ROANOKE DIVINE TO SPEAK HERE

Will Develop Leading Theme
of S. S. Convention.

It is hoped that every Sunday school in the county will be represented at the meeting of the annual Sunday school convention which will be held at Manassas Tuesday afternoon and night, June 30.

The afternoon meeting will begin at 1:30 in the Presbyterian church. The night meeting at the Methodist church beginning at 8:00. Much business is planned for the afternoon meeting and it is sincerely hoped that the Sunday school workers will plan to take part in the round table discussions for the advancement of the Sunday school work in Prince William county.

We cannot afford to shut our eyes to the fact that the crime situation in Virginia has been growing steadily worse for the past few years. In 1931, for example, the combined population of the State penitentiary, the state farm and the convict road camps was 6,827. In 1935, that number had increased to 8,989, a jump of more than 30 per cent. In 1931, the combined population of the city and county jails was 53,758. In 1935 it had increased to 74,599, a rise of a little more than 38 per cent. During the same period the group of juvenile delinquents in industrial schools increased from 1,029 to 1,210.

This so called spiritual illiteracy cannot be charged to heredity for, we all must agree, every child comes into the world with a religious nature and a definite capacity to live a religious life. So it seems it must be a condition which results from lack of opportunity for effective nurture; increase in the crime situation could not be laid upon the shoulders of childhood and youth. Many of us are reminded that the primary cause, then, may be attributed to the failure of the church to develop for the masses an educational program in harmony with the rapid development of many other phases of modern life.

The Sunday school has been a mighty factor in the religious life of Prince William county, but it could hardly be expected that the Sunday school on one day a week using one hour of that day, could take over and handle successfully a task which had formally occupied the very center of interest in education.

It now seems that the Sunday school, as now operated, will be unable to provide adequately for the religious nurture of the young people. We wonder if the development of character does not depend upon two factors. The knowledge of the right and a disposition to do right when we know that in Virginia only 35 per cent of the total white population is enrolled in Sunday school and many who receive no religious training. We are compelled to face these facts. Should we not feel that each one of us as leaders should assume our share of responsibility?

It is hoped that a large group of young people, as well as old, will come out to hear the Rev. Mr. West deliver the night address on "Christian Youth Building a New World." Rev. Mr. West has had a lot of experience in the field of Religious Education. Come and enjoy an afternoon and night of spiritual worship.

GRANT OF FUNDS TO BULL RUN POWER COMPANY

The Rural Electrification Administration at Washington has announced a grant of \$30,000.00 to the Bull Run Power Company of Prince William County for the extension of rural electrification.

Officials of the Company are not ready at this time to state definitely just where the new power lines will be extended but, when interviewed, stated that an announcement from the Company could be expected within a few days.

JOHNSON-PITTS

At noon today in the Methodist Church Miss Sarah Pitts became the bride of Benjamin Johnson. The marriage was solemnized by Rev. Compton.

The bride was unusually lovely in a travelling costume of white linen and carried roses.

Immediately following the ceremony the couple left for the bride's home in South Carolina.

Both young people are well known and very popular in Prince William County. They will reside near Manassas.

SWIMMING CLASSES TO BE GIVEN RED CROSS SPONSORS PROJECT

Immediately upon the return of Mr. Edwin Beachley from Annapolis where he is attending a course in First Aid and Life Saving, now being conducted by the American National Red Cross, a number of classes will be organized in Prince William county. Mr. Beachley who is chairman of First Aid and Life Saving in the Prince William county chapter is well qualified to teach these classes, and all who wish to take advantage of this splendid opportunity will apply to Mr. Beachley, after June 27. Make your application at once, as only a limited number can be accommodated in each class.

LEESBURG EXPERT ADDRESSES CLUB

Garden Club Reports on Many Activities

The Manassas Garden Club held its regular monthly meeting on Tuesday, June 23, at the home of Mrs. T. E. Diddle with the president, Mrs. Robert Hutchison present.

Reports were given of the recent flower show held in Trinity church Parish Hall and on the progress of the conservation committee in its landscaping of the Manassas-Centreville road.

Mr. Neal, state landscape engineer, will be here at an early date to go over the project and determine what portion the state can undertake.

Upon invitation from the Prince William Chamber of Commerce the conservation committee went before the group at its last meeting and told of the plans of the Garden Club for the improvement of the Manassas-Centreville Road.

The president of the Chamber of Commerce appointed a committee to serve with the conservation committee and the meeting was held Monday evening when ways and means were discussed.

Following the business session, the guest speaker, Miss Eleanor Chamberlin, who is president of the Leesburg Garden Club, and rosarian of Northern Virginia, was introduced. She gave a very delightful and most instructive talk on roses, which included preparations of soil, culture and habits of roses.

She brought a number of beautiful specimens from her experimental test garden of the newer varieties.

Mrs. Talbot Pierce, rosarian of the Leesburg Garden Club, made a short talk on rose cutting.

