The annual Spring meeting of the Fourth District, Virginia Division, United Daughters of Confederacy, was held at Front Royal on Tuesday, May 17, 1937 with the Warren Rifles Chapter as hostess. After registration, the one hundred and sixty delegates assembled in the Methodist Church where the meeting was called to order by Mrs. Nathan Alnutt, president of Warren Rifles Chapter, who welcomed the guests on behalf of the chapter. Mrs. Alnutt introduced Mr. J. Frank Forsythe, mayor of Front Royal, who warmly welcomed the visitors to his city in an appropriate address. Mrs. R. Bruce Slonaker, of Winchester, the District Chairman was also introduced by Mrs. Alnutt, proceeded with the routine of business and presided with unusual charm and grace. Reports were heard from most of the twenty-six chapters, comprising the fourth district, relating the splendid work being done, especially historical which perhaps is the outstanding object of the U. D. C. organization.

The State Officers who spoke, were Mrs. William M. Forrest, Mrs. Herbert Larick, Mrs. C. F. Williams and Mrs. T. J. Storke. The president, Mrs. Forrest, urged the chapters to elect delegates in September and send credentials in promptly so that Virginia may have full voting strength at the General Convention to be held in Richmond in November.

Mrs. Herbert Larick, first vice president announced the State Convention for October 5, 6 and 7 at Danville and invited a full attendance of chapter delegates. Mrs. C. F. Williams, third vice president and director of Children of Confederacy made a strong appeal for organization of more chapters, especially in the fourth district, where only a few exist. The Historian, Mrs. T. J. Storke, made a most inspiring talk and in conclusion recommended in this radio age, that we put Confederate history on the air as well as in books. A special radio committee will be appointed at Danville in October. Among the books endorsed by Mrs. Storke as correct historical reading are: "Gone with the Wind" by Margaret Mitchell, "My Colonel and His Lady" by Rutledge, "None Shall Look Back" by Caroline Gordon, Freeman's biography of Lee and "Rhymes of a Southerner" by Chas. Brooks, a young man just 25.

ANNIVERSARY OF CHURCH NOTED

Special Services Featured
Occasion at Presbyterian
Church.

The Seventieth anniversary of the founding of the Manassas Presbyterian Church was celebrated Sunday, May 16 with special services both morning and evening. A feature of the morning service was the reading by Rev. DeChant of a 10 page history of the local church which was compiled by a committee composed of Mrs. J. L. Bushong, Mrs. J. J. Murphy and Miss Irma Ball. Many interesting facts were revealed concerning the early beginnings of the church here and a complete list of pastors since 1867 was included. The paper will be published in full in an early issue of The Manassas Journal.

The pastor preached on the theme, "A new baptism of the Holy Spirit after seventy years". He stated that in view of the ripe experience, the church should be better prepared than ever to meet the religious needs of the community. Far from being old at seventy, we ought to be carrying on a more vigorous ministry than ever.

In addition to an appropriate anthem by the choir, a solo by Mrs. Mildred Colvin, of Washington, was much enjoyed. The evening service included a sermon by Rev. B. Andrew Matzen, Moderator of the Washington City Presbytery, of which the Manassas Church is a member. The choir sang anthem, "Lead us gently home".

MINORS CANNOT HANDLE LIQUOR

New Ruling Affects Employees
Under 21 Years of Age.

Under a ruling announced by the Alcoholic Beverage Control Board in Richmond this week all minors will be forbidden from taking any part in the sale or delivery of alcoholic beverages, beer or wine. An additional restriction was also announced to the effect that the Board will not renew wine permits for those who do not serve regular meals.

Chairman T. McCall Frazier, in making the announcement, stated that the "Board would consider as an unsuitable person any licensee who employs minors to sell, serve, dispense, deliver or handle alcoholic beverages in any way."

