CHILDREN'S DAY AT BAPTIST S. S.

Lovely Pageant Features Exercises.

Cradle Roll Exercises were held at Manassas Baptist Church on Sunday last. Mrs. Lulu Broadus is superintendent of this department and Mrs. Mary Sprinkel is her assistant.

The main feature of the program was the presentation of the diplomas and baskets to the beginners by the two ladies in charge. Dr. T. D. D. Clark made an interesting talk to the mothers.

The beginners, themselves, sang two numbers. Recitations were made by Mildred Cross, Georgia Beale, and Charlotte May Herndon.

The opening prayer was offered by Col. Robert A. Hutchison. Tommy Bean and Betty Jenkins sang a duet, Master John Broadus, Jr. sang the offertory, and Barbara Edwards sang a solo. Music was also rendered by the Junior choir.

The regular children's day exercises were held on the evening of the same day. The choir (composed of Mrs. Lulu Broadus, Mrs. Mary Sprinkel, Mrs. Harrell, Miss Katherine Luck, Miss Helen Marsh, with Mrs. Margaret Broadus at the piano) sang several numbers.

Recitations were made by Ann Goode, Marjorie Beane, Page Beale, Mildred Roberson, Georgia Beale, Charlotte May Herndon, and Marvyn Gillum.

Dr. Clark offered the opening prayer and also made an address to the school.

The beginners gave a number for the school.

John Broadus, Jr. and Frank Browning, Jr. gave a violin duet while Julia Ann Beane gave a musical recitation.

A beautiful pageant "The Bible is a Garden", with Miss Lucile Herndon playing the leading part was enacted. The flowers in the garden were represented by about twenty of the girls. It was very sweet and pretty.

CANADA GETS HISTORIC CHAIR

Former Governor Hill Sponsored Idea.

Friendly fellowship existing between the United States and Canada was strengthened recently at Toronto Canada, with the presentation of a "Kiwanis Fellowship Chair" to the Kiwanis Clubs of the Ontario-Quebec-Maritime District by the clubs of the Capital District. The presentation was made at a joint session of the clubs of these districts at the eighteenth annual convention of Kiwanis International now in session there.

E. I. Carruther, Charlottesville, Va., governor of the Capital District, made the presentation. The chair was accepted by Gordon S. Dodginton, Toronto, governor of the Ontario-Quebec-Maritime district. The Capital District comprises clubs in Virginia, Maryland, Delaware and the District of Columbia.

The idea of the "Kiwanis Fellowship Chair" originated with Edwin F. Hill, Washington, D. C., immediate past district governor of the Capital District, who gave the background of the chair and its significance from an engraved certificate also presented Governor Dodginton. The chair is to be used by the governor of the Ontario-Quebec-Maritime district at district meetings.

Wood used in the construction of the chair came from the United States Capitol and the White House, Washington; Mt. Vernon, home of George Washington; Arlington, home of General Robert E. Lee; Monticello, home of Thomas Jefferson; Jamestown Island, site of the first English settlement in America; Williamsburg, first permanent seat of English government in the United States; the State Capitals of Delaware, Maryland, Pennsylvania, Virginia, and the home of James Madison at Orange; Carroll Manor, Maryland; Blackstone Island, Maryland, where settlers first landed in 1634 and historic St. Marys City, which they founded; Lewes, Delaware, site of the first landing of settlers in that state; Mt. Calvert, county seat of Prince George's County, Maryland, which was founded in 1695; the University of Virginia; and Natural Bridge, one of America's natural beauty spots. Leather in the seat of the chair was made from the hide of a pedigreed Maryland bull, dressed and tanned in Washington County, Maryland.

The chair is patterned after the original dining room chairs used by Thomas Jefferson at Monticello. It was made by Donovan R. Beachley, Maryland club, from a drawing by Courtenay C. Welton, secretary of the Richmond, Virginia, club.

Saturday at 3:30 p. m. the American Legion Juniors will play the CCC boys on Swavely Field.

M. A. C. DEFEATS OCCOQUAN NINE

Bradshaw Allows Opponents Only Six Hits While Fanning an Equal Number.

Manassas A. C. took the Occoquan A. C. nine into camp Sunday for the second time this season. The score was 3 to 2.

