FLOWER SHOW AT WOODBRIDGE

Mrs. Egbert Thompson Wins Sweepstakes.

The Bethel-Woodbridge flower show arranged by the Bethel Home Demonstration Club was held in the Sunday school rooms of the Woodbridge Baptist Church on Tuesday, May 28.

SOUTHERN CAUSE IS REMEMBERED

Loyal Virginians Celebrate Davis Birthday.

The Memorial exercises held June 3, Memorial Day, under the auspices of the Manassas Memorial Association and the Daughters of the Confederacy, were attended by a large and appreciative audience. The program, was one of unusual interest.

The music rendered by Mr. Knox of Falls Church and Mr. C. A. Sinclair was exceptionally fine and met with much applause.

Mr. Robert A. Hutchison introduced the speaker, Hon. Charles H. Brought, ex-governor of Arkansas. Gov. Brough is an orator of note and his address was replete with interest and was enthusiastically received and applauded.

Two memorial prizes were announced, one given by Miss Speiden as a memorial to her mother, Mrs. Effie Nelson Speiden, was won by Miss Adela Blevins, and the Sinclair Memorial to Mrs. Ella Armstrong Sinclair was won by Miss Mattie Cannon.

Memorials to Mrs. Westwood Hutchison, one to devoted to the Confederate cause, and Mr. John T. Coleman, a gallant Confederate soldier, which were to have been delivered by Mr. George G. Tyler, who found it impossible to be present, were feelingly referred to by the master of ceremonies, Mr. C. A. Sinclair.

The others who aided in making the program a success were Dr. T. D. D. Clarke, whose reading and singing always enjoyed and without whom a Manassas memorial program is never complete; Rev. Stuart A. Gibson, Rev. Murray Taylor and Rev. W. N. Compton.

The attendance of a number of Washington friends of the South was highly appreciated.

SHOWER GIVEN

BRIDE-TO-BE

Miss Janet Trusler and Miss Hilda Moser Hostesses at Trusler Home.

Miss Meaker Burke was the recipient of many gifts at a miscellaneous shower Saturday, June 1.

After the guests had assembled, Miss Burke was ushered to a special seat of honor. Miss Virginia Speiden played the wedding march while Miss Mary Mason Davis, who is to be Miss Burke's flower girl, entered and presented her with a nosegay of white roses and sweet peas. In the shower of white satin ribbons attached were the clues which led to the hidden gifts. As the guests were not aware as to how the gifts were to be presented, this was a pleasant surprise for all.

Two selections, "My Garden" and "Until" were sweetly rendered by Miss Gladys Ball at the end of the treasure hunt, after which the guests were invited to the dining room where Mrs. E. H. Marsteller and Mrs. J. P. Lyon presided at the punch bowls. Green and white was the color scheme here. A silver bowl of white roses, mock orange and ferns with candlebrae of tall white-lighted tapers formed the centerpiece. Baskets of pink and white peonies were used through the house.

The guest list included the social set of Manassas and members of the bridal party from Washington and Maryland.

MRS. STELLA ROBERTSON

Mrs. Stella Robertson, aged 44, formerly of Manassas, died at her home in McLean on May 28. Funeral services were held at Washington Baptist Church, Rev. Holder officiating.

Mrs. Robertson was the daughter of Mr. and Mrs. Jacob Vetter and left here a number of years ago after her marriage.

There were no children. Besides her husband she is survived by a number of brothers and sisters as follows: Mrs. W. H. Maisel, Mrs. Raymond Coleman, Miss Laura Vetter of Baltimore, Mrs. J. H. Langlyher, Washington; Mrs. J. J. Lam, Alexandria; Mrs. Frank Beeton, Alexandria; Mr. John Vetter, Franklin Park; Mr. Jake Vetter, Washington; Mr. J. A. Vetter and Charlie Vetter of Manassas.

MANASSAS CHAPTER U.D.C. ENTERTAINED BY MRS. ALLEN GREEN

The Manassas Chapter, U. D. C., met Wednesday, June 5, at the hospitable home of Mrs. Allen Green and received a royal welcome from her and the other hostesses, Mrs. Duff Green, Mrs. Celeste Brown, and Mrs. Harriet Davies.

A large number of members were present, among the visitors were Miss Frazier, Mrs. Shepherd, Miss Nancy Waters, Mrs. May Dogan and Mrs. Charles Lynn, the two latter being members of the Bull Run Chapter.

A letter of appreciation of the work of the chapter was read from one of its members, Mrs. Christine Moser Keith, of Rock Hill, S. C. The president, Mrs. Lomas, and the chapter were delighted at the presence of Mrs. Chloe Hodge who had been absent so long on account of illness. Mrs. Jacobson was warmly welcomed as a new member. The names of Miss Nancy Waters and Miss Hall, of North Carolina, were presented for membership. Mrs. Byrd reported the sad news of the death of a recent applicant for membership, Mrs. Lillian Hammill Weir, a relative of hers. The historian, Mrs. Newman, reported the annual U. D. C. prize, given by Hon. C. A. Sinclair as a memorial to his mother, Mrs. Eloise Armistead Sinclair, had been awarded to Miss Mattie Cannon. The topic for the contest was "Lee as a Citizen."

