Woman's Club Given Interesting Talk by Mr. Graham.

The regular monthly meeting of the Music-Literature Section of the Manassas Woman's Club was held at the home of Mrs. Wade-Dalton Tuesday evening, April 27. This meeting was supposed to have been at Mrs. Robert Smith's home but the change was made on account of the weather. Fourteen members were present and three visitors, these being Rev. and Mrs. Graham and Mrs. Dennis Baker.

The chairman called the meeting to order and disposed of the regular routine business. Under new business she appointed Miss Margaret Lynch, Mrs. Broadus and Miss Sue Ayres to plan the program for next month's meeting which will be purely a social one and the last until we meet again in the fall. Weather permitting this meeting will be at the home of Mrs. C. C. Lynn.

At this meeting also the officers for the new year were elected as follows: Chairman, Mrs. Fred Hynson; vice-chairman, Mrs. Robert Smith; music chairman, Mrs. Lewis Carper; secretary, Miss Margaret Lynch, and treasurer, Mrs. Charles Linton.

The program for the evening was then taken up. Miss Ruth Smith reporting for Current Events read some very interesting notes on "How the Supreme Court Works" and also an article from the little magazine "They Say" entitled "Russia is Safe for Democracy."

Mrs. Nathan Brisco was supposed to report for Current Music but was unable to attend. She had prepared some notes on "Better Days for Music" and these were read by Mrs. A. L. Mylander. An interesting discussion followed with some suggestions for our program for another year. Mrs. Lloyd had charge of the literary portion of the program. She stated that each Literature Section of the Woman's Club was supposed to have at one meeting during the year a speaker on Literature of the Bible and so she gave the club a special treat by presenting Mr. Graham, the Baptist minister, who made a most interesting talk on this subject. To understand the Bible as literature, Mr. Graham said, one must first understand its back ground and why and how it came into being. A general idea of this was given briefly. Almost every form of literature we were told is represented in the Bible, and the Old Testament especially, contains most of the world's greatest literature. Mr. Graham's talk was well received and appreciated and an interesting discussion followed, during which time delicious refreshments were served by the hostesses.

"DUD" EXPLODES

Jesse Wheaton, age 27, was severely injured in the hand and face Sunday morning when a dynamite cap exploded.

Wheaton thought it was a dud or had already been exploded and he started hammering it out to make a sinker on his fishing line when the explosion occurred, tearing off part of one figure and thumb and possibly scarring the left side of his face.

He was rushed to Dr. McBryde's office where treatment was received. He is resting comfortably and is said to be rapidly on the way to recovery.

FOOD SALE, SAT. MAY 1

The Ladies of the Catholic Woman's Club are giving one of their largest food sales this Saturday, in order to raise funds which are needed to complete the payment of laying the new cement sidewalks around the property of All Saints Catholic Church.

They earnestly invite everyone to aid in this improved civic work. This sale is being held in the show room of the Manassas Motor Company.

HOME ECONOMICS EXHIBIT

The Home Economics department of Manassas high school will show its exhibit of the year in the high school gymnasium Friday evening, April 30, from 7:00 to 10:00 p. m. and Saturday, May 1, from 9:00 a. m. to 9:00 p. m.

The public is cordially invited.

BEAUTY PAGEANT AT GREENWICH

The Community League is sponsoring a beauty pageant at the school on Wednesday evening, May 5, at 8 o'clock. There will be string music and several tap numbers. Refreshments. Come and see "Miss Greenwich of 1937."

FUNDS APPROVED FOR DUMFRIES ROAD

Announcements have been made that the tentative allocation of funds on the Manassas-Dumfries road under the secondary federal system has been approved by the Highway Commission. The delegation which went to Orange and so strenuously fought for this project deserves great commendation for assisting to persuade the Highway Commission to make this allocation.

CRATER BATTLE RE-ENACTMENT

Many Will Attend Event at Petersburg on April 30.

Quite a number of people from this county will attend the re-enactment of the Battle of the Crater tomorrow at Petersburg. The celebration will be an all-day affair beginning with a concert at eleven o'clock with an address by Dr. Douglas Freeman of Richmond and a sham battle depicting the preparation of the mine and incidents connected with the explosion of the immense powder charge.

