CLUB PREPARES FOR CHRISTMAS

Gift Committee Reports Good Progress.

The Kiwanis Club largely devoted its session last week to transaction of routine business and symposium on Christmas and bingo, not less than four interesting addresses being made by eminent citizens of the town on the advisability of this great game, particularly when adapted to the benefit of the church.

Bob Hutchison tried to lead Charlie Lynn into the intricacies of a legal discussion but Charlie refused to go to bat and Mons Ledman pinch-hit for him very nicely.

Fred Hynson and his Christmas party seemed to be coming along mightily while Al Roseberry was on the job stirring some mysterious project which was not talked above a whisper. We understand that Al is hooked up with Santa Claus in some way; details which will come out later.

YORK COUNTY DRY BY 5-1

Rural County Turns Back Liquor Trade.

York County said "no" Tuesday in overwhelming terms when the question of whether beverages of more than 3.2 per cent alcohol by weight should be sold within the limits of the county.

Two questions were involved. On whether wine or beer of more than 3.2 per cent alcoholic content by weight should be permitted to be sold in York County the voters as 461 opposed and 93 for such sales.

On whether liquors of larger alcoholic content than wine and beer should be permitted to be sold the vote was even more conclusive, 471 opposed to 83 favoring it.

The Courthouse, in which Yorktown is located, was the only one of the county's six precincts to vote yet. Yorktown voted 41 to 12 for the sale of wine and beer and 35 to 17 for the sale of hard liquors.

The two Poquoson precincts, however, largest in the county, were on the other extreme—Tabernacle, 181 to 17 against wine and beer and 184 to 16 against liquor; Trinity, 147 to 2 against wine and beer and 147 to 3 against liquor.

LETITIA CATHERINE WEDDLE

Mrs. Letitia Catherine Weddle died at the home of her daughter, Mrs. Frances Sowers, on Saturday, December 8, at 11 o'clock after an illness of several months.

She was born in Floyd County, Va., on March 4, 1848, where she was a resident until fourteen years ago when she came to Prince William to make her home.

She is survived by a sister, Mrs. Nannie E. Dickerson, Hydro, Okla.; five children, A. W. Weddle, Colfax, Ind., Mrs. H. E. Pratt, Mrs. W. G. Lemon, and Miss Dollie Weddle of Roanoke, Va., and Mrs. Frances Sowers, Manassas, Va., and fifteen grandchildren and two great-grandchildren.

Although well advanced in years when coming to this county, the deceased attracted many friends with her lovable character, all of whom will greatly miss her presence.

Funeral services were held at the home of her daughter, Mrs. Sowers, on Monday at 2 o'clock, Rev. A. B. Sapp officiating. Interment followed in the Sudley cemetery.

The pallbearers were Edgar Sowers, Roy Sowers and Thurman Pratt, H. E. Pratt, grandsons of Mrs. Weddle, Roy Sowers, Thurman Pratt and die, and Stuart Monroe and Albert Ellison.

MANASSEH LODGE ELECTS OFFICERS

The Manassas Lodge, 182, Ancient Free and Accepted Masons, elected officers for the ensuing year last Friday evening as follows: Worshipful master, J. L. Bushong; senior warden, Robert H. Hutchison; junior warden, Howard Luck; treasurer, G. Raymond Ratcliffe; secretary, John T. Broadbush; senior deacon, Wm. Hill Brown, Jr.; junior deacon, H. Worth Storke; Tyler, A. G. McMillan.

Under the administration of the retiring master, Mr. Fred Hynson, this lodge has maintained its position as one of the most efficient Masonic lodges in Virginia.

WOMAN'S CLUB HOLDS MEETING

Dr. Herbert Donovan Guest Speaker.

Members and guests of the Manassas Woman's Club were given the great pleasure of hearing another outstanding speaker at their regular meeting held on Wednesday of this week at the high school.

The speaker on this occasion was Dr. Herbert Donovan, of Fairfax Courthouse, former missionary of the Episcopal Church in Africa. Taking "Africa" as his subject, he gave first the geographical and other aspects of the country in which his particular work had been carried on. Then he spoke of native schools, hospitals and great work going on among the children of this so-called savage country. Dr. Donovan also spoke of the great sacrifices made by these children, in order to save funds with which the gospel might be spread to others in their native land and stressed the great desire on the part of native chiefs for more "God-men," as the missionaries are called, to work among their people.