Mrs. Guthrie thanked the chapter for the beautiful flowers sent her sister, Mrs. Davis, after her accident. Mrs. Ashford called attention to the fact that the Jefferson Davis Historical

Foundation was designed to establish the truth of Southern history, and urged the true facts be presented to our youth.

Mrs. Byrd read a gracious resolution, expressing the appreciation of this chapter for the delightful entertainment extended its large delegation by the Fairfax chapter, at the recent district convention. The resolution was heartily endorsed. Mrs. Hutchison, chairman of the 4th district, read a part of the splendid report she had received from the Turner Ashby Chapter at Winchester, Va., since the meeting at Fairfax. They reported having secured an advertisement for the Va. number of The Southern Magazine, had ordered one dozen Stratford plates, and a gross of regulation battle flags for their Memorial Day. Mrs. Hutchison also read an invitation to the dedication of Confederate Memorial Hall, on the campus of the George Peabody College in Tennessee, for Teachers, Saturday, June 1.

Mrs. Lomas gave a very excellent report of the district meeting at Fairfax and was given a hearty vote of thanks.

Mrs. Newman, historian, paid tributes to Davis, Lee and Lanier and gave extracts from a Washington paper telling of the interest of Hon. Wilbur Hall, Mr. Eckenrode and others in the development of the Manassas Battlefield Memorial Park.

Delicious refreshments were served by the hostesses assisted by Misses Mary Celestine Greene and Leila Montague Dowell.

COUNTY SUNDAY SCHOOL CONVENTION

Plans are under way now to hold the Prince William County Sunday School Convention at Aden, Sunday, July 21. There are to be two sessions afternoon and night, the former promptly at 2, the latter at 8 p.m. Both sessions are to be held in the new United Brethren Church.

The program is to be based on an outline submitted by the State Council of Religious Education, of which this county's organization is a part. The main theme is "Education for Character."

Prominent speakers from Washington and important county leaders are being invited to have a part. Rev. Minor C. Miller, state secretary, is expected to be there. The music of the convention should be of a character to make it alone as a reason for attendance. All Sunday school workers throughout the county are invited to attend.

As we go to press we are shocked to hear of the unexpected death of the president of the county council, Mr. R. L. Sadd, who has been spending several months in New York State. He had large plans to increase

R. L. SADD

The entire town of Manassas was shocked yesterday morning to learn of the death of one of its most beloved citizens, Mr. R. L. Sadd, who was on a visit to his sons at Earlville, N. Y., when the end came.

Mr. Sadd, who was 69 years of age, came to this town some years ago and entered into business with his son, Walter. They have made themselves liked by everyone and Mr. Sadd's untimely demise will leave a sad blank in the community.

The first intimation of his illness was had by phone on Tuesday morning evening when Walter was advised of the fact that his father was very low as a result of a case of pneumonia that developed on Saturday. While he was preparing to leave, another phone message advised him of his father's death. He left town at once and made the trip during the night.

A more complete obituary will be published next week.

the usefulness of the organization of which he had been president. For a time in his absence his wife had been acting as president.

Macs Defeat Arlington By Score of 7 to 4 to Keep Pace with Ballston Nine

Extra Base Hits by Buckner and Dreifus Account for Majority of Mac Scores.

Manassas finished the first round in the Northern Virginia League schedule by defeating Arlington in an exhibition of good, bad and indifferent baseball by a 7 to 4 score. Long distance clouting featured the offense of both clubs, each being credited with a triple and home run, the Macs also collecting a pair of doubles.

Each team filled the bases in the first inning without scoring but Buckner sent the Macs into the lead in the second inning with a home run over the left fielder's head scoring Wurdemann ahead of him. Arlington tied the score in the fourth on a triple by Cooper, a fielder's choice, an error by Buckner and McPherson's single into right field. The Macs, however, came back in the following inning to score a pair of runs on a single hit; bunched three more hits in the next inning for another pair of runs and scored again in the final inning on a double by Via and a single by Woodward. Arlington picked up a run in the fifth when Heflin walked, stole second when Vetter dropped Buckner's throw and scored as Burch slapped a single into center field. They scored their final tally in the eighth off Adair when McPherson's drive rolled under a car in center field for a home run.

Next Sunday the Macs play Falls Church on Swaley Field for the second time this season. Lyons, who gave the local swingers all sorts of trouble in the opening game, will probably be on the mound for the visitors. Hamersley will probably

start for the Macs.

As we go to press we are advised by Mr. Ham Newhouse, of Culpeper, that Senator Rust Holt, of West Virginia, will visit the Young Democratic Club of Culpeper County on the evening of June 13.

He will make an address in the municipal Building which adjoins the Court House in that town.

