## MISS TIFFANY BECOMES A BRIDE

Wedded to Judge Wm. Hill Brown, Jr., Last Saturday.

Miss Charlotte Tiffany, well known and very popular debutante, daughter of Mr. and Mrs. Hunton Tiffany, of Manassas, was married last Saturday afternoon to Judge Wm. Hill Brown, Jr., at the Rectory, Rev. A. S. Gibson officiating.

Only the immediate relatives of the two young people were present. The bride was most becomingly gowned in rust crepe with brown accessories.

Judge and Mrs. Brown are both very popular in the younger set and both highly connected and socially prominent in northern Virginia. They will make their home in Manassas. The Journal extends hearty congratulations.

## JAMISON OFFERS SCHOOL PRIZE

Armistice Day Celebration Is Featured by Interesting Addresses.

Education Week was celebrated at Manassas High School by two very interesting assembly programs. The Thursday speaker, Mr. Robert Hutchison, gave an excellent address on the meaning of citizenship, the theme also being further emphasized by short talks by members of the senior and commercial classes. On Friday the annual celebration by the high school of Armistice Day was held.

In his Armistice address Rev. W. M. Compton, like many another earnest speaker on the same theme throughout the country last Sunday, dwelt on the ominous threat to peace among the nations made by the overgrown spirit of nationalism now rampant throughout the world. If we are ever to attain to a spirit of international and Christian good will, the speaker urged, it must be by continuous effort to find some way of settling our national difficulties and quarrels by consultation, or by an international judicial tribunal rather than by the horrors of war made more terrible and brutal than ever by modern science.

Mr. Compton's address was followed by an extremely interesting first aid talk by Commodore Longfellow, national chairman of the American Red Cross Life Saving Committee. Commodore Longfellow also pointed out that the Junior Red Cross organizations would one day become one of the world's best safeguards against war.

Announcement was made during the program through Commander Jamison that the local Post of the American Legion would offer a competitive prize of \$5.00 to the students of the county high schools, the subject to be announced later. The Legion also presented to the local high school a brass eagle for the staff of its United States flag.

The Armistice Day program was sponsored by both the Senior Leagues of the High School and Bennett schools as well as by the High School Student League.

The high school also wishes to express its gratitude to the ministers of the Manassas churches for the sermons preached on the Education Week theme on Sunday last.

## FARM BUREAU CONVENTION AT NASHVILLE, DEC. 10

The annual convention of the American Farm Bureau Federation will be held at Nashville, Tenn., this year on December 10, 11 and 12. Secretary Wallace and other members of the Cabinet have accepted invitations to speak at the convention. President Roosevelt has been invited. G. F. Holsinger, Harrisonburg, Va., State Farm Bureau President, has extended a general invitation to Virginia farmers to attend the meeting and is arranging for attractive railroad rates.

The Farm Bureau Local at Harrisonburg is recognized as being one of the strongest local co-operatives in the country.

## PAGE COUNTY ASKS \$6,000 FOR DECEMBER FERA

The Board of Supervisors Tuesday approved the application of the FERA office for nearly \$6,000 for December relief. The application was forwarded to Richmond.

Drivers are most urgently besought not to pass school buses loading at more than five miles an hour. Recently several children have narrowly escaped injury at the hands of drivers going at least 45 miles an hour. Superintendent Haydon asks for co-operation from the public to guard the lives of little children.

## HUNTING SEASON OPENS TODAY

Plentiful Game in Many Counties.

At a half hour before sunrise today, the 1934 Virginia hunting season got under way as eager nimrods, guns newly oiled and ammunition belts loaded, step with their dogs into the great outdoors.

While the dove, the sora and the squirrel hunters already have had a chance to try their skill and duck hunters started their season on November 8, today marks the beginning of the season on quail, wild turkeys, ruffed grouse, rabbit and deer in all, except restricted areas.

Every Virginia county permits rabbit and quail hunting beginning today, but although the season lasts until December 31 in most places, some counties close down on November 30, while others add on a month and close their season on January 31.

Twenty-one counties, all in western and southwestern Virginia, have a completely closed season on wild turkeys. Others have about the same season as for quail, with a few closing November 30.

There are 40 Virginia counties which permit deer hunting, mostly for the six weeks from November 15 to December 31. This number includes nearly all of the central and eastern Virginia counties.

## JUNIOR WOMAN'S CLUB PLAY SET FOR DEC. 7

"Girl Shy," a three-act farce by Katharine Kavanaugh, will be presented by the Junior Woman's Club on Friday evening, December 7, at the Manassas High School auditorium. An excellent cast has been selected for the play, and rehearsals are well under way under the direction of Miss Janet Trusler.

Miss Meaker Burke, chairman of the play, has as her co-workers Mary Lynch, Christine Meetze, Rena Bevans, Ellen Bisson, Sue Gibson and Frances Bushong. Tickets for the play will soon be on sale by all members of the Junior Woman's Club, and will be at a very reasonable price.

A very delightful evening of entertainment is being planned for December 7, so watch out for further announcements of "Girl Shy."

## GIRL SCOUTS NAME PROJECTS

Are Planning to Furnish Scout Hall.

The Girl Scouts have gotten well under way for another busy year. The scouts have undertaken two projects this year. They are: one, the organization of a patrol of Brownies which consists of little girls from 7 years to 10 years old. The scouts wish to share with their little sisters the joy of being a real Girl Scout. Second: The scouts have been very fortunate in securing a gift from Mrs. Round the use of a house located directly behind the office of Mr. Davies. The girls are busy and bubbling over with plans to furnish the house themselves. They will use this house as a "Scout House" and will hold all parties and outings there.

There are two full patrols and a beginning of a third. The patrols are the Poplar Patrol with Elizabeth Davies as leader. The Poplar signifies "we are straight and strong." The second patrol is the Minnow Patrol with Elizabeth Lloyd leading. Minnow signifies "we stay together." Althea Hooft is the scout scribe and Shirley Hynson is the scout treasurer.

The Brownies: Fanelle Pickeral, Nancy Parrish, Betty Parrish, Dorcas Leachman, Nancy Lee Didlake, Lenora Marshall, Anna Marie Hibbs.

## FATAL STABBING AT CCC CAMP

This afternoon Benjamin Spire, colored, aged 23, stabbed John Butler, also colored, the latter dying soon after the fray. Dr. McBryde was called to attend Butler. Self defense was Spire's plea.

