

ALUMNI BANQUET ENJOYABLE EVENT

Manassas Graduates Accorded Special Honors.

After having passed over heights of exultation on May 31, the class of 1935 of Manassas High School was duly ushered into the valley of humiliation in the basement of Grace M. E. Church Saturday evening, June 1, through the agency of the Alumni Association and what is popularly known as the Annual Alumni Banquet.

Prior to the banquet Wheatley Johnson, chairman of the nominating committee, read two names for each office and electing was done by ballot with the following results: Officers for 1935: President, J. Jenkins Davies; vice-president, Margaret Adams; secretary, Virginia Speiden; and treasurer, Evelyn Miller.

The educational torture consisted of an air-minded initiation designed and concocted by Jim Davies, Frances Bushong and Jack Merchant with the assistance of Miss Christine Meetez, all four of whom acted as the initiation crew.

At the beginning of the ceremony it looked as if Rev. "Joe" wasn't coming and O. D. substituted for him. The class of 1905 put in its annual yell immediately after which Rev. "Joe" appeared on the scene which entitled the class to another yell. This so enthused '26 that they tried a feeble echo.

The music for the occasion was furnished by Mrs. Bob Smith at the piano and by two solos by Miss Gladys Ball accompanied by Miss Virginia Speiden. The Junior girls served the splendid banquet which was soon a thing of the past, and thereafter the initiation began, the petition for the pilot's license being filed by Virginia Hurst, president of the class in a good peppy speech.

The test consisted of an airplane race between Messrs. Fisher, Dodson and Compton. This was followed by an analysis of an air pocket by John Water and Mary Pattie. When this was completed Virginia Hurst and Irma Ball went into an outside spin. The next two members of the class to be called on were Lucy Gibson and Mary Marsteller who showed how to land in the snow with a busted wing. The premier performance was given by Mary Lynch who took the part of a stewardess on an air line.

The test being over, Kathryn Luck, president of last year's class, replied to the petition of the new class of 1935 and indorsed the same.

Prof. R. C. Haydon, superintendent of the schools, gave a fine speech of appreciation filled with humorous reminders and anecdotes directed mainly toward the retiring principle of the school. It was quite a fine piece of oratorical appreciation. After this the entire gathering rose at the request of the president of the association and held a thirty-second silent memorial during which taps were played by Mrs. Bob Smith. After this the toast was drunk and the evening was over with the singing of "Auld Lang Syne."

Those present were: P. A. Lewis, Mrs. Robert Smith, Sue Gibson, R. H. Smith, Miss Mary Boultware, Mrs. P. A. Lewis, Mrs. Fontaine B. Hooff, Ruth P. Smith, Abbye M. Lutes, Willette R. MEMORIAL MEETING AT HICKORY GROVE

The memorial meeting which took place at the U. D. C. Hall, Hickory Grove, on the afternoon of Wednesday, June 5, was well attended and most interesting.

The principal speaker was the Rev. Alfred River Berkeley, D. D., of St. John's Church, Roanoke. No one could have been more satisfactory. The three members commemorated were: Miss Lucy Fontaine Berkeley, president of the chapter for thirty-five years; Mrs. Ludwell Hutchison, a charter member, and Mrs. Milton Lightner, all of whom had passed away within a month.

Sketches suitable for the occasion were read by the Rev. Mr. Carpenter and others, music being also rendered. Mr. Berkeley's talk left nothing to be desired. He spoke emphatically the right words. He is a grandson of Col. Edmund Berkeley of the Eighth Virginia Regiment, and in some respects reminded us of that well-beloved veteran. We were most fortunate in securing such a speaker. Refreshments and talk closed the meeting—one long to be remembered with mingled sadness and pleasure.

Other visitors of the club were Mrs. E. Burnett Farmer and daughter-in-law, Mrs. J. B. Farmer, and Mrs. Roswell Round of Ft. Thomas, Ky., and Mrs. Ralph Holt of Chattanooga, Tenn.

PROGRAMS AT TEMPLE SCHOOL

On Wednesday and Thursday evenings, June 6 and 7, two delightful programs were given at the Temple School on Grant avenue.

