PARENT-TEACHERS AT LEESBURG

Delegation from Manassas Attends District Meeting.

The Parent Teachers Association met at Leesburg, Va., on Thursday, April 1. Over two hundred women representing all the counties of northern Virginia were entertained by the ladies of Leesburg interested in school work. The Episcopal Church lent its parish hall for the meeting as a whole, while the classrooms of the attractive school were where informal talks were given and where a delicious luncheon was served.

Dr. Fred Alexander, of the State Board of Education of Richmond, Va. in the morning gave a most interesting informal talk on Extending Educational Opportunities. Apparently we are facing a generation when there will be very few children to go to school. Our population today is now more adults than children, so different from a hundred years ago. Schools are safety valves for any community, for the educated child is less apt to get into trouble, when going through the process of being trained and diverted from idleness. Education in other words is a means of preserving the safety of a state.

Dr. E. L. Fox, Executive Secretary of the State of Virginia, gave an address entitled "Our Goal". He said that apparently Virginia was trying out a lot of new ideas but had not perfected any so far. Our lives today are such that it is really the disintegration of old community life, the pressure of life causing children to fail. Children should be studied in the pre-school age and some sort of religious education should be taught also in the schools. Adults should have forums at which they could discuss problems of the day.

Dr. Fred Alexander gave a splendid address in the afternoon called "The Schools of Tomorrow", in which he said that schools "cannot rise higher than the community which has to support its own schools. We must form groups for betterment, as the individual is powerless. Civilization makes evils along with its advantages. School is a definite function in progress; schools separate from life and home now change. We must work together. Influence at home is a great element in the mental outlook and development of the child. Fear and sarcasm are not wanted in schools as means of teaching.

Among those attending the P. T. A. meeting in Leesburg last Thursday were Mrs. Walter Hibbs who represented the county federation of leagues, Mrs. A. A. Hooff, Mrs. W. L. Lloyd, representing Manassas high school; Mrs. W. C. Sadd, Mrs. Beane and Mrs. McCall, representing Bennett school; Harriett Davies from Aden, Mrs. Jack Piercy from Haymarket and Messrs. Tom Russell and Ray Wood of Woodbine.

NOKESVILLE SCHOOL SCHOOL

A number of students from our school, accompanied by Miss Morris and Miss Bowen, attended the Junior League Rally at Leesburg on April 1. Our boys played their first baseball game last Friday with Haymarket. The score was 20 to 16 in favor of Haymarket. Our boys are also playing Manassas this coming Friday on our diamond.

The Juniors will present a play entitled "Under the Western Skies" on April 15 at the school auditorium. The two leading roles are played by Louise Brown and Robert Beahm. Both of these characters who are Diana Taylor and Harry Boyd were formerly from the East. Other characters are: Mrs. Pansy Farmer, Hazel Nelson; Pete Posey, Clay Wood; Sanderson Trent, Junior Owens; Laughing Water, Margaret Hayhugh; Sugar Foot Williams, Leo Garman; Callie Williams, Lucille Foster; Nella, Winifred Swank; Bella, Kathleen Garman; Della, Vanda Good, and Sheriff Crunch, James Moss.

The play is spiced with romance, thrills and adventure. Mr. Roy Thompson and his orchestra will render selections between the acts. Frances Owens, Letha Foster and John Bear will represent the school in the Scholarship Competition held on April 12.

FILM SHOW BENEFIT

"Wonder of the World" is being produced as a Kiwanis benefit on Friday evening, April 9 (tomorrow), the show to start at 7 p. m.

Club members are urging their friends to attend and help boost the benefit.

BUDGET APPROVED

With some slight changes, the budget was approved this morning as advertised. These changes were largely brought about on advice of the Prince William Chamber of Commerce.

The entire proceedings will be published in next week's Journal.

A group of ladies interested in the school budget graciously thanked the Board for its action. No person appeared in opposition to any item of budget.

PRE-CORONATION TALK GIVEN CLUB

Woman's Club also Gives Bride-to-be a Surprise.

At the regular monthly meeting of the Music-Literature Section of the Manassas Woman's Club held at the home of Mrs. Eula Holt Merchant on Monday evening, the members were given special treat in that Miss Eugenia Osbourn had accepted an invitation to give one of her interesting travel talks and on this occasion talked on London and the Pageant of the King's Coronation. A map was exhibited which she said was her cherished companion on the trip abroad and in fancy Miss Osbourn took us to visit many of the outstanding spots on this map. These included the great Abbey where the King will be crowned, Buckingham Palace, Houses of Parliament, St. Pauls Cathedral which we were told very closely resembles St. Peter's in Rome, which is the largest Cathedral in the world. We were also told of the Great Tower of London built by William the Conqueror and said to be one of the saddest places in London.

Another very interesting part of this talk was an explanation of the proceedings leading up to and including the Coronation to be held in June. Miss Osbourn concluded her interesting talk by stating she was most impressed on her trip by the efficiency, common sense and kindly spirit of the English people. Miss Osbourn made everyone feel as if she were walking beside her as she traversed the streets of London.

At the conclusion of this part of the program, Miss Virginia Speiden, a member of the Section, was pleasantly surprised when two of the other members deposited at her feet a large basket, artistically covered in yellow and white and filled to overflowing with gifts, mostly for her new kitchen. Much merriment ensued as the gifts were unwrapped and exhibited. Miss Speiden was then invited to cut the "Bride's Cake," a lovely hugh white one and following this delicious refreshments were served by the hostesses, Mrs. Eula Merchant and Mrs. Margaret Lewis. Mrs. Beatrice Leachman delighted the guests with many piano selections and it was a late hour when the party finally turned toward home.

ANNUAL ELECTION AT MANASSAS HIGH SCHOOL

The students of M. H. S. are engaged in an exciting campaign election for next year's president of the Student Co-operative Association. It was decided by the faculty that a campaign similar to our national one should be held in M. H. S. this year.