It is stated that the ruling will include hotel bell-boys, waitresses, soda-fountain clerks, and that many sandwich shops, filling stations and drug stores will lose their wine permits under the new ruling, unless they serve regular meals.

The Board is said to take the position that the licensing of wine without food encourages intoxication. After June 2, it was also stated, the sale of wine in half-pint or smaller container will be forbidden everywhere in the State.

CATHARPIN

Mr. and Mrs. Henry Fletcher and family, of Manassas and Mr. Cordell, son and daughter, of Bristow were guests of the Hughes family on Sunday last.

Lynn, young son of Mr. and Mrs. J. W. Alvey, of this city, is now quarantined and away from school suffering an attack of mumps.

Mrs. Chas. F. Caton, of Pageland Lane, spent several days among friends in Alexandria last week.

Mrs. E. A. Willis and son, Allen, accompanied by several friends from city, were Lone Oak visitors on Sunday calling upon Mrs. Willis' parents Dr. and Mrs. C. F. Brower.

Mr. and Mrs. W. Holmes Robertson and daughter, Rita, and Mrs. Hallie Dorsey, of Lawn Vale, spent the day recently at the Washington Zoo where they were joined by Mr. and Mrs. James Dorsey, of Arlington for a day among the animals, birds, fishes and reptiles of that interesting aggregation of the earth's inhabitants of the animal kingdom. All of which were of great interest especially to the young members of the party.

Mr. R. L. Anderson, who has been in Washington for some time taking treatment, has returned to his home near Catharpin feeling much improved.

Mr. J. D. Wheeler, of near Wellington, Va., who has been confined to his room during the past ten days suffering an attack of pneumonia is much improved at present writing and prospects excellent for complete recovery. It will be remembered that, a little more than a year ago, both Mr. and Mrs. Wheeler took suddenly and seriously ill from pneumonia from which ailment, especially Mrs. Wheeler, suffered long and seriously, but both had fully recovered. The many friends of Mr. Wheeler certainly wish him speedy recovery from this his second attack.

Mother's Day services at Sudley were largely attended. The day was beautiful, flowers gorgeous and profuse, so much so that it was hard to realize that so many existed this early in the spring.

This day, like other special occasions, seems to be an attraction for absentee members to return to their "Alma Mater" and friends of other days where they are always assured of a kindly welcome. It would be a surprise to many to know just how many of Sudley's members are now residing in the Capital City. Some of them have taken their letters and joined in the city, but many still retain their membership at Sudley where they also help with the finances. They love to come back and enjoy the wide-open spaces and the shade of the old oaks where nature seems to speak to them in a language they understand. May it ever be thus.

Old Sudley, which is now about a third of the way along in her second century, has recently been a centre of interest of research writers who are going about the community in the interest of history and happenings which will be of interest to the coming generations. We have often wondered just what the outcome of this activity may be. If it is carefully edited and placed on record, in our county court house for instance, where it may be made a matter of interest to people and future historians. There are things and happenings in almost every community worth recording, and this activity may be the beginning of permanent records of such events as may be worthy of record.

It, no doubt, would be a matter of

great interest to all of if the history of all the churches in Prince William County could be compiled in one volume and placed where the people could have access to it. We opine it would prove very popular. That Sudley has a history there is no doubt. She, as near as we know, is about 130 years old, standing among the oldest churches in this section. There are a number of others as old or perhaps older if we could but know their history, hence the value of such information.

The present Sudley building is the third to be erected upon the same site. This may be a record, yet who knows? There may be others the same or even more. Sudley has an authentic and chronologic record and history since 1818 and the name of every pastor from that date to the present time is on record. Before that date it seems the "Society" was under a "leadership" hence the difficulty of ascertaining the exact age. An item of interest was a note attached to the minutes of a quarterly meeting held in 1818 which reads as follows: "The Friday preceding each quarterly meeting to be observed as a day of fasting and prayer for the prosperity of Zion." Also the names of all members were recorded in the minute book and at each quarterly meeting the roll was called and absentees noted for future inquiry. It has been said that the "World is growing weaker and wiser." Just how and where the author of that saying wished it applied, we know not; but if we try to adjust it to some of these old records we certainly can find the "weakness" but whether or not we can find "wisdom" is probably open to debate. At any rate, all our churches have a history day adherents to read and ponder.