## DINNER TO JUDGE AND MRS. WM. HILL BROWN

Tonight Mr. and Mrs. Hunton Tiffany are entertaining at dinner for Judge and Mrs. William Hill Brown at the Middleburg Inn.

The guests will include Mrs. William Hill Brown, Mr. C. E. Tiffany of Warrenton, Mrs. Daisy Williams and Master "Bo" Williams, Mr. Wallace N. Tiffany of Warrenton, Mrs. J. H. Mullins of Middleburg and Dr. and Mrs. Marsteller.

## MR. AND MRS. WIGHTMAN RETURN FROM HONOLULU

Mr. and Mrs. C. B. Wightman have returned after a four month's stay in Honolulu. Mr. Wightman was sent there last June as sugar administrator for the Government. Mr. and Mrs. Wightman visited all adjacent islands that were inhabited and spent some time in the mountains. They travelled on the palace liner Lurline and, with the exception of some rough weather on the return voyage, report a most delightful visit.

While there the volcano Kilauea on the Island of Hawaii became eruptive and presented a magnificent spectacle.

Mrs. Wightman says the Japanese question does not seem to trouble the people over there and you hear very little about the matter.

After a visit to her mother, Mrs. Kincheloe, Mrs. Wightman will join her husband at their apartment in the Highlands, Washington.

## DERRICK NEW MILK PRODUCERS MANAGER

B. B. Derrick has been employed as manager of the Maryland and Virginia Milk Producers Association.

Mr. Derrick comes to the Association with wide co-operative experience and for the past two years has been closely associated with the milk industry through his connection with the Dairy Section of the Agricultural Adjustment Administration as principal economist.

Local dairymen are looking forward to meeting with Mr. Derrick at a county meeting in the near future.

Any one who has used clothing that they wish to have distributed to the needy people in Prince William, please leave them at the Relief Office. Our citizens are in need of clothing of all kinds, many families have no blankets. Anything will be appreciated and carefully distributed. Why not consider our own needy people first? Marion Lewis, Relief Director, Prince William Co.

## MANASSAS 4-H CLUB

The Manassas 4-H Club met on November 12 in the home economics room of the Manassas High School to plan the new year's work.

The meeting was called to order and we elected the following officers: President, Margaret Blakemore; vice-president, Esther Muddiman; secretary, Hilda Lion; reporter, Margaret Goode; treasurer, Dorothy Rollins; song leader, Evelyn Jackson; club leader, Miss Flora Bullock.

Miss Pitts then told us that all club officers should meet with the council on November 24, at 1:30 o'clock in the assembly room in the post office building.

We then adjourned our meeting until November 26.

Margaret Goode, reporter.

## MRS. BOWERS ENTERTAINS P. C. W. CLUB

Mr. and Mrs. R. C. Bowers entertained the members of the Postal Clerks Wives Club for their November meeting and the celebration of their 12th anniversary as a club on Tuesday night. Letters from former members were read and the members stood in silent respect for the three members who have passed on. Officers were elected for the coming year. Mrs. O. O. Holler, president; Mrs. L. B. Williams, vice-president; Mrs. H. C. Blakemore, secretary; Mrs. Paul Cooksey, treasurer, and Mrs. G. G. Allen, recording secretary. A new member was added to the roll, Mrs. G. O. Woods of Newport News.

After the business session the entertainment committee provided a merry time for everyone and the lovely birthday cake cut by the past presidents was surely delicious as well as the bounteous refreshments served by the hosts.

Those present were Mr. and Mrs. L. B. Williams, Mr. and Mrs. J. H. Rexrode, Mr. and Mrs. G. O. Woods, Mr. and Mrs. Roy Blakemore, Mr. and Mrs. Roy Bauserman, Mr. and Mrs. Paul Cooksey, Mr. and Mrs. C. B. Compton, Mrs. G. Allen, Mrs. B. F. Knox, Mrs. L. L. Lomas, Mrs. O. O. Holler, Miss Rila Holler, Mrs. H. C. Blakemore, Mrs. A. O. Beane and Mrs. R. J. Davis.

## THANKSGIVING PROGRAM AT WOODBINE

The Woodbine school will present a special Thanksgiving program Friday, November 23, at 7:30 p.m. Students from Hayfield, Manassas and Woodbine 4-H Clubs will take part in this program.

There will be no admission charge for the program. Refreshments will be sold and the money made will be used to send a delegate to the Five-Point rally at Richmond, Va., November 30.

W. E. LONGFELLOW

## LIFE SAVING EXPERT HERE

Commodore Longfellow, of the Red Cross, Is Kiwanis Speaker.

Commodore W. E. Longfellow, one of the originators of "first aid" instruction and who has indirectly been the means of saving thousands of human lives, was the guest speaker at the Kiwanis last week.

Commodore is a jolly chap and his talk was listened to with great attentiveness. The club indulged in quite a laugh when he demonstrated the "Harlem stroke." Miss Neel was a subject for the Commodore's demonstration in life saving in fires and also in protection from the elements.

Mrs. Lloyd discussed the coming Red Cross roll call and expressed the great pleasure that Manassas had enjoyed in the visit of Mr. Longfellow. Mrs. Mamie Dulaney, head of the Roll Call, also spoke briefly.

On Tuesday evening a delegation from the club carried the "Golden Rule" to Fredericksburg.

President-elect Tiffany flashed his new plan of committee naming. Everyone is wondering if it will be like the "primary" balloting for officers a few weeks ago.

Bob Hutchison "bawled" the Board out for not passing on a definite recommendation in the matter of assisting in the hot lunch proposition at Bennett. Incidentally Jim got his weekly call down for some new remissness.

## MUSIC LOVERS AT CONVENTION

Junior Music Club Sends Large Delegation.

The Junior Music Study Club of Manassas was well represented at the Fourth District Convention of the Virginia Federation of Music Clubs which was held in Front Royal Saturday, Nov. 10.

The meeting was held in the First Baptist Church with the district chairman, Mrs. J. M. Boles of Strasburg presiding. It was attended by nearly 300 lovers of music from the seventeen counties of the district. The program included vocal, instrumental and choral numbers by representatives of the various Junior and Senior Clubs, and inspirational addresses by the music leaders in the federation.