Those running for president Miss Shirley Hynson and Miss Thelma Ward who have as business managers, Althea Hooff and Billy Jamison, respectively. These managers are responsible for all of the activities of the candidates.

The opening campaign speeches will be made to the student body at an assembly on Monday. Banners and posters are expected to be placed throughout the school for this election.

HAYMARKET CLUB HOLDS ELECTION

At the meeting, Tuesday afternoon, of the Woman's Club of Haymarket, the following were elected members of the executive board: Mrs. D. W. Baker, president; Mrs. Henry C. Dulaney, vice-president; Miss Loretta McGill, (re-elected) secretary; Mrs. B. B. Tulloss, (re-elected) treasurer. Thursday, May 20, was selected as the day for this year's flower show.

HEAVY SEAS

SPELLING BEE PROVES ENTERTAINING

The spelling match on Friday evening lasted about a hour and a half in which about seventy contestants took place. "Jum" Davies, who was in his best acting form, gesturing very effectively, put them out of line one by one.

When the line thinned down to Mrs. John Broadbuss, Mrs. Murphey and Mrs. J. F. Burks, real interest picked up. The latest two named stood for some fifteen or twenty rounds before the peace advocate failed to negotiate "shrapnel," and the prize went to the Homemakers Club represented by Mrs. Burks.

The entertainment side of the affair was taken care of by Mrs. Beatrice Leachman and her charming young daughters who danced two very pleasing tap numbers with Mrs. Leachman at the piano. Previous to this Mrs. Eloise Trimmer with the "twins" (the little Misses Parrish) had gotten a hearty round of applause on a military tap number.

Professor Haydon presided over the meeting which proved quite profitable to the school league.

MRS. SALLIE M. GILLUM

Funeral services were held at 3 o'clock Wednesday, April 7, from the home at Madison Mills for Mrs. Sallie Mundy Gillum, 81-year-old widow of T. O. Gillum, who died at her home Monday morning of a heart ailment.

Services were conducted by the Rev. Henry J. Davis, pastor of the Orange Baptist Church; Dr. Charles R. Stribling, Presbyterian minister, and Dr. E. L. Bain, pastor of Trinity Methodist Episcopal Church, Orange.

Mrs. Gillum is survived by nine sons and five daughters, as follows: W. B. Gillum of Barboursville, R. T. Gillum of Charlottesville, Dr. V. V. Gillum of Manassas, C. E. Gillum, Harry Gillum, H. H. Gillum and R. L. Gillum of Madison Mills, O. L. Gillum and J. H. Gillum of Orange, Mrs. Etta Faber of Richmond, Mrs. Manning Gooding of Orange, Mrs. Lula Perley and Misses Susie and Ruth Gillum, at home. Surviving also are a number of grandchildren and one great-grandchild. A brother, James Mundy of Madison Run, and a sister, Mrs. John Seal, of Orange survive.

Mrs. Gillum spent her entire married life at her home at Madison Mills, her husband, T. O. Gillum, having owned and operated the historic old mill on the Rapidan River, in Madison County, about one mile from Woodberry Forest School. The original mill was built in 1795 by William Madison, brother of James Madison, fourth President of the United States, and bought by Mr. Gillum in 1880. This building burned to the ground several years ago and a new building was erected on the site of the old one.

ENTERTAIN FOR FRIENDS

Miss Jane Beeton and Hazel Hottle entertained a number of their friends Easter Monday at Wellington, Va. The guests were Betty Beane, Marie Bauserman, June Pickeral, Virginia Newman, Lorraine Crosby, Eleanor Hottle, Dorothy Collins, Harry Parrish, Frank Parrish, Maury Wells, William Knox and Miss Jean Gillfill of Alexandria.

CLUB COMPLETES FINGERPRINTING

More fingerprinting for the Kiwanis Club was the order of affairs last Friday evening when the absentees from the last meeting and others who failed to function were tabbed for the F. B. I. This time Sergeant Marshall appeared on the scene as chief assistant along with Kieffer Wenrich.

Ralph Sharrett had some heart throbs ready but declared there was not enough time to get into action so he called on OD for some data on fingerprinting.

OD failed to go back as far as the Pharaohs but he did get into the 19th Century in a very effective and pleasing way, and probably in a more permanent fashion.

Dick was busy rounding up a crowd for the Baltimore meeting next Wednesday and several expect to go.

MRS. LEWIS TO ADDRESS GARDEN CLUB

The garden section of the Woman's Club of Manassas will hold its April meeting at the home of Mrs. Margaret Lewis on Monday, April 12 at 8 P. M. (Please note change in hour). Hostess for the evening will be Mrs. Robert Smith.

The subject for the evening is "Planting for Continuous Bloom" and is to be presented by Mrs. Margaret Lewis.

Plans for the bulb show to be held later in the month will also be completed at this meeting.

All garden lovers whether members of the section or not are cordially invited to attend this meeting.

ARCHIE REID

Mr. Archie Reid died Tuesday, March 30, after a long illness.

He was born in Manassas February 10, 1907. He was the youngest son of the late Ira C. Reid and Lula B. Reid. He leaves two sisters, Mrs. H. M. Davis of Baltimore, Md., and Miss Grace Reid of Manassas; one brother, Walter S. Reid of Rushtown, Ohio.

Funeral services were held from Belle Haven Church on Thursday afternoon at two o'clock, Rev. G. Murray Taylor officiating.

Interment followed in Belle Haven Church yard. The pallbearers included Charles Trimmer, John Cannon, Henry Wallace, Gene McCuen, Wallace Partlow and Harvey Jonas.

ROAD MEETING NEXT WEEK

Mr. C. C. Cloe, president of the Prince William Chamber of Commerce, is calling attention to the fact that the hearings on the allocation of road money will be held at Culpeper next Thursday.

Delegations expecting to attend should communicate with Mr. Cloe or Mr. G. R. Ratcliffe of Manassas so that co-operation can be had in the matter of the time of departure and the method of transportation.

It is very likely that there will be plenty of room for any delegation which desires to go.

