MANASSAS, VIRGINIA THURSDAY, AUG. 30, 1934

SUBSCRIPTION \$1.50 A YEAR

DAIRY FESTIVAL CHANGES DATE

Done at Instance of Many Requests.

The Fourth Annual Piedmont Virginia Dairy Festival, originally announced for September 27th will be held instead on September 28th.

The change in date was decided on at a recent meeting of the directors after numerous requests had been received from throughout the Piedmont section. School officials in the section felt that school work would be less interrupted if holiday was declared for the 28th, a Friday, instead of the 27th as was the original plan. Another factor contributing to the change in date was the fact that a National Police Chief's Convention to be held in Washington has its concluding day on the 27th and it appeared that this would curtail somewhat the usually large host of Washington attendants.

Prospects for this year's festival appear brighter than ever before and it has already been announced that more than fifteen organizations have entered floats in the great "Milky Way" parade, one of the outstanding features of the celebration. This number will probably be increased to fifty or more before the final date.

Each year great care is taken in Queen and her Court and this year selecting the guard of honor for the Festival authorities have been very fortunate in securing as military escorts for Regina IV and her Court a detachment of two hundred men from the 6th U. S. Reserve Marine Brigade. This group recently appeared in maneuvers at "Pillgrim's Rest" near Manassas, and their exhibition was very impressive.

A feature of the parade this year which promises to attract many to the affair is the fact that leading the host of marchers will be the now famous "Voice of Conscience," the phantom of the District of Columbia police force. This car has attracted wide attention on the streets of Washington with its booming voice warning erring motorists and pedestrians, and the announcer that it will participate in the parade has been greeted enthusiastically.

From all indications it appears that Manassas will be visited on the 28th by the largest crowd in history. To take care of the many visitors arrangements are being made for special trains, busses, and planes, and all local residents are planning to open their homes to receive their many guests.

MAKES PROMPT ARREST

About 11:00 p. m. Monday night, August 27, less than five minutes after he had left the Post Office building at Quantico, Va., through entry had previously been made by removing one of the glasses, Richard W. Callaway, a transient, was stopped on one of the side streets by town sergeant John Adams, who seeing man come from alley and apparently carrying something inside his shirt became suspicious. When stopped by officer Adams and inquiry made as to what he was carrying, Callaway promptly informed the officer that he was "John Dillinger," but the officer keeps better posted on the news of the day (This does not infer any lack of nerve on the part of the arm of the law) and proceeded to make inquiry of what he was carrying and Callaway declared "I might as well take it here as anywhere else" and allowed the officer to take package from his shirt, which Adams immediately recognized as a C.O.D. package addressed to party in Quantico well known to him. Placing Callaway under arrest officer asked, "Have you been in the post office?" and Callaway replied "Yes, what the hell are you going to do about it?"

Searching after being placed in jail, two other small C. O. D. packages were found. Postal authorities notified and investigation revealed that post office building had been entered as previously stated, drawers etc opened, but no other loss could be discovered. Prisoner was turned to Deputy U. S. Marshall and it is understood that he entered a plea of guilt before the U. S. Commissioner.

TO MEET WITH MRS. COOKSEY

The Garden section of the Woman's Club will meet at the home of Mrs. Paul Cooksey Tuesday, September 4. All members are urged to be present.

Ayleene R. Guthrie, Chairman

Manassas High School Office will be open Monday and Tuesday from 10 to 5 o'clock for benefit of parents and students wishing to consult about courses of study.

VARIETY STORE OPENS TOMORROW

Popular Prices Offered to Public.

L. S. Rohr, of Front Royal, a life long operator of the novelty store business, has formally announced the opening of his newest branch in this town.

For the past two weeks the old post office building has been the scene of the most unusual activity. For the past few days a crowd has been constantly observing the placing of goods through the large show windows that face on Battle Street.

Shoppers will find that this is a novelty store that will rank with any in the Metropolitan centers, not only in prices but in selectivity, a thing sometimes difficult to find in less populous areas.

The interior has been patterned in a real artistic manner and everything is open to display in a most ingenious fashion. The counters, paneling, etc are all quite accessible for buyers as well as employees.

Young Mr. Rohr, who will be in charge of the Manassas branch, is a capable executive, who will add another secure link to his father's increasing chain of stores.

