

YANNIGANS WIN OVER NOKESVILLE

Smith's Homer Provides Winning Margin As Bradshaw Blanks Nokesville.

M. A. C.'s Yannigan team journeyed to Nokesville Saturday, ran into the stiffest kind of opposition and had its hands full in eking out a 1 to 0 victory. The locals scored the lone run of the game in the second inning when, with two away, Smith pitched out one to his liking and landed it high up on the bank in right center for a home run. Shepherd pitched effectively, granted the Macs but five hits and with the exception of Smith's drive, permitted only two men to reach second.

Nokesville threatened to score in both the second and the ninth. They filled the bases with one out in the second by virtue of a pair singles and a fielder's choice. On an attempted squeeze, Swank was caught at the plate. Bradshaw then knocked down Godfrey's hot smash and threw him out to end the threat.

In the ninth with runners on second and third and two out, Shorty Vetter raced into left center field to take Gorman's looper over his shoulder for the last out and save the game for the Macs.

RECITAL

Manassas enjoyed a treat when the pupils of Miss Eloise Compton displayed their talents last Friday night at the Parish Hall in an exhibition of song, dance and music.

Outstanding numbers were "Two Little Girls in Blue" danced by Nancy and Betty Parrish. Those twins just can't be beat! Fanell Pickeral was the attraction to the Dutch scene when she sang about the "Little Dutch Mill" in that sweet and charming manner of hers. Margaret Blakemore took the house when she danced "Strutting Sam" with the aid of a high silk hat and cane.

Other participating were Ella Blakemore, Mildred Parrish, June Pickeral and Jean Purvis. These girls, also are to be commended for their remarkable ability.

FIREMEN WIN CUP

The Manassas Volunteer Fire Department won a silver loving cup at the Culpeper Tri-festival today for the best equipped pumper. This makes eleven cup that have been awarded the local firefighters in the past two years.

STATE LIQUOR SHOPS INVADE RURAL AREAS

Continuing its program of expansion, the ABC board has made its first move into the smaller sections of the state.

With 25 stores definitely established and eight scheduled to open soon, the board July 10 announced its selection of 14 further locations for government stores. Four smaller cities and towns have been chosen. They are the following: Winchester, Williamsburg, Harrisonburg, and Suffolk. The latter two, though in dry areas, are independent cities, and not affected by the county vote.

In its selection of towns, the board considered the matter of accessibility as well as population, and towns having smaller populations were, in cases, given preference over towns which were less easily reached.

QUANTICO LEGION TEAM LOSES PITCHER'S BATTLE TO NEWPORT NEWS

The Quantico American Legion baseball team journeyed to Newport News last week to participate in the Old Dominion Tournament and were defeated by the strong Newport News team by a score of 2 to 0.

Both twirlers were in rare form, Jim McIntee of the Quantico team allowing only three scratch hits, not a ball being hit to the outfield, the hits were two slow rollers to the infield which were handled too slow to catch runner and one Texas leaguer which fell a few yards behind second base, the runs being scored on errors in the second inning in which not a hit was made, after which not a Newport News player reached reached third base. Cooper, the star for the Shiptbuilders allowed only four hits, no two of which came in the same inning and was given great support by his teammates including three double plays and two great catches in the outfield. Each twirler fanned eight. Newport News on Friday defeated the Hampton team which had defeated Richmond to get into the finals. Alexandria gave the strong Norfolk team a great battle losing after going in to extra innings by a score of 3 to 1, Norfolk eventually winning out. Last year Richmond won, Richmond last year and Norfolk this year drew a blank for the first day thereby participating in only two games.

CLUB GOES TO HAYMARKET

Kiwanis Will be Guests of the Episcopal Guild.

The New Deal was up again in the Kiwanis last Friday evening, the Jim Bradford, pinch hitting for Hunton Tiffany championing the said deal while Bob Hutchison rebutted with Ted Didlake applauding.

Jim had a nice little newspaper clipping which told all sorts of nice things about the change in our economic setup. Then Bob proceeded to use a regular machine gun attack and the entertainment committee took it out in grinning.

The club has been anxious to sponsor a new Club at Marshall but so far doesn't seem to be getting anywhere. Fred suggested using the Haymarket meet but this met with no approval.

The hospitable ladies of the Haymarket Guild will entertain the boys at ye olde Parish Hall tomorrow evening. Everybody out.
