CAMPAIGN DRAWS CROWDS TO TOWN

Business Well Satisfied With Second Xmas Venture.

The "Shop in Manassas" campaign is coming to a rapid and very successful conclusion according to advices from Chairman J. L. Bushong of the merchants' group.

In co-ordination with the Chamber of Commerce, the tickets from which the drawing will be made have been distributed in such profusion that the whole affair is preeminently more successful than last year.

The full page advertisement which the merchants have been carrying on the back page of the Journal for the past two weeks will carry all last minute announcements except the name of the child who will make the drawings. That will probably not be known until the last minute.

The change in time is believed to be decidedly more beneficial to all hands concerned as it will not effect the volume of Christmas purchasing to which strenuous protest had been made by some of the merchants last year and it will also enable buyers to attend the drawing and go home at a very reasonable hour in the early evening.

This second annual "Shop in Manassas" campaign will probably cause the affair to become permanent although it will not be indulged in more than once a year. A number of new buyers have been brought to the town and many permanent connections have been created to the mutual satisfaction and benefit of both the merchants and their customers. Those new buyers are welcome to Manassas and it is the expressed wish of all that they will continue to make the town their headquarters at all times.

COMMITTEE ANNOUNCES FURTHER DANCE PLANS

Plans are progressing for the annual Christmas Assembly of the Woman's Club of Manassas, which takes place in the Gymnasium of Manassas high school on Monday, December 28, between the hours of 10 p. m. and 1.30 a. m.

It will be in every way a brilliant affair and the decorations most gay and festive with Christmas trees, colored lights and evergreens.

The music by a well known and popular orchestra of Northern Virginia will also be outstanding and will feature all the latest in dance, music, rhythm, and has as an added attraction a soloist of note.

In the receiving line will be Mrs. W. L. Lloyd, chairman of the club; Mrs. C. C. Lynn, Mrs. R. B. Bisson, Mrs. C. Wade-Dalton, Mrs. Harvey Steele and Mrs. R. C. Haydon.

The door and ticket counter will be in charge of Mr. F. R. Hynson, Mr. Harvey Steele, Mr. A. A. Hoff, Mr. Paul Cooksey and Mr. W. L. Lloyd.

Invitations are being mailed this week by the invitation committee under the direction of Mrs. William Faunteroy Cooke.

MYLANDERS IN CALIFORNIA

The Journal is in receipt of a very pretty post card from Mr. and Mrs. Mylander who are attending a meeting of the Farm Insurance Company in California. The post card shows the picture of the "Miles of Christmas Trees" which are covered with variegated lights, sponsored by the Kiwanis Club of Pasadena.

The choir of the Manassas Presbyterian Church under the direction of Lewis J. Carper. Organist assisted by Miss Virginia N. Speiden, pianist, will render on Christmas night at eight o'clock at the Presbyterian Church a program of special Christmas music. The general public is most cordially invited to attend this service.

BETHLEHEM CLUB HEARS OF SS WORK

Miss Perkins, County Director, Gives Interesting Talk.

The Bethlehem Club met at the home of Mrs. Frank Gue Wednesday afternoon, Mrs. T. H. Broadus, the president, being absent, Mrs. R. L. Byrd, vice-president, presided over the meeting.

Following the roll call, reports of the various committees were given. The election of officers took place at this meeting which resulted as follows:

Mrs. T. H. Broadus, president, Mrs. R. L. Byrd, vice-president; Mrs. P. A. Lewis, secretary; Mrs. Wheatley Johnson, treasurer; Mrs. Frank Gue, corresponding secretary.

The president then turned the meeting over to the program committee, which consisted of Mrs. Brown and Mrs. Middleton, who had invited Miss Perkins, county religious worker, to speak.

The guests present were Mrs. Kite, Mrs. Hoffman, Miss Perkins, Mrs. Ferris W. Gue and son, Billy.

The meeting closed with a very delightful social hour consisting of delicious refreshments.

The president announced the next meeting for the third Wednesday in January.

TEACHERS, PATRONS & STUDENTS HOLD JOINT MEETING

A joint meeting of the Bennett School and High School Patrons Leagues was held at the High School on Tuesday, December 15, at 2 p. m. This was also a joint meeting with the Students Cooperative Association, who put on a most delightful program, showing some of the curricular and extra-curricular activities participated in by the students. Splendid reports were given by Mary Jane Morris for the Building Committee, Jessie Mae Ritter for the Health Committee, Jack Herrell for the Grounds Committee and Kieffer Wenrich who told of the success of the Radio Dances and urged all to support the basket ball games.

