MANASSAS, VIRGINIA THURSDAY, SEPT. 22, 1938

SUBSCRIPTION \$1.50 A YEAR

V.P.S. CUTS RATES ON JANUARY 1

Company Again Makes Voluntary Reductions

On Monday the State Corporation Commission announced further reductions in electric rates of the Virginia Public Service Company, which will ultimately amount to more than \$350,000 per year to the residential and commercial customers throughout its territory served in Virginia. Approximately \$270,000 of this total will apply to the residential customers and about \$80,000 to the commercial customers.

These reductions, which are the result of negotiations with the officials of this Company, will be accomplished in two steps. The first reduction, taking effect on January 1, 1939, will amount to more than \$200,000 per year, and the second, to take effect not later than October 1, 1939, will amount to more than \$150,000 per year.

Approximately 60,000 residential and 8,000 commercial customers will be benefitted by these new reduced rates. These new reductions will bring the total annual savings to the electric customers of this Company to more than \$1,140,000 since 1934, which have all been made through informal negotiations and without the necessity of expensive and long drawn out rate hearings. The Commission hopes that these further reductions will result in increased usage throughout the territory of the Virginia Public Service Company, which will make it possible for further reductions in the future.

The Commission appreciates the spirit of co-operation shown by the officials of the Company in agreeing to these further reductions at this time.

M. J. O'Connell, president of the Virginia Public Service Company, said that the complete new schedules would be filed shortly with the Corporation Commission and that first savings to customers under the new rates would be reflected in January bills. Additional reduction in many of the schedules will go into effect not later than October 1, 1939.

"Savings to individual consumers will vary somewhat, of course, according to the amount of electricity used," said Mr. O'Connell, "but, in general, the reductions for the majority of residential customers will run from 10 to 15 per cent under the new rate schedules now being prepared."

"Substantial improvements now being made in the servicing facilities of the company, involving the expenditure of at least \$3,600,000 in the next three years, we believe insure better service at the new lower rates, in the face of steadily increasing taxes and other costs beyond the control of management."

"We hope, however, that efficient operation and increased consumption at the new lower rates will make it possible for the company to continue its long-standing policy of reducing rates whenever possible."

ANCIENT GARDEN LORE DISCUSSED

Mrs. Wade-Dalton Hostess to Club Section

The Garden Section of the Woman's Club of Manassas held its September meeting on Monday, September 20th, at the home of Mrs. Margaret Lewis, with Mrs. Mamie Lynch Delaney assisting as hostess.

Mrs. Lewis reported that the triangles at the main entrances to Manassas had been kept in order, the fences repaired and painted during the summer months, and presented a bill for same which was ordered paid. This has been a project of the Section for some years past, and one which the Section feels is a great asset to the town.

The Section also voted to hold a Card Party at the home of Mrs. C. Wade-Dalton on Thursday, September 29th, at 8 p.m. Tickets to be sold and proceeds from the party to be used to defray expenses of work done by the Section.

Following the business session the speaker for the afternoon, Mrs. Susan Morton, of Haymarket, was introduced by the chairman, Mrs. T. J. Broadus. Mrs. Morton gave a most interesting and enlightening talk on "Herbs from Grandmother's Garden."

Mrs. Morton, who has done a great deal of historical research in Prince William County, said that in visiting the old homes she often finds traces of herb gardens, still growing though everything else is gone.

She spoke of the many uses made of these herbs, both for medicinal use and in cooking in bygone days, and cites a number of recipes from old cook books, calling for the use of herbs which are seldom, if ever, grown today.

Mrs. Morton also recalled some interesting old legends and ancient lore about how some of the herbs came to be. Angelica, for instance, she said was revealed to a Monk by an angel during a plague in 1629, and was without question an excellent herb, giving comfort to the heart.

After a pleasant social hour and delicious refreshments served by the hostesses, the meeting adjourned to meet October 3rd at the home of Mrs. C. C. Lynn.

MASQUERADE

DEMOCRATIC BARN PARTY BRINGS MIRTH

The Barn Party given Wednesday night by the Young Democratic Club of Prince William County for its members turned out to be a big success although only about 150 of the 650 people invited attended. The square dance orchestra which had been engaged failed to show up, but the merry-makers refused to have their spirit dampened and square danced and round danced to music furnished by a victrola-radio, which proved to be very satisfactory. Most of the guests complied with the request of the Committee to attend "dressed accordingly" and came attired in all descriptions of overalls, straw hats, sunbonnets and gingham dresses.

The entertainment, announced and conducted by Mr. Eddie Conner, Jr., the Master of Ceremonies, was in the form of extemporaneous song and dance numbers. "Sweet Adeline," the first number of the program, was rendered by Messrs. Percival Lewis, Charles Lynn, Carl Kincheole and Doctor E. H. Pickeral, who performed as shyly as three-year olds. A jig contest to the tune of "Turkey in the Straw" was won by Mr. E. R. Conner, who out-jigged the other two contestants, Mr. Wheatley Johnson and Mr. Tom Russell. Misses Irma Ball, Mary Currell Pattie, Marion Lynn and Margaret Turner sang "Down by the Old Mill Stream" with illustrative motions. A group of spirited singers including Mrs. Virginia Ratcliffe and Mr. Jim Davies of Manassas, Mr. Carlton Clore of Madison, Miss Dorothy Bevard, Mrs. Viola Latham and Mr. Tom Garth of Haymarket, and Mrs. E. C. Spitzer and Mr. Vernon Wood of Nokesville, then rendered the old love song, "Let Me Call You Sweetheart."

Mrs. Eloise Trimmer accompanied all the song and dance numbers on the piano. The second form of entertainment was an extemporaneous group of Nursery Rhyme recitations. Each participant was presented with a small article symbolic of the verse (Continued on page 8.)

RECEPTION FOR FACULTY HELD AT P.-T. A. MEETING

RUFFNER-CARNEGIE LIBRARY NOW ON WINTER SCHEDULE

The Ruffner-Carnegie Library will be open again two nights in the week, Tuesdays and Wednesdays from 8 to 10 o'clock, as well as every school day from 9 to 4 o'clock.

