## COUNTY SCHOOLS OPENED TODAY

Division Superintendent's Office  
Is Busy Spot.

With all white schools opening in the county today, Division Superintendent Haydon's office is a center of greatest activity today.

The fall institute was attended by every teacher on the rolls, a record attendance. Reports which have wafted into headquarters indicate a slight increase over last year. The record enrollment for last session was 8357, with an average attendance of just under 3,000.

The colored institute will be held on Saturday and the next meeting of the county board will be on Wednesday.

The ease with which the school system went under way is a silent tribute to the efficiency to which Professor Haydon has brought his work. While there are many, many questions to be answered and he is constantly wanted on the phone, every parent in the county feels the relief of having their children get into their classes under a splendid faculty that has been carefully chosen by our county board, many of whom have been with us for years.

The vacation brought the rest period and now school is going right on where it left off last May.

## CHAMPIONSHIP GAME HERE SUNDAY

The Manassas Macs and Ballston will meet here Sunday in the second game of their three-game series to determine the winner in Section B of the Northern Virginia League. Manassas, by virtue of its win Labor Day, will be assured of the championship if they win Sunday. The winner in this section will then meet Middleburg, winner in section A. The game this Sunday promises to be the best played here this season, or any other season, for that matter, with Ballston striving to get back into the running and the locals out for the title.

Hull will probably be on the mound for Ballston and local fans are familiar with the spell he has had on the Macs this year. However, the locals claim that Sunday will see this spell broken. Manassas' veteran, Doc Dreyfus, will do the hurling for the home team. Doc was suffering with a strained muscle in the game at Ballston Labor Day but in spite of this was very effective, especially with runners on the bases. Play starts at 3 p.m. on Swavely field and the fans are urged to get out early and avoid the rush.

## TEACHERS RECEPTION

There will be a reception for the Haymarket faculty next Thursday evening (September 13) at 8 p.m. to which all patrons are cordially invited and urged to attend.

The affair is sponsored by the Woman's Club of Haymarket. This year's principal is W. L. Lynn.

## HANDS ACROSS THE SEA

We are in receipt of a card from Ripon, England, where our friend, Hon. Wade Ellis, is spending some time. The rural scenes would delight the heart of any Anglo-Saxon. This is the home town of Colonel Blackburn, one of Mr. Ellis' forebears who came to this fair land in 1725.

## ORANGE PAGEANT GLORIOUS DRAMA

Brilliant Scenes Planned for  
Hundreds of Actors.

The historic town and county of Orange presents a beehive of activity following the announcement that final plans for the elaborate bi-centennial pageant set for Sept. 25-28 had been drafted by Patrick Gorman, internationally known pageant director. At five "locations" in the county more than 100 citizens, including a bevy of beautiful girls, are being put through preliminary rehearsals for the pageant that will commemorate the erection of the largest county in the world in 1734.

In a natural amphitheater, flanked by the foothills of the Blue Ridge mountains Director Gorman, and his technical assistant Walter M. Boddy, who recently staged the Tercentenary of The Three Rivers in Canada are to unfold the graphic history of a Virginia County that once comprised the entire northwest territory.

As now planned, "Miss Orange County" as portrayed by Miss Wycliff of Orange, accompanied by her court and ladies-in-waiting will open the pageant with a stately entrance, to be followed by a salutation from the queen. Then will be unrolled the scroll of three centuries, beginning with the introduction to Miss Orange of "Miss 1734," "Miss 1834" and the modern "Miss 1934." Following this "Miss Columbia," played by Miss Florence Sanford, and her forty-eight states are to be presented. This ensemble is to witness the first prophecy of Father Time—a ballot depicting the creation of land, sky, water and flowers; the coming of the first Red Man; "The Spirit of the Wilderness and a ballet number interpreting the powers of forest, river, and mist. Solo dancer will featured in the three ballets.

The gripping drama of pioneer life is to be shown in an episode where the first settlers overcome, fever and famine and laugh in the face of Death. Then the action will turn to one of the highlights of the pageant, the settling of Germanna by the group of emigrants brought to the future county by Governor Spotswood in 1714. Episode covering the first cabin erected in the county, first school, and the first church erected by the blind evangelist, James Waddell, are to follow. The martial is to be introduced next by an episode in which descendant of the Minute Men are to play the lead roles. This scene is to pave the way for the celebrated "Knights of the Golden Horseshoe" episode and for "The First Wedding in Orange County." The bride and groom in this scene will witness the "Virginia Reel," danced by what is estimated as the largest cast ever assembled to interpret this historic folk dance.

After a ten-minute interval, the cast of 1000 characters are to stage the "Melting Pot of Nations" consisting of folk dances, drills and other forms of pageantry that will lead up to the grand finale—a revolving human wheel of brilliantly arranged dancers, accompanied by a chorus of 1000 voices.

## SEPTEMBER MEETING OF WOMAN'S CLUB

The September meeting of the Woman's Club will be held at the high school Wednesday, Sept. 12. The business meeting will begin promptly at 2 o'clock. The program is in charge of the educational committee who are very fortunate in having secured Miss Claire McCarthy of Richmond who will speak on "How shall we spend our leisure time?" The Woman's Club invites the public to hear the speaker at 3 p.m.

The executive board will meet on Monday evening at 8 o'clock at the home of the president, Mrs. Cooksey.

## B. Y. P. D. CONVENTION

There will be a meeting of the Young People's B.Y.P.D. eastern division at the Cannon Branch Church of the Brethren, beginning Saturday evening, Sept. 8, at 7:30.

The convention will last until Sunday evening, Sept. 9.

## ANNUAL TOUR TO ARLINGTON

All districts of the county were represented on the annual tour to the Arlington Experiment Farm last week.

The group arrived at the station at 10:30 a.m. and after being cordially welcomed by Superintendent Butterfield were conducted over the farm where the various phases of experimental work were explained by the men in charge.

As usual, the results of the "Length of Day" growing experiments in which late maturing plants are made to mature during the longer summer days by taking away a part of the sunlight of the longer days attracted much attention. That practical application was being made of these results was shown in response to questions. Following this, the blight resistant pears developed by Dr. Waite came in for their share of attention. From this point the tour continued to the pecan grove

and from here to the vineyard in which more than two hundred grape varieties are grown. After a visit to the storage laboratory, a picnic lunch was enjoyed on the grounds.

At 1 o'clock the women visited Botanical Gardens on Maryland avenue and returning later in the afternoon to again join the men reported a very interesting visit.

Immediately after lunch, the results of the barley and winter oat work carried on at the station and Virginia test plots were explained. Considerable time was spent at the lespedeza and alfalfa plots. Recent discoveries in the control of the alfalfa leaf hopper were explained.

The approximately 4,000 varieties of soybeans collected from the oriental countries proved very interesting.

All in all, the tour was very successful and seemed to be interesting to all attending.

## JOHN LOCKE GREEN TO SPEAK SATURDAY

Opens His Campaign at Manassas.

The Republican nominee for Congress from the Eighth District will set forth his party platform at the high school auditorium Saturday evening at 8 o'clock. Mr. Green is an entertaining speaker and very ardent in his opposition to the New Deal.

## WELLINGTON G. BAILEY

Mr. Wellington G. Bailey, thirty years a resident of this county, died suddenly September 4, at Manassas, while on a business mission. He was 83 years of age. His remains will lie in state at the home of his daughter, Mrs. James W. Arnold, at Aden, Va.

