The Women in His Life," which opens at the Dixie Theatre in Manassas next Wednesday.

"As for me," said Miss Jewell, "I chose a pre-determined course, which I followed religiously. As my first step, I spent three years in stock companies. From stock, I progressed to New York and played three years on the Broadway stage.

"When 'Blessed Event' was purchased for film production I came to Hollywood to appear in the screen version. I thought success was mine at last—that Hollywood was my apple. But I was sorely mistaken.

"Instead, Hollywood is anybody's apple if . . .

"You can survive every conceivable disappointment; if you have the patience and perseverance to spend month after month of waiting in casting offices for a glance of recognition; if you have the courage to go from this person to that one, begging for a job, pleading for just once chance to show what you can do.

NEW LASKY FILM PROVES A RICH ENTERTAINMENT

Timely, universally interesting and rich in entertainment quality, "Coming Out Party," Fox Film's latest release, which opens at the Dixie Theatre in Manassas next Monday, proves to be a daringly and realistic expose of the dignified debutante racket. Jesse L. Lasky, producer, has gone to the society pages for his material, and has produced a lavish film that is packed with laughs, romance, gaiety and music.

Going behind the scenes, the film depicts the petty hates and desires of debutantes and their ambitions, social climbing mothers. Convinced social secretaries, ambitious band leaders, and "stags" trying to "crash" coming out parties, are few of the choice morsels served.

Among the season's debutantes is the lovely daughter of one of New York's wealthiest families. On the eve of her coming out party, she learns from her sweetheart, a struggling young musician, that he must leave for Europe to participate in a concert. Although she realizes that it is necessary for them to get married immediately, she says nothing, and tearfully agrees to wait for his return. At the party the girl realizes that she is being unwise and she decides to elope with a wealthy suitor. Meanwhile, the butler who knows of her predicament, hastens to the boat to prevent the young man from sailing. They both return in time to stop the elopement, and the lovers are happily united.

CATHARPIN

Mr. Frank W. Brower of Price, Md., was a home visitor on Friday of last week. Just to remind him of "ye olden times" his visit happened just as we were "enjoying" some mighty bad roads after a rain when his car became mired in a mud hole where he remained all night until rescued next morning. We don't like to treat people that way but sometimes we can't help it.

Mr. and Mrs. E. A. Willis of Clarendon, Va., were Sunday visitors of Mrs. Willis' parents, Dr. and Mrs. Brower.

Mrs. Etta P. Lynn returned home Saturday after an extended visit with her daughter, Mrs. A. L. Webb, of the Capitol City.

Mrs. E. May Dogan, Mr. and Mrs. C. C. Lynn of Ben Lomond and Mr. and Mrs. W. K. Caldwell of Six Acres were dinner guests at Oakwood on Saturday last.

Sudley and Gainesville churches were represented at the 21st annual missionary conference in Alexandria last week by Mrs. Etta P. Lynn, Mrs. Mary Florence Roland, Mrs. C. F. Sinclair, Mrs. V. M. Ellis, Mr. and Mrs. W. K. Caldwell and Mr. and Mrs. Chas. R. McDonald. The conference was largely attended, full of interest and inspiring to all who were privileged to enjoy the program. We have often felt that it is a pity that the influence of these great gatherings could not be carried back home as an inspiration to the rank and file of the importance of it all. Certainly they are worth attending.

The Sudley Wesley Bible Class will meet next Sunday at the regular hour 100 a.m., for its spring rally session and organization. All members are urged to be present and help plan the summer's work.

Mrs. W. S. Brower spent the week-end visiting friends and relatives in Washington, returning home on Sunday.

The Sudley Sunday school started off well on Sunday after its long rest during the first quarter. It is now hoped the Weather Man, measles, mumps, etcetera, will now behave and let us get down to work again.

Mr. L. J. Pattie of Belle Farm lost another valuable horse last week which is the second loss of this kind during the past year. It is unfortunate, indeed, to lose a good work animal right in the midst of spring plowing, but good neighbors are plentiful and assistance gladly rendered whenever needed.

Born to Mrs. Louis Collins Merchant of Ivakota, Va., a little daughter, weight 10½ pounds. The grandparents are doing as well as could be expected.

Mr. M. E. Shelton, son-in-law of Mr. and Mrs. R. A. Collins of Marble Hill, is suffering from an attack of measles and threatened pneumonia. His condition at present writing very uncomfortable if not serious.

The whole countryside this morning is full of life and energy; tractors are barking, horses leading the plows a merry chase, plowmen plodding their weary ways fieldward, birds singing, starlings making life miserable as usual, hens laying and pigs squealing; so we are all just having a good time.

WATERFALL

(Received too late last week)

Mr. and Mrs. Albert Gaines and children, Mrs. Granville Thomas and son and Mr. Ashton Bell of Falls Church and Mr. Walter Pickett of Rosslyn were Easter guests of Mrs. Howard Bell.