The Library attendance has been much increased in the past year, 7410 books were loaned up to June 1st. The fullest attendance this summer was during the month of July when 430 books were loaned.

The Library plans to have its annual Book Week celebration this year in the second week of November. One of the Library of Congress Librarians has been secured as speaker for the night of Thursday, the 10th, and will tell something of the treasures of that great institution and of its vast field of work. The Library desires to make Book Week a yearly reunion of the "Friends of the Library" and hopes that all who are interested in its progress and work will join the "Friends". The "Friends of the Library" organized at the High School Alumni Banquet last June is modeled (it will be remembered) after the similar group at Princeton University; which has little organization and no dues, the sole requisite for membership slips may be obtained at the Library.

Another loan of one hundred books is expected from the State Library in Richmond about the middle of October. As these books are of all types: fiction, biography, travel and history, they add much interesting material to the Library resources.

Some books recently added to the Library's own collection follows:

Fiction: Cronin's The Citadel; Heinrich Mann's Young Henry of Navarre; Demarque's All Quiet on the Western Front; Bennett's Old Wives Tales; Stripling's The Store; Hilton's Lost Horizon; Buck's This Proud Heart; Wharton's Age of Innocence; Wilson's The Able McLaughlins; Bromfield's The Rains Came; Rawling's The Yearling; Spring's My Son! My Son! Gulbransen's Beyond Sing the Woods; Vercel's Tides of Mont St. Michel.

Non-fiction: Canfield's Why Stop Learning; Yutang Lin's The Importance of Living; William James' Varieties of Religious Experience; Laver's John Wesley; Curie's Madame Curie; Zweig's Marie Antoinette; James' Andrew Jackson; Halsey's With Malice to Some; Halliburton's The Flying Carpet; Scherman's The Promises Men Live By; Thomas Mann's The Coming Victory of Democracy; Daniel's A Southerner Discovers the South. A full list of the year's purchases may be had at the Library.

DANCE AT HAYMARKET FRIDAY NIGHT

Tomorrow night, September 23rd, the Haymarket Community League will have a dance in the School Auditorium for the benefit of the Home Economics Department. Help get this department off to a good start by spending a very enjoyable evening yourself. The music is being furnished by an orchestra from Fredericksburg, which has become very popular in this part of the country in the past few months.

A NATIONAL PRESIDENT VISITS MANASSAS

A typographical error last week caused us to state that the "State President" of the General Federation of Woman's Clubs had visited Manassas as the guest of our local Woman's Club.

However the visitor was none other than the National President of this great woman's organization and it was indeed a remarkable recognition of the accomplishments of the Manassas Woman's Club.

The National President, Mrs. Sadie Orr Dunbar, was introduced to the local club by the 4th District President, Mrs. Wm. G. Watt, of Lyon Village. The meeting last week, which started out the fall meetings with a record attendance, was presided over by Mrs. Cyril W. Dalton.

CLUB SUPPORTS HISTORY PLAN

Hosekeepers Also Joins Library Group

The Bethlehem Good Housekeeper's Club held its September meeting yesterday afternoon at the Stone House Inn, with Mrs. J. F. Burks and Mrs. Robert Lewis as hostesses.

Following the opening prayer and roll call, Mrs. Broadus read two selections from the work of Rev. T. D. D. Clark, another of our local poets. "Stonewall Jackson" and "My Infant Son" were the ones chosen.

Dr. C. L. Riley, of the County Health Department, was guest speaker and gave a brief but very comprehensive outline of the work undertaken by this department throughout this county.

Other guests were Mrs. Riley, Mrs. C. C. Lynn and Mrs. George Ayres. The Education and Civic Committee submitted the proposal that this club sponsor a movement to have a series of talks in the graded schools of the county by Mrs. Susan Morton, storehouse of facts and figures pertaining to the early history of Prince William County. This undertaking would have to be approved by the school board and supervisors, and the talks would be given in conjunction with the history classes. It was voted that the club appropriate twenty-five dollars toward this work in the event it is approved.

Money was also donated to help with the purchase of shoes for needy children of this county.

It was unanimously decided that the club, as a body, enroll as a member of "Friends of the Library", an organization composed of those individuals and organizations who are interested in the welfare of the local library. The program, in addition to Dr. Riley's talk, included a most unique and interesting game, which was conducted by Mrs. B. F. Knox, after which delicious refreshments were served.

The October meeting will be held on the afternoon of Wednesday, the 19th, at the home of Mrs. P. L. Profit with Mesdames M. M. Washington and N. K. Middleton as assistant hostesses.

For the first time this year the Manassas Macs will try their hand in playing a double-header. The Moses A.C. from Haymarket and the Fairfax A. C. will be their foes and both games are promised to be interesting and exciting.

In the first game, which will begin at 1:15, the Macs tangle with the Moses nine. Having been beaten by the Moses once this year, the Macs will be out for revenge.

The second game is scheduled at 3:15 when the Macs take the field against the Fairfax A.C. Mahoney will probably be the mound selection for Fairfax, while the Macs have not yet made their choice.

NOTICE TO FARMERS

J. Gray Beverley, Field Supervisor, will be at the office of Mr. Frank Cox, County Agent, Manassas, Virginia, Wednesday morning, September 28, between the hours of 9:00 a.m. and noon for the purpose of taking applications for Fall Seed loans, under the Emergency Crop Loan Act.

CHAMBER ELECTS NEW SECRETARY

Mr. Clifford Kettler Takes Over Duties This Week

At a meeting of the Board of Directors of the Prince William County Chamber of Commerce on the night of September 15, at the Town Hall, Manassas, Virginia, Mr. Clifford T. Kettler was unanimously elected Executive Secretary of the Chamber of Commerce.