The funeral service will be held at 1:30 p.m. Friday, Sept. 7, at the United Brethren Church, Aden. Rev. J. W. Brill will be the officiating minister, assisted by the Rev. Kesner, pastor of the church. Burial will be at Greenwich, Va., in the family plot. He is survived by a host of relatives, including Mrs. Annie Brown, sister; Grafton, W. Va., Mrs. Chas. Kicherer, sister, Alexandria, Va.; Gordon W. Bailey, son, Rockville, Md.; C. Raymond Bailey, son, Fairfax, Va.; Mrs. Jas. W. Arnold, of Aden, Va.; Mrs. Melvin Bowling, Bristow, Va.; Mrs. D. L. Wright, Bristow, Va.; Mrs. Brown Halterman, Belmont, Va.; Mrs. Wm. T. Ramberg, Riverdale, Md.; Mrs. Maynard Hawkins, Kensington, Md.; and Mrs. Cora B. Arthur, San Antonio, Tex., daughters. There also survive many grandchildren and others.

## U.D.C. TO OBSERVE FOUNDER'S DAY

On Monday next at 2:30 Mrs. Eucy Washington will entertain the U.D.C. at her home, "The Grove," Greenwich.

Special historical observance will be held, owing to the fact that this will be the 40th anniversary of the founding of the U.D.C.

## BIRTHDAY PARTY

Miss Muriel Hicks of Quantico entertained at a birthday party at her home on the night of September 3 in honor of her cousin and house guest, Miss G. Elizabeth Cutler of the Eastern Shore, Va., who is spending the latter part of the summer with her.

The guests included friends from Quantico and Triangle. A very enjoyable evening was spent in dancing and merrymaking. The party consisted of 18 guests.

## DABNEY'S GRIP RESEMBLES FLU

During July, and up to the present time, reports have been coming into the offices of the State Health Department of a form of grip which has been designated as Dabney's Grippe.

New cases are being reported all the time from various sections of the State. I feel that it is highly possible that this is a form of the flu or grip which occurs every year, and which occurs in epidemic form periodically. The flu or grip seems to assume different characteristics in different seasons. Where the cases begin to occur early in the summer, such as is the case now, it is indicative of a more extensive occurrence during the fall and winter months.

Present conditions seem to be attacking the digestive tract more than the respiratory tract. There has been a tendency to confuse the situation with some acute abdominal condition such as appendicitis. The Health

Officer wishes to impress upon the people of Arlington County, for their benefit in combating this or any other similar illness, the following:—

If stricken with the disease call in your family physician early; it is essential that the individual stricken does not try to carry on with illnesses of this sort and it is just as essential to give the body ample time to recover before resuming your activities. For the purpose of preventing the occurrence, avoid as far as possible cases of illness; eat a simple nourishing diet slowly and at regular intervals; avoid excesses in anything; see that mouth and nose are kept in good hygienic condition; avoid the use of common drinking cups, towels, etc.; an ample amount of rest (sleep at night) for everyone, particularly the aged, very young, and undernourished; drink plenty of fresh, pure water, and see that body elimination is ample.

MR. C. J. MEETZE.

## HON. C. J. MEETZE IS AAA OFFICIAL

Former Legislator Leaves U. S.  
Chamber of Commerce.

Hon. C. J. Meetze, former Delegate to the General Assembly from Prince William County, who has been connected with the Chamber of Commerce of the United States since 1931, has tendered his resignation to accept a position with the Tidewater Automobile Association, with a membership of more than a million members.

Mr. Meetze will be division manager of the Suffolk district with headquarters at the Elliott Hotel, Suffolk, Va.

The territory embraced in the Suffolk district includes the city of Suffolk and the counties of Nansemond, Southampton, Isle of Wight, Sussex, and Surry, with Greenville and Brunswick to be added.

The A. A. A. which has taken a leading interest in safety throughout the country for years is establishing in the schools in this territory and the Tidewater district posters on safety and lessons for all children up to and including the ninth grade.

The school superintendents throughout this territory are co-operating with the A. A. A. and all newspapers carry mats and news items on traffic rules and regulations without any cost to the state. In addition to these newspaper write-ups and the posters in the school rooms, the A. A. A. gives talks to the different schools in this district. This work will be done mostly by Mr. Meetze.

Last year the toll taken by automobiles in life was more than 30,000 and the figures thus far indicate that the 1933 fatalities will be exceeded by at least 6,000.

The following people are directors of the Suffolk district: Chairman, Albert Sidney Johnson, president of the James River Bridge Corporation; secretary, Col. Robert W. Arnold, Atty. of Waverly, Va.; Senator E. E. Holland, president of the Farmers Bank of Suffolk; Col. John S. Pinner, president Pinner Peanut Company; C. C. Vaughan, jr., president Vaughan Baking Co., Franklin, Va.; P. Ryland Camp, president Camp Lumber Company, Franklin, Va.; and Hon. S. B. Barham, clerk of the Circuit Court, Surrey County.

Mr. Meetze's superior in the Tidewater Automobile Association is J. T. Timmons, executive manager, Monticello Hotel, Norfolk, Va. Mr. Timmons and Mr. Meetze have been friends since 1927 when Mr. Timmons was secretary of the Wilmington, Del., Automobile Association.

## ATTEND FAMILY REUNION

Last Sunday, September 2, O. O. Holler and family attended the regular annual family reunion held at Lantz's Mills, Va., near the 6000-acre tract acquired by Peter Holler from Lord Fairfax prior to October 1, 1766. Many still reside on the ancestral acres.

About 1800 attended from Virginia and nearby states. Members of this family are found practically in every state in the Union.

## S. S. WORKERS COUNCIL

The Sunday School Workers Council of Brentsville District will be held at the Union Church at Brentsville on Wednesday night, September 12, at 7:45.

We hope each school will have a good representation at this meeting.

## MANY FLOATS IN DAIRY FESTIVAL

Chairman Parrish Announces  
New Features.

A telescope will not be needed to see the "Milky Way" during the Piedmont Virginia Dairy Festival at Manassas, Va., Friday, September 28. In fact, it may be seen right from the line of march because it will be the grand feature parade of the festival. E. G. Parrish, chairman of the floats committee, in extending invitations to many civic and commercial organizations and the participating counties and cities has requested that the general theme of the Milky Way be kept in view in planning their divisions to be entered in the parade and also to keep in mind the general goal—Education as to the health value of dairy products and advancement of the dairy industry—set up by the sponsoring organization in 1930 at the time of its organization.

That allied agricultural interests will co-operate is indicated by the interest shown by organized hunts of the Piedmont section in the festival. The Northern Virginia hunts have been invited to send mounted delegations to act as escorts for the Queen and Her Court. W. H. Lipscomb, M.F.H. of the Loudoun Hunt, said it was likely that a detail of mounted pink-coated riders would be sent over to take part in the Loudoun County division of the parade.

Two additional men have been added to the directorate of the association—R. T. Corbell of Leesburg and Lewis J. Turner of Washington, Va. The complete list of officers and directors of the sponsoring association are R. S. Hynson, president; Dr. Norbert Melnick, vice-president; B. W. Middleton, 2d vice-president; Dan S. Hollenge, 3d vice-president; W. Hill Brown, jr., secretary; R. L. Byrd, treasurer; Frank D. Cox, managing director; Mrs. R. H. Smith, assistant director; Melvin C. Hazen, Frank Michelbach, Harvey Marcey, T. Benton Gayle, C. E. Griffith, E. T. Willis, John W. Brookfield, L. J. Turner, L. W. Huff, B. E. Beane, A. H. Roseberry, E. R. Comer, F. R. Hynson, C. C. Lynn, R. T. Corbell, directors.

