SCHOOL GROUP IS ENTERTAINED

Enjoyable and Instructive Sessions Held Here.

The annual meeting of the Northern Virginia Student Cooperative Association and Parent-Teachers' Association was held in Manassas on April 6. Delegates were present from Alexandria, Arlington, Fairfax, Fauquier, Loudoun and Prince William Counties.

The high school S. C. A. meeting was called to order by the chairman, Miss Thelma Ward of Manassas, at ten o'clock with the invocation given by Gilbert Rollins of Manassas. Other officers were Geraldine Mitchell of Aldie, vice-president and Julia Lee of Herndon, secretary. Officers for elementary group were Paul Heitmueller of Arlington, president, Nancy Thompson of Fauquier, vice-president, and Nancy Parrish of Prince William, secretary.

Shirley Hynson, president of the Manassas S.C.A. gave the address of welcome and Jimmy Walsh of Round Hill responded. A few minutes later Robert Janney McKay of Lincoln School also responded.

The chairman then appointed the committees to serve for the day. On the Resolutions Committee were representatives from Fauquier, Arlington, and Fairfax. The Nominations and Place Committees consisted of students from Prince William, Loudoun, and Fauquier. The meeting will be held in Fairfax County next year, with the chairman from that county. Fairfax County was chosen to continue the study of Student Government in District H. Lee-Jackson will select the chairman of this group. Alice Talbert of Aldie High School gave a very interesting and instructive talk: "How My School Makes Preparations for Use of Leisure Time." She stressed the importance of the extra-curricular activities of the school.

A book report was given by a representative of Herndon School on "Drums Along the Mohawk." She urged that anyone interested in historical fiction should read this book. Ruth Talbert of Marshall delivered an address "Improving the Health of the Community Through the School." She illustrated by telling how her school had helped undernourished children in the past year.

The Glee Club of Warrenton rendered two delightful selections: "The Old Refrain" and "Drink to Me Only With Thine Eyes."

Powers Beard of Washington-Lee High School gave a very interesting speech on "Advantages of a School Paper." First, he outlined the importance of the paper among the students. Second, he stressed the importance of the school paper to the staff. He stated that the paper helped the future authors to develop and it also stimulated literary interest among the staff.

Nancy Lee Halstead from Thomas Jefferson School gave an interesting and amusing recitation titled: "What Aunt Tabitha Thinks."

Pete Katsarelis of Occoquan High School discussed, "Handling the Problem of School Finance." He told how Occoquan raises their money and what they did to help their S.C.A. with this money.

Then Miss Frieda Koontz delivered an address, "Forward Looking Steps in S.C.A." She outlined the program for the coming year and discussed the past year's work. She also urged that more schools in Northern Virginia join the State Student Government Association.

The Morning's program ended with a Panel Discussion by the pupils of Loudoun County. They discussed "dates" on school nights; radio and studies, and recreation on Sunday. They came to the conclusion that school night "dates" are permissible if the pupils do not stay out too late. Jimmy Walsh of Round Hill said that he had made an experiment and that he had come to the conclusion that he could study just as well with the radio on as with it off. The discussion about Sunday recreation was argued for quite a while, but no definite conclusion was established. The generally accepted conclusion, however, was that it was a question as to how you had been reared.

Manassas was in charge of the afternoon program which began with the group singing of two selections:

SPECIAL LENTEN SERVICE

Two Lenten Services will be held next week under the auspices of the Manassas Ministerial Association. The first will be held in the High School at 2 p.m. on Thursday, April 14. Rev. B. M. Flory will preach the Sermon and there will be music by the Glee Club. This service is open to the public.

The Second Service will be held on Good Friday, April 15, from two to three o'clock in the Manassas Baptist Church. Rev. A. W. Ballentine will preach the Sermon and the service will be in charge of the pastor, Rev. Graham. Following the custom of former years, the business men of the town will be asked to close their places of business during the hour of service. The Association asks for cooperation in this matter.

The public is cordially invited to attend both of these services.