BEER SIGNS ARE ORDERED DOWN

A. B. C. Board Restricts Outdoor Liquor Advertising.

Under regulations adopted by the State Alcoholic Beverage Control Board, interior advertisements of beer and wine and outdoor billboard signs advertising distilled spirits will be taboo in Virginia cities this week.

The regulation, prohibiting the display of "brand signs" and other indoor posters, as well as billboard advertisements, becomes effective Thursday midnight, April 8.

Beer and wine licensees also are forbidden to display wine or beer in their store windows. Such displays must be removed by next Friday morning, according to the board's ruling, which applies to 3.2 beer as well as the stronger brew.

The regulation, however, does not prohibit the licensees from displaying wine and other alcoholic beverages on open shelves in their stores. They also will be permitted to post as many as four price lists, showing the cost of various brands of wine. These price lists cannot be supplied by distributors, but must be provided by the licensee at his own expense. They will not be procurable from the ABC Board.

The ban on beer and wine advertisements will not affect neon signs next year. The board has ruled that signs of this type must be removed by February 8, 1938. Between now and that date, however, no new signs may be erected without a specific permit the ABC Board.

SHOULD START WINNING NOW

Manassas high has been playing in hard luck in its preseason games. Last week they journeyed to Ballston where the Generals overcame them in a onesided score of 18-2. Errors are said to have largely contributed in the down fall of the local team.

Again on Tuesday they ventured down to Fredericksburg to tackle another large high school with about the same results, 19-4. This time it was straight hitting by the host team, two home runs being poled. Fredericksburg team ran up enough runs in the second inning to thoroughly discourage most any team on the little end of the score.

The battery mates, Roseberry and Worley and Libeau seemed to be about the only Manassas high batters who could solve Wheeler, the Fredericksburg southpaw. Pitchers' wildness is charged as the main cause of the defeat, no errors being assessed on either side.

This week's game is against Nokesville at Nokesville. Roseberry and Libeau will probably start for Manassas.

Next week M. H. S. will journey to Occoquan for its second league game.

MANASSAS HIGH SCHOOL PATRONS LEAGUE

The regular meeting of the Patrons League of the Manassas high school will be held on Thursday, April 15, at 2:30 p. m.

As there is important business to be decided upon at this meeting, it is urged that everyone make a special effort to be present and it's necessary to have as large an attendance as possible. Reports will be given of the meetings held recently at Leesburg and an interesting program is being planned by the Program Committee.

SOIL CONSERVATION PROGRAM SIGN-UP EXTENDED TO APRIL 15

In order that farmers who did not file work sheets by April 1 may still participate in the benefits provided by the 1937 Soil Conservation Program, the sign-up period has been extended to April 15. Work sheets cannot be accepted after this date.

Work sheets may be filed at the county agents office in the Manassas Post Office Building. Farmers who wish to participate or to obtain information concerning the program and are unable to come to the county office will be visited at their homes upon request. We are interested in furnishing every farmer in the county full information concerning the program and to give all an opportunity to participate in the soil-conserving and soil-building payments for which they may qualify in 1937.

PASTURE IMPROVEMENT

While other crops receive regular applications of fertilizer, permanent pastures are usually unfairly expected to produce year after year without any of the fertility constantly removed by livestock being replaced. This practice places pastures in the position where they are even more soil depleting than cultivated crops. The supply of feed in Prince William County could be greatly added to or a large acreage of corn and other pastures. In comparison with the results that may be obtained, the cost of fertilizing and liming pastures is small. 16 per cent Superphosphate, our lowest priced commercial fertilizer, usually will make up for the deficiency in plant food of the manure left by livestock on the land. Lime will correct the acidity and permit clovers to grow abundantly along with the regular pasture grasses. Fertilizer applied regularly will cause broom sedge to disappear and to be replaced by nutritious grasses and clovers. The longer the grazing season and the better the pastures, the less will be the demand on the corn cribs, grain bins and hay mows and the more grain and hay there will be to market or to feed to marketable livestock.

HAVE YOU HAD YOUR SEED CORN TESTED?

Have you had your 1937 seed corn tested for disease and germination? Samples will be forwarded without cost to you to the State Laboratory.

TREATING SEED CORN FOR DISEASE CONTROL

Results of experiments show that treating seed corn with an organic mercury dust (obtainable under the name of 'New Improvement Semesan, Jr.') to each bushel of seed. The seed may be treated in a homemade barrel or box duster, feed mixer, commercial treating machine or old barrel churn.

CARD OF THANKS

We wish to thank our friends and neighbors for their kindness and sympathy during the illness and death of our brother, Mr. Archie Reid, also for the use of cars and beautiful flowers.

HAYMARKET HIGH SCHOOL NEWS

"The operetta 'Florinda' by Phillips and Marz was presented at Haymarket High School Wednesday evening, April 7, at 8:00 P. M.

Against a beautiful background of evergreen trees, rododendrons and blossoms of the season, the cast of about fifty children danced and to the tuneful music of the play. The beauty of the scenes was greatly enhanced by the charming costumes of these taking the part of fairies. The costumes of pleasing design, were in many different colors, canary, lilac, turquoise blue, light rose, deep rose, apricot, pale pink, pale yellow were the colors worn by different fairies, with not more than from two to four of the same color. The Fairy Queen wore white and silver. Each fairy had wings to match her costume. The wings were gold tipped, no two being alike in design.

The beauty of the fairies' costumes was climaxed by silver crowns. The witches with their somber black robes and tall peaked black hats, gave the operetta a striking contrast to the beauty and gaiety of the fairies.

The parts of Florinda, the little girl who was changed to a nightingale by the witch's spells, and that of her brother, Yoringal, were played by Barbara Haislip, aged 8, and John Wood, 14 years old, respectively.

Mary Parsons Carter, of the Ninth Grade, was a charming Fairy Queen, while Helen Smith, a Senior wove her spells as Vala, the Queen of the witches.