Preceding Dr. Donovan's address, the members were privileged to hear a beautifully rendered solo by Mrs. Grace Logan, "Let Not Your Heart Be Troubled."

Matters for discussion and reports of the committees during the business session were many and varied. Mrs. W. L. Lloyd, chairman for the Christmas assembly, announced the held on December 28 and said that date for the dance which is to be all plans were progressing nicely. This is an annual affair, and one of the highlights of the social season.

The question of volunteers to help in assembling and mapping gifts for the underprivileged children by Kiwanis Club was discussed, and the president asked each member to give some time to this. Members were to get in touch with Mrs. F. R. Hynson as to when they could help.

Mrs. John Barrett was accepted as a new member of the club.

The hospitality committee under the direction of Mrs. William Fauntleroy Cocke served refreshments, and a pleasant social hour enjoyed.

OCOQUAN DEFEATS VISITORS

The Occoquan A. C. soccer team defeated the British United, Sunday at Occoquan, in a hard-fought game in which the lead changed hands many times, but when the final whistle blew, Occoquan held the lead 5-4. The Occoquan team which is composed of former high school stars displayed the same ability and fight that was envied so by the local high schools when it was carrying Occoquan to county championships.

British United played its usual good game. Its players who are older and more experienced did some excellent work.

The outstanding players for Occoquan were Riley who kicked three goals, and Lynn who kicked two, one of which was the decisive marker.

British United — Baker, Meyer, Graham, Craig, Grosunt, Boyd, Mallock, Robertson, Turner, Bryden, Shelton. Occoquan — McCollum, C. Pettlet, H. Pettlet, Hornbaker, R. Sheppard, Bryant, Cooper, Riley, H. A. Pettlet, Bolton, Lynn.

Substitutions — British U.: Swathcart, Davis, Munn; Occoquan: Mooney, Sealeman, J. Sheppard.

MRS. LEACHMAN'S RECITAL

The piano recital by pupils of Mrs. Beatrice Leachman will be held next Sunday afternoon, Dec. 16, at 3 p.m. at the Parish Hall. Those on the program are Edna Armstrong, Virginia Bradshaw and Nancy Leachman. The public is invited.

If people who buy Christmas Seals would follow their money thru to see what it accomplishes, they would regard it as an investment rather than a gift.

The Greatest Gift

MANASSAS SENIORS HONORED

The group of seniors, Misses Mary Currell Pattie, Mary Lynch, Mary Cocke, Lucy Gibson, Cornelia Lewis, Virginia Hurst and George Talcott, who went to Washington last Friday and Saturday as delegates to the second annual High School Conference held at George Washington University, had a very interesting as well as profitable time. There were about a hundred delegates from the schools of Washington, Baltimore and territory adjacent to Washington. Manassas and Swavely were the Virginia representatives.

The theme discussed by the speakers, Dr. Cooper, formerly U. S. Commissioner of Education, and Dr. Johnson, of the Catholic University of America, was "Shall Federal Aid Be Given the States to Equalize Educational Opportunity?" Friday afternoon the discussion was thrown open to the delegates divided into three groups. Two Manassas delegates were elected. Mary Pattie as secretary for one group and Mary Lynch as a member of the committee on resolutions for another.

After the morning session on Saturday the delegates were entertained by the University at dinner at the Mayflower Hotel. Senator-elect Rush Holt from West Virginia was the after dinner speaker.

A WORD OF THANKS

In behalf of the needy Prince William County people, we wish to thank the residents who have responded so loyally and have brought so much used clothing for distribution in Prince William County.

Used shoes are most acceptable and are greatly needed at this time for the children as well as the adults.

SAUNDERS-HATCHER

On Saturday afternoon last at half past one Miss Pattie Smith Hatcher and Mr. Robert Amos Saunders were married at the Methodist parsonage in the presence of the parents of the two young people, Rev. Compton officiating.

The bride wore a very stylish tulle gown of black crepe with white trimming and a lovely ornament designed like an autumn leaf. Her accessories were black. The groom was attired in dark gray.

Miss Hatcher is a daughter of Mr. and Mrs. J. L. Hatcher and Mr. Saunders is a son of Mr. and Mrs. F. R. Saunders, all of Manassas.

Bob and Pattie are two of the most popular young folks in Manassas and have the best wishes of everybody for happiness and prosperity. After a short wedding trip they are making their home with the groom's parents.