The two principal speakers were Miss Grace Van Dyke More, dean of Public School Music, Woman's College, Greensboro, N. C. whose subject was "The Value of Public School Music," and the state president, Mrs. T. R. Steele of Portsmouth, who spoke on "Federation Aims."

Those attending from the Manassas Club were: Misses Jessie Mae Conner, Miriam Blough, Sidney Ann Runaldue, Mary Runaldue, Ruth Breeden, Helen Lion, Hilda Lion, Margaret Goode, Edla Blakemore, Margaret Blakemore, Irene Dellinger, Nelda Coverstone, Mildred Roseberry, Mrs. Robert Logan and Miss Virginia N. Speiden, counselor for the club.

Mr. J. J. Conner also accompanied the group kindly furnishing his car to aid in transportation.

## ADEN 4-H CLUB MEETING

The Aden 4-H Club met at Aden School on Nov. 9. New officers were elected as follows:

President, Leo Earhart; vice-president, Wade Whetzel; secretary, Mabel Jones; song leader, Ray Neff; reporter, Allen H. Green, and adult leader, Mrs. J. Jenkyn Davies.

The projects for the new year are foods, poultry and calves. Allen H. Green, reporter.

## WOMAN'S CLUB HOLDS MEETING

Dr. Elmer Louis Kayser Guest Speaker.

The November meeting of the Manassas Woman's Club held its regular monthly meeting at the high school on Wednesday of this week. During the usual opening exercises the Rev. Luther Miller gave a brief comment on the second phase of the club collect.

Following this the club members adjourned to the auditorium, where they were joined by the senior classes of the Manassas, Haymarket and Nokesville High Schools, to hear an address on "International Affairs" by Dr. Elmer Louis Kayser, professor of history, and dean of the University Student Body, George Washington University.

Dr. Kayser gave a most comprehensive and enlightening address by taking up the various points of friction, over the world and cited the many forces at work in each of the great countries at the present time, which might lead eventually to conflict and war. He touched on the work now going on at the naval conference in London, its significance and purposes; the coming "Plebiscite" to be held on Jan. 13 at which time a settlement of the possession of the Saar Valley will be discussed. He also gave a brief resume of Foreign Minister Barton's great work to promote peace, which was interrupted by his recent untimely death.

Everyone present was thrilled and delighted with the clear, concise manner in which Dr. Kayser handled his subject in the brief time allotted to him, and all expressed the hope that they might have him again in the near future.

Matters on which the club acted were: A plan to raise a fund to be contributed to the Cancer Control fund, this to be a voluntary offering at the December and January meetings.

The annual Christmas assembly was discussed and favorable action taken. This will be held during Christmas week. Mrs. W. L. Lloyd was appointed general chairman, with a group of committee members to assist her.

Mrs. F. R. Hynson made a splendid report on the district meeting held recently in Lyon Park, which thirteen members of the Manassas club attended.

Hospitality was dispensed under the direction of Mrs. James Edward Bradford, chairman of the committee, and a pleasant social hour enjoyed by all.

## JUNIOR CLUB HOLDS NOVEMBER MEETING

The November meeting of the Junior Woman's Club was held on Thursday evening, November 8, at the home of Mrs. J. P. Lyon.

The meeting was opened in the usual order with the reading of the Collect, and the reports from committees. Much work has been done through committees, giving the club more time to concentrate on other matters.

Two members volunteered to canvass for Red Cross membership in the business section of town. Old business was finished, and reports from the play committees were heard. The date set for the play was December 7, and Miss Meaker Burke gave a very interesting report in regard to the progress on the production.

Plans were discussed as to the possibilities of organizing new Junior Woman's Clubs in nearby towns, with a committee appointed to confer with Mrs. Cooksey, Junior chairman for the Fourth District.

Miss Rena Bevans gave a very interesting report of the District Conference of Woman's Clubs, held at Lyon Village recently. State plans for the General Federation were unfolded there, and also federation aims for individual clubs. The conference proved a very helpful one to the Manassas Juniors, and the report enlightening to those who were unable to attend.

After the reports, the meeting was adjourned, and delicious refreshments were served by the hostesses, Miss Pattie and Miss Meetze.

## CATHARPIN

Yes, sir, we knew it. Catharpin  
went Democratic.

Mrs. L. J. Pattie and daughter  
Harriett paid Washington a visit last  
week when Harriett "enjoyed" the ex-  
perience of having her tonsils re-  
moved. The Washington surgeons  
have found the Catharpin neigh-  
borhood a fruitful field since many cases  
have recently sought relief at their  
hands. None, however, seem to en-  
joy it very much. One little girl  
said: "If I had mine back I'd keep  
'em."

Mr. and Mrs. M. E. Shelton were  
visiting friends in Oxford, Pa., re-  
cently.

Mr. and Mrs. Bishop, the Misses  
Taylor and Miss Catharine Hogsd,  
all of Gainesville, Ga., while on their  
way to Washington, stopped for a  
few days' visit with Mr. and Mrs. R.  
A. Collins of Marble Hill last week.  
Mrs. James Riley, son-in-law and  
daughter, Mr. and Mrs. Coleman of  
Washington were recent guests of  
Mrs. T. J. Caton of this city.

The Ellison sale of last week drew  
a fairly large crowd of purchasers  
and many articles sold well. An old  
pitcher of the Willow ware variety  
was sold for seven dollars while oth-  
ers of like vintage sold for good  
prices. The farm of 169 acres was  
bid off by Mr. Carter Burns at \$12.50  
per acre.

The Sudley Woman's Missionary  
Society was well represented at the  
Week of Prayer service held in the  
Gainesville church on Sunday night  
under the auspices of the Missionary  
Society at that point. The meeting  
was addressed by Mrs. Townsend and  
Mrs. Harlan of the Mt. Vernon Place  
Church, Washington, D. C., and was  
both profitable and inspirational.

Protracted meetings will begin at  
Sudley next Sunday morning and will  
continue through the week with ser-  
vices each evening at 7:30 p.m. The  
pastor will be assisted by neighbor-  
ing pastors and interesting meetings  
are in prospect. All are cordially in-  
vited to attend.

Winter now seems to be on the way  
since his advance agent called at Cath-  
arpin on Tuesday morning last with  
a sample of his wares in the shape  
of a thermometer reading 28 degrees  
just to remind us of what is to fol-  
low.