The club regretted having a small membership present to hear such a helpful talk but were pleased to have a number of guests present.

The July meeting will be held at the home of Mrs. Robert Hutchison.

MANASSAS WINS SHUT OUT OVER QUANTICO

Scoring all of its runs in the fifth and sixth innings, the Manassas baseball team shut out the Quantico Indians, 4-0, last Sunday on the local ball field. "Doc" Dreifus was on the mound for the locals and pitched masterful ball all the way, allowing only five scattered blows. Triples by Blackwell and Bradshaw enabled the locals to make their six safeties count.

The locals threatened at the outset. Vetter singled after two were out in the first inning and was advanced to third by Saunders' one-base tap. Buckner then grounded out second to first ending the inning. After the first inning the home team was unable to advance a runner farther than first base until the fourth.

"Dee" Vetter singled to right after Wurdemann had grounded out in the local's half of the fourth. Leith, hitting for Bowers, flied out to center for the second out. Blackwell then tripled down the right field foul line scoring Vetter with the first run of the ball game. F. Vetter grounded out to end the inning.

Coming up for the fifth, Saunders grounded out, Buckner was safe on an error and Dreifus walked placing men on first and second. Bradshaw sent one of Shelton's pitches to deep right for a three base knock scoring both runners and later scored on an error for the final tally of the ball game.

The visitors, unable to bunch their hits, never threatened and failed to advance a runner past second.

The home team will be guests of the Warrenton Wanderers this Sunday.

The Manassas Chapter, U. D. C. will meet at the home of Mrs. Lucy Washington, Wednesday, July 1, at 2:30 p.m. Mrs. Nancy Middlethorn will be assistant hostess.

ROOSEVELT NOMINATORS TO HOLD RALLY

CLUB MEMBERS SEE TRAVELOGUE

Kiwanians Also Greet the New Benedict in their Midst.

The ranks of the bachelors in the Kiwanis Club received a serious setback last week when J. Carl met with them the last time before becoming a benedict.

In view of the lovely picture (The Travelogue of Virginia) which Ben Pitts presented for the benefit of the Kiwanis Club and the Chamber of Commerce, there was no program other than the shower for Carl, details of which would hardly bear reproducing.

Notation was made for the last time of the International Convention which has been going on this week.

Ray Hall, of the Fredericksburg club, was present to invite the personnel of the Club to the interclub meet on June 30 at which time there will also be ladies night. T. I. Martin of Culpeper and Ben Pitts of Fredericksburg were also welcome guests.

It would be quite difficult to describe the wonders of the Travelogue. It kept the crowd spellbound for the entire period of the showing. History and scenery were blended in a most pleasing fashion.

YOUNG DEMOCRATS WILL SPONSOR DANCE AT HAYMARKET

What promises to be one of the outstanding social events of the season will take place Friday evening when the Young Democratic Club of Prince William holds its first dance in the High School Auditorium.

The Committee in charge of arrangements reports that an excellent orchestra which is very popular in this section has been engaged, and lively strains will fill the auditorium from 9 'til 2.

Delicious refreshments will be provided by the Ladies of Haymarket, and some lucky guest will take home the beautiful bronze bust of President Roosevelt which will be given away as a door prize.

The Club wishes it to be known that you don't have to be a member to attend this dance, and extends a special invitation to all the people in the County to come out and have a good time as guests of the Club.

Mr. Sweeney, president, announces the appointment of the following Committee chairman:

Mr. Dudley J. Martin, Manassas District chairman; Mrs. Janie Abel, chairman membership committee; Wm. Hill Brown, jr., chairman entertainment committee; W. H. Leachman, chairman publicity committee.

CIRCUIT COURT PROCEEDINGS

Allen Keller, on appeal, was fined \$50.00 for driving while intoxicated.

TO BROADCAST BATTLE EVENT

Committees Announced for Re-enactment of First Manassas

It is likely that the re-enactment of the First Battle of Manassas on July 21 will go on the air in a coast-to-coast hook-up.

Radio broadcasting interests are being contacted and daily and weekly newspapers are welcoming releases on all developments of the plans for the event.

The various committees associated with the celebration next month are getting down to the serious business of completing plans, making numerous trips and contacting such parties that have to do with making the day one of great success.

The various committees and their chairmen are: General chairman, Hon. H. P. Davis; reception, Hon. Howard W. Smith; invitations, Senator John W. Rust; finance, A. S. Boatwright; grounds and stands, E. R. Conner; concessions, and stands, C. C. Lynn; military, C. C. Cloe; traffic, W. T. Cocke; disbursing officer, C. A. Sinclair, and publicity, R. E. Hall.

The committees are eager for all Manassas and Prince William residents and others who are close to the community to lend their support toward making this one of the outstanding events in the state for 1936.

They feel that it will be only with the help that all may give that the event will be of the magnitude commensurate with the opportunity offered.