The program on Wednesday was given by Misses Althea Hooff and Shirley Hynson, piano pupils of Mrs. Frances Spies Ellis, assisted by Edla Blakemore and Evangeline Jaimes in dance interpretations, several of which were composed by their teacher, Mrs. Eloise Compton Trimmer. These young people presented a most artistic and interesting recital which was thoroughly appreciated by the audience.

All of the pupils of the school had a share in the program on Thursday evening, reflecting much credit on their teachers who work with such untiring patience to produce the results obtained.

Rollins, Louise Metz, Grace Metz, Robert Waters, Evelyn Frame, Christine Meetez, Sally Lewis, George Botts, Roy Gibson, Mr. Joseph Gulick Strother Stevens, and R. D. Wharton body invited.

MACS SUFFER SECOND LOSS, DROPPING 6 TO 5 DECISION TO FALLS CHURCH

Rally in Ninth to Tie Score Only to Lose in Tenth by Single Run.

The Macs dropped their second game of the season Sunday, losing to the Falls Church nine in ten innings by the score of 6 to 5. Hamersley and Adair were both hit hard and frequently, giving up a total of sixteen safeties, including four doubles. However, in only one inning, the sixth, were the visitors able to push across more than a single tally. In this inning they scored; four times on three hits, a pair of walks, a long fly to center and an infield out.

The Macs scored single runs in each of the first two innings and added two more in the fourth on consecutive hits by Wurdemann, Woodard and Hamersley. From the fifth through the eighth they were held hitless by Printz. Falls Church picked up a run in the third on an error by Woodard and hits by Sole and Hilleary and added four more in the sixth to take the lead. Wurdemann opened the ninth with a single to right, went to second on a passed ball and took third as Printz tossed out Adair at first. He scored when Soles' throw got away from Earman to put the Macs back in the running. With one away in the tenth Fox doubled to left for his third hit of the day and scored as Royston batted one into center for a base. After Clark lofted out to Via Earman singled to right but both were stranded as Via took Lenahan's high fly. The Macs went down in the tenth fighting, having men on first and

third with two away as the result of singles by Vetter and Via but Buckner, after working the count to three and two, fanned to end the game.

LINTON HALL HOLDS ITS 13th ANNUAL COMMENCEMENT

Sunday, June 9, witnessed the graduation exercises at this military school for young boys. Long before the hour 4 p.m. the parents and friends arrived and enjoyed a pleasant afternoon with their children. The broad campus and surrounding country never looked better. The drive up Oak Lane opening into the great circle, with the administration building flanked by the beautiful chapel on one side, and a small gymnasium on the other, was inspiring. A large catalpa tree in full bloom waved a welcome to the many city guests.

The bugle called the cadets, while the parents and friends entered the chapel. Here they found diminutive guards pacing the aisles. The beautiful altar was decorated with flowers and waxen tapers.

The procession entered by the west door and was led by Color Sergeant Francis Reading attended by honor guests. The officers followed: Cadet Major John Reading, Cadet Captains Leonard Doggett, Jr., and Jerry Keogh, Adj. Louis Kengia, First Lieuts. James Reilly and Thomas Herb, Second Lieuts. Edmund Burgess and Howard Somma. At bugle signals these officers drew their sabers—the two companies separated and facing each other stood at "salute" while the altar boys and the Reverend John Smith, O.S.B., chaplain of Linton Hall, and the Reverend Matthew Gratz, O.S.B., of Saint Benedict's Priory, Richmond, passed to the sanctuary.

The certificates of graduation were then conferred. As each name was read the cadet stepped forward, saluted and received his certificate. Many gestures were these! Those graduating from Linton Hall were: Cadet Color Sergeant Francis Reading, Cadet Capt. Jerry Keogh, Cadet Lieut. Adj. Louis Kengia, Cadet Lieut. Thomas Herb, Cadet John Klinefelter and Cadet Alfred Bell.

The list of all promotions was also read after which the Reverend Father Matthew made an address. His remarks brought out the two great classes of men—the thinkers or leaders and the followers.

Military benediction followed. The procession reformed and left the chapel in the same order in which it entered. Outside the pleasant excitement of congratulations was visibly tinged by a touch of sadness as the good byes were spoken. Many of the boys, of course, will not return, their places will be taken by others for such is school life.

The dining table was attractively decorated with a blue and gold center piece and tapering gold candles at each side. 4-H GIRLS FEAST KIWANIS CLUB

Group of Guests Assembled with Club.