As we pass along through life we  
often find things that amuse us. The  
human family likes to be entertained  
and something out of the ordinary  
is always interesting, so that writers,  
cartoonists and jokesmiths are ever  
trying to satisfy this demand. We  
are just now thinking of John Hix's  
daily strip and former Sunday-full  
page in "The Washington Post" under  
the caption "Strange as It Seems,"  
in which he cites many oddities about  
people and things which causes one  
to wonder how it happened. Oddi-  
ties and funny things, however, are  
not always creatures of other places,  
for if we look about a little, we may  
find many of them right at home. Let  
us see.

Away back some years ago before  
the R. F. D. or, in our case, the "Star  
Route" came into vogue, there were  
many little post offices thruout the  
country and of course, they had to  
have names; and though many of these  
offices no longer exist, yet the name  
still obtains and as we think them  
over we wonder how they hap-  
pened, who named them, and why?  
Taking the names as they appear in  
the Gainesville Magisterial District  
we find them alphabetically as fol-  
lows: Buckland, Catharpin, Gaines-  
ville, Haymarket, Hickory Grove,  
Thoroughfare, Waterfall and Wool-  
sey. From their sound and the gen-  
eral meaning of terms, these names  
to a stranger or to John Hix, might  
seem that Buck-land and Wool-sey  
had something to do with sheep; that  
Cath-arpin had something to do with  
the "feline" tribe; that Gaines-ville  
was seeking the last penny; that  
Hay-market was a seller of hay; that  
Hickory Grove was among hickory  
trees; that Thoroughfare was fairly  
thorough; and that Water-fall was a  
rival of the great Niagara. Whether  
or not John might be interested in  
these apparent oddities for his daily  
strip of "Strange as It May Seem"  
we know not, but feel sure that if  
we go out hunting for odd things we  
are sure to find them, and perhaps,  
we ourselves are the oddest of them  
all. Who knows?

## DUMFRIES

The Home Demonstration Club  
Achievement Day was held at Manas-  
sas Oct. 8 at which the Dumfries  
Club won first prize for the most  
outstanding work done during the  
year in the club. First prize was  
also won on the community exhibit,  
as well as many prizes on individual  
exhibits.

The citizens of Dumfries are hav-  
ing the cemetery cleaned off. This  
old cemetery is 218 years old, and  
dates back to George Washington's  
time.

The town of Dumfries is having  
their church repaired.

The seventh grade was guest at the  
home of Mr. and Mrs. Patton one day  
last week. They spent a very en-  
joyable evening.

The Dumfries school rendered a  
special song program at the church  
Sunday morning. Mrs. Brawner, our  
music teacher, played. Mr. Patton  
explained the purpose of the pro-  
gram, and Rev. Shumate chose for  
his sermon "Enriching Characters  
Through Education."

## 4-H CLUB NOTES

## HOME DEMONSTRATION ACTIVITIES

Miss Agnes Maupin, representative of the Kerr Canning Co., will give a demonstration on meat canning in the home economics kitchen, Manassas High School, on Saturday, December 1, at 1:30 o'clock. The public is cordially invited to be present.

Miss Maupin formerly served as home demonstration agent in Greene County where she and her club members made a fine record in canning.

The women of Haymarket community who are interested in the home demonstration program are asked to meet in the Woman's Club Room at 1:30 o'clock on Wednesday, November 21. The program of work for 1935 will be considered and officers for the new year elected.

Each woman is asked to bring one clever Christmas gift suggestion.

The women of Aden community are cordially invited to the home demonstration meeting to be held at Aden School on Friday, November 23, at 1:30 o'clock. The plan of work for the new year is to be decided upon. Officers will be elected.

The topic for demonstration is "Christmas Gift Suggestions." Everyone is asked to bring some suggestion for an inexpensive Christmas gift.

The Home Demonstration groups of Prince William County told of their 1934 accomplishments in a most interesting manner at their annual achievement program held on November 8. The presidents reported very fine accomplishments in project and community work. Dumfries Home Demonstration group was announced as having achieved most outstanding program for the year while Nokesville Home Demonstration group made most contribution to the 1934 achievement program.

The old costume contest provided an interesting recreational feature. Nokesville presented a number of very lovely old costumes. Dumfries and Bethel also presented interesting and attractive outfits in the costume contest.

Mrs. Harry M. Love in her talk on "The Homemaker Plans Her Program to Provide Some Time for Recreation" made a plea for the use of a time budget.

Mrs. Raymond Ellis reported that the women working in the clothing project during this year have made 232 dresses and 262 other garments and have remodeled 107 garments.

Interesting handwork exhibits were made by Nokesville, Dumfries, Bethel, Hickory Grove and Greenwich communities. Individual exhibits of bread and rolls made from local flour; remodeled garments, dresses and aprons showed work being done along

that line.

Winners, announced by Miss Sara Thomas, home demonstration agent of Fairfax County who served as judge of the exhibits, are:

Loaf bread: first, Mrs. McGruder Keys, Dumfries; second, Mrs. John Cox, Hickory Grove; third, Mrs. John Fourneyhough, Nokesville.

Rolls: first, Mrs. Ernest Hale, Nokesville; second, Mrs. J. O. Bittle, Nokesville; third, Mrs. McGruder Keys, Dumfries.

Girls wash dresses: first, Mrs. C. W. McIntosh, Hickory Grove; second, Lillian Winfree, Dumfries; third, Mrs. R. F. Persons, Dumfries.

Women's wash dresses: first, Mrs. E. W. Thompson, Bethel; second, Mrs. M. M. de Nicola, Bethel.

Remodeled garments: first, Mrs. T. B. Flickinger, Nokesville; second, Mrs. E. W. Thompson, Bethel; third, Mrs. Ernest Spitzer, Nokesville.

Kitchen apron: first, Mrs. Randolph Brawner; second, Mrs. Mamie Sissons; third, Mrs. Ernest Spitzer.

Wishing to express appreciation for contributions to the day's program the group extended a vote of thanks to the Methodist Church for the use of the Sunday school rooms; to Mesdames Pattie, Hatcher and Miss Virginia Speiden for the musical selections; to Miss Janet Trusler for her interesting readings and to Misses R. Belle Burke and Sara Thomas for their assistance in judging; to Manassas Milling Co. for the contribution of White Rose Flour which was presented to winning exhibitors of bread and rolls.