BANKING TALKS AT MANASSAS HIGH SCHOOL

Mayor Harry P. Davis gave the last of a series of talks on "Banking as a Profession" at the high school this week. The three cardinal virtues in banking, as in all business, the speaker said, were honesty, integrity and reliability. Added to these the successful business man should have poise, a vision of the possibilities of his business; constructive imagination for originality and resourcefulness both prime requisites of leadership are the outcome of imagination; perseverance the best preventive of discouragement; co-operation another prime requisite for leadership and good health.

A good business course in high school or college was now essential also, for the day had passed when one could enter the banking business with no training, and work up to a higher position. Moreover, such training was easily obtainable in the many good courses now available in high schools. In conclusion the speaker gave generous praise to the quality of the commercial course at Manassas High School.

JUNIORS TO HAVE CHURCH SERVICE

Fraternal Order to Meet Here.

For the first time in many years the Order of Fraternal Americans of District Five, which is Prince William County, and the new Council of the Daughters of Americans, will have a special Thanksgiving and Christmas church services.

This will be celebrated at the Manassas Presbyterian Church on the evening of December 23 at which time the church will be especially decorated for Christmas and will present a very pleasing setting for a fraternal gathering.

Rev. John M. DeChant, who was initiated into the Order this past week, will conduct the services which will be in honor of the Order.

The services are not restricted to the Order alone, and the general public is invited to attend. A special section of the church will be reserved for the members of the two Orders, but there will be plenty of room for everyone.

Members of the Order are requested to wear little roseettes or ribbons of the tricolor in their button holes.

PARK RESIDENTS GET FEDERAL AID

Families Moving Out of Shenandoah Area to Have Model Villages.

"New villages are springing up around the Shenandoah National Park area in Virginia," according to an article in the December Commonwealth magazine of the Virginia State Chamber of Commerce "villages designed to bring a new era to the mountain folk whose old homes are to become a part of the national park." For these "economically lost" Virginians whose financial security once lay in the reaping of the chestnut harvest in the vast forests which covered the mountain tops and were wiped out by the blight, Uncle Sam has planned a new life, a life regulated and normal, the accepted American formula of living.

"In the park area, all of which was purchased by Virginia and given to the federal government lived 465 individuals. All were required to move by the United States Park Service, but recently some have been allowed to stay and others who cannot find quarters have been given short leases until spring.

"If present plans are carried out homesteads are to be established in from three to five communities adjacent to the park and so distributed that homesteads may live in the same counties in which their present homes are located. The cost of the complete homestead will be between \$1,050 and \$1,550."

CIRCUIT COURT PROCEEDINGS

George Kohlesnikoff upon a plea of guilty to a charge of house breaking was given a term of one year.

An order was entered designating Hon. Thomas H. Lion to search title for certain land belonging to W. M. Jordan which the County School Board contemplates purchasing.

John Anello was found guilty by the court on a charge of stealing an automobile and given a term of three years.

The matter of Willie Corbin in an auto theft was declared a mistrial and the case will go over to the February term.

The matter of Olaf Pierson charged with murder of Eddie Walsh was continued to February term.

Duvall Carter was tried by court on a charge of unlawful possession and was acquitted.

WILL RECEIVE PAY CHECKS

All teachers and county school employees will receive their pay checks for December on Friday of next week.

XMAS PAGEANT AT GRACE CHURCH

Elaborate Preparations Made for Unique Presentations.

"Glorified Gifts," a beautiful and unusual Christmas program will be presented at the Grace Methodist Church on Sunday evening, December 23, at 7:30 o'clock.

This program has many unique features, including the presentation by music and pantomime of several incidents depicting Christmas giving in both olden and modern times. But most unusual of all, the audience will take part in the program, participating in the concluding scene of the service—a scene that is declared to be impressive indeed in its genuine beauty and inspiration.

Christmas Eve will be celebrated in the Children's division on Dec. 24, at 7 o'clock, in the Sunday school rooms of the church.

A large number of members and friends are expected at the Grace Methodist Church for this interesting Christmas service.

HOOKEWANTS TAX CHECK UP

Believes Federal Control of Bus Traffic Would Solve Problem.

A federal system of regulating interstate bus and truck traffic was advocated this week by Chairman H. Lester Hooker of the State Corporation Commission as a check-up on all motor vehicle carriers not paying proper taxes for the highway maintenance they make necessary.