PROGRESS SHOWN AT F. F. A. BANQUET

Annual Gathering Emphasizes Value of Club Work

The F. F. A. Chapters of Manassas and Haymarket held their annual Mother-Father and Son banquet, Thursday night, March 31, in the Manassas auditorium.

Charles Lynn, president of the Manassas Chapter, presided as toastmaster on this "Looked Forward to Occasion" and with Harris Collins, reporter; Wayne Coverstone, treasurer; Paul Kline, secretary; Selwyn Smith, vice-president; and R. R. Fish-paw advisor, opened the banquet with the F. F. A. ritual which is impressive and dignified. Rev. J. M. Kline was called upon to pronounce the invocation.

The Manassas home economic girls under the direction of Miss White prepared and served a bounteous repast which consisted of fruit cup, baked chicken, green beans, slaw, rice, potatoes, gravy, pickles, rolls, coffee, ice cream and cake.

Kite Roseberry, of the Manassas Chapter, welcomed the parents and guests, and the response was made by Mr. Rolfe Robertson, of Haymarket. Immediately following the toastmaster called on each F. F. A. boy to introduce his parents or guests. Mr. R. W. Peters, principal of Manassas High School, was asked to introduce his faculty and members of the school board, also Mr. W. E. Moore, principal of Haymarket, for the introduction of the Haymarket faculty.

Wayne Pattie, of Haymarket, gave a report on his hog project. Jake Conner, Manassas, reported on his potato project, and Paul Kline, also of Manassas, reported on his chicken project. Harris Collins gave a summary of the years work done by the Manassas Chapter. The report showed that \$1404.19 had been received by the F. F. A. boys from their project work. The boys also have deposited in their Thrift Bank \$203.00. These reports were very interesting to all present as they showed just what the boys were accomplishing.

The creed of the Future Farmers of America was recited by Robert Carter of Haymarket. Music was furnished by Wayne Pattie, Gordon Pattie, and Jack Alvey. Everett Kline, former Manassas F. F. A. boy, gave several very enjoyable selections on his guitar.

Mr. R. C. Haydon, Superintendent of Prince William County schools, made a brief address while introducing Mr. D. J. Howard, Asst. State Supervisor of Agricultural Education, who was the speaker of the evening. Both Mr. Haydon and Mr. Howard gave very interesting inspiring talks.

A most enjoyable evening was brought to a close by the singing of "Auld Lang Syne."

"O Me O My!" and "It isn't Any Trouble."

The report of the Committee on Student Government was given by Althea Hooff. She said that the committee had visited several schools in Northern Virginia to find out how other schools handled problems which were of interest to their schools. In the discussion which followed the Manassas delegates urged the other schools of Northern Virginia to join the State Student Government Association since there are only three members of this organization in Northern Virginia.

EMPLOYED MAY REGISTER WITH EMPLOYMENT SERVICE

According to an announcement today of Mr. Carter W. Friend, Manager of the Alexandria office of the Virginia State Employment Service located at 806 King Street, employed as well as unemployed persons may register for work. This announcement is in line with the primary function of the Employment Service in matching jobs and men or, in other words, referring only qualified persons—persons who can perform the work—to employers.

Mr. Friend stated that the work of the Employment Service in the past has been erroneously associated in the minds of some people with the functions of welfare and relief organizations. In these organizations a person's economic need is the primary consideration while with the Employment Service a person is referred to an employer on the basis of his ability to perform the work of a given job to the satisfaction of the employer.

The Employment Service's stock in trade is qualified workers and the employer must be satisfied or he will

not "buy" again in asking that workers be referred to him. Mr. Friend said that because of economic conditions many people have been occupying positions which do not require all the knowledge, training and abilities which they possess, and, since the Employment Service serves all persons, that employed persons could register and be considered for work for which they are qualified by education, experience and training.

