LIFE SAVING EXPERT HERE

D. Melville Carr Discusses
Methods of Preparation.

The first visible evidence of reaction of Lt. Governor Pimper's recent visit developed last Friday night when Walter C. Sadd, who is chairman of the boys and girls committee of the Kiwanis Club, had as his guest D. Melville Carr, field representative of the life-saving service and first-aid work of the American Red Cross. Present at the same time were Miss Pitts who is well known for her work among the boys and girls and Miss Sabina Neel, the county health nurse.

The most salient feature of Mr. Carr's address was his suggestion for a practical method of training one or more guards for life-saving work in the streams and swimming places nearby.

Mr. Carr recognized that very little money is available for instruction purposes and suggested that one or two young ladies or men be sent where they could be properly trained in an inexpensive way in a rather short time. They in turn could develop their own life-saving teams.

One would recall the visit made last fall by Comdr. Longfellow, who is in charge of the life-saving work of the Red Cross, and the entertaining talk which the latter gave when here in Manassas.

Ray Ratcliffe got out his quota of tickets for Wednesday's benefit with Fred Hynson to help. Fred also made a little talk on prompt attendance which was duly received by the parties affected. The matter of outside publicity was also discussed and the club expressed satisfaction at the work which is being done along these lines.

STATE PRESIDENT VISITS LOCAL GROUP

The Manassas Woman's Club held its regular meeting in the high school building on February 13. They were fortunate to have with them Mrs. L. J. Giles, president of the Virginia Federation of Woman's Clubs, who gave a resume of her recent visit to Washington while attending the board meeting of the General Federation.

Rev. Mr. DeChant of the Presbyterian Church gave a short but interesting talk on the fifth section of the club's collect "Let us take time for all things; make us grow calm, serene, gentle."

The social hour was very enjoyable, the hostesses being Mesdames F. R. Hynson, R. B. Hynson, Marshall Haydon, Richard Haydon, Tom Howard and John Hynson.

WILL OPERATE DISTILLERY

This paper is in receipt of a communication from A. Smith Bowman, well-known farmer and business man of Fairfax County, who some seven or eight years ago purchased the Hutchison estate at Wiehle, and more lately known as Sunset Hills, which is the postoffice address.

Mr. Bowman has spent large sums of money improving this property; on one occasion expending \$15,000 on the public road leading to the Leesburg pike. He has also extended and improved the former poultry operation of the Hutchison family.

About a year ago Mr. Bowman decided to erect a distillery which will have an initial capacity of one thousand gallons a day. Mr. Bowman is offering to purchase corn for farmers who want to raise extra crops to sell to him and they would do well to get in touch with him before their spring planting.

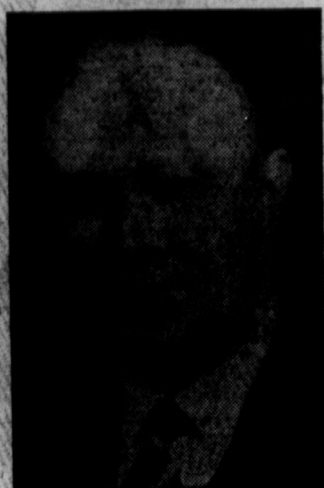

MRS. THOMPSON TO ENTERTAIN BETHEL WOMEN

The February meeting of the Bethel Home Demonstration group will be held at the home of Mrs. E. W. Thompson on Thursday, February 21, at 1:30 o'clock. The topic for study at this meeting is Reprehensible Furniture.

All women of the community are cordially invited to be present.

NOTICE

Beginning today State Deputy James Clark of the Motor Vehicle Division will be in Manassas every second and fourth Thursday of the month.

FRED R. HYNSON

FRED HYNSON IS SELECTED

Will Act as Chairman on Federal Housing Program.

Mr. Fred Hynson, well-known business man of Manassas, has been selected as county chairman of the Better Homes program of the Federal Housing Administration.

The selection was announced by Mr. Warner Hardwick, field assistant of Richmond, who was in Manassas today perfecting this organization.

Mr. Hynson will select workers from the various communities to co-operate in making available information on the Federal Government's plan to aid in the financing of home and farm improvements.

The County Agent and Home Demonstrator are co-operating in the program which has as its underlying principle the federal guarantee of banks of twenty per cent of any loan made under the Federal Housing Program. Loans for \$100 to \$2000 are available for periods up to five years, the credit relationship being entirely between the bank and the borrower.

A valuable feature of the Better Homes Program is the literature available from the government on ways and means of improving the home. Those interested should get in touch with Chairman Fred Hynson of Manassas.

FARM IMPROVEMENT AND HOUSING TO BE ENCOURAGED

In connection with the farm property improvement work of the Farm Section of the Federal Housing Administration, a meeting to which all farm people interested in making improvements are invited will be held at the assembly room of the Stratford Hotel at Fredericksburg, Wednesday, February 20, at 10:30 a.m. While the program will have the farm field especially in mind, the purpose is to explain the facilities of the Federal Housing Administration and this will be of interest to everyone.

A representative of the Federal Housing Administration and Maude E. Wallace, State home demonstration agent, will speak. Talking pictures having to do with farm conveniences are included on the program.

The purpose of the program, as far as Prince William County, is concerned, is to make use of present facilities and furnish information as to how to make inexpensive improvements, rather than to advocate obtaining loans and making expensive outlays for improvements.

WILL ADVERTISE FOR SCHOOL BIDS

The meeting of the County School Board for February proved to be merely one of routine.

After some discussion of the budget the same was approved and referred to the Board of Supervisors. Several committees were appointed to consider various improvements before the beginning of the next school year. A library was ordered for the Bethel School. Mrs. Piercy and Messrs. R. C. Haydon and D. J. Arrington were constituted a committee to advertise for bids for the new Haymarket High School just as soon as the plans are approved by the State department.

It is thought the construction will be well under way by the first of May.

SILVER TEA FOR SCOUTS

There will be a colonial silver tea by the girl scouts, Saturday evening, February 23, from 3 to 5 o'clock, at the home of Mrs. T. E. Didiak. Everyone is cordially invited.