Declaring that such regulations, advocated by Joseph B. Eastman, Federal transportation co-ordinator, probably would be effected this winter by Congress, Commissioner Hooker pointed out they would obviate the necessity for any such system as the Kansas port of entry plan in Virginia.

Under the port of entry system, every bus and truck coming into the State would be stopped at the border and compelled to pass a safety inspection, declare its cargo, pay a tonnage tax and obtain clearance papers before moving on. Highway Commissioner Henry G. Shirley and other State officials have expressed interest in the plan.

A Federal system of regulation would serve the same purpose of obliging all trucks and buses, including the "tramp" carriers not operating on schedule, to register their contracts with the Interstate Commerce Commission, and would enforce uniform inspection and insurance laws and see that proper taxes were levied and distributed, Mr. Hooker explained.

"While I am in favor of Federal regulation as the best way to handle the situation, I am not sure that I would favor the specific plan Mr. Eastman has in mind, whatever that may be," Mr. Hooker said.

"We want interstate regulation of trucks and buses in order to correct the abuses of the prevailing system, but we want to start off with very mild regulations so as not to run people out of business. We would be against any too drastic provisions."

Mr. Hooker agreed with Mr. Shirley that many interstate carriers at the present time were not only not paying taxes proportionate to their wear and tear on Virginia roads.

CATHARPIN

Well, for a change this Monday morning we are witnessing the first snow of the season, but just what it will amount to and just how deep it is going to be you will have to determine for yourself when you read this. It has been prophesied that we are in for a hard winter; so prepare for the worst and pray for the best and you will be a sure winner. M. and Mrs. L. L. Lynn and daughter, Elizabeth, spent the day with friends in the capital city last Sunday.

Mrs. Raymond Briggs and little daughter, Patricia, of Washington spent the week-end with Mrs. Briggs' parents, Mr. and Mrs. L. J. Pattie, returning home on Sunday evening with her husband who had come out for the day.
Well Thanksgiving is over and people generally are in the "throes" of butchering this week; all or, nearly all, the "foreign" hunters have gone home so there is but little happening just now to write about. If this "Bureau of Information" is to properly function, you readers, every one of you, must call up and tell us what is going on in your particular "Neck 'o the woods," else how shall we know? Our reportorial staff must be kept busy and if you do not supply the news we have to write something any way in order to earn our daily bread. The Secretary of the Treasury reports that the number of people whose annual income is a million or more has increased since last report. Well, our income was not quite a million but with your help we hope to go over the top next year. So waken up! do something to help us.

The Sudley community was called upon to mourn the loss of a good, kind friend in the person of Mrs. Letitia Weddell who departed this life at 11 a.m. on Saturday, December 8, at the home of her daughter, Mrs. Frances E. Sowers, of near Stone House, Va. Mrs. Weddell had made many friends in both the church and neighborhood during her few years' residence here where all who knew her loved her for that kindly, lovable, pleasant disposition with which she was wont to bestow upon every one. She shall be missed from among us. Her last illness, due primarily to an inward trouble and her eighty-six years of life, was free in most part from great pain except the last two weeks when death relieved her of all earthly suffering. In point of age was one of the oldest members of Sudley, having united with that church a few years ago by letter from another communion. Her remains were interred in the family plot in Sudley cemetery on Monday, Dec. 10, followed by many loving friends. Services conducted by her pastor, the Rev. A. B. Sapp.

Mr. Sandy Beaumont whose illness was reported in this column last week died as a result of blood poisoning at the Warrenton Hospital and was buried in Sudley cemetery on Tuesday, December 4. Services conducted by the Rev. A. B. Sapp. Mr. Beaumont was one of the old residents of the Catharpin neighborhood and during his lifetime has probably worked on every farm in upper Prince William. One by one these old-time dependables are passing on, their places ever to remain vacant.

With the passing of the "Old time" farm helpers must also be noted the passing of the old-time system, which, for many years was in vogue not only in this section but thruout the whole South; a system of which it was said that "Man works from sun to sun and woman's work is never done." This, to the present-day generation, brought up under the NRA and all other alphabetical al-

VA. CENSOR BOARD
REJECTS SIX FILMS

Six moving pictures, one based on nudism, were rejected by the Virginia Board of Motion Picture Censors during the year ended June 30, the Board said in its annual report. With the exception of the nudist film all the rejected pictures either have been, or will be, resubmitted in revised form.