Mr. Kettler, a graduate of the Maryland University, School of Engineering, has devoted the past seven years as Publicity and Promotional Director for the greater National Capital Committee of the Washington Board of Trade. His experience in this field is one of the finest that any Commercial Secretary could have. Mr. Kettler was associated with such projects as the President's Birthday Ball, President's Cup Regatta, Hollen's Celebration, Langley Day Air Races, Fourth of July Celebration, Cherry Blossom Festival and other events of civic note.

The new secretary states that in order to make a success of the Prince William County Chamber of Commerce he must have the entire and whole hearted cooperation of every member. At the Board of Directors' Meeting he set forth a few of his plans for the ensuing year.

Mr. Kettler hopes to secure for the County a National Guard Company, The battlefield Museum, to secure for the County at least once every two months to have some Chamber activities that will benefit the entire County and to rotate the meetings to the various localities. It will be necessary, however, that the headquarters be maintained in Manassas as this is the County seat.

Your Chamber of Commerce is here to help you and it is your duty to support it.

(Mr. Kettler is a young man of dynamic force and possessed of a most pleasing personality.)

We not only wish him success but propose to help him attain success. (Ed. Note.)

WELFARE WORK IS EXPLAINED

Details of Public Assistance Act
Released At Richmond

According to W. Travis Wilson, Superintendent of Public Welfare in Fairfax County, the following release has been made by the State Department of Public Welfare in an effort to explain the provisions of the PUBLIC ASSISTANCE ACT OF 1938. This release was read by Mr. James W. Phillips, Assistant Commissioner of Public Welfare for the State of Virginia, at the Chamber of Commerce meeting in Fairfax Tuesday night, September 13th.

"The program of public assistance and relief provided for by the Act, and its due and proper administration are matters of vast importance to the people of this state. They involve the expenditure of the taxpayer's money and the relief of human want and suffering; and, therefore, directly or indirectly vitally affect the happiness and well-being of each and every citizen of the state. If the law is efficiently, economically and humanely administered and enforced, we believe that much good can be accomplished. If it is carelessly, extravagantly or ruthlessly administered and enforced, we are certain much harm can result.

Assistance under the Act is divided into four classes or categories, namely: Old Age Assistance, Aid to Dependent Children, Aid to the Blind and General Relief. THE ACT SEEKS to combine and co-ordinate the use of certain federal, state and local funds, appropriated and made available therefor, TO ASSIST AND REHABILITATE, where possible, certain persons who come within these classes or categories, and who meet the several specific eligibility requirements established by the Act for each class or category. That the applicant for assistance IS DESTITUTE OR NEEDY, and is in need of public assistance or relief is a most essential pre-requisite and requirement for assistance in each and every case under all of the categories.

It is not the intent or purpose of the statute to give financial assistance to those who are able to work and support themselves and will not, or those who, although unable to support themselves, have others who are financially able to support them and are legally responsible under the laws of this state to do so. This applies especially to dependent children and their parents and to aged persons and their children. Provision is made in the statute for the local Board to proceed according to law against those persons legally responsible for the support of their children or parents who are applicants for or recipients of relief and these provisions of the law will be vigorously enforced.

The Act does not contemplate, and it is not proposed or intended that it shall be used, directly or indirectly, to encourage or promote selfishness, graft, greed, poverty, prodigality, wastefulness, idleness or vagrancy in any form. Each applicant for assistance will be carefully investigated to determine his or her eligibility before aid is granted; and provision is made in the act, and will be exercised without fear or favor, where necessary, to cancel, revoke or suspend assistance for good cause after it has been granted. Political influence, friendship, undue sentimentality, and bias—or prejudice of any kind have no place in the due and proper investigation and extension or refusal of relief; and it is our hope that none of them will be practiced or tolerated by the people of this County.

Under the Act all assistance in the form of money grants, payable by check, to the recipient or to some designated person for the benefit of the recipient. No provision is made therein for relief in the form of food-stuffs, clothing, shelter and medical attention, as heretofore given. The cash grants made must be used for the necessities of life and not squandered. Failure to so use them will constitute just cause for their revocation or suspension, or other appropriate action by the Board, and should not be countenanced or tolerated by the local Board.

The Virginia statute makes no provision for any such thing as an old age pension for all persons who have arrived at a certain age. Only the persons who have attained the age of sixty-five, who are needy and in need of public assistance, and who meet the requirements of the statute, are eligible for any such assistance. Any person who has made an assignment or transfer of his or her property to render himself or herself eligible for such assistance at any time within five years immediately prior to the filing of his or her application is ineligible and will receive no assistance from the local Board. Also, if at any time after the granting of assistance the recipient be-

comes possessed of any property or income in excess of the amount stated in his or her application, he or she must immediately notify the local Board which either cancel the assistance or alter the amount thereof, and proceed to recover back any excess assistance previously paid to such person. Furthermore, on the death of any recipient of such assistance, the total amount thereof paid is recoverable by the local Board from the estate of the recipient, prior to all other claims except prior liens, and except funeral expenses, hospital bills, doctor's bills and medical bills in limited amounts.

Persons who fraudulently obtain or attempt to fraudulently obtain, or aid or abet any person in fraudulently obtaining any benefit under the statute are subject to criminal prosecution and the imposition, upon conviction, of severe penalties therefor. The same thing is true with reference to any person who knowingly aids or abets in buying or disposing of the property of a recipient of old age assistance, or of aid to the blind, without the consent of the local Board or other proper authority under the Act.

CATHARPIN

Mrs. R. A. Collins, of Marble Hill, who has been suffering an attack of summer flu, is slowly recovering and able to sit up again. A number of cases of this same malady have been reported thruout the community.

Mrs. L. L. Lynn of this city together with her daughter, Elizabeth, are suffering the effects of bad colds at this writing.

This community is now favored with two school buses, one to the Haymarket high school and one to Antioch for the colored children of the neighborhood. Thus all are now cared for in the modern way. We have wondered with two school buses, one to the Haymarket high school and one to Antioch for the colored children of the neighborhood. Thus all are now cared for in the modern way. We have wondered sometimes if the labor organizations took their cue from the public schools for their agitation of a six-hour-day and a five-day-week?