A Call for Public Co-operation

In as much as a prominent public official in Richmond states thru the press that the employment in Virginia is about parallel that of 1929.

We feel it our duty to call attention to the conditions as they exist in Gainesville District. We have over fifty families in this district that do not know where their next meal is coming from. Meat houses are being robbed, chickens stolen, stores entered, money and goods taken; the number of these crimes over a short period have made a record, for this community.

We know that the relief work as it is doled out in this district cannot take care of the situation. Relief subjects have to walk from twelve to twenty miles to Manassas to register, to receive a card that at the most will only allow them two dollars a day for as much as twelve days per month. They have to walk from one to five miles to a job that weather and other conditions make very unreliable, especially in such weather as we have been experiencing for the last month. There are many who are unable to avail themselves to this work.

Our Relief Officials in Manassas have done everything in their power. Working overtime to take care of the "red tape" required, at the same time doing all they are allowed and can for the needy.

Therefore, we are calling a meeting to bring attention to the condition and see if some one cannot suggest something that may help us to solve this situation.

Said meeting will be in Haymarket, Mason's Hall, February 18, 8:00 p.m.

C. B. ROLAND.

MINUTES OF COUNTY BOARD MEETING

At a regular monthly meeting of the Board of Supervisors of Prince William County, held at the Court House thereof in Manassas, Va., on Thursday, February 7, 1935, there were present: Messrs. J. L. Dawson, Chairman; Lester W. Huff, C. C. Lynn, J. W. Merchant, C. B. Roland and J. Murray Taylor.

The minutes of the previous meeting read and approved. The following accounts were examined, allowed and warrants ordered drawn on the County Treasurer in payment of same.

JURISTS ATTEND COMMITTEE MEETING

Judge Walter T. McCarthy, Circuit Court, 16th Judicial Circuit; Judge Paul E. Brown, Fairfax County, and Judge W. Hill Brown, Jr., Prince William County, were called to Richmond, Va., on Saturday, February 9, to attend a meeting of the executive committee of the Trial Justice Association.

The annual meeting of the Trial Justice Association is to be held in July. A program committee was appointed by the executive committee to arrange for and have charge of the meeting. The program committee appointed consists of the following members: Judge W. Hill Brown, Jr., Prince William; Judge E. H. Moore, Washington County, and Judge Beeton, Norfolk County.

MANASSAS CHILDREN OF CONFEDERACY HOLDS MEETING

On February 4, the Manassas Chapter, Children of the Confederacy, held an enthusiastic meeting with one hundred percent attendance.

Lelia Montague Dowell was elected as custodian. It was decided that the regular meeting should be held the last Friday of every month at 3:45.

The chapter will compete for some of the many state and national prizes which are being offered.

A list of these prizes will appear in The Journal at a later date.

Our next meeting will be held February 22. A nice program is being planned by the historian, Marie Bauserman.

MACS TO MEET DC CHAMPIONS

Manassas basketball fans have a treat in store for them Monday night, February 18, when the locals stack up against the Heurich Flashes of Washington, last year's A. A. U. champs of the District of Columbia. The Heurich squad, averaging less than 145 pounds per man, will be the smallest but speediest team to play on the local court this season, and their passing attack is the probable source of their name, "Flashes." The locals had a chance to look these boys over at Hyattsville last Sunday and all are predicting a hard-fought game. The locals go into the game after wins this week over Oakton A. C. and the Columbia Firemen of Alexandria.

On Saturday of this week the Macs meet the Oakton team in a return game here, the second league game to be played at home. Both teams will play, the first game being called at 8 p.m.

KIWANIS COMMITTEE PRESENTS LECTURES

Through the courtesy of Dr. Eli Swavely of the Swavely School, acting on behalf of the undersigned child committee of the Kiwanis Club, Dr. William Ellsworth, publisher for Mark Twain and an intimate acquaintance of the author, gave a very interesting illustrated talk on Mark Twain's (Samuel Clemens) life, at the high school yesterday evening.

The pictures were all scenes from Mark Twain's books and were faithfully reproduced in colors in a very pleasing way. Mr. Ellsworth gave sidelights on the author's history which probably no other one could.

On account of the rainy night and the bad roads, there was a comparatively poor attendance.

LEADERSHIP TRAINING SCHOOL

Under the auspices of the County Sunday School Association, arrangements have been made for holding an accredited leadership training school with accredited teachers and textbooks, meeting all the requirements of the International Council of Religious Education.

The school will be held for three weeks on Mondays and Thursday, March 18 to April 4, at 7:30 p.m., in the high school building, Manassas.

The courses that will be taught are:

1. The study of the pupil, teacher, Mrs. Harry M. Love.
2. The Message and Program of the Christian Religion, teacher, the Rev. John M. DeChant.
3. The Life of Christ, teacher, the Rev. Wm. M. Compton.

The dean of the school is the Rev. John M. DeChant and the registrar Miss Frances Bushong, both of Manassas, Va.

It is hoped that those interested in the work of the Sunday schools of Manassas and Prince William County will take advantage of this splendid opportunity for preparing and bettering themselves in the work of the church. A large and an early enrollment is desired.

ARRANGING FOR FRATERNAL VISIT

Deputy George Baker is actively arranging for a motorcade to take interested members of the Junior Order to the Tri-State meeting to be held at Millwood on Friday evening, March 8. Those who can drive cars will notify either Mr. Baker or Mr. J. M. Bell, or the recording secretary of your own council who will communicate this information to Mr. Baker not later than March 1. Also those who would like to go if transportation can be furnished for them will please let this be known.

LOCAL COUNCIL WINS AGAIN

Daughters of America Win District Banner.

The twenty-eighth session of District No. 1, Daughters of America, met with Kenmore Council on January 31 with a large attendance from the various councils of northern Virginia. District deputy state councilor, Mrs. Ethel B. Poland, presided.