M. A. C. broke into the scoring column in the first inning, scoring two runs. Seleman, the opposing pitcher, got off to a bad start, nine of his first ten offerings being balls. Wetherall and Woodard walked and were sacrificed to third and second, respectively, by Vetter. Both scored when Beahm lost Saunders fly in the sun and the ball fell safely into right field for a two base hit.

Occoquan scored in the second when, with one out, Tyrell singled to center, went to second on a passed ball and then stole third. Lynn fanned but Tyrell scored when Key's bouncer got away from Reeves. Seleman followed with a single to center but both were stranded when Vetter tossed out Riley for the third out. The score was tied in the third when Tyrell slammer a three base base hit into center and continued on to the plate when Vetter's throw hit the runner in the back and bounded past third.

Manassas lost a run in the seventh when Vetter, on his way to the plate from second following Bradshaw's three base hit into the right field corner, neglected the formality of touching third.

Manassas scored the winning run in the eighth, which Wurdemann opened with a single to left, stole second and continued on to third as Gettle threw into center field. On an attempted squeeze play, Reeves bunted what seemed to be a foul ball, it stopping a few feet in front of the plate. Upon the umpire ruling the ball fair, Reeves dashed past Lynn who had come in to field the ball, but was out, Lynn to Reynolds, who covered the bag. On the throw to first, Wurdemann made a break for home and arrived safely with the deciding tally a gnat's whisker ahead of Reynolds throw.

Only two men reached first on (Please turn to page 4)

AAA EXPERT TALKS TO KIWANIS

Tells of Governmental Plans.

Mr. Clem C. Cochran, milling code expert of the Agricultural Adjustment Administration in Washington was the guest speaker at the Kiwanis Club on Friday night.

Mr. Cochran spoke at length on the problems involved in fixing methods by which a parity price is reached for certain agricultural products now under emergency administration.

Going back to the war period he showed how the rapid expansion of agricultural lands had been followed shortly by price shrinkage and loss of demands. He traced the methods used later and how each had been inadequate up to the last experiment which he claimed could not reach its real effectiveness in just a year or two.

He showed very clearly how the principles of protection as have long been practiced for manufactured products were gradually being extended to the farming classes with a greater degree of uniformity in distribution of the resultant tax burden.

The talk was much enjoyed by the Club as it was the finest of its kind which had been placed before them and was made by man thoroughly able to deal with the subject.

POTOMAC W. M. U. HOLDS MEETING

Manassas Baptist Church Host To Group.

The two day session of the Woman's Missionary Union of the Potomac District came to a close late this afternoon after a very interesting session.

The Potomac District is an auxiliary to the Potomac Association and has in it sixty-five churches, all of which were represented.

Many ministers were also present and assisted in the success of the meeting. The president of the Virginia Society, Mrs. G. R. Martin, the president of Potomac District, Mrs. J. C. Rogers, Mrs. M. H. Kendrick, Mrs. Martha Cockerill and others gave talks.

Reports were made on all branches of the work were made in detail.

This afternoon the colored Baptist joined in the worship. Miss Nannie Burroughs, corresponding secretary of the National Baptist Convention made a splendid address and Rev. A. H. S. Johnson of the First Baptist Church of Manassas gave a devotional message. The choir of his church rendered some spirituals very sweetly. This choir is one of best in Northern Virginia.

The local church contributed to the success of the program both in its reception facilities and in the response of the Prince William pastors. Mrs. John Broadus and Master John Broadus, Jr., gave a special musical number of the afternoon program yesterday which was also greatly enjoyed. The Junior Choir rendered several selections.

A special treat was afforded in the presence of Miss Elizabeth Hale, a young missionary who sails to China in August on her first work. She spoke twice on the program and had an inspirational message well worth hearing.

The theme of the convention was giving increased aid to underprivileged children; promoting vocational guidance and boys and girls activities, more friendly understanding between rural and urban citizens and better citizenship.

IN MEMORIAM

In loving remembrance of our dear wife and daughter, Audrey Gaines, who was called into eternity one year ago, June 17, 1933.

One year has passed since thou wast taken
From us here no more to be
Greeted by thy kindly welcome,
Nor thy loving face to see.

Thou didst leave us sad and lonely,
Earth still seems dark and life
So drear;
We can scarce believe thou hast
left us,
Still thy voice we seem to hear.

But within the grave thou sleepest
'Neath the Savior's watchful eyes,
Waiting for the resurrection
When the dead in Him shall rise.