We wonder also if they got the idea of a "sit-down" strike from the source. The parallelism is striking enough to be amusing. It is also surprising just how a community adjusts itself to the coming and going of the school bus. People regulate their meals and the time of milking their cows by reason of it; the dishes must be washed by a certain time; feeding must be done and many, many other "chores" must be done promptly in order to be ready "when the bus comes." In other words, the bus has put the while community on a regular schedule and all work is planned accordingly, which is a mighty good thing for everybody. Manufacturing establishments must have "system" in order to accomplish best results. The farmer has always been a law unto himself; got up when he pleased, worked when he pleased, rested when he pleased; but now all that is changed, and he, unwittingly, has become a creature of "system," superinduced by the regularity of the school bus. So while we miss the "Little Red School House," we have gained something which is quite valuable to all of us—the idea of being on time.

Mrs. C. F. Brower, of Lone Oak, is visiting her daughter, Marjorie and family in Arlington this week.

Corn cutting and seeding is now following closely upon the heels of silo filling which is now about over. A few cattle are beginning to come into the neighborhood but the price of "stockers" has been so high that feeders are slow in placing orders. In fact, at the moment, the agricultural situation is not very encouraging; grain prices at new lows and fertilizers and machinery higher. The country is badly in need of a system of "checks and balances" of some kind so when his produce is low, his needs should be in proportion.

Miss Marguerite, daughter of Mr. and Mrs. T. O. Latham of Snow Hill, returned last week for her last year's work at Mary Baldwin at which institution she has been an honor student in all her classes.

The 4th, and last quarterly conference of the Sudley circuit was held at Gainesville, Virginia, on Monday last and all officers and committees were elected or appointed for the new conference year. Much business was transacted but much still remains to be done in order that the present year may close with a clean slate.

We can always learn something if we only keep our ears to the ground and pay attention. We are now thinking of the radio and feel sure most of you have one. Do you ever listen in on that Nationally known Knight of the Broadcast, Lowell Thomas? If so, you know as much about him as we do. If not, you have something coming to you. We were interested one night last week in his description of the Retail Merchants Convention recently held in the city

of Pittsburgh, Pa., when he started off by asking "Do you know the biggest business in the world?" We listened a moment for the answer which surprised us when he said: "the 'biggest business' in the world is 'little business—the retail merchant.'" Then he went on to elaborate not only upon its cumulative size but also its value to the public at large. We had never thought of the town and country store as "Big Business;" rather, if we had given it any consideration at all, were too prone to criticize rather than to praise and give this very worthy and necessary institution the appreciative consideration and respect due for what it really means to the world at large. Sometimes we abuse it because it can not sell as cheaply as the Chain Store; but if we were to appraise the small country store as an institution, we find it is closer to the people than anything else on earth; it may lend you a dollar when in need, give you a sack of meal, or a pound of sugar, or a pair of shoes and a thousand and one things necessary to your daily life which the Chain Store would not do. And then! now listen: charge your account for an indefinite period and in a large percentage of cases, may never get it.

During the past few years, the Government has been borrowing money by the billions to help provide for people out of employment. These sums, however, must be paid back by taxation upon the general public. But did you ever stop to think just how many billions have been contributed indirectly to many people by the little country store in lost accounts? If these could be known the cumulative amount would be staggering, yet there is no taxing system by which the small merchant may be paid for his losses. So when we are dealing with our little community store we are dealing with a part of the Biggest Business Institution of the country; larger, larger than the Steel or Oil Industries, and vastly more far-reaching that it penetrates into the lives of every citizen. Thus we have "Big Business" right at our very doors and hardly knew it. We must be fair with it since it has its place in the sun and must forever endure.

WATCHING ACCIDENTS

Because of the appointment of ten special examining officers to issue operators' and chauffeurs' driving permits, the traffic officers of the Virginia Division of Motor Vehicles are now in a better position than ever before to watch the highway and help reduce accidents. And after all this is the prime duty of that division, we believe.

It was with a vision of progress that the 1938 General Assembly provided funds for these new examining officers. Yes, it creates ten new jobs—but what of ten new jobs if just one state police officer is able to save just one life.

In this respect it seems to us that there is little room for criticism of the state government when the prime purpose of the employment of these new men is to help protect the highways and make them more safe for us when we are using them.

An administration that is always alert to the needs of the people is always giving them a progressive government. We believe that the appointing of these examining officers is a step along the road of progress. We hope that the next report of accident statistics in this section will show a considerable decrease as compared to past years. And it will come only because such steps as these are taken to provide more possibilities of keeping the highways safe.

A FAMILY PUZZLE

(Contributed)

Last year I asked her to be my wife and she gave me a decidedly negative reply, so to get even, I married her mother. Then my father married the girl.

When I married the girl's mother, the girl became my daughter, and my father married my daughter, so he became my son. When my father married my daughter, she became my mother. If my father is my son and my daughter is my mother, who am I?

My mother's mother is my wife and must be my grandmother and being my grandmother's husband, I must be my own grandfather.

And there you are.

SOCIAL ACT AIDS WOMEN WORKERS

Part Time and Irregular Hours
Get Higer Scale

Women are covered by the Social Security Act on the same terms as men. That goes without saying. But in one way—a curious paradoxical way—working women come off comparatively better than working men under the act's old-age insurance program.

This happens for the very reason that women, as a rule, earn less than men and work a shorter time. That may not seem to make sense, but it does, and for this reason:

The old-age insurance plan is weighted in favor of the workers who earn the least. They get the most for their money when it comes to old-age benefits.

Benefits do not take the place of better wages, of course. Nobody would say that. The point here is that even with a very low wage, a woman can build up an old-age benefit under the Social Security Act which will keep her from being dependent when she is old.

Or take, for example, the girl who goes to work in a store or an office or a factory when she leaves high school and works until she marries—say five years later. Suppose she averages \$15.00 a week during those five years. If she never earn another cent as long as she lives, she will have built up a claim to a Government check for \$15.75 a month, beginning when she is 65. Add that to her husband's earnings or his insurance, and it will help out considerably in their later years.