Lists of bargains were advertised in this and in last week's Journal.

ETHYL EXPERT ADDRESSES KIWANIS

At the regular meeting of the Kiwanis club, last Friday the members were addressed by John S. Cole of the Ethyl Gasoline Corporation of New York. Speaking on the subject of "Modern Motors and their Fuels," the speaker traced the advance that have been made in both the automobile and the petroleum industries to give us the type of transportation we have available today.

By means of a small demonstration engine the speaker demonstrated how the chemical engineer plays his part in supplying the public with satisfactory fuels. Badly knocking gasolines were treated with tetra-ethyl lead to remove the knock. Mr. Cole stated this is now the most widely accepted and used method of improving gasoline and over 100 refining companies now add this substance to their gasoline.

Tetra-ethyl lead is the product of a long research program carried out by Mr. Thomas Midgely for the General Motors Corporation, and at first regarded as more or less as a luxury, is today an essential ingredient of a good gasoline.

The meeting concluded with the speaker answering questions put to him by the members and guests.

JEWELRY SALE AT WARRENTON

An announcement last night made by Mr. G. W. Hurst, jeweler of Warrenton, to the effect that he had contracted with Alvin A. Brunner of Hollywood, Calif. to conduct an auction sale for him was confirmed with in one hour of the report. Mr. Brunner, one of the leading authorities in the country on precious stones, was unable, due to important business in New York, to open the sale before September 7 but advice from his secretary brought the information that he would most certainly be present for the opening and remain in Warrenton in official capacity of auctioneer throughout the duration of the entire sale. Mr. Brunner will take over the entire operations until the termination. Mr. Brunner was unable to confirm this due to his absence but the signed contract was mailed by his office to Mr. Hurst on Tuesday morning.

MANASSAS WINS ANOTHER GAME

The MAC'S won another ball game Sunday in spite of themselves. After getting away to a slow start in the first, the local boys scored one in the second, another in the third, four in the fifth, two in the seventh, and three more in the ninth to defeat the White Star Market nine by the score of 11-4. Doc Dreifus was in good form, striking out 12 and allowing 7 hits, but the locals played a poor game in the field, being charged with ten errors. Donaldson, White Star hurler, allowed 11 hits and struck out 7, one of the hits being a home in the 7th. This victory keeps Manassas in the race and half a game behind Ballston, and it appears that a play off game between these two teams is inevitable. A meeting is to be held this week to determine where and when the play off will be held.

U. D. C. MEETING IS POSTPONED

The regular meeting of the Manassas chapter, U. D. C. has been postponed until Monday, September 10, that being the 40th anniversary of the founding of this organization. Mrs. M. M. Washington will be hostess for this meeting. Hour of meeting promptly at 2:30 p. m.

GOVERNOR PEERY TO CROWN QUEEN

E. R. Conner, of the Dairy Festival Association, yesterday received a communication from George C. Peery, Governor, stating that he will be with us on September 2 to crown Regina IV of the Piedmont Dairy Festival.

FIRE DEPARTMENT ELECTS OFFICERS

At their regular meeting night in August, the members of the Manassas Volunteer Fire Department elected the following officers for the ensuing year. Dr. George B. Cocke was elected president succeeding Thomas W. Howard, who was elected chief, succeeding J. Arthur Vetter. R. Bruce Hynson was elected assistant chief; Raymond Davis, captain; J. Arthur Vetter, first lieutenant; A. McMillan, second lieutenant; and Warren Coleman was re-elected secretary-treasurer. Informal talks were made by the newly elected president and chief urging co-operation from the members of the fire department to make the fire department a success.

At this meeting the department voted to participate in the Annual Fireman's Labor Day Parade in Alexandria, September 1-3. After other business was transacted the department adjourned to meet in regular session in September.

NOKESVILLE FAIR NOT TO BE HELD

The Brentsville District Fair, to have been held at Nokesville next week, has been called off because of the poor quality of garden and farm products caused by the early drought. M. J. Shepherd, President of the Fair Organization, in making this announcement said that the matter of holding a smaller show for the benefit of the younger people who had been making preparations of exhibits would be taken up at the next meeting of the Brentsville District Community Association at the Nokesville High School on next Tuesday evening September 4, at 8:00 o'clock.