The sham battle is interrupted for a noon recess which will include the entertainment of prominent guests and other events. The thread of the story will be picked up again at three o'clock in the afternoon by a narrative address by Dr. Freeman prior to the second portion of the sham battle which takes up the story from the morning session.

It depicts the superb charge of Mahone's brigade and the surrender of the union troops in the Crater.

Col. C. J. Miller, commanding the 5th Marines who was at Bull Run last year, will again be a grand marshal of the event.

Other commanding officers will be Major John A. Lejeune, retired former superintendent of V. M. I.; Major W. A. Burress, U. S. Infantry, present commandant of V. M. I.; Major Charles H. McCurdy of the second battalion 111th Field Artillery of the Virginia National Guards; Captain M. C. Jackson, Jr., of the Petersburg rays, Co., 1st Infantry, Virginia National Guards, and others.

The story of the Crater is much too long to relate here. It is amply set forth in most histories and is but another chapter of the brilliant military genius which abounded in the Confederate Army.

Many people, better acquainted with the situation, get the facts entirely reversed in their minds as to the general results of that immediate conflict.

It was here nearly eight months later that the last desperate attempt was made to break through the Union lines and which was partially successful, only to collapse from lack of sufficient momentum.

A monument placed on the crest of the fort taken by the Confederates in this last fight was erected by the Pennsylvania Regiment whom they worsted. It contains an unsolicited tribute to the valor of the half-starved Confederates, and is worthwhile going there to see.

BAZAAR TO HAVE MANY FEATURES

The Annual High School Bazaar will be held at the auditorium on Friday night, April 30, at 8:00 o'clock.

One of the most attractive features of the Bazaar will be a Baby Show in which children ranging in ages from tiny infants to six years of age will be judged by local doctor and nurses for ribbon awards, the judging to begin at 7:30.

A Doll Show, featuring dolls of every size and description will be given ribbon awards.

Other attractions will be a curiosity shop a fond sale, and bingo.

A floor show consisting of music dances and stunts will be presented between visits to the other attractions of the Bazaar.

MISS MARY LYNCH WILL ASSIST AT MOUNT HOLYOKE CENTENNIAL CELEBRATION

Miss Mary Lynch of Manassas, Va., will assist at a garden party in connection with the Centennial celebration at Mount Holyoke College, May 7 and 8. Miss Lynch, a member of the class of 1939, will wear an authentic costume representing one of the ten decades of Mount Holyoke's history. During the two day anniversary, which marks the completion of the college's first hundred years as an institution of higher learning for women, she will also sing in two recitals of the combined choirs and at the Commemoration Service on Friday morning.

THE RISING SUN

ANNUAL MEETING CHAMBER GROUP

Mr. Cocke Recommends Progressive Changes.

The annual meeting of Prince William County Chamber of Commerce was held at the town hall last Thursday night, with some fifty in attendance.

Acting secretary, W. F. Cocke, gave a very encouraging report of the accomplishments during the past year.

It was decided to reduce the dues of all lady members to \$2.50 per year.

Mr. Cocke made a series of recommendations for the Chamber to take under consideration in the future, one of the most valuable being that of a regular office that could be made an asset to the town. Vice presidents were elected as follows: Manassas, Harry P. Davis; Gainesville, J. W. Alvey; Coles, John Oleyar; Occoquan, G. C. Russell; Dumfries, J. Hunt Moncure; Brentsville, V. W. Zirkle, and directors: Manassas District, J. Carl Kincheloe and L. B. Williams; Occoquan District, R. S. Hall and Thomas F. Joyce; Gainesville District, Wade Payne and W. R. Gossom; Dumfries District, Janie C. Abel and Pete Pandazides; Coles District, E. L. Herring and Walter Wine; Brentsville District, directors not yet elected.

Mr. C. C. Cloe, president of the chamber, presided over the meeting.

GEORGETOWN GARDENS OPEN MAY 1

Those people who love flowers and are interested in the making of a garden should not fail to take advantage of the opportunity offered on the afternoon of Saturday, May 1st, to visit twelve gardens of Old Georgetown, that most interesting and romantic corner of the city of Washington.