The announcement will be of interest to all young Democrats in northern Virginia.

PRINCE WILLIAM ROADS IN GOOD CONDITION

One evening last week the Journal reporter was treated to an inspection of the secondary roads in the southern part of the county.

He found the bridge at Woodyard's Ford well under the supervision of Mr. R. B. Gosson, a graduate civil engineer. The central pier is about completed and work on the abutments will start in June. The placing of the 107-foot steel spans will probably not be done until in August at which time the road on the Prince William side will be straightened out and graded, reducing the present gradient about 50 per cent.

This bridge has been rendered an absolute necessity since the operations of the two power companies above and below its site.

Continuing on the inspection tour it was shown where a short piece of road had been drawn into the Jefferson-Davis Highway eliminating a three-quarter mile stretch and a rather dangerous entry near Dumfries. The old Mine road has been reconstructed in part and further to the west a bridge has been placed eliminating one of the old crossings.

Still further to the west one finds more new location which has eliminated grades and made drainage possible, in fact it may be said that there are roads travelable now that had never permitted similar improvement before.

Skimming along one of the earth roads, one notices at a point rather hard to be identified geographically by the passerby, a short spanned wood bridge which is on the point of a curve and askew to the stream. In addition to this it is probably the only bridge of its type in Virginia to also be built on a ramp, following the general style in which a railroad curve or a race track is banked. It is really unique both in design and construction.

Coming north from Brentsville one finds the old ford by the Welfey Farm has been eliminated and the beautiful pastoral scene is made even more so by this neat and economical structure from which one may get an unobstructed view of the stream and meadows.

Space does not permit a detailed description of all the roads passed over except to state that they appeared to be in excellent condition and the workmen on the job seem to be taking a real interest in maintaining them.

At regular intervals the foremen and operators from the eleven crews have service meetings where engineering problems are discussed in the simplest and most practical manner, so that the men are really receiving an education in road work.

Last winter was a most trying one on any rural road system and it is remarkable that even this late in the season they present such a pleasing condition.

URGES NAME OF OSBOURN SCHOOL

Banquet Speaker Feels Tribute Is Due.

The graduating class of the Manassas High School had the unusual honor of tendering the farewell banquet to their retiring principal.

This occasion was celebrated last Thursday evening at the Parish Hall. The students and their visitors were seated at three tables and the junior girls served the banquet which had been served by the Guild ladies. The room was attractively decorated and the stage banked with greens and flowers.

As sponsor for the class of 1935 Miss Lulu Metz acted as toastmistress of the evening.

She first introduced Dr. William R. Smithy of the University of Virginia. Dr. Smithy briefly reviewed the course of the school, as closely associated with the life of the principal, Miss Osbourn.

He recalled how her older sister first came here in 1892 and how Miss Eugenia was shortly thereafter called to assist her. In referring to the time at which the State took over the school in 1906 and made it a public high school, he stated that they "were proud to take it over lock, stock and barrel." The speaker claimed "this school has always been accredited and in 1908 it was chosen a Congressional high school. It came here and remained such until 1918."

The speaker also showed how the school had installed its commercial department as far back as 1916 and two years prior to that the school had been accepted into the Southern Association of Schools and Colleges.

"One of the fine things this school has to remember Miss Osbourn by, is her love and devotion and I would be so bold as to make the suggestion that this high school be made the Osbourn High School and that by so doing that she would be the first lady of Virginia to be so honored."

Addressing Miss Eugenia personally he said, "I bring to you the affection and the respect of the people of Virginia and I can only wish for this school to carry on the same high ideals as you have installed into its curriculum."

The speaker closed his remarks with the regular apostolic benediction.

Following this address Professor Alonzo Hagar, of Occoquan, gave two solos, with Miss Speiden as accompanist.

The next speaker to be introduced by Miss Metz was Dr. W. J. Young of the State Teachers College at Fredericksburg.

Dr. Young declared that he had been struck by the policies of the school before he had ever come to know its principal.

"The first thing I became immediately aware of on my first visit here was the fact that here was a high school... Twenty years before the demand for high schools had arisen in the state, Miss Osbourn and her sister had been giving standard college entrance examinations. All that the state did was merely to enlarge somewhat on the work of these two ladies when they took over the school."

"It was not long, however, before the tradition of this little town began to spread abroad by word of mouth over the state of Virginia. I heard it mentioned here and there as I travelled about over the state. But through all of its free advertising, the work of the school pursued its placid way, like the sea-seeking force of a river, untroubled by the good esteem from without."

"Still keen in vision and with health not impairing her vigor, Miss Osbourn now comes to the day of retirement. That retirement is voluntary on her part and that she may not sever her relations too abruptly, she remains with her life's love still to assist her boys and girls in the search for knowledge as librarian of her school."

"I have called it HER school. If ever by right an individual by a life well-lived could call a public concern HERS, Eugenia Osbourn has earned that right in the affections and the esteem of the citizens of Manassas."

