KIWANIS WORK IS REVIEWED

Underprivileged Child Committee Receives Thanks.

The Kiwanis Club held its family meeting in the home economics room at the high school last Friday at which time the 4-H Clubs served the meal.

A very pleasant touch of hospitality was added when the girls pinned beautiful roses on all of their guests.

President Dick examined the batting order of the orators and called on Col. Robert Hutchison to say a word of welcome to the ladies present which Col. Hutchison did in good style.

President Dick then called on Al Hooff as chairman of the program committee and Al called on Jim Bradford of the underprivileged child committee who called on Mrs. Dick Haydon who called on Mrs. Blakemore who later called on Miss Ethel Robinson, of the Bennett faculty.

Each one of the speakers in turn explained briefly the purpose of the program which contained many complimentary phases by the ladies for the assistance given to the Bennett health committee in their work.

Mrs. Blakemore explained in considerable detail just what the health committee had done. She was very gracious in her thanks to the Club.

Miss Robinson, speaking for the faculty, gave a graphic picture of the year's accomplishments in the following language.

"In many of our minds the most outstanding pieces of work done at Bennett during the term of 1935-36 were serving lunch to the underprivileged children and having dental corrections made for 141.

"One, who has not seen these children at lunch or who has not watched the increase in weight and the improvement in the work done by them, cannot realize the importance of these lunches.

"In September there were many cases of under weight children; in June a large percentage had been eliminated. The decrease was largely due to the hot lunches.

The dental work was a new project for this past session. We have been trying for several years to have something done along this line but the odds always seemed unsurmountable until the health committee of this year started to work.

"These ladies deserve an unlimited amount of credit for the time and energy they spent but if it had not been for your very hearty co-operation this splendid piece of work could not have been accomplished.

During the term of 1935-36, 389 children received O. K. slips from their dentist, 141 of these children were sent by this health committee.

"Many of the children, who paid for their own work, would not have had the corrections made had it not been for the influence of the health committee, the other children and the teachers.

"For an example to show how much interest was shown, one little girl, who had a few chickens, saved the money which she received from the sale of the eggs until she could have her teeth corrected.

"For several days I had only one child keeping my room from having 100 percentage dental corrections. Any one, who could have seen this child's face when he returned with his O. K. slip or could have heard the other children's exclamations of joy, would most certainly have felt more than repaid for his share in this work.

"The full effects of this work will probably be felt next term but most certainly these facts are true.

1. The patrons of Bennett School are tooth conscious and as a result will watch the teeth of their children more carefully.

2. The attendance of the school was raised. It was not at all uncommon to have a child absent due to an aching tooth.

3. The quality of work done by the child was improved. Better attendance means better work.

4. The personal appearance of the child was improved. The children were much more careful about cleaning their teeth and their general appearance.

5. The standards of the school were raised.

"In September of 1935 we had less than 10 percentage perfect months in the school against 94 percentage in June of 1936.

ANNUAL SUNDAY SCHOOL CONVENTION

The annual convention of the Sunday Schools of Prince William county will be held in Manassas, Tuesday, June 30. There will be two meetings, the first in the afternoon at 1:30 in the Presbyterian church. The other will be held in the Methodist church at 8 p.m.

The speaker of the evening, one well known in this county, is Rev. Guy West of Roanoke. His subject is "Christian Youth Building a New World." There are to be, too, a member of local speakers.

Among the matters of importance to be decided is the possibility of a part or full time worker who is to teach religion education in the schools of the county. This is not a new idea, but it is hoped now that the time is ripe to put the matter into actual effect.

SEC. MOORE DELEGATE AT LARGE

Perfect Harmony Marks the Norfolk Convention.

Prince William's delegation was right on the job and early Tuesday morning in Norfolk, caucusing and naming Mr. C. C. Cloe as its candidate for delegate from the 8th District to the general convention at Philadelphia next week.

The meeting of the 8th district caucus was just as harmonious as any of the day. Prince William was successful in its one nomination and attempted no further honors.

The speeches at the convention were all of one nature more or less and that was endorsement of the National Administration. Numerous demonstrations were given for the prominent members of the party who were present. In fact they were so vociferous that one hardly knew when one had stopped and another started. The Norfolk paper dampened the one that Mr. Price received as it predicted that one was to be expected. It was evident that such was the case although the exact amount of manufactured enthusiasm was hard to define in this case.