CLIFFORD BEAR

STATE FARMER

Clifford Bear was elected to the degree of State Farmer at the annual F. F. A. Rally which was held at V. P. I. June 16-18.

Out of the 5,675 F. F. A. members Clifford was one of the 70 receiving this honorable reward for doing outstanding work.

The judging teams left Saturday, June 13, and did some practice judging around Winchester. They were entertained very hospitably at the weekend. They left early Monday home of Mr. J. M. Fishpaw over the morning for Blacksburg.

Selwyn Smith, Clifford, and William represented the Nokesville Chapter, Clifford Bear being the high man of this chapter.

Elmer Lunsford, Clayton Libeau and Richard Vetter represented Manassas. Elmer Lunsford being the high man of this chapter.

Eugene Flory represented the Nokesville Chapter as a Alternate. Both teams showed a very creditable rating, Nokesville being 13 out of the 61 teams.

Mr. R. R. Fishpaw was very proud of the results.

Mr. Davies reports that on June 16 bonds amounting to over \$10,000 were handled.

ENJOYABLE DANCE GIVEN BY CLUB

Junior Women Hostesses to a Large Gathering of the Young Set.

One of the most delightful entertainments of the year took place last night when the Junior Woman's Club was hostess to the Manassas young social set at a dance given in the high school gymnasium. The club, which is composed of twenty-five young ladies, who make charity their outstanding objective, has heretofore set aside the month of June as its play season and given a picnic for its own entertainment, to which it invites its friends. This year it was decided at the May meeting of the club that a large number of young people could be entertained at a dance, and arrangements were made accordingly. Miss Mary Lynch and Miss Sally Lewis were appointed to take charge of the entertainment, and their tireless work in arranging every detail to perfection was evidenced by the immense success of the dance.

Miss Lucy Gibson assisted the chairman with equal fervor.

Each club woman was allowed to invite her date, another couple and a stag, so the guests numbered well over a hundred. The town orchestra furnished music and is to be highly complimented for the splendid way in which it performed. The Lake Jackson pavilion had been engaged for the dance but due to the inclement weather the gymnasium was resorted to in the final preparations. Delicious punch was served by Mrs. Joe Lyon, the club sponsor, throughout the evening.

Among the chaperones were Mrs. (Continued on page 8)

EDNA VAUX BIRKETT

Mrs. James Birkett, one of the most highly esteemed citizens of Prince William County, passed away at her home in Washington last Friday, June 19, at the age of 73 years. She had been ill for about two years.

She is survived by her husband, Mr. James Birkett, a daughter, Mrs. Robert Lee Lewis, and a son, Mr. J. W. Birkett, of Fairfax. Previous to her marriage she was Miss Edna Vaux Weir. Her family is one of long inheritance and prominence in Prince William. Her father was the late Edgar V. Weir, and her mother was before her marriage Miss E. M. Alexander. The other children were Walter D. Weir, deceased; Robert M. Weir, Commissioner of Revenue of Prince William county; Hattie B. Marsteller, deceased; May A. Norman, Baltimore; Norwood A. Cockerale, California; Lottie A. Wilhelm, California, and James Weir, of Arlington county, Va.

Edna Vaux Birkett was born in Manassas and was a life long member of the Episcopal church where her funeral services were held on Sunday, June 21. She and her husband donated the bell of the church in memory of their respective mothers, Mrs. Eugenia A. Weir and Mrs. Eliza Helen Birkett.

Services were conducted by Rev. A. S. Gibson and Rev. R. L. Lewis and Rev. Mr. Burke. The pallbearers were A. A. Hooff, Francis Lewis, Percival Lewis, Fred Hynson, James Bradford and O. D. Waters.

The passing of Mrs. Birkett was the occasion of deep sorrow in the community where she has lived so many years and where she was held in such high esteem. Her lovable character and sincerity in friendship had endeared her to a circle much wider than her immediate friends and relatives. The whole community suffered an irreparable loss.

Unique Event at Manassas Sponsored by National Committee.

On Saturday evening the Democrats of Prince William County will join the Roosevelt Nominators of the nation in nominating President Roosevelt as the standard bearer of the Democratic Party.

Never, before in the history American politics has it been possible for the rank and file of Democracy to actually participate in the nomination of a presidential candidate and those who attend and whose names will be placed upon the engraved rolls as original Roosevelt nominators will have participated in a manner to be viewed with pride in the years to come.

In effect the national convention at Philadelphia will adjourn to Franklin Field there, where in the presence of more than a hundred thousand participating nominators, and in radio contact with nominating rallies throughout the nation, President will deliver his address of acceptance.

The Nominator's Rally for Prince William County will be held at the Manassas High School at 8 p. m. on Saturday, June 27. Hundreds of letters have been mailed out to Democratic citizens of Prince William, enclosing tickets to the event. It will also be possible to secure tickets at the door.