Lucy Johnson read a paper on Minstrelsy which was followed by the reading of "Robin Hood's Death" by Dorothy Linton. Three selections of old time songs were rendered by the Glee Club which showed splendid training under the direction of Miss Josephine Miller. Miss Miller also played a violin solo from the Moonlight Sonata in celebration of Beethoven's birthday.

Dorothy Rollins read a history of the Commercial Department after which an interesting demonstration of work done in that department was rendered by a group of students under the direction of Pauline Cross and Mary Jane Morris. The program ended with a short talk by Miss Sue Ayres on music in the schools of this and other counties. Following this delightful program a short business meeting of the High School League was held under the direction of the President, Mrs. Robert E. Newman.

SHOP IN MANASSAS

We urge our readers to do their Christmas shopping in Manassas. As indicated in our advertising columns, and by the attractive window displays here, the merchants of Manassas are offering the greatest inducement of years to trade at home.

Cash prizes will be distributed on December 24 and the merchandise values themselves fully justify the faith of those who believe in going all the way with Christmas kindness and who include loyalty to home trade along with the other manifestations of the season's good-will.

We particularly invite our friends of Fairfax, Stafford and surrounding counties to come over to Manassas for Christmas shopping. This is a real Town — this friendly old Manassas. Do your Christmas shopping here and see for yourself.

RUFFNER - CARNEGIE LIBRARY NOTES

A recent loan of a hundred books from the State library at Richmond has made a very interesting addition to the Ruffner-Carnegie Library at Manassas high school.

The books are of all types: travel, science, aviation, current questions, biography and fiction. Some of the interesting volumes are Gibbons' "New South America," Furnas' "The Next Hundred Years, A Forecast," French's "Wings Over the World," Beebe's "Half Mile Down," Wilson's "The Empress Josephine," Arliss' "Up from Bloomsburg," Honore Morrow's "Black Daniel" (the love story of Daniel Webster), Edmond's "Rome Haul" and De la Roche's "Johns" and "White Oaks of Johns."

The books are for general use as the loan is a part of the State plan for affording more library facilities to the towns and rural communities.

CHILDREN OF CONFEDERACY MEETING POSTPONED

The meeting of the children of the Confederacy scheduled to be held with Mrs. Hawes Davies, sr., has been postponed till the next regular meeting in January which will be the 4th Friday.

MALEY-WEAVER

Beautifully decorated with palms, evergreens and candles, the Presbyterian church at Clifton Station, was the scene of a very pretty wedding on Saturday evening last, when Miss Lillian Violet Weaver, daughter of Mr. and Mrs. Herbert A. Weaver of Centerville, Va., became the bride of Mr. James William Maley, son of Mr. and Mrs. John C. Maley of Burke, Va. The ceremony was performed by Rev. John M. DeChant of Manassas.

Preceding the ceremony which was performed by Rev. John M. DeChant of Manassas, Mrs. E. S. Waring rendered several vocal numbers and was accompanied by Dr. Waring at the piano.

The bride was attired in a gown of white satin which was made with a cowl neckline, fitted sleeves and the train was attached to a crown of orange blossoms. She carried a bouquet of white roses and lilies of the valley.

The maid of honor, Miss Catherine Detwiler was dressed in lavender and carried white roses and ferns. The bridesmaids, Miss May Maley, Miss Catherine Maley, Miss Juanita Buckley and Miss Dorothy Mathers were lovely in blue and pink dresses and carried pink roses. The ringbearer, Douglas Detwiler, wore a suit of blue and the flower girl, Eleanor Conrad, was very pretty in white satin.

Mr. Martin Luther Caudle acted as best man and the ushers included Mr. Randolph Buckley, Mr. James Buckley, Mr. Winston Kemper and Mr. Willard Webb.

Following the ceremony a reception was held at the home of the bride where Mrs. Herbert Weaver, mother of the bride, and Mrs. John Maley, mother of the groom, received the guests.