HENRY W. BIEDLER

Henry W. Biedler, well-known citizen of the Winston neighborhood, died at his home there early Monday morning, May 10, after a illness of about ten days, due to a cerebral hemorrhage, which had followed some months of declining health.

Funeral services were held on Tuesday afternoon from the Culpeper Methodist Church, with Rev. F. T. Binns, the pastor of Cedar Run Baptist Church, of which the deceased had been a member for a number of years, officiating, and being assisted by Rev. J. B. Lavender. Interment was in the family section of Fairview Cemetery.

The active pallbearers, all grandsons of the deceased, were Claude Smith, William Wolfersberger, Lauche Yowell, William Thornburn, Reid Biedler and John Henry Biedler.

The honorary pallbearers, who carried the floral tributes, included Clarence Smoot, Lewis Inskeep, Arthur Putnam, Jerry Hudson, Dr. O. K. Burnett, Lester Putnam, Mike Mahoney, Roy A. Brown, Homer Kite, Bernard Inskeep, Marshall Colvin, W. E. Bradley, Eugene Wood, J. J. Vaughan, Harvey Carpenter and Lemuel Wood.

Mr. Biedler, who was in his eighty-third year, came to his county from Luray and has been making his home at Winston for the past forty-two years. He served as rural route mail carrier for a number of years and was succeeded in this position by his son, John K. Bradley.

He is survived by his widow, Mrs. Annie Laura Biedler, to whom he was married fifty-seven years ago, and three sons and three daughters: J. K. Biedler, of Winston; Luther and Vernon Biedler, of Washington, D. C.; Mrs. Wilbur Smith, of Manassas; Mrs. C. M. Yowell, of Mitchell, and Mrs. Lucy Arion, of Washington, D. C. Nineteen grandchildren and four great-grandchildren also survive. —Va. Star, Culpeper.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible readings, it will prove a precious heritage to them in after years.

SUPERLATIVE THRIFT: Lay not up for yourselves treasures upon earth where moth and rust doth corrupt, and where thieves break through and steal: but lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal.—Matthew 6: 19, 20.

RETIREMENT OF JUSTICE VAN DEVANTER

Justice Van DeVanter has announced his retirement from the United States Supreme Court on June 2. His long and distinguished service to the Nation dates from his appointment by President Taft. He is 78 years of age and has been one of the most obdurate opponents of the New Deal.

The effect of Justice Van DeVanter's resignation upon the President's insistence on enlargement of the Supreme Court at once becomes a matter of wide speculation. If the action of the Senate Committee is any indication, it would seem that the circumstance has greatly weakened the possibility of passing the Court Reform Bill. The Senate Committee immediately rejected the bill by a vote of 10 to 8.

There is also a possibility that the Supreme Court is preparing to declare the Social Security Act unconstitutional. In this event the resignation of a New Deal opponent from the Court would tend to assuage the storm which would be precipitated by such a decision.

It is too soon, however, to fully evaluate the effect of the Van DeVanter resignation. The weight of early comment throughout the Nation seems to indicate that the retirement will be somewhat embarrassing to the President in his insistence upon enlargement of the Court.

APPROXIMATELY 95 PER CENT OF PRINCE WILLIAM FARM LAND IN AGRICULTURAL CONSERVATION PROGRAM

All Farmers Given Opportunity to Participate.

With more than six hundred farms participating in the 1937 Agricultural Conservation Program, it is estimated that 95 per cent of the farm land in Prince William County is included in the program.