Some of the old homes included in this beautiful exhibit are as follows: "Evermay", the home of Mr. and Mrs. Lammot F. Belin; Mrs. Hollerith's garden of early spring bulbs, dogwood, and a wonderful copper beech stands at the top of the sloping lawn; Mrs. Holder's garden's garden with a well-planted pool and rock garden filled with famous flowers; the home of Mr. and Mrs. Dunthorne, and the home of Miss Frances Sortwell which is most attractive.

A small fee will be charged, proceeds from will go for child welfare in Georgetown.

HONOR STUDENTS AT FREDERICKSBURG

Miss Lena Ruth Hooker, the daughter of Mr. and Mrs. Walter Hooker of Nokesville, and Miss Janet L. Trenis, the daughter of Mr. and Mrs. Paul La Point Trenis of Nokesville, who are students at the Fredericksburg State Teachers' College, were among the honor students for the winter quarter.

Miss Hooker is a sophomore at the college where she is majoring in Home Economics, and minoring in Science. She is a member of the Home Economics Club and the Young Women's Christian Association.

Miss Trenis is a sophomore at the college and is majoring in Commercial Education. She is a member of the Commercial Club, and the Young Women's Christian Association.

TB STATE WORKER AIDS CAMPAIGN

County Group Gets Interesting Data.

The Prince William County Tuberculosis Association held a meeting on April 21, 1937 at 2 P. M. in the office of the county nurse with eleven people in attendance.

Miss Sula Fleeman, Field Representative from the Virginia State Tuberculosis Association, was present. Miss Fleeman will be in Prince William week of May 16 to help us conduct our Educational Campaign, details of which will be published next week.

The committee was happy to announce that Prince William's quota of \$603.84 had been reached in their Xmas Seal and Bangle sale.

Mrs. A. A. Hooff, treasurer, reported disbursements since meeting on January 27, 1937 as follows: 495 quarts of milk, \$46.31; Hot lunch program (in three schools), \$35.00; Cod liver oil, \$13.00; Literature for Educational Campaign, \$2.05; Picture at Industrial School Expenses of delegates to State Convention in Richmond, \$8.25.

Tuberculosis is preventable and curable when early diagnosis is made and proper treatment is followed. Through an education campaign it is hoped we may be able to give our people a better understanding of tuberculosis and the importance of early diagnosis and proper treatment. Many of our young people are being needlessly sacrificed.

Remember it is only the open case of tuberculosis that is infectious and capable of spreading the disease. It is not usually the patient who has been to the sanatoria because frequently they are cured or if improved are properly educated to prevent spreading of the disease.

In 1912 Virginians died from tuberculosis last year which could have been prevented in most cases.

MRS. LEWIS ENTERTAINS BETHLEHEM CLUB

One of the most pleasant meetings of recent months was held by the Bethlehem Club on April 21 at which time Mrs. Margaret Lewis gave a very interesting, descriptive and instructive sketch of gardens from ancient times to the present day. Mrs. Lewis is recognized authority on garden work in Virginia and her talk embodied a personal touch that was very entertaining.

The musical program on this occasion included two numbers by Mrs. Thomas Broadus, "In The Garden" and "Old Fashioned Garden". Mrs. John Broadus accompanied her on the piano.

Mrs. Emily Round, one of the hostesses and a charming member of the club, was presented with a beautiful large birthday cake in which ceremony Mrs. Thomas Broadus officiated with appropriate remarks. The cake was decorated with three candles, white for the past, green for the present and gold for the future.

During the serving of refreshments the birthday cake was cut and enjoyed by all present. After a very pleasant social hour the meeting adjourned to meet with Mrs. Robert Hutchison and Mrs. E. M. Boteler in May.

DEMOCRATS SPONSOR INTER-SCHOOL SPELLING BEE

Plans are all complete for the Spelling Bee at the High School auditorium next Wednesday evening.

It will be strictly an interscholastic affair, four pupils from each of the high schools being represented.

Division Superintendent R. C. Haydon will preside over the affair and the Young Democratic Club will give a first prize of \$5.00, and a second prize of \$2.00.

Prior to spelling match the Club will hold a brief business session in which officers for the coming year will be elected. The present officers are president, Mr. William Sweeney and secretary-treasurer, Mrs. Nelle Hyde Holmes.

FAMILY GROUPS JOIN KIWANIAN

Music Features Semi-Annual Assembly.