V. F. W. PLAN TO ORGANIZE HERE

Ex-Service Men Asked to Send in Names.

Walter Johnson of Clarendon, Deputy Chief of Staff of the Department of Virginia, Veterans of Foreign Wars was in town Sunday conferring with local Overseas men relative to the organization of a Post of the V. F. W. in Manassas.

"There are a large number of overseas men around this section" said Mr. Johnson, "and they should organize a Post of our organization. The V. F. W. was organized in 1899 by men who had followed the flag in foreign service. It now has Posts in every part of the United States and its possessions. It does not concern itself with Religious, Political, or Labor controversies, and during all the years of its history it has not lost sight of its first great object—to look after the Veteran, his widow and his orphan, and to preserve the reminiscences and memories of Camp and Field beyond the borders of our Native Land."

James E. Van Zandt of Pennsylvania is National Commander, and Major James Sipolski of Lexington is Commander of the Department of Virginia. Membership in the V. F. W. is in effect an insurance policy, too, because the National organization maintains a National Home in Eaton Rapids, Michigan, where Virginia members are cared for and educated.

Interested ex-service men should send their names and addresses to Walter Johnson, 418 Chestnut St., Clarendon, Va., so that Mr. Johnson can send them notice when the preliminary organization meeting will be held in Manassas. Of course all men who enter the original organization here will be charter members.

A FEW STEPS IN THE ADVANCEMENT OF S. S. WORK IN THE COUNTY

More than three hundred children were enrolled in Daily Vacation Bible schools this year. School were held in all parts of the County.

Two Institutes were held in the County during the year, at which 59 persons from different Sunday Schools received instruction on effectiveness in teaching.

Approximately sixty Training Schools and some received Leadership Training credits.

The County officers, with the help of Rev. Minor C. Miller, State Secretary of the International Council of retary, was able to secure Dr. Paul Religious Education for an address at the Presbyterian Church in Manassas at which almost half of the Sunday Schools were represented. In the Secretary's record is found that \$303 has been given to State work in the last 2 and half years.

A quarterly Workers Conference was organized in Brentsville District at which the officers and workers meet and plan for the advancing of Spiritual recovery.

In a recent survey made by the President and Secretary, it was found that the Sunday Schools have increased in attendance the last five years about twenty-eight percent. But when we know that fifty-four percent of the white population of Virginia are not members of any church and sixty-five percent are not enrolled in Sunday Schools and the attendance of the State is only half of the entire enrollment even though we know Prince William is ahead of many counties, we are certainly reminded there is much remains to be done before it can be said that the church has reasonably well attained its goal. As we undertake our task for this year let us rejoice for our privilege and opportunity.

SPLENDID MUSIC FOR HORSE SHOW

SMITH DECLINES DEBATE OFFER

Letter Sets Forth Reasons for Such Action.

August 25, 1934

Honorable Howard W. Smith, Alexandria, Virginia
Dear Judge Smith:

I am opening my campaign for Congress, September 8 at 8:00 P. M., at Manassas.

You have been according to your record and statements attributed to you, an advocate of the policies of the New Deal Administration. I am, as you know, opposed to the theory and practice of the New Dealers.

The issue, therefore, being clear cut, and in accordance with the general expression among your supporters and my supporters that there should be an open and frank discussion of these issues from the same platform, I extend to you a most cordial invitation to be present at Manassas on the date stated. I will be very glad to divide time with you, or if you rather, we will draw as to whom shall open and close.

With kind personal regards, I am
Respectfully yours,
John Locke Green

August 28, 1934

Mr. John L. Green, Clarendon, Virginia.
Dear Sir:

I acknowledge receipt of your letter of the 25th instant, which reached me this morning after an absence of several days from Washington.

I note your invitation to appear at your meeting at Manassas on September 8th and debate with you the issues which you outline. I must take issue with the statement in your letter that my supporters consider my attendance at your rally desirable, as I am convinced that had they so considered they would have communicated that fact to me rather than to you.

However, I see no point in swelling the attendance at a Republican Rally by the presence of myself and my friends. The Democrats of this District have always found it possible to stage their own rallies whenever they have found it desirable or necessary.