State councilor, Mrs. Mabel H. Geffer, of Richmond, Va., was extended a welcome. Mrs. Geffer expressed herself pleased as to the enthusiasm shown in the Victory Campaign drive contest being conducted by District No. 1. All committees gave reports and there were talks on immigration and education.

Deputy national councilor, Mrs. Viola E. Dale, of Betsy Ross Council No. 21, and national trustee, Mrs. Sophie C. Mann, gave talks concerning the order. Mrs. Lulu Danton, state inside sentinel; Mrs. Beale Blincoe, state council warden; Mrs. Margaret Day, state associate vice-councilor, and Mrs. Maud G. Crump, past state councilor, were present.

Prince William Council No. 45, of Manassas, received the banner for the largest per cent gain in membership, and the attendance banner was tied by Mary Washington Council No. 4 and Cherrydale Council No. 11, each council to be in possession of the banner for one and a half months each.

Each council was urged to boost the membership drive with all zeal and enthusiasm possible in order that the state council may "go over the top" in point of membership at the next state council session to be held at Fredericksburg in May.

District Council No. 1 closed in usual form, after which a social hour was held and refreshments served by Kenmore Council No. 28, acting as hostess for the evening. The next district meeting will be held in Alexandria in April, announcement of which will be made later.

JOIN DISTRICT GROUP

Messrs. C. C. Lynn, J. Murray Taylor, Lester W. Huff and J. Lindsay Dawson of the Board of Supervisors and Harry P. Davis, mayor of the Town of Manassas, attended a meeting this morning at Culpeper to hear plans for the organization of the county supervisors in the State of Virginia.

The meeting at Culpeper was held for supervisors in the Eighth Congressional district. The local group joined and more will be heard from this organization in the near future. Mr. Davis, former president of the League of Virginia Municipalities, was called on to give an address of his conception of the good that could be obtained by an association of county supervisors similar to the League of Virginia Municipalities.

FERA OFFICES ARE OPEN

The FERA offices of which Mrs. Ruth Thompson is in charge, will open in the old Hixson house next to Mr. Arrington on North Main street tomorrow. Mrs. Ruth Thompson will be in charge of the relief work in this area.

COUNTIES MUST CARE FOR UNEMPLOYABLE PERSONS

County boards of supervisors are advised in a letter sent out by Arthur W. James, State director of public welfare, to revive their county welfare units and prepare to resume the direct relief burden that the Federal Government has been helping them carry.

The letter points out that the Emergency Relief Administration plans to confine its work hereafter to rural rehabilitation and work relief projects and that unemployable persons will become a charge upon the localities in which they reside.

BAZAAR AT LINTON HALL

On Monday afternoon, February 25, the faculty and students of Linton Hall Military School will hold a bazaar in the school auditorium from three to ten. Many attractive pieces of hand-made work will be on sale. Combining with this will be "bigo," and a great variety of refreshments will be sold at gaily decorated stand in charge of the cadets.

The many friends of the school from Manassas, Bristow and vicinity are cordially invited to attend.

COUGHS

COUNTY AGENTS' COLUMN

Virginia State Certified Hatcheries. Virginia State Certified Hatcheries are required to obtain their eggs from flocks which have been culled for general health, vigor, type and production by a qualified licensed inspector from the State Division of Markets. In addition to culling, each hen in the breeding flock has been tested for Bacillary White Diarrhea and banded with a sealed and numbered leg band. All reacting birds are removed from the flocks before certified hatcheries are permitted to buy the eggs. The Virginia State Certified Hatcheries are regularly inspected for sanitation, type and weight of eggs received and quality of chicks hatched. Certified hatcheries are dropped from the certified list and their certificates recalled when it is found they are not complying with the rigid requirements and regulations governing certified hatcheries, or when discontinuing the service.

For the "Land's Sake" Sow Korean Lespedeza

Korean lespedeza has certain characteristics which give it particular value as a forage and soil improver in crop. The most important of these is its ability to grow on acid soils, thin soils and other soils where the usual legumes cannot be grown. There is probably no soil in the county so poor and worn that Korean lespedeza will not grow and maintain itself on it. Of course on very thin land the growth is short, but even so it furnishes as much pasturage as any other crop that could be grown, or more, and at the same time improves the soil. It is the best of all leguminous crops for the improvement of poor land in need of lime.

Korean lespedeza makes hay of excellent quality and if growing conditions are favorable will get high enough to cut for this purpose. It can be seeded on small grain in the spring and in good seasons give a good crop of hay after the grain is harvested. It may be seeded on small grain or alone from February 15 to April 1. For a full crop, twenty to twenty-five pounds of seed are sown and for mixtures, from five to ten pounds. An important thing to remember is it must not be seeded too deep. If the seed are covered more than a quarter of an inch, they usually decay. One-eighth of an inch is about right. Ask for dodder-free seed.

4-H CLUB NOTES

There will be a Valentine and bingo party at the O. F. A. Hall, Independent Hill, on Saturday night, February 16, at 8 p.m. It is for the benefit of the Senior Hayfield 4-H Club. In addition we will have refreshments and games.

Come! Bring your friends and enjoy a good time. Everyone is welcome.

CATHARPIN

Farmers and cattlemen have become quite exercised over the recent advance in prices of both cattle and hogs and many head of each are now being rushed to market. This is really the first reaction the feeder has had the pleasure of experiencing and he hardly knows just what to do with it. However, his aptitude in such matters will enable him to withstand the shock of a little money in his pocket and make him feel that the world is not always "black and dreary" but that the "sunshine" may be his portion ere he is aware. The New Deal is beginning to show up.

The Catharpin neighborhood is much pleased with the early delivery of her morning papers. Formerly the mail made deliveries about noon but the carrier now arrives any time from 5 to 9 a.m. according to the weather and the "temperature" of the carrier. The different routes originate at Warrenton where all papers are delivered by truck from the Capital city very early. In a recent communication from The Washington Post dated during the big snow, they stated that 26,000 Posts were being delivered daily to the nearby and remote sections around Washington.