A goodly number of Kiwanians and their families and friends enjoyed the hospitality of the Prince William Hotel at the weekly meeting of the club on Friday.

Singing was the main feature of the evening, including a solo by Sinclair Boatwright.

President Jim called on Frank Sigman to say a word of welcome to the fair sex. Frank explained carefully that he did not belong to the silver tongued squad-of-musketeers, in fact so carefully that it was suggested that his hat was in the ring for similar honors.

In response to an invitation from the entertainment committee, per Col. Hutchison, Mrs. E. C. Johnson said a very sweet "thank you" for the guests.

A list of those present included the following:

A. S. Boatwright, Sinclair Boatwright, Mr. and Mrs. R. S. Hynson, Mr. and Mrs. A. A. Hooff, Althea Hooff, Elizabeth Davies, A. H. Roseberry, D. J. Arrington, Mrs. Noel Lynn, Jr., Mr. and Mrs. W. E. Truster, E. R. Corner, Walter Corner, Robert A. Hutchison, Mrs. Robert A. Hutchison, Mrs. M. E. Wine, Mr. and Mrs. Wm. F. Cocke, Mr. and Mrs. R. C. Haydon, Mr. and Mrs. Percival Lewis, W. S. PLANS PROGRESSING FOR ANNUAL WOMAN'S CLUB DINNER

At a called meeting of the Executive Board of the Manassas Woman's Club at the home of Mrs. William Lloyd Monday evening, plans were discussed for the annual dinner of installation of officers to be held Tuesday evening, May 11 at the Prince William Hotel.

Mrs. Charles C. Lynn was named chairman of arrangements; Mrs. Margaret Lewis, chairman of decorations, and Mrs. Thomas Broadus, chairman of entertainment.

In previous years the club has held the May Breakfast to introduce the new officers of the year and it was decided this year to change that plan and institute a dinner instead. Very attractive plans are being created to make this evening both delightful to the club members and their guests. The speakers on this occasion will be announced at a later date.

BETHEL CHURCH INVITES REV. BALLENTINE TO PULPIT

The Rev. A. W. Ballentine of Timberville, Va., president of the New Market, Va., Lutheran Conference, will preach at Bethel Lutheran Church, Manassas, Sunday 7:30 p. m.

The Rev. Mr. Ballentine has been called to become the pastor of the Manassas Lutheran Pastorate consisting of Bethel Congregation, Manassas; Mt. Zion, Nokesville, and St. Luke, Catalpa, Va.

This parish has been without a regular pastor since January 1, and it is hoped Pastor Ballentine will soon be able to take charge of this work.

SCHOOLS EXHIBIT INDUSTRIAL ART

Public Invited to Inspect Work on Saturday, May 1.

The combined Industrial Arts departments of Manassas and Haymarket high schools are showing their annual exhibit Saturday, May 1, 9:00 a. m. to 9:00 p. m. The general public is cordially invited to attend and view the work accomplished by the boys in both schools.

This type of work was introduced in our schools in 1935 by Mr. Earl Griswold. Each year since then the school board has appropriated funds for the expansion of the department. Next year the program of work is being put on a trade school basis and a four year program of work will be offered.

The subject offered included Wood-working, Electricity, Drafting, Art Metal and Sheetmetal. Next year a new appropriation is going to be used to add a machine shop unit and enlarge the other units to meet the Trade School requirements.

In addition to the regular day school, it is planned to carry on a night school class. This class will be for non-working out-of-school boys, part time workers and adults. The class will meet three nights each week from two to three hours each night. A temporary registration will be taken at the exhibit. Anyone in the county is eligible for this class, and may apply to Mr. Griswold at the Manassas school.

When the class was first introduced the total registration was fifty. This year the number enrolling in the course reached ninety-two. These figures should be increased again next year.

Some of the projects made this year were cedar chests, end tables, coffee tables, miniature chests, footstools, whatnots, book troughs, smoking stands, flower pot hangers, candle reflectors, fern stands, brackets, vegetable bins, dust pans, magazine baskets and many others.

The value of this course is not merely in its occupational value. Valuable use of leisure time, hobbies, consumer appreciation, pride in home ownership and improvement, guidance, etc. These values added together tend to produce a happier, satisfied, appreciative citizen. It is hoped that every boy will be able to have at least one year of this work.