In this instance there is nothing to debate.

You state with accuracy that I have consistently supported the measures advocated by the Roosevelt Administration during the 73rd Congress. You further state that you are opposed to these policies, from which it necessarily follows that you favor repeal by the next Congress of the recovery measures that have so happily rescued the Country from the disaster of twelve consecutive years of Republican rule. The issue is so clearly drawn that there is little to debate before an audience so well informed as the electorate of the 8th Virginia District. Those who approve my course in supporting the Roosevelt Administration in its efforts for recovery will, I hope, voice their approval of that Administration by voting for me. Those who oppose it will doubtless vote for you.

Upon that issue I am content to rest without further ado.

Very truly yours,
Howard W. Smith

JOSEPH BREEDEN

Joseph Luther Breeden, aged 56, a life long resident of this county, died at his home yesterday forenoon after a lingering illness. The funeral will take place tomorrow at the Manassas U. B. Church, at 2:30 p. m.

Mr. Breeden, who was the son of William H. Breeden and Eliza Hensley, was born at Swift's Run where he spent his boyhood, coming to Manassas when quite a young man. For many years he had been an employee of the Southern Railroad, residing on the Warrenton pike for some years past just outside the corporation.

Besides his widow, who was Miss Virginia Horton, he leaves four children. Two live here, Mrs. Gordon Miller and Mrs. Woodrow Vetter and two live in Washington, Mrs. Harry Murphy and Mr. Alfred Breeden.

The deceased was a quiet, likable citizen who attended to his affairs in a manner that made him a desirable neighbor in this community. The regrets of the entire community are extended to his widow and children.

CHESS PLAYERS TO HOLD TOURNAMENT

The Chess players throughout Virginia and adjoining states will gather under the auspices of the recently formed Virginia Chess Federation at Staunton over the first, second and third of September.

The primary purpose of the meeting is to hold two tournaments—one to decide the Chess Championship for Virginia; this title now being by Henry M. Woods, Jr., of Virginia Beach, who is expected to defend his title; the second tournament is open to all players; while the state championship is eligible only to residents of Virginia.

Arrangements have been made with Fairway Tavern, formerly the Stonewall Jackson Golf Club, to hold the Tournaments there, where ample accommodations are provided and special rates for those attending will be granted. In addition to chess, an eighteen hole golf course is available.

This meeting of chess enthusiasts is the first attempt on so large a scale and if you are a follower of the game, you are assured of a good time whether you play in the master class or consider yourself a novice.

Three days spent in the heart of the Shenandoah Valley with ideal accommodations at reasonable rates, in picturesque surroundings should offer an irresistible attraction.

Chess players are invited to make their plans to come and bring their Queen Lady with them.

Play starts at 9 A. M. Saturday, September 1 and continues three sessions per day for three days.

EVERLASTING LIGHT: Thy sun shall no more go down; neither shall thy moon withdraw itself: for the Lord shall be thine everlasting light, and the days of thy mourning shall be ended.—Isaiah 60: 20.

LEWIS-ELLIS

A lovely wedding took place today at half past four o'clock in the Park View Methodist church when Miss Anna May Ellis, daughter of Mr. and Mrs. Charles Jewell Ellis, of 730 Linden avenue, became the bride of Benjamin Higgs Lewis, of Manassas, son of Mrs. J. Frank Burks and the late Frank Ashby Lewis, of Manassas. Palms, ferns, flowers and lighted cathedral candles were used in chancel decorations and wedding music was rendered by Herbert Stewart. "Believe Me if All Thine Endearing Young Charms" and "Drink to Me Only With Thine Eyes" as vocal selections were rendered by Mrs. Ben T. Cullen.

The ceremony was performed by Rev. S. J. Batten, pastor of the church, assisted by the groom's stepfather, Rev. J. Frank Burks.

The bride, who was given away by her father, wore a taffeta frock with white silk net overdress, with three circular tiers and fashioned with chantilly lace. Her full veil was caught with a spray of orange blossoms to a cap, and the bride's only ornament was a brooch of diamonds and pearls, a family heirloom. She carried an arm bouquet of bride roses and baby's breath. Miss Pearl Etheridge as maid of honor wore a green organdie frock, hat and gloves to match and yellow slippers and carried an arm bouquet of brown-eyed Susans and aasha daisies, caught with yellow tulle.