The Kiwanians assembled at the high school last Friday evening to partake of the tasty repast which had been arranged and was served by the 4-H Club girls.

The main feature of the evening was the initiation of A. L. Mylander into the club by Dr. Swavely. Hereafter the initiate will be known as "Bert."

Mrs. Pattie sang a charming parody on the "Man of the Flying Trapeze," the author of which being unknown but the intent of the words being directed at one of the town's leading citizens. The story of the song was aimed to show how much good has been done to this gentleman by being a Kiwanian.

On motion of Mr. Cocke, the club secretary was authorized to transmit to Walter Sadd the club's most sincere feeling in the sad loss which he had just sustained.

Although there were several unfortunate absences, the attendance was good and a number of charming young ladies graced the meeting with their presence. Following is a list of members and their guests:

DIPLOMAS GIVEN TO LOCAL GRADS

Commencement Features Honors for Principal.

The high point in the commencement exercises at the Manassas High School came Friday evening, May 31, with the awarding of the diplomas.

The auditorium was crowded more than usual when Rev. W. M. Compton arose to give the invocation shortly after the singing of "Old Virginia" by the school chorus had concluded the entry of the graduating class and the faculty.

Professor Worth Peters presided over the exercises, the first feature of which was the welcome to the audience by Miss Osbourn.

She described the work and success of the school in the past term in the several departments and explained some of the curriculum. She also acknowledged thanks to the School Board, parents, faculty and others for assistance given.

Two songs by the school under the direction of Miss Virginia Speiden furnished a pleasant intermission to the program.

The first student to be heard was Miss Mary Currell Pattie. She explained the major school activities, and stressed the increasing emphasis of responsibility in the student body. Miss Pattie explained what the Student Co-operative Association was and the outstanding achievements of the same during the current term, stressing particularly the enlargement of the school paper, the success of the Athletic Association dance, the annual bazaar and many other notable accomplishments of the school under the new Co-operative Association.

Rev. John DeChant sang an appropriate number, Kipling's Recessional, with Miss Speiden at the piano.

The speaker of the evening, Dr. Elmer Louis Kayser, was next introduced to the graduates. Dr. Kayser immediately launched into a federation of praise of Miss Eugenia. He stated briefly "the occasion is a rare one. Usually I address one graduating body; tonight I address two. I come here to lay my homage at the feet of Miss Osbourn. This school is but a lengthening shadow of its principal whose real monument is these young people and the many others who have graduated before."

"Miss Osbourn had faith in education. As she relinquishes the high responsibility, you must maintain the high standards she has raised. The integrity in study is not unlike integrity in life."

"There is so much of epitome in the word 'Commencement.' The ending of this task is but the beginning of another. The question is, what are you going to do next and how can you best serve your age and generation? Do not take a ready-made formula for anything, but study out this age as it differs from others."

Mr. Kayser made a dramatic comparison of the post-Revolutionary period with the present day, comparing the two ages as one of popular government and the other that the idea of popular sovereignty is now applied to individuals.

"Now you are coming to a realization of the word 'Society.' 'Now you have heard that you are living in a new country. We are not living in a new country but in one we have made prematurely old by our folly. I say to you, without hesitation, to 'be yourself.'"

"The world is going to expect to hear from you so give the world your own message which must be one of intelligence."

Noting the cap and gown costumes of the graduates, Prof. Kayser declared he was glad to see this scene and said, "Let this garb remind you of the generations that have gone beyond. Let us make our integrity the guarantee of our country's integrity among the great countries of the world."

Bringing his remarks to a close Mr. Kayser classified the Manassas High School as "a great school in a great Commonwealth has brought you where you are."

The next feature on the program was the awarding of prizes which was done by our able orator, Mr. O. D. Waters. O. D. Waters had some interesting explanatory remarks with the awarding of each prize and inserted quite a bit of humor in these remarks. The prizes are listed as follows, there being one new prize given this year which is the George C. Rounds prize which memorializes one of the greatest civic workers the town has ever had:

Memorial Association History Prize (American History Class), gold (continued on back page)

COMICS ROMP IN GAY MELODY ROMANCE FILM

A flock of new Gordon and Revel songs, crisp, crackling comedy and a touching love story of young love in Manhattan are the ingredients which help to make the new Burns and Allen Paramount film, "Love in Bloom," at the Dixie Theatre in Manassas next Monday, the best that the madcap comedy team has turned out to date.