"My friends, in being one of you to do her honor tonight, I am being singularly honored; nor deceive yourselves that I am insensitive to that honor."

"The good of a life, like the good of the life of Jesus, stirs something noble within us; and that good lives after us when the evils of our day are interred with our bones."

"Far be it from me to try to tell you good people of Manassas any—

GREENWICH

The athletic season resulted in the girls winning two games and the boys 3 games. The Nokesville boys won the first game and Greenwich won the last two games. All of the games were clean, peppy games. The line-up for the closing victory over Nokesville was as follows: Greenwich, Lewis, Ellsworth, Harry, David, Bert, Ivan, Sidney, Ewing, Emerson. Harry Mayhugh deserved much credit for his splendid pitching and David for his home run and scores. Nokesville: Freddie, Robert, Max, Elwood, Mith, Harry, Henry, Bobbie & Selwyn.

An overflow house of splendid co-operating friends witnessed the graduating exercises of 11 Greenwich school seventh grade students. The program consisted of invocation by Rev. Cook, readings, vocal and instrumental music, moonbeam dance, playlets called "That Rascal Pete" and "To Min. for Lunch," presentation of 12 perfect attendance certificates, 42 five-point certificates, and 11 diplomas. During the year there has been splendid community spirit and attendance by the students in the school. Greenwich received honorable mention every six weeks and took first honors once. Also, during the year 42 chairs were purchased for the auditorium, \$40.00 worth of books for the grades 1-4, considerable athletic equipment, playground equipment, etc. It is a pleasure to feel that Greenwich school and community are rapidly coming to the front and should be strong competitors in any race for scholastic or civic honors.

BRISTOW

On closing day at Bristow School the following pupils received their Locker writing pins from Mr. Locker:

Second grade: Paul Rollins, Margaret Doyle, Ethel Reedy.
Third grade: Marguerite Mills, Dorothy Moss, Nelson Shumate.

These make the total of five-point children of Bristow, fourteen.
After the business session of the morning a weiner roast was enjoyed by pupils.

OCCOQUAN GRAYS

RALLY TO WIN

The Occoquan Grays went to bat in the eighth inning of their game with Forestville Sunday, 7 runs behind. When the smoke cleared, they had pulled the game out of the fire with an eight-run rally, winning 12 to 11.

Riley opened the eighth with a walk. Hinton then singled to center and Breen walked filling the bases. Reid dougled to right field cleaning the bases and making the score 11-7. Sealeman singled to center, sending Reid to third. Pearson flied out, Reid scoring and Sealeman taking third. Marshall singled scoring Sealeman; Shepherd walked. Then, after breaking two bats on foul balls, "Jimmy" O'Neil sent a vicious line drive to deep left center for a home run, scoring Marshall and Shepherd ahead of him. That was the ball game. The Grays were leading 12 to 11.

Wade Breen had pitched good ball throughout the game but he really pitched the ninth inning. He struck out 2 men and forced the third to pop weakly to Pearson at third, ending the game.

This Saturday the Grays play the Nokesville A. C. at 2:30 and on Sunday the Clarendon Business Men's team will be played, both games to be at Occoquan.

CATHARPIN

Now that the school bus is out of commission for a time, we are just wondering how we are going to keep track of the "time o' day?" For months its visits were so regular that people, upon hearing its approach, rose from their downy pillows to set their clocks—that is some of them did—but others had preceded its arrival long enough to have the milking done, chores attended to, breakfast over and children ready for their morning excursion to the land of knowledge. Well, the more one thinks about it the more he realizes just how big a "niche" it takes in Life's daily wall of habit to hold the influence of the regularity of a school bus; and its demands upon the habits of a people to be prompt and on time. This "On-time habit" is second only to the advantages gained by the children themselves. The farmer's day is regulated to a "time system" which can not be other than advantageous to all concerned; thus the school bus, which was fought so bitterly in its beginning, has become more to the life of a community than was ever anticipated; "It hath builded greater than it knew."

Dr. and Mrs. Brower, and Mrs. W. S. Brower and children were dinner guests of Mr. and Mrs. J. S. Tribble of Tecumseh, on Sunday last.

It is announced that the pulpit at Sudley next Sunday morning will be occupied by the Rev. Pac C. Chan, of Canton, China. Dr. Chan is both

an M. D. and a D. D. and much interest is felt in his coming visit. Being a personal acquaintance and friend of the pastor, the Rev. A. B. Sapp who highly recommends him, should give the visitor great prestige. Don't miss hearing him.

Mr. E. S. Clary of Lawrenceville, Va., was a week-end visitor at the home of Mr. and Mrs. J. W. Alvey where Mrs. Clary has been visiting during the last fortnight. Upon their return home on Sunday they were accompanied by Hampton and Robert Alvey who will spend some time with their "Aunt Nellie."