While some increase in depleting crops is anticipated on farms that participated in the 1936 program, it is thought that any decrease in diversion payments that may be brought about for this reason will be more than made up for by an increase in soil building practices, as liming, pasture improvement, etc., for which payments are also provided. Farmers who were in the 1936 program are now being mailed statements of their allotted bases and the approximate amounts that they may earn for having diverting from soil depleting to soil conserving crops or for carrying out approved soil building practices in 1937.

As soon as approval of allotted bases is received from the State office, similar statements will be furnished farmers filing work sheets for the first time this year.

Every effort has been made to acquaint all farmers with full details concerning the program. Community informational meetings have been held, pamphlets and circulars explaining the program distributed and practically every farmer who did at-

tend the meetings or respond to the circular letters visited.

J. W. Olcott, assigned by the Agricultural Adjustment Administration to assist County Agent Cox and the County Committeemen with the program, has spent the past few weeks contacting farmers not previously participating. While not attempt has been made to cause any farmer not desiring to do so to come into the program, it has been the objective of the county office to give every farmer an opportunity to learn of the plan and to be in line to receive any benefits for which he might be eligible in 1937.

MOTHER AND DAUGHTER BANQUET AT CANNON BRANCH

Mrs. E. E. Blough served as Toastmistress. During the banquet Mrs. Byron Flory of Vienna, Virginia, gave a very interesting talk on "The Relationship Between Mother and Daughters." There were also several selections by the entire group. "Oh Carry Me Back" was sung by Eleanor Kline, Jessie Mae Conner and Sara Senseney. This was followed by readings given by Eleanor Kline and Lillian Mauck. In spite of the bad weather, a large crowd attended.

PARK FEES FOR VISITORS

Shenandoah Park to Charge
Admission.

The Interior Department's appro-
priation bill, introduced in Washing-
ton Tuesday, carried 58,000 for ad-
ministration of the Shenandoah Na-
tional Park during the next fiscal
year, an increase of 18,200 over the
1937 appropriations.

The increase would provide, among
other things, four additional rangers
to collect fees which the park ser-
vice proposes to assess against vehicles
operating in the park.

In requesting the increase for the
park, A. E. Demaray, associate direc-
tor of the Park Service, said the net
increase would be divided \$11,420 for
administration and protection, \$3,720
for maintenance, repair and opera-
tion, and \$3,060 for equipment.

He said it is proposed to charge
\$1 automobile license fees (presumed
to mean good for a whole year), and
25 cents for one-trip permits.

Mr. Demaray said there was no
record of travel in the park in 1935,
put that last year 694,095 people
were counted in the park.

He explained that the fee had not
yet been approved by the Secretary
of the Interior. He added that while
the President does not necessarily
pass on the proposal, "it was said
that the suggestion for increased fees
came from the budget, so presum-
ably it was suggested by higher
authority."

CONVENTION

(Continued from page 1)

Mrs. R. Sidney Cox, chairman of
education explained the requirements
loans and suggested a new gift schol-
arship fund of \$150.00. This was
endorsed by the convention.

Mrs. William Cabell Flournoy, cus-
todian of Lee Mausoleum, in her re-
port, stated that the summer visitors
to the chapel from June to October
numbered at least 20,000 and ex-
pressions of admiration and rever-
ence for General Lee are heard from
the majority of those who visit the
Shrine.

Mrs. Flournoy has been nominated
by the Virginia Committee to suc-
ceed Mrs. Walter D. Lamar, of Ga.,
as Historian General. Mrs. Charles
E. Bolling, of Richmond, chairman
of relief pointed out the urgent need
of generous financial aid from every
chapel in the state as there are
many names on the waiting list of
needy Confederate women and week
by week new ones come in. There
are now 560 receiving the "Daugh-
ters Pension". Mrs. Berkeley G. Cal-
fee, of Culpeper, Chairman of public
ity, to illustrate the importance of
publicity. aptly said in her splendid
talk, "Some people are of the belief
that we meet to abuse Abraham Lin-
coln. We might do this, if we had
the time, but we are just too busy
with important matters."