And on that bright, glorious morning,
Saved by grace through God's
great love,
May we rise to greet thee, Audrey,
In that heavenly home above.

By her husband, Freeman Gaines,
and her mother, Mrs. Edith Bell.

ADEN

Miss Geneva Kerlin and Miss Gayle Bowman are spending a few days at Dayton, Va., attending the Christian Workers Conference.

The Sunday School Day program given by the Asbury School was very good and a large crowd was present.

The Rev. J. P. Good is conducting revival service at Asbury, and the Good family is giving some very excellent music.

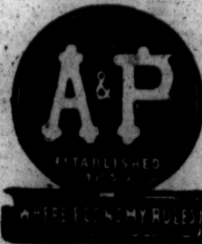

The dress review at Sudley was quite interesting. Three representatives from the Woman's Club and four visitors from this little village attended.

Miss Annie Smith and Miss Louise Brown spent last week in Washington, D. C., and attended graduating exercises of the Law School. Their cousin, Joseph Smith, Jr., is having completed his course.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in after years.

PEACE AND TRUTH: Thus saith the Lord, Call unto me, and I will answer thee, and shew thee great and mighty things which thou knowest not. --- Behold, I will bring it health and cure, and will reveal unto them the abundance of peace and truth. --- Jeremiah 33: 2, 3, 6.

THE 73rd CONGRESS

The 73rd Congress is now history. The screams of the stormy petrels are silenced in the legislative halls. Only a few secretaries and pages are left to gather up the fragments of the long drawn out fray.

To attempt a resume of the past session that has been heralded broadcast step by step would be an imposition on our readers who are no doubt tired out with the whole proceeding. But we offer a few comments. First, we in the 8th District are very proud of the services rendered by our Congressman and have shown it by unanimously conceding him congressional honors for another term. There was not the faintest shadow of opposition to him nor criticism of his conduct as our representative in the congress of the United States. He has the popular sentiment of his district with him, unbroken and undiminished.

Second, we have a word to say about the Junior Senator from our State, Harry Flood Byrd. We have before us clippings from the Virginia press enough to fill a scrap book. Those who do not like Byrd, under the guise of "sticking by the president," have taken the golden opportunity to give him various kicks. Others inanely review the case and, arrive at no conclusion. Others endorse him, as one daily paper states, "because the head of the Virginia machine is always a hero to these party organs." But, to us, neither the pros nor cons really understand what Byrd is fighting.

The sinister scarlet fibres of European socialism are sending their sinuous roots into the foundation of American ideals. Unchecked, the poison will sink into the wells of our popular thinking.

In the scientific bureaus of our government, filled with foreign "technicians" that the years have solidified into a strong hold, can easily smolder the subterranean fires that might burst forth to our national ruin.

The Agricultural department is running over with "technicians." From an old red barn-like structure, surrounded by a few out houses, it has grown

into acres of white marble, walls adorned with gorgeous decorations, tessellated floors, sparkling fountains, and restless-eyed foreigners!

This enormous expense is picked from the pockets of impoverished farmers who receive a few bulletins and free seeds from the high salaried "technicians."

The time may come when those who are ridiculing Byrd now may be eager to draw their blades in his defense—too late for the safety of our ideals and priceless inheritance.

We are neither blind worshippers of the organization nor a "politically owned paper" but we are standing behind Byrd.

M. A. C. DEFEATS OCCOQUAN NINE
(continued from page 1)

M. Bradshaw in the last five innings. Gettle walked with two away in the fifth only to be forced out at second by Beahm. Gettle singled with one out in the eighth but failed to advance as Beahm flied to Saunders in short left and Reynolds grounded out to Wurdemann.

Bradshaw protected his one run lead in nice fashion in the ninth, getting Tyrell on a grounder to short and striking out both pinch hitters Haislip and Keys to end the game.

ATTEND STATE SUNDAY SCHOOL CONVENTION

Headed by Frank Sigman, J. M. Hottle and Mr. Kline, a large party of Sunday School workers attended the three day sessions held at the First Baptist Church at Winchester. Many interesting addresses were heard. The concluding episode was a beautiful pageant directed by the head of a Boston music college.