Registered with the Alexandria office are 2430 persons, of those there are 1811 men, 629 women, and 181 veterans. In order to get first consideration for work an applicant's registration card must be in the active file, and an applicant must report to the Employment Office once per month in order to have his card retained in the active file. Since January 1, 1938, 700 persons have been placed in job, 506 in private employment and 204 in public works. The Alexandria office services Arlington, Fairfax and Prince William counties.

As a forerunner of Farmers' Night (tomorrow evening) County Agent Frank Cox appeared as guest speaker at the Kiwanis Club on Friday evening.

All arrangements and surprises for the occasion are being arranged by Walter Sadd, chairman of the agricultural committee.

COUNTY BOARD IS ORGANIZED

Judge Wheatley Johnson Heads Agricultural Group

At a meeting of the Agricultural Committees of Coles, Manassas, Brentsville, Occoquan and Gainesville Districts and representatives of county agricultural agencies, a County Agricultural Board was organized, previous recommendations for land-use and livestock number revised and a farm program for the county planned.

The following officers were elected to head the County Agricultural Board:

Wheatley M. Johnson, Manassas, President.

Egbert W. Thompson, Woodbridge, Vice-President.

W. Davis Nolley, Nokesville, Secretary.

Among the recommendations submitted were that permanent pasture and grassland be improved, that there be a united effort toward the improvement of livestock through the use of better sires, that the members of the county board cooperate with Agricultural Conservation Program committees in helping farmers of the county to bring up the fertility of their farms, that the average value of home gardens be increased to at least \$150.00 in value, that there be an increase in hog numbers for use for home consumption, that 50 hens be kept on every farm and that there be two cows on every farm for the production of milk and dairy products for family use. Other recommendations were that all corn stubble be followed by a winter cover crop, that the possibility of establishing a plant for making use of locally grown timber be investigated and that further thought be given to the advisability of cooperative marketing of eggs.

A resolution that the Agricultural Board cooperate with representatives of the Farm Security Administration by recommending worthy families who might be helped through the financial aid and supervision available through this agency was approved.

Any tendency toward absentee ownership of farm land was discouraged. The value of farm life was emphasized.

The first Tuesdays of March, June, September and December were selected as dates for the quarterly county meetings of the Board. It was voted that District meetings be held to put some of the recommendations offered into use as soon as possible. Members of the County Board of Agriculture, comprised of District Committees chosen earlier in the year are:

Gainesville District: L. J. Pattie, John C. Crewe, Robert George, Robert H. Florance, Thos. G. Smith and R. B. Gossom.

Manassas District: W. M. Johnson, A. H. Roseberry, W. M. Kline, J. J. Conner and T. R. Hurst.

Coles District: E. L. Herring, R. D. Lowe, E. E. Cornwell, Bradford Lowe and Elmer DeWitt.

Occoquan District: E. W. Thompson, G. C. Russell, J. B. Arnold, E. L. Strother and Edward F. Hawkins.

Brentsville District: Harold Smith, Davis Nolley, D. E. Earhart, W. O. Estes and John Ellis.

APPOINTMENTS ARE ANNOUNCED

Judge McCarthy Selects Brown And Compton

Monday evening Judge Water McCarthy announced his selection to fill the position of Commonwealth's Attorney, for the remainder of the term of office vacated by the recent death of Hon. Thomas H. Lion.

As there had been no change in the office of Commonwealth's Attorney in twenty-seven years, unusual interest was manifested in the selection of Mr. Lion's successor.

At the conclusion of the day's session of Court on Monday, Judge McCarthy announced the appointment of Hon. William Hill Brown, Jr., Trial Justice of Prince William County, to be Commonwealth's Attorney for the remainder of Mr. Lion's term, and as this election created a vacancy in the appointive office of Trial Justice, His Honor further proceeded to fill the position of Trial Justice by appointing Mr. Lacey Compton, of Manassas.

Both men were born and raised in Manassas, and they have been busy throughout the week receiving the congratulations of their friends and preparing for the discharge of their new duties, which began at once.