The fact is that many were still yelling for Harry Byrd and did not know that their calls were being mixed with demands for Gov. Price. When Mr. Price did rise, he offered a resolution to wire good wishes to Claude Swanson, and was promptly balked out by the resolution committee for offering a resolution not first referred to that group. His talk was rather brief and full of energy.

The remarks of Harry Byrd, who would do naught but bow to the crowd in the morning, were very genuine. Both he and Mr. Glass offered no apologies for their opposition to Mr. Roosevelt within the Party, but like the Governor of Georgia, they made it plain that their fight was limited within the Party household.

Carter Glass exhibited emotion that the old warrior was unable to conceal when he thanked the Convention for the acclamation within the State in which he is again the undisputed candidate for Senate next November.

Hon. Walton Moore goes to the Convention as a delegate at large, an honor for this District and a circumstance said to be very pleasing to the National Administration.

The names of those attending from the county are as follows:

Mrs. W. W. Sisson, G. C. Russell, Mrs. Janet R. Murphy, D. E. Earhart, C. B. Fitzwater, C. C. Cloe, Janice C. Abel, G. W. Herring, E. R. Conner, A. S. Boatwright, L. J. Bowman, L. W. Huff, Thomas H. Lion, P. Pandazides.

TO HOLD SERVICES IN OWN CHURCH EDIFICE

Services in the Manassas Baptist church will be held there again after an interval of over six months due to the fire last November 17. The hours of services are as scheduled in the regular columns.

The structure has been completely restored, a brand new organ and all other furnishings new which were damaged by the destructive blaze.

MANASSAS TO PLAY QUANTICO

The Manassas baseball team will play the Quantico Indians Sunday, June 21, and the game promises to be an interesting one. The Manassas team has had regular practices, and appears to be in excellent condition. Pitching for Manassas will be either Dreifus or Kite.

Everyone interested in baseball should come out to this game, as it promises to be a good one.

NOKESVILLE HIGH SCHOOL FINALS ON WED. NIGHT

The Nokesville High School commencement exercises held at the auditorium on Wednesday night, June 3, was the most interesting given in recent years and was a fitting climax to the week's activities. The music was furnished by the glee club and the invocation was asked by Rev. W. P. Good. The speaker of the evening was Mr. William Cole, commonwealth attorney of Fredericksburg. He gave a masterly address on the theme "Happiness."

Mr. William Lloyd made a few remarks before presenting the diplomas and we know that the graduates were thinking many times during the evening the words of their motto "Tonight We Launch Where Shall We Anchor?"

VETERANS BONDS ARE RELEASED

Prince William May Receive \$300,000.00.

On Monday of this week the nation's World War veterans were handed their bonus bonds through the facilities of the post office department. On this day delivery began on the largest American payroll in history.

The registered packages contained for each veteran a bond in payment of the bonus of \$1.00 for every day served in this country and \$1.25 for the days overseas, except for a deduction of 60 days in each kind of service for which no payment is made. The average veteran is said to receive around \$550.00 varying from a few dollars to those who saw little service, to over \$1500.00 in certain instances.

In Prince William County the bonus payments are estimated variously, the total of \$300,000.00 not being held by informed sources to be too high. As to the percentage of bonds which will be immediately cashed, estimates run around 15 percentage.

In Virginia it is estimated that \$36,811,791.00 will be handed to the veterans in the form of bonds, which may be cashed in Richmond, through the local post office.

"Notwithstanding the great political advantage that might result in the release throughout the nation of this vast amount of money, President Roosevelt vetoed this legislation on the grounds that no great disbursement like this should be made without there being some practical provision by taxation or other revenue to finance the government's obligation. The Virginia delegation in Congress also took this view and opposed payment without any provision as to where the money was coming from.

MR. AND MRS. E. HURST ENTERTAIN AT ANNIVERSARY PARTY

Mr. and Mrs. Earl Hurst entertained their bridal party and their friends Saturday night at Lake Jackson Tavern at an anniversary party which was in the form of a "Weenie Roast."

David Miller and Ted Reynolds of Washington, house guests of Mr. and Mrs. Hurst last week end, and Misses Jane Elliott, Pauline Boling, Rena Bevans, Ellen Bisson, Christine Meetze, Nina Dalton, Hilda Moser, Frances Boling, Veta Marine Draper and Messrs. John Henry Burke, Jr., Edwin Beachley, Robert Leith, Edward Dalton, George Botts, Robert Teates, Maurice Smith, Bobby Davis, John Roseberry and Mr. and Mrs. Stanley Owens.

YOUNG DEMOCRAT WILL HOLD DANCE AT HAYMARKET

Plans are nearly complete for the dance which the Young Democratic Club of Prince William County will hold in the Haymarket school auditorium on Friday night, June 26.