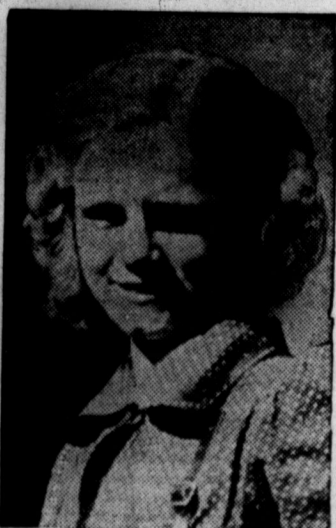

After an extended motor trip Mr. and Mrs. Maley will be at home to their friends in Centerville.

CLUB OFFERS CHRISTMAS PRIZE

Will be Given for Most Attractive Decorations.

The garden section of the Woman's Club of Manassas, at a recent meeting voted to offer a prize of Christmas bouquet to the person having the most artistically and attractively decorated home for Christmas.

On Christmas Eve, Thursday, a committee will make a tour of the town and judging will be based on decorations visible from the street, that is outside decorations, and those inside which are visible through windows or doors.

Everyone is eligible and the main object of the contest is to stimulate a little more interest in home decorating, according to announcement made today by Mrs. Margaret Lewis, chairman of the garden section.

G. RAYMOND RATCLIFFE NAMED CHAIRMAN

Mr. G. R. Ratcliffe will serve as county chairman for Prince William for the Citizens Road League of Virginia, it is announced by Col. J. Donald Richardson of Warrenton, one of the two Eighth District directors of the Road League.

The Road League will study road problems that will command the best thought and leadership in Virginia. The League contends that highway funds should be spent for highways only, favors the pay-as-you-go plan to highway construction, urges the building of safety into roads through elimination of common hazards, and will make road program recommendations based on the traffic and economic survey now being conducted by the Federal Bureau of Roads and the State Highway Department.

Next month the Road League will inaugurate a membership drive among the 401,000 highway users in Virginia, in an effort to prevent diversion of highway funds and to work for a rationally planned, constructed and maintained State highway system.

The selection of Mr. Ratcliffe is highly regarded in this county.

The Senior Class will present a Christmas program on Tuesday at 12:45 o'clock as a part of the Christmas celebration.

CLUB PREPARES FOR CHRISTMAS

Kiwanians to Play the Usual Roles on Xmas Eve.

A ring side broadcast was indulged in by the members of the Kiwanis Club at its last meeting.

It was a couple success and all the silver tongued orator and even the lesser lights were given a chance to palaver—in fact Messrs. Ratcliffe and Didlake, the committee, made them do their bows.

It was also a stocktaking affair, very apropos at this time of the year, and proved to be quite satisfactory in all details.

This was the program for the regular performers did not arrive. The forthcoming ladies' night tomorrow evening will be met even better as the individual members all got a shaking up and are more on the alert.

The cafe arrangement is certainly developing some very exclusive sets. The tables moved around but most of the members went to the part on the room to which they were accustomed and dropped into the nearest chairs. Only Dick has had to move when and that was when a hot spot developed.

Walter Sadd and his Santa Claus committee are taking on a very business-like appearance. They have been told what is a head of them by the more experienced.

Entertainment at the ladies night meeting of the Manassas Kiwanis Club December 18 will include songs by Grace Vitality, sixteen old Weightman School pupil, Washington, and a talk by Mildred Petrey, twelve year old handicapped girl, also of this school, who are Kiwanis children having been aided by the Washington Club since 1929. Both girls have appeared before a number of Kiwanis audiences, including the recent Capital District convention of Wilmington and the International convention, where before a audience of five thousand people in Constitution Hall they stole the show. These girls will be introduced by Mrs. Beulah J. Drake of the Weightman School for Crippled Children who will tell something of the school and its activities.

The Weightman School for white children and the MacGruder for colored handicapped children were sponsored by the Washington Kiwanis Club and have been in operation since 1929.

Both girls have appeared before a number of Kiwanis Clubs in the Capital District which comprises clubs in the District of Columbia, Delaware, Maryland and Virginia.

Little Miss Petrey is an unusually bright child who makes a nice appearance and talks well and with confidence. She has been a patient of the Kiwanis clinic for the past six years. She walks with crutches but gets about with little or no difficulty.

Grace Vitality is handicapped to such an extent that she must wear steel braces to walk. She has a sweet, mellow voice and just loves to sing. She also is a patient of the Washington Kiwanis clinic where she has been receiving aid since 1929.

BOARD MEMBERS ATTEND STATE MEETING

Mrs. Clinton N. Abel and Mr. and Mrs. C. B. Roland of Haymarket motored to Roanoke this week to attend the League of Virginia Counties.