Anne Dulaney, First Fairy; Margaret were First and Second Fairies, respectively while Phyllis Robinson and Dorothy Keller took part the parts of First and Second witches. The complete cast was follows Fairies: Mary Parsons Carter, Fairy Queen; Anne Dulaney, First Fairy; Margaret Manuel, Second Fairy; Cynthia Pattie, Margaret Cox, Anne Utterback, Louise Lightner, Margaret Lightner, Katherine Lightner, Francis Brower, Betty Brower, Esther Anne Rust, Marie Rust, Mildred Gossom, Clara B. Carter, Faith Ellis, Evelyn Hummer, Theresa Hummer, Fern Claiborne, Katherine Sinclair, Betty Thomas, Virginia Dunn, Mary Smith, Margaret Dunn, Lillian Leonard, Kathleen Leonard Bessie Jacobs, Virginia Ashby.

Witches: Helen Smith, Witch Queen; Phyllis Robinson, First Witch; Dorothy Keller, Second Witch; Beta May Payne, Christine Williams, Katie Claiborne, Anna May Claiborne, Harriet Polen, Betty May Briggs, Anne Lightner, Audrey McGuin, Sarah Jane Lightner, Elizabeth Payne, Mary Jacobs, Evelyn Ashby, Beatrice

The operetta was directed by the Principal, W. B. Haislip Jr. The costumes were designed by Mrs. W. B. Haislip Jr., who was also the accompanist. Miss Dorothy Bevard and Miss Doris Taylor gave great help in costume details and stage management while the children themselves furnished laurel, jonquils, plum blossoms, narcissus and other flowers for stage decorations.

The proceeds from the operetta are to go to for a set of very useful class-room materials of a permanent educational nature.

In the first game of the Prince William County High School League season Haymarket High School baseball team defeated Nokesville High School by the score of 20 to 18.

In the sixth inning, Godfrey, pitching for Haymarket, was shifted to catcher. His place on the mound was taken by Smith, with the count standing, Haymarket 15, Nokesville 4. After six runs had been scored off Smith, Ellison took up the pitching burden for Haymarket, for one inning. With the score Haymarket 16, Nokesville 13, Godfrey returned to the pitchers box for the final two innings. Ellison, of Haymarket, was the outstanding hitter of the day, with four hits out of six trips to the plate, but Lightner's triple with the bases loaded put the game on ice for Haymarket, in the eighth inning. Mr. Davis, of Manassas was the efficient and impartial arbiter of the contest.

Haymarket High School Baseball Team won its second consecutive victory of the current baseball season Tuesday with a win over Occoquan High School. While Godfrey, of Haymarket was holding Occoquan to one run, his team mates garnered enough bingles and extra base hits to manufacture seven runs against Occoquan's southpaw pitching.

Billy Tyson, a seventh grader, proved the hero of the day for Haymarket, when the doughty little second baseman smashed a double with two men on and the count knotted at one all. That put Haymarket out in front and after that there was little doubt of the final outcome.

The Occoquan boys played well but failed to hit Godfrey in the pinches and made some costly errors, although the game was well-played for the most part by both teams, each of which promises to give trouble to other members of the League. Mr. Davis, of Manassas was umpire.

CATHARPIN

Well, Easter has come and gone but has left in its wake a great conglomeration of beautiful hats, coats, gloves, ribbons, etc. very pleasant to look upon. We have often thought it was a mighty good thing that these seasonal exactions came along to relieve the monotony of the millinery "landscape" since one sort of grows tired looking at the same old scene so long. Then again, one likes to see what funny contraptions the style makers can think up in order to make the wearer want to part with her money. It seems as though the "pancake" variety is now all the go flat and no depth, tilted a little to one side and dipped forward; some with flowers and some not according to the taste of the wearer. Well, of course, they all look very pretty, indeed.

Flowers from the Sudley pulpit last Sunday morning were sent to Mrs. E. N. Pattie and Mrs. Hulda Collins. When in health, these two were ever constant attendants upon church services.

Miss Jane Horn of Washington was a guest of the Brower girls at Done Oak last week.

Mrs. Etta P. Lynn of Catharpin was a week-end guest of her daughter, Mrs. A. L. Webb, of the Capitol City last week.

Mr. and Mrs. W. K. Caldwell, Mr. and Mrs. P. B. Senseney, Mr. C. F. Caton and mother, Mrs. Sara Caton, and Mrs. Sue C. Swart attended the funeral services of Mr. Harry J. Ayres at the funeral home in Washington on Thursday of last week.

Mr. and Mrs. L. L. Lynn and Mrs. Chas. R. McDonald were Washington shoppers on Thursday of last week.

Mr. and Mrs. E. N. Pattie together with their son, Edward, and daughter, Mary Currell, motored to Purcellville, Va., on Sunday last calling upon Mrs. Pattie's sister, Mrs. C. F. Brower, of that city.

Charles Hall of near Catharpin, a high school student at Haymarket, is now confined to his home from an attack of scarlet fever when the new ailments overtook him to contribute further his absence from school.

The Sudley Missionary Society has just presented to the church a new piano that is, it is "new" to them—which now replaces the one presented to it some few years ago by the Groveton School league and which is now superannuated with respectful memory for the good it has done. Sudley has always been fortunate in

regard to her musical instruments. The organ now in use was presented to her by the late John W. Polen when the new church was dedicated.

The Sudley community was saddened last week by the death of Mr. Harry J. Ayres who died on Wednesday, March 31, 1937, at Providence hospital, Washington, where he had been taken on Tuesday suffering from a stroke. Mr. Ayres, formerly of New York State, came to this neighborhood about ten years ago and was employed by the State Highway Commission as an expert mechanic and bridge builder and many of the bridges spanning the erstwhile open crossings along Lee highway from Washington to New Market are the result of his handiwork. Funeral services were conducted by his pastor, the Rev. A. B. Sapp, at a funeral home in the Capitol City and the remains taken to his home State for interment on Sunday, April 4. The deceased leaves a wife and three sons together with many friends to mourn his passing.