Mr. and Mrs. J. W. Alvey revelled in the delights of a visit to Skyline Drive on Sunday but Mrs. Alvey, like some other ladies we know, is just not quite sure that she enjoyed it. These "tidelander" ladies, who have been accustomed all their lives to an elevation of about 100 feet, get a little nervous and shaky when, in the space of about 30 minutes, one rises to an elevation of about 4000 feet and looks out and down upon the world below. They all say, "Yes, indeed, I enjoyed it; but I don't want to go again." We like to hear them talk when they get back.

Miss M. Elma Latham of Charlottesville, N. C., was visiting among friends and relatives in the neighborhood last week and attending commencement exercises at the Haymarket High School. She also attended the meeting of the Catharpin Good Housekeeping Club of which organization she was a charter member.

Last week was one of those busy weeks one hears about when the

schools begin to close and both parents and children get themselves on the educational "anxious seat" until final results are fully known. It was a week of commencements, graduations, new dresses, promotions, and a thousand and one other things that make school closings a matter of interest and filled with both joy and sorrow—joy to the undergraduate and the graders for their new found freedom and promotions; but sorrow to those who have to bid farewell to the school days which are destined never to return. So the Catharpin neighborhood experienced the thrills of commencement invitations, class nights, banquets, and all things pertaining thereto to make things happy, interesting and memorable. School closings are always interesting. They are a never-to-be-forgotten experience; one may be old in years—grandparents; if you will—but there are none too old to remember the thrills when "school lets out."

This community had the honor of being represented in both the Manassas and Haymarket high school graduating classes. Miss Frances Robertson, daughter of Mr. and Mrs. W. Holmes Robertson and Miss Belva Ellison, daughter of Mr. and Mrs. W. C. Ellison, were members of the Haymarket class, while Miss Mary Currell Pattie, daughter of Mr. and Mrs. E. N. Pattie, was graduated from Manassas. This naturally constituted one of the "busy spots" since Catharpin had to run two commencements. These three young people naturally elicited much local sentiment; but three others were so closely associated with this neighborhood, either by blood or friendly intercourse, that they almost seem part and parcel of the whole. We refer to Miss Marguerite Latham, daughter of Mr. and Mrs. T. O. Latham, valedictorian; Mr. William Henry Dogan, Jr., son of Mr. and Mrs. W. H. Dogan, and Miss Madge Lee Smith, daughter of Mr. and Mrs. Palmer Smith. These six young people, graduating with all the glory and highlights of such occasions, just about filled this neighborhood's cup to overflowing, to say nothing of several others, not quite so closely related but yet well known to some of our young people. So, by and large, it was some busy week.

Miss Virginia Hill, teacher at Catharpin during the past session, closed her school last week and returned to her home in Roanoke. While in the

neighborhood this little lady endeared herself to all concerned and her return next year, as per announcement, is welcome news to both parent and pupil.

Mrs. Eliza Dorsey, of Richmond, Va., was a week-end guest of her daughter, Mrs. W. Holmes Robertson, of Lawn Vale, and attended the graduation exercises of her granddaughter, Miss Frances Robertson, during the week. Mrs. Dorsey was also a guest of the Catharpin Good Housekeeping Club on Thursday.

If all the announcements for the office of supervisor materialize, the people of Gainesville district will certainly have a variety to choose from unequaled for many a day. It is understood that four candidates are now in the field. We told a member of the present board that Gainesville was going to elect all four of them and thus obtain a majority and see if something could not be done to get a culvert or bridge over Lick branch near Catharpin. This open crossing is certainly a great inconvenience to many people; and especially to school children who have to cross it. Many, however, realize that this condition obtains by reason of the projected relocation of the road bed and to save duplication of expense. The situation, however, is ugly and hard on those who have to travel in this direction.

The Catharpin Good Housekeeping Club held its regular monthly meeting at the home of Mrs. L. L. Lynn and enjoyed one of its old time literary programs centering around Whittier's poems. They had as guests several who had assembled in the neighborhood to attend the commencement exercises of the Haymarket High School. The club seems to be awakening to all its pristine spirit and glory and is now rendering programs of an interesting nature at each meeting. This club is now old enough to vote, being organized and holding regular meetings for more than the allotted twenty-one years. It might be a good place for our supervisor candidates to visit and demonstrate what they know about Whittier, Bryant, James Whitcomb Riley, Bill Nye and a few others. Perhaps our prospective candidates have not studied literature as they have studied taxes, levies, mills, county funds, district funds, roads, etc., so that a lecture on these subjects to the ladies might be highly enlightening and enjoyable. Who knows? The meeting adjourned at a late hour after what they told us was a "wonderful lay-out of eats." Well that kind of information does us but little good. We had much rather be a participant in "the eats" than running the risk of getting "writer's cramp" in trying to tell it. But "Newshawks" never were properly appreciated.

ROOSEVELT AND ECONOMY

Rarely in the history of government will the student find so complete a reversal of position as that of President Roosevelt on the subject of economy in the operation of government.