An engagement has been made with the Marion C. Venable School of Dancing to stage a series of interpretative Autumn dances as a prologue to the dairy pageant as a part of the forenoon program.

Starting with the opening ball at the Manassas gymnasium on the previous night and continuing until "Home Sweet Home" is played at the "Queen's Ball" on the 28th, the program is planned so that there will not be a dull moment for the thousands anticipated to be in attendance at the festival.

## SKYLAND DRIVE OPEN SEPT 15

Senator Byrd Receives Letter  
from Ickes.

The skyline drive, from Panarama on the Lee Highway to Swift Run Gap on Spotswood Trail will be thrown open to motorists on Saturday, September 15, Secretary Ickes has informed Senator Harry F. Byrd.

It had been originally planned to open only part of the skyline drive from Panarama to Big Meadows at the time President Roosevelt dedicates the scenic mountain highway. Secretary Ickes told Senator Byrd and a delegation of Virginians he would insist upon the opening of the entire forty-mile stretch, instead of only twenty miles of it.

Secretary Ickes' letter to Senator Byrd is as follows:

"I talked yesterday with Director MacDonald of the Bureau of Public Roads. He told me that the Skyline Drive in the Shenandoah National Park can be opened to the public on September 15. He had in mind merely opening part of the drive from Panarama to Meadows at the top of the mountain. I told him I wanted the drive opened its entire length and this will be done, although the other part of the drive will be rougher and must be driven over carefully."

This decision means that motorists may enter the Skyline either in Swift Run Gap or at Panarama and motor to the other end. Under the original plan, the only entrance would have been at Panarama, and motorists would have been compelled to turn at Big Meadows and return over the same route.

ly, spending most of the time with  
Miss Smith's parents, Mr. and Mrs.  
A. W. Smith of this neighborhood.

Misses Virginia and Madge Smith  
and Master Palmer Smith, jr., of  
Gainesville were Sunday visitors at  
the home of their grandmother, Mrs.  
Jennie McIntosh.

Mrs. Bertie Caton spent Friday of  
last week with her sister-in-law, Mrs.  
Sallie Caton, over on Pageland Lane.  
If we remember correctly, we had  
this item in the news column last  
week only it was "visey-versey". At  
that time "Miss Sallie" was doing the  
visiting and "Miss" Bertie the cook-  
ing. Anyway its mighty nice to get  
away from home once in a while and  
get something good to eat.

Does any one remember the good  
old days when flies were plentiful?  
We just heard a house wife say that  
"flies were very scarce this year."  
We had not noticed it but since she  
has made the suggestion we are al-  
most convinced that there must be  
something in it. What has been your  
experience?

Misses Frances Robertson and Vir-  
home of Mr. and Mrs. W. S. Mc-  
carty of Delaplane last week.

Mr. and Mrs. George Deffler of  
New York and Mrs. R. B. Larkin  
of Washington were guests of Mrs.  
W. S. Brower one day last week. The  
Defflers, a recent bride and groom,  
were returning from a wedding trip  
to the coast.

Mrs. E. S. Clary of Lawrenceville,  
Va., is on a two weeks' vacation vis-  
it with her sister, Mrs. J. W. Alvey,  
of Catharpin. "Miss" Nellie is al-  
ways a welcome guest back in the  
good, old neighborhood to which she  
long professed allegiance.

Mrs. Harry F. Lynn and children  
of Richmond are Lawn Vale visitors  
this week.

Mr. and Mrs. R. A. Collins of Mar-  
ble Hill and Mr. and Mrs. Gilbert  
W. Merchant of Ivakota are visiting  
friends in Hampton, Va., this week.

Mrs. and Mrs. Julius Simpson and  
Lieut. Commander and Mrs. Ben-  
jamin Brown, all of Washington,  
gladdened the hearts of their old-  
time friends, Dr. and Mrs. Brower,  
by dropping in on them for a visit  
one day last week.

Catharpin is never without her  
seasons. One day last week while  
hunting over in "Patties Pie" Clar-  
ence McIntosh, the "Daniel Boone"  
of this section, shot and killed a  
hawk measuring 45 1-2 inches from  
tip to tip of wing. While this col-  
umn knows but very little about  
hawking, yet it seems that this  
was indeed some bird. At any rate,  
the oldest inhabitant has not yet  
produced any evidence to show any  
bigger one.

Mr. and Mrs. Edward Willis and  
Mr. and Mrs. Henry Grill of Claren-  
don, were Lone Oak visitors one day  
last week.

Mr. and Mrs. Burton Sowers of  
Washington spent Labor Day with  
Mrs. Sowers' parents, Mr. and Mrs.  
Luther P. Griffith of Catharpin.

Well, "Labor Day" has come and  
gone as per announcement by the  
calendar, but so far as known, no  
one seems to have seen any differ-  
ence between it and any other day.  
All days are labor days out this way  
when cows have to be milked, pigs  
fed, weeds cut and all and sundry  
other things, which, after all these  
years, have never learned to do it  
themselves. If by labor day the cal-  
endar means holiday, recreation day,  
visiting day, baseball day or dinner  
day, then he has his calendar wrong;  
he certainly must be talking about  
Sunday for that is the day usually  
appropriated for the "gay life." Yes,  
he has things twisted some way  
when the days marked on the calen-  
dar cannot be recognized.

Catharpin neighborhood has again  
been upon to mourn the loss of an-  
other of her oldest citizens in the  
person of Charles E. Ellison, who de-  
parted this life on Saturday, Sept.  
1. English by birth, came to Amer-  
ica when 17 years of age and lived  
in Loudoun and Prince William coun-  
ties the rest of his life, having spent  
the last forty years in the Cathar-  
pin neighborhood. For the past few  
years the deceased was much trou-  
bled with asthma and unable to fol-  
low his usual routine of life. In  
departing—he leaves ten children—

all grown and married—and many  
grandchildren to mourn his loss. Fu-  
neral services conducted from Sud-  
ley church by the pastor, the Rev.  
A. B. Sapp, on Monday, Sept. 3, and  
interment in the cemetery where he  
was laid by the side of his wife who  
had preceded him in death several  
years ago. Catharpin neighborhood  
is fast losing her old citizens who  
were the mainstays of the commu-  
nity in their day.

Mr. Russell Miller of Stone House  
neighborhood, who injured his knee  
early in July by tripping over a piece  
of wire while threshing wheat at the  
home of Mr. and Mrs. George Davis,  
went to Emergency Hospital Tues-  
day morning for the removal of the  
cast which the surgeons found neces-  
sary to use during the healing of  
the joint. His many friends are hop-  
ing that he may soon have full use  
of the injured member.

Mrs. George Carey recently re-  
turned from a visit to her brother-  
in-law and sister, Prof. and Mrs.  
Sydney T. Lawler of Faulkner, Md.  
She brings us the very pleasing news  
that little Miss Beverley Covell Law-  
ler, the infant daughter of the house-  
hold, has been awarded the beauty  
prize for the State of Maryland in  
the Sears, Roebuck Baby Contest.  
Prof. Lawler is instructor of agricul-  
ture and other subjects in the Glasva  
High School. Both he and Mrs. Law-  
ler, nee Gertrude Buckley, are gradu-  
ates of Manassas High School and  
well known to readers of The Jour-  
nal.