MANASSAS SHUTS OUT CULPEPER 4-0

On Tuesday, April 5, the Culpeper high school baseball team came to Manassas to play the opening game of the season. At the end of the game Manassas was on top, with the score 4-0.

Manassas played a good ball game considering that it was the first game of the season. Plenty of snap and pep was shown on the field.

Gene Worley, the starting pitcher for the high school this year, pitched a water tight game allowing only three hits, fanning 5, and walking only 2.

The big guns of Manassas were: Vetter with two hits, Rollins with two, Worley with two, and Wells.

This Friday Manassas will play Haymarket at home and Coach Litwin promises another victory.

"MANNEQUIN"

It was a happy choice that romantically teamed Joan Crawford and Spencer Tracy for the first time in "Mannequin," which opens next week, Thursday and Friday, April 14-15 at the Pitts' Theatre.

Given a smartly-modern story by Katharine Brush, who wrote "Young Man of Manhattan," and able direction by Frank Borzage, the stars share honors with performances that must be numbered among their finest.

As Jessie Cassidy, a shop girl who fights her way up from the New York tenement district to a multimillionaire's penhouse, Miss Crawford has a role that is reminiscent of her portrayals in "Dancing Lady" and "Possessed," pictures that won her wide popularity. Never more beautifully groomed by Adrian, she sings charmingly a new popular hit, "Always and Always," and rises spiritedly to every dramatic occasion, particularly in scenes with Tracy.

The acting versatility of Tracy ceases to surprise. He seems to fit any part handed him as though made for it. This is particularly true of his characterization as John L. Hennessey, rugged and two-fisted, who rose from the docks to own a line of ships.

Full of unexpected twists, the story opens with Jessie's marriage to Eddie Miller as an escape from her tenement surroundings. The part of Miller is played by Alan Curtis, Metro-Goldwyn-Mayer's newest leading man discovery, who displays exceptional promise in the difficult role of a weakling. When Miller proves to be a cheap crook, Jessie leaves him, determined to live her own life. Hennessey, who also loves Jessie, refuses to let her, and they are married. Miller sees an opportunity to black-

MAGNESIUM is found in the substance that is responsible for the green color in plants, and also functions in promoting new growth.

Annual losses of Magnesia from the soil due to leaching and crop removal in this eastern section approximates 50 to 75 lbs. per acre, which is making the soils quite deficient in this element so essential to plant growth.

The use of PERFECTION Ground Burned or PERFECTION Hydrated Agricultural Lime is the best way to lime your land, and at the same time add the Magnesia in a form immediately available to the soil.

CHRIST FOR ALL—ALL FOR CHRIST

The Word of God

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in their youth.

I can do all things through Christ which strengtheneth me. Phil. 4:13.

REAL ACHIEVEMENT

The large throng in Manassas yesterday not only enjoyed the genial hospitality of their surroundings but one other special thing should be noted.

This signal achievement was the splendid issue of The Yellow Jacket, student publication, of which Miss Althea Hooff, is editor.

It represented a student activity that the town may be proud of the arrangement of the news, the various features must have impressed the visitors of the high grade performance for which Manassas High has long been known.

CONTERVERIAL ADVERTISING

Everytime that something of a purely personal and controversial nature appears in the JOURNAL as paid advertising someone, either misinformed or without a sense of newspaper ethics, attempts to class such matter as if it were editorial in nature.

We do not sympathize with every thing that appears as advertising any more that we endorse editorially some article of food or wear that some merchant is selling in competition with another local business house.

We could take the JOURNAL files and demonstrate just what we mean to anyone and we hope that if the occasion ever again arises that no well meaning person will be stupid enough to assume that we have any personal interest one way or the other.

As a matter of fact except that such things are not news and are, therefore, subject to charge, we could let them pass without payment. We prefer, however, to put them in the same general class as memoriam notices, resolutions, etc., in order to "avoid the rush".

PROGRESS

Progress is not accidental. It is the result of carefully matured plans and financial competence.

To get ahead in business or in social life it is necessary to have material means.