Score another one for the Old Dominion. Virginia has been in the forefront of history ever since 1607 and the eminent men she has produced and the patriots she has reared are so numerous that to eliminate them from the record would render the history of the United States of America destitute of interest. She has always had patriots of noble mien, ready to defend their State and Country to the last drop of blood; men who rose to the defense of every good cause, and never failed in the defense of right and justice. And now be it said to her continued honor and glory she is still producing them. Her representatives in the House and Senate of the U. S. A. are still to be reckoned with. When they speak the world listens. Virginia's two senators, Glass and Byrd, are true to tradition; they can be neither bought nor bribed. If they think a thing is right, they will support it, if wrong, they oppose it.

It is doubtful if the Senate ever had a more intelligent, patriotic, fearless advocate of the right than the Old Dominion's CARTER GLASS; nor one who is so little influenced by ward politicians. Carter Glass is for the good of the people he represents and the good of his country first, last and all the time. His is a vocabulary unapproachable. He can say things and place words just where they belong in order to express his meaning and few there be who can convert them.

It is really now time for people to think, and not be just "trailers." Every year seems to bring on some new developments; some new emergencies. "Sit-down" strikes are abroad in the land covering everything from automobiles to boot blacks. Now the "Powers that be" are beginning to warn of another panic. "Inflation" they cry, yet Congress can not spare itself away from politics long enough to heed the cry of the people. Strikes cause loss and high prices; prices become prohibitive; if people can't buy, manufacturers can not manufacture; wheels stop, panic, Hitler, Mussolini, Spain, Russia, or just what have you? Yes, its time now to do a little thinking on our own account. When things get over-balanced and top heavy, they usually fall. Our most recent example is the man of Doornie at the woodpile. You remember he was obsessed with the notion that he was to rule the world and started out to do it. Now we have Hitler and Russia who think they can get along without the Christian religion. Then there is friend Mussolini who has just finished the rape of Ethiopia and is now casting about for other worlds to conquer. Well, these are living examples of what has and is happening in the world to-day. A little wise thinking should now be in order.

WALTER OLIVER IS CANDIDATE

Son of Late State Senator Announces for the General Assembly.

On Monday of this week, immediately following the announcement that Hon. John Mackall will not seek re-election, Walter Tansill Oliver, Jr., son of the late State Senator Walter T. Oliver, announced his candidacy to represent Fairfax County in the General Assembly, subject to the Democratic primary in August.

Mr. Oliver is a graduate of Georgetown University, holding two degrees, and as one of the younger members of the Fairfax bar he has already made an enviable record as a practicing attorney. As chairman of the Legislative committee of the Young Democratic Club, he has contributed materially to the successes of this energetic political organization and he is well known in the fraternal and social life of the county, being a member of Henry Lodge, A. F. & A. M., of the Order of Fraternal Americans and the Fairfax Rotary Club, and he is a communicant of Zion Episcopal Church.

Having campaigned the length and breadth of Fairfax County with his distinguished father, Mr. Oliver is not only widely known, but he himself has a large circle of friends who will receive his announcement with great satisfaction and will doubtless bestir themselves energetically to elect this capable and popular young man to the position filled by his father, so many years to the satisfaction of the Fairfax electorate.

BURKE

The inclement weather didn't daunt the patrons from attending the P-T. A. meeting Monday evening in the school. After the general routine of business, an old fashion spelling bee was suggested. Stanley Sutherland represented the work of Fairfax County Student Co-operative Association. The delegates from the student group were Mildred Linton, 6th grade and Elgin B. Kirby from 7th grade.

Mrs. Edna Davis has been quite ill of the gripe.

Mr. and Mrs. Herbert Weaver and Mr. and Mrs. William Maley were the visitors of Mr. and Mrs. John Maley Sunday.

Mr. and Mrs. William Wenk and son, Everett were guests of Mr. and Mrs. Lucille Harlowe Sunday.

Mrs. Neta White and Mrs. William Simpson attended the M. E. Conference at Mt. Rainer, Md., Tuesday. Mr. and Mrs. E. C. Brock were the Sunday guest of Mr. and Mrs. Benjamin Boyce.

Mrs. Booker Jones died suddenly at her home on Tuesday. The family has the heart felt sympathy of her friends.

OCCOQUAN

There passed from among us to her reward, Miss Linnie L. Davis, a lifelong resident of Hoadly, Va., who was buried at Oak rose Cemetery on Thursday, April 1, 1937. Miss Davis was well-known in this section of Prince William, and was familiarly known as Aunt Lou. She is survived by a brother, Mr. H. B. Davis, of Hoadly, and several nephews and nieces. Funeral services were held at Oak Grove Baptist Church with Elder W. M. Smoot presiding. There was a very large attendance at the funeral; relatives, and friends from the community. We extend our sympathy to her dear relatives.

Mr. and Mrs. B. W. Brunt spent Sunday with friends in Norfolk, Va.

I'VE MADE PAINT FOR 39 YEARS AND I STILL SAY—

You Can't Fool the Sun with cheap House Paint

SUN, wind and weather can't be fooled with cheap house paint. Cheap paint is like skimmed milk—you can get a pail full for a little money, but there's no "nourishment" in it. It may look good at the start—but it costs more in the end, 'cause you have to buy more of it—it doesn't last and it doesn't protect.

The truly economical way to paint your house is with my 2-4-1 House Paint. It is just what its name implies—two for one. One gallon mixed with a gallon of linseed oil makes two gallons of honest paint. My 2-4-1 is made from only first-quality ingredients and with all the skill of my 39 years' experience as a paint maker.

As a result, you'll find it covers more surface per gallon than cheap paint—covers better and gives you a better job in every way. My 2-4-1 will look good for years after cheap paint has chipped, cracked, curled up and died.

If you want to be proud of your home—and spared the cost of repainting for years to come—get a free color card from my authorized dealer today and take advantage of his special offer on my Davis 2-4-1 House Paint.

