# HOBART NEWMAN **BECOMES JUDGE**

Appointed to Succeed Judge Hitt in Washington.

Youthful Hobart Newman will take his place on the bench of the District Police Court without any "revolutionary plans" in mind, he declared yesterday after President Roosevelt appointed him to succeed Judge Isaac R. Hitt, whose term expired six months ago.

"I expect to follow along in the good work already started down there. I have two or three pet and personal traffic ideas, maybe; but nothing extraordinary.

"Besides, I will be so busy getting started this summer that I won't have time for thinking up many new plans. My work will be heaviest in the summer, you know. This is not the Supreme Court to which I am being appointed."

Newman, a 34-year-old attorney. is a native of Washington and will go to the court from the Department of Justice, where he is a special attorney in the claims department. Of athletic build and brisk and energetic, he is popular in Washington legal and business circles.

Since Newman had the endorsement of Senators Wagner, Bankhead, McKellar and George, and local Democratic leaders, quick Senate approval is anticipated.

The new judge was educated in Mrs. C. M. Lawrence An Inter-Friends Select School, Central Hill School, George Washington University and National University. Although disclaiming any special hobbies other than "the legal profession," he is fond of Chows, swimming and "reading of all descriptions."

Judge Newman frequently visits Manassas. He is a nephew of the late Mrs. E. R. Conner.