The nominal price of each ticket is one dollar. Larger contributions are very acceptable to the National Committee, but the dollar admits to the Rally and places the contributor's name upon this historic honor roll of Roosevelt Nominators. The proceeds, of course, go to the National Democratic Committee, to aid in financing the national campaign which officially opens at this hour.

Mr. E. R. Conner and Supervisor Roland have headed the list with \$5 each.

Mr. R. D. Wharton, editor of the Manassas Journal, has been designated as chairman of the Finance Division of the National Democratic Committee for Prince William County. On the very short notice necessitated by the requirements of the national committee, a program has been arranged. The Rythm Ramblers have donated their services and through courtesy of Mr. Franklin Hibbs the radio broadcast of President Roosevelt's speech of acceptance will be heard at the Rally.

Purchasers of tickets to this Nominator's Rally are advised that these tickets will be honored at any other place where the rally is being held, and that the Prince William Rally will honor tickets secured from any locality.

TEMPLE SCHOOL PRESENTS PUPILS IN RECITAL

Two delightful programs were presented by the pupils of Temple School on Tuesday and Wednesday, June 16 and 17 at Trinity Parish Hall.

Tuesday's program was given by the younger students of music and dancing. After a few words of welcome, Mrs. Ellis introduced Miss Shirley Hynson, who then took charge as Mistress of Ceremonies. Miss Hynson very graciously presented the younger students whose various numbers were well received.

Miss Hopkins (the principal) presided over the program on Wednesday. After greeting the audience she called their attention to the participants of the program that evening. The youngest she told them were only three years of age while the oldest was just fifteen.

Each number was enthusiastically received by a large number of friends from far and near.

Much appreciation was expressed for the teachers, Mrs. Ellis and Mrs. Eloise Compton-Trimmer whose excellent training made possible these creditable performances.

Those who took part were Lea Milander, Bo Williams, Weston Emmett, Helen Bolte, Betty Lee Jenkins, Mary Catherine Seeley, Lois Cornwell, Norma Jeanne Wells, Carolyn Cooksey, Jackie Weatherall, Esther Sutphin, Sara Moylin, Chalice Haydon, Tucker Hubers, Virginia Lee Runalde, Susanne Bolte, Evangeline Jaimeses, Tomyns Monaghan, John Jaimeses, Helen Breeden, Marvin Gillum, Lelia Montague Dowell, Marie Bauserman, Althea Hooff, Margaret DeChant, Thelma Breeden, Shirley Hynson and Jocelyn Gillum.

FRATERNAL NEWS

District No. 5, O. F. A., J. M. Bell, district deputy, met with Stonewall Council, at Catharpin, on Saturday evening. State secretary C. E. Babcock was in attendance and made an interesting address.

It was decided to hold a district class in October to be known as the G. D. Baker Class, in honor of the man who was district deputy for so long but who retired last May.

The matter of the annual picnic was referred to the several councils for immediate action and advice. The picnic date will probably be between August 1 and 15, and somewhere on the Potomac river.

An open meeting and picnic was left contingent on the agreement of the Daughters of America to co-operate. The date was restricted to some time prior to August 1.

TODAY In Politics . .

by Geo. Dent

This is a political year . . .
The 17 year locust (cicada) made
a woeful mistake by coming out and
making an effort to be heard in this
year of our Lord. . . The drought and
Betty's new hat are secondary. The
Cleveland Convention turned on the
ultra violet rays of political bunkum
. . . Senator Steiwar knocked and
wrapped at the door of the New Deal
until the three year old paint on Jim
Farleys ivory dome blistered and
cracked. He (Steiwar) built as many
oratorical dams around the New
Deal as the New Deal has built dams
in the whole of the U. S. A. He
helped to sing "Three Long Years" to
the tune of "Three Blind Mice," and
brought forth a triple lead of Camp
meeting "Amen's" from the darkest
corners of the Convention Hall when
he led the delegates in singing Chris-
tendoms martial tune, "Onward
Christian Soldiers."

Keynoter Steiwar seems to have
slipped a cog in his frenzied hallu-
cination in denouncing the New Deal
. . . Steiwar reminds me of the bride-
groom, nervous but anxious—so an-
xious he forgot his pants. . . The Key-
noter was so anxious he forgot his
past vote in the Senate. You may re-
call that Keynoter Steiwar, as Sena-
tor Steiwar, voted for AAA, NRA,
TVA, CCC and the 1933 Banking Act.
He was also a first class New Dealer
as a senator because he voted New
Deal, Farm Bankruptcy Act, Housing
Act, Municipal Bankruptcy Act and
the National Labor Relation Act . . .
In fact, he whooped and sweated and
belowed with FDR's "Just as I planned
it."