CHRIST FOR ALL—ALL FOR CHRIST

The Manassas Journal

It is a long way to the top, but a light one to the bottom—Proverbs 16:18

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a precious heritage to them in after years.

BLESSED ASSURANCE—
And he that keepeth his commandments dwelleth in him, and he in him. And hereby we know that he abideth in us, by the Spirit which he hath given us—1 John 3: 4.

UNCLE SAM OR UNCLE SAP?

Twenty years ago this week the United States entered the World War. It was to be a war to end war. After enormous sacrifice of men and treasure we finally made a separate peace with Germany and then proceeded to lend billions of dollars to the warring nations for rehabilitation. We even paid rent for the trenches occupied by our troops.

We then proceeded to scrap our best fighting ships, only to find that the agreement was to be maintained by Japan until they could catch up in the modernization of their navy, and now we find that Europe has largely re-armed with the money made available by the repudiation of their war debts to us.

If we are to profit at all from the fearful instruction of this experience, we should become adamant in our steadfast purpose not again to meddle with European affairs. George Washington told us what to do along these lines and if we have finally learned this lesson our boys will not have died without at least some national benefit.

THANK YOU, MR. TEBBS!

Referring to the account last week of the Bocock Farm near Bristow, we have the following, which is greatly appreciated:

"The Bocock Farm" was once owned by my father and I am anxious to send that issue of the Journal (April 1) to members of the family living in distant States. The Town of Manassas has grown beyond recognition as compared to old times and "The Journal" has kept in step. May both continue on the forward march.

ON THE WAY

Dear Editor, The Journal:

It was a bid sad to leave Nokesville "the loveliest village of the plain" to launch out on a little transcontinental trip over some 8,000 miles.

Through some three decades, old Prince William County and her good people have become intensely endeared to one.

I am now nearly 400 miles from home at Taylor's Valley, Virginia amid sharp mountain peaks "what am sho nuff hills" and in full view of the Tennessee line.

This is a county of upright land and farmers cultivate both sides in this land of the White Burley tobacco.

The folks are of the good old Virginia type, which assures 100 per cent of old time conviviality and congeniality and hospitality.

Let me hope to make this trip on the installment plan interspersed with meetings here and there, and to report again and later.

I. N. H. BEAHM.

Trans-Atlantic Air Service

The Atlantic Ocean will become the scene of the last of great aviation pioneering ventures this Summer, when giant airliners make experimental trips over several routes, with a view to establishing regular passenger service next year.

A story appearing in next Sunday's Star describes the aircraft to be used and terminal preparations being made so that Americans and Europeans will be only 18 hours apart. Why diplomats, aviation executives, pilots and business leaders all have their eyes turned to the Atlantic this Spring, the story explains.

QUIET TALKS ON RELIGION

By
Dr. James T. Marshall

THE WILL OF GOD

There are few subjects on which there is more general misunderstanding than the will of God. The average person is something of a fatalist. In the time of disaster almost every person will say "it is God's will." The fact is that most of our troubles are due to the ignorance or the disregard of divine laws on our part, and contrary to the divine will.

In discussing this question we have placed too much emphasis on submission to the divine will rather than on doing it. In the Lord's prayer we are not taught to pray "Thy will be accepted," but "Thy will be done."

I do not wish to deny that there are circumstances over which we have no control and which we cannot explain, when our only consolation lies in our willingness to submit to the divine will, as Jesus did when He knelt in the Garden of Gethsemane. When we have been deceived in our hopes, annoyed by fears or brought face to face with sorrow and death, there is nothing to be so desired as the ability to say,

My Jesus, as Thou wilt,
O may Thy will be mine;
Into Thy hand of love
I would my all resign;
Through sorrow or through joy
Conduct me as Thine own,
And help me still to say
My Lord, Thy will be done.

We are living in an age when the will of God is being brazenly and wickedly flouted. The Creator accepted this risk when He endowed man with freedom of the will. It was a dangerous gift, yet without it we would not have been creatures capable of fellowship with God.

Our nation was founded by Godly people. Is it the will of God that we should have today 3,500,000 criminals, and that a crime should be committed every twenty seconds of the year? Is it His will that we should continue fanning the fires of hate and fear while we turn the world into an armed camp, and concentrate our scientific skill upon instruments of war with which we murder women and children and rob the human race of millions of its most promising youth?

We are making our religion too self-centered and flabby. It is high time for good people to arouse themselves to combat spiritual wickedness in high places. We may be sure that in the long run the will of God will not be defeated. He may be losing battles, but He will not lose the campaign. We must take the long look in judging events. "A day with the Lord is as a thousand years, and a thousand years as one day." In due time He will unbar His mighty arm. But we are not justified in expecting the final victory of righteousness unless we learn to co-operate with God and dedicate ourselves to the doing of His will.

John Hay has written these virile lines:

Thy will it bids the weak be strong,
It bids the strong be just;
No lip to fawn, no hand to beg,
No brow to seek the dust.
Wherever man oppresses man,
Beneath Thy liberal sun,
O Lord, be there Thine arm to bare;
Thy righteous will be done.

GOVERNOR PEERY INVESTIGATES STRIKE

Governor Peery has ordered John Q. Rhodes, jr., director of the Division of Motor Vehicles and State Police Force, to Dickenson County to investigate activities of striking union miners.

The governor said he had received several telephone calls from county officials during the day in regard to the situation, and had asked Rhodes to leave for the Clinch area where Sheriff J. H. Anderson said members of the United Mine Workers were seeking to prevent workers from entering the non-union mines of the Clinchfield Coal Corporation.

Governor Peery said Rhodes was not taking any of the state police force with him, and was being dispatched merely for an investigation. The executive said he had received reports from "both sides" before determining on his course of action.

MANY SCOUTS HONORED AT ANNANDALE MEETING

Two hundred boys and men from eight Fairfax County Scout Troops and one from Manassas met Saturday afternoon, April 3, at the Annandale school grounds for their first outdoor Field Day of the spring season. Following the games, the Scouts cooked supper in the open and then assembled around a huge campfire which was started by the flint and steel method.