Mr. Roosevelt ran for the president on a platform, which he said he completely indorsed, calling for "an immediate and drastic reduction of governmental expenditures by abolishing useless commissions and offices, consolidating departments and bureaus, and eliminating extravagance, to accomplish a saving of not less than 25 per cent in the cost of the Federal Government." During the campaign, Mr. Roosevelt told voters he would demand of every cabinet appointee "absolute loyalty to the Democratic platform and especially to the economy plank."

Mr. Hoover's Administration had increased the national debt by \$5,000,000,000, and in his special message to Congress urging enactment of the Economy Act, Mr. Roosevelt declared: "With the utmost seriousness I point out to the Congress the profound effect of this fact upon our national economy. It has contributed to the collapse of our banking structure. It has accentuated the stagnation of the economical life of our people. It has added to the ranks of the unemployed. Our government's house is not in order and for many reasons no effective action has been taken to restore it to order."

In 1933, our deficit, instead of the one billion which had been estimated, was \$3,989,496,035. The estimate of the deficit for this fiscal year is \$4,869,418,338. For the fiscal year of 1936 for which appropriations are now being made, the estimated deficit is \$4,528,508,970.

In comparison with the emergency expenditures which produced this fiscal situation, the savings under the Economy Act seem hardly worth considering.—The Daily Progress.

The Manassas Garden Club will meet with Mrs. Bocock Thursday, June 13, at 10:30 a.m.

Mr. Joseph Gerris of Wellington was a Manassas visitor on Saturday. We welcomed him at the Journal office as he has been a subscriber to the Journal for thirty-five years.

Mrs. J. Wetherall, who has been very ill for several months, died at the home of her daughter, Mrs. Lizzie Kite, yesterday afternoon. As the Journal goes to press further arrangements are yet incomplete.

Mr. and Mrs. W. Bertram Page of Arkport, N. Y., and Miss Marian Brush of Hornell, N. Y., spent several days last week at the home of Mr. and Mrs. Paul Cooksey, en route to Greensboro, N. C., and Charleston, S. C., where they will visit relatives.

ENTERTAINS FOR CLASSMATES

On Monday evening Miss Cornelia Lewis was hostess at a lovely party in honor of the Senior Class of which she is a member.

The main feature of the evening was dancing which was greatly enjoyed by the many guests in attendance. Delicious refreshments were served.

4-H CLUB TO ENTER TAIN KIWANIS

Bill Cocke, chairman of the program committee, desired to have a spontaneous program last Friday night with all members of the club contributing.

There were a number of volunteers and considerable discussion was had on past deeds and future prospects of the club.

The most important feature of the evening was the definite decision that guaranteed Dr. Marsteller sufficient funds to go ahead with his work among the underprivileged children.

An invitation from the 4-H Club to serve the regular banquet tomorrow at the Manassas High School was accepted and another "family night" will be held at that time.

WOMAN'S CLUB NOTES

The June meeting of the Manassas Woman's Club will be held in the dining room of the high school building next Wednesday afternoon at 2:30. This is the last meeting until September and considerable business will be transacted. Mrs. Ruth Thompson of the area relief office will speak at 3:30.

The meeting of the executive board will be held Monday night at 8 o'clock. Every member is requested to attend as the budget for the year will be prepared.

ACCIDENT AT GUNSTON

Early last evening Manley Myers, of Lorton, was attempting to execute a left turn from the Jefferson-Davis Highway on the Gunston Manor road when he was struck by Walter Phillips of Richmond, Va., who was proceeding north.

Mr. Phillips was said to be traveling at an excessive rate of speed. Mrs. Phillips, wife of the driver of the northbound car, was seriously injured as a result of the collision and was taken to the base hospital at

Fort Humphries where it was reported that she is suffering severe head cuts.

Deputy Motor Vehicle Commissioner James Clarke, of Accotink, who made the investigation, reports no arrests made.

TIM MCCOY "FANS" SIX-SHOOTER FIVE TIMES IN .58 SEC.

The camera next week will confirm Colonel Tim McCoy's claim to being the fastest man with a "six-gun" in America. The Columbia screen star drew his weapon, and, fanning the hammer, fired five shots in seven-tenths of a second.

The action occurred during the filming of "Law Beyond the Range," showing next Friday, June 14, at the Dixie Theatre in Manassas, in which McCoy is called upon to draw and empty his gun. McCoy stood with his right hand in the arm pit of his vest and the action showed that from the time his hand started to descend until the first was fired, one-fourth of a second had transpired. The remaining four shots were fired in one-

LOW NIGHT CALLS FOR LONG DISTANCE CALLS

Low night rates for out-of-town calls from cities, towns, and communities in Virginia, which formerly began at 8:30 p.m., will be available from 7 p.m. to 4:30 effective June 1, according to a statement made last Friday by Charles H. Weber, general manager of the Chesapeake and Potomac Telephone Company of Virginia. These rates replace the evening rates hitherto available between 7 and 8:30 p.m.

New night rates will also apply, effective June 1, on calls to transatlantic points between the hours of 5 p.m. and 5 a.m. For example, a call from any city in Virginia to London between these hours will now cost \$21, or \$9 less than the day rate.