GERMAN'S BIG THREE

An American went to Germany—looked upon that country's Three Musketeers—talked with them—and then wrote an intensely interesting article for the Magazine of the Washington Star, Sunday, June 24. You will meet Hitler and two other German leaders as they really are—the Three Musketeers of Germany. Order your copy of next Sunday's Washington Star from your newsdealer today.

LET'S TAKE A LOOK AT BOTH SIDES

Mr. A
Pays by Cash

He carries his money upon his person. On several occasions he has lost varying amounts of cash, and once was held up to the tune of \$120.00. He spends considerable time always waiting for making the rounds to pay obligations. He is change and asking for receipts. And he never knows what has and hasn't been paid until the bills roll in the first of the month.

Mr. B
Pays by Check

He carries a checkbook instead of cash. If he loses his checkbook or is held up, his funds are still safe. When paying obligations he saves time by writing checks for the exact amounts and mailing them. He needs no receipts—his cancelled checks are legal evidence of payment. His check stubs show exactly what he has paid and the amount of money he has on hand.

Consider both sides, then profit by the experiences of Mr. A and Mr. B—have a Checking Account at this bank for SAFETY and CONVENIENCE.

BARBARA STANWYCK IN "GAMBLING LADY"

Barbara Stanwyck has been given an entirely different role from any which she has portrayed, in the new Warner Bros. production of "Gambling Lady," which comes to the Dixie Theatre in Manassas, Va., next week her character part is both a glamorous and a sympathetic one.

In the majority of pictures she has portrayed hard and somewhat loose women such as she did in "Baby Face," "Ladies They Talk About," "Illicit" and "Ten Cents a Dance." In these she made a success by her sheer power of characterization, rather than by winning sympathy for the part.

In "Ever In My Heart," while there was nothing of the play lady about her, she was placed in drab surroundings as also in "The Purchase Price." These were supreme characterizations but lacked the glamor of her present role. In "Gambling Lady" she is a gambler, but the squarest, straightest shooting poker player that ever shuffled the pasteboards.

Not only is she on the level in cards but in the game of love and life. She can take it on the chin and does, by sacrificing her love for her husband in order to save him from the charge of murder when he gets into a mess with another woman.

As the gambling lady she plays only in the fashionable night clubs frequented by millionaire men-about-town and in the brilliant Casino of Monte Carlo. Later, wedded to a wealthy society man, she is seen in the palaces of the upper world, although she is never adverse to taking

a fling at the ponies or putting some society beauty over the hurdles for her jewels or what have you.

Miss Stanwyck is supported by two leading men, Joel McCrea in the role of a society man and Pat O'Brien, as a race horse gambler,

both of whom are in love with her. Claire Dodd is the other woman, a homewrecker who makes a play for Barbara's husband.

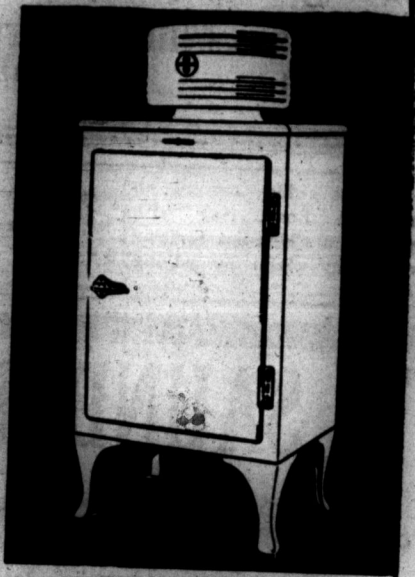

The picture is based on the thrilling story by Doris Malloy which is climaxed by a murder for which

McCrea is arrested, and which he can not explain without bringing dishonor on a woman. The story also reveals the grip on city life of the gambling syndicates and the methods they employ to take cash from the suckers.

Announcement The Lake Jackson SWIMMING POOL

Will be open this week-end

CORRECTION

Rev. H. J. Leinbach delivered the baccalaureate sermon graduates of the Manassas High School and not Mr. Gibson as stated in last week's edition.

CATHARPIN

The death of Dr. R. Lee Wilkins of Alexandria, last week was a shock to his many friends in the Sudley neighborhood.

Dr. Wilkins was a brother-in-law of Mrs. Mary E. Wilkins of Sudley and was well known to many of our people.

Mr. and Mrs. Orl Munday of Washington are vacationing among friends and relatives in the Catharpin neighborhood at the present writing. Mrs. Munday will be remembered as Miss Audrey McIntosh before her marriage.