A very popular orchestra has been engaged, and dancing will begin at 10 o'clock and end at 2. There will be a door prize and refreshments, and inasmuch as this will be the first social feature of the season sponsored by the Young Democrats, a good attendance is expected.

Number of Them Write Acceptance to Senator Rust.

PLANS ARE SHAPING

Drafts of Battle Field Offer Places of Advantage for Spectators.

With high officials of the United States, state dignitaries and distinguished citizens heading the list of those invited to be guests, preparations are being made to welcome thousands of persons to Manassas and Prince William county on July 21 to witness the reproduction of the famous first Battle of Bull's Run.

The co-operation of all residents of this community is asked in making the day one of great pleasure for the visitors, who will find in coming here an unusual opportunity for the assimilation of historical knowledge.

Letters of acceptance are coming in almost daily now from persons of wide note, which indicates that great interest is spreading in the event.

The various committees are giving much of their time to preparations for the affair. They are carrying on communications with authorities in Washington, Richmond and other places anent the military outfits to stage the re-enactment in the battle-field theatre. They report that the war department assures hundreds of officers and soldiers will be put into the field for the operations.

The committee is making arrangements for stands which will be available to the spectators.

Drafts have been made and copies printed of the topography of the area concerned, with special regard to roads leading into the county and to the places of advantage. Also, the drafts are available for the purpose of studying the layout for maneuvers as well as concessions.

Only five more weeks will elapse before the date arrives, so no time is being lost to have all in readiness for such a memorable event.

NINA HELEN HAYES

Miss Nina Helen Hayes, age 79, who had been in poor health for several years, died at her home on Grant Avenue on Monday evening.

Miss Hayes was born in Lincolnshire, England, on July 22, 1857, and was a daughter of Christopher Thomas and Charlotte Marshall Hayes of England.

While still a young girl Miss Hayes moved to America and, with her parents, settled at Warrenton, Va., where her brother, P. V. Hayes still resides on the old home place.

After the death of her father, Miss Hayes went to the Hawaiian Islands where she spent many years and upon her return to the United States, she made her home with her niece, Mrs. C. Wade-Dalton, where she resided for about ten years.

In the early spring of 1935 she moved into her own home on Grant Avenue where she was living at the time of her sudden death on Monday night.

She is survived by her sisters, Mrs. W. H. Haydon of Manassas, and Mrs. Jack Curwin of Berwin, Pa., and three brothers, Mr. Harry Hayes of Winchester, Va., P. V. Hayes and E. O. Hayes of Warrenton.

Funeral services were held from the Episcopal Church in Manassas Wednesday at 2:00 p. m., Rev. A. Stuart Gibson, officiating. Burial followed in the Hayes family lot in Warrenton.

Pall bearers were her nephews, Messrs. Marshall Haydon, R. C. Haydon, Victor Haydon, Harry Haydon, Christopher Hayes and Frank Haydon of Clarendon.

Miss Hayes will be remembered by all who knew her for her cheerful and loving disposition and will be greatly missed by her many relatives and friends.

PROF. HAYDON RETURNS

Prof. and Mrs. R. C. Haydon and family, who were at Rehoboth Beach, Delaware, for a brief vacation were called back to town by the sudden death of Mr. Haydon's aunt, Miss Nina Helen Hayes, on Monday.

ALOHA-DE TO HAWAII
On the shores of Ole Hawaii,
The band keeps playing Aloha-oe,
And sun kissed beauties dance.
To the rhythm,
Beneath the brilliant vouganvilla trees.

The ship is slowly, slowly sailing,
Farewell to balmy days and nights,
And to the Coral shoes of beauty,
Aloha-oe, to the golden sight.

Ewa, they dance away,
By fading music from the sea,
Aloha-oe, to Ole Hawaii,
Aloha-oe, to me.

SONGS AND SLOGANS

Songs and slogans are a significant part of the spellbinding of the Nation's major and minor politicians during an election year. They always have been and this year promises to be no exception.

Th ereults has been to make the chapter on songs and slogans one of the brightest in American political history. The high lights of it will be reviewed in the Sunday Star, June 21, in a vividly written, illustrated article in the feature section.

CHRISTIAN SCIENCE

"God the Preserver of Man" was the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, June 14.