Joe Morrison, the handsome young tenor, and Dixie Lee are the young lovers, struggling to get along in Manhattan. Dixie has run away from her father's carnival show with no intention of ever returning. But when her goofy brother and sister-in-law, George and Gracie, turn up in the carnival callopie on their honeymoon, she knows that she can't escape them.

All the young couple's savings go to bailing out Dixie's father and setting the show back on its feet. Finally Dixie Lee runs away from Joe Morrison at the altar because she fears that she cannot make him happy.

The young couple are happily brought together at the close of the film although they are for a time hindered by Burns' and Allen's crazy efforts to help their romance.

Prominent in the supporting cast are J. C. Nugent, as the father, and Richard Carle, a comedy sheriff, both of whom render effective performances.

OCCOQUAN GRAYS

WIN AND LOSE

After being victorious over the Nokesville A. C. in a slugfest, by a score of 16 to 14, on Saturday, the Occoquan Grays lost a lost-SHREDLU Occoquan Grays lost a one-sided game to the Clarendon Business Men's team on Sunday, 11 to 1.

Although the score would indicate otherwise, the game with Nokesville was thrilling throughout, in that first one team was leading and then the other.

Andrew Breen started for the Grays and pitched very good ball for 5 innings before retiring in favor of a pinch-hitter, with the score 7 and 7. He had allowed 9 hits.

James Breen relieved him and pitched 2 1-3 innings. The Breens are a habit with the Grays as after one man had "gone away" in the 8th Wade Breen took up where his family had left off and proceeded to win the ball game.

The Grays' defense was ragged throughout the game Sunday. After getting off to a one-run lead in the first inning, the Grays blew this in the third when the opposition scored twice on two hits and three errors.

Wade Breen deserves credit for doing so well with a "shatty" defense but to Strawser of the Clarendon team goes the orchid. He pitched a wonderful game, allowing the Grays 5 hits in the entire game.

Charley Marshall of the Grays contributed the best fielding catch of the game, a leaping catch well over his head, on a hard-hit ball to right-center-field in the second inning that would have meant at least 2 runs had it gotten by him.

On Sunday, June 16, the Clarendon A. C. comes to Occoquan for a game with the Grays at 3 o'clock. These teams have never met before and it promises to be a "scorcher." On Saturday, June 15, the Grays play "Brady's A. C." of Del Ray, Va., at 3 o'clock, on the Occoquan diamond.

The box score of the second game follows:

The high herd for the month was owned by O. R. Hersch, a herd of 20 Registered Holsteins and 2 Jerseys, averaging 40.7 lbs. fat, 1072 lbs. milk. The herd had 5 cows to make the honor roll.

Two cows made records for milk and butterfat in this county. No. 14, a Registered Holstein, produced 2238 lbs. of milk testing 4.6, making 96.2 lbs. of butterfat.

No. 15 produced 1903 lbs. of milk, testing 4.6, making 87.5 lbs. fat.

This shows what good management with good cows can do.

Let's see some of the dairymen of Prince William beat these records. Can you? 7 of the 21 herds averaged over 30 lbs. of fat per cow. Let's keep this up.

CHRIST FOR ALL—ALL FOR CHRIST
The Word of God
 It is a duty to read the Bible daily, and a right to have it in our homes. It is the best of all books, and the only one that will give us the truth about God and ourselves. It is the best of all books, and the only one that will give us the truth about God and ourselves.

BIBLE THOUGHT AND PRAYER

A HEARTENING PROPHECY: Praise waiteth for thee, O God, in Zion; and unto thee shall the vow be performed: O thou that hearest prayer, unto thee shall all flesh come.—Psalm 65: 1, 2.

THE TOWN ELECTION

The town election is over and, judging from the size of the vote, the re-election of the present council was a very representative expression of sentiment. And now, if we may, we would like to offer a word of advice to those who so warmly agitated a change.

Instead of boiling among yourselves and heaping contumely on the heads of the town fathers, go before the Council and take your stand firmly about what displeases you. It is not good for the health of a town for one group of citizenry to always "have it in" for another group.