## CLIFTON

Funeral services for Mr. Rudd Ful-  
lerton were held at his home on  
Monday, Sept. 3, Rev. V. H. Council  
officiating. Interment was in Clif-  
ton cemetery. He is survived by his  
widow, the former Miss Fannie Tillett  
and one daughter, Doris Fullerton,  
and two sons, Dorin and Rudd, jr.

Mr. and Mrs. F. P. Cross of Brent-  
wood, Md., were the week-end guests  
of Mrs. C. L. Cross.

Miss Sheila Hall, who has been vis-  
iting her grandfather, Mr. Joseph  
Beasley, has returned to her home in  
Washington, D. C.

Mr. and Mrs. Grille and Mr. and  
Mrs. J. M. Twigg of Cumberland,  
Md., were guests last Sunday of Mrs.  
Bessie Buckley.

Mr. and Mrs. Robert Buckley have  
taken an apartment in Washington  
for the winter.

Mr. Swen Elgin, who is a patient  
at Mt. Alto Hospital, spent last  
week-end at home returning to the  
hospital on Tuesday morning.

Mrs. Annie Ford and daughter,  
Miss Violet Ford, had as their guests  
over Labor Day Mrs. Ford's son and  
daughter-in-law, Mr. and Mrs. Ralph  
Ford of Washington, D. C.

Mrs. Nannie K. Johnson and Mrs.  
Annie Adair were Washington shop-  
pers on Tuesday.

Miss Esther Davis is on a vacation  
at Basic City, Va.

Mr. Alfred Burdine of Washing-  
ton, D. C., spent a few days this  
week visiting relatives here.

Mr. and Mrs. Ernest Gibson of  
Herdon, Va., are the guests of Mrs.  
Gibson's mother and sister, Mrs. An-  
nie Ford, and Miss Violet Ford.

The Bible class and intermediate  
class of the Baptist S. S. had a  
picnic at Davis Beach last Saturday.

Mr. and Mrs. W. W. Davis gave a  
dinner for their daughter, Miss  
Esther Davis, last Wednesday eve-  
ning in honor of her classmates, Miss  
Helen Buckley and two brothers, Mr.  
John and Harry Buckley.

Miss Louise Koontz is visiting  
among her friends and classmates  
for a couple days each before going  
to State Teachers College at Freder-  
icksburg, Va., on Sept. 24.

School opens in Clifton on Wednes-  
day, Sept. 12.

Mr. and Mrs. Jones and Miss Edna  
Havens of Springfield, Mass., and  
Mrs. Sidney Jones and son Sidney  
of New York City and Mr. and Mrs.  
Well and son George of New York  
were in Clifton on Monday and  
Tuesday.

Mr. and Mrs. Frank Detwiler and  
Mr. Dave Mathews has sunk a well  
for Mr. Frank Detwiler's dairy.

WILL DISCUSS NURS-  
ING ACTIVITIES

The County Red Cross Nursing  
Activities Committee will meet at  
the home of Mrs. H. O. Russell at  
Cherry Hill on Friday, September 14,  
at 2 p.m.

This is the first meeting of the  
year and a full attendance of mem-  
bers is desired. Any persons inter-  
ested in the work of the nursing ser-  
vice are invited to attend this meet-  
ing.

Tune in on Radio Station

## WILL CONDUCT

**COLORED INSTITUTE**  
Mrs. Emily Bennett of the Bureau  
of Child Hygiene under the State  
Board of Health will conduct an in-  
stitute for colored women at the In-  
dustrial School in Manassas from  
September 10 through the 14th. The  
work given is known as The Doctor's  
Helpers Course and is designed to in-  
struct in home nursing. Women  
from this and surrounding counties  
are invited to take this course at no  
cost except for board for those from  
a distance. Board can be had at the  
school for a very small sum.  
A similar institute was held here  
last August and those in attendance  
then have been looking forward to  
returning this year.

# ANNUAL MEETING OF VIRGINIA STATE GRANGE

Richmond has been chosen as the meeting place of the Virginia State Grange annual convention to be held October 25, 26 and 27. Dr. Meade Ferguson, State Master, announced in Richmond Sept. 1. Several cities bid for the convention. The State Executive Committee decided in favor of Richmond because of the unusual interest being taken in Grange work in the eastern and southern sections of the State and because the state convention has not been held in this city for six years.

The State Grange was reorganized in Richmond in 1928 with forty-one delegates from twenty-two organizations. At the home-coming meeting in October, two hundred delegates are expected, representing more than one hundred organizations in forty counties, said Dr. Ferguson.

In addition to crowded business sessions, several outstanding speakers, among them Governor Peery, will be heard. The local organization, Richmond Agricultural Grange No. 783, Henry M. Taylor, master, in co-operation with the City Chamber of Commerce, is planning sight-seeing trips and entertainment for all patrons who attend the convention.

Masters of subordinate granges and of Pomona granges and matrons of juvenile granges together with their wives, or husbands, are official delegates to the convention.

A thousand or more members of the order from different parts of the State are expected to attend as visitors.

## ART MIX HAS ROLE IN "SAGEBRUSH TRAIL" FILM

It is only natural that we find Art Mix supporting John Wayne as a fearless rider in "Sagebrush Trail" a Lone Star Western, which comes to the Dixie Theatre in Manassas next Friday, Sept. 14.

Mix, who was born in Atlas, Ill., was taken shortly thereafter to Alberta, Canada, where his father owned a string of saloons. I was there that he did his first riding and learned those stunts that keep on-lookers breathless.

While he is interested primarily in horses, Mix does not let it interfere with his love for all other sports. At one time he was a stellar pitcher for the Edmonon, Canada, baseball team and in 1915 he won the lightweight, boxing championship of Canada in the amateur division.

## What Are You Doing to Boost Manassas?

"Like Adding Extra Acres to Your Farm - - - Without the Extra Work"

It is *not* the number of acres you cultivate that counts most. It's the crops produced.

When you can make *fewer* acres produce *more* by using Armour's Big Crop Fertilizers, that is profitable farming. It is profitable because you save on labor and your cost per bushel is lower.

Armour's Big Crop Fertilizers are quality fertilizers made to produce big yields per acre of better crops. They are used and recommended by leading farmers who know from experience that they are profitable to use—year after year.

Plan now to use Armour's Big Crop this fall. Your local agent can supply the grades you need for your crops.

## BURKE

The following committee, Mr. J. W. Brookfield, Mr. Herbert, Mrs. J. Peak, Mrs. J. E. Staub and Mrs. Ethel Clark, named by the Lee District Improvement Association, at a meeting last week, will meet Friday night at Mrs. Haar's to make plans for a float to be entered in the Piedmont Dairy Festival at Manassas Sept. 28.

A great many Burke residents attended the annual picnic given by St. Mary's Church at Fairfax Station Labor Day and enjoyed a good dinner and a pleasant day. At this time, Miss Betty Mattingly, of Clifton Station, was named winner of the \$20 for which chances had been sold.

Mr. Bradford Robinson of Atlanta is visiting his aunt, Mrs. G. G. White.

Mr. and Mrs. Herbert Holman and daughter, of Washington, spent the week-end with Mrs. Holman's sister, Mrs. J. M. Fitzhugh.

Mr. and Mrs. B. F. Boyce were Pennsylvania visitors over the week-end.

## CENTREVILLE

Mr. A. J. Robey continues ill at his home.

St. John's Guild met with Mrs. Edward Le Gallais yesterday.

The road between Centreville and Chantilly has been greatly improved. Stone is in place to entirely resurface the link south of Flat Lick Run.