This meeting was reported to have been most interesting. Ex-governor Trinkle made a very instructive talk on the work of the counties and state and how the two setups are working in co-operation.

REGULAR MEETING OF THE BENNETT LEAGUE

The regular monthly meeting of the Bennett Community League will be held Monday, December 21, at 2 p. m.

The first hour will be devoted to the study group. At three the regular business meeting will be held which will be followed by a musical program.

Dr. Headman, the State dentist, will be present to explain the work of the dental clinic.

All friends and patrons of the school are cordially invited to be present.

Owing to the fact that Christmas Day falls on Friday and there will be no mail deliveries, it will be necessary to produce the Journal on Wednesday.

Correspondents and advertisers will take notice of this fact. We shall appreciate receiving all the copy possible on Tuesday.

GAYNOR, YOUNG, BENNETT
STAR IN NEW HIT
WITH SIMONE SIMON

With the most exciting and brilliant star combination ever to appear in one picture, "Ladies in Love," new Twentieth Century-Fox production, opens Wednesday at the Pitts Theatre, a bitter-sweet romance of four lonesome, lovely girls, and their adventures in search of love.

A quartette of Hollywood's most famous feminine personalities, Janet Gaynor, Loretta Young, Constance Bennett and Simone Simon, appears in the film, with the cast featuring Don Ameche, Paul Lukas, Tyrone Power, Jr., and Alan Mowbray.

Of the four lovely ladies, one gambles for love and loses, one gambles and wins, one asks for love and gets it, love asks for the fourth—too late.

Janet, Loretta and Constance, modern young ladies all, have pooled their resources and taken a small apartment, where they eagerly plan for the romances they intend to have.

Janet is employed by Don Ameche, a young doctor, to feed his laboratory rabbits. Loretta is in the chorus of a reigning musical hit, and Constance is a model, with dreams of becoming a luxurious lady.

Loretta falls in love with Tyrone Power, Jr., a wealthy young man, and is heart-broken when she hears that he is soon to be married. Janet is in love with her doctor, but when the opportunity comes, incredibly, for a job as valet to Alan Mowbray, a famous magician, she leaves the young physician. Constance is having a mad round of pleasure with Paul Lukas, a mining engineer on vacation from South America. Constance and Lukas have a creed—no good-byes, no tears

when it is ended.

Simone Simon, an appealing but determined young girl, is also in love with Lukas, who does not realize that she has grown to womanhood.

Between Constance and Simone, an intense rivalry for Paul's affections arises. Constance has told Lukas that she does not believe in love—that all

she wants is someone to be happy with—for the moment.

These four wise girls—Janet, Loretta, Constance and Simone—living by their wits, trusting their charms to make their dreams come true, supply a fascinating answer to the romantic question—how can a girl get married till she's asked?

CHAMPION 4-H
CANNER

MARY A. WINE, 16, Staunton, will be one of Virginia's delegates to the 15th National Club Congress to be held in Chicago, Nov. 27-Dec. 5, which over 1,000 outstanding clubsters of the nation will attend. She receives the trip as a prize from the Kerr Glass Corporation, sponsor of a national canning contest conducted by extension agents in which she was named state champion by Hallie L. Hughes, state girl's club agent. In six years of club work Miss Wine alone has canned 720 jars of vegetables, fruits, and meats, and assisted others with 3,843 jars. She helped her mother dress 300 chickens last summer. Prizes won at county, state, and national exhibits total \$15.95 and sales of 4-H products \$4,733.84. She will compete with other southern state champions for regional honors, and if successful will be a contender for one of three cash college scholarships of \$300, \$200, and \$100, given by the sponsor.

FORD

advances into 1937 with the
LOWEST PRICE IN YEARS
and new operating economy

THE ADDITION of a new 60-horsepower engine to the Ford line for 1937 brings you a new, low price and gives you a choice of two V-type 8-cylinder engines. 85 horsepower for maximum performance. 60 horsepower for maximum economy.

The 60-horsepower V-8 engine was originally developed for use in England and France, where fuel costs are high. It has been proven there for two years with brilliant success.

Now, brought to America, it

creates an entirely new standard of modern motoring economy!

The "60" engine, available in five body types, is built in exactly the same body size and wheelbase — to the same advanced design — with the same comfort and convenience as the "85." And it delivers V-8 smoothness at speeds up to 70 miles an hour.