The Strawberry and Ice Cream festival given at Sudley by the young ladies of Mrs. McDonald's class was very successful and well carried out. The small tables with their gaily decorated covers and bowls of flowers made a very pleasant picture which together with the fine quality of the refreshments contributed much to the enjoyment of the evening by a large number of young people of the neighborhood.

Mr. W. Holmes Robertson of the Lawn Vale Stock Farms, received a consignment of 44 heads of fine young stock cattle, which upon ar-

rival, were confronted with some very hot weather causing the death of four of them upon arrival at the farm.

Mr. and Mrs. C. P. MacDonald of Norton, Va., together with their family, Paul, Jr., Russell and Jean, are spending their vacation at Oakwood with the former's parents, Mr. and Mrs. Chas. E. MacDonald.

Mr. C. P. MacDonald, Sr., is Safety Engineer for all the coal mines in Virginia, Kentucky and Alabama which are insured with the Bituminous Casualty Company of America. Mr. Paul, Jr., has just received his B. S. degree in Engineering from V. M. I. and will soon go to Texas in the employ of a large Oil Co. Misses Russell and Jean are in school, the former will enter her second year in college and the latter her third year in high school at the beginning of the fall term. They all love Oakwood and its neighboring people.

This is the season of "Commencements" and thousands of fond parents and relatives all over the country have been visiting the school or college from which some of their loved ones are receiving their degrees. Perhaps there is no greater thrill in life than to be promoted from one grade to another or to receive a college degree. The "Cup of Joy" for the first grader is just as full as is that of the college graduate upon the completion of his course; each is filled to capacity. What more could one ask?

We well remember some twenty years back when a high school commencement interested but a small part of the people of Prince William County, but two decades of a modern up-to-date school system has revolutionized educational advantages until the entire population of the county is interested in the graduating exercises of their children in the four high schools now advantageously located through out the county. What a wonderful thing progress is!

It is always interesting to note the "follow up" of our school and college Commencements—those ever longed-for endings of one's school career which carry so many things in their wake, joys, sorrows, surprises and realities; in short, a new world is unfolded as the graduate launches forth on the untrod "Sea of Life." "Where shall I go?" is oftentimes the great question confronting the student now that he feels he is ready for action. A single example may illustrate: Four boys,

students of V. M. I., of whom Paul MacDonald, Jr. was one, had roomed together for four years all preparing for their future work. Commencement for them meant the "Parting of the Ways," perhaps forever. Paul joins the Engineering Department of a large Oil Co. in Texas; another goes with the Standard Oil Co. to South America; another goes as a teacher in a University in China while the fourth goes to a medical school. Thus these four boys who had been so closely associated for the past four years will soon be scattered upon three continents, there to give an account of themselves to the world. One stands amazed as he tries to contemplate the far-reaching influence of our schools and colleges.

The annual Children's Day program will be given at Sudley next Sunday morning beginning at 11 o'clock, to which all friends are cordially invited.

The Misses Anne and Alice Perry of Chevy Chase, Md., were dinner guests at Oakwood on Saturday of last week.

DUMFRIES

Mr. Al Lee Clair, Mr. Charlie, Mrs. Esther Hill and son, Irvin, all of Baltimore, were the week-end guests at the home of Mr. and Mrs. W. E. Kincheloe. A birthday party was given at the home of Mr. and Mrs. W. E. Kincheloe Saturday night, June 16, in honor of his sister, Mrs. Carroll. There was a large crowd and all reported a fine time. The music was furnished by Mr. Rueben Randall and Mr. Charlie Homer.

Miss Hazel Kincheloe is spending a few weeks at the home of friends and relatives in Baltimore, Md.

Mr. and Mrs. Magruder Posey and daughter, Nellie Lee, and Mr. Albert Harris of near Manassas were Sunday visitors at the home of her parents, Mr. and Mrs. W. E. Kincheloe.

Little Thomas Nelson Kincheloe, Jr., and Mr. Thomas Leo Kincheloe both passed in their grades in school and are looking forward to the opening of school in the fall.

Operates for less— THAN ANY FORD EVER BUILT

THE smartest car that Ford has ever built is the smartest buy your budget has ever seen. The new Ford V-8 is the most economical car that Ford has yet produced.

That big Ford V-8 engine, which is capable of a generous 60 per, is miserly when it comes to fuel. It consumes less gasoline than many engines with less cylinders and less power.

