4-H CLUB GIRLS FEAST KIWANIS

Frank Sigman is Speaker of Evening.

The Kiwanis were the guests of the 4-H Girls at the Parish Hall last Friday evening.

Afterwards OD turned the rest of the evening over to Rat who in turn called on one of the old reliables, Frank Sigman.

Frank gave them several offerings not the least of which was some ancient history, very poorly disguised.

U. D. C. MEETS AT LIBERIA

Mrs. Roseberry and Mrs. Varner Hostesses to Chapter.

A large number of enthusiastic members of Manassas Chapter U. D. C. responded to the invitation of Mrs. Roseberry and sister, Mrs. Varner.

There was no business of special importance, the time was principally occupied with the historic program and a delightful social hour.

An announcement was made that Miss May won the U. D. C. prize her paper being the best submitted.

The chairman of the building committee stated that the deed for the lot recently purchased by the chapter had been received and would be recorded.

A check for five dollars was received from Mrs. Howard Smith for the Museum Fund, Mrs. Kenseal Laws also made a contribution.

The chapter voted to purchase twenty-five pictures of Sydney Lanier to be given to the schools in the county.

Mrs. Hutchison called attention to a decision of the town council of Herndon to request the Virginia Planning Commission to include the Manassas Battlefields in the system of parks to be recommended for development.

Mrs. Marsteller made reference to the Confederate graves having flowers placed on them by Mr. Alexander Weddell now Ambassador to Buenos Aires.

Mrs. C. R. C. Johnson read an excellent paper giving the history of Liberia, her paper was replete with many interesting facts and received the applause of the Chapter.

Mrs. Hibbs exhibited the diary of Maj. W. W. Thornton kept during the War between the States. Also an order from Gen. R. E. Lee written April 4, 1865, requesting food for his men and an horse.

Mrs. Kenseal Laws, guest of the Chapter, gave an interesting account of the work of her Chapter in California especially emphasizing the interest and work of the young people.

Mrs. Laws will be remembered as Miss Jessie Clark of Manassas.

The social hour was next enjoyed and the gracious hostesses dispensed delicious refreshments, and the guests departed with many pleasant memories.

NOTICE TO TAX PAYERS

The list of delinquent real estate in the Town of Manassas for the year 1933 has been posted at the front door of the town hall as required by law.

It is hoped that those who have overlooked their taxes will call at my office and settle same promptly.

B. L. BYRD, Treasurer of Manassas

HON. JOHN G. GALLAHER State President of the Organization WILL ADDRESS YOUNG DEMOCRATS

More than 400 delegates from all parts of Virginia are expected in Lynchburg July 27 and 28 for the annual convention of the Young Democratic Club of Virginia.

Speakers for the two-day session will include men well-known in the State political arena and also some prominent in National affairs.

Among the prominent speakers invited are Senator Carter Glass and Senator Harry Flood Byrd. Other State notables have been invited and will make brief talks.

Convention sessions will be held Friday and Saturday afternoon, July 27 and 28, beginning at 2 o'clock each day from 10 until 2 o'clock.

President John Gallaher of Leesburg will preside. The welcome will be extended by Mayor John Victor of Lynchburg and the keynote speech will be delivered by the temporary chairman, whose selection has not yet been announced.

An informal dinner will be given at the Virginia Hotel at 8 o'clock Friday evening. All delegates and their guests will be invited to a dance given by the Lynchburg club at the Oakwood Country Club later the same evening.

Elaborate preparations are being made for the convention. President Gallaher has made several trips to Lynchburg to confer with officials of the club here about arrangements.

There are about sixty Young Democratic clubs in the State and all are expected to be represented by full delegations. A club is entitled to one delegate for each block of ten members, with a maximum of fifty delegates.

JULY MEETING OF W. C. T. U.

The Woman's Christian Temperance Union will meet at the home of Mrs. D. R. Lewis on Wednesday, July 25, at 3:00 p. m.

All are requested to bring their Virginia Call, July Number.

The Brentsville Community League is having a lawn party on the courthouse lot at Brentsville, Va. Friday night, July 20, 1934. Come and bring your friends.

Wheat Reduction for 1935 Announced

Production adjustment in wheat is to be continued into the 1935 crop year on practically the same plan as is now in force with contracting producers for the 1934 crops.

Approximately 102 million dollars in benefit payments, on top of the \$8 million for the 1933-34 program, will be made in two installments, the first planned for October, 1934, and the second following proof of compliance.

Contracting farmers will plant not less than 85 percent of the average for the base period. No reduction greater than 15 percent will be required; and, should conditions warrant it, an increase in acreage over the 85 percent may be permitted.

MANASSAS DEFEATS BALLSTON TO TAKE LEAGUE LEAD

In a thrilling encounter that kept the fans on edge throughout and raised blood pressures to a new high, Manassas A. C. turned back the Ballston team Sunday by the score of 7 to 5.

The Macs won by the simple but effective expedient of bunching their hits in the first two innings to pile up an early lead and then concentrating their efforts in turning back alien threats throughout the remainder of the game.

Two base hits—Saunders, Dreyfus. Stolen bases—Dreyfus, Wolverton. Double plays—Wurdemann to Bradshaw. Struck out—by Dreyfus 9, by Lacey 2, by Hull 3, Printz 1.