Two engine sizes—but only one car and one purpose—to give you more miles and more satisfaction for your money in 1937.

Hints for Homemakers By Jane Rogers

CHRISTMAS cheer and all its hospitality puts every hostess on her mettle to see that her home is as spotless and as inviting as it can be.

Decorate your windows with wreaths by all means, and have glowing candles on the window sills, but with all this beauty don't forget to start with new, fresh cloth window shades and complete the picture! Remember your windows are the eyes of your home—and you want them to look their brightest and best!

The new cloth window shades are a thrifty purchase, for they're made of cloth woven on a loom and then "processed" for long life! You can rest happily knowing these shades won't crumple up with driving winter snow and rainstorms.

* Where a NUMBER appears following a name, it is to indicate the PARTICULAR farm upon which the higher score was attained.

REMARKS: NOVEMBER SHOWS that the fight is on in real earnest. Only three of the prize winners for October appear among the prize winners for November. John R. Clemens of Leesburg, Virginia—W. D. Sharratt of Bristow, Virginia and Ira L. Burdette of Monrovia, Maryland—and only one of these improved his standing. John R. Clemens with an average count of 1,025 as compared with 1,250 in October moved forward from third to second place—both he and John R. Armfield of Fairfax are in a close race for first place—held for the month of November by W. S. Francis of Hamilton with an average count of 1,000. All the others are new faces, out from the ranks for the first time this season.

This is all very gratifying to us as it shows a real genuine interest on the part of so large a percentage of our producers to merit the honors by improved standards. Much has been said in recent weeks about the high quality of milk on sale in Washington and we wish that it were possible for the great mass of people to actually visit

your farms and personally see the work which you are doing to accomplish and maintain this high standard.

We, possibly more than any other dairy in the country, today appreciate your efforts. QUALITY has ever been our watchword. And to this alone, we owe our selection as being "The WORLD'S MODEL DAIRY".

With sincere congratulations on your achievements for the past month and extending to each of you individually the "SEASONS GREETINGS" I am,

Very truly yours,

Beauty Hints

By Jane Heath

YES your Christmas gifts can be luxury gifts at a tiny price! Kurlash gifts to beautify the eyes are something every woman and girl of your acquaintance would delight in owning! Imagine the excitement of receiving gold and silver eye shadows!

And if you want to go more swank include a Kurlash eye beauty brush.

Then again we'll bet every young—and not so young—person on your list would "give anything" to have curly eyelashes. You can be sure that Kurlash, the famous little wonder that curls eyelashes to petal loveliness (and does it all in thirty seconds) will be received with loud whoops of joy!

Another suggestion is Lash-tint, the liquid mascara, to darken lashes to exotic beauty. It's waterproof, doesn't crack or smart, and comes in a divine little modern shaped glass bottle for her dressing table.

And if you want to go more swank include a Kurlash eye beauty brush.

Then again we'll bet every young—and not so young—person on your list would "give anything" to have curly eyelashes. You can be sure that Kurlash, the famous little wonder that curls eyelashes to petal loveliness (and does it all in thirty seconds) will be received with loud whoops of joy!

Another suggestion is Lash-tint, the liquid mascara, to darken lashes to exotic beauty. It's waterproof, doesn't crack or smart, and comes in a divine little modern shaped glass bottle for her dressing table.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in after years.

WHAT TO SEEK: Seek the Lord, and his strength; seek his face evermore.—Psalms 105: 4.

THURSDAY, DEC. 17, 1936

THE HEAD OF THE ANGLICAN CHURCH SPEAKS

All thinking people will not hesitate to endorse the Arch Bishop of Canterbury in his open and courageous denunciation of the idle set of dissipated malcontents who, it is said, influenced King Edward to so completely disregard the church and throne of his people.

The South, too, has suffered in spots from this influx of "smart sets" who have no background of their own and who seek to distract attention from this by sneering at Religion and ancestral traditions. These floating undesirables, with baubles of wealth, aim at youth. Youth is always restive of restraint and the slow up grade often presented by substantial progress.

Too often we see baleful influences manifested in the lives of young people to their own undoing and the heartache of those who are interested in their welfare.

The young man or woman is

being unfairly treated, held back from independent development, underestimated, underpaid, their so-called advisors tell them, when the real issue is jealousy of the young folks in question or hatred of the parents, teachers or employers who are guiding them.