Again we invite you to inspect the exhibit anytime Saturday. Your inquiries are solicited. If you cannot attend the exhibit, be sure to see the articles in Hibbs and Giddings window all next week.

MARY TRACY LYONS

An humble tribute to a very gentle lady who has passed on.

Mrs. Mary Tracy Lyons died Sunday morning in the Emergency Hospital in Washington. Her death followed closely that of her husband, John W. Lyons, who died last December.

Born at Markham, Va., Feb. 11, 1890, she was married in 1908 and made her home in Washington before moving to Haymarket, Va., and thence to Manassas.

She is survived by her mother, Mrs. Fannie Brooke Harrell, of Washington and four sons: John W., Geo. Keith, S. Burton and Gordon Kenneth; and four sisters: Mrs. Bessie R. Burton, Mrs. L. A. Lyles, Mrs. H. S. Harrell, and Mrs. Geo. H. Rohrbach all of Washington and one brother, Clarence Harrell, of Fredericksburg, Va.

Funeral services were held Tuesday at 3 P. M., at the Grace Baptist Church, Washington which she helped to found. The Rev. F. W. Johnson, pastor was assisted by Rev. Dr. Graham of the Manassas Baptist Church. Interment was in Cedar Hill Cemetery. Pallbearers were: E. D. Hubbard, P. L. Proffit, R. A. Hutchison, H. L. Weatherall, J. L. Bushong, and O. D. Waters, all of Manassas.

Mrs. Lyon's entire life was given to her home and her church and to her door went the unfortunates of every creed and race and never came away empty handed. Of her home one could truthfully say: "Here abideth one who walks with God." The Manassas Baptist Church which she loved and served will sadly miss her.

"Death came so stealthily we scarcely knew that she had crossed the ford of that still stream, which marks the limit of life's fleeting dream, ere she was laid to rest, no marble tombstone, as yet marks the spot to tell her life's short story, but in the lonely hearts of those who knew and loved her will rest her fame. A fame of honor won, simply and faithfully by duty simply done."

NOTHING DEFINITE FROM MR. HERRING

The release relative to the possibility of Mr. Herring's becoming a candidate for the General Assembly in the August Primary appears to have been accurate, and many inquiries have come in since last Friday asking if Mr. Herring is going to run.

We understood that an announcement was in order for this week but after contacting Mr. Herring twice, we are no further than last week. However, Mr. Herring appears to be giving the matter thorough consideration, although it might seem that he is still very uncertain.

CHURCH NOTICES OMITTED

We regret our inability this week to carry the regular church notices. They will appear as usual next week.

HIGH SCHOOL TEAM REGISTERS A NO HIT, NO RUN GAME

Manassas kept faith with its rooting squad on Tuesday by journeying down to Occoquan despite mud and high water and cleaning up a 8-0 decision.

Libeau went the whole nine innings this time and chalked up a no hit, no run game while his teammates tallied 8 counts. There was little hitting for extra bases, the only two base hit going to Wells of Manassas.

With a start like this the Manassas team is being touted as the champion team of the county already.

LONG BEFORE YOU BUY

As you glance at the articles on display in a store window, it is an interesting lesson in banking to remind yourself that each of those pieces of merchandise has "been to the bank"—usually several times, before it reaches you.

Not only does bank credit enter into the production, manufacture and transportation of goods, but in the ultimate sale as well. Quite possibly the goods you admire on your dealer's shelves were purchased through credit obtained at this bank.

We seek constantly to grant sound loans to business men and individuals of this community. This is one of our primary obligations as a progressive commercial bank.

CATHARPIN

Did it rain last Sunday and Monday? Somehow we are somewhat under the impression that it did.

The Rev. and Mrs. J. L. McCutcheon, of Modest Town, Va., are Oakwood visitors at the present time.

The many friends of Mrs. J. W. Alvey, of Catharpin will be glad to learn of her rapid recovery at Sibley Hospital, Washington, to which institution she was taken for treatment on Thursday of last week.

Mrs. E. S. Clary, of Lawrenceville, Va., is at present visiting in the home of Mr. and Mrs. J. W. Alvey, of this city.

