MANASSAS, VIRGINIA THURSDAY, OCT. 17, 1935

YOUNG DEMOCRATS CONTINUE ACTIVE

A very interesting and instructive meeting of the Young Democratic Club of Prince William County was held last Friday night at the Court House. The meeting was presided over by Mr. William T. Sweeney, vice-president.

Mr. R. C. L. (Dick) Moncure, president of the Falls Church Club, was present, and gave a very helpful and interesting resume of his club's history, and of the methods employed in increasing membership and raising funds to carry on their political, social, civic and athletic activities. He explained how they co-operate with the Parent-Teacher Association and stated they had sponsored baseball, basketball and boxing teams, and installed a furnace and athletic equipment in their school gymnasium.

Senator John W. Rust was a guest of the club, and introduced Hon. Chas. H. Brough, former Governor of Arkansas, who is now Chairman of the District of Columbia-Virginia Boundary Committee.

Governor Brough extolled the virtues of his native state and delighted the club with his witty remarks about that great baseball trio, "Dizzy and Daffy" Dean, and "Schoolboy" Rowe, all of whom he knew personally back in Arkansas.

In appreciation of Governor Brough's fine address and Senator Rust's interest in the Prince William Young Democratic Club, it was voted that they both be made honorary members for life.

In an effort to build up the club and increase membership, it was voted to hold regular meetings at various places in the county, and appoint precinct committeemen to take care of the arrangements for such meetings.

It was decided to hold the next meeting of the club at the Court House on Wednesday, October 23, at 8 o'clock.

Plans for the 1935 Red Cross Roll Call Drive got under way last Tuesday night when the Roll Call Committee of the Prince William County Chapter met at the call of the new Chairman, Rev. John M. DeChant. Last year Virginia led all the states in increase of membership in the Red Cross. It ought to be a matter of pride to every Virginian that Admiral Carry T. Grayson, a native son of our State, is the National Chairman of the Red Cross. He is confident that the state will do big things for the organization.

CORN-HOG REFERENDUM SET FOR OCTOBER 26

A referendum on the question of whether there will be a corn and hog adjustment program in 1936 will be conducted among all corn and hog producers on Saturday, October 26. The investigation by the Agricultural Adjustment Administration, which included a hearing held in Washington on September 26 and 27, has shown economic justification for another program.

The practicability and effectiveness of a program will depend upon the support of producers in answer to this question: "DO YOU FAVOR A CORN-HOG ADJUSTMENT PROGRAM TO FOLLOW THE 1935 PROGRAM WHICH EXPIRES NOVEMBER 30, 1935?" The referendum by secret ballot will be conducted by county and community corn-hog committees and by the extension service. Community polling places will be open from 8 a.m. until 10 p.m.

The meeting of the Gainesville District members of the Manassas-Prince William County Chamber of Commerce which was scheduled to be held in the Masonic Hall at Haymarket on Thursday, October 17, has been postponed until Tuesday, October 22, at 8:00 P. M., due to Dr. Wade C. Payne, who will preside over the meeting, being out of the county.

The regular October meeting of the Chamber was held at Haymarket, which Verbon Kemp, General Secretary of the Virginia State Chamber of Commerce, spoke on the "Town and County Chamber of Commerce." This was the most enthusiastic meeting that has been held since the organization of the Chamber of Commerce and quite a number of those present signified their intention of becoming members.

The Chamber of Commerce has a very definite program planned for latter part of this year and the first part of next year and every effort is being exerted to push this program to a completion.

C. C. Cloe, president of the Chamber, announced today that the present plans call for the November meeting to be held at Nokesville. This meeting is scheduled for November 14.

FESTIVAL PARADE SCENIC DISPLAY

The Fifth Piedmont Festival passed into history last Friday with the plaudits of Northern Virginia and Washington City.

The parade was certainly as good as any which we have had and both the arrangement and management of the procession reflected unusual credit on the festival organization.

The line-up of the parade last week was followed very closely and effectively. The Journal hopes to produce some photographs in the near future showing several views of the procession, whose most interesting features were made possible by the co-operation of our laboring counties.

Probably the most intensive representation was from Culpeper County which had two marching contingents, a band and fire apparatus.

The early morning saw the second annual dairy judging contest in which approximately a hundred boys took part. Nokesville, Manassas and Fairfax captured the first three prizes respectively. Other individual herewith.