KEEP POSTED ON LOCAL NEWS

phabetics, will no doubt, sound like pure and unadulterated slattery, drudgery; but we wonder sometimes, which of the systems, the old or the new, was really the better? Like all things else, each system has its good points and its bad ones; so the only way to arrive at a conclusion would be a debit and credit account with each and a trial balance with both. In the "Old days" people worked for a living and received what they worked for. In the "New days" they want as much as possible for as little effort as possible. In the old days the "hand" came home at night, ate a good supper, lit his pipe, crawled up on the wood box, talked of the things done that day and of the things for tomorrow. In the new days the "employee" comes home at three, dusts himself off, greases the car, starts out at 8 p.m. with his girl, stops at some road house, reads the "packards" about beer, cigars, old scotch, etc., both partake, dance until the "wee sma hours," gets home at 3 a.m., sleeps some of the dope off, reports at 9 a.m. for duty all groggy, out of sorts and mad at the son-of-a-gun who invented work. In the old days men lived to a ripe old age, slept the sleep of the just, awoke refreshed ready for the day's duty. His best girl stayed at home, planning for the future. In the new days the girl can smoke as fast as the boy; can drink as many cocktails; sits up late at night and next day neither boy or girl is worth a "Baabee." In the old days when they married they generally stayed that way until "death does us part." In the new days marriage is not complete without a convenient divorce court. And so on and on and on. Yes, both the Old and the New, perhaps, had their advantages and their disadvantages. So we leave the matter with you to decide according to the evidence which of the two would lead to the better life.

The Occoquan and Dumfries boys tied in a hard game of basketball. The final score was 2-2.

We are having our Christmas program Friday, Dec. 21. Everyone is cordially invited.

HOME ECONOMICS NEWS

Merrie Christmas to all. "Every house where love abides and friendship is a guest is surely home, and home, sweet home; for there the heart can rest."—Van Dyke.

The Home Economics Club was organized during the first six weeks of school. The officers who were chosen from the second-year class are:

President, Betty Hatcher; secretary, Rebecca Monroe; treasurer, Naomi Smith; sergeant-at-arms, Elva Varner.

Our major project this year is, Learning to See Art in Everyday Life. This will be accomplished by the means of demonstrations and discussions.

Money making activities have enabled us to purchase a second-hand mirror, new books, pamphlets, patterns, china and kitchen equipment.

The Home Economics Club has been invited to attend a demonstration on Christmas decoration given by the Garden Club at the home of Mrs. Ted Dillake.

Before taking leave of our school home we are planning to make a small Christmas remembrance for our mothers.

CHRIST FOR ALL—ALL FOR CHRIST

The Wonderful Jesus!

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a precious heritage to them in after years.

GOD LOVES THE GOOD:

Truly God is good to Israel, even to such as are of a clean heart.—73: 1.

OUR SUNDAY SCHOOLS

At this particular time, when public thought is centered more than ever before upon the need of a purification of our national life and when national conferences are being held to consider ways and means of controlling the crime situation throughout the land, it is gratifying to note active work, throughout the various counties of Virginia, to increase interest and attendance in the Sunday School.

It is stated that the first Sunday School was organized in Accomac County, Virginia, by William Elliott, in 1785. From the very beginning of church activity, the instruction of the younger generation has been recognized as basic to the future growth of the congregation.

The activity of Sunday School workers will be felt in this country. Those sponsoring the work are sincere and devoted in their zeal and the welfare of our community will be greatly advanced by their stimulation of Sunday School attendance. It is to be hoped that parents, everywhere, will see that their children regularly attend the Sunday Schools of their respective churches, and that they, themselves, will recognize the Sunday School as a splendid meeting place for those who set the example for our youth.

STOP THOSE GULLIES

Gullying is the last and most destructive stage of erosion. As sheet erosion steadily increases its ravages upon the top soil slight draws are formed here and there in the field permitting the concentration of water in smaller areas. This concentration of water increases its cutting power and these draws grow deeper, wider and longer. If allowed to remain unchecked, they grow rapidly often extending through a farmstead, undermining farm buildings, roads, culverts, public highways and other structures.

The extent of this type of destruction may be clearly emphasized by a specific example. Some twenty years ago a farmer was paid \$6.00 to plow a shallow furrow a few hundred feet long to drain a low spot in a certain truck field in California. Today this \$6.00 furrow is 200 feet deep, some 60 feet wide, and several hundred

feet long. It has been estimated that the annual loss to Virginia farm lands, due to soil washing, is approximately \$66,000,000.