Misses Helen Clarke Capps, of Aberdeen, N. C., and Miss Margaret Pleasants, of Raleigh, N. C., as maids, wore frocks of yellow organdie, yellow accessories and green slippers and carried bouquets similar to the one of the maid-of-honor.

P. A. Lewis, of Manassas, was best man and Frank Ashby Lewis and Lee Lewis, of Washington, D. C., all brothers of the groom, and Rowland Ellis, the bride's brother, were groomsmen.

Following the wedding the couple left for a trip to New York and up the Hudson river to Montreal, after which they will reside in Manassas. The bride's traveling costume was on brown and white polka dotted chiffon.

Mrs. Ellis wore a frock of delft blue crepe, pink accessories and corsage of pink roses and blue baby's breath and Mrs. Burks's gown was black crepe and lace and corsage similar to Mrs. Ellis.

Among the out of town guests were Rev. and Mrs. J. Frank Burks, Mr. and Mrs. P. A. Lewis and Children, Jean and Ashby, Mr. and Mrs. Robert L. Lewis, Misses Lucy Arrington, Susan Gibson, Evelyn Coker, Mr. Bob Fox, Mr. and Mrs. Robert Logan, all of Manassas; Lee Lewis, Frank Ashby Lewis, Paige Ferebee, of Washington; Mr. and Mrs. H. E. Pleasants, Miss Margaret Pleasants, of Raleigh, N. C.

A wedding breakfast was served at noon at the home of the bride's parents, in Linden avenue, and guests included out-of-town guests, bridal party and relatives and other friends.

CASH BUYERS OF COUNTRY PRODUCE

DEPOSITS INSURED
 BY
The Federal Deposit Insurance Corporation
 WASHINGTON, D. C.
 \$5000 MAXIMUM INSURANCE FOR EACH DEPOSITOR \$5000

The Peoples National Bank of Manassas today received from the Federal Deposit Insurance Corporation at Washington the official signs which will hang at all receiving windows as visible evidence that the depositors of this institution are insured.

The Peoples National Bank of Manassas is one of more than 14,000 licensed banks in the country which are receiving these signs. Insured banks are able to offer protection to their depositors up to \$5,000. Statistical studies have shown that this maximum fully protects more than 97 per cent of all the depositors in insured banks.

"The purpose of the signs is to let depositors know which banks are insured. Heretofore, although 90 per cent of the licensed banks are insured, depositors have had no easy means of identifying them.

"If, by any unforeseen circumstance, an insured bank should suspend, the Insurance Corporation would begin paying off the depositors just as soon as a receiver was appointed for the closed institution. The depositors would receive their money in a few days instead of waiting months or years as was the case in the former method of liquidation. This is not only a benefit to the depositors, but it saves the community from a terrific economic and social blow. When the depositors receive their insured accounts they assign their claims to the Insurance Corporation. Thereafter liquidation proceeds on a business-like basis with the maximum chance of the Corporation and other creditors being paid in full."

S. S. ASSOCIATION MEETS
The Prince William County Sabbath School Association met for their annual convention on Sunday, August 26 at Nokesville. The afternoon meeting was held in the Seminary and the night meeting in the high school auditorium. Two hundred and fifty people attended the afternoon meeting and it is estimated that between five and six hundred people attended the night program.

The short address during the afternoon by Prof. C. O. Bittle, Rev. O. R. Kesner, Rev. Earl Flohr of Vienna, Rev. Minor C. Miller, State Secretary, Elder G. W. Beahm, Rev. J. H. Cassidy of Washington, D. C.

and Rev. J. W. Brill of Martinsburg, W. Va., were handled in a most efficient manner. At the night program Rev. J. H. Cassidy and Rev. Earl Flohr gave masterly addresses using as their subjects, "Christ in the Life of the Home," and "The Christian and Non-Christian Home in Africa."

The music furnished by the Nokesville Church of the Brethren, Miss Jessie Mae Conner, a group from the Oakton Church of the Brethren, with Mr. Ira Miller as leader and the Washington City Church of the Brethren choir was greatly appreciated and enjoyed by all those present at both the afternoon and evening sessions of the convention.