High individuals, all breeds—First, Hunter Greenlaw, Falmouth; second, Elmer Lunsford, Manassas; third, Sedwin Smith, Nokesville; fourth, Douglas Russell, Nokesville; fifth, Clinton Williams, Bealeton; sixth, Earl Legge, Fairfax; seventh, T. Jeffries, Culpeper; eighth, Arlie Vance, Manassas; ninth, K. Brown, Culpeper; tenth, Vincent Sutphin, Fairfax; eleventh, Robert Ramey, Marshall; twelfth, Woodrow Jenkins, Criglersville.

Jerseys—First, Earl Legge, Fairfax; second, Hunter Greenlaw, Falmouth; third, Lester Hawkins, Sperryville.

Guernseys—First, R. Apperson, Culpeper; second, James Strother, Marshall; third, David Hedlin, Calverton.

Holsteins—First, Nelson Gram, Fairfax; second, Robert Harrell, Falmouth; third, Lauck Yowell, Culpeper.

Raymond Fishpaw, a graduate of Handley High School, Winchester, and son of John M. Fishpaw, Clark County, was the coach of the first and second high teams. He is agricultural instructor at Nokesville and Manassas. Besides placing the two high teams in the contest, he also had three of the four high individual judges on all breeds. This is Fishpaw's first year as an instructor.

Parade Awards
The judges, who were stationed on Grant Avenue, made the following awards at the conclusion of the parade, most of which were received with popular acclaim. The results are announced as follows, the winner in each first place, receiving a silver loving cup.

The best appearing Fire Dept with apparatus—First, McLean; second, Culpeper; third, Clarendon.

The best military school unit—First, Washington and Lee High; second, Alexandria.

The most artistic float—First, Arlington County; second, Manassas Kiwanis Club; third, Loudoun County.

The most appropriate float—First, Manassas 4-H Club; second, Fauquier County; third, Culpeper County.

The best commercial float—First, Chestnut Farms Dairy; second, Brown and Hooff; third, Manassas Motor Co.

It would hardly be possible to mention all of the pretty sights or to give individual credit to all of those who contributed to the success. Probably no one other single factor was so potent as the glorious weather.

As stated above other views and more details concerning the pageant will be published in an early issue.

DOUBLE WEDDING AT HAYMARKET

An interesting double wedding took place on Saturday afternoon of October 5 at Haymarket, Va., when Miss Ruth Pauline Griffith, of Washington, was married to Mr. William Ralph Elliott and her sister, Miss Kathleen Lavinia Griffith, was married to Mr. James Robert Thomasson.

The ceremonies were performed in the Baptist Church by the Rev. Barnett Grimley. The church was beautifully decorated with ferns and autumn flowers. The brides were attended by Miss Emma Rhea Elliott, niece of the bridegroom and Miss Mary Virginia Griffith, sister of the brides. Mr. Herbert A. Elliott and Mr. Walter K. Elliott brothers of the bridegroom were best men.

The brides were dressed alike in white dresses made on princess lines and each carried a sheath of white lilies. The maids of honor were also dressed alike in wine color velvet and their corsage bouquets were of tulle and roses.

A reception followed in the home of the brides' aunts, Misses Edna Griffith and Joy Ann Griffith.

The young couples left for a wedding trip to points in the South. Mr. and Mrs. Elliott will make their home in Washington and Mr. and Mrs. Thomasson will live in Virginia.

WOMAN'S CLUB ACTIVE IN CIVIC AFFAIRS

The Dairy Festival which is enjoyed each year by everyone, is especially enjoyed and appreciated by the Civic section of the Woman's Club for at that time there is a general cleaning up by many property owners in town. This seemed to be especially true this fall and it surely gladdened the hearts of the members of the Civic Committee.

Prior to the day of the Festival, several of the property owners were approached by members of the Committee who asked cooperation in making certain improvements. We are glad that in most instances these requests were granted. Some, however, were not carried out fully but we feel that this was not from lack of interest, but just that at that particular time everyone is so busy. It is the hope of the Committee, however, that all property owners will cooperate with them in making improvements wherever possible about town.

We are also glad to report that Woman's Club it was voted to take at the last meeting of the Manassas out a membership with the Manassas-Prince William County Chamber of Commerce and the chairman of the Civic Committee, by virtue of her office was authorized to represent the Club. We feel that through cooperation with all organizations in our midst, the most good can be accomplished.