Since gullies are caused by water collecting in draws and flowing at a velocity sufficient to move and carry away soil particles, methods of control, to be effective, must be aimed at reducing its rate of flow. Obstructing its movement will reduce its velocity, cause it to drop its load of silt, reduce its cutting power and cause more of it to sink into the soil.

The velocity may be effectively reduced by use of a system of check dams, forcing the water to deposit its load, filling that portion of the gully above the dam.

The early stages of gullying may be checked by the proper use of terraces, strip-cropping, and crop rotation. Small well-formed gullies may be checked by proper use of check dams, but the larger and more destructive ones will require a combination of practices for effective control. In addition to proper use of check dams the banks need to be sloped and the entire gully planted to some suitable plants such as honeysuckle, dewberries, black locusts, and others to tie the remaining soil down and force the water to deposit its burden of silt.

CATHOLIC LADIES PLAN FOR CARD PARTY

The Catholic Woman's Club met at the home of Mrs. Patrick Lynch last night at which time the year's work was discussed and plans laid for the "annual card party" to be held at the home of Mrs. Robert Bisson on Wednesday, January 23, 1935.

Mrs. Pope, president of the club, appointed Mrs. Bisson chairman of committee, with assisting committee ladies.

These parties have always been a big success and the yearly event is one of the largest affairs given by the club.

Many new interesting points were discussed to make the party just as attractive this year as it has been formerly.

MANASSAS DIVIDES WITH HAYMARKET

The basketball season at Manassas High was officially opened on Thursday afternoon in games with Haymarket. The boys team of Manassas was very much superior to that of Haymarket and when the game ended our boys won by a score of 22-12. The girls' game was not quite so successful. This game was very close. When the final score came Haymarket won 15-14. Both teams of Manassas show promise of having a very successful season.

Funds raised thru the sale of Christmas Seals are used to promote better health by educating children and adults in the ways of healthy living and by helping to find early cases of tuberculosis.

CHRISTIAN SCIENCE

"God the only Cause and Creator" was the subject of the lesson-sermon in all churches and societies of Christ, Scientist, on Sunday, December 9.

The golden text was "The Lord is the true God, he is the living God, and an everlasting king: . . . He hath made the earth by his power, he hath established the world by his wisdom, and hath stretched out the heavens by his discretion" (Jeremiah 10: 10, 12).

Among the citations which comprised the lesson-sermon was the following from the Bible: "Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created" (Revelation 4:11).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "There is but one primal cause. Therefore there can be no effect from any other cause, and there can be no reality in aught which does not proceed from this great and only cause" (p. 207).

"FIGHTING TO LIVE" IS GRIPPING DRAMA OF DOG LIFE

Motion pictures with a dog as the star, have proved both entertaining and curiosity stimulating. But a picture with two dogs co-starring, enacting a drama that revolves around the affection of the canines for each other, their faithfulness to humanity, and their unerring instinct in situations that parallel human dramas, is something unique in screen entertainment.

Such a picture is "Fighting to Live," co-starring 'Captain' and 'Lady,' two exceedingly intelligent police dogs, which opens at the Dixie Theatre in Manassas next Friday, December 21.

The story of "Fighting to Live" is a melodramatic mystery-thriller involving the experiences of 'Captain' and 'Lady,' who, left on the desert, wander aimlessly searching for food. After a desperate battle for existence, in which 'Captain' conquers a coyote, they take to the hills, where 'Lady' pups are born. Being an outlaw, 'Captain,' in order to keep the family larder stocked, raids the chicken coops of farmers and ranchers.

GAIN IN VIRGINIA

JAILS 96 PER CENT

A 96 per cent increase in Virginia's prison population during the last year was shown in figures released Saturday by J. H. Bradford, State director of the budget.

The rate of increase for the prisons was more than twice the rate of increase for the insane asylums, and more than three times the rate for the institutions of higher learning.

The number of patients in the asylums has increased by 2,641, or 46 per cent, the number of college students, 1,992, or 28 per cent, and the number of inmates of penal and reform institutions, 2,468, or 96 per cent.

The figures show that in 1934 the persons in State institutions of higher learning, in prisons and in asylums and other wards of the State totaled 24,300 compared to 7,212 in 1934.

AMERICANS GO ON SPREE IN 'PARIS INTERLUDE'

Litling romance and uproarious comedy amid the gay American colony in Paris comes to the Dixie Theatre in Manassas next Monday in "Paris Interlude." The new picture, based on the New York stage hit, "All Good Americans," has an elaborate cast.