The Home Demonstration groups of Prince William County will make a study of living and dining rooms in their work in the house furnishings project during the coming year. Foods and clothing were selected by the Home Demonstration Advisory Board as projects for minor study. Plans are under way for a county-wide sanitation program which will be launched the first of the year.

Goals set for the new year are:

1. Each group hold at least 2 meetings without the home demonstration agent.
2. Encourage prompt and regular attendance at meetings.
3. Use executive committee meetings to perfect plans; eliminate unnecessarily long business meetings.
4. Have special program at each meeting.
5. Increase membership.

The new home demonstration pin was adopted and the following committee appointed to work with home demonstration agent to determine standards to be met in order to be eligible for the pin: Mrs. J. F. Hale, Mrs. M. J. Shepherd, Mrs. John Ellis.

**STATE RIGHTS**

The position of state integrity within the federal system, a major debating point throughout American history, is at issue again in a decision which has been forced upon President Roosevelt by the unwillingness of Georgia's state administration to comply with the terms of the NRA code for the general contracting industry. Not only has the state declined to pay the wages imposed by the code scale for labor engaged in the construction of state highways, but it has refused to fix specific rates of pay below this scale, embodying in its contracts a general provision for "prevailing wages."

The recovery-administration would be content with any wage scale, no matter how low, if it were imposed in definite dollars and cents. Further to emphasize its position in the controversy, the state highway board, when the Georgia contractor to whom it had awarded state roads contracts lost his blue eagle, took over the contracts itself.

It was at this point in the evolution of the wrangle that the recovery administration recommended to the President that he withhold further public works allotments to Georgia until the state had complied with its requirements, but this Mr. Roosevelt has thus far declined to do.

His failure to act on the recommendation has been ascribed to a desire that further efforts be made to reconcile these differences, but it was more probably attributed to unwillingness to act during a political campaign in which the dispute had become an issue. With the elections disposed of, some disposition must be made of the NRA recommendation; and this disposition must obviously carry connotations of importance to the southern insistence upon wage differentials, to the national administration and to the contest, never won and never lost, as to state sovereignty.—Charlottesville Daily Progress.

The members of this committee are: G. Raymond Ratcliffe, chairman, Manassas; E. W. Thompson, vice-president, Woodbridge; Wilmer Kline, secretary, Manassas; J. W. Alvey, Catharpin; Mahlon Seese, Nokesville; E. M. Briggs, Manassas; Thomas H. Lion, Manassas, and A. E. McInter, Quantico.

D. M. Chichester, Falmouth, district supervisor of the Farm Debt Committees, and R. F. White, representative of the Federal Land Bank of Baltimore, were present at the meeting.

Mr. Chichester in commenting on the work of the committee, wants to make it clear that the committee has nothing to do with the actual refinancing of farm loans. Such relief should be sought through the Federal Land Bank of Baltimore, of which Mr. M. Bruce Whitmore, Manassas, is the local representative.

The next meeting of the committee will be held at 3 p.m. on Tuesday, December 4, at Mr. Whitmore's office, at which time the committee will be glad to hear any cases referred to it.

**HAYMARKET**

The Haymarket High School Glee Club will present a musical comedy in three acts at the Parish Hall, Haymarket, Friday evening, November 23, at 8 o'clock. The musical comedy is a romance of Persia entitled "In the Garden of the Shah." There are more than thirty in the cast including the principal characters played by Anne Robertson, Anne Piercy, Emily Polen, Thad Curry, Charles Hall, Cecil Sibold, Hornsberger Godfrey and Charles Wilkerson. The proceeds will go for athletic equipment.

**Facts And Figures On Your Telephone**

By EDWIN F. HILL

Substantial gains in telephones are reported for the associated Bell System Companies for the first three-quarters of the year. President Walter S. Gifford of the American Telephone and Telegraph Company in addressing the stockholders on October 15 said that during the third quarter of this year the Bell System had a net gain of about 37,000 telephones as compared with a net loss of 50,000 telephones in the corresponding period of last year. The net gain since the first of the year has been about 226,000.

The number of toll and long distance calls during the third quarter was about two and one-half per cent greater than in the same period last year. For the nine months the increase was about five per cent over the corresponding period of 1933.

Treating the system as a whole and including the Western Electric Company, preliminary data indicate earnings on American Telephone and Telegraph Company stock of about \$4.52 per share for the first nine months of this year compared with \$3.89 per share for the corresponding period of 1933.

**IN MEMORIAM**

In sad but loving remembrance of my dear mother, Mamie E. Russell, who departed this life just one year ago, November 16, 1933.

I miss you, darling mother,  
At morning, noon and night;  
No other voice so sweet as thine,  
No face seems half so bright.

You went in answer to His call  
One year ago today;  
I have missed you greatly, mother,  
Since you were called away.

Her Daughter,  
Ruby Russell.

**COUNTY MANAGER DISMISSED**

The Arlington County Board yesterday served notice upon Roy S. Braden, Arlington County Manager, that after December 31, his services would no longer be required. The action followed the recent removal of Lyman M. Kelly as member of the County Board. It is stated that the actions in both cases will be carried to the Virginia Supreme Court of Appeals by interested parties.

### REASON FOR PRIDE

We're too proud of our White Rose Flour to have it compared with any second-grade flour. We make two other grades of flour ourselves, but our White Rose, being put through special processes, is slightly higher in price.

It's well worth the price, too.

Perhaps you are amongst those who have a word of praise for it.

### PENDER

Mrs. F. M. Alder and Mr. W. W. Cross and Billy Cross have been on the sick list.

Lizzie Burke, who just returned from Alexandria Hospital, doesn't seem to improve.

A bad wreck happened below Mr. Albert Thompson's some time yesterday. Haven't heard any report of anyone being hurt.

Miss Bertha Hurst of Washington, D. C., has been visiting her sister, Mrs. R. P. Gooding of Pender.

Mrs. Paul Alder is improving and attended services at Pender Church Sunday morning.

The Ladies Aid of Pender were quite successful with their oyster supper Thursday night at the home of Mr. Wesley Swart, our worthy blacksmith.

Mr. T. N. Kidwell had a very fine dog killed last week by being struck by a car near the shop.

Wallace Cross, Jr., is doing a wonderful business trapping this fall, coming in with opossums, coons, squirrels and chipmunks.