The Manassas Chapter was repre-
sented by nine delegates, namely
Mrs. Virginia S. Carper, Mrs. A. O.
Weedon, Miss Nollie Wilson, Mrs. C.
B. Compton, Mrs. R. L. Byrd, Mrs.
E. H. Nash, Mrs. C. M. Larkin, Mrs.
T. J. Ashford, Mrs. Beulah Larkin
and one visitor, Miss Maud Larkin.
Mrs. Carper, the first delegate read
the report from the Chapter. Mrs.
Carper received the distinction of
being a member of the committee on
recommendations

The Chairman expressed regrets
that her predecessor, Mrs. R. A.
Hutchison, could not be present.

The hostess Chapter presented the
Division Officers and District Chair-
man with lovely corsage of red and
white roses and entertained all the
delegates at a beautifully appointed
luncheon which was served in the
dining room of the Baptist Church.
The decorations were of red and
white cut flowers and flags. The oc-
casional was a delight to the guests
in attendance.

An invitation from the Culpeper
Chapter to hold the meeting with
them next year was extended by Mrs.
Calfee and was gratefully accepted.
The meeting was adjourned by
singing "Bless Be the Tie that
Binds."

NITRATE SAVES DYING ORCHARD

Elmer E. Page, of Weaverville,
Buncombe County, North Carolina,
owns a 35-year-old apple orchard
on a mountainside over 3,000 feet
above sea level; but neither dis-
tance, height nor age could prevent
him from getting a 200-pound sack
of Arcadian to his orchard which
he felt was badly in need of the
American Nitrate of Soda. Trans-
portation facilities not immediately
available, he put the heavy sack on
his back and carried it up the
mountain.

Because of lack of fertility and
diseased condition, he was consid-
ering cutting the trees down. Relat-
ing his experience, Mr. Page says—
"I used 7 pounds around each
tree about the time the buds showed
pink. My results have been 'An
Old Orchard Made Young.' The
trees are free from rust without
spraying and are as fine as they
have ever been. I am looking for-
ward to some big apple crops, as a
result of using 'Arcadian' which
has saved my orchard."

CHRISTIAN SCIENCE

"Mortals and Immortals" was the
subject of the Lesson-Sermon in all
churches and societies of Christ,
Scientist, on Sunday, May 16.

The Golden Text was "They that
are in the flesh cannot please God.
But ye are not in the flesh, but in
the Spirit, if so be that the Spirit of
God dwell in you" (Rom. 8:8, 9).

Among the citations which com-
prised the Lesson-Sermon was the
following from the Bible: "Know ye
that the Lord he is God: it is he that
hath made us, and not we ourselves;
we are his people, and the sheep of
his pasture" (Psalms 100:3).

The Lesson-Sermon also included
the following passage from the
Christian Science textbook, "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy: "Im-
mortal man was and is God's image
or idea, even the infinite expression
of infinite Mind, and immortal man
is coexistent and coeternal with that
Mind. He has been forever in the
eternal Mind, God; but infinite Mind
can never be in man, but is reflected
by man. The spiritual man's consci-
ousness and individuality are reflec-
tions of God. They are the emana-
tions of Him who is Life, Truth, and
Love. Immortal man is not and
never was material, but always
spiritual and eternal" (p. 33).

BOATING SEASON OPENS

Not for years has there been such
an upswing in popular interest in
boating along the Potomac and Ches-
apeake Bay as this season, according
to a story appearing in next Sun-
day's Star. It tells about the boom
in shipyards turning out the small
craft that navigate these waters and
regattas scheduled from now until
September.

A pleasure fleet consisting of
everything navigable from fishing
sloops to palatial yachts is being
tuned up daily along local water-
fronts, with cabin cruisers leading
in popularity. (adv.)