The most deplorable result of this propaganda is that it often destroys, like poison gas, before the victim realizes his or her danger.

Your local newspaper always does job printing at lowest prices!

LEGISLATURE PUSHES BILLS

Social Security Bill of Prime Importance.

Early this week Governor Peery recommended passage of a number of important bills. These include legislation to aid the unemployed, the establishment of a centralized board to regulate state hospitals and two bills allowing state institutions and to sell bonds on self-liquidating projects.

Among the bills introduced this week are proposals to life insurance companies, to increase the expense of the state division of research and drafting, to ratify bond issues by school boards authorized by general elections, and to permit students in Virginia colleges to obtain hunting licenses on a six months residence.

From the nature of the bills which are being introduced, it is probable that considerable legislation will be passed outside of the purpose for which the special session has been called, namely, the passing of old age pension and social security laws.

A proposal carried over from the last session is said to be viewed favorably by Governor Peery. This is the appropriation of \$75,000 for a state wide radio teletype system police work.

It is believed that the bill to place administration of the Federal Soil Conservation Act under the Virginia Polytechnic Institute at Blacksburg is receiving favorable consideration by the General Assembly.

According to statements emanating from Richmond, Senator Battle from Charlottesville is pushing the Social Security legislation to a rapid passage in order that it may be sent to the Federal Board at Washington for approval while the legislature is still in session.

SISTERS IN DOUBLE WEDDING

The double wedding of Miss Elsie Jane Groff and Mr. Wilbur Everett McCann, and Miss Olga Lou Groff and Mr. Wilson Kite took place at the home of Rev. Allan F. Poole, 308 A street, N. E., Washington, D. C., last Saturday.

The brides are former Manassas girls, recently going to Washington to make their homes. Both are employed in the Capitol City where the young couples will make their home.

"Are Banks essential to community welfare?"

YES, we believe that banks are decidedly essential to community welfare. Our modern business structure is so complex that it could not function without banks. As a simple illustration, more than 90% of all the business in this country is carried on by payments with bank checks.

Banks are the active hub of practically all business and financial transactions. Day in and day out they render useful, needed financial services. They furnish depositors with a safe, convenient place to keep money. They make loans to local borrowers of business ability and integrity. They furnish employment to local people and aid in making it possible for other activities to do so. They participate—directly and indirectly—in civic enterprises.

Among the many elements essential to the success of a bank our officers and directors believe the most important is soundness built on the enduring foundation of community usefulness.

25,000 Mile Telephone "Party
Line" Connects Pioneer Groups

President Walter S. Gifford utilizing the 25,000 mile "party line" addresses telephone pioneers throughout North America on their twenty-fifth anniversary.

Telephone Pioneers of America recently celebrated the silver jubilee of their organization with parties in about 170 towns and communities throughout the United States and Canada, connected by a 25,000 mile "party line" extending from St. John, New Brunswick, Canada, to Miami, Florida, and from San Diego, California, to Edmonton, Alberta, and points between.

Pioneering Spirit Praised
Walter S. Gifford, president of the American Telephone and Telegraph Company, speaking from New York City, praised the pioneering spirit of the telephone men and women. "New generations of pioneers will live and serve as the years go on," he said, "and they will see changes and contrasts in the material and mechanical things with which the telephone job is done; changes in contrasts so marked that one does not dare to predict what they may be. But this we may predict: in the spirit—the pioneering spirit—of the men and women of the telephone service there will be no change."

Organized November 1911
Telephone pioneers are men and women with twenty-one years or more service in the telephone industry. The Telephone Pioneers of America was organized in Boston, birthplace of the telephone in 1876, November 8, 1911. Chester I. Barnard, president of the

New Jersey Bell Telephone Company at Newark, president of the pioneers, was master of ceremonies. He introduced J. E. MacPherson, senior vice president of the pioneers and vice president of the Bell Telephone Company of Canada, who was at St. John, and James L. Kilpatrick, president of the New York Telephone Company and president-elect of the telephone pioneers, who spoke from New York.

Longest Telephone Hookup
A dramatic presentation of significant events in the development of telephone communication was presented over this hookup which was the most widespread on a single telephone circuit in the history of voice communication, according to telephone officials.