Even part-time wages, or wages for occasional work, if the job is covered, count toward old-age benefits. Home workers—women who work at home for manufacturers or contractors—making baby's garments, bedspreads, suits, lace, jewelry, toys, artificial flowers, and many other things we buy in the city stores—these women, too, are covered by this law. Many of them have work enough to make only \$200.00 a year, all told.

At that, however, after 10 years' work, these women will be able to draw, when they are 65 years old, \$120 a year, in payments of \$10 a month as long as they live. If they have worked 20 years averaging \$200 a year, their old-age benefits will amount to \$15.83 a month.

As for the women who keep on working at some regular job year after year, from girlhood up to 65, they of course build up a better income for their old age, just as men do. After 30 years' work at pay averaging \$15 a week or \$780 a year, their benefits is they stop working at age 65 will be \$32 a month for the rest of their lives. At pay averaging \$25 a week for 30 years, the retirement benefit is \$45 a month. At pay averaging \$50 a week, the benefit is \$63.75 a month.

Women who have only a few years to work before they are 65, and whose wages are very low, or very irregular, may not be able to build up a monthly retirement benefit under the Social Security Act. They will receive, however, a single cash payment at age 65 which amounts to 3 1-2 per cent of their total wages since 1936.

Suppose, for example, a woman now past 63 is making about \$7 a week most of the time. Suppose that from January 1, 1937, until she is 65 she earns, in all, \$1,000. That would entitle her to a single cash payment of \$35. She would have paid \$10.00 in social security taxes, but her benefit is 3 1-2 times her taxes.

In other words, whether the worker builds up monthly retirement benefits, or only a single cash payment at age 65, she may be sure of getting her money back with interest. Usually she gets back several times her tax money.

OCOQUAN AND VICINITY

Mr. Warthen Hall of Occoquan and Manassas has returned to school in New York City after a few days vacation here.

We are glad to report that Mrs. Bene Cross, of Occoquan, is reported as doing fine in Alexandria Hospital, and will soon be coming home. Mr. Bernard Cross, her husband, is also in the Hospital, because of his kindness in giving a ride to THREE hitchhikers on No. 1, highway. He picked them up East of Accotink and after a short distance one of them hit him on the head and threw him out of the car and got away with the car. We are glad however that they were arrested a short time later and are now in jail, and we hope they will get the full extent of the law. Mr. Cross was badly cut about the head, but is improving rapidly and will soon be home. Let this be a warning to every person driving an automobile, not to give any hitchhiker to every person driving an automobile, not to give any hitchhiker a ride.

Mr. Edgar R. Shanklin, of Occoquan, is on the sick list in Walter Reid Hospital, where he underwent an operation, and from which he is convalescing rapidly. We hope he will soon be home.

We are sorry to report that Mr. Richard Smith, Jr., of Lorton, is a patient in Alexandria Hospital. We wish him speedy recovery.

The first meeting this season of the Occoquan High School Alumni Association was held at the High School on Wednesday, September 14. The following officers were elected to serve during the 1938-39 term:

Mrs. Janet Russell Murphy, President; Miss Norma Alexander, vice-president; Mr. Myron Lynn, treasurer; Miss Sara Bubb, secretary; Mr. Howard Petellat, social secretary; Mr. Stanley Reid, reporter; Messrs. Russell Bolton and Cecilia Markle, athletic chairmen. The next meeting will be held on the High School on the second Wednesday in November. This will be a social and business meeting, and we sincerely hope there will be an extra large attendance.

Come and see what your fellow Alumnus are doing for you.

A member of the Occoquan-Woodbridge-Lorton community was held at Occoquan High School on Friday evening, September 16th for the purpose of electing and appointing officers, etc., for the organization of a Volunteer Fire Department for the community. There was an excellent attendance, a good sign that all are interested in this worthy project.

The following officers were elected: Mr. Robert S. Hall, president; Capt. Thomas F. Joyce, secretary, and Mr. Henry P. Davis, treasurer.

The president then appointed the following Committees:

Finance Committee: R. Shanklin; Mr. Chas. T. Marshall; Mr. C. B. Jett; Mr. G. C. Russell; Mr. H. T. Mooney; Mr. Warren Clark, and Doctor Malcolm. This committee is to solicit funds and make necessary arrangements for payment of the Fire Engine and Equipment.

By-Laws Committee: Mr. H. C. Slack; Mr. C. S. Pierce; Mr. F. M. Lynn, and Capt. Joyce.

The next meeting will be held at the High School on Friday, September 23, at 8:00 p.m., at which time the Fire Company will be organized. Come all and help organize. We must have the best Volunteer Fire Company in the County.

At this time we wish to thank the Chiefs of the Fire Departments of Alexandria, Manassas, and Lorton Workhouse who came and gave us the right information for organization, and who stated they would be glad to assist us any time we were in doubts as to the proper procedure.

Now, that our Public Schools are open and in full swing, we wonder how many of the Legal Public Holidays will be observed as Holidays in schools. The following are declared as Legal Public Holidays: January 1st; February 22nd; May 30th; July 4th; first Monday in September; November 11th, Armistice Day; and Christmas Day. The Patriotic motives, which has set those days apart as Legal Holidays, should be installed in our children in such a manner that they will not forget them, and the surest way to remember them above other days is by observing them as

School Holidays. We know some of the schools will so observe them, but unfortunately Patriotism is not given the proper place in some of our Public Schools. And, we know that with the condition of world affairs now, we need to install Patriotism in our Citizenry as never before.

American Legionnaires and their wives from Occoquan and vicinity who attended banquet at the home of Governor Westmoreland Davis in Leesburg on September 15th were: Mr. and Mrs. Elmer E. Payne, and Capt. and Mrs. Thos. F. Joyce of Occoquan; Mrs. Bernice Insko of Lorton; and Mrs. T. Powell Davis, and Mr. and Mrs. Robert Burdett of Woodbridge. There was a splendid gathering and all had a grand time. The Governor and Mrs. Davis are grand hosts.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in after years.