RESOLUTION ADOPTED BY REGIONAL CLEARING HOUSE ASSOCIATION OF LOUDOUN, FAUQUIER AND PRINCE WILLIAM COUNTIES, VIRGINIA

We, the members of the Regional Clearing House Association of Loudoun, Fauquier and Prince William Counties, Virginia, assembled at Leesburg, Va., Tuesday 27th, 1937, after considering the state of public affairs affecting our business do feel very deeply that extravagance and waste must stop or there will be no escape for the American people as a whole and that ensuring pressures will weigh heaviest upon those whom the Government has striven hardest to protect.

The Federal Government is paying interest on the public debt with borrowed money and has been for many years. Must not this stop and the budget be balanced by reducing outgo below income or the national debt repudiated? Is there any other way?

We urge banker organizations everywhere and all other groups, especially those in the smaller communities, to join with us in appealing to the President and the Congress for logical action now on this the most important business before the nation today.

NOKESVILLE SUFFERS DEFEAT

The Nokesville A. C. lost the game with Forrestville on Sunday to account for their first game lost this season.

The game was a very interesting one and it looked as though our team was going to win until the eighth inning when the opposing team rallied to make the final score 6 to 4.

However, we must not be discouraged. We should only encourage our team more and be present at the first game on the home diamond on this Sunday, May 23, beginning at 3:00 o'clock.

Wednesday, 8:00 p. m.—Prayer Meeting.

SPECIAL NOTICE—On account of death in the family of the Directress of the Choir that was to visit Grace Church this Sunday evening and render us a great musical service, the visit is postponed to a date to be announced later.

Did you go to church last Sunday? The vacant pew did not give much inspiration to the preachers. Neither did it promote the kingdom. To stay away from the church is to vote to close the churches. Go to church Sunday.

NOKESVILLE

On May 18 the Occoquan baseball nine defeated Nokesville in the hardest fought game of the season. This was the longest game ever fought in County baseball history, lasting twenty innings. The score at the end of the eighth inning was tied—4 to 4. The game continued through the nineteenth inning with neither side scoring. In the twentieth inning Occoquan scored five runs, several being due to Nokesville's errors. Our boys were not to be defeated, however, by such a score, but fought hard in the oncoming darkness to score three runs during the last inning. The final score was 9-7.

Miss Weatherman is now at Charlottesville receiving treatment at the University Hospital.

Miss McElroy, our seventh grade teacher, is at her home due to sickness. We hope for her return in the near future.

On Wednesday, May 12, the Junior and Senior classes journeyed to the historical battlefield at Gettysburg, Pa. A great deal of interesting information was gained during the two and one-half hour tour of the grounds. The trip was thoroughly enjoyed by every pupil, and much appreciated by the Seniors for whom it was planned. They were accompanied by their sponsor, Miss Broadus.

Why Fear Motherhood?

Mrs. Ellen P. Betts of East Market St., Fredericksburg, Del., said: "I am a booster for Dr. Pierce's Favorite Prescription as it was of wonderful help to me when I needed a tonic before my baby was born. I noticed a change for the better before I had finished the first bottle. I give the 'Prescription' a lot of credit for stimulating my appetite and keeping me up." Buy of your dealer.

COMPLIMENT MANASSAS SEWING ROOM

After an inspection of the Manassas Sewing Room, a recent report from Richmond sent to the Field Supervisor contained the following in regard to the Prince William County sewing rooms, supervised by Mrs. Celestine Brown:

"Prince William County—(Manassas)—OP 165-31-7999, W. P. 7169-2985. I do not need to tell you that I think this location one of your best. The forewoman is unusual and apparently your local Supervisor works with her a great deal. The standard of work was excellent, the room was orderly, there were adequate machines and material and the wall charts were well kept. I think that the standards in this sewing room could well be a model for your others. I believe that these women deserve new uniforms since the ones that they have now are beginning to be quite frayed and worn. Please let your Supervisor know how much we appreciate her efforts in this particular location."