CENTREVILLE

The three-act comedy, "Mammy's
Lil Wild Rose," which was presented
in Centreville Hall Friday night,
April 6, was a perfect success.

The neat sum of \$50 was realized
from door receipts. This money will
go to benefit Centreville School.

Due to repeated requests the play
will be presented again in the near
future. Time and place to be an-
nounced later.

The Community League will meet
at Centreville School Thursday,
April 19, at 8 o'clock. Members are
urged to be present. Mr. Carr will
be present to discuss league work.

Mr. and Mrs. LeGallais, Miss Lucy
LeGallais, Mrs. Grove, Miss Branch
Grove and Mrs. Jimmie Payne were
guests at the home of Mrs. Agnes
Robey Wednesday evening. A very
enjoyable time was had by all.

Miss Nancy Byrd Turner, famous
for her interesting and entertaining
readings, will be at the Manassas
High School Thursday evening, April
27, and the School League, teachers
and patrons of Centreville, are cor-
dially invited to be present. There
is no admission fee.

Service at St. John's Episcopal
Church Sunday was attended by the
largest congregation in years. The
rector expressed his appreciation and
asked the prayers of the congrega-
tion for the success of the operation
to be made shortly on his eyes.

Mrs. Homer Wells spent the week-
end with her parents, Mr. and Mrs.
Wm. Powers.

The usual number of Centreville
people were in Manassas this week
shopping and going to the movies.

Centreville folks are fond of their
friends and love visitors but hope it
will be borne in mind that Sunday
afternoon there is service at one or
the other of the two churches here
and would be pleased to have their
visitors come expecting to go to
church with them.

Mrs. H. A. Woltz is now able to
walk without crutches and Master
Shreve Simpson Woltz had a birthday
this week.

Mr. and Mrs. Cross, our new neigh-
bors, are very much liked.

William Linthicum has been desig-
nated as one of the local applicants
who leave tomorrow on the first leg
of a journey to a CCC Camp in
Texas.

To the Board of Supervisors of Prince William County:

We, the signers of the petition of
nearly 200 names, representing the
majority of the citizens and taxpay-
ers of the Gainesville District, re-
spectfully urge that no indebtedness
be placed on said District for the
building of a new high school in said
District.

The first petition presented to the
School Board, and which came before
you purported to represent Gaines-
ville District, in reality represented
the town of Haymarket and its near-
by suburbs with a few exceptions.
Kindly check that petition with us.
Out of forty-three names (one name
we fail to decipher) over one-half
are citizens of Haymarket, or a little
beyond the corporate limits; eighty
are on the school payroll; that is,
bus drivers, their families, teachers'
families, one husband of a trustee,
and one supervisor. Of the remain-
ing few, a merchant at Catharpin,
two farmers near Catharpin; two
business men of Gainesville; one
business man of Haymarket, Waver-
ley Mills, and Hickory Grove com-
bined; six or seven farmers; two
others possibly in the leisure class.

Many through the District and es-
pecially the people of the upper part
of the District did not know of this
petition until it had been presented
and passed.

Is this a fair representation?
It is "Taxation without Representa-
tion." Most of the farmers are so
deep in debt now, they hardly know
where to turn.

Is there no redress?
Don't, we beg of you, put more
on us.

The writers will be glad to verify
petition check up.

ROBERT GEORGE,
J. F. ADAMS,
E. P. WATSON,
Taxpayers.

WEEKLY LAUGHS FROM WOODBRIDGE

Old Blackgum Carrick, who holds
first honofs as a tobacco man, once
more takes the lead, being the first
in this section to finish stripping.
Uncle Nick has been offered 63 cents
a pound for his tobacco but being
the champion for getting good prices
will likely run the buyer up to 75
cents before he sells.

Remember boys next Friday or
some Friday there will be at the
school Superstitious Charley or some-
thing about Charley. Anyway it is
Charley at the schoolhouse on Fri-
day so all of you turn out.

Charles N. Crabill, a former resi-
dent of this town for years, died Sun-
day, at his Maryland home. He was
brought here for burial on Tuesday
afternoon.

WOODBRIDGE

Mr. and Mrs. T. P. Davis enter-
tained a large crowd at their cottage
at Davis Beach last Sunday when
they held a fish fry. Everybody had
a good time picking out fish bones.

Mr. Norman Trifford has just re-
covered from the measles.

Mr. Redding, the county game war-
den, made a visit in this section last
week and as a result about half of
the population will visit Manassas
for failing to obtain dog tags.

The dance given at the schoolhouse
last Friday was well attended and
every one had a coriding good time.
At Davis Beach I notice T. P. is
fixing up for the summer. It looks
like it will be better than last year.
The boys will soon be making love
in the moonlight by the waters of
Ocoquan Bay at the beach.