The weather has turned very much colder with snow flurries the past day or two.

Dec. Aid meets with Mrs. George Twombly.

## TRUSTEES' SALE OF THE FARM AND RESIDENTIAL PROPERTY OF THE LATE DR. B. F. IDEN, NEAR MANASSAS, VIRGINIA.

Whereas, Benjamin F. Iden (now deceased) and Virginia Iden, his wife, and John H. Iden, by their deed of trust, dated December 1, 1924, and of record in the Clerk's Office of the Circuit Court of Prince William County, Virginia, in Deed Book 80 at pages 235, 236, 237 and 238, conveyed to Andrew L. Todd, as trustee, the tracts or parcels of land hereinafter described, in trust to secure to the New York Life Insurance Company of New York, a corporation of the State of New York, a certain debt therein set forth; and,

WHEREAS, the said Andrew L. Todd, has resigned as such trustee, and by an order of the Circuit Court of Prince William County, Va., entered on October 1, 1934, the undersigned were substituted as trustees in said deed of trust, in the place and stead of the said Andrew L. Todd resigned; and,

WHEREAS, said beneficiary in said deed of trust, the New York Life Insurance Company, has informed the undersigned Substituted trustees that default has been made in the payment of said debt so secured, and has demanded of them that they execute said deed of trust, and make sale of the property thereby conveyed for the satisfaction of said debt so secured;

Now, therefore, notice is hereby given, that the undersigned, acting as such substituted trustees in said deed of trust, pursuant to the requirements of the said New York Life Insurance Company as beneficiary therein, and pursuant to the terms and provisions of said deed of trust, will on

FRIDAY, NOVEMBER 16, 1934, at twelve o'clock noon, in front of the Court House door of Prince William County, in the Town of Manassas, Virginia, offer for sale at public auction, to the highest bidder, the tracts or parcels of land conveyed by the deed of trust aforesaid. The tracts according to the description contained in said deed of trust, are as follows:

Two certain tracts of land, in the Magisterial District of Manassas, Prince William County, Virginia, adjoining the Town of Manassas and bounded and described as follows:

FIRST TRACT: Located on Fairview Avenue, in or adjoining the Town of Manassas, and Beginning where the center of the Buck Hall road intersects the center of Fairview Avenue; thence with the center of Buck Hall road, North 81 1/2 degrees East 65.04 poles to tenant house lot; thence North 89 degrees East 3.28 poles; thence, center of the road and corner to Mrs. Pauline I. Hill Brown; thence with two of Brown's lines, South 30 1/2 degrees East 4 poles to a

fence post; thence South 61 1/2 degrees West 14.16 poles to corner to Brown in the center of Fairview Avenue; thence with the center of said Avenue, South 31 1/2 degrees East 51.6 poles to the beginning, containing forty (40) acres, be the same more or less.

This tract has on it a very large dwelling house admirably situated, and is equipped with town water, and electric lights, and has a furnace room. This tract also has on it a barn, outhouses and a tenant house.

SECOND TRACT: Lying about three-fourths mile East of Manassas Station, North of Manassas, on the Buck Hall Road, and Beginning at a point in the center of said road and corner to Kingston (formerly Billy Iden); thence with the center of said road, North 89 1/2 degrees East 34.9 poles; thence South 80 degrees East 5.74 poles; South 50 degrees East 21.59 poles; South 64 1/2 degrees East 63.84 poles to a point in center of road and corner to Dr. J. M. Iden; thence, leaving the said road and running with Dr. J. M. Iden down a branch and with a fence, North 27 degrees East 41.22 poles to a fence post; North 25 1/2 degrees East 8.88 poles to a fence post; thence North 12 degrees East 9.04 poles to a fence post; thence North 27 1/2 degrees East 14.41 poles to a fence post; thence North 29 degrees East 10.79 poles to a fence post; thence North 2 degrees East 7.46 poles to a fence post; thence North 27 1/2 degrees West 3.9 poles to a fence post; thence North 8 1/2 degrees East 5.41 poles to a fence post; thence North 13 degrees East 9.06 poles to a stake on the East side of the branch, corner to Dr. J. H. Iden and the land purchased by him of his father, Dr. B. F. Iden; thence, with said purchase, North 5 1/2 degrees East 60 poles to a sycamore stump on the East edge of the branch and the edge of Blooms road; thence with the center of said road, North 64 degrees East 4.31 poles; thence North 55 1/2 degrees East 8.78 poles to a point in the center of said road and corner to Ed Hicks; thence with Hick's North 38 degrees West 85.06 poles to the fence at the Southern Railroad; thence with the railroad, South 56 1/2 degrees West 107.44 poles to a fence post at a drain under the railroad and corner to Brown's parcel; thence South 27 1/2 degrees East 3.78 poles to Billy Iden; thence with Brown, South 2 1/2 degrees East 15.24 poles to a fence post; thence South 55 1/2 degrees West 3.04 poles to an East 10.87 poles to a post; thence South 15 degrees West 56.07 poles to a cedar, corner to Kingston; thence with Kingston, South 8 1/2 degrees East 29.2 poles to a fence post; thence South 48 degrees West 18.75 poles to a post near Kingston's garage; thence South 20 1/2 degrees West 11.32 poles to the beginning, and containing one hundred forty-eight (148) acres, two (2) roads, and twenty-one and 42-100 (21.42) poles, by survey of E. S. Edwards, Surveyor.

This tract has on it an excellent dwelling house, a large dairy barn equipped according to the requirements of the Health Department of the District of Columbia; and has on it all the necessary outbuildings, and is now being operated successfully as a dairy farm.

Said second tract will be offered for sale first, and if same sells for enough to discharge the debt secured, together with costs of sale, said first tract will not be offered; but if same shall not sell for enough to discharge said debt and costs, then said Second Tract will be next offered for sale; and if the aggregate of the bids for said two tracts when offered separately shall not be sufficient to discharge said debt and costs of sale, then the two tracts will be offered together.

TERMS OF SALE: CASH. Immediate possession will be given the purchaser.

Taxes for the year 1934 will be pro-rated.

AUBREY G. WEAVER, W. C. ARMSTRONG, W. HILL BROWN, Jr., Substituted Trustees.

## IN THE DISTRICT COURT OF THE UNITED STATES

For the Eastern District of Virginia

In the Matter of

Carl I. Carden, Bankrupt.