There is no better assurance of progress than the habit of depositing regularly and of conducting your financial affairs through a safe and friendly bank like ours.

The Peoples National Bank
of Manassas

COOPERATE WITH YOUR FOREST WARDEN

County Warden J. M. Russell was in the Journal office yesterday to urge the publication of a warning against carelessness in brush burning, and other fire hazards.

The Warden suggests that if you contemplate burning over an area of any size, to communicate with a warden to come and watch your work. A list of all wardens in the county, their locations and whether they have phones, will be published next week. Watch for it.

AN ACKNOWLEDGMENT

The Journal wishes to acknowledge with thanks the news coverage made by Misses Althea Hooff, Thelma Ward and Lucy Johnson of the Student Cooperative Association meeting, which was held here yesterday.

A LENTEN PRAYER

O! March winds blow, blow,
Away from Earth!
My many sins of years
Sweep, oh, sweep, with Thy infinite
Love

And forgiving heart:
Thoughts, failures, deeds and words
So grievous to Thy sinless soul!
That pure and lovely I may be!
Thou art the Fortress of my heart,
My Rock, my Shield and my Defense,
From the Tempters Snare,
Then, my Saviour, I'll be ever safe
From harm and added grief to Thee
And with Thy Power to guide me,
On Divine Resources I'll build my
Hope
Onward, Upward, Heavenward.
I'll find my way
Beyond the "Valley of the Shadow"
To my Saviour's Home
Prepared for me!

CHRISTIAN SCIENCE

"Are Sin, Disease, and Death Real?" will be the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, April 10. The Golden Text will be "The light of the moon shall be as the light of the sun, and the light of the sun shall be sevenfold, as the light of seven days, in the day that the Lord bindeth up the breach of his people, and healeth the stroke of their wound" (Isaiah 30:26).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Art thou not from everlasting, O Lord my God, mine Holy One? Thou art of purer eyes than to behold evil, and canst not look on iniquity": (Hab. 1:12 to 13 to 14).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "There is but one primal cause. Therefore there can be no effect from any other cause, and there can be no reality in aught which does not proceed from this great and only cause. Sin, sickness, disease, and death belong not to the Science of being. They are the errors, which presuppose the absence of Truth, Life, or Love" (p. 207).

You are all welcomed to attend the meeting of your Town Council at Odd-fellows Hall on the lower floor on Monday, April 11, 1938, at 8:00 p.m. If you have anything you would like

to get straightened out on, at the Council meetings is the best place to get action.

Do not forget the week of April 11-16, Clean up Week. You need not wait until then if you are anxious to be the first one to clean up. Cleaning up is in order at all times.

Remember you are always welcomed at your Town Council meetings, and you will learn some interesting facts at some of those meetings.

FILM MUSICAL IS BASED ON HIT RADIO PROGRAM

The most lavish and spectacular musical comedy of the 1938 season, "Hollywood Hotel," a Warner Bros. production starring Dick Powell and featuring a score of so other songsters and funmakers, has its showing next Monday and Tuesday, April 11-12 at the Pitts' Theatre.

It is based upon the famous radio program carrying the same name, which has been beloved by air-fans during the past three years. But the film has a well-knit story to serve as the dramatic structure.

The film story shows Powell as an obscure crooner who comes to Hollywood looking for a break, and gets involved in no end of unfortunate and even gets started on his career.

Dick sings half a dozen new hit songs by the clever composing team of Whiting and Mercer, and there is plenty of other music by Benny Goodman and his famous swing band, and Raymond Paige's well-known orchestra. There is plenty of dancing, too, directed (as was the whole show) by Busby Berkeley.

Those clever sisters, Lola and Rosemary Lane, have the leading feminine roles, with Rosemary as Dick's romantic interest and Lola as a highly temperamental movie star.

given by Thelma Breeden. Jessie Mae Conner sang a solo: "Shortnin' Bread." This was so well liked that she was encouraged and she sang, "Villia." Althea Hooff and Marie Bauserman played several enjoyable piano selections. A trio, Sara Seneney, Letha Foster, and Jessie Mae Conner, sang "It's Just A Little Street Where Old Friends Meet."