And above all things detrimental, it is for your local paper to attempt to run the town. Your paper is yours to promote progress, business and good fellowship. This a local paper cannot do, if it arrays itself against groups of individuals, unless some moral condition is involved.

We have been badly hammered for not waging a war which our fair-minded readers will see that it was not our place to do. We were accused of refusing to print something (we don't know what) and this was not true.

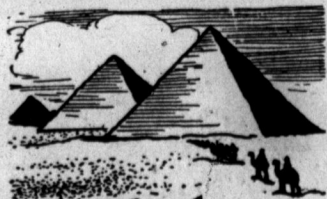

Whatever may have been our personal preference in the matter of councilmen, these now in are duly elected and in office for another two years and we propose to join with them in what is good for the town. And we propose to continue our neutral attitude in what appears in our columns so far as our town government is concerned.

CHURCH CLASS DOES ANTICS

On Tuesday night, June 11, Mr. and Mrs. R. M. Jenkins received at a delightful evening the Margaret Barbour Bible Class of Manassas Baptist Church.

A unique program directed by Mrs. Mylander was carried out with enthusiasm by the more than sixty present. Outstanding features were guessing contests, a quotation hunt, Cleveland Fisher at the piano and a fashion show.

Entrants in the dress-up were men, women and children, and their costumes followed no dictate nor rule of fashion. All got a laugh but Mrs. Knox in her "Parisian" hat got first place.

Miss Katherine Jenkins was most interesting in original color and design. The dude ranch was suggested by Mrs. John Barrett's sombrero and pantalettes. Mrs. Mylander's amusing bustle and fetching red bows presented an old-fashioned sixteen-year-old deb. Mrs. Lomas was demure and lovely in a by-gone period of black and white. Mrs. Love was quite dashing in black and red velvet, rhinestones and feathers. Mrs. Mock was our "country cousin" in a quaint hat and lace fichu. Mrs. Asa Jenkins ruffles were charming. A "symphony" in pinks and blues, pearls and fur had an especial appeal for the children. In his enormous and becoming dotted "oxford" tie, Mr. Love looked like a boy Alice in Wonderland. Mr. Mylander's apparel brought to mind "My Son John, one shoe off and one shoe on." Roger Cross' impersonation of "little black sambo" brought down the house.

Altogether it was a splendid get-together affair. The refreshments were delightful, delicious, refreshing; huge freezers of home-made ice cream; marvelous cakes (that can't be excelled) by the good housekeepers of our own home town, Manassas.

Among the guests were Misses Mary Call of Orange, Miller, Speiden, Davis, Good, Proffitt, Cannon, Evans; Messrs. Lewis, Love, Peters, Fisher, Jenkins, Mylander; Rev. L. F. Miller, Mr. and Mrs. Amber, Mr. and Mrs. R. A. Hutchison, Mr. and Mrs. Wetherall.

In accordance with the custom of the social meetings of the class (which is a memorial to the late Mrs. Margaret Barbour), there was a free-will or thank offering, and the treasurer was instructed to send \$25 to Miss Virginia Speiden, chairman of the organ fund. The heartfelt prayer by Rev. Miller was a benediction, and the assembly chorus "Blessed Be the Tie," an expression of Christian fellowship.

STUDEBAKER still stock car champion

OF INDIANAPOLIS
SPEEDWAY!

THIS year, the specially built racing cars swept the boards in the Memorial Day race at the Indianapolis Speedway. Not a car produced by a stock manufacturer was able to last the 500 miles.

The great performance at Indianapolis is still Studebaker's. In 1932 and 1933, the last time Studebaker contested, cars entered by the Studebaker factory finished brilliantly. In 1933, seven of the first twelve winners were Studebaker powered. In 1932, the leading Studebaker broke all previous time records for the race.

Get that speedway stamina in your 1935 car. Get a Studebaker—a Champion. You can do so now for just a few dollars more than you have to pay for one of the very lowest priced cars.

CATHARPIN

A large congregation greeted the visiting speaker, Dr. Pac C. Chan, of Canton, China, as he delivered one of the most interesting and instructive addresses it has been Sudley's pleasure to hear. Dr. Chan is a colleague of high rank and carries the title "Doctor" in both the medical and theological sense, and is a man of high culture and speaks as one having confidence and belief in what he says. It was a rare treat, indeed, to hear him describe his personal activities at home and his portrayal of Chinese life. It was all done in such a pleasant and understanding way that the children understood and thoroughly enjoyed his picture of child life in his native country.