Every effort is being put forth, Mr. Weber said, to bring the extended night rate period to the attention of the telephone users of Virginia, and arrangements have been made for the handling of a considerable increase in out-of-town calls placed between the hours of 7 and 8:30 p.m.

third of a second.

The feat was accurately timed by the number of motion picture frames exposed during the action. Since the coming of sound, motion picture cameras run at the exact speed of one and a half feet or twenty-four separate pictures, or frames, per second. By counting the frames a split-second timing can be arrived at.

TAX NOTICE

All 1934 tax bills unpaid at the close of business, June 15, will be returned delinquent, and will bear interest from June 16.

SIX-STAR CAST ACTS
'RUGGLES,' NOTED COMEDY

The amusing account of what happens to a perfect English butler-valet when he is exposed to American ideas of Democracy, is the plot and story of Paramount's "Ruggles of Red Gap," which comes to the Dixie Theatre in Manassas next Monday with Charles Laughton in the title role.

The picture, adapted from Harry Leon Wilson's famous story, first published in the Saturday Evening Post, features Mary Boland, Charlie Ruggles, Roland Young, ZaSu Pitts and Leila Hyams in support of Laughton.

"Ruggles" adventures begin when his titled master loses him to an American tourist and his wife in a poker game. On his first day in his new job, Ruggles takes his exuberant master out to view London's art galleries and winds up with him in a drunken spree.

Back to Red Gap, U.S.A., a crude but stimulating Western town of the 1900's, goes "Ruggles" with his American employers. And, when his master introduces him to the society big-wigs of Red Gap as a Colonel of the English Army, "Ruggles" becomes the social favorite of the town.

"Ruggles" former master turns up in Red Gap to find a completely altered butler who engineers his lordship into a romance with a lovely American lady. Finally, "Ruggles" himself finds romance with the town's leading widow and becomes the leading restaurateur.

ATTEND LUTHERAN CONVENTION

Rev. L. F. Miller, Miss Mary Miller, Miss Irene Dellinger, Mrs. W. N. Wenrich and Mr. and Mrs. J. H. Rexrode of Manassas, attended the annual convention of the Newmarket Lutheran Sunday School Association in St. Paul's Lutheran Church, Page County, May 30 and 31. The attendance upon this convention was large and much interest manifested. That which was stressed most was better preparation for and more aggressiveness in our Sunday school work. Mr. Rexrode was re-elected president, this being the eleventh consecutive year he has been honored with the presidency of this Sunday school association.

CARD OF THANKS

We wish to acknowledge with deepest appreciation the many kindness and expressions of sympathy of our friends in our recent bereavement.
Mrs. G. C. Wright and family.

ADEN

Mr. and Mrs. Howard Marshall and little son, Lowen, spent Saturday at the home of Mrs. Marshall's parents, Mr. and Mrs. Henry Nash, of Wightman, Va.

The Asbury Sunday School Day program which was given on June 2 was very good. Each little speech and recitation seemed to bring a thought of worship.

The school bell does not ring this week. The children and teachers are enjoying a well-earned vacation, having finished a very successful school term on Friday.

Among the recent visitors at the home of Mr. and Mrs. H. Lawson were Mr. and Mrs. J. G. Patrick of Westernport, Md., Rev. and Mrs. C. H. Fielding and son, Robert, of Delwyn, Va., and H. W. Fielding of Washington, D. C.

We are glad Mrs. Wm. Snyder is able to be out, after a long illness and confinement to the house.

Mr. James Hively, who was in the hospital for treatment for stomach trouble, has returned to his home somewhat improved.

URGES NAME OF OSBOURN SCHOOL

(Continued from page 1)

thing about Eugenia Hilleary Osbourn. I can only speak from a heart filled with the gratitude of one whom a kindly fate has thrown likewise with yourselves in the pathway of so beneficent an influence.

"For the rest, of genial and gentle mien, with kindness to meet life's problems, with courage and cheer to give a living sympathy when it came her way to give it, ever natural and nothing forced, without hypocrisy or pretense, with the limitations of sex upon her, her giving of her life has been without stint. And now we are gathered here to tell her so.

"Yet she knows—she understands! To look back over the trail of the years well spent, what a panorama of retrospection this hour is hers!" Miss Virginia Hurst, president of the class, with a very pretty little speech, presented the class gift to Miss Eugenia which the latter accepted very graciously.