The Parent-Teacher Group, with some 225 representatives present, held most of its sessions in Grace M. E. Church, where a luncheon was also served by the Ladies Aid.

A number of interesting talks were given of a very instructive nature, particularly the medical addresses by Dr. Roper, of the State Board of Health, and Miss Sula Fleeman, the latter employing the film on T. B. work, which was presented through the courtesy of the Pitts' Theatre.

Mrs. W. C. Kidd, of Alexandria, presided over the session, and Mrs. Oscar C. Rauh, the efficient Secretary-Treasurer, who was also later reelected, kept the minutes.

The address of welcome was made by Professor R. C. Haydon and the response by Mrs. Bruno Wittig of McLean. A very able speech was also made by Mrs. S. C. Cox, State President of the Association. Others who made talks were Dr. E. M. Holmes, "Elimination of Contagious and Communicable Diseases in the Schools", Dr. Abner Robertson on "Parent Education", Rev. Minor C. Miller on "Character Education" and Raymond B. Long, State Architect, on "School Housing".

The officers were elected as follows: President, Mrs. Bruno Wittig, of McLean; First Vice-President, John M. DeChant; Second Vice-President, Mrs. Charles Brower, of Purcellville; Secretary-Treasurer reelected, Mrs. Oscar C. Rauh.

Just prior to closing the Association went on record with two rousing votes of thanks, one for the Church for the splendid lunch and for the use of the building, and the other for the management of the Pitts' Theatre for the use of its facilities.

The attendance of P.T.A. delegates by counties is as follows:

Elementary Group—Prince William, 162; Fairfax, 119; Loudoun, 87; Arlington, 34; Fauquier, 141; total, 540.

P.T.A.—Fairfax, 25; Alexandria City, 29; Fauquier, 42; Prince William, 35; Loudoun, 20; Arlington, 70; Roanoke, 1; Richmond, 1; Total 225. The approximate total of students attending in the high school group was 500.

LUCIEN W. HARLOW

Mr. Lucien W. Harlow, a resident of Burke since 1902, died at his late home Saturday morning from a heart attack. He had been in rather poor health for a number of months past.

Mr. Harlow was born in Albermarle County August 27, 1868, the son of William Lanza and Sarah Birkhead Harlow. He worked for several years as a foreman on the Chesapeake and Ohio Railroad prior to moving to Fairfax County, when he became an employee of the Southern Railroad.

In 1895 he married Suzanne Rose,

daughter of Webster and Suzanne Wenk, of La Plata, Md., who survives him.

Mr. Harlow was truly a valued citizen in the community. His exemplary service for the Railroad was fully equalled by his ideal home life and his devoted membership at St. Mary's Catholic Church at Swetnam. He was also a member of the Holy Name Society.

The funeral was held last Monday morning from St. Mary's, with the highest honors of the church, the officiating minister being the Reverend Father Kosciela, pastor of the church. In honor of the deceased three former rectors came to assist with the funeral. They were Rev. Fathers N. J. Habets, of Portsmouth, Va., T. C. Healey, of Harpers Ferry, W. Va., and B. J. McKenna, of Richmond, Va. Interment was the local church cemetery.

A large throng of mourners attended the rites, as Mr. Harlow was very popular. The pallbearers were employees of the Southern, namely, J. E. Staub, Sr., M. B. Merchant, Robert M. Merchant, J. M. Fitzhugh, Edward Wagner and Michael Carroll.

Surviving Mr. Harlow besides his widow are four daughters Mrs. Richard J. Royall, of Richmond, Mrs. Douglas Merchant, of Manassas, Mrs. Frances Latham, and Mrs. Patrick McKenna, of Burke; one son, J. William Harlow, of Burke; four brothers Samuel and Rosseau, of Burke, Wesley, of Alexandria, and Malvern, of Charlottesville, and nine grandchildren.