The Golden Text was "Fear thou not; for I am with thee; be not dismayed; for I am thy God: I will strengthen thee; yea, I will uphold thee with the right hand of my righteousness" (Isaiah 41: 10).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Therefore take no thought, saying, What shall we eat? or, what shall we drink? or, Wherewithal shall we be clothed? But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you" (Matthew 6: 31-33).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The divine Mind, which forms the bud and blossom, will care for the human body, even as it clothes the lily; but let no mortal interfere with God's government by thrusting in the laws of erring, human concepts" (p. 62).

CHRIST FOR ALL—ALL FOR CHRIST

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in after years.

GOD RULES WITHIN: I will put my Spirit within you, and cause you to walk in my statutes, and ye shall keep my judgment, and do them. And ye shall dwell in the land that I gave to your fathers; and ye shall be my people, and I will be your God.—Ezekiel 36: 27, 28.

HOOVER BOWS HIMSELF OUT

The Republican convention gave Herbert Hoover a rousing reception, reminiscent of those two automobiles-in-every-garage and a chicken-in-every-pot-days of blessed memory. It was a reversion to that glad time where people acclaimed the "Great Engineer," hailing him as the persecutor of a new era in which men should "bid adieu to all their fears and wipe their weeping eyes."

The former president was made exceedingly happy for we are all grateful. He has had four lean years as measured by the scale of popularity. Defeated and crestfallen, he retired to his California home to ruminate over the ingratitude of his fellowmen.

During those sequestered years, few of those who fawned upon him when he was all-powerful traveled the beaten path to his doorway. No wonder he was thrilled and inspired by the spontaneous welcome his Republican friends roared for him in Cleveland.

From the standpoint of those who agree with him, Mr. Hoover made a masterful address. If destructive criticism makes it so, it will go down in political history as a classic. But we hazard the opinion that it will not be taken as a text by Republican spellbinders in the coming campaign. Because it bears the Hoover label it will fail to click.

Let's see: Mr. Hoover was president from 1928 to 1933. In 1929, one year after he entered the White House, a nationwide catastrophe occurred. Except to throw the federal budget \$5,000,000,000 out of balance, during three whole years this "Great Engineer" was unable to erect a structure that would dam the economic torrent engulfing the nation.

Thrift finds its best expression and most satisfactory results in the development of the habit of banking regularly.

Carry your accounts through your local bank and maintain a substantial balance in your checking account. You will be delighted with the result.

This friendly bank has a constantly enlarging circle of satisfied customers. May we also serve you as we do hundreds of other friends of this safe and efficient banking institution?

The Peoples National Bank of Manassas

Not only are Democrats conscious of the ex-president's impotency but his fellow Republicans as well. For the past week or since Mr. Hoover got himself invited to address the convention, party leaders have been trembling in their boots. They must be relieved now that the agony is over.

With the swan song off his chest, he will go back to Palo Alto, shorn of the last vestige of power as party leader. He is the most tragic figure in American political life—an other victim of this cruel, man-made depression. Has he had vindication? Yes, vindication scorned of devils. Only is left to him now the cold pages of history.—Suffolk News-Herald.

SHARRETT—RICHEY

Miss Janet Richey of Worcester, Mass., daughter of Prof. and Mrs. A. S. Richey, became the bride of Mr. Ralph L. Sharrett of Manassas at a beautiful six o'clock ceremony on June 9, in Worcester.

The bride wore a gown of ivory duchess satin, fashioned with a long train, and a long flowing veil held by a crown of heirloom lace. She carried white orchids and lilies of the valley. She was attended by her sister, Mrs. F. M. Fregans, as matron of honor and six bridesmaids, Mrs. Daniel A. Prescott of Stelton, N. J., sister of the bridegroom, Mrs. B. D. Betts of Brattleboro, Vt., Miss Virginia Hodgkins, Miss Dorothy Cronin, Mrs. Paris Fletcher and Mrs. S. W. Heald, of Worcester.

The matron of honor wore a gown of coral chiffon over flesh chiffon and carried an arm bouquet of talisman roses. The gowns of the bridesmaids, in turquoise, chartreuse, and mint green chiffon over flesh-color, were styled identically with that of the matron of honor. The bridesmaids carried bouquets of Johanna Hill roses and orchids.

Mrs. Sharrett, mother of the bridegroom, was gowned in coral chiffon and lace; Mrs. Richey, mother of the bride, wore cinnamon chiffon with corsages of orchids.

Mr. Sharrett was attended by Dr. Daniel A. Prescott as best man and six ushers, Messrs. R. M. Stobbs, J. L. Riley and F. M. Fregans, all of Worcester, J. M. Baldwin of Wilbraham, Mass., Donald Blanchard of Stoneham, Mass., and Richard J. O'Neill, Jr., of Garden City, L. I.