Professor Worth Peters made the announcement that Miss Osbourn has allowed her profile to be used in a permanent school seal and presented her with the first cast from the die. Professor also read the following resolutions:

"The County School Board of Prince William County, Va., on the occasion of a banquet given by the graduating class of Manassas High School May 30, in honor of their principal, Eugenia Hilleary Osbourn:

"RESOLVED: That the high standing of the Manassas High School; the high degree of success in life enjoyed by its graduates and the contribution being made by them in their fields of endeavor is a condition that few communities of any size enjoy to as great an extent;

"That the cultural background available and fineness of work required bring about an appreciation for the finer things of life and yet a respect for and a will to do the more arduous duties necessary for success;

"That the variety of courses offered provides a much broader opportunity than is usually found in a high school of similar size;

"That the influence of the Alumni and the Alumni Association is of such proportions as is seldom felt in many of our schools of higher learning;

"That the Students and Alumni are so saturated with the spirit and traditions of the school that the influence remains with them throughout life;

"That these qualities and many others not mentioned here represent the accomplishment of a life dedicated to the cause of education and for the growth and development of the children of Manassas and Prince William County;

"That what Manassas High School has accomplished and what it is will always be an everlasting monument to the keenness of vision, the untiring energy, the complete unselfishness, the undaunted will, and the matchless spirit of

"EUGENIA HILLEARY OSBOURN"

In response to the many compliments which have been paid to her, Miss Eugenia replied with a brief talk in which she paid high tribute to her deceased sister and other associates in the life of the school, including the School Board members, the present and former superintendents and others.

She recalled the struggles of the early days of the school and highly complimented Professor Peters, claiming that he had caught the idea and would carry on the work as in the past. She thanked everyone for the many kindnesses which had been shown her on that occasion and at all times in the past.

A very pleasant evening was closed with benediction from the Episcopal rector, Rev. A. S. Gibson of Manassas.

Lack of space and time forces us to postpone the account of the graduation exercises until next week.

NUMBER 13 NO JINX TO JACKIE SEARL

The number is thirteen, but it's good luck in this cast!

Thirteen is the number of years Jackie Searl has been upon this earth and it was in his thirteenth year that he received the greatest role of his really long career in pictures that of "Gimpy" in the new Columbia picture, "The Unwelcome Stranger," starring Jack Holt, due at the Dixie Theatre in Manassas next Wednesday.

Born on July 7, 1921, in Anaheim, Calif., where his father was an oil-driller, Jackie's family, and surely not Jackie, thought little that the youngster would become a famed movie star.

But Fate plays odd pranks, and when the Searls moved to Hollywood, where Jackie's father resumed his oil-drilling, Jackie soon broke into

pictures playing atmosphere and bit parts in silent pictures. In 1930, he was given an important role in "Tom Sawyer" and then his career really began.

With his personal comet on the ascendancy, young Searl appeared in such films as "Topaze," "No Greater Glory," "Great Expectations," "Skippy," "Sooky," "Alice in Wonderland" and "Wicked Woman."

Despite his strenuous work in films, Jack's education is being well taken care of. About half of each year he attends school. The rest of the time he studies with a private tutor. Almost every term he has been an honor student, which probably accounts for his intelligent portrayals on the screen.

At present, he has two ambitions—to become a professional baseball player and to own a stable of fine horses. He'll probably continue to be one of Hollywood's finer young actors!

BUCK JONES A WOW IN NEW "WESTERN"

In "Branded," the Columbia western that opens at the Dixie Theatre in Manassas tomorrow, Buck Jones proves once more that from the standpoint of sheer physical courage, there is no one in the motion pictures today; who can come near him Daredevil leaps across ten-foot wide chasms on his horse, Silver; breath-taking descents into deep gorges and broncho-busting so strenuous that bull-fighting is tame in comparison.

Buck Jones, as Tom Dale, inherits a ranch west of the Rockies, and sets himself up in the cattle business there. Soon after, he has an altercation with his next-door neighbor, Lou Preston, about a strip of land that borders on both their estates. As a result a spite fence is put up and plenty of bickering goes on. Matters are complicated by the fact that Lou is pretty and Tom is secretly in love with her.

THE map above tells only part of the story—the little known story of the interrelation of the Ford V-8 car and the farm.

The rest of the story involves the processing given these raw materials by suppliers before they reach Ford factories... And it also involves continuous chemical experimentation in the Ford Laboratory at Dearborn on hundreds of farm products.

WOOL goes into upholstery, floor-coverings, lubricants, anti-rust preparations.

LEATHER goes into upholstery. Glues are made from cow hides and milk. Other parts of cattle yield stearic acid, greases, glycerin, and soap chips.

HOGS furnish lard oil, oleic acid and brush bristles.

GOAT'S HAIR (MORHAIR) goes into upholstery. SHEWAX goes into electrical imbedding compounds.

COTTON goes into tires, betting, cloth, battery boxes, timing gears, brake linings, and, not least important, into Safety Glass... In the form of the cellulose acetate film between the two sheets of glass.

CORN yields butyl alcohol for enamel finishes and starch.

LINSEED OIL is one of the ingredients of the synthetic baked-enamel finish on Ford V-8's. SUGAR CANE yields molasses for solvents, anti-freeze and shock-absorber fluids.

CASTOR OIL goes into lacquers and weather-resisting artificial leather.

TUNG OIL is used in Ford V-8 top material and also in brake linings.

TURPENTINE is used in paints, adhesives and solvents.