During the past weeks Catharpin has been so busy trying a man by the name of Hauptman over there in New Jersey that she has had hardly time to wash her dishes. The jury is composed of both men and women, in about equal numbers, and the verdict is just about ready to seal and deliver. Whether or not it will coincide with the New Jersey jury will have to remain a secret until announcements are made. Probably the country is waiting as impatiently for the verdict of the Flemington Court as it is for the verdict from the United States Supreme Court on the gold question. Strange that both these trials hinge on "Gold." Hauptman's "notes" payable in gold and "Gold bonds" payable in gold. At any rate there has been no dearth of something for the papers to publish and the people to read during the early part of the new year 1935. We sometimes wonder what the papers and people will do after it is all over. Well Congress is still in session and Huey Long seems to have plenty to do just now so there will be something to occupy attention.

We note with much interest the endorsement of the U. D. C. regarding the Manassas Battlefield project and feel sure that the gentlemen named favoring the proposition can do much to bring about this long-neglected improvement. Perhaps some of the 4 billions now before Congress could be allocated for this purpose. There is another agency in Manassas that might be a great power in developing sentiment along this line.

Mrs. Lester Anderson of near Catharpin is visiting friends in the Capital City this week.

Mrs. Estelle Franklin, of Clifton, Va., is spending the week with her mother, Mrs. I. I. Anderson.

Mrs. C. F. Brower of Lone Oak, who has been visiting her daughter, Marjorie, in Clarendon and her son, Chas. F. Brower, Jr., of Purcellville, Va., for the past several weeks, returned home on Friday of last week feeling very much improved. Mrs. Brower seems to be entirely recovered from her recent illness from pneumonia.

A petition was recently circulated and numerously signed requesting improvement on route 621. Locally, this route extends from Woolsey via Catharpin and Pageland lane to the Lee highway at Swart's corner; beyond Woolsey and the Lee highway this route is already in good shape. That this section needs improving there is no doubt. Weather conditions during the past month have deprived many families of their mail for days at a time, and sickness, some of which required hospitalization, caused numerous hardships in securing medical attention.

WOODBINE 4-H CLUB

The Woodbine 4-H Club met February 5. The roll was called and the minutes read and approved.

We chose as our community projects the study of trees, plantings of shrubs around buildings on the school grounds, and canning of soup mixture for school lunches.

The 4-H Club decided to give programs and sell refreshments to get enough money to go to Mt. Vernon and interesting places in Washington.

NEW LAUREL AND HARDY
FEATURE-LENGTH PICTURE
HAS SPECTACULAR SCENES

The production of the screen version of Victor Herbert's immortal operetta, "Babes in Toyland," which comes to the Dixie Theatre in Manassas next Monday, with Laurel and Hardy in the stellar roles, taxed all of the physical resources of the Hal Roach studios and in addition swamped several motion picture supply concerns with a deluge of orders for extra electrical equipment, stage properties and other accessories essential to the filming of such a mammoth spectacle.

Despite the fact that the Culver City plant of the Roach studios is conceded to be one of the best equipped in all filmland, it was found necessary to rent and purchase hundreds of extra sun arcs and other electrical lamps and to lease additional generator trucks in order to supply the vast amount of illumination required to light up the mammoth sets used in this feature picture.

A number of giant trees and scores of fern plants were supplied by outside nurseries to augment the flora raised on the studio grounds, all of which is used in the bogeyland scenes.

Every independent costumer in Los Angeles was called upon to help supply the necessary wardrobe for the production after this department at the studio became swamped. For the bogeymen alone, two hundred furry and grotesque costumes were required while the dressing of the colorful Toyland villagers necessitated the making of one hundred period costumes. Each of the principals of the cast had to be fitted with custom-made outfits which were fashioned in triplicate to avoid production delays in the event their wardrobe was soiled or otherwise rendered useless.

Unusual stage properties used throughout the production gave many outside cabinet makers and iron and steel workers employment, supplementing the activity of the studio workshops.

Wig makers, too, enjoyed unusual prosperity as a result of the picturization of the elaborate fantasy. Three hundred wigs ranging in quality from the beautiful blonde tresses used by

Bo-Peep to the tawny mane-like hair of Barnaby, the villain, were supplied by outside specialists and were cared for during production by a staff of twelve hairdressers.

No other motion picture of recent years required the services of so many independent workers as did "Babes in Toyland." The picture was twelve weeks in the making and for each of the more than three hundred players appearing in it, there were at least two men working "behind the scenes," so to speak.

BRENTSVILLE

We are sorry to hear Mr. William Diehl is on the sick list again.

Mr. Walter Flory had the misfortune of losing over three hundred baby chicks on Monday morning. The brooder house caught fire and only by the quick work of Mr. Flory saved the building.

We are glad to report Mr. Cash Keys is home again and doing nicely. A number of his friends gave him a surprise party on his return home. Everyone had a nice time.

Mr. and Mrs. Troy Counts spent Sunday evening with Mr. and Mrs. Cash Keys.

Edna Diehl, little daughter of Saylon Diehl, had quite an accident while sleigh-riding on Friday morning. The sleigh ran into a tree, cutting a gash in her head. She was taken to a Washington hospital for treatment.

Mr. and Mrs. Paul Armstrong of Maryland and Mrs. Edith Fitzwater of Washington, D. C., were Sunday visitors at the home of their parents, Mr. and Mrs. N. E. Garber.

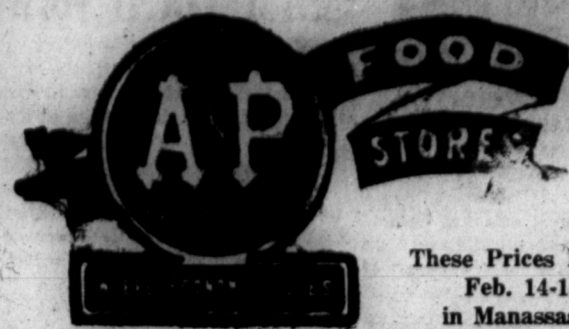

We are glad to report the Best family are out again.

We are also glad to know Mrs. K. M. Bradshaw is able to be downstairs again after a relapse. We hope she will soon be out again.