The processional and recessional music was played by Mr. Clifford Fowler Green, who gave an organ recital as guests were escorted to their places in the church which was beautifully decorated with white rhododendron and ferns.

About three hundred guests attended the reception at the home of the bride's parents after the ceremony. The house was massed throughout with flowers.

The bride cut the large heart-shaped wedding cake decorated with love-birds, wedding bells, and falling ribbons attached to tokens in the cake.

The couple was showered with rose petal confetti as they departed for a three-week honeymoon in Canada and Maine.

The bride is a graduate of the Northampton School and Russell Sage College; the bridegroom, of Clark University.

Kiwanis Work

Continued from front page.

"In the spring of 1935, 129 five point certificates were issued. This spring 272 were issued. This increase was due almost entirely to the dental corrections.

"The five point certificate is received by the child who has been the minimum standard setup by the State. If he has not met these standards he is materially handicapped.

"Anyone knows a child in order to do his best work must have perfect vision, hearing, throat, teeth and have the correct weight for his height and age.

"If the child meet these requirements, according to the teacher's judgment, he receives a red star. If he has a medical and dental O. K., he receives a blue star. If in addition to the medical and dental O. K., he has had the small pox vaccination, diphtheria immunization, he receives a golden star.

"This year we had 28 gold star children, 48 blue star children and 196 red star children.

"You have raised the standards of your school. For this piece of work I want to express to you the very sincere appreciation of the Faculty and Patrons of Bennett."

After Miss Robinson finished speaking she called on little Johnnie Bigelow to give his thanks on behalf of the student body. This was quite a job for Johnnie but he did it with good oratorical effect and received quite a hand from the club.

Hunton Tiffany of the inter-club relations committee announced an inter-club meeting at Fredericksburg on the evening of June 30 and members will please report to him whether they can be present that evening.

The approaching convention was also discussed briefly and emphasis

laid on the necessity of getting a big turnout.

CHILDREN'S DAY PROGRAM

The Woodlawn M. E. Sunday School will hold its annual children's day program this coming Sunday evening at eight o'clock. Mrs. Grover Bailey is arranging the program. Mr. J. W. Gough is superintendent of the school.

*Where a NUMBER appears following a name, it is to indicate the PARTICULAR farm upon which the higher score was attained.

Remarks: MAY followed the lead of April in bringing about a series of changes. Many of our producers, who heretofore have been satisfied with a good, general average score, have suddenly jumped right out in front and walked off with the prize money. Last month, our mutual friend, S. H. R. Fred (on his farm #3) came up from the rear ranks into second place. The record for May shows that he was really serious about it and with a still further reduction in "Bacteria count" (coming down to an average of 1,000 per c. c.) he steps into first place, dislodging Merkle B. Warfield who, while still having an excellent record, is forced into second place. Mr. Fred however, must not feel too secure in his present position as many others are constantly improving their

ratings. John R. Clemens, of Leesburg, Va., leaves the ranks and comes up into third place, while Mrs. Martha Ely also of Leesburg, goes from eighth to fourth place, and Clinton Ballenger, of Hamilton, Va. (who was formerly in first place) is again getting up steam and comes up from the ranks to the fifth position.

Mr. Alton D. Skillman, of Sterling, Va.; Mrs. Loraine M. Ballenger, of Herndon, Va.; Mr. G. S. Miller, of Bealeton, Va.; Mr. J. C. Storm, of McLean, Va.; and Mr. Elisha Warfield, of Gaithersburg, Md. have all moved forward into the prize winning classes.

To the winners we extend our heartiest congratulations while all others have our sincere good wishes for better luck next time.

Sincerely yours,

M. V. Davison

(Questions That Are Asked About Banking)

"Do Banks pay their expenses out of deposits?"

THE operating expenses of a bank are not paid out of deposits, because deposits belong to customers. These expenses are paid from the income a bank earns. A bank derives its income chiefly from interest on loans, returns on investments and charges for financial services rendered.

The earnings of a bank are used chiefly in three ways: first, to pay for salaries, insurance, equipment and other operating expenses; second, to build up a surplus for added protection of depositors and to set aside reserves as a safeguard against known liabilities and unforeseen contingencies; and third, to pay to stockholders, in dividends, a fair return on the money they have invested in the bank's capital stock.

In the management of this bank we endeavor to maintain maximum efficiency and keep operating costs at a minimum consistent with good service.