You, my dear readers, no doubt re-
member your Biblical reading: When
Saul of Tarsus was changed he was
smote blind and then given his sight,
name changed to Paul and he (Paul)
became a crusader in a different field.
Not so with the Senator. He is still
Steiwar the Senator. He stands like
Brutus, ready to plunge his dagger
to the hilt into the carcass of the New
Deal Caesar. . . A most unkind wound
. . . Why didn't some brainy delegate
arise and ask for a confession? Why
do a thing and then damn it
without admitting ones error?

But, all is fair in love and war—all
is fair in politics vs politics. After
the Keynoter's keynote wafted its

way to the millions of bugs a great
dark pall seems to have settled over
the great Convention Hall and only
a Babel of voices could be heard . . .
All quiet on the Potomac, but not so
in Cleveland . . . A rumble as if of
distant thunder from out of the West,
and due time we see "Who but
Hoover" minus a chicken in a pot and
nary a garage with two cars, stand-
ing there as the burning bush stood
before Moses.

Attention! and the very Convention
Hall seemed to be charged with an
over load of condensed static . . .
Hoover speaks (and it was a good
speech) it is not worth while for me
to epitomize or go into details as to
what Mr. Hoover said . . . His last
words float away and out thru the
distant ozone, and from the hot and
perspiring delegates there goes up a
mighty howl of "WE want Hoover!"
for thirty five minutes by standard
time and the decibels of science could
hardly register the volume . . . It is
finished, Mr. Hoover walks away; Mr.
Borah, walks away; Mr. VanDen-
bergh walks away, and so down the
long line the would be candidates
march and leaves the Convention to
the political set up as all Con-
ventions have been left in the past . . .
Mr. Landon and Mr. Knox are weigh-
ed in and soon they will be wound
with tape and turned loose in the
squared circle. . .

Mr. Landon, lands first place; and
Mr. Knox, knocks a birdie for second
place . . . Now the convention at
Cleveland is past history . . . Will
some one please page Popeye to have
Olive Oil to bring on the Jeep . . .

Did you read the platform? The
New Deal was burned at the stake
with the same gusto that was present
when Joan the famous French lady
was fried to a crackling . . . It seems
to have been written with an eye open
and an ear glued to the political sod,
to hold to what we have, so far as the
industrial east goes, and at the same
time beckon to that elusive creature
the "Forgotten Man" . . .

The money and banking plank:
Money part lifted from the 1932 de-
mocratic platform, author, Carter
Glass . . . Banking, a deep and very
dark secret, covered simply by an
opaque haze . . . Mr. Landon's Gold-
en Telegram calling for a gold basis
payable in gold seems to have been
an after thought; a hook baited but held
in the fishing smack for the big bank-
ers, only to be thrown into the politi-
cal waters providing expediency
calls for a shot of more political
pabulum . . .

CHRIST FOR ALL—ALL FOR CHRIST

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in after years.

HOW TO TRUST: Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy path.—Proverbs 3:5, 6.

FAMILY REUNIONS

Time was when a family reunion was a matter of long preparation and much planning. Nowadays the member charged with the secretarial duty sends out the post-cards, the women of the household get busy with the picnic dinner, and on the morning of the appointed day the various scattered families mitch up their old flivvers and hop to it. The Family Reunion is more popular than the Sunday School picnic.

Pride in a family name is usually back of these gatherings of the clans. As our American civilization takes on ages, men think more of their forefathers and the part they played in the building of the great structure we call America.—Free-Lance Star.

DEFENSE OF A DOG LOVER'S SORROW

A St. Thomas teacher absented herself from her class a day and a half because of grief over the death of a pet dog. A doctor is quoted as saying that "any teacher who cannot bear out the post-cards, the women of various scattered families witch of up under the sorrow of the death of a dog is in no physical shape to teach school."

People who have dogs, or who have lost them, will not all assent to this view. In many homes the dog is a real "person," a member of the family circle, a friend as well as a pet.

It is quite possible that a school teacher, losing one of these friends would, whatever her physical condition, be incapacitated for her duties. Whether the resulting absence should be at her own or the municipality's expense is another matter altogether. But it is a mistake to suppose that the death of a dog will not seriously affect normal people to whom it has been companion and friend.—Toronto Star.

ALEXANDER-LEITH

The marriage of Mr. Charles Alexander and Mrs. Willie L. Leith was solemnized at the home of the bride on June 14 at 8 p. m. in the presence of a few near relatives of the contracting parties.

Elder R. H. Pittman, pastor of the Primitive Baptist Church officiated and Miss Virginia N. Speiden played the wedding music. The home was tastefully decorated with summer flowers, the ceremony being performed under an arch-way of pink roses.

The bride was attired in a suit of white crepe with accessories to match and wore a corsage of sweet peas. The couple were unattended. After an informal reception Mr. and Mrs. Alexander left for a short wedding trip and are now at home on West street. Their many friends wish them much happiness.

To the Editor of the Journal

In answer to a question by a number of the voters of the county, who are unable to understand why the Board of Supervisors has to date failed to act on the State's offer to pay 60 per cent of a fund of which the county's allocation for the outside poor becomes 40 per cent which sum would have, if the Board had acted in time, amounted to something over \$9,000 in this county for the year commencing July 1, 1936.