Aluminum-alloy pistons minimize carbon formation. Tungsten steel valve

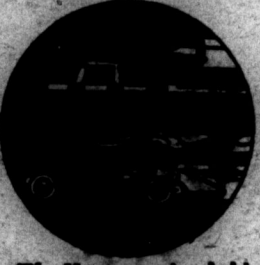

seat inserts virtually let you say "good-bye forever" to valve grinding.

The Ford V-8's dependable springs—which give you free action on all four wheels—have shackles that require no lubrication. And the whole car is so reliably built that you will never be plagued with repair bills.

Ford Reduces Prices on Cars and Trucks

Effective June 15 Ford Motor Co. substantially reduced prices on cars and trucks. This reduction is in line with its policy since the introduction of the automobile 30 years ago to maintain a price schedule lower than its competitors in the same price bracket. When the cost of raw material and labor began its advance some months ago, Ford did not increase his prices beyond the amount due to the actual increased cost in material and labor. Whereas, the prices of other cars and trucks were stepped up materially in all brackets at the advent or beginning of the year, the advance of Ford products was very slight in comparison, and, as a result Ford sales have taken a lead and this lead has increased in number every month since and now, as a result of this increased production, the buying public is afforded the benefit of a substantial reduction in price.

Why Visit a Funeral Home?

As we extend this invitation for you to visit our funeral home, the thought arises that you may wonder what reason there is for your accepting it. Briefly, it is no longer customary to wait until need arises before visiting a funeral home. Almost everyone may be obligated to make arrangements for a relative, friend or neighbor. Foresighted people are making it a point to visit and know about the facilities of modern funeral homes, as one of their responsibilities. By doing this they avoid hurried decisions, made in emergencies, that might result in lasting regret. They secure information which helps make their final tribute to loved ones as considerate and beautiful as possible.

BOY FALLS IN WELL

Last week Silas, the seven year old son of Mr. and Mrs. Arthur Bean of the Bradley neighborhood, fell into a thirty-foot well and was pulled to safety by his brother, Richard, aged fourteen.

The boys were working near an old well which was used to water mules, they walked across the top, the boards broke and Silas fell in. He sank twice and Richard threw him a chain yelling for him to hold on. He was pulled to safety, none the worse for him his experiences.

They continued to hoe corn till night letting his clothes dry in the sun not stopping long enough to tell their mother.

Richard should be complimented for his presence of mind in throwing him the chain just in time.

IN MEMORIAM

- Russell -

In loving remembrance of my dear mother, who departed from this world November 16, 1933.

I miss you more each day, dear mother
 Since from this world you departed,
 Friends cannot comfort and cheer me
 As you, so thoughtful and kind-hearted.

Each day seems like a year
 Since you have gone away,
 But I know that God will keep you safe
 Until I will see you again some day.

It was hard to see you leave me
 But God knew best,
 So I know he has taken you to a better place
 To let you sleep and rest.

No one knows the lonely hours I've spent
 No one knows how my heart aches for you,
 The one who meant the world to me
 The one who was so comforting and true.

I know we will meet again some day
 With the Angels up above,
 When God calls me home
 To the one I love.

Written by her daughter,
 Ruby Russell

MADISON MEMORIAL DAY

JUNE 28 1934

The facilities at the Madison Cemetery in Montpelier, Va., are very limited and therefore for the simple ceremonies in the cemetery, about one hundred men and women are being invited to represent by appointment of their governor and from other sources:

1. The President and his Cabinet.
2. The Army and Navy.
3. Each State of the Union.
4. Each National Patriotic and Military Organization.
5. Surviving National Presidents, candidates and widows.
6. Surviving Secretaries of Federal Departments.
7. Surviving Ambassadors to the leading Nations.
8. Certain Ambassadors to the United States.
9. Certain private individuals.

I take this opportunity to suggest to you and your readers that at some hour on June 28th, the leading men and women of each community in Virginia assemble informally to commemorate the work done by Madison and his compeers, in order that thou-

sands of our citizens and particularly our youth may think on the foundations of national greatness so wonderfully laid 150 years ago.

At such a gathering wherever held, it is recommended that there should be a chairman and secretary so that we may accumulate the records of all such meetings in preparation for the Centennial of Madison's death which will be June 28, 1936.