The following are the resolutions which were drawn up by the committee which consisted of Miss Marjorie Graybill, Mrs. Francis, and Arthur S. Wilfong.

Since Our Heavenly Father in His great love has permitted us to gather in this convention to study our problems in the advancement of His Kingdom, we offer the following goals to be stressed in the coming year.

1. To use every means available to quicken and deepen our spiritual life by urging all teachers and officials to a deeper consecration.
2. To encourage the various districts to co-operate in and conduct Leadership training to the end that we secure more efficient teachers for our great task.
3. To stress the importance of Vacation Bible Schools for the whole county.
4. To realize that our foundation lies in the home; therefore, we urge special emphasis on home Bible study, family altar and co-operation with the church program.
5. To urge our Sunday Schools to organize and enrich their program thru the Worker's Council.
6. To make a special effort to increase our S. S. enrollment and attendance.

7. To recommend and urge that we continue the fine co-operation that has been manifested in the past on the part of all denominations in going forward with this, our great task in the name of our Heavenly Father.

CECILIA ELLIS
Cecilia Tansel Ellis, wife of the late James G. Ellis, departed from this earthly realm on Friday, Aug. 24, at her home near Greenwich.

Although her health had not been good for several years she was able to perform her household duties until about three months before her demise.

Mrs. Ellis was possessed of sterling christian qualities and was ever known to do justly; to love mercy and to walk humbly with her Lord. Through all her suffering she never lost faith and during a few lucid moments a short time before her death she repeated portions of the Twenty-third Psalm.

On Sunday a large crowd of sorrowing friends gathered at the Presbyterian church to pay the last tribute of respect to the one whose life and influence had meant so much to that institution.

Services were conducted by her pastor, Rev. J. R. Cooke and interment was in the cemetery adjacent.

She is survived by three sons, Mackall M., John W., and Raymond L. Ellis, four grandchildren, three sisters, two brothers and a host of relatives and friends.

Tune in on Radio Station WJEJ, Hagerstown, Md., each Monday evening at 6:45 P. M. and "Check" Clark. "The Singing Virginian" in a program of old fashioned gospel hymns.

Say neighbors!

Here's the fertilizer that BRINGS HOME THE BACON

"It's the fertilizer that produced twice as much wheat as 16¢ for me," says L. M. Farmer, Brandy, Va. "In addition I have been offered 15¢ per bushel premium because of the fine quality. This 15¢ premium alone pays the entire fertilizer bill and leaves me a clear profit of \$23.56."

"It's the fertilizer that has increased my wheat yield on the same land from 15 bushels to an average of 25 bushels per acre," says E. R. Gaines of Culpeper.

"It's the fertilizer that has produced the prettiest headed and best crop of wheat I have ever grown," writes John C. Hutchinson, Newport, Va. "The local seed store wants my entire surplus at 50¢ a bushel above the market price."

It's the fertilizer that gave J. M. Weaver of Madison, 8 bushels more per acre. That increased yield pays his entire fertilizer bill. "But best of all," he writes, "I got 26 tons of clover off the same 15 acres."

"It's the fertilizer that by actual check has given me from 4 to 11 bushels more wheat per acre than neighbors made this year," says L. M. Garber, Mt. Jackson.

"It's the fertilizer that in the six years I have been using it has increased my yield on all crops by at least 20%," writes F. L. Walker, Union, W. Va.

"It's the fertilizer that has given us an average of 10 bushels more wheat per acre than we got before we used it," writes R. P. Smith of Locust Grove.

"It's the fertilizer I have been using for 10 years with consistently good results," says Robert R. Swartz of Dayton.

"It's the fertilizer that gave me a surplus of over 600 bushels this year which is of such good quality that I have sold it all at 25¢ premium and that means \$125 extra profit for me," says A. C. Starnes of Gates City.

It's the fertilizer that's bringing home the bacon—and by "bacon" we mean bigger yields, better quality wheat and greatly improved stands of clover and grass—for farmers throughout the Eastern Wheat territory from Virginia to the Great Lakes.

It's Agrico—the fertilizer with the extra plant foods.