Regular services will be held at St. John's this Sunday at 3 p.m., which hour will be kept until further notice.

Furniture for the new school has been ordered and will be in place within the month.

## ACTION AND THRILLS ABOUND IN PICTURE STARRING TOM MCCOY

Packed with action and teeming with thrills, Columbia's new Tim McCoy feature, "Voice in the Night," comes to the Dixie Theatre tomorrow. Since McCoy packed his big ten-gallon sombrero in mothballs, chucked his high-heeled boots and hung his chaps, spurs and six-gun in the closet, he has been appearing in a series of action dramas laid in modern and metropolitan surroundings. This time he is seen as a telephone maintenance engineer, battling the elements and a gang of crooks, both of which try to put his telephone system out of business.

The picture first presents Tim as the "holder-downer" of a swivel-chair in his father's office, and when he quarrels with his parent, he leaves the job and goes out on his own. He connects with a rival line, struggling to maintain its service and to hold on to its franchise. When the adventurous Tim discovers that the job promises action, he signs on with the other company and soon finds life full of fistfights, dynamite, floods and other incidents which keep life from growing dull and lifeless.

## SETTLING LABOR TROUBLES

The chairman of the NRA labor board reports that more than half of the industrial disputes that had affected 800,000 workers have been settled. This will create encouragement, as the many labor disputes that have occurred recently have done much to impede industrial recovery.

It would be a difficult matter to say who or which party is responsible for all these hampering difficulties. The old saying is that it takes two to make a quarrel. Usually when a dispute occurs, each side is partly in the wrong.

There are relatively few people who can see all around the issues in such cases. People look at the side which they feel most keenly. The worker feels the troubles of the wageearners. The capitalist feels the troubles of the employer. Many employers fail to understand the sufferings of the worker through a period of unemployment, and the situation in a home with a meager income or none at all. They do not feel as they should the mystery of a home in which there is not food and clothing enough to sustain the hungry children and make them presentable to the world.

The workers also often fail to realize that if a business keeps losing money, its credit is usually impaired, so that it may be in danger of bankruptcy. When business is thus made unprofitable, it is not able to provide employment for its workers.

Right and justice usually lie somewhere between the two extremes. The employers that are most ready to listen to reasonable propositions will be the ones who will have the least labor trouble in future, and the workers that are the most willing to give business a fair chance are the most likely to have regular employment. — Exchange.

## WHY NEWSPAPER ADVERTISING

An interesting survey, "The Sales Curve Rises," just issued by the Bureau of Advertising of the American Newspaper Publishers' Association, brings out some important reasons on the efficacy of newspaper advertising.

Some of the reasons given in the survey by leading advertisers of the country show conclusively that newspapers are the most effective medium for promoting a product.

Why is newspaper advertising so effective?

Because it is flexible and thus enables the advertiser to "spot" his market with a minimum of waste circulation.

Because it is timely and news copy may be used to advantage at opportune moments.

Because it is local and therefore establishes a point of sales contact by mentioning the nearest dealer in the advertisement.

Because it is easily adapted to quoting price changes for any locality.

Because it is an exceptionally other mediums as it gives the advantages quickly and forcefully to the attention of the buying public.

Because it is less expensive than other mediums as it gives the advertiser an opportunity to use his dollar to great advantage.

Because it enters the home as an old friend of the family, it holds reader confidence. In short the advertiser carries

with him a letter of introduction to the family when he uses newspapers to advertise his product. — Winchester Star.

## MR. TUGWELL ON WHEAT

In his letter to Senator Byrd, explaining the low price of wheat in Eastern United States as compared with the Chicago quotations, Under-Secretary of Agriculture Rexford G. Tugwell, paints, as he himself says, a most discouraging picture for the wheat grower in this section of the country, particularly in Virginia.

He suggests that it might be expedient to reduce the acreage, in view of existing conditions which are likely to extend into the future. That being done, there would be a possibility of the "soft wheat" market adjusting itself, thus providing another opportunity for increased production.

The Tugwell explanation follows closely that given some time ago by the Richmond Grain Exchange. The following excerpts have a familiar ring:

There is a surplus crop of wheat in the Pacific Northwest, with the soft wheat varieties least in demand. In the Central and Atlantic seaboard States production of soft wheat this year exceeds the production of last year and falls short of the average for the past five years by only 5 per cent. On the other hand, throughout the country there is a shortage of hard wheats which has already forced the large primary markets of Kansas City, Minneapolis (Please turn to back page)

## WE JUST AREN'T MADE THAT WAY

They expect us to be home at ten, And safely tucked in bed Where we will keep away from harm And dream sweet dreams instead. They expect us to arise at six And thence begin the day; Our hearts rebel; we're on a strike— We just aren't made that way!

They think we ought to be content To peacefully stay at home, And wonder why, in heaven's name, We always want to roam. They think we are ungrateful, And we're lazy, too, they say; It's funny they don't understand We just aren't made that way.

They wonder why we like to shirk And while away the time, Instead of working like they do And saving every dime. They wonder why we do not live And act, as in their day, "With modesty and prudence," but, We just aren't made that way.

And so we'll tell the older folks About our point of view: We're YOUNG—that's why we want to have

The fun that is our due! Someday we all will settle down, And then we'll make things pay; But as for acting grown-up now, We just aren't made that way! —A Junior Subscriber.

**DEPOSITS INSURED**

**The Federal Deposit Insurance Corporation**  
WASHINGTON, D. C.  
**\$5000 MAXIMUM INSURANCE FOR EACH DEPOSITOR \$5000**

The Peoples National Bank of Manassas has received from the Federal Deposit Insurance Corporation at Washington the official signs which will hang at all receiving windows as visible evidence that the depositors of this institution are insured.

The Peoples National Bank of Manassas is one of more than 14,000 licensed banks in the country which are receiving these signs. Insured banks are able to offer protection to their depositors up to \$5,000. Statistical studies have shown that this maximum fully protects more than 97 per cent of all the depositors in insured banks.

"The purpose of the signs is to let depositors know which banks are insured. Heretofore, although 90 per cent of the licensed banks are insured, depositors have had no easy means of identifying them.

"If, by any unforeseen circumstance, an insured bank should suspend, the Insurance Corporation would begin paying off the depositors just as soon as a receiver was appointed for the closed institution. The depositors would receive their money in a few days instead of waiting months or years as was the case in the former method of liquidation. This is not only a benefit to the depositors, but it saves the community from a terrific economic and social blow. When the depositors receive their insured accounts they assign their claims to the Insurance Corporation. Thereafter liquidation proceeds on a business-like basis with the maximum chance of the Corporation and other creditors being paid in full."

### HARVEY-TAYLOR

On Saturday, Sept. 1, Henry Lacey Harvey and Pearl Elizabeth Taylor were married in Washington at St. Paul's Episcopal Church by the Rev. Patrick Murphy.

The wedding cake was baked by the bride's mother and was decorated with bride and groom ornament. After supper the couple left for West Virginia.

### DROUGHT CATTLE COME TO MANASSAS

Eleven cars of drought area cattle, totaling 443 head, were distributed to Prince William County farmers by the Virginia Emergency Relief Administration for pasturing and wintering from Manassas, Nokesville and Haymarket stations Tuesday.

T. C. Henderson, Inspector, has been in the county continuously since August 27 inspecting pastures and feed supplies of men who have made application for cattle. Contracts have been signed for approximately thirty additional cars to be delivered to Prince William farmers for late pasturing and wintering. \$1.50 per head per month is being paid for fall grazing but as yet no figure has been established for monthly payments for winter feeding.