Mrs. Gilbert Grosvenor, daughter of Alexander Graham Bell, inventor of the telephone, speaking from Washington over a telephone hookup connecting pioneer chapters and employee groups of the Chesapeake and Potomac Telephone Companies, told of personal recollections of her father. Lloyd B. Wilson, president, and John A. Remon, operating vice president of the companies, spoke. James Oliver Martin, president of the Alexander Graham Bell Chapter, presided and introduced the speakers at Washington. This celebration was concluded by the groups throughout the United States and Canada standing and singing "Auld Lang Syne."

IN MEMORIAM

In memory of my dear husband, Asa Hamilton Jenkins, who passed away on December 1, 1936.

Death overtakes those whom we love
The flower we least can spare,
He culls o'er all our scanty stock
And takes the prized and fair.

The rarest flower of our home,
The loveliest and best
By the unsparing hand of Time
Is called away to rest.

He has crossed the river,
He is with the angels now.
He has laid aside earth's crosses
And the crown is on his brow.

He is clothed with spotless linen
And he walks the streets of gold,
Dearest Asa, safe forever
Within the Savior's fold.

No sorrowing thoughts can reach him,
No grief is his today,
God gives him joy for mourning
His tears are wiped away.

He is waiting in that city,
Where the saints and angels wait,
And we'll know thee, dearest Asa,
When we reach the pearly gate.
His loving wife,
Myrtle Lewis Jenkins.

THE SALOON BAR

A bar to Heaven, a door to Hell
Whoever named it, named it well,
A bar to manliness and wealth
A door to want and broken health.
A bar to honor pride and fame
A door to sin and grief and shame,
A bar to hope, a bar to prayer
A door to drunkenness and despair.
A bar to honored, useful life
A door to senseless brawling strife,
A bar to all that is true and brave
A door to every drunkard's grave.
A bar to joy that home imparts
A door to tears and aching hearts,
A bar to Heaven, a door to Hell,
Whoever named it, named it well.

GRIPPING DRAMA LAID IN
MODERN WAR-TORN CHINA

A gripping drama of intrigue, roman-
ce and adventure, "The General
Died at Dawn," which begins Mon-
day at the Pitts Theatre, brings Gary
Cooper to the screen in another color-
ful soldier-of-fortune role.

With modern China as its back-
ground, the plot of "The General Died
at Dawn" revolves around the awaken-
ing of China to the oppressions of her
predatory warlords and the beginnings
of a spirit of resistance. Cooper, as
the champion of the down-trodden, is
in the ranks of the new movement.
Playing opposite him is beautiful
Madeline Carroll in the role of the
lure held out by a war-lord to lead
Cooper to destruction.

"The General Died at Dawn" is the
thrilling story of a love that blooms
between a man to whom danger is
life and the girl who was paid to get
him out of the way. Having trapped
him she soon finds herself enmeshed
in the same web. Remorse causes her
to offer her life for the freedom of
the man she loves. In a thrilling cli-
max the pair snatch happiness and
love from the very jaws of death and
save the cause to which the man had
dedicated his life.

10,000 Bell Telephone Women

Telephone operators' sitting room showing Christmas tree
with presents for underprivileged children.

Nutrition courses for women em-
ployees of the associated Bell System
telephone companies have totaled
about 1,000 classes with an enrollment
of over 10,000 students, according to
R. A. Steelman in the Bell Telephone
Quarterly. This is an optional course
coming in the category of special
activities in dining rooms of the tele-
phone companies where the students
carry out the various details of dining
service by planning menus, purchase,
preparation and service of food.

Classes Prepare Meals
Kitchen facilities in telephone build-
ings are used by the students, the din-
ing service employees of the companies
cooperating in the work and assist-
ing the instructors in practical fea-
tures of the course. At the termina-
tion of each course the nutrition
classes prepare and serve meals in a
telephone company dining room to the
students, instructors and various other
employee guests.

All of the varied details of the din-
ing service job, the planning of lay-
outs, buying of equipment, hiring of
employees, planning of menus, pur-

chase, preparation and service of food,
plus other necessary tasks represent
an extensive enterprise comparable
with the operation of a large chain of
cafeterias in all its many phases. The
whole project is a fundamental work-
ing plan that takes its place with
numerous other activities of impor-
tance in the proper functioning of the
Bell System as a whole.