Mrs. C. F. Brower, of Lone Oak is spending the week with her daughter, Mrs. E. C. Willis, of Arlington, Va.

On Friday night of last week the Fairview, Gainesville and Sudley congregations banqueted in the dining rooms of the Sudley church as per program for the Bishop's Crusade which had been announced throughout Southern Methodism for that particular date. This was a call to all members of the church to come together in Christian fellowship and for the discussion of Missions, Missionary work and the needs of the time. Plates had been laid for 150 guests and about 140 sat together in one of the most interesting conferences ever held on the Sudley circuit.

UDC PILGRIMAGE TO STRATFORD

Celebration on April 27 Included Dedication of Historic Room.

A tribute to the work of the Daughters of the Confederacy, which through generous gifts have refurbished the room in which General Robert E. Lee was born and the nursery adjoining, were the subject of a celebration on April 27 at Stratford in Westmoreland County, Virginia, officials of the Robert E. Lee Memorial Foundation announced through the Virginia State Chamber of Commerce Tuesday.

The celebration included the dedication of the restored room in the historic old mansion where two signers of the Declaration of Independence and more than fifty famous members of the Lee family were born.

Much of interest awaited the visitor for in addition to the rooms restored by the United Daughters of the Confederacy, the Great Hall has been completely restored and several handsome pieces of furniture and deep rose brocade hangings, gifts of generous friends, add to the beauty and dignity of this spacious room. The east passage between the chamber and the dining room has been restored and the dining room partially, thus making this end of the house an example of what the whole will be whenever complete restoration is made possible.

On the outside may be soon the old kitchen with its 12 foot fireplace, first of the outbuildings to be restored, and the more recent work on the "dependency" known as Thomas Lee's law office, and the great stable which in former days housed many famous race horses.

Through the generous gift of other friends, the two buildings known as the Northeast and Northwest dependencies, are to be restored, and the Coach House and the Orangery foundations of which have been uncovered, will be rebuilt.

Through gifts from the Society of

Sons of Colonial Wars handsome gates and a gate house have been built at the entrance to the road leading through the woods and on to Stratford Hall.

HAYMARKET

Mrs. Meta Baldwin Bruce Bowly, passed away at the home of her daughter, Mrs. Winston L. Carter, on Tuesday, April 13th after an illness of some weeks. The funeral took place from St. Pauls Church, Haymarket and was largely attended by friends and relatives from Winchester, Va., Wheeling, W. Va., in addition to many friends in this Community. She was laid to rest in the family lot in the church yard.

Mrs. Bowly was a native of Moundsville, W. Va., the daughter of the late Dr. George W. Bruce of that town, and widow of Franklin H. Bowly, late of Winchester, Va. For the past few years she has made her home with her daughter and son-in-law, Mr. and Mrs. Winston L. Carter. Of a bright and winning personality she made many friends, and will be much missed from our Community, particularly from St. Paul Church, where as long as her health permitted she was a regular attendant.

Rev. B. M. Warner has returned to his home at Warrenton, N. C., after a visit of a few days to Rev. W. F. Carpenter at St. Paul Church Rectory.

Miss Frances E. White has returned to her home here from Savannah, Ga., where she has been Superintendent of the Oglethorpe Sanatorium for some years.

Mrs. Jean Clarkson Robertson has recently returned from a stay of several months in Raleigh, N. C.

Don't Fear Motherhood

Mrs. V. A. Souders of 423 W. Church St., Hagerstown, Md., said: "I can well recommend Dr. Pierce's Favorite Prescription to prospective mothers as a tonic to stimulate the appetite, I was weakened, I didn't care to eat and I felt just miserable. I noticed an improvement in my appetite soon after I started taking Dr. Pierce's Favorite Prescription, and I know that it was the effect of this tonic that kept me up." Buy now!

The home of Mr. Edward Carter, about a mile from Haymarket, known as "The Bungalow" was entirely destroyed by fire, together with nearly all of the contents, Wednesday night of last week. Mr. Carter and a friend were the only occupants at the time and escaped uninjured. The origin of the fire has not been determined.

CALL TO CAMP

Pretty soon now bugles will be blowing in five Army posts in this vicinity, calling to the 4,000 young men from the Washington area who will be attending citizens' military training camps this Summer.