Late pasture is better than it has every instance more than ample pasture and supplies of feed have been found on the farms of the men making application for cattle.

A half billion additional tax levy is said to be planned by the next Congress.

Ten were killed and fifty-five injured in Virginia on Labor Day.

### SOUTHERN STATES FERTILIZER

Quality is of First Consideration—this applies to fertilizers more than to anything else. Southern States has made every effort to safeguard the quality of its fertilizers. Open Formulas guarantee quality—open formulas recommended by State Agricultural authorities. There information is unbiased and unprejudiced. An open formula tag is placed on every bag of Southern States Fertilizer. The purchaser, therefore, is able to know not only which materials are used in making the fertilizer but the actual number of pounds of each material. This is specification buying—the only kind of buying safe for the farmer. Southern States Fertilizers are the BEST that can be made with present knowledge. ## LEGAL NOTICES

SPECIAL COMMISSIONER'S  
SALE OF REAL ESTATE

Pursuant to a decree of the Circuit Court of Prince William County, Virginia, entered on the 18th day of April, 1934, in the chancery cause of J. Edgar Johnson, et. al., co-partners, trading as Virginia Milk Transportation Company, Complainants, vs. C. B. Roland, et. al., defendants, and J. Edgar Johnson, et. als., co-partners, trading as Virginia Milk Transportation Company, Complainants, vs. Philip B. Senseney, et. al., Defendants, the undersigned special commissioners will offer for sale at public auction in separate parcels, at the front door of the Courthouse of Prince William County, Virginia, at Manassas, on Friday, September 14, 1934, at 11:00 o'clock A. M., all of those certain lots, pieces or parcels of land, with improvements thereon, said real estate lying and being in Prince William County, and described as follows:

## PARCEL NO. 1

An undivided one-half interest in all of that certain piece, parcel or tract of land with improvements thereon, situate, lying and being in Manassas District, in Prince William County, Virginia, and more particularly known and described as follows: Beginning at a point in the center of Sudley Road; thence N. 57 degrees W. 38.5 poles; thence N. 83 degrees 30' W. 25.5 poles; thence S. 77° E. 50 poles to said Sudley Road; and thence with the said road S. 20 degrees 30' W. 99 poles to the place of beginning 28.8 acres more or less, and being part of the same property that was conveyed to the said Lucy A. Senseney and Philip B. Senseney by deed recorded among the aforesaid land records in deed book 77, Page 354, to which deed reference is hereby made for a more particular description.

## PARCEL NO. 2

An undivided one-half interest in all of that certain lot, piece or parcel of land, with buildings and improvements thereon, situate, lying and being in Gainesville Magisterial District, in Prince William County, Virginia, and more particularly described as follows: Beginning at a mark on sidewalk S. 36 degrees, 30' W. 122 feet; thence S. 33 degrees 55' W. 100 feet to the Masonic Temple lot; thence N. 57 degrees 40' E. 160 feet to the Caroline lot, and thence N. 37 degrees 11' E. 230 ft to the sidewalk, and thence S. 55 degrees E. 48' to the beginning, it being the same property which was conveyed to the said C. B. Roland and Dora D. Roland by deed recorded among the land records of Prince William County, Virginia, in deed book 75, page 297.

## PARCEL NO. 3

All of that certain lot, piece or parcel of land, situate lying and being in Gainesville Magisterial District, in Prince William County, Virginia, and more particularly described as follows: Beginning at a point 60 feet from the sidewalk and on the line of Thorofare Pike at the southeast

corner of a lot owned by the Bank of Haymarket and upon which its banking house is located; thence in a southwesterly direction with the land owned by C. B. Roland and Dora D.

Roland, S. 36 degrees 30' W. 62 feet, an angle in the line of the said C. B. Roland and Dora D. Roland; thence in a southwesterly direction with the line of the Rolands 32.5 feet to a point; thence N. 34 degrees 40' E. with the line of the Loudoun and Prince William telephone lot 62 feet to a lot, and thence N. 55 degrees W. about 30.75 feet to the point of beginning, it being the same property that was conveyed to the said C. B. Roland by deed dated June 11, 1931, and recorded among the land records of Prince William County, Virginia, in deedbook 90, page 57.

The sale of parcel No. 1 is subject to the balance due on a certain mortgage for \$3600.00 from Philip B. Senseney and wife to the Federal Land Bank of Maryland, dated October 18, 1922, and recorded among the aforesaid land records of Prince William County, Virginia, in Deed Book No. 87, at page 44, this said mortgage having been assumed, however, by the purchasers of adjoining farmland, by deed of bargain and sale from Philip B. Senseney et. al. to Albert D. N. Brooks and Minnie Grigsby Brooks, dated June 22, 1929, and recorded in Deedbook No. 87, at page 44, of the land records of Prince William County, by which deed said Albert D. N. Brooks and Minnie Grigsby Brooks agreed to pay off said mortgage as it became due as part of the consideration for the sale of the land described in said deed.

The sale of parcel No. 2 is subject to a certain deed of trust securing Marion G. White in the sum of \$3500.00, dated April 1, 1927, and recorded in Deedbook No. 83, at page 164, of the land records of Prince William County, there being a balance of approximately \$3000.00 due on said deed of trust.

The whole of parcel No. 3 to be sold free of all liens and encumbrances of record.

## TERMS OF SALE: CASH

The successful bidder on parcels No. 1 and No. 2 will be required to make a deposit of \$100.00 on the day of sale. The successful bidder on parcel No. 3 will be required to make a deposit of \$50.00 on day of sale.

The Lincoln National Bank

v.  
Ethel Wigglesworth, Admrx., of A. A. Davis, deceased; T. Powell Davis and Lena A. Davis, his wife, and Roland L. Davis.

The general object of the above styled suit is to set aside and annul a certain deed from T. Powell Davis and Lena A. Davis, his wife, to Roland L. Davis, dated April 20, 1934, a copy of which is filed in the above styled cause and marked "Exhibit B" and subject a certain tract of land conveyed to T. Powell Davis by H. G. and Hattie A. Metzger, dated Jan. 28, 1918, recorded in Deed Book 70, folio 439, of Prince William Co. Clerk's Office, an attested copy of which being filed in said cause marked as "Exhibit A," in which A. A. Davis, deceased, had an undivided moiety, and subject the same to the payment of a balance due on a judgment recovered in said Court on April 10, 1934, against Ethel Wigglesworth, Administratrix of A. A. Davis, deceased, which balance amounts to the sum of \$713.64 with interest thereon from Aug. 31, 1934, till paid, and for general relief.

And, it appearing by affidavit filed according to law that Roland L. Davis, one of the above named defendants, is not a resident of this State, it is therefore ordered that said Roland L. Davis do appear within ten days after due publication of this order in the Clerk's Office of our said Circuit Court, and do what is necessary to protect his interest.

It is further ordered that this order be published once a week for four successive weeks in The Manassas Journal, a newspaper published and printed in the county of Prince William, Virginia. It is further ordered that a copy of this order be posted at the front door of the Court House of this Court, on or before the next succeeding Rule Day, and that another copy thereof be mailed to the said Roland L. Davis to the Post Office address given in said affidavit, to-wit, 1725-17th St. N. W., Washington, D. C.