There are two groups who are holding up this most important work. One group is against it, the other wishes to make it a political football. Collusion between these groups has been able to make the Board of Supervisors a nonentity and laughing stock for the public, at the same time losing the county approximately \$500 per month of state funds, not mentioning those who need assistance.

The group opposed to this work will tell you their interest is to save you money and if asked how, will be unable to tell you. Nevertheless, they are for you, believe it or not.

The other group are out to get all they can out of it and if there is nothing coming their way there will not be anything going any other way if it can be helped.

This group will tell you that they saved you the cost of an extra board meeting amounting to \$50.00, but will not mention the \$500 of State funds lost to the county.

Now a little about the use of state funds. 10 per cent of State funds may be used for administrative purposes, the balance of the administrative funds comes out of the county. This balance or 90 per cent of the State funds are used for home relief, child and family welfare work, care of defective and dependent children and many other social problems.

The county has nothing to lose by cooperating with the state board of welfare and will gain much in this work which should be started at once.

How long these groups will continue their opposition to the welfare work in the county in defiance of public opinion is a question that the writer cannot answer. They seem to feel as the Irishman who said: "If you are for it, I am against it."

Every county touching Prince William has accepted this welfare work, and if the voters wish action on the work it would be well to see your supervisor at once.

Signed by an interested subscriber.

(Questions That Are Asked About Banking)

"What does a Bank mean by 'Uncollected funds'?"

THIS question can best be answered by an illustration. Suppose you receive from John Jones a check for \$10 written on a bank in another city. You bring the check to us, endorse it, and deposit it in your checking account here.

Your account is credited with \$10 on our books. This \$10 then becomes "uncollected funds" until we send the check to the bank on which it was drawn and receive the money or equivalent credit. You do not have the money in your account to draw upon until we collect it, for the money belongs to John Jones.

Through the American system of correspondent banking we are able to handle the collection of checks from one city to another of our customers.

BIRTHDAY PARTY

On Thursday evening June 18 a birthday surprise party was given in honor of Mrs. Byron Jones at the home of Mr. and Mrs. Jesse Barrett. Sixty members and friends of the Baptist church attended and spent a fine evening playing games on the lawn.

Mrs. Jones was presented with a Red Fox Fur and how surprised she was to receive the gift.

The refreshments served were ice cream, cake and candy. Decorations were red and white and red roses added to the color scheme.

A lovely evening was had by all.

ACTION AND SONG PUT OVER AUTRY

Here is a musical western that is more than a pleasing blend of music and action. Gene Autry rode hard and sang melodiously in the showing of the Republic production, "The Singing Vagabond," at the Dixie Theatre, Friday and Saturday, June 26-27.

Too, "The Singing Vagabond" had a more than substantial plot so as to really hold the audience interest throughout the picture. It is placed in the period of the great cross-plain migrations.

Ann Rutherford made a beautiful and charming leading woman, giving a most gratifying performance in her role of Lettie Morgan. Blonde Barbara Pepper was more than satisfying in the role of Honey, the show-girl, who takes Lettie under her wing in the hard ride across the prairie.

Smiley Burnette added another amusing characterization, in his role of the scout and pal, to his credit. His harmonizing with Autry was something worth listening to.

Carl Pierson's direction was firm and he kept the picture moving at a good speed. Apparently Armand Schaefer had seen to it that as a vehicle the picture be given more than the usual production care that is accorded a western. Oliver Drake wrote the original and then collaborated with Betty Burbridge to turn out an interesting story.

CATHARPIN

County Agent F. D. Cox was a Sunday evening guest in the home of Mr. and Mrs. E. N. Pattie.

Many are pleased to note the progress made by our boys and girls who, during their school course last winter, took up music on the violin and guitar. The violin solo by Gordon Pattie and guitar duet by Bertha and Wayne Pattie were well received by the audience at the Children's Day exercises at Sudley last Sunday.

Mr. and Mrs. J. E. Adams of the county seat were Catharpin visitors on Sunday calling on Mrs. Adams' parents, Mr. and Mrs. E. N. Pattie; also giving Oakwood a very pleasant call in the evening.

Miss Hallie Dorsey of Berryville, Va. and little Miss Caroline Lynn of Richmond are guests in the home of Mr. and Mrs. W. Holmes Robertson of Lawn Vale.

Mrs. Jean Clarkson Robertson of Raleigh, N. C. and Haymarket was a guest of Mr. and Mrs. Charles R. McDonald at Oakwood on Saturday of last week. Mrs. Robertson will spend the summer in her Old Home Town of Haymarket.

Mr. and Mrs. J. W. Alvey accompanied by Mr. and Mrs. E. S. Cary motored to the Capital City on Monday last.