During the evening a Court of Honor was held in recognition of the advancement and achievements shown by the Scouts during the month. Scouts receiving recognition at the Court of Honor were as follows:

Advanced to 2nd Class—Troop 182, Barron Smith; Troop 182, Emory Chesley; Troop 182, Joseph McCoy; Troop 182, William Keefe; Troop 182, Vernon Rodier; Troop 1, Manassas, William Gregory; Troop 1, Manassas, Harry Blakemore, and Troop 1, Manassas, William Knox.

Received merit badges—Troop 182, W. T. Woodson, jr., Farm Home Plan, Public Health First Aid to Animals; Troop 182, Stacey Sherwood, Handicraft; Troop 182, Conrad Allman, First Aid, Civics, Weather; Troop 182, Neal Watson, First Aid; Troop 182, Wise Kelly, jr., Personal Health, Firemanship, Public Health; Troop 155, Richard Higham, Personal Health; Troop 124, Gordon Patton, Personal Health; Troop 182, Carl Maxwell, Cooking, Athletics, Reading; Troop 182, Gordon Kinckle, Weather, Personal Health, Farm Layout, and Troop 182, Lee Curtis, Soil Management.

Troops participating in the Field Day were Troop 124 Herndon, Harold F. Weiler Scoutmaster; Troop 150 Annandale, Raymond M. Lynch Scoutmaster; Troop 152 Vienna, Paul K. Stenger Scoutmaster; Troop 155 Franconia, J. E. Woolhiser Scoutmaster; Troop 159 Oakton, Carl W. Levin Scoutmaster; Troop 182 Fairfax, Dr. E. M. Holmes, jr., Scoutmaster, and Troop 1 of Manassas, R. Jackson Ratcliffe Scoutmaster.

While the Court was in progress the adult Scout Committee of the County held its monthly meeting. Mr. J. W. Biggers, jr., chairman of the committee, presided at that meeting which was attended by W. T. Woodson, J. E. Bauserman, I. B. Miller, R. N. Wrenn, Harry Reed, Gilbert Stewart, R. J. Ratcliffe, H. F. Weiler and J. Wallace Talley. Mr. Woodson reported the organization of a Troop at Clifton with 14 boys enrolled. It was also reported that Cub Packs were under way in Fairfax and Falls Church and that the Groveton Troop would probably be reorganized. It was agreed to conduct a short training course for Scout leaders early in the fall.

Mr. Weiler announced that the next meeting of the County Troops would be an overnight camp at the Recreation Center near Clifton on Saturday, May 8. This meeting will be featured by a Court of Honor and campfire program, and it was emphasized that Scouts should attend the Court and campfire even though they were not staying all night.

Mr. Ratcliffe invited the group to Manassas for their June meeting which is scheduled for Saturday, the 12th.

The National Jamboree was discussed and it was disclosed that several Scouts from Fairfax County expected to register. The County Scouts, it was suggested, might take Mt. Vernon and Great Falls as their Jamboree guide project.

Interest was also expressed in the World Jamboree to be held in Holland.

The campfire program was interrupted by a call for help in putting out a woods fire nearby. About 100 Scouts responded.

A GREAT BIBLE CLASS ORGANIZED

On last Sunday morning the Balcony Bible Class for men was organized at the Methodist Church. A large group of men of all ages were present, enthusiastic and interested in this movement to get the men of Manassas to study the Holy Bible. The Bible will be studied by Books—seeking to find why they are in the Bible, what they have to say to a preoccupied, mechanistic, behavioristic civilization as we have with us today.

The following officers were elected: J. Carl Kincheloe, president; Luther W. Moser, vice-president; Prof. Worth Peters, secretary; Edgar C. Parrish, treasurer, and Richard C. Haydon, chairman of Membership Committee. The pastor of the church, Rev. Harry Paul Baker, is the teacher.

This is a splendid offered the men of our community to become acquainted with the greatest book in the possession of man. The class will meet every Sunday morning in the Balcony of Grace Church for the lesson, and at other times for social and recreational seasons.

OCCOQUAN and VICINITY

Mr. and Mrs. Edgar Shanklin and their daughter, of Occoquan have returned home after spending Easter Holidays with relatives in North Carolina.

The Senior Class of Occoquan High School will not have a play this year, but instead will hold a dance in the High School Auditorium on Friday, April 30th. Be sure to keep this evening open for this dance.

Miss Elizabeth Eskridge, of Amherst, Va., spent the week end with her sister, Miss Ellen Eskridge of the Occoquan High School Faculty.

Mr. John Morrison, son of Rev. and Mrs. Morrison, of Occoquan spent the week end with his parents. Mr. Morrison is a member of Randolph Macon Debating Team. The team was on a trip to New York and other points North.

We are sorry to report that Miss Lulu Brydie of the Occoquan School Faculty was called to her home last week because of the death of her father. Our sympathy goes out to her and her family in this their hour of bereavement.

Mrs. Harry F. Slack had a wedding anniversary on Thursday, April 1st. She was presented with many beautiful mementos by her hosts of friends in Occoquan and vicinity. Mrs. Slack tried to keep the event quiet, but her friends surprised her by their calling to congratulate her and bring her the beautiful remembrances for the occasion.

Fish have been very prolific this year as is evidenced by the large Creek. Be sure to get your fishing licenses and enjoy the fishing at Occoquan. If you do not make a good catch the first try, try again. Fishermen do not make good catches every day.

Again, remember your Chamber of Commerce. It elicits your support. If you support it, it will work for you, but if you do not support it, it cannot do much good. Attend some of the meetings and you will realize the work your Chamber of Commerce is doing for you.

ADEN

With the beautiful spring days we are now having many of us are reminded of the little poem we learned while we were children:
There's a secret going round.
Listen! Can't you hear it?
It's a secret we all like
You'll stand up and cheer it.

It is some thing whispered soft
By the wind's low singing;
You can see it in the way,
Awning cords are swinging.