You'll be planting wheat soon

Conditions are better. The outlook is bright. So make up your mind to produce a real crop this year. Consider the results these farmers are getting with Agrico and then decide if it wouldn't pay you well to use Agrico on your wheat, too. Certainly, what it has done for others it can do for you. Use Agrico this year and let your crop show you the kind of a fertilizer it really is.

Remember, Agrico is manufactured only by The American Agricultural Chemical Company. You can get it from any A. A. C. Dealer. See the list below and tell the dealer nearest you that *this year you want Agrico for Grain*.

EXPEDITION SEEKS GOLD

The aims of the many expeditions now headed for Ellesmere, North America's most northerly isle, an explored, virtually uninhabited land near the Pole, are being guarded, but gold and mapping are two known objectives and plans for future settling may be another. The story of these northward treks and what possibly lies in store for them is told in an article appearing in the September 2 issue of the magazine of the Washington Evening Star.

CATHARPIN

The "Campfire," an organization for the young people of Methodism, held a meeting at Sudley on Friday night of last week which was attended by delegations from Washington, Gainesville, Sudley and other places. It was the intention to hold the meeting by the glare of a big camp fire on the lawn, but a down-pour compelled a retreat to the lecture room of the church where an interesting session was held. This is a Young People's Organization of which Miss Leda Sowers, of Sudley, is secretary.

Mr. and Mrs. Chas. R. McDonald returned home last week after a two-weeks' sojourn among friends and relatives near Pittsburgh, Pa.

Mrs. W. S. Brower, of Lone Oak, was hostess to a number of friends from Washington who enjoyed the delights of a good dinner one day last week.

Mr. and Mrs. Raymond Briggs spent Sunday last in Charlottesville, Va., where they visited Mrs. Fred H. Collins who is a patient at the sanatorium of that city.

Silos, which were blown down during a recent storm, are going up like mushrooms and soon the voice of the ensilage cutter will be making its presence known throughout the land. The late rains have benefited the cornfields and a good crop is getting ready for the "harvester."

Mrs. Sarah Caton, of Pageland Lane, was a week-end visitor of Mrs. Bertie Caton last week.

Mrs. C. F. Brower was visiting her daughter, Mrs. Willis, in Clarendon last week.

"Aunt Helen" Hudley, an old colored resident of the neighborhood, died at her home on Sunday, August 19, and was buried the following Wednesday in the grave yard of the colored Baptist church. "Aunt Helen," as every one knew her, is among the very last of the old "Aunts" so familiar in the days of yore and when that appellation was very common to the older women of her race. During her last years she was almost blind. Her death, as in all other cases, leaves a vacancy in the home to which she belonged.

A number of farmers have made application for Government cattle to be pastured during the fall months and probably wintered, but to date none have been delivered. Pasture lands have been greatly benefited by recent rains and an opportunity to use them would be welcomed.

Miss Grace Metz of Manassas was the honor guest at her own birthday dinner given by Mr. and Mrs. L. L. Lynn last Sunday at their home in Catharpin. Those attending in addition to the immediate family were the mother, Mrs. Metz, Misses Lula and Louise of Manassas, Mr. and Mrs. P. M. Metz and children of Clarendon, Va. If this column only dared it would like to wish the honored guest may happy returns of the day.

The opening of school is a gentle reminder to all interested parties in the neighborhood that soup mixtures will again be needed to prepare hot lunches for the children during the coming winter. It is announced that glass jars for this purpose are at Catharpin where patrons and any kindly disposed non-patrons can get them. The interest of all is kindly solicited by the county officials having the project in charge. Catharpin has always been ready and willing to "do her bit" in all needful activities.

The recent test of dairy cattle in the Catharpin neighborhood has resulted in the elimination of a number of cows which have been ordered sold due to the prevalence of Bang's Disease; thus the cow population has been materially reduced, ranging all the way from one to fourteen from individual herds. For each one condemned the Government is paying the owner \$20.; this amount being supplemented by whatever the animal can be sold for the market. Thus the average received will be in the neighborhood of \$30.00 depending upon the flesh condition at time of sale. While this test is not at present compulsory, it is believed by many that, ere long it will be, but without Government compensation; so the present indications are that if a buyer buys a cow he will demand a test proof animal, else no sale. Thus it seems the part of wisdom to purify the herds as soon as possible.