Mr. Clyde Woolf is right sick at this writing. His wife is somewhat better.

We hear Mrs. Tracy Whetzel has been also sick.

The roads are getting to be something terrible. If something is not done soon we won't be able to get over them at all. Most everyone who tries to get over them gets hung up.

V-8 POWER

With the introduction of the V-8 engine, Ford brought a new standard of performance to the low-priced field.

COMFORT ZONE

Comfort Zone Riding

Gives the ease, smoothness and comfort of a "front seat ride" even to back seat passengers—an important engineering advance.

ECONOMY ZONE

FORD ECONOMY

The 1935 Ford V-8 gives you the most economical car to operate Ford has ever built.

Why take less?

FORD has always aimed to make the automobile-buying dollar go as far as possible.

This year, the 1935 Ford V-8 gives you traditional Ford low prices, traditional Ford operating economy—and, in addition, riding comfort, body roominess, new beauty and new safety features that will satisfy the requirements of almost everyone.

Consider some of the major improvements in the Ford V-8 for 1935. Take Comfort: From this standpoint alone, what a completely rounded car this is! Comfort Zone Riding that gives "front seat comfort" even to rear seat passengers. Deep cushioned, high-backed, wider seats. Big, air-balloon tires. Easier steering and a newly-designed clutch that responds to the touch of your foot.

\$495

AND UP, F. O. B. DETROIT. Standard accessory group including bumpers and spare tire extra. Easy terms through Universal Credit Co., the Authorized Ford Finance Plan.

Consider safety: There's safety glass all around—on all models—at no additional cost. A new, welded all-steel body. New, more powerful brakes, with an unusually high ratio of braking surface to car weight. And a lower center of gravity that gives increased safety and stability on curves!

Why be satisfied to receive less than this for your money? Examine this new 1935 Ford V-8. Ride in it. You'll realize that it is truly a new automobile value.

BIBLE THOUGHT AND PRAYER

A LOVE FEAST: Better is a dinner of herbs where love is, than a stalled ox and hatred therewith.—Proverbs 15:17.

LYON G. TYLER

On February 12, Dr. Lyon G. Tyler, son of the tenth President of the United States and one of the most distinguished and beloved citizens of Virginia, passed away at his home in Providence Forge at the age of eighty-two.

Although but a boy of eight years when his father was President, Dr. Tyler's recollections of the political events of President Tyler's Administration and his true appreciation of southern ideals, made it possible to make priceless contributions to the historical literature of Virginia and the Nation.

The great learning of Dr. Tyler is recognized in his position as President Emeritus of William and Mary College. The character of the man, his distinguished personality and his devotion to Southern principles, endeared him to all Virginians.

That Dr. Tyler should have been called away on the birthday anniversary of Abraham Lincoln is an unusual coincidence for he had never forgotten the discourtesy shown his distinguished father in Washington and in all his writings he portrayed Virginia and the South in its finest aspect.

Feeling, without bitter recriminations, that no President should be less regarded in the South than Abraham Lincoln, he taught the present generation to revere the valiant men who lost the war but gained establishment of the honored precepts for which they fought.

The passing of Doctor Tyler is the occasion of universal mourning throughout the state. He is gone and we will not see his like again.

AN APPRECIATION

The Catholic Woman's Club met at the home of Mrs. L. E. Pope last night with many members present.

The final business of the card party which was held January 23 in the home of Mrs. Robert Bisson, was thoroughly discussed. Although, because of very unfortunate weather conditions, the club did not have the success that is usually anticipated, it is the wish of the ladies of the club to thank everyone who helped to lay plans for a most enjoyable evening.

GOOD ADVICE

If money is an important factor in life, why not heed the advice of your banker?

He unhesitatingly urges that you deposit regularly in this friendly bank. It is not how much but how consistently you make deposits that counts.

Why not be prepared to meet the emergencies and opportunities of the future by building up a substantial balance here where your deposits are protected by Federal guarantee.

Turner Ashby Yates, who has been a resident of Prince William County since 1915, died suddenly Wednesday morning, February 13, at the home of his daughter, Mrs. Dorothy Y. Cornwell.

The funeral will take place Saturday at Limeton, in Warren County, with interment at the same point.

The deceased was born at Compton in Page County on April 12, 1863. He married Miss Mollie Rudacille of Limeton Oct. 14, 1890. He is survived by five children, three brothers and nine grandchildren. One son, William Yates, died at Hagerstown in October, 1918.

His children, besides Mrs. Cornwell, are Mr. Charles Yates of Alexandria, Mrs. Emma Stokes and Mrs. Grace Smith of Washington, and Mrs. Nan Virginia Secker of Los Angeles, Cal. His brothers are Mr. Edward Yates, Mr. V. Marian Yates of Compton, Va. and Mr. Robert Yates of Roanoke.

TELEPHONE ALMANAC

Transcontinental telephone service was inaugurated twenty years ago—January 25, 1915—when calls were made between New York, Boston and San Francisco. These calls were made over a single transcontinental telephone line.

Today there are five of these transcontinental telephone lines connecting East and West, according to the telephone almanac for 1935 now being distributed by the management of the Chesapeake and Potomac Telephone Companies.

This almanac carries an interesting resume of communications linking the cities on the Atlantic and Pacific seaboard. In the summer of 1875 while General Washington was besieging Boston and building an army to win America's independence the first Spanish ship sailed through the Golden Gate and within the year San Francisco had been founded. In 1787 the Columbia and the Lady Washington were the first vessels to carry the American flag to the Pacific Northwest. The reports brought back by Capt. Robert Gray of the Lady Washington were partially responsible for the expedition of Lewis and Clark which reached the Coast November 5, 1805.

In 1840 historic wagon trains reached the Columbia River from the East, according to the almanac, this being the first land communication system between the two Washingtons. By 1857, following the California gold rush came the overland mail stage routes which were operated between San Antonio and San Diego and St. Louis and San Francisco. This was followed by the romantic pony express operated between St. Joseph, Mo., and Sacramento, Calif. The riders of this express system reduced by ten days the time required to send a message across the continent. Transcontinental telegraph communication became possible in 1861 when a line was completed between Omaha and San Francisco.