NOTICE OF REGULATIONS GOV-  
ERNING THE SALE OF WILD  
ANIMALS, TRAPPING AND THE  
ELIMINATION OF "REST DAYS"

Proposals having been daily published and public hearing held as required, it is hereby ordered as follows:

No. 11. That, the regulation approved December 18, 1930, amending Chapter 247, Acts 1930, section 44, as to the sale of game animals as heretofore amended, is hereby further amended to make it unlawful to sell any game bird or animal, except rabbits, squirrels, muskrats, bear and opossum, taken legally during the open season, but the hides and skins of legally acquired wild furbearing and hairbearing animals may be bought and sold at any time.

No. 13. That, the regulation approved May 11, 1929, amending Chapter 247, Acts 1930, section 38, as to trapping, as heretofore amended, is hereby further amended as follows: It shall be unlawful to trap beaver in this State at any time.

It shall be unlawful to trap raccoons in this State until November 15, 1937.

It shall be unlawful to trap in Amelia county until November 15, 1937, except by landowners and their tenants residing on the premises.

It shall be unlawful to trap or poison any fox in Essex county at any time, except by a person actually residing on the premises, when doing damage to stock or poultry.

"THE THIN MAN" PRESENTS  
BAFFLING MURDER MYSTERY

If you enjoy sitting on the edge of your chairs, and if you enjoy being left completely in the dark while trying to solve a most baffling murder mystery, don't fail to see the new Metro-Goldwyn-Mayer - Cosmopolitan picture, "The Thin Man," which opens next Monday at the Dixie Theatre in Manassas.

Alexander Woolcott declared "The Thin Man" to be the best detective story ever written by an American author, and Sinclair Lewis described it as the most breathless of all of Dashiell Hammett's stories. This reviewer agrees with both these learned literary men.

"The Thin Man" is the story of Nick Charles, an ex-detective who is Sherlock Holmes, S. S. Van Dyne and all other crack detectives rolled into one.

It tells of three murders which involved Charles, against his will, with the unusual Wynant family. His method of solving the crimes provides one of the most exciting and unusual climaxes of all detective pictures.

William Powell plays Nick Charles, and surpasses all his earlier detective roles in the role. Myrna Loy appears as his happy-go-lucky wife, Nora and Maureen O'Sullivan carries off honors with her successful handling of the part of Dorothy Wynant.

Minna Gombell, more often seen in comedy parts, appears in a tense emotional role in this picture, and Nat Pendleton, always a gangster heretofore, becomes a bewildered detective lieutenant. Other roles are ably handled by Porer Hall, Henry Wadsworth, William Henry and Edward Ellis.

## PLEASANT VALLEY

The revival meeting of Pleasant Valley M. E. Church conducted by Mr. Gray of East Falls Church, Mr. Dugger of Marshall and the pastor, Mr. Bergdoll, closed last Friday night with many souls brought to God. At the eleven o'clock service on Sunday they were received in the church by Mr. Bergdoll.

Mrs. Cam Head has had as her guest for the past week Mrs. Clara Hutchison of Washington.

Miss Glennalee Lockhart left this week for Washington where she is taking a course in beauty culture.

Mr. and Mrs. Ray Thompson motored to Front Royal on Sunday.

Miss Vera Eggleston, who has been in Washington for some time under the doctor care, has returned to her home here much improved.

Mr. and Mrs. Carroll Prossgrave, of

## JR. WOMAN'S CLUB

DANCE SEPT. 14

An eight-piece novelty orchestra will play for the Junior Woman's Club dance at the Manassas gym on September 14. This orchestra has an excellent reputation all over the state, and plays for the Winchester Apple Blossom Festival dances, and the club is going to a great deal of expense in order to obtain this orchestra. It is hoped that a large crowd will attend.

Plans have been going forward rapidly, and the committee's reports have been unusually favorable. Miss Helen Lloyd, chairman of the dance, has had several committee meetings, and from the present outlook, the dance will be a social and financial success.

The Junior women have sponsored several functions in the past years, all of which have found favor in the eyes of the public, and the proceeds netted from such affairs have been donated almost wholly to charitable purposes. The dance is also given for philanthropic uses.

## ATTEND FAMILY REUNION

Last Sunday, September 2, O. O. Holler and family attended the regular annual family reunion held at Lantz's Mills, Va., near the 6000-acre tract acquired by Peter Holler from Lord Fairfax prior to October 1, 1766. Many still reside on the ancestral acres.

About 1800 attended from Virginia and nearby states. Members of this family are found practically in every state in the Union.

ENGLISH METHODISM  
GREETES AMERICA

England gave America its Methodism as she has so many other good things. The Great Revival under Wesley spilled over to other peoples. The emigrants from her shore as well as Church sent missionaries and brought the gospel according to John Wesley to the Colonies. America proved a congenial home for this form of Christianity. The country was new and Methodism came at the time the nation was forming.

One hundred fifty years after its organization finds Methodism diffused has been and is a power for righteousness. American life—economic, domestic, political and religious has been enriched by the religious forces let loose by Methodism.

It is simply natural for the Mother to rejoice with her child on great happenings in their common lives. This Sesqui-Centennial is an occasion of thankfulness for the United States. She rejoices that the seed planted has produced a great harvest. And also her children rise up to call her blessed.

In such a spirit comes Rev. T. Ferrier Hulme, British delegate to the Sesqui-Centennial, to bring greetings from our English fathers to us, their spiritual children. A courtly and cultured gentleman, thoroughly versed in Methodism on both sides of the Atlantic, the American Churches anticipate a great word from this altogether worthy representative of the Mother Church. Rev. Hulme has had a notable career in England—a foremost figure in all Church circles. He will speak at the Unification Session Thursday, October 11, at the Scottish Rite Temple. His topic is "A Message from the Mother Church." It is peculiarly fitting that he should speak on this program, since English Methodism has achieved union in a great way. Dr. Hulme also, speaks on Saturday at the dedication of the Log Meeting House at Sam's Creek, Carroll County, where Robert Strawbridge founded Methodism in Maryland, if Asbury's words can be believed, in America.

In addition to Dr. Hulme, the Empire sends three delegates from far Australia—Revs. A. S. Woodhouse, H. S. Bowden and S. R. Robbins, all of New South Wales, Australia. American Methodism greets them.

## MINNIEVILLE

LEGION HOLDS  
STATE SESSION

Veterans Enjoy Convention at Convention.

Men who marched in khaki seventeen years ago marched through the streets of Lynchburg Tuesday in a gay parade to the martial music of more than a score of bands and drum corps in the "big parade" of the convention of the Virginia department, American Legion, in session in that city.

The parade preceded the choosing of the Virginia department beauty delegate to the national beauty contest to be held in Miami. The winner will be "Miss Virginia."

Before the parade the convention's business sessions were called for committee reports and other business.

Speakers of the day were Colonel E. W. Jordan, of the Regional Veterans Bureau; R. F. Seymour, regional director for Boys Scouts; Raymond E. Maxie, replacement officer for Virginia; Watson B. Miller, chairman of the national rehabilitation committee; and Frank A. Caveto, State director for the national re-employment service.

Meeting simultaneously with the legion are the Forty and Eight, and the Woman's Auxiliary.

lis and Chicago well above their usual levels as compared with the rest of the country.

That the Pacific Coast wheat competition is a "bearish" factor in Virginia is undeniable. Millers are afraid of a repetition of last year's condition when, after they had bought local wheat, they were undersold by Pacific Coast flour and wheat that entered their markets by the water route.