Mr. W. L. Sanders of Clarendon, Va. who has been convalescing in the home of his daughter, Dorothy in New York after his hospital experience, is a Catharpin visitor this week and feeling much improved in health.

Mr. and Mrs. E. S. Clary of Lawrenceville, Va. arrived in Catharpin on Sunday morning where Mrs. Clary will remain for a fortnight's visit with her sister, Mrs. J. W. Alvey. They attended Children's Day exercises at Sudley where in days gone by, Mrs. Clary took part in many a similar program.

This summer, so far, has been somewhat of an exception as summers go. Some days the ice man is in great demand and his supply exhausted before making his rounds. Other days he is an unwelcome guest since it is so cool he finds his customers digging blankets out from among moth balls and almost cussing themselves out for having removed the stove to its summer quarters. Then again you hear "complaints" about the scarcity of flies—in fact they can hardly be said to exist. Horses in the field are not bothered much and the "kine" rest more comfortable in their stalls. The bean beetle has also failed to appear and the snap beans are maturing with grace and dignity. About the only really natural thing to haunt our peaceful existence is the potato bug whose "incubator" can always be depended upon for a 100 per cent hatch. If poultrymen could only do as well they would soon be rated among the Wall Street gentry of millionairdom. Corn seems to be doing well in spite of dry weather. Grass and hay short, and now water getting low; so we seem to be having a sort of baffling mixture of scarcity and plenty, heat and cold, all compounded in such a way as to keep us all guessing. How it shall all terminate as the fall gathering season approaches, dependent knoweth not but we still have confidence that Nature will supply our needs.

As usual the children's exercises on Church School day at Sudley last Sunday were excellent. The opening chorus was beautiful; children all did well and looked the quintessence of health, beauty and intelligence, so much so that parents and all connected with them feel proud. The Sudley "ensemble" has in it children of ability and can "produce" whenever called upon. Since the world is said "to move forward on the feet of little children," it becomes one of the great duties of life to properly train them. We believe that every one will agree that their children should be environed with the best opportunities that can possibly be provided for their spiritual training, yet it is no secret that there are children within easy

range of Sudley who have never known what it is to attend Sunday school. This seems almost unthinkable in this day of advanced thought and education but facts are facts none the less.

Many, no doubt, will recall either having made the remark themselves or of hearing some one else say, "There is so much these days to lead children and young people off that I hardly know what to do about it." Well, one mighty good way would be to interest yourselves in church and Sunday school work and take your children with you. We feel sure, if this were done, much of the trouble complained of would be eliminated. We believe many will agree that the trouble does not lie so much with the children as it does with the laxity of the parents. This may seem pretty strong but it must at all times be remembered that the greatest influence ever exerted upon children is that of the parent. How important, then, is it that this influence be of the best.

We are just now living in an age where the boys and girls who are arriving at the state of manhood and womanhood, know nothing about;—the liquor age. There is no place now that they can go, restaurants, filling stations, hotels or along the streets but that they are confronted with signs bidding them to imbibe beer, light wines, etc., all of which leads them to other places where hard liquors can be obtained. The experience is so new, and the newspapers so full of the most alluring pictures and verbiage, that many youngsters, never having known or heard of its curses, are trying it out to see what it is like. The result is that drinking seems a matter of course and is becoming popular. This condition, accompanied by a weak parental control, will surely, sooner or later, lead to an inglorious awakening when it is realized that our young folks even our high school boys and girls are thus

early being started on a drunkard's career. Folks, this is no joke; no maudlin sentiment as some would have you believe; but it is too true. The danger is right here among us, and the sad part of it all is that few there be, as yet, to cry out against it. Our warning is to take care of young folks before it is too late. See that they go where danger lurks not.

LITTLE MEANIE MAKES GOOD IN FOX'S "GINGER"

Jane Withers, the kid who imitated a machine gun, told tales on Shirley Temple, tried to run her down with a doll carriage and proved herself a complete annoyance in "Bright Eyes," has the title role in Fox Film's latest comedy success, "Ginger," which opens next at the Theatre.

Little Miss Withers sets a new style in comedy entertainment in "Ginger," which kept Hollywood and New York preview audiences in continual guffaws and caused the prediction that the film is a great beginning for what looks like a great career.

Little Jane registers a million dollars worth of personality and talent in her new picture and the theatre audiences are assured that they will

love her as much in this story as they hated her in "Bright Eyes."

When Jane, the little, independent, self-reliant product of Ninth Avenue, is taken into the Park Avenue home of the pampered Jackie Searl, there's a swell clash with a world of comedy. O. P. Heggie gives an outstanding performance as Jane's foster-uncle and Katherine Alexander and Walter King provide an unusual romance as Jackie Searl's parents.

The film was produced by Sol M. Wurtzel and directed by Lewis Seiler.