No. 654 in Bankruptcy

On reading the Petition for Discharge of the above-named Bankrupt, it is—

Ordered by the Court, that a hearing be had upon the same on the 20th day of December A. D. 1934, before the said court at Alexandria, in said District, at 12 o'clock noon; and that notice thereof be published in Manassas Journal, a newspaper printed in said District, and that all known creditors and other persons in interest may appear at the said time and place and show cause, if any they have, why the prayer of the said petitioner should not be granted.

And it is further ordered by the Court, that the Clerk shall send, by mail, to all known creditors, copies of this order, addressed to them at their places of residence as stated.

Witness, the Honorable Luther B. Way, Judge of the said Court, and the seal thereof, at Alexandria, in said District, on the 8th day of November A. D. 1934.

C. L. WRIGHT, Clerk.

By John P. Strauss, Deputy Clerk.

## Food Market Advice

## NATIONAL CHEESE AND HONEY WEEKS BEING CELEBRATED

With government, state and local officials calling attention to National Cheese Week, it is interesting to note that American or store cheese has not increased in price as have most other foods. Served alone or made into cheese dishes it is delicious, nourishing and low priced. Although less well known Swiss, Roquefort, Camembert and the various process cheeses are worthy of greater use.

Another farm product, HONEY, bids for your favor this week. Shoppers will find it no more expensive than syrup for hot cakes and waffles. It is an ideal sweetener for fruits, and will help keep baked foods moist.

Navel Oranges and Satsumas Arrive Navel oranges are beginning to arrive before the Florida season is well under way. Satsumas too, very like tangerines, are coming to market. The variety of fruits in market—including CITRUS FRUITS, Bose and Combe PEARS, Tokay, Emperor and Almeria GRAPES, Delicious, Jonathan and Spitz Apples, red and yellow BANANAS, POMEGRANATES and PERSIMMONS—suggest a bowl of fruit for decorative purposes and dessert.

There is also an abundance and variety of cooking apples which are moderate in price. CRANBERRIES, too, respond to cooking temperatures. The late Howe variety is now in market.

Lamb An Excellent Value All cuts of LAMB are attractively priced. BEEF hind-quarters are still low and chuck, after a series of ups and downs, seem to be settling at a lower level. PORK, too, is if anything a little lower. VEAL is a little cheaper after weeks of high prices. SMOKED HAMS and ROASTING CHICKENS are selling this week-end

at a price to make entertaining a pleasant obligation.

Eggs On the Up and Up Last week it looked as if EGGS had reached the peak, but all grades are again somewhat higher in spite of decreased demand. There will probably be no pronounced break in price before the first of the year. The BUTTER market is unsteady but at writing the retail is unchanged.

Root Vegetables in Greater Demand With the gradual decrease in supply and increase in prices of most green vegetables the root vegetables are more in demand. Low in price and excellent in quality, recent nutritional studies show them to be valuable foods. Keep your food budget down if necessary and the standard of your meals high with BEETS, CARROTS, ONIONS, WHITE TURNIPS, RUTABAGA TURNIPS, PARSNIPS, and when available with OYSTER PLANT or SALSIFY and CELERY. KNOB, WHITE POTATOES, SWEET POTATOES and YAMS are healthful and satisfying foods as well. Winter SQUASH, though not an underground vegetable, is inexpensive and delicious.

The CABBAGE family is the cheapest of the green vegetables, though CAULIFLOWER is higher. Green and Lima BEANS are high and so are TOMATOES, SPINACH, CELERY and LETTUCE are moderate in price. MUSHROOMS are relatively quite cheap. Hothouse RADISHES are the newest arrival.

Here is a menu\* made up from foods which our experts report to be seasonable and moderately priced:

Cranberry Honey Cocktail  
Roast Chicken  
Mushroom Stuffing  
Giblet Gravy  
Mashed Potatoes  
Diced Turnips  
Lettuce  
Russian Dressing  
Rolls and Butter  
Fruit  
Crackers  
Cheese  
Coffee

**CHRISTIAN SCIENCE**

"Adam and Fallen Man" was the subject of the lesson-sermon in all churches and societies of Christ, Scientist, on Sunday, November 11. The golden text was "He that cometh from above is above all: he that is of the earth is earthy, and speaketh of the earth" (John 3:31).

Among the citations which comprised the lesson-sermon was the following from the Bible: "For as in Adam all die, even so in Christ shall all be made alive" (I Corinthians 15:22).

The lesson-sermon also included the following passages from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The Son of the Virgin-mother unfolded the remedy for Adam, or error; and the Apostle Paul explains this warfare between the idea of divine power, which Jesus presented, and mythological material intelligence called ehyery and opposed to Spirit" (p. 534).

The Indirect Lamp Enlivens the Card Table

By Jean Prentice

ALL work and no play makes Jack a dull boy. To which we add, play without good lighting makes Jack a dull partner!

Most of us enjoy entertaining guests, don't we? We get pleasure from providing attractive decks of cards, nice tallies and tempting candies. And then, when every detail seems perfect for the comfort of our visitors, we sometimes fall down miserably.

We pull up to the card table a lamp whose small shade serves only two persons at the best, or else fails to cover the raw light from the bulbs so that the glare on the dummy hand makes us twist and fidget.

Or perhaps the bulbs are woefully small with the result that before the evening's over our energy has seeped away with our efforts to see. (I've been guilty of such provisions myself, but know better now!)

From lighting scientists who have considered our needs at play as well as at work, this advice has been secured: Provide an indirect lamp of either the metal or glass reflector type, similar to the ones in the sketches, for your game table.

They give a light as soft as that on a shaded porch upon a summer's

day, an adequate smooth light that distributes itself impartially to all four contestants and lays no complimentary shadow lines on faces. The new two-filament bulb in each lamp allows three different intensities of light. In the lamp in the larger sketch the 40 or 60-watt bulbs in the candle sockets are to be turned on in addition to the central bulb for especially intensive seeing tasks.

A practical point about a lamp of this kind is that, since it is a "major" lamp and not a small one totally unfitted for the job, other lamps in the room need not be disrupted from their locations when the table is set up. The large lamp does a man-size job, sending light up as well as down and eliminating harsh contrasts.

The "torchier" type sketched in the panel has a softly luminous glass bowl taking the place of the shade on the first lamp. The lovely toned glass gives life to the unit and adds a striking decorative effect to the room.