MISS TIFFANY A PRINCESS—Miss Charlotte Tiffany of Manassas is one of the princesses for the Tri-Festival to be held in Culpeper, Va., August 2-4.

A COLORFUL EVENT

Mrs. Dunlop expects a number of Washington social lights to attend the "Starlight Cabin Ball," which she will give on Saturday, July 21, at Lake Jackson.

The processing tax on wheat will remain the same, 30 cents a bushel. The difference between the parity price and the farm price has not changed materially, and the tax to provide benefit payments to close this gap is therefore maintained.

GEORGIA GIRL THRILLS U. D. C.

8th Regiment Group Hears Stirring War Stories.

The most pleasant meeting for the season, of the Eighth Virginia Regiment Chapter, U. D. C. was on July 4, at Mount Atlas, near Waterfall, home of Mr. and Mrs. R. B. Gosson.

Since places as well as people are interesting, it may be mentioned that Mount Atlas is not only one of our old homes but a most attractive one. On a foothill of the Bull Run Mountain, it commands a most extensive view, and a breeze at this time of year most delightful.

The meeting, which was well attended, was held in the large old-fashioned breezy parlor. After the usual opening the first business discussed was concerning some much-needed repairs to our Memorial Hall at Hickory Grove, and it was decided to go ahead with them, and trust to good luck, the help of friends, and our own exertions of the necessary funds.

After this various other matters came in for a share of discussion, among them the coming Day on the Battlefield, and the projected Museum. It was much regretted that things at the Henry House are not in better condition.

After this came the chief event of the afternoon, a most interesting, and indeed thrilling, speech from Miss Powell, of Georgia, though now living in Washington City. It turned partly on her own childhood recollections. Never before had Sherman's March to the Sea seemed so real to us and so terrible.

Afterwards there was music, old Southern tunes played mostly by Mrs. Alice Hutchison also conversation and truly delicious refreshments. Never does ice-cream taste so good as on the Fourth of July.

LARGE CROWDS GREET STORE

One of the largest crowds that has ever attended any commercial event in Manassas in recent years gathered on Center Street last Thursday evening to enjoy the music and participate in the distribution of gifts by the management of the D. G. S. Market.

It was necessary to police the congested area to regulate traffic something which ordinarily occurs only in case of fire. The affair continued at full height until nearly 10 p. m.

HOLSTEIN MEET WELL ATTENDED

A. Lewis is Host to Many Visitors.

More than 200 dairymen from Prince William and surrounding counties gathered on the hospitable farm of Percival A. Lewis this afternoon to hear the problems and glories of the Holstein cow.

The chief diversions of the day were the thrilling stunts of a visiting aviator and the glorious meal served by Miss Pitts and the 4-H girls at noon, the food stuff being supplied by the local dairymen.

The leading speaker was Allen Crissey, fieldman for the National Holstein Association in the Atlantic who told of the problems in the north Atlantic States, urging that the local herd improvement associations and members of the milk producing associations do their part in stemming the rising demand for high fat content in milk offered for the market.

He told specifically of the efforts in Massachusetts to restrain this by local ordinances and similar tactics.

The value of riding herds of Bang's disease was stressed by Dr. L. E. Starr of V. P. I. He spoke of new Federal legislation regarding eliminating of unprofitable cows.

Frank Walker, vice president of the State association, reported on the national convention at which he represented Virginia. He spoke rather encouragingly of the situation, stating that the Holstein people should be satisfied with their share of the business which they are getting.

J. W. Bartlett of the New Jersey Experiment Station, spoke of butterfat production through a study of the inheritance of both lines. He told of the methods by which the New Jersey farmers are co-operating with the State Department to prove worthwhile sires.

R. G. Connelly, of Blacksburg, gave some interesting facts using demonstrations, also stressing the increase of butterfat in this way.

After this various other matters came in for a share of discussion, among them the coming Day on the Battlefield, and the projected Museum. It was much regretted that things at the Henry House are not in better condition.

SUMMER AT LINTON HALL

From time to time during the past year this paper has published accounts of the activities at our nearby Military for Boys at Linton Hall. The scholastic year 1933-34 closed June 8, graduating eight cadets from the eighth grade.

With vacation on we find the entire picture at Linton Hall changed from a boys' grade school to a Summer Normal School for the benefit of the sisters of the Benedictine Order Order in the diocese of Richmond, Virginia.

Heretofore, the sisters regularly English, Education, Science and attended the summer sessions of the Catholic University. It was a familiar sight to see the Linton Hall bus conveying these earnest women to and from Washington, D. C., as it passed through our town twice daily making this fatiguing trip in pursuit of higher education.

This summer different arrangements were made. The Summer School is carried on at Linton Hall and while the number of students is not large (twenty-four) there is a complete faculty offering courses in English, Education, Science and Music. A trained librarian is also employed.

The school opened July 2 and will run on without interruption until July 30. Classes begin at eight o'clock in the morning and continue throughout the day.

It is needless to say the school is under the approval of the Virginia State Board of Education.

operated by Mr. R. L. Sadd. He states that the District Grocery Stores are not chain stores but owned and operated by local men in every case the system being devoted to group buying to aid in lower prices.