Sitting Rooms Provided

The facilities provided for the fe-
male operating personnel do not stop
with the furnishing of dining rooms.
About the time the latter were install-
ed, sitting rooms were provided for
the operators to use during the re-
mainder of their meal periods after
they had eaten, while on their fifteen
minute morning and afternoon reliefs,
and at such other times as they are
in the building and off duty. These
rooms are provided in all but the very
small offices. A visit to one of the
large sitting rooms usually shows
some of the employees reading, knit-
ting or in small groups "just chat-
ting." Others are seen playing bridge,
listening to the radio or telephoning.

HOME SOCIETY MAKES ANNUAL CHRISTMAS APPEAL FOR GIFTS

FOR SUCH AS THESE THE CHILDREN'S HOME SOCIETY ASKS YOUR HELP

The annual Christmas appeal of the Society is relied upon for a substantial part of the funds required for the care of its children. Contributions may be sent to the Children's Home Society of Virginia, 808 1/2 East Main Street, Richmond, Virginia.

Foundling

No one could ignore the appeal of a foundling literally left on his doorstep. Figuratively hundreds of such babies are left at the door of the Children's Home Society. Can you ignore them?

Neglected

CrUEL indifference of neglectful parents who have proved themselves unfit guardians for their own children casts a dark shadow over the lives of many tots whom the Society hopes to make happy in foster homes. Won't you help?

Deserted

Deep wounds in the lives of children deserted by desperate parents faced by insurmountable domestic or economic problems can be healed with your help. Won't you lend a hand?

OVER SIX HUNDRED DEPENDENT CHILDREN IN CARE OF SOCIETY

For the past thirty-six years the Children's Home Society of Virginia has been making its annual Christmas appeal to the generosity of Virginians for gifts to aid the foundlings, orphans, neglected and deserted children of whom more than 5,000 have been cared for since the Society was founded in 1900.

Over 600 bewildered and destitute children are at the present time entirely dependent on the Society for the home care and training which is every child's birthright. And the Society is entirely dependent on the generous gifts of its supporters for funds with which to carry on the responsibilities they have assumed for the welfare and development of their wards.

These little foundlings, and orphans by death, desertion or neglect, are facing not only a bleak and cheerless Christmas, but a future life empty of the loving care and protection without which no child can be expected to develop into a useful citizen. The Society feels responsible not only for the material needs of the children under protection, but for their character and emotional needs as well.

No one can bear the prospect of unloved and uncared for little children awaking on Christmas morning to the chill grey ashes of a cheerless hearth, and empty sagging stockings, but prospects even more depressing than these are facing hundreds of little children all over Virginia this Christmas, unless the generous friends of the Children's Home Society will share the increased prosperity which they have enjoyed this year with these unfortunate, dependent children.

The annual Christmas appeal of the Society is being made this year as usual to the more than thirty thousand contributors, many of whom have already given to support the work of the Society. A large number, however, give an additional amount at Christmas time, and additional large numbers make their regular annual contribution at Christmas.

Due, however, to increasing needs and the fact that the Society faces a possible deficit of approximately five thousand dollars in the current year, it is hoped that many who have not been helping as regular contributors will join in the work of the Society in rescuing and caring for Virginia's homeless and neglected children. Contributions may be sent to the home office of the Society which is located at 808 1/2 East Main St., Richmond, Va.

MENTAL TEST FOR DRIVERS

Rhodes Says May Become Part of Examination for Permits.

John Q. Rhodes, jr., director of the Virginia Motor Vehicle Division, said this week he is "seriously considering" a proposal to require prospective motorists to undergo a mental examination before they are issued permits to drive.

The proposed mental tests for drivers is part of Rhodes' plan to institute more rigid examinations for applicants for drivers licenses as a highway safety move and as a possible check to what Governor Peery has termed "needless murder on our roads."

His plan would supplement the present requirement under which applicants must demonstrate their skill in handling a car. However, Rhodes said, mental and emotional reactions are more important factors in avoiding accidents than mere physical ability to operate an automobile.

Under the present set-up applicants are tested for color-blindness, ability to read and interpret road signs and vision and hearing. They are then required to demonstrate to an examining officer their ability to operate a machine in traffic.

But these tests, Mr. Rhodes pointed out, do not reveal the emotional make-up of the driver, his degree of excitability or his ability to think quickly in a crisis where a few seconds may mean life or death.

The director frankly asserted he believes there are some licensed motorists in Virginia who should never have been granted permits.

Man between 30 and 45 with car, splendid opportunity for advancement. Commission sales and service of mineral feed for 51 year old company. Address Box 6503, care of this paper.