Mr. Tugwell's explanation is plausible, and it may be exactly the correct explanation, but whether it will satisfy the Virginia wheatgrowers, who this year, if they have sold at Richmond and Baltimore prices, have suffered heavy losses, when their sales are measured by the Chicago standard, is another question. We rather think they would prefer findings from a committee, named to inquire into the matter, to the opinion, however, plausible, of one man. On the average, Virginia produces approximately 8,500,000 bushels of wheat a year. A loss of 10 cents a bushel mounts up into the hundreds of thousands of dollars.—Richmond Times-Dispatch.

## WORTHY COLORED

## CITIZEN DIES

Louis Helms, aged about 50, died Wednesday evening, at home near Haymarket. The funeral will take place from Olive Branch tomorrow.

Louis had been a tenant of Hon. George Tyler, clerk of the court, for many years. He was an exceptionally good citizen, loyal, industrious and thoroughly dependable. His death has brought a sense of keen regret among both his colored and white neighbors.

He was operated on Tuesday for the second time and his strength was not such that he was able to rally.

## CHOICE RACKET

Two young men, Reuben and Dolly Rines, of Catlett's (Fauquier County) are in the county jail today and several others are said to be in line for indictment on charges of defrauding the county in the matter of bounties on hawks' scalps.

It is stated that several had been killing the hawks any and everywhere and that it is strongly suspected that the offerings of others were not hawks at all.

Specimens have been submitted to a biological laboratory in Washington which is expected to report today or tomorrow.

## Overcoming Discouragement

LACK of courage! How many worthy enterprises have failed of achievement because men have listened to this subtle argument! What a destructive influence it seeks to exert over the affairs of mankind; yet it is really nonexistent—a negative condition. Can there possibly be insufficient courage for him who refuses to give up his right to this ever available, unlimited spiritual gift of courage? During times of financial stress it is often necessary to draw deeply upon it, if one would prove invalid the mortal claims of lack that appear on every hand.

A lesson in courage was gained by observing a young vine that had been carefully planted in a rocky crevice against a brick wall. It had very little earth around its roots, and because of overhanging eaves, was deprived of rainfall. Yet, in spite of this, it had established itself. At first, progress aboveground was very much retarded, but at length a single stalk had climbed about two feet up the wall, when it was pulled down and broken off by a little child. One who had been observing the vine's persistence felt quite regretful to see its growth apparently thwarted, but a further lesson was learned when, within a short time, there grew from the broken end two branches where only one had been before.

For this little vine the business of turning out stems and leaves had to be taken care of. Instead of withering in the dry and stony ground, it thrust long roots down below the stones in search of moisture. From these deep roots the plant was well sustained, even through hot, dry summers. So the apparently unfavorable environment proved unable to prevent sturdy growth.

Those who are endeavoring to establish a business enterprise during a financial depression might well take a lesson from the vine. In such seemingly arid times, when business does not flow readily to the young concern, much courageous persistence is needed to continue spreading its roots beyond the disappointingly dry territory; thus the courage born of faith in God's sustaining laws will inevitably lead to profitable contacts. Strong, consistent, upward growth proves that this radical stand for progress yields good results. The withstanding of adversity may bring the experience which aids one in

grounding his business so firmly on the knowledge of the truth that drought or storms are powerless to harm it. Pride in merely making "a good showing" must give place to the greater wisdom of first establishing a sound basis for the overhead should not be more than the flow of business can sustain at all times. Even if a first achievement seems to come to grief, progressive expansion cannot long be checked if the foundation is well laid.

In "Science and Health with Key to the Scriptures" Mary Baker Eddy has written (p. 199): "The devotion of thought to an honest achievement makes the achievement possible. Exceptions only confirm this rule, proving that failure is occasioned by a too feeble faith." Any business, to be truly successful, must be built on an ideal of honest and loving service to mankind, and not carried on for personal exaltation or selfish ambition. Thus established, it is indeed the "Father's business," and under the protection of the divine law of progress.

The disciple James writes, "If ye fulfil the royal law according to the scripture, Thou shalt love thy neighbor as thyself, ye do well." Since all legitimate business is based primarily on this ideal of service, this royal law should be the tap-root that stimulates growth. Christian Science teaches that such a service has within itself all the essentials for prosperous expansion.

Under divine law there is no unfair competition by which one business succeeds at the expense of another. The service that each one can offer is a God-given ability, and is as individual to each as is the perfume of the rose or color to the sunflower. Although growing side by side, one plant cannot deprive its neighbor of the characteristics that belong to it. Is it cause for discouragement that grains of wheat can never become majestic oak trees? They can, however, develop into acres of grain, and who can say that these are of less importance than a forest of oak?

God's divine law, which protected and prospered an honest enterprise in ancient times, is just as effectual today, and the commandment given to Joshua is still as imperative: "Only be thou strong and very courageous, that thou mayest observe to do according to all the law, which Moses my servant commanded thee: turn not from it to the right hand or to the left, that thou mayest prosper whithersoever thou goest."—The Christian Science Monitor.

Quebec Enlists Farmers In Fight  
To Improve Its Rural Scenery

After banning unsightly billboards along Quebec's modern highway system, the Quebec provincial government this year encourages farmers to improve the beauties of their rural properties. Inset, the Hon. J. E. Pervault, Minister of Highways, a leader in the movement to improve Quebec's noted scenic landscapes. Other picture shows type of picturesque structures to be seen along highways by tourists visiting fete throughout Quebec this summer marking 400th anniversary of Cartier's discovery.

QUEBEC CITY—Beautification of the farms along more than 16,000 miles of improved highways is the newest objective in Quebec's campaign to preserve the original scenic charm of its countryside. Following drastic legislation last year banning advertising billboards and other unsightly objects from its many motor routes, the Provincial Tourist Bureau, under the leadership of the Hon. J. E. Pervault, minister of Highways and Mines, is now enlisting thousands of farmers in the movement.

Long noted for the general cleanliness and rustic charm of its quaint rural villages, Quebec is now going a step further by offering prizes for the improvement and beautification of farm properties. Cooperating with the tourist bureau and the Department of Agriculture, the province, but in improving the actual value of their own properties. More than 3,000,000 American motorists roam through the Quebec countryside annually on the scenic highways and it is the intention of the provincial authorities, Mr. Pervault said, to create for them culture are innumerable agricultural societies which are succeeding to time French-Canadian traditions.

## Nuts Are Excellent Summer Food

By Jane Rogers

FROM a number of years, the use of nuts as foodstuff and particularly as a change from meat has been gaining favor. Rich in protein, nuts provide energy without too much heat. Hence their inclusion as a feature of summer diet is highly desirable.

Then too, nuts provide a pleasing change from the usual food flavors. They challenge keen teeth and jaw muscles into action, and awaken faded appetites. Best of all, they are comparatively low in cost.

A pleasing variety of nuts is available for your choice, but perhaps the one not destined to pronounced preference is that aristocrat of the Amazon jungles, the Brazil nut. Their large firm meats offer a choice in ways to prepare them that smaller and less regularly shaped nuts lack. Brazil nuts may be sliced, chopped, ground, crushed or shredded.

They are delicious just as they come from the shell, or they may be blanched, salted or roasted, to produce a most pleasing range of flavors. They blend ideally with various other foods; indeed, one of the country's most prominent chefs has recently created a Brazil nut salad with a flavor of real distinction. Sandwich spreads, casseroles, pig-in-blankets and other combinations in endless variety are well within the creative range of the enterprising housewife who will spare a few minutes to experiment with Brazil nuts.