The speaker was educated in the United States and now, after a lapse of some 10 years, returns to his Alma Mater to pursue some studies to further the interest of his new hospital in Canton. During his talk he exhibited a number of photographs and after the benediction the people gathered around giving him an informal reception which he seemed very much to appreciate; also they all had a good view of the photos of which one lady said: "I was just crazy to see them closer."

This was the second visit Dr. Chan has made to Sudley. During Dr. Hamill's term as presiding elder, he brought Dr. Chan here to address the meeting and it was one of those occasions when the congregation brot dinner and ate on the lawn under the trees. Dr. Chan pointed out the tree under which he sat during the "feasting" process and seemed to have enjoyed the experience very much. Well it was all most delightful and Sudley will remember the speaker with much pleasure for a long time to come. His prayer at the close of his address was so comprehensive, so fitting and so cosmopolitan that one could not help being impressed. Dr. Pac Chu Chan—the Chinaman—will live a long time in Sudley's heart.

Mr. and Mrs. Andrew Pringle and daughter, Sarah, and Mr. Knott, all of Alesia, Md., were guests in the Catharpin neighborhood over Saturday, and Sunday last paying special attention, of course, to Mrs. Pringle's mother, Mrs. Mary E. Wilkins, of Sudley.

Mr. Edward Pattie of Quantico, son of Mr. and Mrs. E. N. Pattie, was a week-end visitor to the parental home last week.

The Sudley Young People's organization held its regular monthly meeting at Oakwood on Thursday evening of last week with Mrs. Caldwell and Mrs. McDonald as hostesses of the occasion and furnishing refreshments. Sudley has a number of fine young people and is justly proud of them.

Miss Frances Robertson and Miss Edith Morrison accompanied Mrs. J. M. Piercy and daughter, Virginia, to Blacksburg last week where Mrs. Piercy's son is a student at V.P.I. and where the son joined the party for the return trip home.

Mrs. J. W. Alvey and son, Lynn, left on Sunday morning for Lawrenceville, Va., for a visit with Mrs. Alvey's sister, Mrs. E. S. Clary, of that city.

Mr. and Mrs. R. A. Collins of Marble Hill "A visiting went" last week and never stopped until they had reached Natural Bridge, Clifton Forge and several other places where they had friends and relatives awaiting them. They report a very pleasant sojourn.

Miss Ann Robertson of Lawn Vale is taking a vacation after her year's work in high school and is visiting friends and relatives in Richmond and Petersburg.

The third quarterly conference of the Sudley circuit will be held in the lecture room of the Sudley church on Saturday, the 15th, beginning at 10 a.m. with the presiding elder, Dr. J. Howard Wells, in the chair. In the old days, these quarterly meetings were regarded with much favor by the membership in general and were largely attended; but in the "New Days" attendance has been declining until the officials only were attended and sometimes not all of them. It is now desired to have the congregation participate more fully in the business transactions of the church and to feel the meeting belongs to the membership. It is hoped many will attend at this time.

Mr. and Mrs. W. Holmes Robertson spent Monday of this week among relatives in Delaplane, Va.

Misses Rose and Betty Trible, young daughters of Mr. and Mrs. J. S. Trible of Teumseh, are visiting the Misses Betty and Frances Brower of Lone Oak for a few days this week.

Little Miss Rita Robertson is indulging in the delights of a case of German measles at this writing. School must be closed up some how, you know.

Did you ever hear this one? Maud Muller, on a summer's day Raked the meadows sweet with hay? Well, if Maud, with her old "torn" hat were here just now she would be

some busy young lady if she attempted to rake all the hay being harvested in this neighborhood, this season, for Old Mother Nature certainly has laid herself out in trying to produce a bumper crop of that important commodity; she must have heard of the increasing horse population throughout the country and is doing her level best to meet the emergency. She has even fulfilled that old couplet we have all heard so often—

A wet and windy May
Fills the farmer's mows with hay,
For the grass is so thick and tall that the faithful old mowing machines, which have served so faithfully all these years, break down in grief

when unable to cut it. Certainly Nature is doing her part to furnish "fuel" for the new, old "horse power" now rapidly coming into favor after a lapse of several decades. Not only that but wheat and corn seem to be vying with each other in trying to convince the New Deal that they have been functioning so long as "free agents" in their own particular line of business that they can still "carry on."