And the work of righteousness shall be peace; and the effect of righteousness, quietness and assurance for ever.—Isa. 32:17.

THE WAR SITUATION

As the world is rapidly returning to the status existing before the War, we should recall with gratitude the sacrifice of those far-seeing statesmen, the "willful" United States Senators, who were "purged" from public life by President Wilson for their temerity in daring to oppose the President's dictation as to how they should vote on the terms of peace. To them we owe our refusal to join the League of Nations and to become a military guarantor of the un-natural boundary lines placed around a throttled Germany.

Gradually a re-armed Germany has been successfully violating and resisting these terms of peace and the Allies have been yielding point after point. If these concessions had come in response to the dictates of justice the danger would not be so great, but they have been made in the face of the threat of war, and will, therefore, be viewed by the beneficiaries as a sign of increasing weakness and fear.

Thus the decision made this week by England and France to permit dismemberment of Czechoslovakia as a means of preventing war, probably will be the means of postponing an inevitable conflict, which will far exceed the horrors of the last World War.

RESOLUTION

In the passing of George Grayson Tyler the County of Prince William and the State of Virginia has lost one of its most faithful and conscientious public servants. Throughout his many years in public life, both as Superintendent of Schools of Prince William County, Virginia, and Clerk of the Circuit Court of Prince William County, Virginia, he served the people of his County and State with complete unselfishness.

His broad experience, good judgment and wise counsel has proved

throughout the years most valuable to the advancement of his County and State and has won for him the respect and admiration of all with whom he was brought into contact.

Mindful of the valuable services and the constructive work of the late George Grayson Tyler on behalf of the County of Prince William, the County School Board of Prince William County, Virginia, gratefully records its appreciation of him by adopting the following:

BE IT RESOLVED, that we, on behalf of the County of Prince William, attest to the inspiration and support which the late Mr. George Grayson Tyler brought to the deliberations of the School Board and to the several high County posts which he so faithfully filled over a long period of years; and,

BE IT FURTHER RESOLVED, that a copy of this resolution be spread upon the minutes of this Board, and that a copy be sent to his family as a testimonial of our sincere appreciation of his usefulness not only as a public servant but also a valuable and esteemed citizen of Prince William County, Virginia.

EXCEPT FROM MINUTES OF PRINCE WILLIAM COUNTY SCHOOL BOARD MEETING HELD WEDNESDAY, SEPTEMBER 14, A TRUE COPY:
R. C. HAYDON, Clerk.

RESOLUTION

At the meeting of the Prince William County Teacher's Association last week, a committee was appointed to draw up the following resolutions:

Resolved, that in the recent death of Mr. George G. Tyler, late Clerk of the Court and former Superintendent of Schools, the Prince William County Teacher's Association feels that the people of this County have sustained a grievous loss, and that the Association wishes to go on record as expressing to the full its appreciation of Mr. Tyler's faithful services as Superintendent of the Schools of the County, and also its sincere admiration for his rare personal qualities: his high sense of justice, his un-failing courtesy, and his considerate kindness to all who came in contact with him.

Be It Further Resolved, that a copy of this resolution be put in the minutes of this Association, and that a copy be sent to Mr. Tyler's family as an expression of the high regard in which the schools of the County held him.

Mr. Daniel S. Diehl,

My dear Mr. Diehl:

It has come to my attention that you are retiring from the Railway Mail Service at the end of this month.

I wish to congratulate you on the thirty years you have given to the Government in this branch of the service. This is a long record, and one that should afford you many pleasant memories.

It is my sincere hope that you may have good health and many years in which to remember your old friends, associates and accomplishments in the Postal Service.

I am enclosing an autographed photograph in the thought that you may desire to have it as a memento of the closing years of your service.

Very truly yours,

KIWANIS SEE SUGAR MOVIE

A movie on sugar making and other activities in the Virgin Island proved a delightful entertainment for the Kiwanis Club last Friday evening. It was a very unusual type of diversion that Mr. Harris had secured from the U.S. Department of Agriculture.

On suggestion by Mr. Cocke, who stated that he had just been informed by Branch Spalding, director of National Parks in Virginia of a proposed P.W.A. grant of \$56 for a museum on the Manassas Battlefield Park, the Club unanimously endorsed the project.

Mr. Kincheloe introduced Mr. Kettler, the newly elected secretary of the Prince William County Chamber of Commerce. This gentleman made a splendid little talk promising to do everything in his power to promote the work of the Chamber, but stressing the need of cooperation.

GEORGE ROBERT BREEN

While preparing for a visit to Baltimore with relatives, George Robert Breen, aged 62, son of the late John and Fannie Breen, died suddenly of an acute heart attack, on Saturday, September 10, at 4:30 a.m. at his home on the Bristow Road near Gainesville, Va.

Mr. Breen was a highly esteemed and respected member of the community, where he had farmed for many years.

On February 14, 1912, he married Miss Helen Ray, of Baltimore, Md., who survives him. There are no children, but he was a beloved "uncle George", to his nieces and nephews and to an orphaned boy, Frankie Coaplin, whom he raised.

He is also survived by the follow-

ing brothers and sisters, Joseph Breen of Alexandria, Herbert Breen of Bristow, Mrs. James Tobin of Bristow, Mrs. Frank Wells of Gainesville, Mrs. F. E. Rollins of Falls Church, Mrs. M. L. Ball of Landover, Md., and Mrs. Henry Pagne of Hume, Va.

Funeral services were held on Tuesday at 9 a.m. at the Catholic church at Bristow of which he was a lifelong member, with Fathers Widmer and Tierney officiating.

The following acted as pallbearers: Dr. Wade C. Payne, Messrs. Rolfe Robertson, Mitchell Cook and Will Brower, all of Prince William County and J. Fred Huber and Darcey Fanning, of Washington, D. C. The many floral tributes and large crowd attested to the esteem and affection in which Mr. Breen was held by his friends and neighbors.