Transcontinental railroads were established with the completion of the first rail connection at Promontory Point, Utah, May 10, 1869.

These are a few of the many historic facts contained in the telephone almanac. Also, arranged in chronological order by months are many other historic facts of interest to people in every walk of life.

JAMES ALFRED ROBINSON

James Alfred Robinson passed away Feb. 5 at his home on Lee Highway, Prince William County, Va., where he was born Aug. 11, 1879. He was the only son of the late Bladen and Bettie Robinson.

After completing his elementary education at Manly School, he graduated from Wayland Seminary in Washington, D. C. In 1906 he married Edna M. Ratcliffe and his widow, two daughters and six sons survive. One son preceded him six years.

He united with the First Baptist Church of Manassas thirty-nine years ago and has been a faithful member, quietly doing his Christian work not for praise but for the love of his Maker.

He was much interested in the advanced of the colored schools and of his race.

A kind and devoted son, husband and father, a neighbor obliging and dependable, a man in every way a credit to his race, a skilled and efficient helper, he gave freely of his time and labor in the interest of his friends.

Thursday evening after an impressive church service he was laid to rest in the cemetery he labored to develop.

GRANDMOTHER'S VALENTINE

In an attic of fond memories,
In a treasure chest of mine,
Is a jewel ever precious—
A tattered Valentine.

I lift it from its resting place—
With gentle, trembling hand,
And smooth its crumpled border
Of lace, as best I can.

The cupids, fat and rosey,
Look up and smile at me
As they point their fatal arrows
At the two linked hearts I see.

A white dove flying earthward
From a faded sky of blue,
Carries in its beak a message
Of tender love, from you.

As I read the old lines over
My thoughts race back through time
To the happy day you sent me
That pretty Valentine.

When I was just a tiny girl—
Nine or ten, or more,
You brought the little present
And pushed it 'neath my door.

Then you rang the bell and ran
And hid behind a tree
And watched me as I picked it up
With puzzled, childish glee.

That happened many years ago;
We married since that day,
And lived in perfect harmony—
Until you went away.

And as I sit here all alone,
Midst memories of mine,
I lift my eyes to heaven above,
To you, My Valentine.

LOCAL GIRLS GUESTS OF FREDERICKSBURG CLUB

Miss Nina Wade-Dalton, the daughter of Mr. and Mrs. C. Wade-Dalton of Manassas, Va., was a guest at the second annual banquet of the Fredericksburg State Teachers College, which was held in the dining room of the Princess Anne Hotel, from 6:45 to 10 Monday evening, February 11.

The program was opened with an address of welcome by Miss Grace Herr, president of the club. Miss Dalton followed by proposing a toast to the sponsors of the club, Dr. J. H. Dodd, Professor George A. Kirby, Miss Lola Minich, and Miss Alice Wakefield, for their friendliness, patience, and goodwill to the individual members of the club. Miss Lois Milstead gave a reading.

Miss Mae Thomasson, vice-president of the club last year and now commercial teacher in the high school at Occoquan, Va., spoke to the club on "Friendship." Miss Thomasson was introduced by Miss Preston Brown, the present vice-president of the club.

The dining room was tastefully decorated in ferns and cut flowers. The programs and place cards were designed to carry out the color scheme of red, black and white in commemoration of the approaching Valentine season. Music was furnished by Miss Rebecca Stubbs.

This organization has for its chief objective the socializing of students of the Commercial Department. During each quarter of the college year trips are made to Richmond and Washington for the purpose of visiting the leading banks and other important places of commercial interest, in order that the students may have an opportunity of gaining first hand information from such centers of commercial activity. The club meets monthly in the college auditorium.

MOTORING TAXES

Few motorists have any real conception of the taxes they pay in the course of a year, according to the Standard Oil Company of New Jersey, who revealed that taxes averaging \$1.11 now are levied upon each barrel of crude oil costing 80.6 cents to produce. This is in addition to motor vehicle registration taxes, sales taxes, taxes on tires and tubes and a variety of municipal, county and state taxes.

"If all types of federal, state and local motor vehicle taxes currently imposed were paid on one passenger car the annual tax bill for this single automobile would total \$121.00," Mr. Browne pointed out. "This fact is all the more impressive when one considers that the estimated average value of the average motor vehicle is \$200.00."

"The heaviest tax levies are state and federal gasoline taxes. In addition, however, every time a motorist buys gasoline or oil he is also contributing to the payment of real and personal property taxes, income taxes, severance taxes, lubricating oil taxes, pipe line transportation taxes, capital stock taxes, corporation franchise, stock and mercantile licensing and inspection taxes and many other assessments."

"Despite the multitude of taxes assessed against petroleum products the motorist today enjoys lower prices for gasoline than he did ten years ago and American motorists pay considerably less per gallon for their motor fuels than do motorists of other nations. This is due in large part to the superior efficiency of American petroleum companies and to their policy of passing on to the consumer savings resulting from advanced methods of producing, refining and marketing their products."

Mrs. I. I. Anderson and Mr. H. L. Anderson of Catharpin were Manassas visitors on Monday.

A Valentine birthday party was given in honor of little Billy Gue, son of Mr. and Mrs. Ferris Gue, yesterday afternoon.

4-H CLUB NOTES

The Aden 4-H Club decided at its last meeting to can vegetables for hot lunches in the school for the community project. Miss Pitts showed the members of the foods project how to make several nice egg dishes. Mr. Cox talked to the boys about farm projects. After an interesting program we installed the new officers.

Allen H. Green, Reporter.
Haymarket 4-H Club will meet Monday, February 18, at 12:15, at the school building. The topic for demonstration is "Main Dishes for Breakfast."

Greenwich 4-H Club will meet Monday, February 18, at 2 o'clock. The work planned for this meeting is the preparation and serving of a breakfast.

Dumfries 4-H Club will meet in the club room on Tuesday, February 19, at 10 o'clock.