There's no moon, the stars are gone,
Old man thunder's gubbling.
You must guess it pretty soon—
There's a shower coming.

Mr. and Mrs. A. C. Lingenfelter of Washington, D. C., were Sunday guests of Mr. and Mrs. J. P. Smith. Mrs. Sam Whetzel spent Sunday with her parents, Mr. and Mrs. Moser Albrite, near Fulks Run. Her father has been seriously ill and she reports there is very little change in his condition.

Mrs. Homer Swank is spending some time with her daughter, Mrs. J. P. Smith trying to recuperate from a nervous breakdown. She expects to leave on Friday for Harrisonburg for treatment.

Mrs. S. S. Stulz spent Sunday with friends near Bergton.

There seems to be a number of cases of mumps in our community especially in the J. P. Jones' home. We sincerely hope the little twins, Geraldine and Gerald, are strong enough to battle the disease.

Mrs. John P. Kerlin is seriously ill of tonsillitis.

A bingo party will be held at the school Tuesday night, April 13.

Final plans for the fifteenth annual meeting of the Virginia Academy of Science, to convene at the University of Virginia on May 7, were announced this week.

The academy will award the annual research prize and Jefferson gold medal.

INSURANCE GROUP PLANS CONVENTION

Head Camp Convention Will be Held at Lynchburg.

The biennial Head Camp convention of the Woodmen of the World Life Insurance Association in Virginia will be held on April 13 and 14 in Lynchburg, according to E. N. Black, South Boston, head consul of the jurisdiction.

At least two national directors will convene with the sovereigns of Virginia, he said, and there is a possibility that De Emmett Bradshaw, national president will also attend.

Charles A. Hines, of Greensboro, N. C., and Henry E. Klugh, of Harrisburg, Pa., members of the board of directors of the association, will attend all sessions of the convention.

Prominent sovereigns in this jurisdiction who have indicated that they will attend include L. T. Mason, of Lynchburg, junior past head consul; R. E. Evans, South Richmond; L. B. Hargrave, Petersburg; James W. Gentry, Richmond; W. C. Sigmon, Roanoke; O. T. Powell, Bristol; B. G. James, Newport News; and T. G. Smoak, state manager, of Richmond.

Delegates to the convention will elect representatives to attend the Sovereign Camp convention, the supreme legislative body of the Woodmen of the World, which meets later in the year. Another feature of the convention will be the initiation of a large class members from all parts of the jurisdiction.

The Woodmen of the World is today the strongest fraternal life insurance association in the world, with nearly 400,000 members in 44 states, and assets of \$124,493,972, as of January 1, 1937. During 1936 alone, the association enrolled more than 90,000 new members with insurance protection totaling in excess of \$108,000,000.

In the spring of 1934, and again in February, 1937, the association returned about \$1,500,000 of assessments to its members. These were the largest single refunds ever made by a fraternal society, and affected nearly 300,000 members.

SALEM WITCH HYSTERIA BASIS OF GRIPPING FILM

Seventeenth Century New England, where high ideals clashed with bigotry, romance with grim reality, and glamour with the severe austerity of the Puritan fathers, comes to life again at the Pitts' Theatre next Monday and Tuesday, April 12-13, in a powerful and highly romantic motion picture, "Maid of Salem," by far and away one of the biggest pictures of the current season.

Produced and directed by Frank Lloyd, only three-time winner of the coveted Academy Award, "Maid of Salem" is the story of a Puritan maiden, played by Claudette Colbert, and a dashing Virginia cavalier, portrayed by Fred MacMurray, whose love became involved in the mysterious with scare which swept the colony in 1692 and shook America as it then existed to its very foundation. Both stars give brilliant performances and play their roles with great feeling and sympathy, as does the rest of the elaborate cast which includes Harvey Stephens, Louise Dresser, Bennie Bartlett, Gale Sondergaard, E. E. Clive, Beulah Bondi, Donald Meek, Bonita Granville, Virginia Weidler and many others.

The action begins in old Salem town, in the Massachusetts colony, just before the witch hysteria breaks out. Miss Colbert, an orphan, is beloved by all with the exception of Miss Sondergaard, who is suspicious of her friendship with her husband, Harvey Stephens, and certain strait-laced elders who think her too frivolous and "gay." She meets MacMurray, a fugitive cavalier from Virginia, who is hiding in the home of his uncle, and a friendship begins. There are secret meetings in the forest where the handsome cavalier teaches the girl the stately measures of the gavotte and later declares his love. Unknown to them, they are seen.

MacMurray returns to Virginia, promising to come back to Salem as soon as he wins vindication. Shortly afterwards, news is brought to Salem that the devil had "appeared" in Boston and was on his way to that village. Panic and fear grip the colony. Bonita Granville, a precocious youngster, is the first to be "afflicted." Her testimony leads to the condemnation of an old slave woman.

Others are accused and condemned to die as witches, mostly on the testimony of Miss Granville and her companions.

When Miss Colbert attempts to reason with the fear-crazed colonists, she too is accused and brought to trial. Here it is brought out that she had been seen dancing in the forest with a tall, handsome stranger who, her accusers declare, was the devil himself. Afraid to reveal the identity of her lover for fear it would mean his death, she refuses to name the mysterious stranger, and is condemned to die.

She is saved in a breath-taking climax when MacMurray reappears and proves that he is the man who danced with the girl and, far from being the Evil One, he is very personable and charming young man. This awakens the Salemites to the folly of the witchcraft and it ends as suddenly as it broke out.

CHRISTIAN SCIENCE

"Unreality" was the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, April 4.

The Golden Text was "Surely God

will not hear vanity, neither will the Almighty regard it" (Job 35:13).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea I will uphold thee with the right hand of my righteousness" (Isaiah 41:10).

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The more difficult seems the material condition to be overcome by Spirit, the stronger should be our faith and the purer our love. The apostle John says: 'There is no fear in Love, but perfect Love casteth fear . . . He that feareth is not made perfect in Love.' Here is a definite and inspired proclamation of Christian Science" (p. 410).