IS THE KEY

to every one of its

Famous Advantages

- No moving parts to wear
- Lasting efficiency
- Continued low operating cost
- Fullest food protection
- Savings that pay for it

Electrolux operates on a basically different principle—silently without machinery. That's why it can assure you of long service at low cost.

THE silence of Electrolux is more than a comfort! It testifies to the simpler operation of this remarkable refrigerator... a simplicity which makes possible unmatched Electrolux advantages.

For note this, please! Electrolux has no machinery—not a single moving part! A tiny gas flame does all the work.

Such simplicity naturally means greater efficiency. Here are a few of the savings that enable Electrolux to pay for itself: a remarkably low operating cost, perfect food protection every minute of every day, and the very minimum of repairs—for parts that do not move cannot wear.

Today, more than half a million homes and apartments throughout the country are enjoying the comfort of modern Electrolux refrigeration. Each year it wins a higher percentage of all refrigerator sales because it has so much more to offer.

See the 1936 Electrolux on display at our showroom. Get all the facts. Let us tell you about our liberal purchase plan. Come in!

REMEMBER — Electrolux is the refrigerator that operates for 3 cents a day.

MR. AND MRS. BOWMAN
CELEBRATE ANNIVERSARY

On Saturday night, last, nearly one hundred friends gathered at the home of Mr. and Mrs. L. J. Bowman at Aden to surprise them on their twenty-fifth wedding anniversary. And indeed it was a surprise, successfully planned by Mrs. Fred Shepherd, and Misses Gayle Bowman and Mattie Snyder with the help of several friends.

After everyone had greeted Mr. and Mrs. Bowman, they gathered in and around the living room in which was a beautiful table decorated in white and silver with large silver bells over the arch. On the table were many, many beautiful and useful gifts which were opened and displayed in the parlor. As Mrs. Bowman opened gifts from different friends, she recalled many interesting experiences, that had taken place quite a number of years ago.

Rev. John M. DeChant sang two very appropriate songs, "I Love You Truly" and "Silver Threads Among the Gold." The latter is a favorite of Mrs. Bowman. He was accompanied at the piano by Mrs. DeChant.

Everyone then went into the dining room to see the beautifully decorated table upon which was the large four-tier silver decorated cake in the center. A miniature bride and groom gracefully groomed the top tier. Mrs. Bowman cut the cake and gave to each with other delicious refreshments.

After everyone had been amply served and had wished the couple many, many more happy and prosperous years together, they returned to their respective homes with the hope that they would be present at a similar celebration on June 20, 1961.

The following friends were present: Mr. and Mrs. F. G. Sigman, Rev. O. R. Kesner, and Rev. and Mrs. John M. DeChant of Manassas, Mr. and Mrs. Floyd Estilow of Alexandria, Mr. and Mrs. C. Read and daughter Lorna of Catlett, Mrs. E. GOVERNOR PEERY
REPLACES GLASS

Virginia Delegation Favors Two-thirds Rule.

Senator Carter Glass after forty years service on the platform committee of the Democratic Committee has retired to the ranks of mere committeeman and his place is filled at the national convention in Philadelphia this week by the Governor of Virginia, George Peery.

The nomination of Governor Peery was made by Senator Byrd and came after all efforts of friends had failed to change Senator Glass in his determination not to participate in the writing of the platform this year.

In the matter of retaining the two-thirds rule, the Virginia delegation at the national convention has voted solidly in favor of the two-thirds rule which has been a landmark in Democratic conventions for many years.

Other convention officers named from Virginia include State Chairman J. Murray Hooker as delegation chairman and W. W. Beverly, of Richmond, as secretary, with Hon. R. Walton Moore, of Fairfax as his assistant. State Senator Robert Daniel, heads the credential committee.

The Convention at Philadelphia was opened by an invocation by the Rt. Rev. Hugh L. Lamb of Philadelphia. Chairman Farley stated that the Party would adopt a platform to which "all Democrats can subscribe without laughing and can swallow without choking."

THE 49TH STATE

Will the Union ever be expanded to include 49 States? If it is, will the addition bring the star of Hawaii into the flag? These are interesting questions as July 4 approaches, the more so this year because the issue of Hawaii statehood has been such an active one in Washington.

The story of Hawaii's development since July 4, 1894, when the monarchial government was overthrown, and its increasing importance to continental United States, is told in an illustrated article in the feature section of The Sunday Star, June 28.

ISAIAH JACOBS

In sad but loving remembrance of my dear father, Isaiah Cumberland Jacobs, who departed this life one year ago, June 28, 1935.

One year ago today recalls sad memories,

Of a dear one laid to rest,
And those who still remember,
Are those who loved him best.

A happy home we once enjoyed,
How sweet the memory still,
But death has left a vacant chair
This world can never fill.

No one knows the silent heartache,
Only those, who have lost, can tell,
Of the grief that's borne in silence
For the one we loved so well.

The world may change from year to year,
Our life from day to day,
But the love and memory of you
Shall never pass away.

By his loving daughter, Florence