Woodbine 4-H Club will meet Tuesday, February 19, at 12:45 o'clock.

Nokesville 4-H Club will meet Tuesday, February 19, at 7:30 o'clock at the school building. Conway Owens, Jr., and Christine Fearnough will have charge of the program. Nokesville girls will meet for their foods work on Saturday afternoon, Feb. 23, at 2 o'clock at the home of Mrs. N. N. Free.

Bethel 4-H Club will meet Thursday, February 21, at 10:30 o'clock, at the home of Mrs. Eva Kidwell Garner.

4-H CLUB LEADERS TO MEET FOODS SPECIALIST

Leaders of the foods project in the 4-H Clubs of the county will meet with Miss Janet L. Cameron, food and nutrition specialist for V. P. I. extension division, on Friday, February 22, to work out plans for the next unit in that project. The meeting will be held in the home economics kitchen, Manassas High School, beginning at 10 o'clock.

Highest Yield?

MOST cotton and corn growers in the South will envy the records made last season by Mr. A. F. Johns of Toccoa, Georgia, pictured above. On an acre of cotton 1-16 of the Association's results last season prove the value of intensive culture. "There are two things I'm sure of," Col. Jordan remarked, "And they are that we Southerners have to adopt intensive culture in the field and have to support our home industries. When I look at a result like this, made with our own Southern nitrate of soda, I think we have a combination the world can't beat."

LEGAL NOTICES

VIRGINIA:

In the Clerk's Office of the Circuit Court of the County of Prince William January 22, 1935.

HELEN D. SPENCER, Complainant,

vs.

ROY SPENCER, Defendant.

The objects of this suit are to obtain for the Complainant a divorce a vinculo matrimonii from the Defendant the ground of desertion; for the right for the complainant to resume her former name, and for general relief.

An affidavit having been filed by the complainant, Helen D. Spencer, that the defendant, Roy Spencer, is not a resident of the State of Virginia and that his last known post office address or place of abode was, to the best of her knowledge and belief, 1489 T Street N. W., Washington, D. C., and also care of Mr. Henry Spencer, Takoma Park, Maryland.

And an application having been duly made for this order of publication it is ordered that the said defendant do appear here within ten days after due publication of this order, and do what is necessary to protect his interests in this suit.

And it is further ordered that a copy of this order be published once a week, for four successive weeks, in The Manassas Journal, a newspaper published and circulated in Prince William County; a copy sent by the Clerk of this Court to the said defendant addressed to 1439 T Street N. W., Washington, D. C.; another copy addressed to the said defendant care of Mr. Henry Spencer, Takoma Park, Maryland, and a copy posted at the front door of the Court House of the said County on or before the First Rule day after this order is entered.

GEO. G. TYLER, Clerk.

PUBLIC SALE OF VALUABLE REAL ESTATE

Under and by virtue of a deed of trust, dated September 18, 1928, duly recorded in the clerk's office of Prince William County in deed book 85, page 450, and executed by Henry B. Godfrey and wife, the undersigned trustee therein named, having been so directed by the beneficiary therein mentioned for default by the said grantors in the payment of the indebtedness therein secured, will proceed to sell at public auction to the highest bidder, for cash, on SATURDAY, FEBRUARY 16, 1935, at eleven o'clock a.m. in front of the Court House in the Town of Manassas, aforesaid County, all that certain tract or parcel of land, lying and being situate on the Gainesville-Catharpin road in Gainesville District, aforesaid County, and adjoining the said road and the lands of Winter

Owens, Holmes Robertson, Gaines, etc., containing, more or less, 230 acres.

This property has upon it a nice dwelling, an up-to-date dairy barn, outbuildings, etc. Electric lights in the buildings. Any one interested should inspect this property before day of sale. This property will be sold subject to a first lien in favor of the Federal Land Bank of Baltimore (Deed Book 85, pp. 446-7-8), the amount of which will be announced at the time of the sale.

H. THORNTON DAVIES, Trustee.

37-4

TRUSTEE'S SALE OF VALUABLE PROPERTY

Under and by virtue of a certain deed of trust, executed as of June 17, 1931, and found recorded in Deed Book 89 at folio 325 of the County Clerk's Office for Prince William County, Virginia, the undersigned surviving trustee therein named, will offer for sale, at public auction, at about noon on

SATURDAY, MARCH 2, 1935, in the town of Occoquan, in front of the Bank of Occoquan, county and State aforesaid, all that certain parcel of land lying and being situate on the old highway leading from Dumfries to Quantico, containing about five acres, with the improvements thereon and being particularly described by bounds in a certain deed from Myrtle O. Able, and husband and being a part of the Park Gate Farm.

This sale will be made by reason of default having been made in said trust and at the request of the beneficiary thereunder.

Terms of Sale: Cash, sufficient to pay the balance due under said trust of \$682.13, with interest thereon from January 4, 1935, the cost of sale including cost of conveying the said property to the purchaser, and as to the residue upon a credit of one year, with interest from date of sale, unless the one executing said trust, or his assigns, shall otherwise direct and be announced at the time and place of sale.

B. W. BRUNT, Surviving Trustee.

JOHNSON-WILSON

On Saturday, January 12, Miss Emma Lee Wilson, Manassas, and Mr. David Carlyle Johnson, Lynchburg, were united in marriage.

The wedding took place at the home of the bride's sister in Manassas, the Rev. C. B. Jones officiating.

CARD OF THANKS

I desire to express my sincere appreciation to my many friends and neighbors for their kindness and sympathy during the illness and death of my husband.

MRS. ROSA VANCE.

40*

ADEN

The whole community was grieved when the death of Elmer Vance was announced. He had not been in good health for some years but death came directly as result of pneumonia followed by a complication. He leaves a widow and a number of brothers and sisters. Mr. Vance came to this county about fifteen years ago. He has been a successful farmer. He was also closely affiliated with the local lodge. His funeral was conducted at Calvary U. B. Church by Rev. W. P. Goode assisted by Rev. David Nolley and Rev. O. Keener. His body was taken to Harrisonburg for burial on Thursday.