IN MEMORIAM

In loving memory of my dear friend, Violet Gallahan, who died July 25, 1938:

There is someone who misses you sadly
And finds time long since you went;
For your friend thinks of you always,
But tries to be brave and content.

I will never forget you, nor do I intend;

I will think of you always,
Yes, clear to the end.
Gone and forgotten by some you may be
But dear to my memory you always will be.

Just a sad but sweet remembrance,
Just a memory fond and true.
Just a token of affection, Dear Violet
And a sad heartache still for you
Her spirit has fled, her sufferings over

At the home fireside she will join us
no more.
By a kind and loving friend.

RE: MEMORIAL TO GEORGE GRAYSON TYLER:

George Grayson Tyler, the son of Capt. Robt. H. and Sallie S. Tyler, was born at "Clifton", the Tyler home, near Hickory Grove, in Gainesville District, Prince William County, on the 12th day of February, 1869, and departed this life at his home at Haymarket said County on the 2nd day of September, 1938, after many years of suffering during which no complaint was ever heard from him, but at all times he ever remained faithful to his duties.

The decedent spent his life in his native county, exerting his energies to the welfare of the county which he loved so greatly and to the duties of the various offices held by him, among which were deputy sheriff, deputy treasurer, Superintendent of Schools and Clerk of the Circuit Court. As Superintendent of Schools, as in the other offices he was most efficient and loyal, and derived great pleasure from his visits to the public schools and his contacts with the children attending the same.

He served as Superintendent from the 30th day of June, 1909, to March 11, 1916, on which date he resigned and qualified as clerk of the Circuit Court which post he held until his death.

Therefore, Be it resolved by the Board of Supervisors of Prince William County that in the death of the said George Grayson Tyler the County has lost a true Virginia gentleman, an honest and upright citizen and a most efficient and loyal officer;

Be it further resolved that this resolution be spread upon the minutes of this board, and a copy delivered to the bereaved family of the decedent.

Unanimously Adopted.

RE: MEMORIAL TO MRS. JANIE C. ABEL:

With deep sorrow the Board of Supervisors of Prince William County, Virginia, records the death of Mrs. Janie C. Abel, a member of the Board of Supervisors, Prince William County, Virginia, and extends heartfelt sympathy to her husband, Mr. C. N. Abel and the other members of her family. For many years Mrs. Abel has been actively interested in the advancement of Prince William County and in the social welfare of her particular community. This experience, added to her excellent sense of human needs and values, peculiarly fitted her for the post which she occupied as a member of the Board of Supervisors, Prince William County, Virginia, and her service in that office was marked by clear insight, keen wisdom and unswerving loyalty to her constituents and to her County.

Her personal charm was interwoven with a quiet strength based on ability and fineness of feeling for her fellowman. She contributed unlimited to the present high standards of the Government of Prince William County, Virginia, and her death deprives this Board of a courageous and trusted member, and the County of Prince William of a modest citizen whose work for those who were in distress and afflicted will stand as a lasting memorial.

As a testimonial of our sincere appreciation of her sterling qualities it is ordered that a copy of this resolution be spread upon the minutes of the Board of Supervisors of Prince William County, Virginia, and that a copy be sent to Mrs. Janie C. Abel's family.

Unanimously Adopted.

IN RE: OFFICE BUILDING.

Be it resolved that the plans and specifications for a new office building for Prince William County this day submitted by Messrs. Carneal Johnston & Wright be and the same are hereby accepted and that C. B. Linton be employed by and on behalf of Prince William County to obtain bona fide bids on the basis of construction and submit such bids to this Board;

Mr. Linton is to be paid the sum of \$100.00 for his services in connection with preparation of such estimate. And in the meantime the said C. B. Linton is authorized to proceed immediately to have the necessary excavating done and concrete foundation put in.

AYES: G. C. Russell, V. S. Abel, W. M. Johnson, Lester W. Huff, J. Murray Taylor, Chairman.

NOES: NONE.

IN RE: JANITOR FOR COURTHOUSE.

Be it resolved that Mr. O. Wells be and he hereby is employed as Janitor for the Court House and Grounds, Manassas, Prince William County, Virginia, at a salary of \$30.00 per month, said employment to become effective September 10, 1938.

THE MARCH OF TIME

What hath God wrought!

In the beginning God created --

And the earth was without form, Void;

Darkness --

Let there be light!

And The March of Time has pushed man ever forward --

Hans Lippershey melted sand and ground an optical glass --

Galileo used the glass and confirmed the Planetary Theory of Copernicus --

Copernicus, nearly 500 years ago elaborated his Astronomical System;

The sun a central body around which the earth moves,

And our whole solar system moves --

Astronomy born!

The March of Time lightning the candle of science --

The Mathematician!

The Geologist!

The Archaeologist!

The Anthropologist!

Behold a mystery!

The March of Time opens the leaves of the past,

And science reads on --

The earth spins --

And we have day and night;

The rhythm of the spheres!

The March of Time brought in a Foucault,

And Foucault suspended a pendulum,

And the pendulum marked the movement of the earth from east to west;

Rotation!

Twenty-four hours thru space;

Dancing to the light of the Sun --

Swaying in rhythmic curve,

Traveling in an elliptical orbit

The seasons are charted --

The March of Time!

And the school boy sees the earth as an oblate spheroid;

A diameter less than a hundredth part of the sun --

Our sun—our source of heat 93,000,000 miles away;

And still the March of Time goes on --

Our earth, the home of man!

And man regulated by the motion of the earth;

Day and night we wake and sleep,

Twenty-four hours the earth's face toward the sun;

And one year in its elliptical orbit,

Man, with all nature bow to the seasons --

The March of Time tolls the bell of civilization

And leads man from darkness into light --

"And God said, let there be light." --

CHRISTIAN SCIENCE

"Reality" will be the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, September 25.