Both lamps have been made by a number of manufacturers according to specifications of the Illuminating Engineering Society, national group of lighting experts.

The ace of spades may be black, but the ace of hospitality is light wit. One of these "indirects" at your bridge table.

### SAD ACCIDENT

Shortly before midnight Sunday, Carroll Wells, colored, aged twenty, was almost instantly killed when struck by a car operated by a gentleman from The Plains.

The accident took place just at the edge of the corporation on the Warrenton Pike. Young Wells was on his way in town where he was employed by Oscar Kline. He was facing one traffic and apparently well on his side of the road.

Those who viewed the scene state that there was nothing to indicate that he had been struck on the macadam. Cars were passing and it is entirely possible that the fender of the car which struck him reached out just a bit too far on the shoulder of the road.

Events of this kind are a warning to all pedestrians who walk the main highways, especially at night. No one can be too careful at all times

and should carry some sort of a light, such as a lantern or a flashlight.

### RED RUSSIA GOES PINK

H. V. Kaltenborn, known as a leading radio speaker and author, has written an enlightening article on present-day Russia for the Magazine of The Washington Star, Sunday, November 182. He tells what is really going on in Soviet Russia. Order your copy of next Sunday's Washington Star from your newsdealer today.

## DEADLINE NEAR ON COMPENSATION

Veterans Must Apply Before Jan. 2.

Col. E. W. Jordan, manager of the Virginia regional office, American Legion, is quoted in press reports as stating that the time limit in which veterans may apply for adjusted compensation will expire on January 2.

Many men who are entitled to compensation have not made application, some of whom are not aware of the provisions of the law and others are merely neglecting the important matter.

It is stated that there are around 300,000 ex-service men who are eligible for amounts varying from \$500 to \$1500, provided the application is properly executed. Under existing law, it is stated, if a veteran is unheard of for seven years he is presumed to be dead.

Mr. C. H. Ellis leads in a large yield of corn near Gainesville.

Mr. A. M. Smith is rebuilding his barn which was destroyed by fire several weeks ago.

### FARMERS SHOULD PLACE THEIR APPLICATIONS

Farmers of Prince William County who plan to apply for production loans from the Warrenton Production Credit Association to finance their winter and early spring farm operations, should place their applications before winter arrives in full force, it was stated today by J. Alfred Austin, secretary-treasurer of the Warrenton association.

Mr. Austin said that due to the fact that inspections of farms must be made before loans can be acted upon, it is desirable from the standpoint of both the association and the farmer as possible be made while the weather favors the performance of such inspections. He said that from all reports the coming winter will be severe, and that when it finally arrives, it probably will prevent inspectors from carrying out their work promptly.

"Delays in inspections necessarily mean a corresponding delay in loan closings," Mr. Austin said.

Mr. Austin said that an application for a loan may be made as far ahead of the date on which the proceeds are needed as the applicant chooses. "An applicant may arrange now for a loan he does not need until next March, if he cares to," Mr. Austin said. "He also may arrange for a loan in the future without obligating himself in any way to borrow the money if he later finds that he will not need it. There is no interest charge made until after a borrower has actually used his loan proceeds, and then he is charged interest only for the actual length of time he uses the money."

The official correspondent or application writer for the Warrenton Production Credit Association in Prince William County is W. Hill Brown, Jr., attorney, with offices in Manassas.

### IMPROVING COUNTRY CREAM

The County Agent, accompanied by several cream graders, attended a creamery school of instruction given at Culpeper. These schools are being held all over the state by the Dairy Division, U. S. D., co-operating with the creameries. There has been considerable complaint throughout the state as to the lack of cleanliness and purity in handling the milk crop, from which shipping cream is produced. While many people use the greatest precautions in handling the cream it is to be regretted that others do not. Just recently a shipment of several thousand pounds of cream was condemned and destroyed, owing to its filthy and almost putrid condition.

At these schools, instruction is given in the using of cleanly methods for producing a high quality cream, and retaining that quality until it reaches the creamery. Some parties set the cream crocks on the cellar floors without covers, and contamination can hardly be avoided. Prof. R. G. Connelly and others gave instructive talks on the subject.

## Why Liquid Laxatives are Back in Favor

The public is fast returning to the use of liquid laxatives. People have learned that the right dose of a properly prepared liquid laxative will bring a more natural movement without any discomfort at the time, or after.

The dose of a liquid laxative can be varied to suit the needs of the individual. The action can thus be regulated. A child is easily given the right dose. And mild liquid laxatives do not irritate the kidneys.

Doctors are generally agreed that senna is a natural laxative. It does not drain the system like the cathartics that leave you so thirsty. Dr. Caldwell's Syrup Pepsin is a liquid laxative which relies on senna for its laxative action. It gently helps the average person's constipated bowels until nature restores their regularity.

You can always get Dr. Caldwell's Syrup Pepsin at any drug store, ready for use.

## TELEPHONE INSTALLATIONS ANNUAL AFFAIR IN JAPAN

If telephone subscribers in this country on applying for service were told that installations were only allowed in June of each year as is the case in Japan, serious complaints would no doubt be made. This would be especially true in Maryland, Virginia, West Virginia and the District of Columbia, territory served by the Chesapeake and Potomac Telephone Companies where the average telephone is installed within a few days after the application is made.

Applications for telephone service in Japan must be made during the month of June, or the prospective subscriber must wait for another year before the instrument will be installed. The alternative is that he pay a premium to secure a telephone already serving another subscriber. The average premium for a telephone paid last year, according to Telephone, was 700 yen, which is approximately \$210. Of those who apply for telephones

in the Flowery Kingdom, only about 10 per cent in the country as a whole are actually allowed to have instruments installed. In the city of Tokio last year, of the approximately 40,000 people applying to have telephone installations made, only 4,000 were accepted.

Japan is now served by less than 1,000,000 telephones. This means that there are about one and one-half telephones for each 100 of the country's population. In the United States the ratio is 14 telephones for each 100 people. Telephone and Telegraph Statistics of the World shows that there are about 52 telephone conversations held annually for each person as compared with 205 in the United States. Tokio, the largest city, with a population of 5,300,000 is served by 184,000 telephones. This is about the same number of telephones serving Washington, D. C., which has a population of about 600,000.