The locations of these camps, how they are run, who goes to them and the advantages they offer—these and other facts about C. M. T. C. are in a story which is to appear in next Sunday's Star.

ROUND-UP PARTY

On May 14th a party will be given at Bennett School for the children who begin school next fall for the first time, and their mothers.

The object of this party is to give the little folks an opportunity to become acquainted with each other and with their teacher.

A large number of most attractive children are in this pre-school group and it is hoped that few of them will be handicapped in the way of health.

Efforts will be made to have through examinations made and toxoid and vaccinations taken care of early so that every child will be ready to take up his school life in a healthy and happy condition.

It is hoped that this Round-Up party will be well attended. A pleasant afternoon is assured the mothers as well as fun for the children.

SPRAYING SUGGESTION

The "Petal Fall Spray" is one of the most important apple scab sprays. Blossoms have been coming out irregular. With a good crop in prospect, the "Petal Fall" spray is going to be of especial importance in controlling scab, curculio and codling moth.

Start spraying as soon as most of the petals have dropped. Complete the spray before the "Calyx" has closed.

Use 8 quarts of liquid lime sulphur 32 degrees Baume. Add water to make 100 gallons of solution. Mix 3 pounds of arsenate of lead with 6 pounds of spray lime and add this mixture to the tank last.

CHRISTIAN SCIENCE

"Probation after Death" was the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, April 25.

The Golden Text was "I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours and their works do follow them" (Rev. 14: 13).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "The man that wandereth out of the way of understanding shall remain in the congregation of the dead. He that followeth after righteousness and mercy findeth life, righteousness, and honour" (Prov. 21: 16, 21).

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "When understanding changes the standpoints of life and intelligence from a material to a spiritual basis, we shall gain the reality of Life, the control of Soul over sense, and we shall perceive Christianity, or Truth, in its divine Principle. This must be the climax before harmonious and immortal man is obtained and his capabilities revealed" (p. 322).

NEWS OF OUR COLORED FRIENDS

On Sunday, April 25, 1937, Rev. A. H. S. Johnson, of Washington, D. C., preached a very inspiring sermon.

The Rev. Bowles was to preach in the afternoon but due to something else of importance he was absent and Rev. A. H. S. Johnson had the pleasure of speaking to us again in the afternoon at 3:00 P. M.

Rev. A. H. S. Johnson has always been eager and glad to render his service to the First Baptist Church, Manassas, Va., so when Deacon W. W. Ford invited him to come and baptize the candidates on Friday night he made many a sacrifice to be present.

The following candidates were baptized by Rev. Johnson: Stella Dowell Margerite Carter, Constance Willis, Wilbertine Roy, Leroy Taylor, and Josephine Carter.

Sunday, April 25, Rev. Johnson, the deacon and deaconess board welcomed the candidates into the First Baptist Church.

The song services under Mrs. Bessie Douglas' supervision has been of a great inspiration and help in every way, especially along the religious side. It would encourage you and be of interest to know that these five girls and one boy are members of the song service.

The Rev. Panell served wonderfully during the week of the revival. We are indeed indebted to him for his acceptable service.

On May 5 a one act play and a musical program will be given at the First Baptist Church by Capt. Mrs. W. W. Ford and Thornton combined. Refreshments after. You are invited friends to help make this program a success.

This is given for the benefit of the coming rally to be had in June.

GREEN GETS VERDICT

This week attorneys representing the Richmond Times Dispatch came to Arlington and effected a compromise with John Locke Green in a suit growing out of a published editorial in the Times during the political campaign last fall.

It appears that this paper, in a published editorial, quoted Mr. Green as being the author of some extremely radical statements, which Mr.

Green promptly denied, giving the substance of what he did state at a meeting at Charlottesville.

While the Times Dispatch published Mr. Green's letter of disavowal, they likewise appended more editorial comment to justify what had already been said. Thereupon Mr. Green filed suit for \$50,000. The settlement on Monday included a judgment of exoneration, payment of court costs by the defendant and a greatly reduced sum in damages.

This action precluded a regular suit in open court although both sides had a number of witnesses present in case the matter had taken that turn.

Mr. Green's leading defense counsel was Mr. Emory Hosmer, who had associated with him Messrs. Gloth and Ball.