Dealing with Paris at the time of the arrival of Lindbergh, the plot follows the fortunes of a group of newspaper correspondents, a girl fashion writer and other expatriates in the festive French capital.

One of the spectacular details of the new picture is a great fashion show, with beautiful mannequins displaying the latest finery in a replica of a famous Parisian salon. Another is the huge masquerade ball given by the artists in the Latin Quarter. The famous American bar and other haunts of tourists also figure in the engaging blend of comedy and romance.

Madge Evans plays the heroine, as the American tourist who, jilted and stranded in Paris, wins her way to fame as a fashion writer. Otto Kruger plays the philandering news-gatherer, and Robert Young the faithful friend with whom the heroine eventually finds happiness. Una Merkel is the comedy foil to the heroine, as a fast-talking and cynical illustrator.

The landing of Lindbergh at Le Bourget Field is shown at the sensational opening of the picture, and following this the plot develops at a rapid rate. Deft direction turns every dramatic sequence off into an episode of comedy, in a new technique developed by the director.

When a bank accepts deposits

—it enters into human relationships that make it unique in business life.

It assumes toward its depositors an obligation to safeguard the funds placed in its keeping, with all humanly possible diligence. It assumes toward its community the obligation to employ those funds, through good business loans and advances for sound public financial requirements, to serve the vital needs and broadest welfare of the community. It assumes toward its stockholders the obligation to protect their capital and earn a fair return.

Sound, honest management offers the only way to meet these three obligations. There are no substitutes for them in banking laws or financial practices.

VIRGINIA REVENUE UP EIGHT MILLIONS

State Comptroller E. R. Combs said in his monthly report that State revenue receipts for the first four months of the current fiscal year increased \$7,801,150 over the same pe-

riod last year.

He credited the increase to better business conditions, large amounts of Federal aid money in circulation, and the passage of alcoholic beverage control board funds through the treasury.

SOUP COMMITTEE AT BENNETT REPORTS ON WORK

On November 1, through the efforts of the Health Committee of the Bennett League, a lunch room was established in the basement of the Bennett School through the aid and co-operation of the School Board of Prince William County and the Emergency Relief Administration. During this month, 90 children have been served a cup of nourishing soup.

The following is a report of the teachers, showing the gain in weight and general improvement in the children since that time.

No. Children	Amount Gained
3	5
1	4
7	3
18	2
18	1

Children are not so restless last hour of school.

Study is more pleasant.

Play and story are eliminated more often.

The committee wishes to thank the following organizations for their most generous help: Manassas Woman's Club, Eastern Star, Postal Clerk's Wives, Catholic Woman's Club and the Junior Woman's Club to say nothing of the Kiwanis Club and several individual members of the Bennett League.

When one considers that during November, 1800 cups of soup were made and served in this lunch room which resulted in such a marked improvement in these children, we feel that the effort and money has been well spent.

We also want to thank the patrons for their most generous donations of vegetables which they sent by school children, and we hope that in the months to come they will remember that 90 children will need that cup of nourishing hot soup in Bennett School, Manassas.

BETTY S. LEACHMAN,
Chairman.

At the opening of this Christmas season thousands of boys and girls who have caught the germs of tuberculosis need your help.

MUSICAL SERVICE

A service of interest to music lovers will be held in the Presbyterian Church on Sunday night at 8 o'clock. The musical program will consist entirely of Christmas music. The newly-formed violin quartette will play a "Christmas March."

The Manassas octette will sing "Cantique de Noel," a Christmas song by A. Adam; "There is Room in My Heart for Thee" by Mrs. R. R.

Forman; "The Holy Night" by Edward A. Mueller.

Miss Gladys Ball will sing "The Glorious Morn" by W. H. Neidinger. There will be a piano and organ duo by Miss Speiden and Mr. Garper.

Congregational singing will include favorite Christmas hymns, Hark, the Herald Angels Sing; Joy to the World, O Little Town of Bethlehem, and O Come, All Ye Faithful. Mr. DeChant will discuss the origin and authorship of the hymns and tunes.

The service promises to be a musical treat. Everyone is warmly urged to attend. A service of this kind is in no sense denominational or sectarian. It makes its appeal to all who love the Christmas season and its songs. The offering will be for charity.

Each year in the U. S. alone approximately 10,000 children die of tuberculosis despite the fact that it is curable and preventable.