CALLIE GREENE LIGHTNER

On May 31, Mrs. Callie Greene Lightner died at her home, Maple Spring, near Haymarket, Va. She was the daughter of Nimrod E. Greene, a member of the famous Black Horse Cavalry of the Confederate Army, and Amanda Virginia Wheatley.

She was born April 19, 1871, and at the age of nineteen married Milton H. Lightner. During the early years of their married life they lived in Augusta County, Va. From Augusta County they moved over thirty years ago, to the farm, Maple Spring, about a mile from Haymarket.

Mrs. Lightner is survived by seven children, Dr. Gordon H. Lightner, of Hawaii, Mrs. Lillian Norman of Purcellville, Virginia, Lewis, Wheatley, Nimrod, Jane and Jack of Haymarket, Va., by numerous grandchildren, by one sister, Mrs. Fravel, and by one brother, Milton Greene, of Augusta.

She was a member of the Haymarket Chapter, U. D. C. For several years she has been an invalid and has not been able to take an active part in the community life but the esteem and love which were felt for her by her friends and neighbors were shown by the numbers who attended her funeral and by the beautiful floral offerings. On Sunday afternoon, June 2, she was laid to rest in St. Paul's Church yard at Haymarket.

NOKESVILLE

In the death of Mr. Carl Swartz on Saturday last, June 8, Nokesville lost one of its best and most useful citizens. Mr. Swartz was the son of Mr. Frank M. Swartz, a well-known farmer of this neighborhood.

He had been employed at the garage of Mr. Ernest Spittler for many years. Born thirty-seven years ago in Luray he had spent most of his life in this neighborhood being a consistent member of the church of the Brethren.

Services were held on Monday at the church here, Rev. George Beahm assisted by Rev. A. K. Graybill, officiating. Burial was in the family burying ground at Luray.

Mr. Swartz leaves his father and mother and two sisters, Mrs. Emory Gray of Catlett and Mrs. Beahm of Washington; two brothers, Billie and Harold Swartz of Nokesville, and a host of friends to mourn his death. The sympathy of the entire neighborhood goes out to the bereaved family. Miss Pauline Wells, who has been taking treatment in Emergency Hospital for the past week, is much improved.

The poultry house of Mr. J. I. Payne was burned on Tuesday night of this week with a loss of about 350

chickens. The fire was supposed to have caught from the brooder stove. Miss Dorothy Armede McMichael is spending this week visiting her aunt, Mrs. A. Ewing McMichael, of Nokesville. Miss Margie Graybill is spending her vacation at the home of her father, Rev. A. H. Graybill.

Over their pit and coffee, truck drivers
praise their FORD V-8's

80 HORSEPOWER V-8 TRUCK ENGINE

This is an ideal power plant for haulage work. It has ample power for tough jobs, yet is as economical to run as a "4."

Important features include: Dual carburetion, exhaust valve seat inserts, high-leaded bronze floating connecting-rod bearings, cast alloy crankshaft and cam shaft, light weight alloy pistons and a new crankcase ventilator.

The compactness of the V-type engine and its new forward location gives greater loading space ahead of the rear axle. Ford also offers the low cost Engine Exchange Plan and other exchange privileges—such as generator, fuel pump, carburetor, etc.—that reduce maintenance costs.

HUMAN nature is much the same—everywhere. If a driver likes his truck he takes good care of it . . . But if it is hard to ride . . . if it lacks power or speed . . . if the brakes won't hold—if the clutch slips or the engine overheats—look out, for there is a truck that's headed for the scrap heap.

Drivers brag about their Ford V-8's—they like the way the 80 h. p. engine handles heavy loads. They like the husky full-floating rear axle with torque-tube drive and radius rods—the rib-cooled brakes—the new centrifuge clutch and the roomy insulated cab. Drivers take good care of their Ford V-8 trucks—haul more tons more miles and earn owners more profits.

Regardless of your haulage needs you will find by investigation that Ford V-8 trucks will do a better job at less cost per ton mile.