The Golden Text will be "Thy throne, O God, is for ever and ever: the sceptre of thy kingdom is a right sceptre" (Psalms 45:6).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "All thy works shall praise thee, O Lord; and thy saints shall bless thee. They shall speak of the glory of thy kingdom, and talk of thy power; To make known to the sons of men his mighty acts, and the glorious majesty of his kingdom. Thy kingdom is an everlasting kingdom, and thy dominion endureth throughout all generations" (Psalms 145: 10-13).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health Eddy: "The three great verities of Spirit, omnipotence, omnipresence, omniscience,—Spirit possessing all power, filling all space, constituting all Science,—contradict forever the belief that matter can be actual. These eternal verities reveal primeval existence as the radiant reality of God's creation, in which all that He has made is pronounced by His wisdom good" (p. 109).

BETHEL H.D.C. VISITS THE
DEPT. OF AGRICULTURE

The Bethel Home Demonstration Club visited the Bureau of Home Economics and the Extension Division of the U. S. Dept. of Agriculture in Washington, D. C., on Thursday, September 15. All club women of the county were invited to join them on this visit.

Twenty women, representing Bethel and Nokesville H. D. C. and the Homemakers Association made the tour.

The visitors saw two moving pictures. One was about Home Demonstration Work and its great value to homemakers. The other was about 4-H work and the good it renders to our boys and girls.

After the movies everyone was conducted through various laboratories of the Bureau of Home Economics.

Specialists from the Bureau of Home Economics explained Economics Studies being made at the present time and the Nutrition Division. An interesting exhibit of children clothes with the last word in "self help" were shown and explained.

In visiting the Household Equipment Section, a research problem on Electric Roasters was observed as well as an experiment in kitchen development. Such questions as how high should a sink be from the floor, how high should work tables be, the distance between shelves in storage cabinets and arrangement of cabinets were answered.

When the tour was completed everyone went to Haines Point for a picnic lunch. The weather was perfect for such an outing; the basket lunches were perfect; in fact, everything seemed to be just right because everyone had a delightful time.

ESTABLISH CLINIC FOR
SOCIAL DISEASES

Cooperating with the State and National program for the control of venereal disease, physicians of Prince William County and the Prince William County Health Department have inaugurated a weekly clinic for the treatment indigent patients. It is the aim of the local physicians and the Health Department to detect and treat all individuals affected, so that this disease can be eradicated, and also so that many of the serious complications such as blindness, deafness, heart disease, etc., can be prevented. The seriousness of indifference to this disease may be readily realized when it is considered that 240 people with mental deterioration, occurring as a direct result of venereal disease, were admitted to the Virginia state mental institutions during 1937, and the total cost to the people of this state for their care during the year was \$112,000.00.

The clinic will be held in the Prince William County Health Offices in Manassas each Tuesday at 3:00 o'clock P.M., with the local physicians conducting. The Health Department sincerely hopes that all individuals will take advantage of the opportunity to have employees examined, particularly those handling food in public places.

OCCOQUAN

FUNERAL HELD HERE
FOR MRS. MARY LEACHE

"Funeral services for Mrs. Mary Landon Leache, retired postal employee, who died suddenly Tuesday morning, were held Wednesday morning at 9 o'clock at the home, 721 Putman, with Rev. Samuel H. Rainey, rector of St. Paul's Episcopal church, officiating.

The body was taken to Fort Smith for burial in Oak Grove cemetery.

Mrs. Leache, born in Fauquier county, Virginia, 76 years ago, was a granddaughter of Col. Robert Armistead, who was mortally wounded in the battle of Oak Hills and is buried in the National Cemetery at Fort Smith. A relative of his, General Lewis Armistead, was killed in the Battle of Gettysburg. Col. George Armistead was with the American forces at the time the Star Spangled Banner was written. Her late husband, also a Virginian, was a soldier in the southern army. He was a relative of Col. C. F. Armistead and a cousin of the late General Beauford Armistead of Charleston and Fort Smith.

During her residence in Dallas Mrs. Leache was prominent in club and social life. She was a member of the Daughters of 1812, Daughters of the American Revolution and Daughters of the Confederacy.

Surviving are two daughters, Mrs. G. W. Scott of Lubbock, Texas and Mrs. B. B. Baldwin of Dallas; and three grandchildren.

The foregoing is taken from a Fayetteville (Ark.) paper. Mrs. Leache was an aunt of Mr. Armistead Sinclair, Mrs. Giddings and Mrs. Nash of this town.

ENJOYABLE EVENT

Miss Mildred Keller officiated at the organ.

At noon a picnic lunch was served and the respective groups had the pleasure of mingling for more than an hour. A light drizzle set up later in the day but not sufficient to interrupt proceedings.

Nearly one hundred persons in all attended the services at some time during the day.

recited. Mrs. C. C. Lynn, who said "Old Mother Hubbard" was given a wooly dog, Mrs. Earl Hurst, who recited "Mary, Mary, Quite Contrary" received a sprig of flowers. Mr. Percival Lewis was given a horn to illustrate "Little Boy Blue", but he didn't know the rhyme and recited another little number which was loudly applauded. Mr. Charles Fenwick, of Falls Church, held a glass egg while he told about "Humpty, Dumpty." Mr. Jack Ratcliffe portrayed "Tom, Tom the Pipers Son" with a rubber pig under his arm, and Mrs. Frances Davies received a novelty spider for reciting "Little Miss Muffet". Perhaps the most amusing recitation was that of Mrs. Elizabeth Taylor and Mr. Jim King of Fairfax who held a toy bucket between them while they said "Jack and Jill."

Following the entertainment the guests retired to the refreshment corner and were served sweet older, buns and doughnuts. After which they again danced and cut capers to the tune of the radio until almost 1:30. The gymnasium was decorated with corn stalks and with apples suspended from the beams and looked quite gay and rustic.

WOODBIDGE

He took them to the National Museum in Washington, where he was informed that the shells were 15,000,000 years old. They advised him to send the shells to New York City.

Mr. W. H. Carrick, of Seat Pleasant, Md., was a recent caller at the home of Mr. L. E. Strother. Mrs. Carrick still continues in poor health.