Aden is coming from under the snow and we'll say the woodchoppers are busy.

We are glad to report both Mr. and Mrs. C. M. Hively are able to be out after a few weeks of sickness.

So many have been sick in this section we can truly say a majority of the people have been "going about doing good" helping those in need.

EXPECTANT MOTHERS

Mrs. Melba Blanks of 440 Cabell St., Danville, Va., said: "I went all to pieces before the birth of my little girl. I became weak, had headaches, and my whole body was badly run-down. Dr. Pierce's Favorite Prescription made me feel like a different person. I regained my lost strength and had no more weakness." New size, tablets 50 cts., liquid \$1.00. Large size, tabs. or liquid, \$1.35. All druggists. Write Dr. Pierce's Clinic, Buffalo, N. Y., for free medical advice.

LIVELY AND HUMAN

Described as a fast-moving, witty and honest story of college life—"a college picture without a football game"—Fox Film's "Bachelor of Arts" will begin an engagement at the Dixie Theatre in Manassas next Wednesday.

America's foremost satirical humorist, John Erskine, author of "The Private Life of Helen of Troy" and other notable books, wrote the novel from which this Fox production was filmed. Erskine knows college life intimately (he is himself a professor at Columbia University) and he has confessed that he was irked by the far-fetched and fantastic college stories and films recently current.

It is anticipated then that "Bachelor of Arts" will prove the truest and most authentic picture of a university world yet produced—an honest and "debunked" picture, in which all college life isn't rah-rah-rah!

Tom Brown and Anita Louise have the two chief roles in this gay new production and important parts are also assigned to Henry B. Walthall, Mae Marsh, Arline Judge and Stepin Fetchit.

Lamar Trotti adapted the story from the best-selling John Erskine novel and Louis King directed the film. John Stone was the producer.

DUMFRIES

Mrs. Evelyn Williams of Joplin is very ill at this writing. We hope her a speedy recovery.

While Mr. J. R. Ritts was calling at a neighbor's home Saturday night someone stole his car. He later found it ditched on the Cherry Hill road.

We were very sorry to learn of the death of Mr. Sig Keys of Quantico. We wish to extend our deepest sympathy to his family and many close friends.

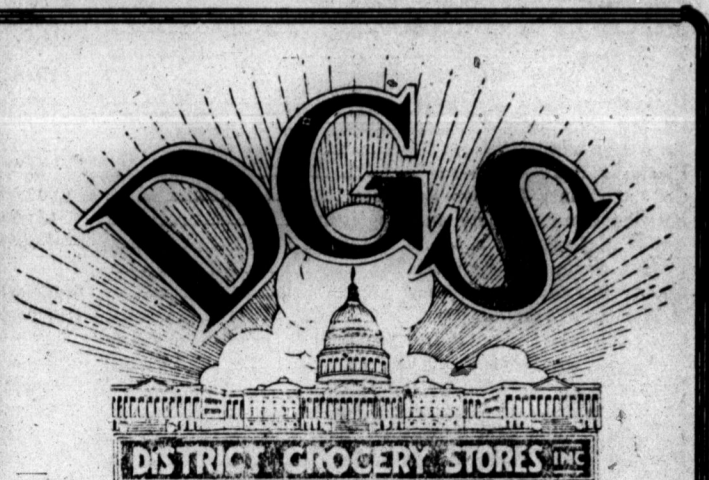

Luther Wait, a student of Dumfries School, is in the hospital at Fredericksburg with pneumonia. We hope he will soon recover, and be back to school.

Ben Purvis and his mother have been visiting close relatives in New York.

The seventh grade is planning a trip to Washington. They expect to see the library, museum, observatory and Hoover's Airport in reference to information on their unit.

Did it ever occur to you that only Greeks own restaurants and Jews dry goods stores in Quantico?

An entertainment given by "The Kelly Players" will be presented at Dumfries School, Tuesday night, Feb. 19. This entertainment consists of singing, dancing, vaudeville and comedy acts. Everyone is cordially invited. The admission will be very low.

NOTICE OF PROPOSED INCREASE IN LOCAL TAX LEVY

Notice is hereby given that the Board of Supervisors of Prince William County, Virginia, will meet on the 15th day of March, 1935, at 10 A.M., at Prince William County Court House, at which time and place citizens will be heard for or against the following proposed increase in local tax levies for the tax year beginning July 1, 1935:

A net increase of \$7,390.70 in the tentative budget for general county purposes of Prince William County for the year ending June 30, 1936, is represented by the following:

\$1,640.70	Increase in administration costs made to conform with the State Law and the general tendency to partially restore salaries where the cut was more than ten per cent and to pick up operating deficits of the past year.
1,650.00	To provide for the operations of Welfare Offices, not heretofore provided for and for the year ending June 30, 1936.
200.00	For increase demand for poor aid outside of the District Home.
1,600.00	For Heating Plant installed in the Court House not heretofore provided for.
2,000.00	To cover the actual deficit accruing from the year 1933-1934 delinquent taxes.
300.00	For Street Improvement at Court House.
\$7,390.00	

Assuming the assessed valuation to be \$6,750,000.00, the General County Levy will be \$1.35.

DISTRICT SCHOOL DEBT FUNDS

To provide for additional Literary Loan for New High School Building in Gainesville District. Assuming the assessed valuation in Gainesville District to be the same as for year 1934 the necessary levy in Gainesville District will be 25c, an increase of 20c.

GEO. G. TYLER,
Clerk, Board of Supervisors.

J. L. DABSON,
Chairman, Board of Supervisors.

— because they are based on the honor, ability and sound financial condition of reliable business men.

WE make loans to this type of borrowers, for experience proves that they pay interest and principal as they arrange to do.

Loans of this kind help give safe employment to the bank's funds, consisting mainly of deposits, enabling them to earn their share of the operating expenses incurred by the bank in connection with the many services rendered to customers.

They also make it possible for the bank to set aside reserves and build up an ample surplus out of earnings as further safeguards for its depositors.
